The amendment that I have offered, Mr. President, cuts out entirely in some instances the total appropriation. I do not claim it to be an ideal amendment; far from it. But I have cut out substantially enough to enable the Mayor to restore the old wages and salaries to the city employees outside of the Police and Fire Departments.

Strike out \$800.00 from the Art Department,—we have artists enough in the Board of Estimate and Apportionment Burlesque Company.

Even this Business Men's Board were amazed at the amount of money, desired mostly for salaries, by the Bath Department, about \$169,000, and they actually had the audacity to reduce the appropriation \$100,000. The Mayor has stated that the Baths could be run this year for \$35,000. We will allow him \$15,000 more than his estimate for he may need some gymnasia or public convenience stations before the year is over, and, of course, he can transfer the money from the surplus left in the Bath Department.

Erase entirely the \$1400 for the Marcella St. Home, for the wages of a man in charge of an empty house. Sell the property and, with the money thus realized, provide decent accommodations for the poor children at Rainsford Island.

Wipe out the \$3,000 for Free Public Lectures. That is a waste of money when the Board of Strategy is at all times willing to furnish lecturers on any subject from "How to Discharge a Faithful Employee" to "The Ease with Which Public Money Can be Wasted." These lectures are to be given in school houses and halls owned by the city. Each lecturer is to be paid but \$10.00 for his services, but I understand that \$2,500 was appropriated for these lectures last December. This \$3,000 would seem to be, on this statement of facts, not only unnecessary but for a purpose entirely different from that alleged,—perhaps to give a reunion wine supper to last year's Legislative Committee on Metropolitan Affairs, in celebration of the magnificent work done, in creating the Board of Estimate and Apportionment, which was favorably reported upon by the aforesaid Committee, and this would be but a poor requital for their service.

Strike out the \$7,000 for the Electrical

Construction Dept.—the department that is usually awarded a contract without competition, is maintained for political purposes and whose chief occupation is in repairing work that it has but just finished.

Abolish the Statistics Department with its \$13,000—a department to which I have referred, I hope, sufficiently before.

Erase the appropriation of \$6,000 for the "City Record." It was not started for the purpose of giving news—even news a month old—but to furnish work for the Printing Plant gold brick and to be a flattery sheet for the Mayor.

Strike out \$10,000 from the Lamp Department—in looking over the records of the Lamp Dept. for the past ten years I find that the expenses of said department have increased much faster than the length of streets during the same period of time. The Lamp Dept. can well spare a \$10,000 reduction.

And finally, eliminate the appropriation of \$47,400 for the contract with the "New England Sanitary Product Company," under the head of the Sanitary Division of the Street Department. That is a contract that Mayor Quincy made with his old friend and business associate, Mr. W. W. Gooch, whom most of you have probably heard of before. Why, gentleman, that contract is a regular gold mine for Gooch, but a regular gold brick for the city. The city furnishes men and teams who cart the refuse matter of the city to scows. Mr. Gooch has merely to tow these scows up stream to his works and there subject this material to a process which tries out all the oils, ammonia and the like which it contains. This constitutes a very valuable product and ought to pay very handsome dividends. The procuring of this refuse matter in itself ought to be worth something, but the city gives this free and then throws \$47,400 into the scows.

This amendment, therefore, strikes out altogether \$123,600. As I have said before, substantially enough to restore former salaries and wages to those employees whose salaries or wages have been reduced.

If the reduction in salaries was necessary to meet the demands of sound municipal needs, the only just and fair principle was that enunciated by the Mayor in his first proposal of a reduction, namely, an equal and lateral cut in each and every department alike. A discrimination would be unfair and I cannot see any defense for exemption, as we well know that the salaries of the Police Department could not be reduced, and, with a lack of firmness thoroughly consistent with his character, the Mayor, under popular indignation, has retreated from his original proposition to reduce the salaries in the Fire Department.

Men in all the other departments, in their way, do as necessary and vital work no doubt, for the municipality, as the Firemen and Policemen, although their duties do not bring them so conspicuously before the public. Their salaries by unfair discrimination should not be reduced, and with our help they need not be. If the amendment that I have suggested be adopted, sufficient money will be saved to go a long way in preventing a reduction in these other departments.

I am aware, Mr. President, that I shall be followed by gentlemen from the other side, whom I certainly respect, but who I feel would blindly follow the Mayor wherever his uncertain steps may wander. And in closing, I will say, in all charity, in anticipation of a personal attack, "Forgive them, Mr. President, and fellow-members of the Council, for His Honor the Mayor has spoken, and they know not what they do."

The PRESIDENT—The question is on the passage of the appropriation orders in concurrence with the Board of Estimate and Apportionment.

Mr. HICKEY of Wd. 2—Mr. President, I hope that the same measure of extreme latitude which has been given my friend

from Wd. 12 will also be accorded me in the discussion of this question. I do not know, Mr. President—

The PRESIDENT—The Chair desires to correct an error which he may have made. The question is on the adoption of the several amendments offered by the gentleman from Wd. 12, Mr. Chamberlain. Mr. Hickey of Wd. 2 has the floor.

Mr. HICKEY—Mr. President, I hope those amendments will not be adopted. I have no lengthy type-written speech to deliver to the members of the Council tonight. I have no words prepared by myself or anybody else to deliver, whether for myself or somebody else, but I want to say, and I will stake my character upon it, that although George Holden Tinkham is not a member of the Common Council this year, he knew exactly what was being read from that paper. If it was not he that prepared that paper, it was Martin M. Lomasney. It was either one or the other, and whichever it was, he deserves credit for having such a tool to present his arguments for him. The paper deserves criticism, first of all, and it does not deserve the support of any member of this Council, for the simple reason that it begins what is presumably an argument with a personal attack upon men of high repute in this city. I want to ask the men who represent East Boston in this chamber tonight if they will uphold this man when he attacks the Hon. John H. Sullivan—a man whose charity and whose public career have endeared him to every public-spirited citizen of East Boston. He attacks David P. Barry in a personal manner—a man who for years presided over the deliberations of this body, with far more dignity and ability than some of his successors, who need not be mentioned. He attempted to prove that Laurence Minot is a mere puppet in the hands of the Mayor, and while in certain portions of that speech, which is written for him, he seeks the support of Laurence Minot, other portions of it are calculated to force Laurence Minot to desert his party. I have no doubt but that they will prove unsuccessful. He was chosen for the position principally on account of the experience which he had in the Board of Statistics in this city. He was well acquainted with the statistics of the city. He deserved the position, and he has filled it honorably since he secured it. The gentleman makes reference to the Board of Apportionment act, passed by a hypnotized Legislature. It was not a hypnotized Legislature that passed that Act, Mr. President. It was a Republican Legislature that, not only last year, but every year, for years past, has interfered with the workings of the city of Boston, and regardless of who asked for it, it was only one of those things which a Republican Legislature continually perpetrates upon the city of Boston.

He refers to the laboring men of this city—and I ask the laboring men, if there are a few of them here, if they are in love with the way he has designated them, when he calls them a crowd of hirelings, depending upon Mayor Quincy? I ask those men who represent laboring constituencies in this Council if they are willing to go back to their constituents and justify themselves in voting for an order presented by a man who refers to the laboring men of this city as a crowd of hirelings, depending upon Mayor Quincy? He says the appropriation bill which has come to this council, came without criticism on the part of the Board of Aldermen. I would like to ask the gentleman how he knows that? The only thing I had against this bill tonight was the fact that it had been detained too long and given too much time and too much criticism in the Board of Aldermen. I was pleased to see that after a lengthy debate the Board of Aldermen agreed with the Mayor in

the appropriation which he has sent them.

The PRESIDENT—The Chair desires to state that heretofore he has refused to tolerate allusions to the Board of Aldermen. No allusions of that character have been made tonight, and the Chair will ask the gentleman from Wd. 2 to kindly refrain from making such allusions.

Mr. HICKEY—The gentleman speaks about the fire department salaries, and then he accuses the Mayor of retreating. I want to tell the gentleman who read that speech—and I would like to make a motion that speeches could not be read in this body—that the reference he made in that speech to the firemen of the city and the retreating action of the Mayor in restoring their old pay, is something which I think will not hold water, when brought into the light of what has transpired at the recent meetings of this body. There is no truer friend of the firemen in this body than I, and I showed that at the last meeting. Every member of this body was with the firemen, and no discord can be created by the insertion of such a clause as that into the gentleman's speech. I want to say, Mr. President, in conclusion, that throughout the arguments presented by the gentleman in front of me (Mr. Chamberlain) there appeared to me to be nothing except a discussion of the advisability of continuing the Board of Estimate and Apportionment. That is not a party question. In the Board of Aldermen we have already seen a split on that. That is a question that can best be decided after the Board of Apportionment has been given a fair trial. The parts of his speech which relate to figures cannot perhaps properly be repiled to at this time, for the reason that he has read a speech of five or six typewritten pages, which has been thoroughly prepared, while anybody who rises to answer him cannot produce figures on the spur of the moment. But outside of the figures, I ask as a matter of courtesy, decency and good judgment, that the gentleman who read that speech be not sustained. The gentleman has cast aspersions upon citizens of Boston who are held in high repute, as they should be, in this community and in this body. Such men as now compose the Board of Estimate and Apportionment should not be maligned in this body by a gentleman whose only aim, in my opinion, is to be the republican leader of this body—something that he is not fitted for mentally, if he is physically.

The PRESIDENT—The Chair will request the gentleman to refrain from personalities as much as possible during the debate in the Council Chamber.

Mr. HICKEY—Mr. President, it is somewhat surprising that the same references were not made to the preceding speaker when he was on his feet. I would like the same latitude—in fact, I demand it.

The PRESIDENT—The Chair desires to state that no previous speaker this evening has referred in an improper manner to any member of the Council. The Chair desires to ask all members of the Council to refrain from improper and undignified personal allusions to other members of the Council.

Mr. HICKEY—Mr. President, I would like to call attention to the fact that it is not very many meetings since the President of this body interrupted a member of the body and told him that no reference to a member of the co-ordinate branch would be proper or in order. Tonight he has permitted such reference to be made, reflecting on the Chairman of the Board of Aldermen. If that is not a case of inconsistency, I should like to ask what it is?

Just a word, Mr. President, in regard to what the gentleman said in his closing remarks, when he stated that those who would rise here after him would follow blindly the Mayor and do what he says. I want to repeat what I said on the floor

of this body before, that I have never yet, since I have been a member of this government, seen the Mayor of Boston personally or asked his advice on any single subject. I have never gone to him, except in the midst of a delegation from my ward, asking favors for my ward. I have never seen him personally. I am not here to do the Mayor's bidding or anybody's else. I am here, as representing in part the people of Wd. 2, and I feel that the interests of the people of East Boston will not be conserved by the passage of the gentleman's amendments. I hope the amendments will be defeated, principally on the ground that they are scurrilous in their nature, reflecting on highly respected citizens of Boston.

The PRESIDENT—The Chair will state that he has not tolerated any allusion to a member of the Board of Aldermen as an Alderman. Certain statements have been made characterizing the Board of Apportionment, who drew up the appropriation bill submitted to the Council tonight for its consideration, and the Chair believes that the members of that Board are subject to criticism for their acts as members of the Board of Apportionment. The Chair will not, however, tolerate undignified and improper allusions either to members of the Council or to members of the Board of Aldermen, a co-ordinate branch of the City Council. The question is on the amendments offered by the gentleman from Wd. 12.

Mr. WATSON of Wd. 18—Mr. President, and fellow-members of the Council, I desire to state in the start that I am not in favor of all of the amendments offered by the member from Wd. 12. I move to amend by having a division of the amendments—that is, to vote for one at a time. Mr. President, I believe the cutting of the salaries of the employees of the City of Boston was unjust and unnecessary; and let me say here and now that while I agree with some of the statements made by the gentleman from Wd. 12 (Mr. Chamberlain) I do not agree with all. I will say here and now that I will agree with him that the Mayor crawled on the matter of restoring the firemen's salaries. It was the unanimous action of the Common Council which made him do what he did. Now, it is not fair to cut some salaries and not to cut others. For instance, I understand that the public library trustees, over whom the Mayor has no control, will not cut any salaries. I understand that the same is true of the City Hospital—not one salary has been cut. The same is true of the street laying-out department and the inspection department. I ask the members of this body if that is fair? That is unjust, as you will all agree. It is not fair to cut the salaries of clerks in the Auditor's office and fail to cut the salaries of the employees of the public library, a majority of whom receive magnificent salaries. The same is true of many doctors at the City Hospital—may receive large salaries, and only those receiving \$700 and over will be affected. It is not fair to leave them exempt. It is not fair to leave the clerks of the street laying-out department exempt—men not living in Boston and receiving the magnificent salaries of \$25 to \$75 per week. The same is true of the collection department—same is true of the election department—\$1000 a year. Why should they be exempt, while all the employees of the Treasury Department are cut 7½ per cent? Is that justice?

Now, I desire to speak about this bill submitted by the Board of Apportionment. There are many items here. For instance, here is an item for the Art Department. What does that mean? Who is it for? There is not a member of this Council who can answer that question. But even if there is nobody there, I am willing to give them \$200 to spend for something. (Laughter.) Now, I believe we could curtail expenses in many departments. I believe the

bath department could be put under the control of the health department and could be conducted on proper lines. That would cut down the expense of that department. I believe in the abolition of the repair and electrical divisions. I believe in proper mechanics being put to work there and proper salaries being paid.

I don't believe in a ward-heeler being put to work as a skilled plumber, when he knows nothing about the business, and receiving \$4 from the City of Boston, while he also receives \$3 a day for serving on a jury, and not being caught. I say it is an injustice. I trust that when the vote is taken on these different amendments it will be taken on one amendment at a time, because there are some that I am in favor of and others that I oppose. I make that as a motion.

The PRESIDENT—If there is no objection, the amendments will be divided.

Mr. BRADLEY of Wd. 6—Mr. President and members of the Common Council, the gentleman in the third division, who introduced the amendment (Mr. Chamberlain) has been very profuse in his remarks and concluded quite dramatically, when he says "Forgive them, for they know not what they do." Now, I say here tonight, and I am perfectly familiar with the department about which I am to speak—that when Josiah Quincy was nominated for Mayor in 1895 he promised the people of this city in his inaugural that he would endeavor to furnish free public baths all the year around. Last year the Bath Department was accordingly established, and as a special attack has been made on that department tonight I think it is a duty that we owe our constituency to do what we can to perpetuate this free system of public bathing. The Bath Department is at present under the direct supervision of an unpaid commission, composed mainly of men and women prominently identified with all projects of municipal reform and improvement. They have bettered the social condition of the people of this city so much that it has exceeded the most sanguine expectations. We have today but one all the year-round bath house, and that is the Dover St. bath house. It is centrally located and is within easy reach of 90,000 persons. It is a magnificent piece of architecture, and is the finest bathing establishment of its kind in the United States today. The North End beach, located in my own ward, I am perfectly familiar with, and I know the undeniable source of benefit it has been to the people of that section—not only to the people of that section of the city, but to people residing in Charlestown, East Boston and the West End. They have all freely patronized it, and it has been a source of benefit to all. The beach during the summer months has been a favorite resort of mothers with their ailing babes, and, sitting under a protecting canopy, they have enjoyed the blessed privilege of breathing pure, fresh air. The percentage of deaths and illness resulting from the excessive summer heat has been greatly diminished since the introduction of bathing to the extent that has prevailed of late in this city, as has been attested by the resident physicians of the district. It is the most closely congested district of the city of Boston today. It has a population of 30,000, and this fact alone should have a bearing on the question of the desirability of perpetuating the bathing system in that section. The dwelling houses there are of an obsolete character and are unequipped with baths, and therefore the only resource the people have is that supplied by the North End Beach. Therefore a reduction to \$50,000 would be decidedly unfair. The poor people directly benefited by this money would greatly suffer thereby; and I hope and trust, gentlemen, that this item in particular will not be reduced.

The PRESIDENT—The question is on the adoption of the several amendments offered by the gentleman from Wd. 12.

Mr. LYDON of Wd. 13—Mr. President, I have no doubt that tonight we will go on record as opposed to extravagance in the expenditure of the city's money. The Council has gone on record before as opposed to extravagance and against the reduction of salaries of city employees. I believe that when the Common Council and Board of Aldermen were created it was the intention of those creating them that they should be a check on the Mayor of Boston, and when the question of whether they wanted the Common Council abolished was submitted for decision to the voters of the city they voted to still retain the Common Council.

In so voting, they expressed the opinion that they wished that the Common Council should be retained and that it should have a voice in the government of city affairs. At the present time, I would like to ask any member of this body what power any member of the Common Council has? Our position here must certainly seem ridiculous to persons on the outside. It must certainly seem so to His Honor the Mayor. He can realize how much effect any debate we might have here would have on a financial order. I have heard it often said, without contradiction, that the minute a matter meets the approval of the Board of Apportionment it is a law without any action of the city government. That is certainly getting it down to one man power. That is, we are virtually having the Mayor of Boston act as the city government of Boston. He is virtually the city government. My friend here from Wd. 12 (Mr. Chamberlain) goes on and criticises the Board of Apportionment. I don't wish to indulge in any personalities, but I was before the Board of Apportionment a short while ago advocating different matters relating to South Boston, and I could realize how much the members of the Board of Apportionment would really have to do in making up a loan order or any money order. When you get down to facts, the Mayor of Boston will make up any and all loan orders, and he knows now pretty nearly where the money is to be spent and who will receive it. I believe that that statement may go without contradiction.

Any person who has been before the Board of Apportionment, and who has seen how the different matters are considered there, has seen how completely matters are in the hands of the Mayor, and knows how he will frame all financial bills throughout the year. So I say without fear of contradiction that the Mayor is really the city government of Boston. We might argue week after week in favor of or against any financial item, or against anything which he might lead us to do, but it will have no effect. What we should do, and what we would be justified in doing, would be in adjourning and going up to the Legislature and sitting there until we got more power. I do not see how any action we take can have any effect. If we go on and cut down items, the items will be referred back to the Board of Aldermen for concurrence, and they will there be referred to the Committee on Public Improvements—that blind committee, where all our matters go to. I believe that we would be justified, Mr. President, in returning a like visitation to the Board of Aldermen when they send matters here for concurrence. That has not been the custom, however. I believe that if we do cut down any items, the matter will go back to the Board of Aldermen and will there be referred to the Committee on Public Improvements, and the items will become a law in their original form. I would favor cutting down expenses. I know what it is to stand a little mite of the taxes of the city, and I realize that unless we discover some way to reduce the financial expenses of the city, there will certainly be something happen in the future—probably another

reduction in salaries—so that I wish to go on record as being in favor of cutting down the appropriation order.

Mr. ARMISTEAD of Wd. 11—Mr. President, the appropriation bill of 1899-1900 calls for an expenditure of money amounting to \$13,904,000, with additional loans aggregating \$510,000, making a total sum of \$14,414,000. These figures may not be accurate, but they are approximately so. Our friend in the third division has offered an amendment here to the members of this body for the purpose of cutting down the appropriation bill. On this matter, Mr. President, I take the stand of an economist. I agree with him fully. I believe that this is a matter that the tax-payers of Boston demand at our hands the most careful and serious consideration. I do not agree with the gentleman, however, in his remarks, so far as the character of the different members of the Board of Estimate and Apportionment is concerned. So far as that goes, I have no word of comment. I believe them all to be gentlemen of good repute; but I must ask you, when the appropriation bill was before those gentlemen, where was their individuality? Every recommendation which came from His Honor the Mayor received the sanction of those gentlemen without any protest on their part whatever.

I will make one exception, however. The honorable gentleman who presides over this body did have the courage of his convictions. But the other gentlemen did not say one word against any proposition which was brought before them in regard to the appropriation bill for 1899-1900. They acquiesced in all the requests of His Honor the Mayor, without one word of protest. This, I will admit, so far as I can see, does not seem to be just right. We are not considering, gentlemen, an expenditure of our money, but of that which has been entrusted to our care. Therefore, let us use discretion about this matter. Let us be careful and not vote to give away money for needless and wasteful expenditures. We are told that the bill will become a law at the expiration of the thirty days, regardless of any act we may do. This I admit to be true, but it does not hinder members of this body from exercising what little right or power the law does give us, and that is simply the power to cut down appropriations. It does not hinder us from doing that, and I hope the members of this body will stand by the amendments offered by the gentleman in the third division for two reasons. My first is: It means economy; my second is it means a saving of thousands of dollars to the tax-payers of the city of Boston. I believe that those two alone are sufficient to justify my vote in regard to this reduction. All the real, substantial departments in the city of Boston have been cut in their appropriations, while the other departments, the pet schemes of His Honor the Mayor, have had their appropriations increased. Gentlemen, can you, or will you, tolerate this? I admit the fact that His Honor the Mayor, who is in all authority, has allowed this thing to come about; yet I believe it is a duty that we owe ourselves and to those whom we represent to vote against the passage of this bill. Therefore, Mr. President, I hope the amendment offered by the gentleman in the third division will prevail.

Mr. KASANOF of Wd. 9—Mr. President, I move you, sir, that the amendments be laid on the table, for the following reasons: My friend from Wd. 12 knows very well that the amendments which he has offered here tonight to cut down different appropriations is nothing else but a song and dance here which he had to deliver tonight. It has been typewritten by a member of last year's Council, I believe. Now, Mr. President and gentlemen of the Council, you all know well that the Board of Aldermen has concurred in the appropriation bill, and that even the representative

in the Board of Aldermen of the district which my friend from Wd. 12 represents voted for the appropriation bill. Therefore, I do not see any necessity here of delivering any song and dance which is practically of no use. If the Board of Aldermen had cut the appropriation bill down we might then have the power to concur with them. But as long as they have not done so, I don't see why we should cut the items down. It is practically of no use for us to do so.

The PRESIDENT—The Chair will rule that the motion just made by the gentleman from Wd. 9 is not in order. The question is on the adoption of the amendments moved by the gentleman from Wd. 12.

Mr. LINEHAN of Wd. 13—Mr. President, I sincerely hope that the amendments offered by the gentleman from Wd. 12 will prevail. It is not a matter of depriving the citizens of Boston of any benefit. It is a matter of cutting down the expenditures of the departments. If I am informed rightly, this Dover St. bath house—the only one thing they can point to—has been founded after the New York bath house. We find, however, that it is costing thousands of dollars every year more to run it than it does the bath house in New York. They point with pride to the great bath house given us, but they lose sight of the terminal station that has been given to the robbing railroad corporations at the same time, involving millions of the people's money. They talk about our bathing facilities! Why, Mr. President, we are behind the times! All over England and Scotland and in European countries we find baths attached to almost every schoolhouse.

But what has the Mayor been doing? He has been depriving the school committee of every dollar they have been looking for, and compelling the children to spend hours in school houses that are reeking with filth, bad sanitation and bad ventilation. Mr. President, I sincerely hope that the amendments will prevail.

Mr. STEVENS of Wd. 11—Mr. President, the gentleman from Wd. 6, in the first division, who spoke on reference to the bath department, said that it was something with which he was perfectly familiar. If it is allowable, I would like to ask him a question, or two questions, for information. On page 5 of document 42, is the letter from the bath department to His Honor the Mayor, signed by Thomas J. Lane, Chairman, they request \$168,740.20, for the financial year 1899-1900 for baths. One item there is the "Dover St. bath house, \$7845," and another "Dover St. laundry, \$8,840." It is something that I intended to inquire about at City Hall, but have not done so, and as the gentleman says that he is perfectly familiar with that department, I would like to inquire if that \$8,840 that they request for the Dover St. laundry is intended for the laundry in the basement of the Dover St. bath house, or does that mean that they want \$16,688 for the maintenance of their laundry? I ask for information.

Mr. MULCAHY of Wd. 14—Mr. President, I hope that the amendments offered by the gentleman from Wd. 12, but with the man from Wd. 12, will not prevail. Mr. President, while listening to his speech and the attacks which he has made upon representative men I must say that the men whom he has personally attacked are his superiors, in my judgment. Mr. President, the Board of Apportionment is an intelligent body of men, provided for by statute, enacted by the Legislature, and is composed of persons elected by the people of this city of Boston. The gentleman's attack upon this Honorable Board was disgusting to me, to listen to. I should also hope that it was to every reasoning class of people. Mr. President, the amendments that he offers here relate to various departments. Departments which are of interest to the people, and to the city. The sanitary division, the bath department,

the electrical construction division, the lamp department, and several other departments. Mr. President, if you desire a continuance of those departments at their present efficiency, you had better vote for the appropriations given them in the appropriation bill for 1899-1900. Mr. President, I think the speech was not drawn up by the gentleman from Wd. 12, but with the assistance of a few men who are interested—probably the Chair and probably other men on the outside. Now, Mr. President, he went on and attacked personally the different members of the Board of Estimate and Apportionment, but when he came to the presiding officer of this body, he reflected honor upon the gentleman who desires to cut the appropriation for the sewer men to \$500,000, when the loan calls for a million dollars to keep them at work. That is the honor which belongs to the Chairman of this body, who represents us in the Board of Estimate and Apportionment.

The PRESIDENT—The Chair will ask the gentleman to be in order.

Mr. MULCAHY—Mr. President, I desire as much latitude—

The PRESIDENT—The Chair desires to make a statement. The Chair will request the gentleman to confine himself to the discussion of the amendments which are before the Council, and to refrain from any disrespectful allusions to the Chair.

Mr. MULCAHY—Mr. President, the gentleman does not think that he is casting any disrespectful allusions upon the Chair. The gentleman also desires the Chair to allow him as much latitude as the gentleman from Wd. 12, in his lengthy speech—

The PRESIDENT—The Chair will allow the gentleman all reasonable latitude possible under a proper discussion of the amendment, but will not tolerate any disrespectful allusions to any member of the Council or to the Chair.

Mr. MULCAHY—Mr. President, it seems that the Chair did not start in that way this evening. Now, Mr. President, I hope that the members of this body—if we do make a division of this question—as democrats will vote for each individual measure as it is in the appropriation bill and for the amounts that the appropriation bill calls for.

Mr. CHAMBERLAIN—Mr. President,—“For His Honor the Mayor has spoken and they know not what they do.” I did not think, Mr. President and gentlemen of the Common Council, that the wanderings and ravings would be so intense. In reply to the gentleman from Wd. 2, I would say that neither Mr. Tinkham, Mr. Lomasney nor any one else wrote a word of my speech. I am perfectly capable of writing any speech that I may deliver, and I am also not so ungentlemanly as to accuse any man in this body of not being able to write any speech which he sees fit to deliver. I will not speak of anything that has been said by the democratic members on this floor in their many wanderings and ravings, except a part of what was said by the gentleman from Wd. 2, in which he said I classed laboring men as “hirelings.” There is a passage in the Bible, where speaking of idols it refers to them as “having eyes and yet see not, and having ears and yet hear not,”—and any gentleman of this body who will so misconstrue my statement as to say that I classed laboring men with the Mayor’s hirelings, I shall have to refer to this passage in Scripture.

Mr. WATSON of Wd. 13—Mr. President, I desire at this time to reply in a few words to the gentleman from Wd. 14, who preceded the last speaker. He referred to the \$500,000 for the sewer men, in some manner, and I desire to mention the fact to him that the million dollar loan, which I voted for, has become a law, at the expiration of the thirty days, and yet not more than 50 sewer men are at work today!

Mr. HICKEY of Wd. 2—Mr. President, I have no objection to forcing the question, and I do not intend to detain the Council any length of time. I wish to make a few remarks, however, mainly in reply to the Biblical student in this division. I wish to call the attention of the Council to the fact that there is a wide difference in the speech which he delivers without the aid of typewritten paper and the speech with which he opened up this debate. It is a very easy matter to read off a speech, but it is an entirely different thing—

The PRESIDENT—The Chair desires to state that he asked the gentleman to confine himself to the discussion of the amendments offered by the gentleman from Wd. 12, which are now before the Council for consideration, and not to ramble or wander off to questions foreign to these amendments.

Mr. HICKEY continuing—It is an entirely different thing for a member to read a speech in this Council from what it is for members of this Council to stand upon the floor and make an adequate and proper reply in regard to matters which are brought before them, as has been done by the democratic members of this Council. The gentleman from Wd. 13 called our attention to the fact that the people of Boston voted for the retention of the Common Council. I want to say to that gentleman that no republican ward in this city, nor did Wd. 8, vote for the retention of the Common Council. Wd. 8 and the Republican wards of the city were drawn up in opposition to the Common Council at that time; and Wd. 8 and the Republican members of the Council may possibly be drawn up—

The PRESIDENT—The Chair once more wishes to call the gentleman’s attention to the fact that the question before the Common Council now is upon the amendments offered by the gentleman from Wd. 12. If the gentleman persists in violating the rules of the Council, the Chair will be forced to carry out the powers vested in him by the Rules of the Common Council.

Mr. HICKEY—So far, Mr. President, as any threat you may make may be concerned, I wish to assure you, in advance, that it will have very little weight with me. I want to reply in a few words to the gentleman from Wd. 11—my friend from Wd. 11—who has raised the cry of economy. I want to tell him that this same cry of economy could be raised against any item in the appropriation bill and with just as good effect. The gentleman from Wd. 11 also speaks of the individuality of the members who constitute the Board of Estimate and Apportionment. I would like to ask him if our representative on the Board of Estimate and Apportionment showed individuality merely because he did not coincide with the Mayor? I want to say, in conclusion, that I hope the amendments will not be adopted.

Mr. BORDMAN of Wd. 10—Mr. President, after the glittering array of personalities that have been indulged in tonight, I trust that the Council is about ready to get down to a discussion of the merits of the present order. The Board of Estimate and Apportionment in making up the annual budget, considering the present composition of the Board, could not be expected to indulge in open discussion. Of course with members, four of whom are together, they caucused or log-rolled until they came to some agreement before they came into open session of the Board, and we could not expect that they would have any public discussion there as to the merits of the various items in the appropriation bill.

The aldermen, of course, do not pretend to give any public discussion, but refer everything to the Committee on Public Improvements, and after discussing it in secret until they have definitely decided

upon their action, they then come in and pass the necessary votes. The measure has passed through those various stages, and, by the way, it was considered so important that the board of aldermen found it necessary to take up three weeks of the 23 days which are allowed under the law for the two branches to consider this matter. After they have discussed it at that length, we have just one opportunity left to consider the merits of the question in the short time which is left to us for this discussion. I feel that the Mayor was influenced in sending his message to the board of aldermen asking them to hold a special meeting by the probable effect which it would have upon the Legislature if this branch of the government had no opportunity to discuss this question. There is no doubt whatever that without the Mayor's interference that matter would never have come before us. As it was, they passed this measure without a single word of public discussion. The democratic members voted solidly in its favor, and the republican members against it. As regards the merits of the proposed amendments, I would say, as to the appropriation for the art department, I think there is no one more appreciative of the advantages of art for the people than myself; but I do not think that we can consistently, and as representatives of the people say that we wish to put the cultivation of art before the cultivation of the ability to get bread and butter for their families.

It seems to me that is what it means, that for a thoroughly aesthetic advantage we are willing to cause the employees to have their pittances cut down and thus have the bread taken from their children's mouths. I do not think that any of us, either republicans or democrats, can take that position here tonight. I trust that that item will be cut out unanimously. Then, there is the appropriation for the bath department. There, again, I am exceedingly fond of all kinds of bathing sports, and I would not take a position contrary to a liberal appropriation for that department; but I do know that in that appropriation of \$69,000 is included appropriation for new convenience stations sanitary arrangements, and so forth, under that department, and I do feel that the need of those improvements can be deferred another year, until the finances of the city are in better condition. The next amendment proposed, I believe, is that relating to the free public lectures. Of course the cultivation of the people and the elevation of the people's taste is a great matter and an important matter; but, here again, it seems to me there is legitimate ground for economy. It seems to me the city, in its present financial state, cannot afford this item of \$3000, which is put there in order to allow the people to hear His Honor the Mayor give his views on the rights and duties of the municipality as an employer of labor. The appropriation for the music department, I am partially in favor of. I do not say that band concerts during the hot months in our parkways and park, which provide a legitimate and welcome diversion for the people are not a good thing, and that any amount expended in that direction does not well repay us, but I do say that I do not favor the municipal chamber concerts.

I think at the present time we may sympathize with the Mayor's attempts to gild the cage in which he has enthralled the people, and realize that under the same conditions we might realize the need of municipal chamber concerts. In regard to the electrical construction division, I am glad to say that I coincide heartily with the gentleman from Wd. 18 in his position. I believe that we should make our appropriations apply to bona fide mechanics and not to hirelings—I beg the pardon of my honorable councilman from Wd. 2 for that expression. I will say that I believe in expending our ap-

propriations for bona fide mechanics, and not for political jobbers and heelers whom it is desired to put to work at critical stages of the political season. As for the statistical department I think it is needless for me to call your attention to that. We all know that anyone can take a set of figures, and by manipulating them arrive at any result that he sees fit. We can say that two and two make four, and that therefore the moon is made of green cheese, or we can reason out anything that we choose to from a set of figures. I do not think that any of us can appreciate or do appreciate or need to appreciate the value of the board of statistics. We are all favored with a copy of the City Record, and I do not think that there are two of us who look over its pages. If we do, we appreciate the farcical endeavor of the city to run a weekly paper which is composed principally of clippings from papers which we have already read. I understand that that paper has eight subscribers, and that at an expense of \$6000 annually. I think there is no necessity for that appropriation, and I trust that all those amendments will prevail.

The question came on the adoption of the amendments offered by Mr. Chamberlain of Wd. 12, and, a division of the question having been called for, the question first came on striking out the item of \$1000 for art department and inserting \$200 in place thereof.

The amendment was declared adopted. Mr. Mulcahy doubted the vote and called for the yeas and nays, which were ordered and the amendment was adopted, yeas 40, nays 32:

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Giblin, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, McInerney, Midram, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—40.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Flynn, Gibbins, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Mulcahy, Nangle, Newhall, O'Brien, Rice, Sullivan, Tobin, Turnbull—32.

Absent or not voting—Bennett, Miller, Peck—3.

Mr. Chamberlain moved to reconsider; lost.

The question came on the amendment offered by Mr. Chamberlain of Wd. 12, to strike out the appropriation for bath department \$69,500, and insert \$50,000.

The amendment was declared carried. Mr. Mulcahy of Wd. 14 doubted the vote and asked for the yeas and nays, which were declared not ordered. Mr. Hickey of Wd. 2 further doubted the vote and asked for a rising vote, and the yeas and nays were declared ordered.

The amendment was rejected—Yeas 36, nays 36.

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, McInerney, Midram, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Walker, Wells, Winsloe, Wood—36.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Flynn, Gibbons, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Mulcahy, Nangle, Newhall, O'Brien, Rice, Stone, Sullivan, Sweeney, Tobin, Turnbull, Watson—36.

Absent or not voting—Bennett, Miller, Peck—3.

Later in the session Mr. Chamberlain said:—

Mr. President, I move you, sir, a reconsideration of the bath department amendment vote whereby that amendment was rejected, hoping the same will prevail.

Reconsideration was carried.

The question again came on the adoption of the amendment, and the Clerk called the roll. When Mr. Leftovith's name was reached he said, "I don't know on what I am voting." (Mr. Leftovith subsequently voting in the affirmative.)

Mr. CONNOLLY of Wd. 17—Mr. President, I rise to a point of order—the gentleman said he did not know on what he voted. The Chair did not answer the gentleman.

The PRESIDENT—The Chair will say that the gentleman voted in the affirmative.

Mr. CONNOLLY—Mr. President, the gentleman stated that he did not know the question on which he voted.

The PRESIDENT—The Chair will state that he does not know any member's mind, but that the gentleman has voted in the affirmative. The Chair will rule the point of order not well taken.

The amendment was again declared rejected, yeas 35, nays 35.

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, Mildram, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Walker, Wells, Winsloe, Wood—35.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, McInerney, Mulcahy, Nangle, Newhall, Rice, Stone, Sullivan, Sweeney, Tobin, Turnbull, Watson—35.

Absent or not voting—Bennett, Flynn, Miller, O'Brien, Peck—5.

The question next came on the adoption of the amendment striking out the item of \$1,400 for Marcela St. Home, making the appropriation for children's institutions department \$153,600.

It was voted, on motion of Mr. Kasanof of Wd. 9, that the vote be taken by yeas and nays.

The amendment was adopted, yeas 37, nays 35.

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Giblin, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, Mansfield, Mildram, Moore, O'Brien, Roemer, Rolland, Sanderson, Simpson, Stevens, Sweeney, Walker, Watson, Wells, Winsloe, Wood—37.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Flynn, Gibbons, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, Martin, McInerney, Mulcahy, Nangle, Newhall, Rice, Stockton, Stone, Sullivan, Tobin, Turnbull—35.

Absent or not voting—Bennett, Miller, Peck—3.

Mr. CHAMBERLAIN moved to reconsider; lost.

On motion of Mr. ARMISTEAD of Wd. 11, it was voted that the votes on the subsequent amendments be taken by yeas and nays.

The question next came on the amendment of the appropriation for Mayor, public celebrations and lectures, striking out item for free public lectures, \$3000, and making the appropriation \$24,800.

Before the roll was called the President cautioned members to be seated and to answer in the affirmative or negative when their names were called.

The Clerk called the roll with the following result:—

Yeas—Armistead, Badaracco, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donahoe, Donovan, Eddy, Emery, Giblin, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, McDonald, Mansfield, McInerney, Mildram, Moore, O'Brien, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—42.

Nays—Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Doyle, Fenton, Gibbons, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—27.

Absent or not voting—Atwood, Bennett, Flynn, Miller, Mulcahy, Peck—6.

Mr. MULCAHY of Wd. 14—Mr. President—

The PRESIDENT—Forty-two members having voted in the affirmative and 27 in the negative, the amendment is adopted.

Mr. MULCAHY—Mr. President, I rise to a point of order. Isn't it customary, on the part of the Chair, under the rules of the Council, to ask if any gentleman in the body has not voted and desires to vote?

The PRESIDENT—The Chair will state that that is the custom when members are not asked to be seated and to answer when their names are called. The Chair saw the gentleman standing in the passage-way, and he deliberately refused to vote when his name was called. The question was on the adoption of the amendment offered by the gentleman from Wd. 12. The Chair will rule the point of order not well taken.

Mr. CONNOLLY of Wd. 17—Mr. President, I rise to a point of order, that any gentleman rising in his place and desiring to vote before the vote is announced has the right to be recognized and should be recognized by the Chair, and should have his vote recorded as he desires.

The PRESIDENT—The Chair will rule the point of order not well taken, inasmuch as the Chair did not recognize the gentleman until after the result had been announced.

Mr. MULCAHY—Mr. President, I appeal from the decision of the Chair.

The PRESIDENT—The Chair will ask the Council to be in order.

Mr. WATSON of Wd. 18—Mr. President, I move reconsideration of the last vote, hoping the same will not prevail.

Reconsideration was declared lost. Mr. Connolly doubted the vote and asked for the yeas and nays, which were ordered, and the President, before the roll was called, said:—

The Chair desires to call the attention of the Council now to the fact that members are requested to be seated and to vote. The Chair will not hereafter be responsible for members who have not voted after the roll is called. The Clerk will call the roll.

Mr. CONNOLLY—Mr. President—

The PRESIDENT—The Chair has directed the Clerk to call the roll.

Reconsideration was lost—yeas 26, nays 44:—

Yeas—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Doyle, Gibbons, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Mulcahy, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—26.

Nays—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donahoe, Donovan, Eddy, Emery, Fenton, Giblin, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, Martin, McInerney, Mildram, Moore, O'Brien, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—44.

Absent or not voting—Bennett, Collins, Flynn, Miller, Peck—7.

The question next came on the adoption of the amendment striking out \$10,000 for Music Department and inserting \$5000.

The amendment was adopted, yeas 44, nays 27:

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Casey, Chamberlain, Collins, Cuddy, Donovan, Doyle, Eddy, Emery, Giblin, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, McInerney, Mildram, Moore, O'Brien, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—44.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Connolly, Curley, Doherty, Donahoe, Fenton, Gibbons, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Mulcahy, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—27.

Absent or not voting—Bennett, Flynn, Miller, Peck—4.

The question next came on the amendment to strike out from Public Buildings Department, general expenses, \$150,500, and insert \$140,000, and to strike out electrical construction division, \$7000, making the appropriation for said department \$140,100.

The amendment was adopted, yeas 37, nays 33:

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, Mansfield, McInerney, Mildram, Moore, Roemer, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—37.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, Martin, Mulcahy, Nangle, Newhall, Rice, Rolland, Sullivan, Tobin, Turnbull—33.

Absent or not voting—Bennett, Flynn, Miller, O'Brien, Peck—5.

Mr. Chamberlain moved to reconsider; lost.

The question next came on the amendment to strike out item for statistics department, general expenses, \$13,000, and City Record \$6000; total, \$19,000.

The amendment was adopted—yeas 39, nays 27—

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, McInerney, Mildram, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—39.

Nays—Badaracco, Bradley, Brennan, Broderick, Casey, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Mulcahy, Nangle, Newhall, Sullivan, Tobin, Turnbull—27.

Absent or not voting—Bennett, Carroll, Collins, Flynn, Gibbons, Miller, O'Brien, Peck, Rice—9.

Mr. Chamberlain moved to reconsider; lost.

The question next came on the amendment to strike out in the appropriation for Street Department, Sanitary division, \$570,000, and insert \$522,000, making the appropriation for said department \$1,945,650.

The amendment was rejected, yeas 32, nays 35—

Yeas—Armistead, Atwood, Bagley, Battis, Brauer, Casey, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard,

Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, McInerney, Mildram, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Walker, Wells, Winsloe, Wood—32.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doye, Fenton, Gibbons, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Mansfield, Martin, Mulcahy, Nangle, Newhall, Rice, Stone, Sullivan, Sweeney, Tobin, Turnbull, Watson—35.

Absent or not voting—Bennett, Bordman, Flynn, Miller, Lydon, O'Brien, Peck, Stockton—8.

Mr. HERRIGAN of Wd. 3 moved to reconsider; declared lost. Mr. Chamberlain doubted the vote and asked for a verification by yeas and nays, which were ordered, and reconsideration was lost—Yeas 30, nays 36.

Yeas—Armistead, Atwood, Bagley, Battis, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, McInerney, Roemer, Rolland, Sanderson, Simpson, Stevens, Walker, Wells, Winsloe, Wood—30.

Nays—Badaracco, Bordman, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblin, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, Martin, Mulcahy, Nangle, Newhall, Rice, Stone, Sullivan, Sweeney, Tobin, Turnbull, Watson—36.

Absent or not voting—Bennett, Flynn, Mansfield, Mildram, Miller, Moore, O'Brien, Peck, Stockton—9.

The question next came on striking out in the appropriation for Lamp Department \$670,000 and inserting in place thereof \$660,000.

The amendment was rejected, yeas 31, nays 34—

Yeas—Armistead, Bagley, Battis, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Roemer, Rolland, Sanderson, Simpson, Stevens, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—31.

Nays—Atwood, Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblin, Harvey, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Mansfield, Martin, McInerney, Mulcahy, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—34.

Absent or not voting—Bennett, Bordman, Collins, Flynn, Mildram, Miller, Moore, O'Brien, Peck, Stockton—10.

Mr. Mulcahy moved to reconsider; lost. The question then came on the passage of the bill as amended.

Mr. STEVENS of Wd. 11—Mr. President, I would like to offer this amendment in connection with it.

Mr. Stevens moved to amend the appropriation order so that the appropriation for Reserved Fund will read \$85,000 instead of \$123,779.

Mr. STEVENS of Wd. 11—Mr. President, in 1898 there was a reserve fund of \$74,461. In 1899 they ask for \$123,779. Now \$75,000 was considered sufficient the previous year, and I think an allowance of \$80,000 is generous the present year, under existing circumstances.

The question came on the adoption of Mr. Stevens's amendment.

Mr. MULCAHY of Wd. 14—Mr. President, I hope the gentleman's amendment will not prevail. It seems to me that, with the amount of claims coming in during the year, which we have not the least idea of, that the amount appearing here is none too small, and that it should not be made less. I hope the amendment offered by the gentleman from Wd. 11 will not prevail.

Mr. CONNOLLY of Wd. 17—Mr. President, I trust that the amendment will not prevail. In the first place, as has been stated by Mr. Watson of Wd. 18, the Mayor of Boston intends to take from the reserve fund—

The PRESIDENT—The Chair will request the gentleman to keep within the rule, which says that no member shall be spoken of by his name during debate in the Council chamber. Mr. Connolly.

Mr. CONNOLLY—Mr. President, the gentleman from ward 18, who has been fighting for the firemen in the Common Council of the city of Boston has stated here tonight that the Mayor intends to take the money to pay the firemen from the reserve fund. If the Mayor of Boston intends to take that money and pay the firemen of the city, that is one reason why the reserve fund should be increased over what it has been in the past year or two. If that is a fact, and I believe it is—I think that his Republican colleagues from Wd. 11 will bear me out in saying that the amendment should be defeated and will vote against his own amendment, seeing that the Mayor of Boston has \$130,000 for the reserve fund.

Mr. STEVENS—Mr. President, I am very glad that the previous speaker referred to this subject. I see no reason why the Mayor should take these funds necessary for the firemen from the funds which we vote for the "payment of claims, executions of courts, expenses of the several departments and for transfers." According to the act establishing the Board of Estimate and Apportionment for the City of Boston, in section 4 we have the following:

"Said board, by similar vote and signature, and specifically in the case of a loan order, may at any time during the year, at the request of the Mayor, prepare and pass one or more appropriation orders, containing such appropriations as they may deem the public necessity may require."

Now, if the Board of Estimate and Apportionment, are short in their funds by reason of the restoration of the 7½ per cent. they will have plenty of opportunity to bring in an order later to pay the firemen from the fund to which it belongs. That is the reason why I offer this amendment.

Mr. WATSON—Mr. President, I desire to answer the gentleman from Wd. 17 (Mr. Connolly). He states that I said the Mayor intended to take the Firemen's salaries from the reserve fund. I said I had reason to believe he would do so. I desire to be placed right before the Council. If he wanted to give me a little credit,—as I know he did—in connection with the firemen, I think he should have stricken out as much of his speeches as referred to "the gentleman from Wd. 18, the firemen's friend." He might then place himself on an even footing with me. But I think by his remarks, as they appear on the record, it will seem as though he is looking up to me.

Mr. HICKEY—Mr. President, with all due deference to the gentleman in the Fourth Division, who introduced the amendment (Mr. Stevens), I hope it will not prevail. It seems to me the gentleman in this division from Wd. 17 (Mr. Connolly) has offered a very good argument, when he says the money necessary to restore the old pay to the firemen may have to come out of the reserve fund. It was the well-nigh unanimous opinion of the Council at the last meeting that the money might have to come from that fund. That there may be no mystery in the mind of the gentleman in the Fourth Division (Mr. Stevens) as to the effect of our action reducing the appropriation items before us tonight, I will simply remind him that our reductions have not yet become law, and that possibly the money to pay the firemen may not be taken from the reductions thus made. I think the question of the firemen's pay

can very properly be raised again here, and I think anyone who intends to see the firemen reimbursed and the instructions of His Honor the Mayor to the fire commissioner properly carried out should vote against this amendment. The amount of money that will have to be paid to the firemen will just about account for the difference the gentleman from Wd. 11 speaks of in his opening remarks—namely, \$49,000.

Mr. Stevens's amendment was declared adopted. Mr. Mulcahy doubted the vote and called for the yeas and nays, which were ordered, and the amendment was adopted—yeas 34, nays 33:—

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Emery, Harvey, Hibbard, Howard, Klemm, Leftovich, Linehan, Lorey, Lydon, MacDonaid, Mansfield, Milldrum, Moore, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Wells, Winsloe, Wood—34.

Nays—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblein, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, McInerney, Mulcahy, Nangle, Newhall, O'Brien, Rice, Sullivan, Tobin, Turnbull, Watson—33.

Absent or not voting—Bennett, Collins, Eddy, Flynn, Jordan, Kiley, Miller, Peck,—8.

Mr. Stevens moved to reconsider; lost.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I offer a further amendment—that the appropriation bill be further amended by striking out in the bath department appropriation the sum of \$63,500, and inserting in place thereof the sum of \$51,000.

The PRESIDENT—The question is on the amendment offered by the gentleman from Wd. 12.

Mr. HICKEY of Wd. 2—Mr. President, I sincerely hope the amendment will not prevail, and I hope this Council will deal a death blow at this time to any such dilatory tactics. I hope after the opinion the gentleman has expressed to this Council in regard to the bath department, no such amendment as this will be allowed.

Mr. WATSON of Wd. 18—Mr. President, I sincerely trust that the amendment will not prevail. My reasons are that previously in the evening this Council voted not to amend the bill so as to cut the item for bath department down to \$50,000. I am satisfied that this is merely a parliamentary move, and I think the Council is getting tired tonight. I want all the members to understand that I have voted tonight as my conscience dictates, and that it is my intention to vote "no" on this amendment. I sincerely trust the Council will vote the amendment down.

Mr. NANGLE of Wd. 13—Mr. President, I hope this amendment will not pass. I have sat in my chair for the last four meetings and have not said a word. I will now say that, in my four years in this council, I have never before seen such disgusting actions by either democrats or republicans as I have in this year's council. I am not surprised at the press coming out every day and belittling this body. I am surprised at the orders and amendments that have been offered here this evening by the gentleman in this division (Mr. Chamberlain), I presume, representing Wd. 12. I did have more respect for the gentleman previous to tonight. I am surprised to see the tactics he has pursued tonight, knowing that this same amendment has come up once before this evening. We voted upon it and rejected it. We then asked for reconsideration, which prevailed, and we then beat him again. Who he goes out and gets his information from I don't know, and neither do I care; but I believe I am right when I say the gentleman from Wd. 12 is taking

opinions and instructions from somebody else. I don't believe the speech he came tonight prepared with ever originated in his own brain. I will say that without fear of contradiction, I hope this amendment will not pass this evening.

Mr. LYDON of Wd. 13—Mr. President, I wish to say a word at this time in relation to the amendment. We have voted upon this amendment before, but, inasmuch as the gentleman from Wd. 12 has seen fit to bring it in in another form, I don't see that that is any reason why an attack should be made upon him by any gentleman. So far as the Council befitting itself is concerned, some members of the Council have indulged in personalities, but the Council has not misbehaved, as a whole, in any way. I believe that the gentleman from Wd. 12 had a perfect right to introduce the amendment which he has. I do not believe that it is hardly right for any man to get up here and say that the proceedings are disgusting, when he himself is only adding the disgusting part of it.

Mr. HARVEY of Wd. 24—Mr. President, I move that the Council do now adjourn.

The motion was declared lost. Mr. Mulcahy of Wd. 14 doubted the vote and asked for a rising vote which was taken, and the motion to adjourn was lost, 20 members voting in the affirmative, 38 in the negative.

Mr. WATSON of Wd. 18—Mr. President, I move the previous question.

The PRESIDENT—Mr. Watson moves the previous question. The question is: "Shall the main question be now put?"

Mr. HICKEY of Wd. 2—Mr. President, I desire to say just a word, and that is with the idea of calling the attention of the Council to the fact that if this order is permitted to come in here under the guise of an amendment, it will be well nigh impossible for this council to restrain any member introducing any other amendment of that kind, similar in every respect, except the amount of money involved. Mr. President, I hope the previous question will be put.

The main question was ordered, and the question came on the adoption of the amendment offered by the gentleman from Wd. 12.

The amendment was declared adopted. Mr. Mulcahy of Wd. 14 doubted the vote and asked for the yeas and nays, which were ordered, and the amendment was rejected, yeas 26, nays 35—

Yeas—Bagley, Battis, Brauer, Chamberlain, Cuddy, Donovan, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lydon, Mansfield, Rolland, Sanderson, Simpson, Stevens, Stockton, Walker, Wells, Winsloe, Wood—26.

Nays—Badaracco, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, GIBLIN, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Lagon, MacDonald, Madden, Martin, McInerney, Mulcahy, Nangle, Newhall, Rice, Stone, Sullivan, Sweeney, Tohin Turnbull, Watson—35.

Absent or not voting—Armistead, Atwood, Bennett, Bordman, Bradley, Eddy, Flynn, Lorey, Mildram, Miller, Moore, O'Brien, Peck, Roemer—14.

Mr. WATSON of Wd. 18—Mr. President—The PRESIDENT—Debate is not in order, the main question having been ordered.

The question came on the passage of the appropriation order with the several amendments, in concurrence with the Board of Estimate and Apportionment.

The appropriation order, with the amendments, was passed in concurrence with the Board of Estimate and Apportionment—yeas 41, nays 29:

Yeas—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Casey, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Mansfield, McInerney, Mildram,

Moore, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Watson, Wells, Winsloe, Wood—41.

Nays, Badaracco, Bradley, Brennan, Broderick, Carroll, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, GIBLIN, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Madden, Martin, Mulcahy, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—29.

Absent or not voting—Bennett, Collins, Flynn, Miller, O'Brien—5.

The question next came on the passage of the loan order appropriating \$500,000 for the extension of water mains, and it was passed in concurrence.

The question then came on the passage of the loan order appropriating \$55,000 for making plans of territory or sections of land, under the provisions of chapter 323 of the acts of 1891 and acts amendatory thereto, and it was passed in concurrence.

The question came on the passage of the loan order appropriating \$25,000 for working capital, public buildings department, repair division, and the order was declared rejected in non-concurrence. Mr. Mulcahy of Wd. 14 doubted the vote, and asked for a rising vote, which was taken, and the order was declared rejected, 29 members voting in the affirmative, 35 in the negative.

Mr. CONNOLLY of Wd. 17—Mr. President, I further doubt that vote, and ask for the yeas and nays.

The yeas and nays were ordered, and the order was rejected—Yeas 33, nays 37.

Yeas—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Collins, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, GIBLIN, Hickey, Horrigan, Johnson, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, Martin, McInerney, Mulcahy, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull—33.

Nays—Armistead, Atwood, Bagley, Battis, Bordman, Brauer, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, Mansfield, Mildram, Moore, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Walker, Watson, Wells, Winsloe, Wood—37.

Absent or not voting—Bennett, Flynn, Miller, O'Brien, Sweeney—5.

Mr. CHAMBERLAIN of Wd. 12 moved to reconsider; lost.

The question next came on the passage of the loan order appropriating \$10,000 for working capital, public buildings department, electrical construction division.

Mr. HARVEY of Wd. 24—Mr. President, I move that we take up the order appropriating \$10,000 for working capital for the printing department and act upon it together with this.

Mr. HICKEY of Wd. 2—Mr. President, although the hour is late, I trust that that will not be done. It seems to me that \$10,000 for the electrical construction division—

The PRESIDENT—Objection having been raised, the motion cannot be entertained.

The question was put on the adoption of the loan order appropriation \$10,000 for working capital for the public buildings department, electrical construction division, and it was declared rejected. Mr. Connolly of Wd. 17 doubted the vote and asked for a verification by a rising vote, which was taken, and the order was declared rejected, 27 members voting in the affirmative, 35 in the negative.

Mr. CONNOLLY rose and addressed the Chair.

The PRESIDENT—Mr. Connolly of Wd. 17 further doubts the vote and asks for the yeas and nays.

Mr. CONNOLLY—Mr. President, I do not desire to have the President make my motions for me. I am willing to make

them myself. I intended, in the first place, to make a motion that the yeas and nays be called, but the President put a motion into my mouth that I did not make.

The PRESIDENT—The Chair desires to state that the gentleman from Wd. 17 arose and sat down again, and the President then put the motion, supposing that was what he meant.

The yeas and nays were ordered, and the motion was rejected—yeas 31, nays 35:—

Yeas—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblein, Hickey, Horrigan, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, McInerney, Mulcahy, Nangle, Rice, Sullivan, Sweeney, Tobin, Turnbull—31.

Nays—Armistead, Atwood, Bagley, Battis, Bordman, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, Mansfield, Mildram, Moore, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Walker, Watson, Winsloe, Wood—35.

Absent or not voting—Bennett, Brauer, Flynn, Johnson, Martin, Miller, Newhall, O'Brien, Wells—9.

Mr. CHAMBERLAIN moved to reconsider; lost.

The question then came on the passage of the loan order appropriation for working capital for printing department.

The question was put, and the order was declared rejected. Mr. Mulcahy of Wd. 14 doubted the vote and asked for the yeas and nays, which were ordered, and the order was rejected—yeas 29, nays 34.

Yeas—Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Doyle, Fenton, Gibbons, Giblein, Hickey, Horrigan, Kasanof, Kelley, Leonard, Logan, Lydon, Madden, Mulcahy, Nangle, Rice, Sullivan, Tobin, Turnbull, Watson—29.

Nays—Armistead, Bagley, Battis, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, Lorey, MacDonald, Mansfield, McInerney, Mildram, Moore, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Walker, Winsloe, Wood—34.

Absent or not voting—Atwood, Bennett, Bordman, Brauer, Collins, Flynn, Johnson, Martin, Miller, Newhall, O'Brien, Wells—12.

Mr. CHAMBERLAIN moved to reconsider; lost.

Mr. CUDDY of Wd. 8 moved to reconsider the vote whereby the appropriation order, with the several amendments, was passed in concurrence with the Board of Estimate and Apportionment; lost.

7. Ordered, that all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the State tax of the year 1899, or of any other taxes or assessments payable to the Commonwealth, be due and payable on the first day of October, 1899; that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid at the rate of six per cent, per annum up to the first day of January, 1900, and at the rate of seven per cent per annum after and including said first day of January, except that taxes assessed upon shares of stock of national banks shall bear interest at the rate of twelve per cent per annum from and including said first day of November, until paid; and that all interest which shall have become due on taxes shall be added to and be a part of such taxes.

Mr. WATSON of Wd. 18 moved reference of the matter to the next meeting.

Mr. WATSON—Mr. President, my reason for asking for assignment to the next meeting is as follows: Heretofore all loan

bills have been submitted to the City Council by the Finance Committee. Now that we have the Board of Estimate and Apportionment, they submit an appropriation or a loan bill, but they have not the power to submit an order calling for the levying of taxes; therefore the Board of Aldermen at their last meeting passed an order calling for the levying of taxes and the payment of interest. I understand that the legal opinion of the Corporation Counsel is that the law is somewhat wrong, or rather, that there is not sufficient law to allow the Board of Apportionment to introduce such an order and pass it, and therefore the Board of Aldermen did it. In order to legalize it, we will have to concur with the Board of Aldermen, and I would like to look into the matter a little further, and I have moved assignment for that reason. I would like to get some law upon this point.

Mr. HICKEY of Wd. 2—Mr. President, I dislike very much to enter into this debate at this time, the hour being so late, but I just desire to state that a statement made by the chairman of the Board of Aldermen at the last meeting was to the effect, at the time when he introduced this order, that it was offered in order to properly legalize the appropriation bill; and from the character of the debate in the Board of Aldermen—the only criterion by which I can judge—I should say it is a financial necessity. I can say, on authority, that the order was drawn by Corporation Counsel Bailey and, inasmuch as it is of vital importance in connection with the appropriation bill, I hope it will not be assigned.

The PRESIDENT—The Chair desires to state, for the information of the Council, that the Chair sent this evening for the City Auditor to confer with him in regard to No. 7 on the calendar; but the City Auditor was away, and therefore the Chair was unable to talk with him in regard to the matter.

The motion to assign further consideration of the matter to the next meeting was carried.

Mr. BAGLEY of Wd. 1—Mr. President, I move that we do now adjourn.

The PRESIDENT—The Chair will state that his attention has been called to the fact that one of the members of the Council has a report of a committee which he desires to present, and, if there is no objection, the Chair will consider the motion withdrawn.

JOINT RULES.

Mr. LOGAN of Wd. 14 submitted the following:—

The Committee on Joint Rules and Orders, to whom were recommended, by the Board of Aldermen, the majority and minority reports of said committee submitting the rules for the year 1899, having further considered the subject, respectfully recommend the adoption of the joint rules as previously reported by the majority of the committee.

(Ald. Colby dissents from the foregoing report.)

The question came on the acceptance of the report.

Mr. CONNOLLY of Wd. 17—Mr. President, I move that that be assigned to the next meeting of the Council.

Mr. LOGAN of Wd. 14.—Mr. President, I hope that that motion, made by the gentleman from Wd. 17 will not prevail. The arguments for and against the acceptance of this report have been heard at the last two meetings of this Council, and I think that the matter has been sufficiently gone into without its needing any words from me. The reason why this report should be adopted is that, with its adoption, the Council may then get down to business; and I can assure the gentlemen with reasonable certainty, that, if the Council will accept this report tonight, the Board of Aldermen at its next meeting will concur

with us in our action. I sincerely hope that the motion of the gentleman from Wd. 17 will not prevail.

Mr. HICKEY of Wd. 2—Mr. President, for information I would like to ask whether or not this bill holds to the appointment of thirteen on the joint committee—eight and five?

The PRESIDENT—The Chair desires to state that it does.

Mr. HICKEY—Then, Mr. President, I am opposed to the adoption of the report, and I hope that it will not be accepted. I am still opposed to appointing thirteen members on that committee. It is my firm belief that the business of this Council can be carried on with better advantage, and with much more reasonable expectation of securing a quorum on the regular committee, if there are eight members on the committees instead of thirteen. Last year, on account of the deadlock in the Board of Aldermen, it was found necessary to increase the committees in that body to four members, and on account of the increase in the number that constitutes the committee on the part of the board of aldermen, it was also found necessary to increase the number in the Council to seven, making the number of members on joint committees eleven—more than they have been for thirty-five years previously. Now, I can see no argument at all in favor of increasing further the number of members on joint committees. As I said before, I believe the business of the city can be done much better with committees composed of eight members than with committees composed of thirteen. It is my belief that there is a scheme behind this,—possibly to allow the President to fulfil pledges already made.

The PRESIDENT—The Chair will ask the gentleman not to cast any disrespectful aspersions upon the chair.

Mr. HICKEY—I did not mean that as a disrespectful reflection upon the chair.

The PRESIDENT—The Chair considers it as such and requests the gentleman to refrain from so doing.

Mr. HICKEY—I hope the committee will not be increased to 13.

The move to assign further consideration of the matter to the next meeting was lost, and the question came on the acceptance of the majority report.

Mr. CONNOLLY—Mr. President, I hope the report of the majority of the committee will not be accepted, for the following reasons: If we accept this report and vote to increase these committees, it will be voted down in the Board of Aldermen, and we are only delaying the appointment of the committees from week to week. As has been stated here before, we were unable to secure quorums of a committee of 11 last year, and how are we to secure quorums of a committee of 13? I believe it is a fact that 8 members are sufficient to transact the business of the City Government. There are a great many lawyers in Boston who desire to place claims before committees of the City Council, especially before the Committee on Claims, and the non-appointment of these committees is delaying that business. Another committee which is very important is the Committee on Building Department. Permits for the construction of various buildings are now before the building commissioner, and cannot be acted upon until they have been favorably reported by the committee of the Common Council and the Board of Aldermen. Now, it seems to me that we should act upon this in an intelligent manner. We know that the Board of Aldermen will not grant us the additional increase in membership, and if they will not grant it, how are you going to get your committees. I want to tell the Republican members that the longer they hold off the appointment of committees, the longer the power can be held over them by which they will be

compelled to vote against their will for measures which may come before this body. The Chairman of the Committee on Joint Rules knows that the committee itself voted to have the committee consist of five and three, and that the presiding officer of this body was at that meeting, and that when he found that the committee had voted to have the committees consist of five and three, he insisted on another meeting being called, and that they reverse their vote, and make the joint committees consist of eight and five. I hope you will not accept the report of the majority, but will concur with the Board of Aldermen.

The PRESIDENT—The Chair desires to state for the information of the Council, that but one member of the joint committee on the part of the Board of Aldermen dissents from the report, and that the chair has been given the assurance that the Board will concur in the acceptance of the rules at its next meeting.

Mr. BORDMAN—Mr. President, I would merely say that probably the republican members will take their choice as to who they will receive their advice from as to how they shall vote. I move the main question.

The main question was ordered, the majority report was accepted, and the rules were adopted. Mr. Harvey of Wd. 24 moved to reconsider; lost. Sent up.

APPROPRIATION FOR PUBLIC BUILDINGS DEBT.

The Council proceeded to take up No. 8, assignment, viz.:

8. Message of the Mayor transmitting, under the provisions of chapter 434 of the Acts of 1898, the following order, passed by the Board of Estimate and Apportionment under said act, at its meeting on February 3, the same coming down without alteration:

Ordered, That the sum of fifteen thousand (15,000) dollars be appropriated to the Public Buildings Department, Electrical Construction Division, for additional working capital; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city to said amount for said purpose.

The message was placed on file, and the question came on the passage of the order, in concurrence with the Board of Estimate and Apportionment.

The PRESIDENT—The Chair desires, in connection with this order, to make an explanation of his vote as a member of the Board of Estimate and Apportionment. The Chair, as a member of that Board, voted against this as well as the other loan orders on the calendar tonight, for similar purposes, believing that the same were proper subjects for current expense, and not legal subjects for loans. The question is on the passage of the order in concurrence with the Board of Estimate and Apportionment.

The question was put, and the order was declared rejected. Mr. Mulcahy of Wd. 14 doubted the vote and asked for the yeas and nays, which were ordered, and the order was rejected—yeas 26, nays 33:

Yeas—Badaracco, Brennan, Broderick, Casey, Collins, Connolly, Curley, Doherty, Doyle, Fenton, Gibbons, Giblin, Hickey, Horrigan, Kasanoff, Kelley, Leonard, Logan, Lydon, Madden, Martin, Mulcahy, Nangle, Rice, Tobin, Turnbull—26.

Nays—Armistead, Bagley, Battis, Bordman, Chamberlain, Cuddy, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klemm, Leftovith, Linehan, MacDonald, Mansfield, McInerney, Millgram, Moore, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Walker, Watson, Winslow, Wood—33.

Absent or not voting—Atwood, Bennett, Bradley, Brauer, Carroll, Donahoe, Flynn,

Johnson, Lorey, Miller, Newhall, O'Brien, Stone, Sullivan, Sweeney, Wells—16.
Mr. Winsloe moved to reconsider; lost.
Sent up for concurrence.

RESOLVE AGAINST CREMATION.

Mr. WATSON of Wd. 13 offered the following:—

Resolved, that, in the opinion of the Common Council, the cremation of pauper's bodies as proposed by the cemetery trustees is inadvisable.

Assigned to the next meeting, on motion of Mr. Watson.

PAYMENT FOR FEBRUARY 22.

Mr. WATSON, for Mr. CUDDY of Wd. 3, offered an order—That the Superintendent of Streets, through His Honor the Mayor, be instructed to pay the employees of the Sewer Department for Washington's Birthday, in part compensation for services rendered, said compensation to take effect on employees suspended on Tuesday evening, February 21st.

Passed. Sent up.

REINSTATEMENT OF SEWER EMPLOYEES.

Mr. WATSON, for Mr. CUDDY of Wd. 3, offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to reinstate all suspended sewer department employees who are members of labor unions.

Passed. Sent up.

NEW SUPT. AT LONG ISLAND.

Mr. LINEHAN of Wd. 13 offered the following:

Whereas, It appears that the Trustees of the Pauper Institutions of the City of Boston have tendered the position of Superintendent of said institutions to a resident of Ohio Falls, Indiana, and

Whereas, This great city of Boston, the Hub of the Universe, has always been able to produce from among its citizens, men and women who have always been leaders in reforms among educational, conventional, eleemosynary, and philanthropic movements; and

Whereas, We believe that there are a number of worthy citizens in this municip-

ality who have the ability, experience, character and honesty to perform the duties of Superintendent of the Pauper Institutions with credit to the city and with benefit to the inmates, and

Whereas, We are firm believers in the principle that citizens of Boston should be given the preference in all public employment, whether it be scientific or otherwise, therefore be it

Resolved, That the Common Council emphatically protests against the action of the Trustees of the Pauper Institutions in engaging for the responsible position of Superintendent of said institutions an unknown citizen of an unknown municipality, and

Resolved, That the Common Council requests His Honor the Mayor to disapprove the action of said Trustees, and that he suggest to them the advisability of selecting a citizen of Boston for said position.

Resolved, That a copy of these resolutions be forwarded to His Honor the Mayor and to the Trustees of the Pauper Institutions.

Mr. LINEHAN—Mr. President, no word of mine can explain that resolution. I think it speaks for itself. There is only one thing that surprises me, and that is that instead of the trustees trying to secure the ex-Mayor of Brazil, Indiana, they did not go down to Brazil, South America, and try to induce the Governor of it to come here.

The resolution was passed.

City of Boston,

In the year one thousand eight hundred and ninety-nine,

An ordinance to amend chapter three of the Revised Ordinances of 1898. Be it ordained by the City Council of Boston as follows:

Chapter three of the Revised Ordinances of 1898 is hereby amended in section twelve by striking out the words "the United States in all cases and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "Boston in any capacity."

Referred to the Committee on Ordinances, when appointed.

Adjourned, on motion of Mr. Winsloe of Wd. 21, at 11:25 o'clock P.M., to meet on Thursday, March 2, at 7:45 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, Feb. 27, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding, and all the members present.

The Board voted, on motion of Ald. Berwin, to dispense with the reading of the records of the last meeting.

JURORS DRAWN.

Thirty-four traverse jurors, Superior Criminal Court, March 13th, were drawn in accordance with the provisions of chap. 514, Acts of 1894, viz:—

Jonathan P. Dodson, Wd. 2; David J. Dannahy, Wd. 20; Wm. S. O'Brien, Wd. 13; Michael P. Colwell, Wd. 25; Wm. Kenney, Wd. 19; James C. S. Taber, Wd. 11; Charles A. Kelley, Wd. 22; Ignatius S. McDonough, Wd. 18; George H. Garside, Wd. 8; Walter J. Holland, Wd. 16; Wm. J. Higgins, Wd. 16; David Mortimer, Wd. 17; Howard L. Coburn, Wd. 10; Winthrop C. Winstow, Wd. 11; Dennis Callahan, Wd. 24; John Smith, Wd. 4; Dwight Baldwin, Wd. 25; Thomas H. Newby, Wd. 1; Horatio B. Alden, Wd. 20; Thomas B. Morrill, Wd. 3; Dennis J. Kiley, Wd. 8; Wm. T. Harrington, Wd. 3; Theodore L. Keppler, Wd. 20; Michael J. Slattery, Wd. 15; Walter H. Sutton, Wd. 7; Edward H. Emery, Wd. 5; Wm. H. Bowdler, Wd. 23; Wm. B. Driscoll, Wd. 15; Edward H. Wise, Wd. 22; Theodore J. Mignault, Wd. 15; Daniel D. Tierney, Wd. 20; John Q. Adams, Wd. 8; Thomas W. Penhallow, Wd. 10; George W. Drew, Wd. 22.

LOAN ORDER.

The following was received:

Mayor's Office, City Hall.
Boston, Feb. 27, 1899.

To the City Council:

I transmit herewith the general loan order passed this day by the Board of Estimate and Apportionment, under the provisions of Section 3 of Chapter 434 of the Acts of 1898.

The total amount covered by the order is \$709,000, out of a total borrowing capacity at the present date of \$1,650,080.26, leaving an unused borrowing capacity of \$941,080.26. The Board of Estimate and Apportionment has, however, voted that it is prepared to appropriate the sum of \$500,000 for new primary and grammar school buildings whenever it is furnished by the School Committee with a statement of the proposed distribution of this amount in the different districts of the city.

If this amount is added to the amount carried by the present order, there would only be left \$41,080.26 of the borrowing capacity for the current year. The law provides that not exceeding four-fifths of the total estimated borrowing capacity can be exhausted by a general loan order, but the board has thought it necessary to reserve a somewhat larger amount on account of the case now pending in the supreme court to test the sewerage assessment law.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston,
In Board of Estimate and Apportionment,
Feb. 27, 1899.

Ordered, that this Board, having received the requests for loan appropriations furnished to the Mayor by the several departments, and submitted to the board by the Mayor, on January 31st of the present

year, having prepared the following general loan appropriation order, making such appropriations to be met by loan, and for such purposes, as this Board deems the public necessity or convenience require, do hereby pass the same, and that to meet such appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city to the total amount of such appropriations, viz:

| | |
|--|----------|
| Bath Department. | |
| Convenience station, at or near Park St., additional..... | \$5,000 |
| Convenience station, Roxbury Crossing | 2,000 |

Passed, and we certify that said appropriations do not exceed in the aggregate four-fifths of the estimated amount which can be raised during the present municipal year by loans within the debt limit of this city, as certified by the Board of Sinking Fund Commissioners.

Josiah Quincy.
David F. Barry.
Daniel J. Kiley.
John H. Sullivan.
Laurence Minot.

We certify that no item contained in the above loan appropriation order is to meet a current expense.

Josiah Quincy.
David F. Barry.
Daniel J. Kiley.
John H. Sullivan.
Laurence Minot.

Ordered printed and assigned to the next meeting of the Board, on motion of Ald. Berwin.

HEARINGS AT 3 O'CLOCK.

1. On petition of the New England Telephone and Telegraph Company of Massachusetts for leave to erect one pole on East Second St., between Land M Sts., Wd. 14.

No objections. Recommended to the Committee on Electric Wires.

2. On petition of the West End Street Railway Company for a location for double tracks on Washington St., between Newcomb and Ball St., in place of the existing tracks of said company.

No objection. Recommended to the Committee on Railroads.

3. On petition of the West Roxbury & Roslindale Street Railway Company for a location of tracks from South St. at Ashland St., through Ashland and Oakland Sts. and Blue Hill Ave., to the line of Milton; also on Washington St., from a point about 1,500 feet south of the railroad bridge at Forest Hills to a point about 400 feet south of Ashland St.; also for the right to use the overhead electric system on the same.

Mr. Charles F. Jenney, representing the Norfolk Suburban Street Railway Co., objected to the granting of the petition at least in part, where the tracks would cross the Norfolk Suburban tracks in Matapan, thereby making a grade crossing.

There being no further objections the matter was recommended to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received and

were referred to the committees named, when appointed, viz.:

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz.:

Wing Kee, one sign, at 1728 Washington St., Wd. 12.

Garlock Packing Co., a sign, at 12 Pearl St., Wd. 7.

Majestic Dental Parlors, a sign, at 699 Washington St., Wd. 7.

James Bonanzinga, three barber poles, at 236 Commercial St., Wd. 6.

Sing Lee, three signs, at 53 Harvard St., Wd. 7.

Tony Chiuccariello, a sign, at 297 Cambridge St., Wd. 8.

J. Breithwaite, a barber pole, at 159 Elliot St., Wd. 7.

J. Rosen, an illuminated sign, at 42 Pleasant St., Wd. 7.

Claims.

Geo. S. Daniell, for payment to James W. French of balance remaining from tax sale of estate on Mountfort St.

Albert Morse Estate, that the city pay a bill for labor for connecting a barn with the sewer in Columbia Road, Wd. 20.

Dennis A. O'Neil, for compensation for injuries sustained by his wife, Johanna O'Neil, on account of a fall in front of 10 Dalton St., on Feb. 9, 1899.

Electric Wires.

The New England Telephone and Telegraph Company of Mass., for leave to erect poles in Atherton St., Wd. 22.

Licenses.

G. H. Batcheller, for a permit for Ben Mowatt, under 15 years of age, to appear at the Lyceum Theatre, during the week beginning February 27, 1899.

Cyrus Walker, for a license for musical, dramatic and literary entertainments at Walker's Hall, 735 Washington St., Wd. 7, for the season ending August 1, 1899.

E. P. Morrill, for a license for musical, dramatic, literary and dancing entertainments, at Vine Rock Hall, corner Baker and Spring Sts., W. R., for the season ending Aug. 1, 1899.

Police. (Ald.)

Ellen W. Smith, to be paid for the loss of fowls killed by dogs.

Public Improvements.

Wm. H. Faunce, for leave to erect a hitching post in front of premises 3 Wayne St., Wd. 21.

Daniel J. Murphy, for a periodical stand at the Franklin Schoolhouse near Dover St.

Hugh J. Morrison, for leave to stand a night lunch wagon at the square at Field's Corner, between the hours of 7 P. M. and 4 A. M.

George A. Fuller Co., for leave to erect guy posts in Utica, East, South and Essex Sts., Wd. 7.

Holbrook, Cabot & Daly, for leave to erect guy posts in Swett St. near the N. Y., N. H. & H. R.R.

LEAVE GRANTED ON PETITIONS.

The following petitions were presented to the Board and a suspension of the rules was asked for, viz.:

Ald. Colby presented the petition of John A. Heyl for a sign at 243 Washington St., Wd. 6.

Ald. Doye presented the petition of the Press Cycling Club for leave to project a lantern in front of 6 Dartmouth St., Wd. 12.

Ald. Presho presented the petition of George J. Stevens for leave to project a sign at 17 Main St., Wd. 5.

Ald. Berwin presented the petition of Mlanders & Hoffman, for leave to project two signs, one at 19 Province St. and one at 14 Chapman Pl., Wd. 7.

The rule was suspended and leave was granted on the several petitions, on the usual conditions.

PAPERS FROM THE COMMON COUNCIL.

4. Ordered, That the Superintendent of Streets be requested, through His Honor the Mayor, to reinstate all suspended sewer department employees who are members of labor unions.

Passed in concurrence.

5. Ordered, That the Superintendent of Streets, through His Honor the Mayor, be instructed to pay the employees of the Sewer Department for Washington's Birthday, in part compensation for services rendered; said compensation to take effect on employees suspended on Tuesday evening, February 21.

Passed in concurrence.

6. Report of the Committee on Joint Rules and Orders (Alderman Colby dissenting) renewing its recommendation for the adoption of the joint rules as previously reported by the majority of the committee. Said joint rules, as contained in Document 44, were adopted in Common Council February 23.

The question came on the adoption of the joint rules as reported by the majority, in concurrence.

Ald. BRICK—Mr. Chairman, I ask for the yeas and nays.

Ald. COLBY—Mr. Chairman, I find myself in a somewhat peculiar position on this matter, as I have on some previous matters. It will appear that I am obliged to take a position different from that which will be taken by my party associates, if not by those opposed to me politically. We are all quite familiar with the situation. The question may be raised, whether the whole matter is of sufficient importance to warrant the contest that has been waged with reference to the size of these committees. In my opinion it is, for this reason. There are certain committees which are entrusted with quite important duties, and that those committees may properly and effectually do their work, they should not be too large in size. The committees of two years ago were eight in number. The number was increased last year, and I am told with those familiar with the proceedings of last year that it was almost impossible to obtain a quorum. And now the suggestion is made that they be increased still more. Nobody that I can find contends for a moment that there is any good reason for increasing them, other than the fact that the presiding officer of the Common Council would be glad to have them made larger—and that appeals to some of my party associates, who say it is a question of politics that they ought to play. I am not much of a politician, but, at the same time, I can play a political game if it is necessary, and I can see through it, provided it does not interfere with the city's business. But when it comes to a question between the interests of the city and playing politics, I am obliged to line up on the side of the good of the city. If anybody can advance any good argument showing why the city's interest will be subserved by increasing the size of the committees, he is much more astute than I am.

I certainly have had no good reason advanced for it yet—in fact, none that will stand for a moment. Therefore, while it is unfortunate to have this difference with the Common Council, I say that those who take a position upon this matter which they feel is right ought to stand by it, no matter what the consequences may be. And I will go so far as to say this, that I would not have kept the matter tied up by my vote if I had not made a fair proposition to Mr. Kiley, that if he would make a few of the important committees of a proper size I would not care how many members were appointed on the other committees—even if he appointed the whole Common Council upon them, because their duties would be such that it would make no difference whether they could get a

quorum or not. But there are committees which should be composed of a small number of members, so that they can without difficulty get a quorum to do business. Those committees should not be increased in size. Consequently, if those favoring this increase are not willing to come half way on a fair proposition, I think we ought not to recede from our position until a fair arrangement can be made. I hope the Board will not concur.

Concurrent action was refused, yeas 5, nays 6.

Yeas—Ald. Adams, Codman, McDonald, O'Toole, Presho—5.

Nays—Ald. Barry, Brick, Colby, Day, Dixon, Doyle—6.

Adhered to former action. Sent down.

Ald. COLBY—Mr. Chairman, I move a reconsideration, trusting that it will not prevail.

Ald. PRESHO—Mr. Chairman, I certainly hope that question will not be put until Alderman Berwin can be present. He will probably be here before long, as I understand that he has simply stepped into the Mayor's office. I sincerely hope that question will not be put until he comes back, so that he may have a chance to record himself on the subject.

Ald. COLBY—Mr. Chairman, I am glad at any time to extend any courtesy; but the Board is in session, and if a member is absent from the chamber I don't know that any particular courtesy need be extended. Business is business.

The CHAIRMAN—The Alderman has been away for some time, and perhaps he wishes to see the Mayor on some business. He probably may not have another opportunity.

Ald. COLBY—Mr. Chairman, I will suggest that his vote would not make any difference, because if he voted with the minority the result would be simply six to six, which would not bring reconsideration.

Ald. PRESHO—I said I simply wanted to give the alderman an opportunity to record himself.

Reconsideration was lost.

7. The appropriation orders for the financial year 1899-1900 come up from the Common Council, concurred, with the following amendments:

In the item for Art Department, strike out \$1000, and insert \$200.

In the item for Children's Institutions Department, strike out item for Marcella-St. Home, \$1400, making appropriation for said department \$153,600.

In the item for Mayor, Public Celebrations and Lectures, strike out item for Free Public Lectures, \$3000, making the appropriation \$24,800.

In the item for Music Department, strike out \$10,000, and insert \$5000.

In the item for Public Buildings Department, General Expenses, strike out \$159,500, insert \$140,000, and strike out Electrical Construction Division \$7000, making appropriation for said department \$140,100.

Strike out item for Statistics Department, General Expenses \$15,000, and "City Record,"—\$6000,—to a total \$19,000.

In the item for Reserve Fund, insert \$85,000 in place of \$123,779.

The Board, on motion of Ald. Brick, voted to adhere to its former action. Notice sent down.

8. The loan order of the Board of Estimate and Apportionment transmitted with the appropriation bill, appropriating twenty-five thousand (25,000) dollars to the Public Buildings Department, Repair Division, for working capital, came up indorsed "In Common Council, February 23, 1899. Refused to concur with the Board of Estimate and Apportionment in the passage of the above order."

The Board, on motion of Ald. Brick, voted to adhere to its former action. Notice sent down.

9. The loan order of the Board of Estimate and Apportionment transmitted with the appropriation bill, appropriating ten thousand (10,000) dollars to the Public Buildings Department, Electrical Con-

struction Division, for working capital, came up indorsed "In Common Council, February 23, 1899. Refused to concur with the Board of Estimate and Apportionment in the passage of the above order."

The Board, on motion of Ald. Brick, voted to adhere to its former action. Notice sent down.

10. The loan order of the Board of Estimate and Apportionment, transmitted with the appropriation bill, appropriating ten thousand (10,000) dollars to the Printing Department, for working capital, came up indorsed "In Common Council, February 23, 1899. Refused to concur with the Board of Estimate and Apportionment, in the passage of the above order."

The Board, on motion of Ald. Brick, voted to adhere to its former action. Notice sent down.

11. The order of the Board of Estimate and Apportionment appropriating \$15,000 to the Public Buildings Department, Electrical Construction Division, for additional working capital, came up indorsed "In Common Council, February 25, 1899. Refused to concur with the Board of Estimate and Apportionment in the passage of the above order."

The Board, on motion of Ald. Brick, voted to adhere to its former action.

Yeas—Ald. Barry, Berwin, Brick, Day, Dixon, Doyle, McDonald, O'Toole and Presho—9.

Nays—Ald. Adams, Codman, Colby—3.
Notice sent down.

CHANGING OF STREET NAMES.

The Board proceeded to take up unfinished business, No. 12, viz.:

Action on orders passed by the Board of Street Commissioners changing the names of certain streets, viz.:

12. Changing the names of the ways known as Hunneman and Yeoman Sts. and Norfolk Ave., in Roxbury and Dorchester, forming a continuous thoroughfare from Washington St. in Roxbury to East Cottage St. in Dorchester, to Franconia St.

Referred to the Committee on Public Improvements, on motion of Ald. O'Toole.

The Board proceeded to take up unfinished business, No. 13, viz.:

13. Changing the name of the way at Dorchester and Roxbury known as Dalmatia St., leading, in extension of Woodcliff St., from Howard Ave. to Blue Hill Ave., to Woodcliff St.

The action of the Street Commissioners was confirmed by the Board of Aldermen.

REPEAL OF ESTIMATE AND APPORTIONMENT ACT.

The Board proceeded to take up special assignment, No. 14, viz.:

14. Resolved, That in the opinion of this Board, chapter 434 of the Acts of the year 1898, entitled "An Act relative to the Finances of the City of Boston," otherwise known as the Board of Estimate and Apportionment Act, should be repealed.

Ald. BRICK—Mr. Chairman, I move the indefinite postponement of No. 14.

Ald. PRESHO—Mr. Chairman, I hope the gentleman will kindly give us some reason for that motion.

Ald. BRICK—Mr. Chairman, I think perhaps it might lie with the alderman from Charlestown to give some reasons for the passage of the resolution. If I needed any confirmation of my opinion, that this Board of Apportionment should be given a trial for a year, I would obtain it from reading the minutes of the Common Council of last Thursday evening, in which a young gentleman, almost as new in politics as myself, proceeded to abuse and malign those whom I have held in especially high regard. It struck me that at least the personnel of the Board of Apportionment, if not the act establishing the Board, was above vituperation, and the language which was used by the Councilman from Wd. 12 in his arraignment of the Mayor and the Board of Apportion-

ment, was such as to convince me—with-out going into it at length—that this Act, whatever its faults may be, should be given a fair trial. We should know whether it works either good or ill, whether it is for the best interest of the city or not; and I don't think, and I had a chance to work itself out, that we will know.

Ald. PRESHO—Mr. Chairman, I must say that the alderman's reasons seem insufficient to me, especially as he asked last week time to consider the question. It seems as though after the special assignment, we ought to have something more striking in the way of objection to the resolution. I certainly want to reaffirm my position of last week and to say that I believe this Board should take a stand for its own rights and powers. Last year every member of the Board of Aldermen, no matter what his political party, signed a paper which was presented to the Committee on Metropolitan Affairs, and a Republican and a Democrat from this Board went up before that Committee and presented the position of the Board on the matter—our feeling that the proposed act was an encroachment upon the powers of the Board of Aldermen, and that it would make mere dummies out of the representative in both branches of the Government. I am willing to take my share of the responsibility in this matter. I am not one of those who wish to shirk it. I am sent here by my people and I must be sent here for some purpose. I am supposed to represent them. I am sent here with nine councilmen to state my views as to what the people of Charlestown want. I am also sent here by the people of Boston to state my ideas of what the whole city may want.

I am supposed to examine into the workings of existing laws and statutes and to form whatever opinions I may form and arrive at whatever ideas I may possess as to the workings of those laws and statutes. It is also my duty to consider and pass judgment on financial matters affecting the citizens of Boston. I think it was a great mistake to take away from this Board and from the Common Council the power of supervision over loans and appropriations. It was a suicidal mistake, and the members of the Government felt so last year. I remember reading the very strong arguments of ex-Ald. Charles and Lott before the legislative committee last year upon the subject, and I remember the strong paper that we, irrespective of politics, sent up there opposing this act. Whether it is the case that some members of the present board are closer to and more identified with the machine than the members of last year's Board I do not know, but it would certainly seem so. The members last year took a broad and non-partisan position, and I claim that their position, whatever may be said elsewhere, was in the best interests of the citizens of Boston. That is the position I took then, and that is the position I maintain now. I am here expressing my opinion without any regard to party prejudice, and I feel that if the yoke were removed from other members in this chamber they would vote just the same as I.

Ald. BRICK—Mr. Chairman, I ask the Alderman from Charlestown, through the Chair, if he endorses the statements of the young man in the Common Council, made last Thursday, as his reasons for the abolition of the Board of Estimate and Apportionment?

Ald. PRESHO—Mr. Chairman, I think my position, as stated two meetings ago, is sufficiently clear for any except an extraordinary obtuse intellect.

Ald. BERWIN—Mr. Chairman, as I usually say, I hardly think I can advance any argument which will change the position of the members as shown by the votes we have had heretofore, or that will in any way affect the result this afternoon. But I was opposed to the act creating the

Board of Estimate and Apportionment from the very outset, and I am opposed to it today. It was a reflection on the intelligence of this honorable Board—the idea that twelve men elected to the Board of Aldermen by the people of Boston are unable to deal with the affairs of the city as well as this Board of Estimate and Apportionment! I believe that will be against the best interests of the city of Boston; and I am reminded that in the last campaign the Republican party made every effort previous to its convention to induce certain men of very high standing in the community, regardless of party affiliations, to accept a place on the ticket, and that, by reason of the belittling of this Board by that act, they refused to have anything to do with it. Finally we drafted two gentlemen, and I am sorry to say they were not elected. However, we have had sufficient evidence of the workings of that Board, and we find today—at least, I do—that practically everything His Honor the Mayor desires he gets. The propositions submitted to the Board are, in my opinion, engineered by him entirely, and whatever the Chief Magistrate suggests the Board of Estimate and Apportionment seems to recommend. I don't believe there is a grain of virtue in the Board of Estimate and Apportionment's scheme. Speaking as a business man, I honestly believe if the distribution of the finances of the city of Boston were left to the Board of Aldermen and the Common Council we would have as fair a distribution as we can get through the Board of Estimate and Apportionment. Another matter occurs to me: the Chief Magistrate in his inaugural address, if my memory serves me right, said in substance that he proposed to submit items indicating the various things for which the money was to be appropriated. I don't believe any member of the Board of Estimate and Apportionment—with no reflection on the honorable Chairman of this Board—knows anything more about the appropriations being made than I do, and I confess that I know nothing about it. The communications are simply sent in to us saying "We want \$100,000 for this; we want \$50,000 for that; we want \$50,000 for this"—and we don't know what the money is being used for. We don't know how much money is being expended for labor or for materials, and I think it is fair and right that we should know these things. But that is neither here nor there. I am opposed to this Board of Estimate and Apportionment, as I have been opposed to it from the start out. It has had a fair time to work and I am opposed to it on its workings; and I hope the motion of the honorable Alderman from Wd 8 (Ald. Brick) will not prevail.

The motion to indefinitely postpone was declared carried.

Ald. Adams doubted the vote and called for the yeas and nays.

The motion to indefinitely postpone was lost—Yeas 6, nays 6.

Yeas—Ald. Barry, Brick, Day, Dixon, Doyle, McDonald—5.

Nays—Ald. Adams, Berwin, Codman, Colby, O'Toole, Presho—6.

The resolution was read a second time, and the question came on its passage.

Ald. BRICK—Mr. Chairman, still clinging to my opinions, despite the arguments of my friends on the republican side of the house, I believe this resolution should not pass. I believe that this whole game is a game of politics—played here, played in the Common Council, played in the newspapers, by certain men, an attempt being made to keep up an agitation in order to defeat the democratic party. I think it is an unfair and malicious conspiracy. I think every attempt of the Alderman from Charlestown (Ald. Presho) to force through this resolution, with certain other resolutions that have been introduced into the Common Council, and every item that goes into the papers, are planned out by a board of strategy that

has not yet been openly exposed. I therefore hope the democrats of this Board will stand together, once and for all, and defeat this resolution as a party measure.

Ald. PRESHO—Mr. Chairman, I hardly think it is necessary to say that the republicans do not deem it necessary to start a board of strategy in opposition to the board of strategy which the gentleman on the opposite side represents.

Ald. COLBY—Mr. Chairman, if I understand this aright, the alderman now states that the movement to get this through is a part of a scheme to defeat the democratic party at the next municipal election. Well, I was going to vote against this measure, thinking it was not feasible to put the resolution through; but if it is really meant, as Brother Brick says it is, to defeat the democratic party, I shall vote on the other side, so as to help the resolution along. As a matter of fact, I am rather doubtful as to how the Board of Estimate and Apportionment is going to work. I am not prepared, as I said the other day, to say now that it is a complete and total failure. The way the act was drawn is bad. The underlying principle may be right, even if the details of the act are wrong, and in my opinion it is a little early to give the Board a wholesale condemnation until we know what they are going to do. If a large part of the loans made up go to Charlestown, perhaps the alderman from Charlestown will think the Board amounts to more than he thinks it does at the present time. It strikes me that it is a little premature to absolutely throw them down on what they have done, because they have not yet done their work. To the statement made by Alderman Berwin, that the act is wrong, I can take no exception, if he takes that position. My only answer to him is this, that his going up to the legislature one year and getting an act through, and the next year going up and getting it repealed, is dangerous business. Of course, those opposed to the act will say that they did not go up there to favor it. That is perfectly true. But, however, it has been put through, it is on the statute books, and it ought to have a fair trial. Even if it is pernicious, as has been claimed, it ought to be given an opportunity to work out its own destruction, which I don't think has been done. I presume by my last vote people will think I was trying to ride two horses. I was not, however. My convictions are very clear that, even if the act is bad, even if this resolution is part of a scheme to defeat the democratic party, it is a little early to go up to the legislature and ask to have the act repealed simply because we did not like it when it was put through in the first place.

Ald. O'TOOLE—Mr. Chairman, I am very sorry that the alderman from Wd. 8 (Ald. Brick) should interject politics into this particular thing. I voted with the republicans upon this matter at the last meeting of the Board, and I think I need make no apology for it. When it comes to doubting a man's democracy, I think it will be admitted that there is no member on this floor, on the democratic end, who will stand here or anywhere else more firmly in advocacy of democratic principles than myself. As I said at the last meeting, I considered the act last year an undemocratic act, and I still adhere to that position. No doubt the alderman from the West End has, to a certain extent, surmised that the alderman from Charlestown (Ald. Presho) has interjected politics into this particular thing. But I will assure him, irrespective of the fact that the alderman from Charlestown may stand here as a henchman of the republican party, that I, as a democrat, stand on this floor at all times as a democrat. Further than that, I believe that we are elected by the citizens of Boston to look out for their particular interests and, as I said

at the last meeting, we, as members of this Board of Aldermen, elected by the people of Boston, should have some rights. We have been shorn of all our powers—by a republican legislature, a legislature in which the party of which the alderman from Charlestown is a member predominates. His party is responsible for it, and we, as democrats, ought to stand on this floor and denounce his party in the legislature, a party that made it possible that the people of Boston should elect twelve aldermen, and seventy-five members of the lower branch, who shall have no power in the management of the finances of the city. How do I know how the money is to be distributed by the Board of Estimate and Apportionment in the loan which comes in here today? What can you or I, or any of the gentlemen sitting around this board, Mr. Chairman, say if our districts or any district of the city of Boston has not been taken care of? How do we know what has been done? True, we can tell when it comes into this board. That is why I am against the Board of Estimate and Apportionment act. I think it is an undemocratic measure. I want to place myself right upon this matter.

Perhaps it is out of order for me to refer to it, but I desire just to allude for a moment to what was said in the co-ordinate branch of this government last Thursday night by a young member, as the gentleman from Wd. 8 has just said, in regard to gentlemen who need no encomiums from me. One of the members of the Board of Estimate and Apportionment, coming from East Boston, elected for two years (Mr. Sullivan), is a gentleman well up in the finances of the city and in the finances of different trust companies and banks, besides being a large real estate owner. He needs no apologies from me. The other member who was elected this year is Mr. Minot, a real estate owner of Boston, a man who for a great many years has been identified with its business interests. He needs no apology from me. Neither do the other three members of that Board. But I have said before, and I say again, that this is an undemocratic measure, and that is why I will stand on this floor and use every possible argument against it, voting accordingly—not against the men who compose the Board of Estimate and Apportionment, but against the act, which I consider is undemocratic.

Ald. BERWIN—Mr. Chairman, I trust that the resolution will pass. I want to agree with the honorable alderman from the South End (Ald. O'Toole) in the position he takes upon this matter. He argues that the act is undemocratic, and I argue that it is against the best interests of the city of Boston. I have nothing against the gentlemen who compose the Board of Estimate and Apportionment, but I contend, as I said before, that the act is against the very best interests of this city and is a reflection on the intelligence of the members of this Board. I have had sufficient experience in municipal affairs in the last five or six years to say, perhaps, without any arrogance whatever, that I am just as competent to handle the finances of the city of Boston as the gentlemen who compose that board; and to me the board simply looks like an adjunct to the democratic machine—as it probably would be to the republican machine, if the republicans were in power and controlled that board. For that reason I contend that it is against the interests of the community. I am not opposed to this proposition for any political reason whatever.

I recognize that a republican legislature is responsible for it, as it is responsible for a great many other propositions that I have been opposed to, and it is unfortunate that we send men of that character to the legislature. But I am not responsible

for that, because I come from a section of the city that is represented entirely by democrats in the legislature. But, coming back to the argument, no argument can be advanced in support of the act. It has had a fair test and we know just what the result is. We know that day after day, meeting after meeting, propositions come into this board and we football them from one body to the other. The result is that after the time limit expires, His Honor the Mayor gets just what he wants. I am not opposed to his getting what he wants, provided he gets such things as will benefit the City of Boston; but when he is permitted, under the terms of that act, to practically control the entire finances of the city, regardless of your wishes and mine or the wishes of every member of this honorable body and the Common Council, who have as much interest in the welfare of the city of Boston as does the Chief Magistrate and the members of the Board of Estimate and Apportionment, it is entirely wrong. There can be no harm in the passage of this resolution. If it is passed, the legislature will then probably act as it sees fit. But, for the best interests of the city, I honestly believe, regardless of any politics, that the members of this government will have no occasion to regret it if that act is wiped off the statute book and we are allowed to say a word as to the distribution of the money that is raised from the people.

The resolution was rejected, yeas 5, nays 7.

Yeas—Ald. Adams, Berwin, Codman, O'Toole, Presho—5.

Nays—Ald. Barry, Erick, Colby, Day, Dixon, Doyle, McDonald—7.

JURY LIST.

The following was listed:—

Board of Election Commissioners,

Old Court House, Boston, Feb. 27, 1899.

The following list of persons liable to serve as jurors in the several Federal and County Courts held within the County of Suffolk, having been duly prepared by the Board of Election Commissioners, and the same having been posted by them in two public places in the city of Boston as required by law, is this day submitted to the Board of Aldermen for their approval as provided by Chapter 170 of the Public Statutes and all acts in amendment thereof and in addition thereto.

Linus E. Pearson,
Timothy F. McDonough,
George P. Sanger,
Joseph J. Corbett.

(Annexed was the list referred to.)
Assigned to the next meeting, on motion of Ald. Dixon.

RAILROAD POLICE.

A communication was received from the Fitchburg Railroad Co., transmitting a copy of the record of the appointment by the Board of Aldermen of Waltham of Henry J. Brady as a special policeman under Chapter 103 of the Public Statutes and Acts in addition thereto.

Placed on file.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 29 newsboys, 1 boot-black and 1 flower vender.

Approved by the Board.

(2) Reports on petitions (severally referred today), for season licenses for musical, literary, dramatic and dancing entertainments—recommending that licenses be granted, viz.:—

Cyrus Walker, Walker's Hall, 735 Washington St., Wd. 7.

F. P. Morrill, Vine Rock Hall, corner Baker and Spring Sts., West Roxbury.

Reports accepted; licenses severally granted on the usual conditions.

(3) Report on the petition of G. H. Bateheller (referred today), for a permit for Ben Mowatt, under 15 years of age, to appear at the Lyceum Theatre during the week of Feb. 27, 1899—that a permit be granted.
Report accepted; permit granted on the usual conditions.

RESCISSION OF REFERENCES.

The Board voted, on motion of Ald. Adams, to rescind the vote whereby the petition of the Crescent Associates was referred to the Committee on Building Dept. (Ald.), when appointed.
The Board voted, on motion of Ald. Day, to rescind the votes whereby the petitions of Frank Lally and H. Cady were referred to the Committee on Building Dept. (Ald.).
Severally referred to the Committee on Public Improvements.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:—

(1) Report on the petition of the Boston Electric Light Co. (recommitted Feb. 20), for leave to erect three poles in Washington St., between Ruggles and Vernon Sts., recommending the passage of the following:—

Ordered, That permission be granted to the Boston Electric Light Co., to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by D. A. Harrington; said poles to be located as follows:—

Washington St., between Ruggles and Vernon Sts., three poles, 45 ft. in height by 14 in. diameter; width of sidewalk 10 feet, date of plan Feb. 6, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(2) Report on the petition of the New England Tel. & Tel. Co. of Mass. (referred today), for leave to erect poles in Atherton St., Wd. 22—recommending the passage of an order of notice for a hearing thereon on Monday, March 6, at 3 o'clock P. M., when any parties objecting thereto may appear and be heard.

Report accepted; order of notice passed.

PAYMENT TO POLICEMAN DANIEL MURPHY'S WIDOW.

Ald. DOYLE offered an order—That the order of the City Council, dated September 18, 1898, directing payment to Mary Jane Murphy, widow of Daniel Murphy, late a police officer, be rescinded.

Passed. Sent down.

Ald. DOYLE also offered the following:—
Ordered—That there be paid Mary Jane Murphy, widow of Daniel Murphy, late a member of the Police Department of the City of Boston, the sum of \$1209.86, the balance of the salary to which he would have been entitled had he lived and continued to serve as a police officer until the close of the fiscal year 1898-99, such payment being authorized by chapter 406 of the Acts of 1898, and to be charged to reserved fund.

Passed. Sent down.

CONSTRUCTION OF SELMA ST.

Ald. DAY offered an order—That the Board of Street Commissioners be requested to lay out and construct as a public highway Selma St., from Gladstone St. to Orient Ave., under chapter 323 of the Acts of 1891 and amendments thereto.

Passed.

GRADING OF EAST EAGLE ST.

Ald. DAY offered an order—That the Superintendent of Streets be requested to grade East Eagle St., between Putnam St. and the reservoir grounds, as laid out in 1842.

Passed.

IMPROVEMENT OF EAST BOSTON CAR SERVICE.

Ald. DAY offered an order—That the Boston Elevated Railway Co. be requested to change the car service for the people of East Boston as follows:—

1st. To run one line of cars from the ferry through the subway by way of Atlantic Ave.

2d. To run Winthrop Junction cars to the corner of Gladstone and Walley Sts.

3d. To run the Winthrop Junction cars on seven minute time throughout the day.

4th. To replace the small cars now in use in East Boston with cars of the same size as used in other parts of Boston.

5th. To use the Liverpool St. tracks for the Chelsea line.

6th. To make better connections at the ferries.

7th. To make such other improvements as may suggest themselves after investigation.

Passed.

CITY REGISTRAR'S SEAL.

Ald. COLBY offered the following:—

An Ordinance establishing the seal of the City Registrar.

Be it ordained, etc.
The official seal of the City Registrar, which the City of Boston shall provide for his use according to chapter 389 of Acts of 1898, shall be in form as follows:—

On a circular rim the words, "Seal of the City Registrar of the City of Boston," surrounding a shield charged with the device of a ring enclosing two lighted torches, one erect, the other inverted—ad substantially as set forth in the margin.

(In the margin was a fac-simile impression of the seal referred to.)

The ordinance was referred to the Committee on Public Improvements.

GENERAL RECONSIDERATION.

Ald. BRICK moved a general reconsideration upon all matters transacted at the meeting, hoping that the same would not prevail; lost.

A RECESS TAKEN.

The Board voted, at 4:37 o'clock P.M., on motion of Ald. Dixon, to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order at 5:21 o'clock P.M., by the Chairman.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:

(1) Reports recommending that leave be granted on the following petitions (referred today):

Hugh J. Morrison, for leave to stand a night lunch wagon at the Square at Field's Corner, between the hours of 7 P.M. and 4 A.M.

Frank Lally, for leave to project one bay window from building 153 Putnam St., to project over corner of Putnam and Bennington Sts., Wd. 1.

H. Cady, for leave to project two bay windows from building 85 Maverick St., corner Haven St., Wd. 2.

Crescent Associates, for leave to project two bay windows from building corner of Savin Hill Ave and Spring St., Wd. 20.

Reports severally accepted, leave granted on the usual conditions.

(2) Report on the petition of George A. Fuller Company (referred today), for leave to erect guy posts in Utica, East, South and Essex Sts., Wd. 7—recommending the passage of the accompanying order:

Ordered, That the Superintendent of Streets be authorized to issue a permit to the George A. Fuller Company to erect, maintain and use guy posts, with the necessary ropes attached thereto, in the following locations, viz:—

One on Utica St., near corner of Tufts St.
Two on East St., between South St. and Atlantic Ave.

One on South St., northwest corner, near Essex St.

One on Essex St., near corner Lincoln St.

One on Essex St., between Lincoln and South Sts.

One on South St., near corner South St.

Three on South St., near corner Essex St., Wd. 7.

To be placed in locations satisfactory to the Superintendent of Streets; the work to be completed on or before July 1, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed under suspension of the rule.

(3) Report on the petition of Holbrook, Cabot & Daly (referred today), for leave to erect guy posts—recommending the passage of the following:—

Ordered, That the Superintendent of Streets be authorized to issue a permit to Holbrook, Cabot & Daly to erect, maintain and use two guy posts, with the necessary ropes attached, in Swett St., at or near the new crossing of the New York, New Haven & Hartford R. R., for use in building bridge abutments; the work to be completed on or before July 1, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted; order passed.

(4) Report on the petition of Wm. H. Faunce (referred today), for leave to erect a hitching post—recommending the passage of the following:—

Ordered, That the Superintendent of Streets be authorized to issue a permit to William H. Faunce to erect, maintain, and use a hitching post in the sidewalk in front of estate 8 Wayne St., Wd. 2; the

work to be completed according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted; order passed.

Ald. BERWIN offered the following:—

Ordered: That a committee of this Board, to consist of three members, be appointed to consider and report on all matters already referred to the Committee on Building Department, Ald., and to have the powers and duties of said committee on matters coming within the jurisdiction of this board.

Ald. BERWIN—Mr. Chairman, in support of the passage of that order and in explanation of it, I desire to say this, that I have introduced the order at the request of a number of people who have matters pending before the Committee on Building Department, and the order is introduced for the purpose of expediting the business of the department and the work in connection with it which devolves on this board. It is not introduced with any purpose of interfering with the prerogatives of the Council, because as soon as the Council appoints its various committees this arrangement will end. At that time the individual action of the Board in this matter will end. I hope the rule will be suspended. I desire to say this, furthermore, that I have introduced this order without any prejudice to any further action I may take at any time in relation to matters of a similar nature that may possibly come before the Board. I desire to make myself clear on that point, and I trust that I have. I hope the rule will be suspended.

The rule was suspended, and the order was read a second time and passed. Ald. Berwin moved to reconsider; lost.

HOLIDAY ON EVACUATION DAY.

Ald. O'TOOLE offered an order—That His Honor the Mayor be hereby requested to instruct the heads of departments to grant a holiday, without loss of pay, on March 17, 1899, Evacuation Day, to all employees whose services can be dispensed with, in part compensation for their services.

Passed, under suspension of the rule. Sent down.

Adjourned at 5:33 P. M., on motion of Ald. Dixon, to meet on Monday, March 6, 1899, at 3 o'clock P. M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, March 2, 1899.
Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P.M., President Kiley in the chair.

CONCERT PHILLIPS SCHOOL.

The following was received:—
Mayor's Office, City Hall,
Boston, March 2, 1899.

To the Common Council:—
I transmit herewith a communication from the Music Commissioners in regard to your order requesting that a concert be given by the Municipal Orchestra in the hall of the Phillips School, Wd. 11.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston, Department of Music,
Office of the Commissioners,
Feb. 6, 1899.

Hon. Josiah Quincy, Mayor of Boston.
Dear Sir: The order of the Common Council received through you, dated Jan. 26, 1899, and ordering that the Music Department be requested to provide a concert by the Municipal Orchestra in the hall of the Phillips School, Wd. 11, was considered by the Music Commissioners at their meeting on February 3d. The Commissioners understand the request to be for a free chamber concert by the Municipal Quartette such as are being given in various sections of the city, the Municipal Orchestra having been disbanded on January 15th last.

On referring to a list of school halls furnished this department by the Secretary of the School Committee, it appears that the hall of the Phillips School is not lighted. That being the case it would not be possible to take affirmative action upon the order, until at least means for illuminating the hall have been put in.

Yours respectfully,
M. J. Dwyer, Secretary.

Placed on file.

STREET DEPT'T CONTRACTS.

The following was received:
Mayor's Office, City Hall,
Boston, March 2, 1899.

To the Common Council:—
I transmit herewith a communication from the Superintendent of Streets in reply to your order requesting "a complete list of all the contracts above two thousand dollars entered into by the city of Boston, through the Street Department, since January 1, 1898, which have not been open to competition through a public advertisement; also the amount of said contracts and the names of the contractors."

Respectfully submitted,
Josiah Quincy, Mayor.

Street Department, City Hall,
Boston, Feb. 27, 1899.

Hon. Josiah Quincy, Mayor.
Sir:—In reply to your request for a complete list of all contracts above two thousand dollars (\$2000) entered into by the City of Boston through the Street Department since January 1, 1898, which have not been open to competition through a public advertisement, also the amount of said contracts and the names of the contractors, I beg to submit the inclosed list.

Respectfully submitted,
Benj. W. Wells, Supt. of Streets.

VETO OF FARRAGUT DAY APPROPRIATION.

The following was received:—
Mayor's Office, City Hall,
Boston, Feb. 24, 1899.

To the City Council:—
I herewith return without my approval the order providing for the expenditure of \$1200 out of the appropriation for City Council, Incidental Expenses, for the celebration of June 28th, for the reason that this appropriation is not sufficient to allow of such expenditure, and that it seems to me that a bad precedent would be set by allowing an expenditure for a public celebration, not provided for in the regular appropriation for such a purpose, to be subsequently met in this manner.

Respectfully submitted,
Josiah Quincy, Mayor.

The order was reconsidered, and the question came on its passage, the objections of the Mayor to the contrary, notwithstanding.

The order failed of passage (50 votes being required), Yeas 31, nays 15.

Yeas—Bennett, Bradley, Brennan, Chamberlain, Collins, Doherty, Donahoe, Doyle, Fenton, Flynn, Giblin, Hibbard, Horrigan, Johnson, Jordan, Kiley, Linehan, Logan, Lydon, MacDonald, Mansfield, Mulcahy, O'Brien, Rolland, Simpson, Stone, Sullivan, Tobin, Turnbull, Watson, Wells—31.

Nays—Battis, Brauer, Broderick, Emery, Harvey, Hickey, Klemm, Mildram, Nangle, Newhall, Peck, Sanderson, Stevens, Winsloe, Wood—15.

Absent or not voting—Armistead, Atwood, Badaracco, Bagley, Bordman, Carroll, Casey, Connolly, Cuddy, Curley, Donovan, Eddy, Gibbons, Howard, Kasanof,

Kelley, Leftovith, Leonard, Lorey, Madden, Martin, McInerney, Miller, Moore, Rice, Roemer, Stockton, Sweeney, Walker—29.

Mr. MULCAHY of Wd. 14—Mr. President, I move to reconsider, and that reconsideration be assigned to the next meeting.

The PRESIDENT—The Chair rules the motion out of order, as reconsideration of a veto message cannot prevail under the rules of the City Council.

CONFIRMATION OF APPOINTMENTS.

The following was received:—
Mayor's Office, City Hall,
Boston, March 2, 1899.

To the Common Council:—
In response to the order referred to me by your body on Jan. 26, requesting information as to the reasons why, "in violation of plain law," the Mayor has not submitted for confirmation by the Board of Aldermen, the names of the officers coming under the provisions of Chapter 2, Sections 1 and 2, of the Revised Ordinances of 1898, I have to state that I know of no such officer, subject by law to such confirmation, who has not been confirmed by the Board of Aldermen, and if the introducer of the order can point out any such officers who have not been so confirmed, I will take immediate steps to see that they are no longer allowed to act.

Respectfully submitted,
Josiah Quincy, Mayor.

Ordered printed, and assigned to the next meeting, on motion of Mr. Chamberlain of Wd. 12.

PETITION REFERRED.

To the Committee on Library Department, when appointed—Charles E. French, for a verification of the expenditures incurred in the repairs to the Central Library.

PAPERS FROM THE BOARD OF ALDERMEN.

1. Ordered, That His Honor the Mayor be hereby requested to instruct the heads of departments to grant a holiday, without loss of pay, on March 17, 1899, Evacuation Day, to all employees whose services can be dispensed with, in part compensation for their services.

Passed in concurrence.

2. Ordered, That there be paid to Mary Jane Murphy, widow of Daniel Murphy, late a member of the Police Department of the City of Boston, the sum of \$1,209.86, the balance of the salary to which he would have been entitled had he lived and continued to serve as a police officer until the close of the fiscal year 1898-99, such payment being authorized by chapter 406 of the Acts of 1898, and to be charged to reserve fund.

Passed in concurrence.

3. Ordered, That the order of the City Council, dated September 13, 1898, directing payment to Mary Jane Murphy, widow of Daniel Murphy, late a police officer, be rescinded.

Passed in concurrence.

4. The joint rules submitted with the majority report of the Committee on Joint Rules and Orders (City Doc. 44) which were adopted by this Council on February 23, come down non-concurred in, the Board of Aldermen adhering to its action of February 13 in adopting the rules and orders recommended by the minority of the committee.

The question came on receding and concurring with the Board of Aldermen.

Mr. LOGAN of Wd. 14—Mr. President, I move you sir, that the Council non-concur in the action taken by the Board of Aldermen, and that this body adhere to its former action.

Mr. HICKEY of Wd. 2—Mr. President, I hope the Council will recede from its former action and concur with the Board of Aldermen. I am surprised that our young college friend in the second division should make that motion tonight. I wish to call the attention of the Council to a statement made by the President of this body at the last meeting—the second statement of the President to which I have called the attention of the Council this year—when he said that “The Chair has been given the assurance that the Board will concur in the acceptance of the rules at its next meeting.” Our president makes that statement, as per Council Minutes, page 190. It seems that the Board of Aldermen has not concurred with the Common Council, although the Council voted at its last meeting to adhere to its former action. I just wish to present to the members of this Council the same facts that have been presented to it so often—namely, that for thirty-five years previous to last year the joint committees of the City Council were made up of only eight members, five on the part of the Council and three on the part of the Board of Aldermen. Even under those conditions it was considered difficult enough to secure a quorum, a good working majority, throughout the year, on the various committees. Last year, on account of the deadlock in the Board of Aldermen, the Board being tied, it was found necessary to place four members upon the joint committees on the part of the Board of Aldermen. That necessitated an increase in the membership on the part of the Common Council, the result being that on the joint committees of last year there were four members on the part of the Board of Aldermen and seven members on the part of the Common Council, a total of eleven members, making an increase in the size of the joint committees over those of previous years. This year it is proposed to still further increase the numbers on joint committees. I have not heard upon the floor of this chamber one single argument in support of that, except

the argument which was presented by the gentleman in the second division some two or three weeks ago, when he said that it was his idea to have the Committees regulated so that they would conform somewhat with the Committees of the State Legislature. I want to tell the gentleman in the second division, whether he knows it or not, that the Mercantile Committee, one of the most important committees of the State Legislature last year, representing a legislative body of nearly three hundred members, including the House of Representatives and the State Senate, had only eleven members. Where does his argument come in? Here we have eighty-seven members in our City Government, and he wants thirteen of them on a joint committee. I say, Mr. President, that not one single argument has been presented to this Council why we should increase the membership of the joint committees.

The gentleman in the first division—from Wd. 18, I think—a few weeks ago told this body that several of the committees were not working committees. Now, if, as he said was the case, most of these committees do not meet at all during the year, why should we have thirteen men appointed on these committees? That is something, Mr. President, that I cannot see. In closing, Mr. President, I simply desire to state that I hope no assurance of the President will be taken tonight. If he has any further assurance that the Board of Aldermen is going to concur at the next meeting, I hope that it will not be presented to this body tonight, because his previous assurance has not been upheld. I trust that the Council will recede from its former action and concur with the Board of Aldermen, principally because 13 members on joint committees are not a necessity, and because not one argument has been presented in favor of making the change. I am ready to answer any argument of the gentleman in the first division as to why committees should be composed of 13 members.

The PRESIDENT—The Chair desires to state that if any member of this body questions the veracity of the statement made at the last meeting, he will refer him, or the gentleman from Wd. 2, at Aldermen Dixon and Doyle, whose assurance was given to me that they would vote for concurrence in the rules, and who voted against concurrence at the last meeting.

Mr. WATSON of Wd. 18—Mr. President, I just desire to reply to the gentleman from Wd. 2, and to say to him that I said certain committees were not working committees last year; but I desire to say that I also said at that time that it depended on the President whether the committees were working committees or not.

Mr. MARTIN of Wd. 15—Mr. President, I hope that this body will adhere to its former action and will not concur with the Board of Aldermen in the action they took at their last meeting. The honorable gentleman who dissents, as we expected he would, has only one reason for dissenting, and that seems to be a flimsy excuse which he has told us, that the committees do not amount to anything, and that there is not anything for the committees to do. Mr. President, if there is nothing for the committees to do, if there is no work for them to do, if it is true that there are only three committees—namely, the committee on ordinances, building department and claims—that have anything to do, why does he find so much trouble in agreeing with us? Mr. President, I hope that this body will adhere to its former action and will not concur with the board of aldermen in their action.

Mr. DONAHOE of Wd. 14—Mr. President, I sincerely hope that the Council will adhere to its former action in this matter tonight. The gentleman from Wd.

2 states that there has been no argument made why the number of members on the committees should be increased. That for 35 years preceding last year the committees of the city council got along very well with the old number of members on committees, and that last year an emergency had arisen in the city government whereby the committees had to be increased. Now, Mr. President, I claim that an emergency has arisen in the city government of this year, for the Massachusetts Legislature placed another branch to the city government—a branch more powerful, in my opinion, than the Board of Aldermen and Common Council together. Now, I maintain that if the Massachusetts Legislature sees fit to increase the city government, I see no reason why the city government is not justified in increasing its committees; therefore, Mr. President, I sincerely hope that we will adhere to former action.

Mr. GIBLIN of Wd. 15—Mr. President, I would like to ask the gentleman from Wd. 2, through the chair, if he has an antipathy to the report of the committee on account of the thirteen members upon the committees?

Mr. HICKEY—I would like to ask the gentleman what the question was that he asked me?

Mr. GIBLIN—Mr. President, I would like to ask him if he objects to this matter because there are thirteen to be appointed on the committees? (Laughter.)

Mr. HICKEY—Mr. President, the laugh indulged in by the members of the Council, and created by the gentleman from Wd. 15, is enjoyed as highly by myself as by any other member of the Council. It is true that I do object to this because the joint committees are to be composed of thirteen, I would object to it if the joint committees were to be composed of twelve members. While I am on my feet, permit me to reply to the gentleman from Wd. 14, when he introduces the argument that because the Board of Apportionment has been treated by the State Legislature, the number of those who constitute the joint committees of the City Council should be increased. Is there any member of the City Council who believes that the creation of the Board of Estimate and Apportionment has added to our powers? Every member knows that its creation has taken away many powers from us, rather than to add work to the City Council. What argument is there that the joint committees should be increased in numbers because of the creation of the Board of Estimate and Apportionment. If eight members of the joint committees could do the work under the old system, why cannot they under the present system, where many of the powers have been taken away from the City Council and given to the Board of Estimate and Apportionment? I hope that the Council will recede from its former action and concur with the Board of Aldermen, so that we may have our committees appointed as soon as possible; or, if we are to adhere to our former action, I hope the gentleman in the second division or some other member of the committee, will get on his feet and show us some good reason why the number of members on the joint committees should be increased.

Mr. LOGAN of Wd. 14—Mr. President, the gentleman from Wd. 2, for the last three meetings of the Council, has shown us a beautiful knowledge of ancient history. He has gone back over the career of the City Council for the past thirty-five years and has told us the number of members that have constituted our joint committees during that period. I wish to take issue with him right there, for I believe that if there has been anything which has brought about a reduction of the powers of the Common Council, it has been on account of the outrageous and ungentlemanly way in which the committees have managed the affairs of this gov-

ernment during the past thirty-five years that the gentleman from Wd. 2 speaks about. If anything will bring about a better condition of affairs, I believe that a large number of members on committees will do it. For that reason, I hope that the Council will adhere to its former action.

Mr. MCINERNEY of Wd. 19—Mr. President, I move you, sir, the previous question.

Mr. MULCAHY of Wd. 14—Mr. President I hope the gentleman will withdraw his motion for the previous question. It seems to me this is quite an interesting subject to the members. Several members have risen to their feet and have tried to get recognition from the Chair, wishing to speak upon this subject, and yet the gentleman in the Fourth Division moves the previous question. Now, my experience in this government during the last three years has never been that of being the author of that motion. I always was willing to let any individual who wished to talk upon any subject to do so; The gentleman moves the previous question for the sake of cutting off debate in this matter. In my opinion, there is no question about the action that will be taken in reference to this matter, but I simply desire to state that I, among many others, would like to speak upon the subject, and I hope the gentleman will withdraw his motion.

The PRESIDENT—The question before the house is "Shall the main question be now put?"

Mr. HICKEY of Wd. 2—Mr. President, I hope the previous question will not be put—immediately, at any rate. I wish to say to the gentleman in the second division (Mr. Logan), that if I have, during my remarks on this question, indulged in any ancient history, it is not ancient history of the kind taught at Harvard College. It is history gained here in the Common Council.

The PRESIDENT—The Chair desires to say that debate must be confined to the question before the Council, which is, shall the main question be ordered.

Mr. HICKEY—Mr. President, I hope the main question will not be ordered. As I have said, whatever knowledge of ancient history I have gained having a bearing upon matters coming before us for consideration, has been gained in the Council chamber; and when I spoke before I spoke upon facts relating to joint committees of the City Council. I hope that the main question will not be put at this time, there being several members on the floor who are anxious to debate.

The main question was declared ordered. Mr. Mulcahy doubted the vote, and asked for a rising vote. The Council stood divided and the main question was ordered, 49 in the affirmative, 9 in the negative.

The Council voted to non-concur and adhere to former action. Mr. Watson moved to reconsider; lost.

5. The order for a loan appropriation of fifteen thousand (\$15,000) dollars for the Public Buildings Department, Electrical Construction Division, for additional working capital, which this Council refused to pass in concurrence with the Board of Estimate and Apportionment, on February 23, comes down with an entry thereon that the Board of Aldermen adhered to its former action.

The question came on receding and passing the order in concurrence with the Board of Estimate and Apportionment; declared lost. Mr. Mulcahy doubted the vote and asked for a rising vote. The Council stood divided, and the Council refused to recede and concur, 14 members voting in the affirmative, 37 in the negative.

The question came on adhering to former action.

On motion of Mr. Connolly of Wd. 17, the yeas and nays were ordered, and the

Council voted to adhere to former action—Yeas 36, nays 21.

Yeas—Atwood, Bagley, Battis, Bennett, Bordman, Brauer, Broderick, Chamberlain, Donahoe, Donovan, Harvey, Hibbard, Horigan, Jordan, Kiley, Klemm, Leftovith, Linehan, Mansfield, Martin, McInerney, Mildram, Miller, O'Brien, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stone, Walker, Watson, Wells, Winsloe, Wood—36.

Nays—Badaracco, Bradley, Brennan, Carroll, Connolly, Curley, Doherty, Doyle, Fenton, Flynn, Gible, Hickey, Johnson, Kasanof, Kelley, Mulcahy, Nangle, Rice, Sullivan, Tobin, Turnbull—21.

Absent or not voting—Armistead, Casey, Collins, Cuddy, Eddy, Emery, Gibbons, Howard, Leonard, Logan, Lorey, Lydon, MacDonald, Madden, Moore, Newhall, Stockton, Sweeney—8.

LEAVE OF ABSENCE FOR POLICEMEN

The Council proceeded to take up No. 6, assignment, viz.:-

6. Message of the Mayor transmitting a communication from the Board of Police relative to leave of absence, without loss of pay, to members of the Police Department. (City Doc. 61.)

Placed on file.

COMMUNICATION REGARDING SALARIES OF CITY EMPLOYEES.

The Council proceeded to take up No. 7, assignment, viz.:-

7. Message of the Mayor transmitting a classified statement of the number, designation and salary of officers and employees of the different departments, not including mechanics and laborers. (City Doc. 62.)

Sent up.

CREMATION OF PAUPERS' BODIES.

The Council proceeded to take up No. 8, assignment, viz.:-

8. Resolved, That in the opinion of the Common Council, the cremation of paupers' bodies, as proposed by the Cemetery Trustees, is unadvisable.

The question came on giving the order a second reading.

Mr. CHAMBERLAIN—Mr. President, as I have not had time to examine the report of the trustees today, I would ask the gentleman from Wd. 18 (Mr. Watson) as a personal favor to me to assent to the assignment of this order for another week.

Mr. WATSON of Wd. 18—Mr. President, it is perfectly agreeable to me to have the order assigned.

The order was assigned to the next meeting of the Council.

INTEREST ON TAXES.

The Council proceeded to take up No. 9, assignment, viz.:-

9. Ordered, That all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the state tax of the year 1899, or of any other taxes or assessments payable to the Commonwealth, be due and payable on the first day of October, 1899; that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid at the rate of six per cent, per annum up to the first day of January, 1900, and at the rate of seven per cent, per annum after and including said first day of January, except that taxes assessed upon shares of stock of national banks shall bear interest at the rate of twelve per cent, per annum from and including said first day of November, until paid; and that all interest which shall have become due on taxes shall be added to and be a part of such taxes.

Mr. HERRIGAN of Wd. 3—Mr. President, for the benefit of the Council, I would like to have the President explain this order, as some of the members don't know anything about it.

The PRESIDENT—The Chair desires to state that this is an order introduced for the sanction of the City Council, in accordance with chapter 11, sections 67 and 68, of the Public Statutes, allowing the selectmen of towns and the city councils of cities to fix the time upon which interest shall be levied upon unpaid taxes. The passage of this order is necessary, so that the City Collector may act accordingly. The question comes on giving the order a second reading.

Mr. LYDON of Wd. 13—Mr. President, I would like to ask if it is true that, according to the present law, the taxes are not due until November 1st?

The PRESIDENT—The Chair desires to state that that is a matter that has been fixed by the City Council for some years. The Chair understands that the custom has been to fix a specific time upon which interest shall be charged on unpaid taxes at the rates of 7 per cent, and thereafter at the rate of one per cent, per month. The Chair desires further to state for the benefit of the gentleman from Wd. 13, that this is the same order that has been passed by the City Council for a number of years past.

Mr. LYDON—Mr. President, I wish to state, that if that is the case, I am in error. I was of the opinion that the taxes became due on the first of November, and that interest went on from that date. If October has been the date, I am in error.

Mr. HICKEY of Wd. 2—Mr. President, I believe I was the only member of the Council at the last meeting who spoke in support of this order. I hope that it will not be further delayed. I believe it was assigned at the last meeting solely for the reason that it was believed at that time by certain members of the Council that an assignment would invalidate the appropriation bill. They, having satisfied themselves that such is not the case, are, perhaps, willing tonight to allow the order to go upon its passage. As I stated at the last meeting of the Council, this order was drawn by Corporation Counsel Bailey in thorough accordance with legal methods, and, as I believe, the financial necessities of the city. I hope the order will be given a second reading and be put upon its passage at this time.

Mr. MILLER of Wd. 20—Mr. President, I do not agree with the remarks of the gentleman who last spoke in regard to the financial necessity. I do think, perhaps, it might help out the present financial condition of the city if it could raise twenty per cent, interest on a great many things; but when it comes to the City Council setting an example of an exorbitant rate of interest on taxes which have come due and have not been paid, I think it is wrong, for a great many reasons. This seven per cent comes out of the poor people—not out of the rich, in most cases. The financial condition of a great many people of our city has been such in the last few years that they cannot always meet their taxes just when they are due. They are willing to pay the usual rate of six per cent, but when you come to ask a greater rate of interest than that, I think it is an outrage on the part of the city of Boston, which can hire its money for three or three and one-half per cent, and then proceed to make money out of its citizens in this manner. This order also provides a rate of twelve per cent per annum for bank stock. I am well aware that banks are supposed to pay this interest, but providing a bank neglects the first day of November to pay the city of Boston the interest due on the stock, it comes out of the person who holds the shares. Now,

I am not willing to vote tonight to charge some poor person who holds three or four shares of bank stock, upon which he is only receiving three per cent, a sum large enough, by reason of the neglect of the bank to pay this tax, to cover in two months the amount of interest that he will get on his stock in a whole year. As I said before, I have no doubt the city of Boston is in such financial condition that it needs all the money it can get; but I, for one, shall not vote to take it out of the poor people. This has been the usual custom, I admit, but the fact is that the rate of interest has changed in the last few years. Money is not worth what it was when these orders were passed years ago. Good paper brings only three and a half to four per cent; and certainly the city of Boston at the present time ought to be able to hire money as cheap as any other corporation. So I think it is time that this rate of interest was changed to the regular six per cent rate, thereby setting a proper example and not charging seven per cent on all bills not paid at a certain date. The custom which has prevailed simply gives an opportunity to a great many men to go around and buy up tax-bills and allow them to remain unpaid. The party owning the property receives no notice that they have not been paid, but the person dealing in the matter has his broker and lets the thing go along and then collects his even per cent upon it. For these reasons I would like to see the rate of six per cent. established, and I hope the order in its present form will not go through tonight.

The order was declared not ordered to a second reading.

EMPLOYMENT OF CITIZENS OF BOSTON.

The Council proceeded to take up No. 10, reconsideration, viz.:-

10. An ordinance to amend chapter three of the Revised Ordinances of 1898. Be it ordained, etc.:

Chapter three of the Revised Ordinances of 1898 is hereby amended in section twelve by striking out the words "the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "Boston in any capacity."

The question came on reconsideration (notice filed by Mr. Linehan) of action of February 23, whereby said ordinance was referred to the Committee on Ordinances when appointed.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to offer a substitute order. I don't know whether I can do that before reconsideration prevails or not.

The PRESIDENT—The chair desires to state that reconsideration must be had before a substitute order can be introduced.

The Council voted to reconsider its previous action, and Mr. Linehan thereupon offered the following substitute:—

An ordinance to amend chapter three of the Revised Ordinances of 1898. Be it ordained, etc.:-

Chapter three of the Revised Ordinances of 1898 is hereby amended in section twelve by striking out the words "of the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "and, if male subordinates, legal voters of Boston, in any capacity."

The question came on the adoption of the substitute.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to state that the only difference between this order and the order that has been reconsidered is that, instead of "citizens of Boston in any capacity," it is "legal voters of Boston," that I have substituted.

The PRESIDENT—The question comes on substitution.

Mr. MILLER of Wd. 20—Mr. President, I at the present time don't wish to say that I have any objection to Mr. Linehan's substitute, but I would like to have the matter assigned for one week, so that we can look into it. I am not really in favor of voting against giving a chance to a man who has not had an opportunity to be made a citizen, and who really desires to become one. Therefore I trust that this will lay over for one week.

Mr. LINEHAN—Mr. President, I have no objection to the matter being assigned for a week, but I would like to state that there are a number of people at the present time being imported into the city of Boston to take positions that citizens ought to occupy; and it is my idea that some action should be taken in this line as soon as possible. There are two or three men coming in now, whom I would like to stop coming in if possible.

Mr. LOGAN of Wd. 14—Mr. President, I sincerely hope the Council will substitute the ordinance offered by Councilman Linehan tonight for the one that stands on the calendar, because it is about time that this matter of importing people from outside the State of Massachusetts into the city of Boston and giving them important places where they are supported by the citizens of this city was stopped. The Council for a number of years back has taken action in this direction, but the action has never been so complete and summary that such methods as have been pursued during the last week could be absolutely prohibited. I sincerely hope that this Council will substitute the ordinance now offered by the Councilman in the third division (Mr. Linehan) for the ordinance as it appears upon our calendar.

Mr. WATSON of Wd. 18—Mr. President, I sincerely trust that the substitute ordinance offered by the gentleman from Wd. 13 (Mr. Linehan) will pass. I think it is high time that the city of Boston employed legal voters of the city in positions which they are capable of filling. I understand from the newspapers that the city of Boston is about to import a man from Indiana to take the position of Superintendent of Long Island. His particular qualification, as I understand, Mr. President, is the fact that he taught a lot of crooks in Indiana how to cook. (Laughter.) That is his only qualification. I want to state that other qualifications are necessary at Long Island. Humane treatment is necessary there—intelligence, temperance. What do we know of this man? We know nothing about him. I do not believe that the pauper trustees know anything about him. I am informed that they want somebody down there who will make these poor individuals work—some of them about ready to die. I certainly trust that the substitute ordinance offered by the gentleman from Wd. 13 will prevail.

Mr. LYDON of Wd. 13—Mr. President, I sincerely trust that this ordinance will be adopted this evening. I was about to introduce an ordinance somewhat similar to that myself, in regard to the payment of the city's money to other than the citizens of Boston. I find, however, that my colleague has introduced this ordinance, and it really covers about the same matter that I wished to cover. Now, I am aware of the fact that in the different departments of the city of Boston there are employed other than citizens of Boston. There is no question about it, however, but what any position we have in the city government can be filled by a taxpayer and a legal voter of the city. I believe also that we should require the school teachers from among those in the city. Another thing—this will save a great deal of investigation.

I know that if this ordinance had been adopted it would have saved investigations into certain departments, where in one department there is \$18,000 a year paid to

people who live in Gloucester, Winchester and the outlying towns. I sincerely hope that this vote tonight will be unanimously in favor of the adoption of this ordinance.

Mr. STEVENS of Wd. 11—Mr. President, the order offered by the gentleman from Wd. 13 is a matter that I think should be considered very carefully. I hope that it will be assigned for one week. There might be some circumstances under which people who are employed by the city and who are not legal voters of this city might with benefit to the city be retained—at any rate, for a time. I do not know whether there are or not, but I would like the privilege of looking into the matter. The gentleman in the second division has also said that this might apply to school teachers. Now, if there is a question as to making it obligatory that school teachers shall be voters, I would like to know how it is going to affect the women teachers in our schools. I think, altogether, that it is a serious question, and I hope that it will be assigned for one week, in order to give every one an opportunity to look into it—and I hope that everyone will.

Mr. MILLER of Wd. 20—Mr. President, I wish to say that my reason for asking that this be assigned is not because I have anything against the order that has been presented by Mr. Linehan, but because I wish time to look into the matter. I think perhaps that the order can be worded so as to cover the ground that he expects to cover, and yet not affect some of the people which this order would affect if it goes in in its broad scope, as he has presented it. I think an order can be presented that would cover exactly what he intends to get at, and yet not cut out a great many who are entitled to employment. Now, for instance, the gentleman from Wd. 13 claims that we have imported a man to go to Long Island. I would say that an order might be worded so that any honorable gentleman who wishes to come to Boston and become a citizen of this city, should be entitled to employment by this city. I would like to have time to have this matter considered and possibly to have it changed so that it would not debar a man from coming to this city and getting employment for a certain length of time in which he might become a citizen of Boston. That is why I ask that this be assigned for one week.

Mr. LEFTOVITH—Mr. President, I am willing and satisfied that this order should pass this evening. I believe that any gentleman who is employed by the city of Boston who is not a citizen and does not intend to become one, has no right whatsoever to receive the city's money. The gentleman in the fourth division states that he thinks we should give a man further time to consider whether he wants to become a citizen of the United States or not. I say, Mr. President, that any man who comes over here and who desires to live for the rest of his life upon the soil of America, can immediately declare his intention to become a citizen. He is already practically a citizen. He has declared his intention. I say we have a great many people in Boston who have been here for twenty years, and who have not thought of becoming citizens. I say that any citizen who pays taxes should be given the preference. A great many people skip away with the idea that if they do not become citizens they do not need to pay a poll tax. I claim that, no matter whether they are citizens or not, they should be compelled to pay a poll tax. It is different here from what it is in Europe. We have to live differently, and I say that we ought to at least to protect the man who comes here and who intends to live with us and help pay our taxes. The men who are not citizens and who do not intend to pay taxes, the sooner we tell them that they must either become citizens or not be given any city work, the better. In order to protect

the American citizens, I say that this order should pass, and I would believe in the principle that people should understand that they should either have to become citizens of the United States or else not be eligible for employment and to get the city's money. I hope that this order will pass.

The question came on the motion to assign further consideration of this matter to the next meeting.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to state that I have no objection to assigning the matter for a week.

Mr. DONAHUE of Wd. 14—Mr. Chairman, I hardly see the necessity of assigning this order. It does not debar any United States citizens from obtaining employment here. It simply says that the citizens of Boston shall get the preference, and I think it is no more than fair and right that they should. I hope the order will not be assigned. They should get the preference.

The PRESIDENT—The Chair desires to call the attention of the members of the Council to the fact that several members have addressed the Chair as "Mr. Chairman." The Chair desires to make that statement, so that members of the Council will in future know that that is an improper way to address the Chair.

Mr. WALKER of Wd. 25—Mr. President, inasmuch as the gentleman who has introduced this substitute ordinance has stated that he has no objection to its assignment to the next meeting, I would respectfully move the previous question.

The PRESIDENT—The question is "Shall the main question be now put?"

Mr. WATSON of Wd. 18—Mr. President, I would like to ask whether, if the previous question is ordered, it will not strike out the substitute ordinance which has been presented and bring the question back upon the original ordinance.

The PRESIDENT—The Chair desires to state that it will not strike out the substitute ordinance.

The main question was ordered, the substitute ordinance was adopted, and it was read a second time and passed, under a suspension of the rules; yeas 55, nays 1:—

Yeas—Atwood, Bagley, Battis, Bordman, Bradley, Brauer, Brennan, Broderick, Carroll, Chamberlain, Collins, Connolly, Cuddy, Curley, Doherty, Donahoe, Donovan, Doyle, Fenton, Flynn, Giblin, Harvey, Hibbard, Hickey, Horrigan, Johnson, Jordan, Kasanof, Kelley, Kiley, Leftovith, Linehan, Logan, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Midram, Mulcahy, Nangle, Newhall, Peck, Rice, Roemer, Simpson, Stone, Sullivan, Tobin, Turnbull, Walker, Watson, Winsloe, Wood.—55.

Nays—Klemm—1.

Absent or not voting—Armistead, Badaracco, Bennett, Casey, Eddy, Emery, Gibbons, Howard, Leonard, Lorey, Miller, Moore, O'Brien, Rolland, Sanderson, Stevens, Stockton, Sweeney, Wells—19.

Mr. Linehan moved to reconsider; lost.

MEMBERS PRESENT.

By direction of the President the Clerk called the roll to ascertain the members present, with the following result:—

Present—Atwood, Badaracco, Bagley, Battis, Bordman, Bradley, Brauer, Brennan, Boardman, Bradley, Brennan, Broderick, Carroll, Chamberlain, Collins, Connolly, Cuddy, Curley, Donahoe, Donovan, Doyle, Fenton, Flynn, Giblin, Harvey, Hibbard, Hickey, Horrigan, Johnson, Jordan, Kasanof, Kelley, Kiley, Klemm, Leftovith, Linehan, Logan, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Midram, Miller, Mulcahy, Nangle, Newhall, Peck, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sullivan, Turnbull, Walker, Watson, Wells, Winsloe, Wood.—62.

Absent—Armistead, Bennett, Casey Eddy, Emery, Gibbons, Howard, Leonard, Lorey, Moore, O'Brien, Sweeney, Tobin—13.

WAGES OF TOLLMEN AND GATEMEN.

Mr. WALKER of Wd. 25, for Mr. Simpson of Wd. 1, offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to restore the former rate of wages to the tollmen and gatemmen on East Boston ferries.

Referred to His Honor the Mayor.

IMPROVEMENT OF L ST. BATHHOUSE

Mr. LOGAN of Wd. 14 offered an order—That the Board of Commissioners of the Bath Department be requested to expend at the L St. Bathhouse a sum sufficient for placing the children's room in a more suitable condition.

Referred to His Honor the Mayor.

NEW SCHOOL, WD. 1.

Mr. BAGLEY of Wd. 1 offered an order—That the School Committee be requested, through His Honor the Mayor, to consider the advisability of purchasing land and erecting a schoolhouse thereon in the vicinity of Byron St., Wd. 1; the expense of the same to be taken from the sum set aside by the Board of Estimate and Apportionment for the purpose of building new schools.

Mr. BAGLEY—Mr. President, that order asked for a new schoolhouse in the Emerson District in East Boston. I would like to say that in that district the school master has about 1700 scholars in his charge. He has five little schools. One is in an old building that was abandoned for five or six years and was finally patched up a little mite, and that is not now fit for scholars to go to school in. Another school is in a tenement house, and the scholars who live near my home have to cross a railroad track every time they go to or from school. It is very dangerous for them. They have three quarters of a mile to walk in one direction, and about a mile in another. I sincerely hope that they will take some action in the matter.

The order was referred to His Honor the Mayor.

RESTORATION OF WAGES.

Mr. WATSON of Wd. 18 offered the following:—

Whereas, In issuing his order for a general reduction of wages and salaries of municipal employees, His Honor the Mayor expected to accomplish a saving of upwards of \$200,000 per annum, and

Whereas, Such a timely saving has not been obtained, owing to the unexpected exemption of certain departments for reasons familiar to the members of the City Council, and

Whereas, The total estimated saving, under the Mayor's order, as now enforced, does not exceed \$55,000; therefore be it

Resolved, That the City Council of Es-ton, without regard to party affiliations and as a measure of fair play, places itself on record in favor of re-establishing the old rates of wages and salaries for all municipal employees in all departments in which those rates are not now paid.

The question came on giving the preamble and resolve a second reading.

Mr. WATSON—Mr. President, at this time, I desire to say a few words in favor of my resolution, and to present a few facts to His Honor the Mayor and this body. When the so-called salary reduction act was started, every department of the city received from the Mayor a request to reduce salaries 5 and 7½ p.c. respectively. It was his intention to cut all departments and raise thereby upwards of \$200,000, but the police department did not accede to His Honor's request, and, later, acting upon the request of this body, he

instructed the Fire Commissioner to restore the firemen's salaries to their former figure. The fact that these two departments are exempt means about \$145,000 loss for the "reduction fund," leaving the amount which will be raised through the reduction less than \$55,000, but these two departments are not the only departments that are exempt; there are also the Music department, Street Commissioners, Clerk of the Common Council, Hospital department, Library department, Cambridge Bridges, Rapid Transit Commission, Electrical Construction and Repair Divisions of the Public Building department. These departments have been exempted by the Mayor, as well as many individuals who are employed in departments which have been cut, but who, owing to the fact that they are employed as mechanics, have been exempted by His Honor from the reduction. I will state that the exemption of these departments and individuals is responsible for the fact that the amount to be raised by this reduction will be less than \$55,000.

Now, I submit to all the members of this body and to His Honor the Mayor, if it is fair to reduce the salary of the help in the Auditor's office and not to reduce the salary of those employed in the Street Commissioner's office? I, for one, will say it is not justice.

Is it not an injustice to reduce the pay of those who keep the Hall in order, and not reduce the pay of those who are employed at the Public Library? Again, I say it is wrong. Why should those employed in the Water Department have their salaries reduced, and why should those employed by the Music Commission continue to receive their old salary? There is no reason. This is a country of equity and justice, but I must say that there is very little equity and justice in the Mayor's reduction scheme. Why should a sub-foreman, employed in the Street Department, be cut, and a mechanic who may receive the same pay, be exempt? Now, Mr. President, is the city so poor that it must have the small amount to be raised by this reduction plan, an amount which is, as I say, less than \$55,000? If so, I am in favor of shutting up shop.

At the present time, I am of the opinion that His Honor is aware that a grave injustice is being done to those few who are now being cut; therefore, I think His Honor should at once restore the salaries of all employees to the old rate. In conclusion, let me say that I feel sure that some member will arise and claim that somebody, other than myself, wrote this speech; but let me say that I prepared it myself without the assistance of any other person except the typewriter. (Laughter.)

The PRESIDENT—The Chair will ask the Council to be in order.

Mr. WATSON—Trusting that His Honor the Mayor will see that the old rate of salary is restored, I thank the members for their attention, and hope that the resolution will pass.

Mr. BAGLEY of Wd. 1—Mr. President, I feel heartily in favor of Mr. Watson's resolution, and I am sorry to see that the Mayor took no notice of the order which I introduced some weeks ago. Of course, I did not really expect that he would. But, in regard to Mr. Simpson's order, I would like to say that those men work on the ferries seven days a week, for perhaps fifteen dollars a week, and they are under bonds of either one thousand or fifteen hundred dollars. It hardly seems fair that those men should have to stand the brunt of this reduction. The men working in City Hall who receive high salaries, should be cut fifty per cent. They would not leave their jobs. The jobs would still be good for them, and they would be good for the positions, too. I think that the only men who really have lost by this reduction have been the men who get from \$2.50 to \$3 a day, and these are the men

that really need the money more than anybody else. The firemen have had their pay restored, and the police have never been cut.

Mr. WATSON—Mr. President, I move that when the vote is taken on this question, it be taken by the yeas and nays.

The resolution was read a second time, and was passed, yeas 62:

Yeas—Armistead, Atwood, Badaracco, Bagley, Battis, Bordman, Bradley, Brauer, Brennan, Broderick, Carroll, Chamberlain, Collins, Connolly, Cuddy, Curley, Doherty, Donahoe, Donovan, Doyle, Fenton, Flynn, Giblin, Harvey, Hibbard, Hickey, Horrigan, Johnson, Jordan, Kasanof, Kelley, Kiley, Klemm, Leftovith, Linehan, Logan, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Mildram, Mulcahy, Nangle, Newhall, Peck, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sullivan, Tobin, Turnbull, Walker, Watson, Wells, Winsloe—62.

Nays—0.

Absent or not voting—Bennett, Casey, Eddy, Emery, Gibbons, Howard, Leonard, Lorey, Miller, Moore, O'Brien, Sweeney, Wood—13.

Mr. WATSON moved to reconsider; lost. Sent up.

CONDITION OF BRIGHTON SCHOOLS.

Mr. SANDERSON of Wd. 25 offered an order—That the Board of Health, through His Honor the Mayor, be requested to investigate the sanitary condition of the Brighton High School and William Wirt Warren School, and report as soon as possible to this Council their findings with any recommendations they may have to make, together with an estimate of the cost of carrying out such recommendations.

Referred to His Honor the Mayor.

A QUESTION OF PRIVILEGE.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I rise to a question of personal privilege.

The PRESIDENT—The gentleman will state his question of privilege.

Mr. CHAMBERLAIN—My question of personal privilege is, Mr. President, to reply to a wanton and malicious misrepresentation of facts and personal criticism on myself which appeared in the editorial columns of a certain newspaper published in Boston, known as the Boston Post.

The PRESIDENT—The gentleman will proceed.

Mr. CHAMBERLAIN—On Saturday morning, February 24, with the caption "The General Eagan of the Common Council,"

That editorial states that the question of reduction of salaries never came before the Board of Estimate and Apportionment, but that the cut in wages and salaries was made by the Mayor alone and further states that my assertion to the contrary was a gross misstatement and had no basis in fact.

In reply I desire to say that as the Board of Estimate and Apportionment had the absolute disposition of the \$14,000,000 to be divided among the various departments, such a disposition of the funds as to necessitate a reduction in the salaries places the responsibility on its shoulders, and the assertion of the editorial to the contrary is too patent and deliberate a misstatement to call for any words of denunciation from me.

In an editorial which appeared in this same paper on or about Feb. 1, it is stated in so many words that one of the alternatives which might have been chosen to prevent a reduction of salaries, was to drop out a number of appropriations which appeared in the budget, if they could not be afforded without a consequent reduction of salaries in regular established departments.

The Board of Estimate and Apportionment could have done this and only the Board of Estimate and Apportionment, and had the Board followed the recommendations of the Post itself—recommendations which I embodied in an amendment to the Appropriation Bill at the last meeting, this reduction would have been unnecessary. Beyond this the Board was informed either before the Appropriation Bill was made or before the signatures were attached to this bill, that it was made up on a basis of a 7½ p. c. reduction in all salaries, with certain limited exceptions. And I ask our president, as a member of said Board to confirm the truth of my statement.

It is, however, true that the mere ordering of a reduction in salaries belongs to the Mayor, and as executive, he carried out his duties as impelled by the disposition of the city funds, made by the Board of Estimate and Apportionment, of which he is a member, and therefore agreed. The four members of the Board who voted for that iniquitous bill are responsible for the reduction in salaries—one no more than the other, in law.

If the Boston Post thinks truth offensive, perhaps the publication of this fact might increase its circulation, and if it were a tax-payer and knew the chief executive as well as I do officially, it might well excuse what under other circumstances would appear too vehement and intemperate language; and also let me add that I should prefer to be found guilty of using such language in repelling a false and malicious charge than to be publicly convicted of producing embalmed beef editorials for public consumption.

Mr. HICKEY of Wd. 2—Mr. President, may I have the unanimous consent of the Council to ask the gentleman who has just taken his seat whether or not he has a copy of that editorial? I read the editorial and would myself be pleased to stand by it at this time.

The PRESIDENT—The Chair will be obliged to state, unless the gentleman rises to a point of order,—

Mr. HICKEY—Mr. President, I ask unanimous consent to be permitted to reply to the question of personal privilege to which the gentleman from Wd. 12 has just spoken.

The PRESIDENT—The Chair will state that there is no reply to a question of personal privilege.

SEWER, DORCHESTER AVENUE.

Mr. HIBBARD of Wd. 24 offered an order—That the Street Commissioners, through His Honor the Mayor, be requested to order a sewer constructed between St. Gregory's church and Brook St., on Dorchester Ave., Wd. 24.

Referred to His Honor the Mayor.

GRANITE WALL—DORCHESTER PARK

Mr. HIBBARD of Wd. 24 offered an order—That the Board of Park Commissioners, through His Honor the Mayor, be requested to construct a granite facing wall along the front of Dorchester Park, on Dorchester Ave., Wd. 24.

Referred to His Honor the Mayor.

BELVIDERE ST. CONSTRUCTION.

Mr. MANSFIELD of Wd. 10, for Mr. Moore of Wd. 10, offered an order—That the Superintendent of Streets report to this body, through His Honor the Mayor, the reason of the delay of the construction of Belvidere St., city proper, Wd. 10, as laid out by the Board of Street Commissioners, September 1, 1897, and August 1, 1898.

Mr. MANSFIELD of Wd. 10—Mr. President, in relation to Mr. Moore's order, I wish to state that in 1897, through the efforts of Senator Innes and Representative

Quirk, there was a bill introduced for the extension of Belvidere St., and that was approved by the Street Commissioners. After that was approved, it was learned that the property belonged to the Boston & Albany Railroad, and could not be taken the same as private property. In 1898, a special bill was introduced into the Legislature whereby this property could be taken. The money was appropriated for the extension of this street, and the residents of Wd. 10 would like to know why the matter has been laid upon the shelf?

The order was referred to His Honor the Mayor.

DISPLAY OF FLAGS, EVACUATION DAY.

Mr. GIBLIN of Wd. 15 offered an order—That His Honor the Mayor be requested to take the requisite action to cause all flags, belonging to the city of Boston, or under the control of the various departments, to be displayed upon the public grounds, school-houses, Fire Department houses, police station houses, and other public buildings of this city on Evacuation Day, Friday, March 17, 1899.

Referred to His Honor the Mayor.

MOTION TO ADJOURN.

Mr. WELLS of Wd. 16—Mr. President, I move to adjourn.

The PRESIDENT—The Chair will rule the motion out of order, as the gentleman was not in his seat.

WIDENING OF HYDE PARK AVE.

Mr. BRODERICK of Wd. 23 offered an order—That the Board of Street Commissioners be requested to report to the Common Council an estimate of the cost of widening Hyde Park Ave. to a width of eighty feet, from Forest Hills Sq. to the Hyde Park line, Wd. 23.

Referred to His Honor the Mayor.

EXTENSION OF GERARD ST.

Mr. CONNOLLY of Wd. 17 offered an order—That the Board of Street Commissioners be requested to report to the Common Council an estimate of the cost of extending Gerard St., Wd. 17, from George St. to the junction of Hampden and Dudley Sts.

Referred to His Honor the Mayor.

NEW SCHOOL, WARD 17.

Mr. CONNOLLY of Wd. 17 offered an order—That the School Committee be hereby requested, through His Honor the Mayor, to consider the advisability of selecting a site and erecting thereon a new primary school house in the vicinity of Thorndike and Reed Sts., Wd. 17.

Referred to His Honor the Mayor.

IMPROVEMENT OF SUBWAY ENTRANCE.

Mr. ARMISTEAD of Wd. 11 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to report to the Common Council an estimate of the cost of asphaltting or otherwise improving the paths in the Public Garden adjoining the entrance to the subway, for the convenience of persons waiting for cars; and that the said superintendent also report whether his present appropriation will allow his making this improvement.

Referred to His Honor the Mayor.

REPAIR OF WILTON STREET.

Mr. ROLLAND of Wd. 25 offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to make necessary repairs on Wilton St., Wd. 25.

Referred to His Honor the Mayor.

BULLETIN OF ADVERTISEMENTS.

Mr. LINEHAN of Wd. 13 offered an order—That His Honor the Mayor be requested to cause a bulletin-board to be located in City Hall, upon which shall be posted advertisements for proposals for all contracts to be made with the city of Boston.

Referred to His Honor the Mayor.

INVESTIGATION OF REPAIR DIVISION.

Mr. LINEHAN of Wd. 13 offered an order—That the President and two other members of the Common Council be a special committee to examine the books of the Repair Division of the Public Buildings Department, and to report to this body on the condition of said division as to its ability to perform the duties for which it was established.

Passed. Later in the session the President appointed Messrs. Linehan, Kiley and Stevens on said committee.

EXTENSION OF COVE STREET.

Mr. LINEHAN of Wd. 13, offered an order—That His Honor the Mayor and the Corporation Counsel be requested to appear before the Legislature or any committee thereof and advocate the bill for the extension of Cove Street, being House Bill No. 533.

The question came on giving the order a second reading.

Mr. LINEHAN of Wd. 13—Mr. President, so that there may be no mistake in regard to the bill referred to, I have pinned a copy of it to the back of the order. I would like to say a word in reference to the thoroughfares that lead to and from South Boston today. The thoroughfare named Broadway Extension seems to have twice as many people passing over it morning and night as either Dover Street or Dorchester Avenue extension. This bridge is in a dilapidated condition. On many occasions in the summer time teams have been known to sink through the planking, through the timbers of the bridge. The planks and timbers are rotten, the bridge is rotten, and it would not surprise me to have an accident occur there any day. It will be a matter of only a few months when the city will be compelled to close the bridge, and the people of South Boston will then be obliged to go around to the South or West to get to their destination, which they could otherwise reach directly by going North. As the Mayor has been responsible for the placing of the railroad terminal in that section, I say that he is responsible therefore for the inconvenience arising to the people of South Boston; and the least he might do would be to go to the State House and advocate the passage of that bill. If he has the interest and welfare of the people of South Boston at heart, Mr. President, he will do that.

The order was read a second time and passed. Sent up.

GAS LAMP, CUSHMAN AVE.

Mr. LEFTOVITH of Wd. 8 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate a gas lamp in Cushman Ave. in such a manner as to light it properly.

Referred to His Honor the Mayor.

PAVING OF RUGGLES STREET.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to cause Ruggles St. to be paved from the tracks of the New York, New Haven & Hartford R.R. to Parker St.

Referred to His Honor the Mayor.

SIDEWALK OF PARKER STREET.

Mr. McINERNEY offered an order—That

the Superintendent of Streets, through His Honor the Mayor, be requested to cause the sidewalk on the easterly side of Parker St. to be paved from No. 466 on said street to Ruggles St.

Referred to His Honor the Mayor.

INVESTIGATION REGARDING SUSPENDED SEWER EMPLOYEES.

Mr. McINERNEY of Wd. 19 offered an order—That a committee of five be appointed to wait on His Honor the Mayor to find out why the suspended members of the sewer department are not reinstated when there is one million dollars appropriated for such work.

The question came on giving the order a second reading.

Mr. McINERNEY of Wd. 19—Mr. President, my reasons for offering that order are that a great many of the men in the sewer department are not conversant with the laws governing the Board of Estimate and Apportionment, and labor under the impression that the Common Council is the cause of their not being reinstated. One of the members of the Common Council from my ward has gone so far as to go through the district from which we come and try to make the men of the sewer department believe that my vote has been cast in opposition to them. I want to set myself right in this matter before the public. He has gone to them and told them that the Hon. Martin M. Lomasney of Wd. 8 controlled my vote in the Common Council. I want to tell this body and the public that he does not control my vote, nor anybody else. My vote has been expressed in this body at all times as my conscience directed. My reason for voting against the appropriation of one million dollars coming from the Board of Estimate and Apportionment, amending it so that the amount would be \$500,000, was in order that the present administration would not have sufficient money to let the construction of sewers to contractors. I know of several cases right here in the city of Boston where sewers were built by certain contractors who hire none other than cheap alien labor. I say it is not right for the city of Boston to have those contractors employing such people while members of the sewer department are at present walking the streets. I know of cases where the men in the sewer department can get no credit from the stores. We all know that, when they are employed they get but \$12 a week, not enough to properly maintain themselves and their families. They have now been out of employment for some time,

and it is no more than right that they should be reinstated at once.

The order was read a second time and passed.

Later in the session the President appointed, under the above order, the following committee:—

Messrs. McInerney, Connolly, Donovan, Atwood and Battis.

Mr. CONNOLLY of Wd. 17—Mr. President, I desire to resign from that committee.

The PRESIDENT—The Chair will announce the appointment of Councilman Flynn instead of Councilman Connolly.

RATE OF PAY FOR LABORERS.

Mr. McINERNEY offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to grant permits for work on the streets only to such persons as shall agree to pay their employees for work on said streets two dollars per day of nine hours; such employees to be citizens of the United States and residents of Boston.

The rule was suspended on motion of Mr. McInerney, and the order was passed. Sent up.

MACADAMIZING OF FRANCIS ST.

Mr. DOYLE of Wd. 19 offered an order—That the Superintendent of Street, through His Honor the Mayor, be requested to cause Francis St., Wd. 19, to be macadamized.

Referred to His Honor the Mayor.

SCHOOL BUILDING ON LEON ST.

Mr. DOYLE offered an order—That the School Committee, through His Honor the Mayor, be requested to take such steps as may be necessary for the erection of a building for kindergarten and primary school purposes on the site of the present school building on Leon St., Wd. 19.

Referred to His Honor the Mayor.

CONDITION OF SOUTH BOSTON BRIDGES.

Mr. COLLINS of Wd. 13 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to report to the City Council at its next meeting the condition of the bridges connecting South Boston with the city proper.

Referred to His Honor the Mayor.
Adjourned at 9:25 o'clock, P.M., on motion of Mr. Lydon of Wd. 13, to meet on Thursday, March 9, at 7:45 o'clock, P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, March 6, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding, and all the members present.

The Board voted, on motion of Ald. Berwin, to dispense with the reading of the records of the last meeting.

JURORS DRAWN.

Jurors were drawn in accordance with the provisions of Chap. 514 of the Acts of 1894, viz:—

Seven grand jurors, United States District Court, March Term, viz:—

John F. White, Wd. 18; Robert H. Swan, Wd. 24; Samuel W. Kirkland, Wd. 10; John Fink, Wd. 22; Joseph G. Jones, Wd. 20; Michael P. Sullivan, Wd. 15; John J. Archdeacon, Wd. 7.

Nine petit jurors, United States District Court, March Term, viz:—

Francis J. Rowan, Wd. 6; Albert J. Taylor, Wd. 15; Abner Gaskill, Wd. 23; Frank F. Dean, Wd. 22; John J. Sullivan, Wd. 12; Patrick J. Treiner, Wd. 12; Arthur C. Wiggins, Wd. 17; Edward Muldowney, Wd. 9; Simeon Chadwick, Wd. 18.

APPOINTMENTS BY THE MAYOR.

The Mayor submitted the following appointments subject to confirmation by the Board of Aldermen, viz:—

(1) William H. Kenney, to be a Constable of the City of Boston for the term ending April 30th, 1899, in place of Jeremiah S. Sullivan, resigned.

(2) Frank B. Cotton, to be a constable of the city of Boston, in connection with his duties at the municipal court, Charlestown District, for the term ending April 30th, 1899.

(3) Martin Gilbert, to be a Weigher of Coal for the term ending April 30, 1899.

(4) Henry H. Sprague, to be a Trustee of the Boston City Hospital for the term of five years, beginning with the first day of May, 1899.

Severally laid over, under the law.

LOAN ESTIMATES.

The following was received:—

Mayor's Office, City Hall,
Boston, March 6, 1899.

To the City Council:—

I transmit herewith for your information a copy of the loan estimates received from the heads of the several departments, which were before the Board of Estimate and Apportionment for its consideration. I suggest that these estimates be printed as a city document, for the information of the City Council and of the public.

Respectfully,

Josiah Quincy, Mayor.

(Annexed were the estimates referred to.)
Ordered printed and sent down.

HEARINGS AT 3 O'CLOCK.

1. On petition of the New England Telephone and Telegraph Company of Massachusetts for leave to erect poles in Ather-ton St., between Amory and Copley Sts., Wd. 22.

No objections. Recommended to the Committee on Electric Wires.

2. On petition of the American Sugar Refining Company to be allowed to use and operate with cars and engines the

tracks on West First and Granite Sts., South Boston, a location for which tracks was granted to the Standard Sugar Refinery in 1882.

No objection. Recommended to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named, when appointed, viz:

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz:—

Samuel Barnett, two barber signs, at 1270 Washington st., Wd. 9.

Michael Basile, four barber poles, at 118 Chelsea st., Wd. 2.

Quong Shong, a sign, at 1063 Washington st., Wd. 9.

David Lipsky, a sign, at 1 Perry st., Wd. 9.

James A. Gay, two signs, at 1063 Washington st., Wd. 9.

James G. Abbott, Jr., a flag sign, at 277 Washington st., Wd. 6.

Dr. Charles E. Hale, to project an illuminated sign, at 174 Hanover st., Wd. 6.

Claims.

Natick Five Cents Savings Bank, for payment of balance remaining from tax sale of estate on Don St.

Thomas F. Glennon et al., for payment to Thomas P. Phillips of balance remaining from tax sale of estate on Ward St.

Franklin Typographical Society, to be paid for damages and expenses incurred on account of the shutting off of water at 119-121 Chandler St.

Electric Wires.

Brookline Gas Light Company, for leave to erect two poles on Fairbanks St., Wd. 25.

Licenses.

Samuel J. Ellis, for renewal of license to run four passenger barges on Sundays and holidays, between Maverick Sq., and Chelsea.

A. L. Griffin, Manager, for a permit for "Baby Gussie," under 15 years of age, to appear at the Bowdoin Sq. Theatre for the week ending March 11, 1899.

Mrs. William S. Butler, for a license and permit for Alice King and 102 others under 15 years of age to appear at a May Festival in Boston Music Hall Saturday afternoon and evening, May 6, 1899.

W. H. J. Stone, for a license for musical, literary, dramatic and dancing entertainments at Fairview Hall, Washington St., Roslindale, for the season ending August 1, 1899.

Public Improvements.

J. Frank Willey, for leave to erect a post surmounted by an illuminated sign, in sidewalk at 761 Washington St., Wd. 7.

I. Mandelstein, for leave to box a tree at 126 Sumner St., E. B.

John Soley & Sons, for leave to move a wooden building from corner of Birch and Brandon Sts., across Birch St., Wd. 23.

Boston & Albany R. R. Co., for temporary tracks across South St.

Petitions for sidewalks, viz:—

Jos. Green, 34-38 Lancaster St., Wd. 8.

Marie E. Sundberg, Allston St., Wd. 20.

James F. Haddock, Washington St., near Roslind St., Wd. 24.

Melville A. Wescott, 2491-2497 Washington St., Wd. 18.

Mrs. Caroline Ehrhart, 728 East Second St., Wd. 14.

SARATOGA STREET TRACK LOCATION.

A petition was received from the West End Street Railway Company for a location for tracks on Saratoga St., East Boston.

Referred to the Committee on Railroads.
Ald. DAY—Mr. Chairman, that is a very

important matter to the people of East Boston. We have already a petition in here from the Winthrop and Revere Street Railway Company, and now the West End comes in with its petition. We feel over there that we would prefer to have the West End, because then we can ride for one fare. If the other road obtains the right, it will cost two fares. There is a great deal of traveling between East Boston and Winthrop, and we ask that we have a hearing on this matter before there is any decision arrived at between the two rival railways. I will offer this order, Mr. Chairman.

Ald. DAY offered the following:—

Ordered: That the Committee on Railroads be requested to give a hearing to parties interested, especially East Boston citizens, on the petitions of the Winthrop and Revere Street Railway Company and the West End Street Railway Company, each for a location for tracks on Saratoga St., from Orient Heights to the Town of Winthrop.

The rule was suspended and the order was read a second time and passed.

LEAVE GRANTED ON PETITIONS.

The Chairman presented the petition of J. Rosen, for leave to project an illuminated sign at 42 Pleasant St., Wd. 7.

The rules were suspended and leave was granted on the usual conditions.

Ald. DOYLE presented the petition of A. Bloomberg, for a sign at 99 Hampden St., Wd. 17.

The rules were suspended, on motion of Ald. Doyle, and leave was granted on the usual conditions.

PAPERS FROM COMMON COUNCIL.

3. Message of the Mayor transmitting a classified statement of the number, designation and salary of officers and employees of the different departments prior to February 1, 1899, not including mechanics and laborers. (Doc. 62.)

Placed on file.

4. Ordered, That the Superintendent of Streets, through His Honor the Mayor, be requested to grant permits for work on the streets only to such persons as shall agree to pay their employees for work on said streets two dollars per day of nine hours; such employees to be citizens of the United States and residents of Boston.

Passed in concurrence.

5. An ordinance to amend chapter 3 of the Revised Ordinances of 1898.

Be it ordained, etc.—

Chapter 3 of the Revised Ordinances of 1898 is hereby amended in Section 12 by striking out the words "of the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "and, if male subordinates, legal voters of Boston, in any capacity."

Referred to the Committee on Public Improvements, on motion of Ald. Codman.

6. Ordered, That His Honor the Mayor and the Corporation Counsel be requested to appear before the Legislature, or any committee thereof, and advocate the bill for the extension of Cove St., being House Bill No. 533.

Passed in concurrence.

7. Whereas, In issuing his order for a general reduction of wages and salaries of municipal employees, his Honor the Mayor expected to accomplish a saving of upwards of \$200,000 per annum; and

Whereas, Such a timely saving has not been obtained, owing to the unexpected exemption of certain departments for reasons familiar to the members of the City Council; and

Whereas, The total estimated saving, under the Mayor's order as now enforced, does not exceed \$55,000; therefore, be it

Resolved, That the City Council of Boston, without regard to party affiliations and as a measure of fair play, places it-

self on record in favor of re-establishing the old rates of wages and salaries for all municipal employees in all departments in which those rates are not now paid.

The question came on the passage of the resolution in concurrence.

Ald. BRICK—Mr. Chairman, I move that that be sent to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, for what purpose, may I ask the honorable alderman?

Ald. BRICK—For the purpose, perhaps, of consideration.

Ald. BERWIN—There is nothing, really, to discuss in this matter, in my humble opinion. The resolve, I believe, speaks for itself. There can be no objection to this honorable board concurring with the Common Council in the adoption of the resolution, and I believe every member of the Board ought to be in favor of it if he is not. The whole amount involved, Mr. Chairman, is but \$55,000, if the figures we have before us are correct, and I am satisfied that, with economy in other branches of the service, it is within the power of the Chief Magistrate of this city to provide the sum of \$55,000 with which to pay the laboring men. I have not risen here this afternoon to make any capital of my interest in the laboring people, but I simply believe this is a fair proposition, one that should be considered in open Board, and if any of the gentlemen are opposed to it let them record themselves in opposition. There is no good reason why this should go to the Committee on Public Improvements, because if it goes there the chances are that it will possibly slumber.

The motion to refer was declared lost. Ald. Brick doubted the vote and called for the yeas and nays.

The vote stood, yeas 11, nays 11, Ald. Brick voting yes.

Before the result was announced Ald. Brick said: Mr. Chairman, I would like to change my vote from "yes" to "no," in order to make the vote unanimous.

Ald. Brick's vote was changed to "No," and the motion to refer to the Committee on Public Improvements was rejected, yeas 0, nays 12.

The resolution was passed in concurrence.

8. The loan order of the Board of Estimate and Apportionment appropriating \$15,000 to the Public Buildings Department, Electrical Construction Division, for additional working capital, comes up indorsed "In Common Council, March 2, 1898, adhered to former action."

The question was put on receding from former action and concurring with the Common Council, which was declared carried.

Ald. CODMAN doubted the vote and asked for the yeas and nays, which were taken, and the Board refused to recede from former action and concur with the Common Council, yeas 5, nays 7.

Yeas—Ald. Adams, Codman, Colby, Dixon, Presho—5.

Nays—Ald. Barry, Berwin, Brick, Day, Doyle, McDonald, O'Toole—7.

The Board adhered to former action. Sent down.

9. The joint rules and orders which were recommended for acceptance by the minority of the committee on Joint Rules and Orders and which were accepted by this Board, February 27, come up with an indorsement that the Common Council, on March 2, non-concurred and adhered to its former action in the adoption of the joint rules and orders recommended by the majority of the committee.

The question came on concurring with the Common Council in the adoption of the joint rules and orders recommended by the majority of the Committee.

Ald. PRESHO—Mr. Chairman, as a member of the Committee on Rules, I would like to say just a few words in explana-

tion of my attitude on this question. I at first thought this question was of comparatively little moment, but I believe—and I desire at this time to state my position—that we should accord the same courtesy to others that we expect ourselves. We have made the number of members on joint standing committees of this board five. This is my sixth year of service in this board. During the first three years of service we had but three members on those committees. The number last year was increased to four, on account of the body being divided equally politically, and this year the number is increased one more. I myself did not think there was much use in doing that, but I did not care to say much about it, as I realize that the majority of the board asked for it. Now, the Common Council has no standing committees and asks to have the size of the joint committees increased; and I don't see how, if we have increased our own committees, we can deny them the privilege of increasing theirs—especially when they have no standing committees of their own.

The motion to recede from former action and concur with the Common Council was declared lost.

Ald. Codman doubted the vote and asked for the yeas and nays. The Board voted to recede and to concur with the Common Council in the adoption of the joint rules and orders recommended by the majority of the Committee—Yeas 7, nays 5.

Yeas—Ald. Adams, Berwin, Codman, Dixon, McDonald, O'Toole, Presho—7.

Nays—Ald. Barry, Brick, Colby, Day, Doyle—5.

Ald. Berwin moved to reconsider; lost.

LAND ON ELM STREET.

The following was received:—

City of Boston, In School Committee.

November 22, 1898.

Ordered—That the order passed by this board October 27, 1896, that the Board of Street Commissioners be requested to take by purchase or otherwise, for school purposes, a parcel of land on the Southeast side of Elm Street, bounded and described as follows, viz: Northwest by Elm St., there measuring 94.62 feet; northeast by Lincoln Pl., 116.30; southeast by land now or late of Sarah J. White, land of Elias Abbott, and land of other owners, 89.28; and southeast by Howard Pl., 114.25 feet; containing about 10,600 square feet, be, and the same hereby is rescinded, and that the lands on Elm St., Charlestown, which have been acquired for said purpose, be surrendered to the city Council as not being required for school use.

Passed.

Approved by the Mayor March 1, 1899.

A true copy: Thornton D. Apollonio, secretary. Sent down.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions,—

Bernard J. Devine, for leave to project bay window from building 66-68-70 A St., Wd. 13.

David Rubinovz, for leave to project a bay window from building on easterly corner of Huntington Ave., and Heath St., Wd. 19—orders of notice were passed for hearings thereon Monday, March 20, at 3 P. M., to consider the expediency of granting the prayers of the petitioners, when any person objecting thereto may appear and be heard.

LOAN ORDER.

Ald. Berwin called up No. 10, special assignments, viz:—

10. Message of the Mayor transmitting a loan order of \$700,000 for various municipal purposes, passed by the Board of Estimate and Apportionment. (Doc. 63.)

Passed in concurrence with the Board of Estimate and Apportionment. Sent down.

JURY LIST.

The Board proceeded to take up No. 11, special assignment, viz:—

11. Action on the list of persons liable to serve as jurors submitted by the Board of Election Commissioners. (Doc. 54.)

Approved by the Board with the exception of such names as have been drawn since the list has been printed.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 14 newsboys.

Reports accepted; licenses granted on the usual conditions.

(2) Report on the petition of Samuel J. Ellis (referred today), for renewal of license to run four passenger barges on Sundays and holidays between Maverick Sq. and Chelsea—that a license be granted.

Report accepted; license granted on the usual conditions.

(3) Report on the petition of W. H. J. Stone (referred today), for a license for musical, literary, dramatic and dancing entertainments at Fairview Hall, Washington St., Roslindale, for the season ending Aug. 1, 1899—that a license be granted.

Report accepted; license granted on the usual conditions.

(4) Report on the petition of A. L. Griffin (referred today), for a permit for "Baby Gussie," a child under 15 years of age, to appear at Bowdoin Square Theatre for week ending March 11, 1899—that a permit be granted.

Report accepted; permit granted on the usual conditions.

(5) Report on the petition of Mrs. William S. Butler (referred today), for a license and permit for Allee King and 102 others, under 15 years of age, to appear in fancy dances at May Festival in Boston Music Hall, Saturday afternoon and evening, May 6, 1899—that a license and permit be granted.

Report accepted; license and permit granted on the usual conditions.

FOOTBRIDGE, EAST BOSTON.

Ald. DAY offered an order—That the Board of Estimate and Apportionment be requested to include in the next loan bill a sum sufficient to build a footbridge across the Boston, Revere Beach and Lynn Railroad tracks at Wordsworth St., Wd. 1.

Referred to the Board of Estimate and Apportionment.

RESTORATION OF WAGES TO EMPLOYEES.

Ald. DAY offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to restore the former rate of wages to the tollmen and gatemen on the East Boston ferries.

Passed.

UPHAM AVE.—ACCEPTANCE AND CONSTRUCTION.

Ald. ADAMS offered an order—That the Board of Street Commissioners be requested to accept and construct Upham Ave. from Hancock St. to Cushing Ave., Wd. 20, under the acts of 1891, chapter 323. Passed. Sent down.

RECESS TAKEN.

The Board voted at 3.40 o'clock P. M., on motion of Ald. Dixon, to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order at 4.40 o'clock, P. M., by the Chairman.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on

Public Improvements, submitted the following:

(1) Report on the petition of the Boston & Albany Railroad Company (referred to-day) for temporary tracks across South St.,—recommending the passage of an order of notice for a hearing thereon Monday, March 27, at 3 P.M., to take into consideration the expediency of granting the prayer of the petitioner, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

(2) Report on the ordinance (referred Feb. 27) establishing the seal of the City Registrar—that the same ought to pass.

Report accepted, said ordinance passed. Sent down.

(3) Report on the Mayor's message (referred February 20) as to the right of the American Sugar Refining Company to use tracks on West First and Granite Sts.—that the same be referred to the Committee on Railroads.

Report accepted, said reference ordered.

(4) Reports, on petitions referred today, recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, owner to furnish material, in front of the following estates:

Marie E. Sundberg, Allston St., Wd. 20, artificial stone, with granite edgestone.

Mrs. Caroline Ehrhart, 723 East Second St., Wd. 14, brick with granite edgestone.

Melville A. Wescott, 2491-2497 Washington St., Wd. 18, brick.

Joseph Green, 34-38 Lancaster St., Wd. 8, artificial stone with granite edgestone.

James F. Haddock, Washington St., near Roslin St., Wd. 24, artificial stone with granite edgestone.

Reports severally accepted, orders severally passed.

(5) Report on the ordinance to amend chapter 3 of the Revised Ordinances of 1896 with reference to officers and boards employing subordinates (referred today) that the same ought to pass.

Report accepted, said ordinance passed in concurrence.

(6) Report on the petition of J. Frank Willey (referred today), for leave to erect a post surmounted by an illuminated sign in sidewalk at 761 Washington St., Wd. 7,—that the petitioner have leave to withdraw.

Report accepted, petitioner given leave to withdraw.

(7) Report on the order (referred February 20), to provide \$2500 for fire escapes on Chapman Schoolhouse, Wd. 1,—that the same be indefinitely postponed.

Report accepted, order indefinitely postponed. Notice sent down.

(8) Reports recommending the passage of an order that the Superintendent of Streets be authorized to issue a permit to move a wooden building, on the terms and conditions expressed in the ordinances of the city relating thereto, as follows:—

John Soley & Sons (petition referred to-day), pitch roof, 23 ft. in length, by 20 ft. in width, by 18 ft. in height, from the corner of Birch and Brandon Sts., across said Birch St. to a lot opposite present location.

Report accepted, order passed.

(9) Report on the petition of Barnes & Duncklee (referred Jan. 30), recommending the passage of the following order:—

Ordered: That the Superintendent of Streets be authorized to issue a permit to Barnes & Duncklee to erect, maintain and use a permanent awning in the sidewalk on the Clarendon St. side of Hotel Brunswick, Wd. 10, as shown on plan on file in the permit office of the Street Department; the work to be completed on or before July 1, 1899, according to the terms and conditions of the ordinances of the city relating thereto.

Report accepted, order passed.

COUNTY ACCOUNTS.

Ald. BRICK, for the Committee on County Accounts, submitted the following:—

(1) Report on the petition of John T.

Hassam and others (referred from last year), that the eleventh volume of Suffolk Deeds be printed—recommending the passage of the accompanying order:—

Ordered: That the Register of Deeds be authorized to have printed, stereotyped, indexed and distributed the eleventh volume of Suffolk Deeds; the expense of same, not exceeding Twenty-Five Hundred Dollars, to be charged to the appropriation for the County of Suffolk.

Report accepted, order passed.

(2) Report on the petition of the Board of Index Commissioners (referred from last year), for an appropriation of six thousand dollars for the annual indices in the Suffolk Registry of Deeds for the current year,—recommending the passage of the accompanying order:—

Ordered: That the Board of Index Commissioners for the County of Suffolk be authorized to expend the sum not exceeding Six Thousand Dollars in the preparation of the annual indices in the Suffolk Registry of Deeds for the current year; said sum to be charged to the appropriation for the County of Suffolk.

Report accepted, order passed.

(3) Report on the petition of the Index Commissioners (referred from last year) for an appropriation for new indices in the office of the Suffolk Registry of Deeds,—recommending the passage of the accompanying order:—

Ordered: That the Board of Index Commissioners for the County of Suffolk be hereby authorized to expend a sum not exceeding Eight Thousand Dollars in the preparation of new consolidated and classified descriptive indices to Suffolk Deeds; said sum to be charged to the appropriation for the County of Suffolk.

Report accepted, order passed.

(4) Report on the petition of the proprietors of the Social Law Library (referred January 9), to be granted the usual sum of One Thousand dollars for the uses of said library,—recommending the passage of the accompanying order:—

Ordered: That there be allowed and paid to the Proprietors of the Social Law Library the sum of One Thousand Dollars for the uses of the library for the present year; said sum to be charged to the appropriation for County of Suffolk.

Report accepted, order passed.

ELECTRIC GONG, WEST PARK STREET.

Ald. CODMAN offered an order—That the New York, New Haven & Hartford Railroad Company be and hereby is requested to place an electric signal gong at the crossing of their location on West Park St., Wd. 20, to avoid possible accidents at said crossing.

Ald. CODMAN—Mr. Chairman, I would like to have that order referred to the Committee on Railroads and ask them to communicate with the company. I think we will get a better result from that action.

The order was referred to the Committee on Railroads.

HOLIDAY FOR STREET DEPT. EMPLOYEES.

Ald. BRICK offered an order—That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow a holiday, without loss of pay, in part compensation for their services, to all employees on the sanitary and street cleaning divisions of the Street Department, on Tuesday, July 18, 1899, to attend the annual picnic of Union 6064, A. P. of L., to be held that day.

Passed. Sent down.

GENERAL RECONSIDERATION.

Ald. BERWIN moved a general reconsideration upon all business transacted at the meeting, excepting matters already reconsidered, hoping that the same would not prevail. Lost.

Adjourned at 4:42 o'clock P.M., on motion of Ald. Day, to meet on Monday, March 13, at 3 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, March 9, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, President Kiley in the chair.

SPEEDWAY, FRANKLIN FIELD.

The following was received:—

Mayor's Office, City Hall, Boston,
March 3, 1899.

To the Common Council:—

I transmit herewith a communication from the Park Commissioners in reference to your order requesting that a speedway be constructed on the South boundary of Franklin Field.

Respectfully,
Josiah Quincy, Mayor.

City of Boston.

Board of Commissioners of the Department of Parks.

Office at Pine Bank, Jamaica Park,
Jamaica Plain, Mass., March 2, 1899.

Hon. Josiah Quincy, Mayor.

Dear Sir:—The Board duly received the vote of the Common Council of February 9th, requesting that a speedway be constructed on the South boundary of Franklin Field, and referred it to our Superintendent, a copy of whose report we herewith send you. Yours respectfully,

Charles E. Stratton, Chairman.

City of Boston.

Park Department.

February 27, 1899.

Charles E. Stratton, Esq., Chairman.

Dear Sir: Regarding the order of the City Council of February 9, asking that a speedway be constructed on the South boundary of Franklin Field, referred by the Mayor to the Park Department for suitable action, I beg to say that there is no space large enough which can be set apart for this purpose. The total length of the proposed line from Blue Hill Avenue to the barn is only 1100 feet. A considerable space would be needed at either end for starting and slowing up, shortening the track down to not more than 750 feet. On this score alone the plan is not feasible, without entering into considerations of danger to users of the playground, and the cost of construction and maintenance, which would be heavy.

Respectfully submitted,

J. A. Pettigrew, Superintendent.

Placed on file.

WALL—DORCHESTER PARK.

The following was received:—

Mayor's Office, City Hall,
Boston, March 7, 1899.

To the Common Council:—

I transmit herewith a communication from the Board of Park Commissioners in relation to your order requesting them to construct a wall along Dorchester Park, on Dorchester Ave.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston.

Board of Commissioners of the Department of Parks.

Office at Pine Bank, Jamaica Park,
Jamaica Plain, Mass., March 6, 1899.

Hon. Josiah Quincy, Mayor:—

Dear Sir: In response to your communication enclosing a vote of the Common Council requesting this Board to construct a wall along Dorchester Park, on Dorchester Ave., I have to report that the Board planned some time ago the building of such wall, and is waiting for funds for its construction. Yours respectfully,

Charles E. Stratton, Chairman.

Placed on file.

BELVIERE ST. CONSTRUCTION.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication from the Superintendent of Streets in reply to your order requesting a statement of the reasons for the delay in the construction of Belvidere St.

Respectfully submitted,

Josiah Quincy, Mayor.

Street Department, City Hall.

Boston, March 9, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—In reply to inquiry contained in inclosed order of the Common Council, I beg to inform you that there has been no delay in the construction of Belvidere St. This street was originally laid out by the Board of Street Commissioners Sept. 1, 1897. Owing to the refusal of the Boston & Albany Railroad Company to allow the taking to be made across their location, it was necessary for the legislature to pass a special act authorizing the Street Commissioners to make this taking; and on Aug. 1, 1898, the street was again laid out, and the order of construction passed. Since then, the sewer has been built and the street filled, and the further construction will be carried on as soon as it is the proper season for such work.

The old portion of the street was put in condition last year as far as the railroad line, and such work as was possible has been done. Respectfully submitted,

Benj. W. Wells, Supt. of Streets.

Placed on file.

READING ROOMS, WDS. 13 AND 19.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication from the Public Library Trustees in reference to your orders requesting the establishment of reading rooms in Wds. 13 and 19.

Respectfully submitted,

Josiah Quincy, Mayor.

The Public Library of the City of Boston,
Copley Sq., January 4, 1899.

Hon. Josiah Quincy, Mayor of Boston.—

Sir: The following orders of the Common Council, dated January 26, 1899, were referred to the Trustees by your direction "for such action as may be deemed proper."

Ordered, That the Trustees of the Public Library, through His Honor the Mayor, be requested to establish a reading room in Wd. 13.

Ordered, That the Trustees of the Public Library be requested and authorized, through His Honor the Mayor, to establish a public reading room in the building formerly the pumping station and now used for ward room purposes on Elmwood St., Roxbury.

I am instructed to convey to you the following vote passed by this Board with reference thereto:—

"Voted, That the Mayor be informed that the appropriation proposed for the maintenance of this department does not admit of the establishment of either of the reading rooms above requested.

"Very respectfully,

"Herbert Putnam,

"Librarian and Clerk of the Corporation."

Placed on file.

ASSIGNMENT OF WAGES.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication from the City Treasurer in reply to your

order requesting certain information in regard to the assignment of salaries.

Respectfully submitted,

Josiah Quincy, Mayor.

Treasury Department, City of Boston,
City Hall, Boston, Feb. 4, 1899.

Hon. Josiah Quincy, Mayor City of Boston.—

Dear Sir: I acknowledge receiving from you a communication accompanying an order of the Common Council requesting the City Treasurer "to inform the Common Council the names of the heads of Departments or divisions whose salaries are assigned at the present time; also the length of such assignment." In reply to this request, I would state that there are no such assignments recorded in this office.

Yours respectfully,

Alfred T. Turner, City Treasurer.

Placed on file.

CARRIAGE REGULATIONS.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication from the Board of Police stating that they will be glad to do what they can to carry out your request that carriages waiting outside of churches during funeral services shall stand in line on the side of the street on which the church is located.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston, Police Department.
Office of the Board of Police.

February 2, 1899.

Honorable Josiah Quincy, Mayor of Boston:—

Dear Sir: The Board of Police is in receipt of the order passed by the Common Council, requesting that they take such action as may be necessary to provide that carriages waiting outside of churches during funeral services shall stand in line on the side of the street on which the church is located.

In reply, I would say that our captains will be notified to instruct their patrolmen to carry out the provisions of the order.

Yours very truly,

Robt. F. Clark, Acting Chairman.

Placed on file.

ENGINE HOUSE—PARKER HILL.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication from the Fire Commissioner in relation to your order requesting that a new engine house be located in the vicinity of Parker Hill, Wd. 19.

Respectfully submitted,

Josiah Quincy, Mayor.

Fire Commissioner, Bristol St.
Boston, Feb. 2, 1899.

His Honor, Josiah Quincy, Mayor.

Sir: Replying to the communication from the Honorable Common Council regarding a new engine house and apparatus in the vicinity of Parker Hill, Wd. 19, I would respectfully report that, in my opinion, with the adjacent apparatus recently strengthened, as now established, this locality is as well protected as several others within the city limits; and until such time as the present policy of the city is changed so as to give the outlying districts the same protection as is afforded to the congested parts, I cannot advise or see the necessity of further outlay in this neighborhood.

Your obedient servant,

H. S. Russell, Commissioner.

Placed on file.

NUMBER OF BUILDING INSPECTORS.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the Common Council:—

I transmit herewith a communication

from the Building Commissioner in reply to your order requesting certain information as to the number of men employed as building inspectors.

Respectfully submitted,

Josiah Quincy, Mayor.

Building Department, Old Court House,
Boston, March 4, 1899.

Hon. Josiah Quincy, Mayor.

Dear Sir:—In answer to the order of the City Council of Feb. 16th, referred by you to this department March 3d, to wit: That the Building Commissioner, through His Honor the Mayor, report to the Common Council on or before March 2d, 1899, the number of men he employs as building inspectors under the authority of Chapter 8, Section 1, of the Revised Ordinances of 1898, and under what or by whose authority more than the legal number are employed, would reply that no more than the legal number are employed, that under the provisions of Chapter 8, of Section 1, of the Revised Ordinances of 1898, there are employed 21 building inspectors.

Under the provisions of Chapter 455, Section 5, of the Acts of 1894, there are employed 11 plumbing inspectors, one of which number is a supervisor of plumbing. Under the provisions of Chapter 265, of the Acts of 1897, there are employed eight inspectors of gas-fitting, one of which is a supervisor. Of the twenty-one building inspectors employed one is supervisor of plans, one is supervisor of egress and has associated with him two inspectors of the egress division, one is supervisor of construction and has associated with him thirteen inspectors of construction, and three inspectors are assigned to elevators and boilers. Very respectfully,

John S. Damrell,

Building Commissioner.

Placed on file.

ICE FOR MUNICIPAL PURPOSES.

The following was received:—

Mayor's Office, City Hall,
Boston, March 9, 1899.

To the City Council:—

I transmit herewith for your information a communication addressed to me by the Water Commissioner, at my request, stating briefly the results thus far of the new policy which has been adopted of having the Water Department cut ice for municipal use from its own reservoirs. This ice was harvested primarily for the purpose of enabling the department to install and conduct a considerable number of summer drinking fountains, in which the water is cooled by passing through a coil of pipe contained in an insulated ice box placed under ground. A few ice water fountains of this type were installed last summer, and the small cost at which they were maintained, with the very large use which was made of them, afforded every encouragement to make a large increase this year in the number of such fountains. While the ice has been harvested primarily for this particular use, under the control of the Water Department, it also affords an interesting opportunity of testing the ability of the city to produce and deliver ice for some other municipal uses at a lower price than it has been paying.

This experiment constitutes another step in the general policy, which I have favored where every opportunity seemed to offer, of having the city provide for the needs of the municipal service as far as possible through the direct employment of labor, instead of through the contract system. Respectfully submitted,

Josiah Quincy, Mayor.

Office of the Water Commissioner.

City Hall, Boston, March 9, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—The Water Department has finished the harvesting of ice from its reservoirs;

The amount of ice cut and stored is over sixteen hundred tons. All the work in connection with the erection of the ice-houses (except some masonry work) and the cutting and storing of the ice, etc., has been done by labor furnished by the department. From a commercial standpoint, if we charge against the ice the cutting and packing and the repairs on ice-houses as well as their original cost,—so that after some years the ice houses will have paid for themselves—the cost per ton would be about ninety-six cents. This estimate is based upon the theory that there will not be much shrinkage in the amount of ice as now stored, and for the purposes for which the department is going to use the ice the shrinkage should be nominal.

The department was at a disadvantage in cutting the ice, inasmuch as the men had no practicable experience in ice-cutting operations, the work was all done without the use of machinery, and we were compelled to do considerable work in the way of removing snow from the ice. I am of the opinion that next year, by using machinery, and through the experience obtained this year, under ordinary weather conditions the ice can be harvested at a figure far below that given above.

Last year, owing to the fact that the ice was used in our cold water fountains, scattered over the city, in a chopped condition, we found it necessary to do our own teaming. The charge to us for ice was \$2.50 a ton in cakes, and 15 cents per basket, nominally of 50 lbs., or \$6 per ton when chopped. As we must do our own teaming we consider the ice as now stored worth approximately \$2.50 per ton.

On the question of the Water Department furnishing ice to the other city departments, which you requested me to report upon, I would say that while we have over sixteen hundred tons stored, and probably will use only twelve hundred tons, leaving a surplus, yet I believe it would be wise for us to hold that surplus in view of any possible shrinkage, or any extraordinary demand upon our water fountains, which would increase the consumption of ice. I am of the opinion, however, that we could deliver ice to the City Hospital at cost for a less sum than they are now paying. It is questionable whether we could deliver it in competition with ice companies to the various isolated departments and buildings belonging to the city. We could experimentally deliver a supply for a few days to the hospital this year, and from this delivery estimate what the cost would be of the ice next year to that institution. The ice which we have in store has been analyzed and found to be of the best quality.

We can cut thirty thousand tons from our reservoirs in a favorable season.

Respectfully yours,

John R. Murphy, Water Commissioner.
Sent up.

ASPHALTING WALKS, PUBLIC GARDEN.

The following was received.

City of Boston,
Public Grounds Department,
March 4, 1899.

Daniel J. Kiley, Esq., President Common Council.

Dear Sir: In reply to your esteemed communication of March 2, in regard to the asphaltting of walks in the Public Garden, I would say that I feel that this work is very much needed and would be a great convenience to the travelling public who daily take the cars at this station. You do not state how much walk you wish me to figure on. If you will let me know at once I will obtain the information you desire and return an answer immediately.

In regard to my assuming the expense

of this work, I wish to say that my present appropriation is not sufficient to carry on the regular work of the department, making it impossible for me to undertake any new work, however necessary. Awaiting your reply, I am

Very sincerely yours,

William Doogue, Superintendent.

Referred to the Committee on Public Grounds Department, when appointed.

PAPERS FROM THE BOARD OF ALDERMEN.

1. Notice of non-concurrence in referring to the Board of Estimate and Apportionment the order requesting said Board to include in the next loan bill \$2500 to provide the Chapman Schoolhouse with suitable means of escape in case of fire.

Mr. SIMPSON of Wd. 1.—Mr. President, as I introduced that order and it went before the Board of Aldermen, I will simply say that in that body our alderman from that district requested that it be assigned for one week. During that week he investigated the wants of the school. I also personally investigated them, and we have made a request not only for fire escapes, but to have the building put in condition throughout. I am willing that this notice be placed on file.

The notice was placed on file.

2. Communication from the School Committee surrendering to the City Council certain land on the southeasterly side of Elm St., Charlestown, the same not being required for school use.

Placed on file.

3. Message of the Mayor transmitting a copy of the loan estimates received from the heads of the several departments which were before the Board of Estimate and Apportionment for its consideration.

Placed on file.

4. Ordered, That the Board of Street Commissioners be requested to accept and construct Upham Ave., from Hancock St. to Cushing Ave., Wd. 20, under the Acts of 1891, chapter 323.

Passed in concurrence.

5. Ordered, That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow a holiday, without loss of pay, in part compensation for their services, to all employees on the Sanitary and Street Cleaning Divisions of the Street Department, on Tuesday, July 18, 1899, to attend the annual picnic of Union 6064, A. F. of L., to be held that day.

Passed in concurrence.

6. An ordinance establishing the seal of the City Registrar.

Be it ordained, etc.:

The official seal of the City Registrar, which the City of Boston shall provide for his use, according to chapter three hundred and eighty-nine of Acts of eighteen hundred and ninety-eight, shall be in form as follows:

On a circular rim the words "Seal of the City Registrar of the City of Boston," surrounding a shield charged with the device of a ring enclosing two lighted torches one erect, the other inverted—all substantially as set forth in the margin.

(In the official copy of said ordinance said seal is substantially set forth in the margin, as above stated.)

The question came on the passage of the ordinance in concurrence.

Mr. LYDON of Wd. 13.—Mr. President, I move that No. 6 be referred to the Committee on Ordinances, when appointed.

Mr. MULCAHY of Wd. 14.—Mr. President, I do not know what the gentleman's reason is for wishing to have this referred to that Committee. It seems to me that the matter is plainly set forth here on the calendar. As it says here it is provided for in chapter 389 of the acts of 1898. Now, Mr. President, this being provided for by statute law, it does not seem to me to be necessary to have it referred to that Committee.

Mr. LYDON—Mr. President, if the Council will allow me, I wish to withdraw my motion. I simply wanted to refer it to the Committee on Ordinances, for the reason that almost all of the ordinances that we send to the board of aldermen are referred to that Committee, or to some other Committee.

There being no objection, the motion was withdrawn.

The ordinance was passed in concurrence. Mr. Logan of Wd. 14, moved to reconsider; lost.

7. Message of the Mayor transmitting the general loan order passed February 27, 1899, by the Board of Estimate and Apportionment, under the provisions of section 3 of chapter 434 of the Acts of 1898.

Said order is for a loan of \$709,000 for various municipal purposes, is set forth in City Document No. 63, and comes down from the Board of Aldermen without alteration.

The message was placed on file, the order was read a second time, and the question came upon its passage in concurrence.

Mr. BORDMAN of Wd. 10—Mr. President, I move that the order be assigned to the next meeting of the Council.

Mr. MULCAHY of Wd. 14—Mr. President, I hope and trust that this matter will not be assigned. I think the subject is perfectly clear. It states specifically here that \$709,000 is contained in this loan order for various municipal purposes, and states the purposes for which it is appropriated. Now, Mr. President, the gentleman who has arisen to make the motion to have this matter assigned has not stated any reason why it should be assigned, and it does not seem to me that he has presented a sufficiently good case for us to vote for assignment of an order of this kind.

Mr. WATSON of Wd. 18—Mr. President, I sincerely hope that assignment will not prevail. I am here this evening for the purpose of voting against that appropriation bill if there is only one vote cast against it. I think that it is high time that the Mayor of Boston did something for the ward that I represent. In that loan bill, there is not one item as badly as the ward needs it, for Wd. 18, and I trust that assignment will not prevail, and that when the vote is taken this order will be defeated.

Mr. STEVENS of Wd. 11—Mr. President and members of the Council, I sincerely hope that this order will be assigned for one week. This is a very important matter—a matter of voting away \$709,000. I have spent some time in consultation with some members of the Board of Estimate and Apportionment, looking over certain items in this loan bill, and I want to spend more time. I think it would be well for us to spend a good deal of time in considering this matter. It is the most important thing that will come before us in this financial year. I think the best thing we can do is to assign it for a week.

Mr. HICKBY of Wd. 2—Mr. President, whether or not any words of mine will be effectual regarding the assignment of this order, I simply wish to go on record as being opposed to its assignment. I am strongly in favor of the consideration of this bill at the present time. Speaking as a representative of East Boston in this body, I can say that I don't believe the people over there desire this delay. This bill contains improvements for my ward and improvements, I believe, for a majority of the wards of the city, improvements which are greatly needed and which should be attended to at once. I believe this Council will be only doing its plain duty in attending to this bill tonight. I hope it will not be assigned.

Mr. MILLER of Wd. 20—Mr. President, I see no reason why we should not assign this for one week. I don't think it is right to ask us to come here and vote for a bill involving \$709,000 tonight,

without any opportunity for further investigation. There are a great many things in this bill that I will not vote for. I will not put myself on record as willing to come here tonight and vote for this bill without looking into it at all. If the gentleman in the first division (Mr. Hickey), wishes to vote for \$709,000 without having the order assigned, and if that question comes to a vote tonight, he can do so; but I wish to investigate the subject further. I hope the bill will be assigned to the next meeting, and I am going to put myself on record as against acting on it tonight.

Mr. ARMISTEAD of Wd. 11—Mr. President, I hope the matter will be assigned to the next meeting of the Council. I see no reason why it should not be assigned. I fail to see where any serious injury can be done through an assignment of this matter for one week. If I were placed in a position like my friend in the third division from East Boston (Mr. Hickey), and was fortunate enough to have been remembered in this loan bill, as far as my ward is concerned, as he has doubtless been remembered, I would be willing to allow the passage of the order now. But, in view of the fact that I have not been recognized, and also in view of the fact that this is a matter which I believe we ought to consider thoroughly before we vote for it, an order involving \$709,000, I trust that it will be assigned.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I cannot understand the undue haste with which some members wish to pass this order tonight. The appropriation bill was buried in the Committee on Public Improvements of the Board of Aldermen for three weeks. This bill was assigned in the Board of Aldermen for one week. It seems to me in a matter which involves the expenditure of \$709,000, the least we can do is to assign it for one week, which will give the members of the Council a chance to look into the matter. I venture to state that not half the members of the body have yet seen this loan bill.

Mr. WATSON of Wd. 18—Mr. President, the reason why I desire to have this bill defeated is because it gives me the blues. (Laughter.) I want to say that I think we have all had sufficient time to consider the bill. I have, and I think every other member of this body has. We all know whether or not we have received anything for our districts—there is no question about that at all. I think we ought to pass the bill or defeat it tonight. My mind is made up.

Mr. BORDMAN of Wd. 10—Mr. President, I would like to ask the Chair for information, whether under rule 19 of the Common Council Rules this bill must not be assigned for one meeting, that rule reading as follows:—

Rule 19. No ordinance, and no order or resolution imposing penalties, or authorizing a loan or the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

The PRESIDENT—The Chair has put the question to the Council, the question being on the passage of the order in concurrence with the Board of Estimate and Apportionment. Upon that question the Chair will rule that the order is now on its passage and not upon its second reading. The question comes on assignment.

Mr. DONAHOE of Wd. 14—Mr. President, it doesn't make a particle of difference to me whether this is assigned or not. Wd. 14, which I have the honor to represent in part, does not receive a dollar of this loan bill. Therefore, in justice to my constituents, I feel it my duty to vote against this bill, whether at this meeting or a subsequent meeting.

Mr. Cuddy of Wd. 8 moved the previous question.

The question came on ordering the main question.

Mr. MULCAHY of Wd. 14—Mr. President, I hope and trust that the main question will not be ordered. It seems to me that the gentleman in the fourth division (Mr. Cuddy), is always on hand with the previous question. I trust that the main question will not be ordered at some time. Here is a loan bill for \$709,000, an itemized amount upon it, to be spent among the various wards of Boston, and the gentlemen of this body don't seem to allow it time enough to be debated, even, although some of them are represented, or their wards are represented, in this bill. Now, for my own part, my ward, Wd. 14, is not represented; but, still, I do not believe in choking off any ward that is represented. If we don't get what we want in this bill we may get it in another. In relation to the remark made by my friend in the fourth division, from Wd. 11, (Mr. Stevens), when he states that we have not had time enough on this matter, I will have to speak as my friend from Wd. 18, (Mr. Watson), has just spoken, that we have had plenty and ample time to consider the matter since February 27th, I believe. I hope the members of this body will vote on this question—that those who are interested in the bill will vote for the passage of it tonight.

Mr. BORDMAN of Wd. 10—Mr. President, I hope the previous question will not be ordered, as the effect of that will be to cut off the assignment. I think myself that it is dangerous for this Council to set the example of railroading through important financial measures on the night of their first reading, the night when they are first considered by the Common Council. I think it a very dangerous precedent for us to set, and I don't think there is a member of the body who is acquainted with the contents of this loan bill. I trust that the main question will not be ordered.

The main question was not ordered.

The motion to assign the order to the next meeting was declared lost. Mr. Stevens of Wd. 11 doubted the vote and asked for the yeas and nays, which were ordered, and the motion was lost, yeas 28, nays 40.

Yeas—Armistead, Bordman, Brauer, Casey, Chamberlain, Donahoe, Donovan, Eddy, Emery, Giblin, Hibbard, Jordan, Kelley, Klemm, Linehan, Logan, Lorey, MacDonald, Mansfield, Moore, Peck, Roemer, Rolland, Stevens, Stockton, Sullivan, Walker, Winsloe—28.

Nays—Atwood, Badaracco, Bagley, Battis, Bennett, Bradley, Brennan, Carroll, Collins, Connolly, Cuddy, Doherty, Doyle, Flynn, Gibbons, Hickey, Horrigan, Johnson, Kasanof, Kiley, Leftovith, Leonard, Lydon, Madden, Martin, McInerney, Mildram, Miller, Mulcahy, Nangle, Newhall, O'Brien, Rice, Simpson, Stone, Sweeney, Tobin, Turnbull, Watson, Wood—40.

Absent or not voting—Broderick, Curley, Fenton, Harvey, Howard, Sanderson, Wells—7.

The question came on the passage of the order in concurrence, and it was declared passed. Mr. Chamberlain of Wd. 12 doubted the vote and asked for a verification by yeas and nays, which were ordered, and the order was passed in concurrence—Yeas 47, nays 19.

Yeas—Atwood, Badaracco, Bagley, Battis, Bennett, Bradley, Brauer, Brennan, Collins, Connolly, Cuddy, Doherty, Donovan, Doyle, Gibbons, Giblin, Hibbard, Hickey, Horrigan, Johnson, Kasanof, Kelley, Kiley, Leftovith, Leonard, Linehan, Logan, Lydon, Madden, Mansfield, Martin, McInerney, Mildram, Mulcahy, Nangle, Newhall, O'Brien, Rice, Simpson, Stone, Sullivan, Sweeney, Tobin, Turnbull, Walker, Wells, Wood—47.

Nays—Armistead, Bordman, Chamberlain, Donahoe, Eddy, Emery, Flynn, Jordan, Klemm, Lorey, MacDonald, Miller, Moore, Peck, Rolland, Stevens, Stockton, Watson, Winsloe—19.

Absent or not voting—Broderick, Carroll,

Casey, Curley, Fenton, Harvey, Howard, Roemer, Sanderson—9.

Mr. Mulcahy moved to reconsider; lost.

INTEREST ON TAXES.

The Council proceeded to take up No. 8, reconsideration, and on motion of Mr. Hickey of Wd. 2, voted to dispense with the reading of the same, viz:—

3. Ordered, That all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the State tax of the year 1899, or of any other taxes or assessments payable to the Commonwealth, be due and payable on the first day of October, 1899; that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid at the rate of six per cent. per annum up to the first day of January, 1900, and at the rate of seven per cent. per annum after and including said first day of January, except that taxes assessed upon shares of stock of national banks shall bear interest at the rate of twelve per cent. per annum from and including said first day of November, until paid; and that all interest which shall have become due on taxes shall be added to and be a part of such taxes.

The reading of the order was dispensed with, on motion of Mr. Hickey, and the question came on the motion (Notice of which was filed by Mr. Cuddy) to reconsider the vote of March 2, whereby the above order was denied a second reading.

Mr. MILLER of Wd. 20—Mr. President, I wish to say just a word before we vote upon this question. I opposed this at the last meeting, and I shall certainly oppose it tonight—not from any political standpoint or any party standpoint whatever, but from a mere business consideration and a belief that it is unjust for the city of Boston to charge on its tax bills 7 and 12 per cent. against any person who is unfortunate enough not to be able to pay his taxes at the end of 30 or 60 days from the time when they are levied. There have been a great many cases in the real estate line during the last few years where men have not been able to get an income sufficient, on the present valuation to be even able to meet their taxes.

Circumstances have been such that a great many poor men have had to go over for several months without paying their taxes, and for the City of Boston to set an example of charging seven per cent. interest after thirty days would, it seems to me, be very detrimental to the people of the community at large, and especially to those who are unable to meet these bills. This extra money is not coming out of the pockets of any of the millionaires, who always pay their taxes the minute they are due, so as to save the six per cent. interest. The City of Boston is hiring money for 3½ per cent., and any good commercial house can borrow money for four per cent. I do not say but that this order may have been all right at one time, but circumstances are very different now from what they were a few years ago. Money a few years ago was worth six and seven per cent., but you can hire all the money you want today at four per cent. on good security, and certainly a tax bill is the best security you can give. I would be only too glad to vote in favor of this question any time when it is sent here with the rate stated at six per cent., although that is really more than it should be.

Mr. HICKEY of Wd. 2—Mr. President, I desire to say just a few words in favor of the passage of this order. This order came to us with the appropriation bill, and although the appropriation bill has long since been passed, this order has been permitted to drag along on the calendar. It is before us now for recon-

sideration, and I hope, Mr. President, that reconsideration will prevail, and that the order will be permitted to go on its passage tonight. This order, Mr. President, was drawn by the Corporation Counsel, and is, I believe, a financial necessity. It came to us with the appropriation bill, and the only question that should arise in opposition to all, as I understand it from the gentleman in the fourth division, is the amount of interest to be charged. I do not look upon six per cent. interest as an unjust charge, or twelve per cent. upon the shares of stock of national banks, as provided for in this order. If the national banks do not pay their taxes within the time specified in this order, a rate of twelve per cent. on their stock does not seem to me to be excessive or unjust. I hope this order will be passed tonight.

The PRESIDENT—The Chair desires to make a statement in regard to No. 12 upon the calendar. He has received a communication from the financial department of the city, stating that unless some such order as this is passed, it will be impossible to collect the taxes due the city. They state that a penalty must be imposed upon taxpayers, and that unless that is done great delay and great inconvenience will be caused the financial department in the collection of taxes.

The question came on reconsideration of the vote whereby the order was denied a second reading, and reconsideration was declared carried. Mr. Watson doubted the vote and asked for a rising vote which was taken, and the motion to reconsider was carried, 30 members voting in the affirmative, 18 in the negative.

The question came upon the passage of the order in concurrence.

Mr. WATSON of Wd. 18—Mr. President, I move to amend the bill by striking out "seven" and inserting "six," so that it will please the gentleman from Wd. 2.

The PRESIDENT—The Chair desires to ask the gentleman to reduce his amendment to writing.

Mr. MULCAHY—Mr. President—

The PRESIDENT—The Chair has asked the gentleman from Wd. 18 to reduce his amendment to writing, and while that is being done no debate is in order.

Mr. MULCAHY—Mr. President, I rise for information.

The PRESIDENT—The Chair will ask the gentleman what information he desires?

Mr. MULCAHY—Mr. President, I desire to know, through the Chair, whether or not it is not the fact that the statutes provide for such an order as this, and whether or not the amendment offered by the gentleman from Wd. 18 is in order.

The PRESIDENT—The Chair desires to state that Public Statutes, chapter 11, section 67, provide that city councils of cities and selectmen of towns shall impose penalties upon those who have not paid their taxes before certain dates. It is for city councils, town committees or boards of selectmen to impose the rates of interest to be so charged, and that is optional with the City Council. The Chair desires to state, however, that the Collector of Taxes, as well as the City Auditor, have stated that unless a penalty of this kind is imposed it will be three, four or five years before taxes are paid.

Mr. Watson reduced the amendment above referred to to writing.

Mr. WATSON—Mr. President, I offer this amendment at this time for the purpose of benefiting the taxpayers of Boston. I think in charging the enormous interest of 7 and 12 per cent., we are offering an inducement to banks and monied people of Boston to raise the rates of interest. Times are mighty hard in the good old town of Boston, Mr. President, and I for one, feel that if we charge 7 and 12 per cent. interest on unpaid taxes, we will be robbing the poor people—and they are the people who are not able to pay their taxes

when they are due. For that reason, I certainly trust that my amendment will prevail.

Mr. STEVENS of Wd. 11—Mr. President, I would be very glad to see 6 per cent. inserted in each case; but I think there is a little misunderstanding in regard to this matter, if I am informed correctly, and I think I am,—the fact being that, so far as the city of Boston and all the surrounding cities are concerned, the taxes levied on bank stock held by the different individuals is paid by the banks. So, in all probability, there is very little in the way of taxes on national bank stock that there would be any penalty attached to by reason of non-payment. I would, however, be very glad to see the word "six" inserted instead of "seven," or "twelve."

Mr. HICKEY of Wd. 2—Mr. President, I hope the amendment will not be adopted. It is not in line, as some of the members may have thought from the remarks of the gentleman from Wd. 18 (Mr. Watson) a few moments ago—with my remarks on the floor on this question. To insert "six per cent" in the tenth line in place of "twelve per cent" would be to impose no penalty at all for the non-payment of taxes on this bank stock when they should be paid. In October, 1899, this money is due the city. If it is not paid by November, 1899, it goes on interest at six per cent, as I understand it, until January, 1900, and after January, 1900, giving a very liberal allowance, to my mind, this order provides for payment of interest at the rate of seven per cent. So far as twelve per cent interest on bank stock being excessive is concerned, I wish to say that I don't consider it so. If the banks do not pay the tax in October or November and want to hold it until January, 1900, before they do pay, I hope they will be charged 12 per cent. So far as the argument which has been brought in regard to the poor people being unable to pay their taxes and therefore suffering from the provisions of this bill are concerned, if any member of this body represents a purely laboring constituency it is myself, and in speaking for the order I am not speaking against their interests. I don't think the charges provided for here are excessive, and I am not willing to vote for the amendment as offered.

By direction of the President, the order was read for information of the Council.

The question came on the amendment offered by the gentleman from Wd. 18.

Mr. STEVENS of Wd. 11—Mr. President, the gentleman from Wd. 2 (Mr. Hickey) refers to the tax on national bank stock at 12 per cent., saying that it is not excessive, and that capitalists should be expected to pay it if they do not pay their tax within a certain time. That is all very nice, if he has not seen, in connection with the last bank consolidation and agitation, that a very large part of the national bank stock is owned by the savings banks, and, of course, the savings banks are controlled by the poor people, so it is in the interest of these poor people to have that rate of interest reduced. Eighty-nine per cent. of the stock of one bank liquidated a short time ago was held by a savings bank, and that is the case to a very large extent with all the national bank stock of the City of Boston. Therefore this excessive rate of interest would not come out of the banks, but the stockholders, and as practically ninety per cent. of the national bank stock is held by the savings banks, it is in the interest of the poor people, and not the capitalists, to have the interest reduced.

Mr. WATSON—Mr. President, I believe there is some misunderstanding in the mind of the gentleman from Wd. 2 (Mr. Hickey). He speaks about six per cent. on bank stock. If the order was read in that way, it is in an error, for I certainly did not intend my amendment to cover that. I only intended to have the amend-

ment apply to one place, where it reads seven per cent. Now, as regards representing a laboring constituency, I want to inform the gentleman that all the laborers do not live in Wd. 2 (laughter). I have a few out my way—they are loafing today, some of them men who have been employed in the sewer department (laughter). I feel that in these hard times six per cent. interest is sufficient for the City of Boston. I want to ask the member from Wd. 2 if he cannot borrow all the money he wants, with good security, at 5 per cent. today? If that is the case, why isn't six per cent. sufficient for the City of Boston as interest on taxes. I therefore hope my amendment will prevail, in the interest of poor people.

Mr. MILLER of Wd. 20—Mr. President, in order to give everybody a chance to look into this matter thoroughly, so that all may understand in regard to the collection of money by the city and so forth, I move the assignment of this matter for one week.

Mr. MULCAHY of Wd. 14—Mr. President, I rise to a point of order. The gentleman in the fourth division (Mr. Miller), having spoken before, and I not having spoken, it would seem to be my privilege to be given the floor at this time.

The PRESIDENT—The Chair will rule the point of order not well taken.

Mr. MULCAHY—Mr. President, I rise for information.

The PRESIDENT—The gentleman will state his question of information.

Mr. MULCAHY—Mr. President, under the rules of the Council is it not proper or is it not the rule—certainly it is as I understand it—that a gentleman shall not speak more than once on a question if any other gentleman who has not spoken desires the floor?

The PRESIDENT—The Chair will state that the gentleman from Wd. 20 (Mr. Miller) has made a motion, and the Chair desires to put it. The gentleman from Wd. 14 (Mr. Mulcahy) will then have an opportunity to speak on the motion. Mr. Miller moves the further assignment of the order with the amendment to the next meeting of the Council. The question is on assignment.

The order, with the proposed amendment, was assigned to the next meeting of the Council.

CREMATION OF PAUPERS' BODIES.

The Council proceeded to take up No. 9, assignment, viz.:

9. Resolved, That in the opinion of the Common Council, the cremation of paupers' bodies, as proposed by the Cemetery Trustees, is unadvisable.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, with the consent of the gentleman from Wd. 18, (Mr. Watson), I move the indefinite postponement of No. 9 on the calendar.

The resolve was indefinitely postponed. Mr. Chamberlain moved to reconsider, lost.

CONTRACTS BY STREET DEPARTMENT.

The Council proceeded to take up No. 10, assignment, viz.:

10. Message of the Mayor transmitting a list of certain contracts entered into by the city through the Street Department. (City Doc. 66).

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I move you, sir, that No. 10 be laid on the table for four weeks.

The PRESIDENT—The Chair will ask the gentleman from Wd. 12 to renew his motion.

Mr. Chamberlain renewed his motion.

Mr. MULCAHY of Wd. 14—Mr. President, that is rather a peculiar motion. I should judge, from the gentleman from Wd. 12 (Mr. Chamberlain), it seems that this has been here now for a couple of

weeks, and he wants it assigned for four weeks more. Document No. 66 is a list of certain contracts entered into by the city in connection with the Street Department. It specifically states here, as it is drawn up, each and every individual contract. Now, I don't know what the gentleman from Wd. 12 wants more than this, and I hope and trust that his motion to assign will not prevail, unless the gentleman can offer some reason why it should.

Mr. CHAMBERLAIN—Mr. President, in reply to the gentleman from Wd. 14 (Mr. Mulcahy), I would state that this is the first time that this appears upon the calendar. The message came from the Mayor at the last meeting, and I moved that it be printed and assigned to this meeting. The message from the Mayor transmitting the list of contracts was in answer to an order I introduced on January 26th last. It has taken the Street Department since that time to answer my request, and as the list contains about seventy odd contracts, I wish to look some of them over. I have asked, for that reason, for four weeks' time, because I happen to be busy a good share of the time, and I don't find time to spend three or four days consecutively on matters of this kind. It will be an accommodation to me, who introduced the order, and a matter of personal courtesy, to have it assigned as I have suggested.

Mr. McINERNEY of Wd. 19—Mr. President, I move to amend, that it be assigned for one week.

The PRESIDENT—The Chair will state that the question first comes on the longest time.

The matter was declared assigned for four weeks. Mr. Mulcahy doubted the vote and asked for a rising vote, which was taken, and the matter was assigned for four weeks, 45 members voting in the affirmative, 11 in the negative.

Mr. Chamberlain moved to reconsider; lost.

CONFIRMATION OF OFFICERS.

The Council proceeded to take up No. 11 assignment, viz.:

11. Message of the Mayor relative to the confirmation of certain officers. (City Doc. 67.)

The question came on placing the message on file.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I move you, sir, that No. 11 be assigned to the next meeting of the Council.

Mr. HICKEY of Wd. 2—Mr. President, I wish to say a few words, although I am not particular whether or not the order is assigned. It is one of the many bluff orders which the gentleman from Wd. 12 (Mr. Chamberlain) has presented to this Council this year. It was presented to us on February 26, and Mr. Chamberlain spoke at great length upon it at that time, taking up a full column of the Record. He attacked the Mayor almost in a personal manner. It has often been said that the Mayor had a representative on this floor. As a democrat, Mr. President, I can say I am sorry that he has no representatives here who are a little better informed, in connection with some of the republican orders which are presented. In the order which the gentleman presented to this Council on February 26, he said that the Mayor, in violation of plain law contained in said section, and referring to certain sections of the ordinances, has submitted names without their being confirmed.

At the last meeting of the Council the Mayor called the gentleman from Wd. 12, very much to his surprise, and he was not able at that time to respond. He moved an assignment of the matter to this meeting.

It is here on the calendar tonight, and if the gentleman from Wd. 12, who so eloquently read that speech a week or two ago, is able to get on his feet tonight and

defend his own order, if he is able to get up here and show good reasons why he introduced such an order, intimating that the Mayor has violated the plain law in certain circumstances, which the Mayor denies, then I, for one, should be pleased to hear from him. I want to say, while on my feet, that I consider it very unfair to have so many orders presented in this Council reflecting on His Honor, which are not backed up by facts or arguments; and I would like to hear tonight from the gentleman from Wd. 12, having him tell this Council who the men are who have been appointed without confirmation by the Board of Aldermen, who were subject to the law as contained in the ordinances? There is a distinct question in this matter between the Mayor and the gentleman from Wd. 12.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I ask the permission of the Council to withdraw my motion for assignment and to speak on the main question.

The PRESIDENT—If there is no objection, the Chair will consider the motion withdrawn. The question is, shall the communication be placed on file.

Mr. CHAMBERLAIN—Mr. President, on January 26th last I offered an order, which was referred to the Mayor, which called for a list of the officers contained in Chapter 2, Sections 1 and 2 of the Revised Ordinances of 1898, whose names have not been submitted to or confirmed by the Board of Aldermen in accordance with the specific provisions contained in said section. The Mayor's answer, before us tonight, states that he knows of no officer, subject by law to such confirmation, who has not been confirmed by the Board of Aldermen. I am not a lawyer, but claim an understanding of the English language and with no disrespect to the Mayor, I claim that he has given an evasive answer to my question. It is true that under Chapter 229, Acts of 1881, Chapter 166, Acts of 1885 and Chapter 418, Acts of 1890, the officers subject to confirmation by the Board of Aldermen are allowed to legally perform their duties until their successors are appointed,—public necessity and delay in confirmation making this a reasonable enactment,—so that technically all officers who have been appointed and confirmed once under the shelter of this provision can perform the duties of their office legally until their successors are appointed,—no matter how far removed an appointment of a successor may be. And it should be noted that all these Acts were passed prior to the extension of the term of the Mayor to 2 years. I did not, nor do I maintain that the officers mentioned in Chapter 2, Sections 1 and 2 of the Revised Ordinances of 1898 are performing their duties illegally, but as those same sections explicitly provide that the Mayor shall appoint the several officers subject to confirmation by the Board of Aldermen every year, it is a distinct, open and intentional violation of the ordinances for such appointments not to have been made and confirmation obtained yearly. As I stated at the introduction of my order the larger number of such officers have not been confirmed for several years. Whether the ordinances are right or wrong, is not a question for the Mayor to decide, when they have once been enacted, and his violation, although it has no punishment, proves a disregard for law, in our Chief Executive, which if acted on as a general example by the citizens of Boston would bring appalling results, that is, unless it should happen that a law-breaking Mayor makes law-abiding people. The Mayor's reason for not submitting the names of the various officers for confirmation is too obvious to mention, but were we to have a breach of law without punishment and an evasive culprit, I suppose it was useless for me to have moved in the matter at all. Mr. President, while I am on my feet, in order that there may be in the future no

possible misunderstanding between a gentleman of this body and myself, I wish to state that, notwithstanding the abuse, the misstatements and the nastiness of the gentleman from Wd. 2, in my rear—

Mr. HICKEY of Wd. 2—Mr. President, I rise to a point of order.

The PRESIDENT—The gentleman will please state his point of order.

Mr. HICKEY—Mr. President, my point of order is that the gentleman who has taken the floor to debate upon this question is now wandering from that question and debating upon the personality of the gentleman from Wd. 2.

The PRESIDENT—The Chair will rule the point of order not well taken. (Laughter)—and will ask the Council to be in order. Mr. Chamberlain of Wd. 12 has the floor.

Mr. CHAMBERLAIN—Mr. President, notwithstanding that gentleman, the pain-bearer of the administration's minority on this floor, although he repeatedly states that he never has seen the Mayor, notwithstanding the gentleman from Wd. 19 who was so disgusted a few weeks ago—presumably on account of the actions of his own party leaders here upon this floor—notwithstanding the howls, growls, jeers, and inaccuracies of the tooth-pick orator from Wd. 14, on my left (laughter), and notwithstanding—

Mr. HICKEY—Mr. President—

Mr. TOBIN of Wd. 9—Mr. President—The PRESIDENT—The Chair will ask the Council to be in order.

Mr. TOBIN—Mr. President, I rise to a point of order.

The PRESIDENT—The gentleman will please state his point of order.

Mr. TOBIN—That the gentleman is not speaking to the question, but is attacking the members of this body.

The PRESIDENT—The Chair will rule the point of order not well taken. (Laughter.)

Mr. CHAMBERLAIN—And, finally, notwithstanding the antics of the song and dance artist of Wd. 9, who sits in front of me, (laughter), I shall still continue—

The PRESIDENT—The Chair will ask the Council to kindly preserve order. Mr. Chamberlain of Wd. 12 has the floor.

Mr. CHAMBERLAIN—(Continuing)—I shall still continue on those lines which I think will best serve my constituents and the best interests of this city. It is from the actions of such men as these that the Common Council has received its worst—think will best serve my constituency, and which, I think, will serve the best interests of this city. It is from the actions of such men as these that the Common Council has received its worst—

Mr. HICKEY—Mr. President, I rise to a point of order. My point of order, and I think it must be apparent to every member of the Council, is that the gentleman is not speaking at all to the question. While I have no regard at all for anything which he may say, I hope that he will be confined to the question.

The PRESIDENT—The gentleman will state his point of order, and no more.

Mr. HICKEY—My point of order has already been stated, but if you do not understand it, I will state it again.

The PRESIDENT—The Chair will rule the point of order not well taken. Mr. Chamberlain of Wd. 12 has the floor. (Slight applause in the gallery.)

Mr. CHAMBERLAIN—It is from the actions of such men as these that the Council has received its worst wounds. It is by the action of such men as these that the Mayor of Boston wishes the voters of this city to judge the whole body and to destroy it.

Mr. HICKEY—Mr. President, I rise to a point of order.

The PRESIDENT—The gentleman will please state his point of order.

Mr. HICKEY—Mr. President, my point of order is that the gentleman is not talking to the question on the calendar.

It seems to me that the Chair should be somewhat fair in this matter. The gentleman is not talking upon the question at all.

The PRESIDENT—The Chair will state that he believes the gentleman's remarks are perfectly proper in response to those made by the gentleman from Wd. 2, and that the point of order is not well taken. (Applause in the gallery.) The Chair will further state that any further demonstration in the gallery will cause the gallery to be cleared. Mr. Chamberlain of Wd. 12 has the floor.

Mr. CHAMBERLAIN—When common decency and courtesy shall again reign in this body we all will be glad to belong to it. I pray that that time may soon arrive.

The question came on placing the communication on file.

Mr. MULCAHY of Wd. 14—Mr. President, after listening to the orator from Wd. 12, the monopolizing leader of this body, it was not my intention to rise here and attack him personally, but to speak on the paper that was presented to us here in No. 10 on the calendar. I am sorry, Mr. President, that the presiding officer of this body is not a little more liberal with other members, the same as he is with the leader on my right—

The PRESIDENT—The Chair will declare the remarks of the gentleman from Wd. 14 as not germane to the question, and the Chair will rule that no disrespectful designations of the Chair will be tolerated. The question is, "Shall the communication be placed on file?"

Mr. MULCAHY—The Chair will also remember the fact that other members of the body on this floor do not desire to have any member attack them personally, and to have the gentleman, such as the leader from Wd. 11, allowed to wander from any question in order to attack them. Now, Mr. President, in reference to the question that is before us on the calendar, I trust that we will pass it this evening. It seems to me that the Mayor of Boston has responded very well to the gentleman's order from Wd. 11, when he states in his message:—

"I have to state that I know of no such officer, subject by law to such confirmation, who has not been confirmed by the Board of Aldermen, and if the introducer of the order can point out any such officers who have not been so confirmed, I will take immediate steps to see that they are no longer allowed to act."

It would seem to me, that after His Honor the Mayor responding in such a manner as that, it would be the duty of the gentleman from Wd. 11 to present the names of any man that he may know of.

But I know as a fact, as my friend from Wd. 2 has stated, that it is only another one of his bluff orders.

Mr. ARMISTEAD of Wd. 11—Mr. President, I merely desire to reply to the remarks of the Benedict Arnold from Wd. 14 (laughter).

The PRESIDENT—The Council will please preserve order.

Mr. ARMISTEAD—In his speech, he referred particularly to the leader from Wd. 11—said that the leader from Wd. 11 had said this and the other. I merely wish to inform the gentleman that he has the councilman from Wd. 11 and the councilman from Wd. 12 mixed up. (Laughter.) I am sure that there is a vast difference between the two (laughter), and that it is not necessary to put on spectacles in order to find it out. (Laughter.) I merely arose at this time to set my friend right on this question, and not with any intention whatever to speak upon it, as I have no particular interest in the matter one way or the other.

Mr. WATSON of Wd. 13—Mr. President, in view of the fact that no blows have

been struck and that nobody has been hurt, I move the previous question.

The main question was ordered and the communication was placed on file.

LIST OF EMPLOYMENT AGENCIES.

Mr. WATSON of Wd. 18 offered an order—That the Board of Trustees of Pauper Institutions be requested, through His Honor the Mayor, to report to the Common Council the names of employment agencies with which they deal in securing help for their departments and the payments made to such agencies.

Mr. WATSON—Mr. President, my purpose in offering this order is that I have heard certain statements which led me to go down to the City Auditor's office to see the bills of the Pauper Institutions Department, I found there a bill, among others, reading nearly as follows:—

"Ray's Employment Bureau,
188 Boylston St.

Reliable Protestant Help Furnished.

To supplying Martha Staples and 11
others \$9.00"

That bill was approved by Mr. Sedgwick. Now, I want to ask the trustees of the Pauper Institutions, if it is necessary for them, in order to get help, to go to an employment agency? If they feel that way, I respectfully ask them to come out my way some day, and I will take charge of them and will guarantee that within a radius of fifty yards I will supply them with all the good men and women that they need—people paying taxes, too, Mr. President. I don't know how many other bills may come in for supplying help to the City of Boston, but it is something entirely wrong. I submit that I think the Civil Service Commissioners should take some step in this matter. There are plenty of people in my ward who are willing to work for the salaries which they pay on Long Island. I think it is entirely wrong, and that it should be condemned by His Honor the Mayor. It is not the matter of employing these particular persons, or a little matter of the expenditure of \$9, that I object to. It is the principle of the thing. There are too many people idle for the pauper institutions trustees to apply to any employment agency—and a sectarian one at that, Mr. President. I trust that they will give us an answer, and that in a hurry.

Mr. LINEHAN of Wd. 13—Mr. President, I have been investigating this matter for about a month or five weeks, and it was what I found out from that investigation that caused me to submit the ordinance which I put in at the last meeting. I know as well as Mr. Watson does the condition of affairs that has been prevailing in that department. It is a most outrageous thing. Time and again, when they want help, they do not apply to the civil service commissioners, and they don't look around the city for it, but they go up into the country and hire them to go down there, and bring them here and pile them up on the backs of the taxpayers. It is all wrong, and it is about time that the common council went on record as in favor of something that is decent, something that is manly, and something that would be in the interest of the taxpayers. I hope that the order will be passed.

Mr. WATSON—Mr. President, I know I have monopolized a great deal of the time of the Council this evening, but I want it understood that I am sincere in this matter—absolutely. If I had the power to abolish the unpaid commissions which have been established by the Mayor of Boston, by the aid of the Legislature, I would do it in a minute, I would be willing to sacrifice my whole political future, without a moment's hesitation, in order to do that. They are a disgrace to the city.

of Boston. It is an old saying that the employee is worthy of his hire. He is either worth something or nothing; and I am satisfied that the pauper institutions trustees are worth absolutely nothing.

The order was passed.

NEXT MEETING.

Mr. BORDMAN of Wd. 10 offered an order—That when this Council adjourns, it be to meet on Thursday, March 23, 1899, at 7:45 o'clock, P.M.

Passed. Mr. Bordman moved to reconsider; lost.

REPAIR OF CHAPMAN SCHOOL.

Mr. SIMPSON of Wd. 1 offered an order—That the School Committee, through His Honor the Mayor, be requested to give a public hearing to the citizens of East Boston in regard to the necessity of repairs and alterations in the Chapman School-house.

Passed. Sent up.

AMBULANCE, STATION 9.

Mr. WINSLOE of Wd. 21 offered an order—That a special committee of three members of this Council be appointed by the Chair to wait upon the Police Commissioners to find out whether it is possible or not to furnish the district known as Station Nine with an ambulance, this being a very large district, and without an ambulance of its own, and in case of accidents, has to depend on other districts, which causes considerable delay, and possibly sometimes the loss of life.

Passed.

SAVING BY SALARY REDUCTION.

Mr. DONAHOE of Wd. 14 offered an order—That His Honor the Mayor be requested to submit to the Common Council a detailed statement showing how the sum of two hundred thousand dollars might be saved to the City of Boston by a reduction of seven and one-half per cent in the amounts paid to officers and employees in salaries and wages.

Referred to His Honor the Mayor.

FOURTH OF JULY CELEBRATION.

Mr. O'BRIEN of Wd. 6 offered an order—That the President and one member of the Common Council from each ward, with such as the Board of Aldermen may join, be appointed a committee to prepare and report a plan for the celebration of the Fourth of July.

Passed. Sent up.

LABOR DAY CELEBRATION.

Mr. O'BRIEN of Wd. 6 offered an order—That eight members of the Common Council, with such as the Board of Aldermen may join, be appointed a committee to prepare and report a programme for the celebration of Labor's holiday.

Passed. Sent up.

SANITARY CONDITION, COMINS SCHOOL.

Mr. NANGLE of Wd. 19 offered an order—That the School Committee, through His Honor the Mayor, be requested to make the necessary improvements in the sanitary arrangements of the Comins School, Wd. 19.

Mr. NANGLE—Mr. President, I wish to say in connection with that order, that on the boys side of the Comins school there is an ordinary vault, and no sewer connections whatever. That vault has been there for 30 years. It is the same vault that was in the yard when I went to school there. There are two great objections to it. On the Parker St. side there is a church. The vault is located directly in the rear of this church. In connection

with the church there is also a private school, and I am told by the minister of the church, and also by the teachers of this school, that in hot weather the stench that comes from the vault is something stifling. I am also told that the place has been condemned for about two years. There used also to be one on the girls' side, but that was removed some three years ago and placed in the basement of the school. Adjoining this place on the girls' side of the school there is also a room that could be used for the boys. Now, the second objection is that this vault is 100 yards away from the school house, and in the winter time the boys have to go out of a hot room to the vault, and on a cold day they are liable to get cold. Mr. President, I ask for a suspension of the rules, that the order may go upon its passage.

The order was passed. Sent up.

WOODEN ADDITION, POPLAR ST.

Mr. BRAUER of Wd. 23 offered an order—That the Building Commissioner be authorized to issue a permit to Wm. H. J. Stone to build, outside the building limits, a wooden addition to building on Poplar St., cor. Corinth St., Wd. 23, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for store and storage purposes, main building occupied for same purposes.

Passed, under a suspension of the rules. Mr. Brauer moved to reconsider; lost. Sent up.

PAVING OF B STREET.

Mr. LINEHAN of Wd. 13 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the paving of B St., from Summer-Street extension to First St., South Boston.

Referred to the Board of Estimate and Apportionment. Sent up.

INSTITUTIONS AT RAINSFORD ISLAND.

Mr. LINEHAN of Wd. 13 offered an order—That five members of the Common Council with such as the Board of Aldermen may join be a committee to examine and report as to the condition of the city institutions on Rainsford Island.

Mr. LINEHAN—Mr. President, I would like to state that a few weeks ago I put in an order here requesting the board of trustees of children's institutions to submit to us a little information in regard to how the institutions are run. Not receiving it, I made it my business to go down and look around myself. We arrived there one morning before anybody was up, and what we saw there made such an impression upon us that we would not like to see it again in a public institution. That institution is a relic of barbarism, a relic of old times, the rottenest institution in America, an institution that the City of Boston should be ashamed of—an institution that an unpaid board, squandering thousands of the people's money, should be ashamed of. There are 170 inmates there—small boys, ranging from 10 to 15 years of age. There is an employee there for every four boys—doing nothing; loafing around; making shoes that are not fit to wear, and that are lying around in the ash barrels. They cannot dispose of them. The boys cannot wear them. But they are there. They are drawing their salaries, and that is all they want. It is an institution similar to the pauper institution, but the pauper institution is a paradise compared to it. I hope that this committee will go down there, and that they will bring

in a report that is unbiased—a report that will tell to this Council and to the people of Boston the condition of affairs at Rainsford Island.

Mr. WATSON—Mr. President, I would like to ask who were the other members who went down with the gentleman from Wd. 11.

Mr. LINEHAN—Mr. President, will the gentleman repeat his question?

Mr. WATSON—Mr. President, I would like to ask the gentleman another question, seeing he cannot answer that one (laughter)—

Mr. LINEHAN—Mr. President, I would like to hear the question.

Mr. WATSON—Mr. President, I believe I have the floor.

The PRESIDENT—Mr. Watson of Wd. 18 has the floor.

Mr. WATSON—I have the floor; yes, sir. (Laughter) Mr. President, I would like to ask the gentleman a serious question, although I have a smile on my face. I would like to ask him if it is a fact that they have "solitary" cells on Rainsford Island, and that they keep boys in them for three and four days, making them live on bread and water?

Mr. LINEHAN—Mr. President, I would like to answer that question, and I will say that down on the island they are crowding the boys into small rooms, and that they are cutting up the dormitories that the boys had a perfect right to sleep in—cutting them up for the benefit of the officers, and using good money to do it with. It is also true that they have dark cells in the basement, where they confine boys 13 and 14 years old. It is also a fact that they have a habit, if a boy is not doing just as they think he should do, to have him tied to his bed at night. Many of the boys sleep up in the attic, some of them tied to their beds. Probably 50 or 60 boys sleep there, altogether, in that building without fire escapes—beds made out of straw; no possible chance of the boys escaping in case of fire. It is true that there is a hose there. We said to the superintendent: "How is that, all right?" "Perfectly useless." "Why, how is that?" "Why," said he, "that is 10 feet above the source of the water." (Laughter).

Mr. WATSON—Mr. President, I desire to thank the gentleman for that second speech. (Laughter).

The order was read a second time, and was passed.

ELEVATOR INSURANCE.

Mr. LINEHAN of Wd. 13 offered an order—That the City Messenger, through His Honor the Mayor, be requested to take immediate steps to provide liability insurance on the elevators in the City Hall. Passed. Sent up.

REINSTATEMENT OF SEWER EMPLOYEES.

Mr. McINERNEY of Wd. 19, for the committee, submitted the following:—

The special committee of the Common Council appointed to wait on His Honor the Mayor relative to the suspension of the sewer employees, respectfully report that they have attended to the duty assigned them and had a conference with His Honor the Mayor and the Superintendent of Streets. The committee find that the number of men employed on sewerage work during the past year will be decreased, owing to the fact that but one million dollars will be available for the purpose this year in comparison with two million dollars appropriated for the previous year, but the committee believe that the sum of \$250,000 set aside for contract work should be expended for day labor, and if this is done, about three hundred and fifty men in addition to the eight hundred now about to be employed can be given permanent work. For the Committee,
James McInerney, Chairman.

The question came on the acceptance of the report.

Mr. McINERNEY—Mr. President, we spent last year over \$200,000 in the construction of sewers by contract. I find, on looking over the statement which was given in response to the request of the Councilman from Wd. 12, that there was \$206,255.04 spent in the construction of sewers by contract last year. Out of that \$206,000, there was \$77,825 that had to be spent by contract. That was unavoidable. We had to have contract work to do what was wanted. But there was \$128,430.04 spent in the construction of sewers by contract. If the citizens of Boston had been allowed to build those sewers, that sum would employ 1100 men, at \$2 per day, for 51 days; and that same amount would maintain permanently 205 men for one year at \$2 per day for every available working day in the year. The contractors who built those sewers, Mr. President, are the ones, as I said at the last meeting, who employ nothing but the cheapest of the alien labor—a class of labor that is a menace to the honest laborers of the city of Boston. Therefore, Mr. President, I hope that the Mayor will take particular notice of this report, and that he will see that no sewers are built this year by contract.

The report was accepted.

A QUESTION OF PRIVILEGE.

Mr. DOYLE of Wd. 19—Mr. President, I rise to a question of personal privilege.

The PRESIDENT—The gentleman will state his question of privilege.

Mr. DOYLE—Mr. President, my question of personal privilege is in connection with the report of that committee. The member in the fourth division (Mr. McInerney), in speaking on the passage of the order appointing the committee who have made this report, made certain charges which I wish to refute.

The PRESIDENT—The Chair will ask the gentleman to refer particularly to the matter concerning which he wishes to speak to a question of personal privilege.

Mr. DOYLE—When he said that one of the members of the Common Council from his ward has gone throughout his district and has led the sewer employees to believe that his vote was cast in opposition to them.

The PRESIDENT—The gentleman will proceed.

Mr. DOYLE—Now, Mr. President, I have no desire to take up the time of this body—

The PRESIDENT—The Chair desires to state that he is in doubt whether that is properly a question of personal privilege, but, as the Chair desires to afford the broadest latitude to reply, the Chair will allow the gentleman to proceed.

Mr. DOYLE—Well, although there was no name specifically mentioned at the time, I have it from the gentleman personally that his remarks were intended for me; and I, coming from that ward, wish to place myself right in this matter.

The PRESIDENT—The gentleman will proceed.

Mr. DOYLE—Personally, I have something else to do besides going around the ward and criticising the action of members of the Common Council. I want to call your particular attention to some of his remarks, wherein he claimed that one of the members of this body has gone throughout his district and told the people, especially the sewer employees, that on account of action he has taken, they were not reinstated. Well, I might claim that dilatory tactics in this body had certainly not expedited matters as far as the reinstatement of any of those men is concerned; and I do want to go on record in my ward as denying these charges. Furthermore, in his statement, he said that the people of his ward are not conversant with the laws governing the Board of Es-

timate and Apportionment. The people of my ward are just as conversant with the laws governing the Board of Estimate and Apportionment, and are just as intelligent as the people of any other ward in the city; and I want to have him personally explain what he means when he says they are ignorant of the law. I think when he referred to their not being conversant with the Board of Estimate and Apportionment, it was an insult to the district, and I think that he will have as much difficulty in explaining his remarks as he will in trying to explain the bugaboos which he is apparently trying to be set up to be knocked down.

Mr. McINERNEY—Mr. President, I would like to reply to the gentleman.

The PRESIDENT—The Chair will state that there is no reply to a question of personal privilege.

Mr. McINERNEY—Mr. President, can I have the privilege—

The PRESIDENT—Does the gentleman rise to a point of order?

Mr. CONNOLLY of Wd. 17—Mr. President—

The PRESIDENT—For what purpose does the gentleman rise?

Mr. CONNOLLY—To make a motion.

The PRESIDENT—The gentleman has the floor.

Mr. CONNOLLY—Mr. President, I move a reconsideration of the vote whereby the report of the Committee was accepted, that the gentleman may have the floor.

The acceptance of the report of the committee was reconsidered. The question came on accepting the report.

Mr. McINERNEY—Mr. President, the gentleman in the second division (Mr. Doyle) has been on the floor and has talked a great deal. He has accused me of coming here and saying that the people of my ward are ignorant of the laws governing the Board of Estimate and Apportionment. I did not say that of the people of my ward. I said it of some of the sewer employees. I did not mean it for the sewer employees in my ward—I meant it for some of the sewer employees of the city of Boston, and if the gentleman in the second division desires to take any notice of the remarks I have made, they are on record here, and he could see for himself that I meant nobody, specifically. I said: "My reasons for offering that order are that a great many of the men of the sewer department are not conversant with the laws governing the Board of Estimate and Apportionment." He sees fit to get up here and charge me with saying that the citizens of my ward are not conversant with the laws governing the Board of Estimate and Apportionment. Mr. President, there is an old saying that liars cannot be believed even when they tell the truth. Probably it was some of the remarks of the gentleman in the second division (Mr. Doyle) that led my esteemed friend in the third division (Mr. Hickey) to try to secure an investigation of the means whereby the president of this body was elected.

The PRESIDENT—The Chair will remind the gentleman that the question is on the acceptance of the report of the committee.

Mr. McINERNEY—Mr. President, I simply want to tell the members of the Council what kind of a man they have to deal with. I am referring to the gentleman in the second division.

Mr. CONNOLLY—Mr. President, the gentleman from Wd. 19 (Mr. McInerney), who comes here from a laboring constituency and votes against the one million dollar appropriation for the sewer laborers, attacks his colleague from Wd. 19 (Mr. Doyle) with ill grace, and asks for an investigation of the discharge of those employees with ill grace. He cannot square himself with his laboring constituency next fall, and the gentleman from Wd. 19 who is his colleague has stated rightly that he, and he alone, as one of the members of this Council, is partially

responsible for the discharge of a great many of those poor employees. I believe he will have a great deal to answer for next fall, a great deal of difficulty in explaining his vote and then coming here and trying to square himself and asking to have a committee appointed to investigate the discharge of the sewer employees, when he at the same time has endeavored to have the loan item for that department cut \$500,000.

Mr. MULCAHY of Wd. 14—Mr. President, I am not personally interested in this matter. I had just as lief have the committee's report accepted as rejected, but I would like to state in reference to the remarks of the gentleman in the fourth division (Mr. McInerney) while I think well of him personally, that he is a gentleman who came in here for the first time this year and who has, since the first proceedings of the year, opposed the administration on every order, having voted against each and every order which had reference to the administration of the City of Boston.

Mr. HERRIGAN of Wd. 3—Mr. President, I rise to a point of order, that the gentleman is not speaking to the question.

The PRESIDENT—The Chair will rule the point of order well taken. Inasmuch as the question is on accepting the report, much of this talk is clearly out of order. The Chair will remind the gentleman to confine himself to the question, which is on accepting the report of the committee.

Mr. MULCAHY—Mr. President, I hope the committee's report will be accepted, but I do desire to show the position of the gentleman in the fourth division (Mr. McInerney), in asking for an investigation of why the sewer men were laid off, although he came in here while we were fighting for one million dollars, and voted against that appropriation and for five hundred thousand dollars, while his colleague from the same ward, (Mr. Doyle), voted for one million dollars. Now, if the gentleman in the fourth division had any interest in the laboring men, the sewer employees of Boston, he would have voted for the one million dollars, not for the five hundred thousand dollars, as he did. He now comes in trying to square himself, as stated by the gentleman from Wd. 11, (Mr. Connolly). I don't believe the gentleman from Wd. 19, (Mr. McInerney), should do this kind of business—come in and try to blame his colleague from Wd. 19. I don't wish to enter into any controversy between the two gentlemen, but I would like to see a little fairness displayed.

Mr. BORDMAN of Wd. 10—Mr. President, I rise to a point of order—whether there is a quorum of the Common Council present?

The PRESIDENT—The Chair will rule the point of order not well taken. The question is on the acceptance of the committee's report.

Mr. WATSON of Wd. 18—Mr. President, I sincerely trust that the committee's report will be accepted, and in speaking in favor of the acceptance of the report I desire to reply to the gentleman from Wd. 17 (Mr. Connolly), the gentleman from Wd. 14 (Mr. Mulcahy) and the gentleman from Wd. 19 (Mr. Doyle). I want to say here and now that every member of this body knows that it made no difference to the employees of the Sewer Department whether there was one million dollars or five hundred thousand dollars appropriated. The laying off of the sewer men was merely for the purpose of weeding out those who could not do good work at caucuses—nothing else. (Laughter.) It was a question of politics, pure and simple. The gentleman from Wd. 17 knows it. He knows that the committee's report is strictly proper, and that it makes no difference whether they got one million dollars or five hundred thousand dollars in that department. We are told that they laid the men off because they had no money. They had no money in the print-

ing department for quite a while, but they owed the employees and retained them. Why did they not do so in the sewer department? The administration is not friendly to the laboring men; it is only friendly to those who can control the rail, and I have known it for four years. I sincerely trust that the gentlemen from Wds. 19, 17 and 14 will rise on the floor and apologize to me and admit that I am right. (Laughter.)

The PRESIDENT—The Chair will ask the Council to be in order, and will ask the spectators in the gallery to refrain from demonstration.

Mr. McINERNEY—Mr. President, as I understand it, the gentleman from Wd. 17 in the third division (Mr. Connolly) moved a reconsideration of the vote accepting that report. Why did he do so? Because he is a contractor, Mr. President, and because he sympathizes with these contractors—because he is one of those contractors, Mr. President, who employ none other than cheap, non-union, alien labor.

The PRESIDENT—The Chair will request the gentleman to refrain from personalities.

Mr. McINERNEY—I did not mean to become personal. I beg your pardon.

(The report was read, at the request of Mr. Linehan.)

Mr. CONNOLLY—Mr. President, it hardly seems necessary to reply to the gentleman from Wd. 19 (Mr. McInerney), when it is a well known fact that since I have been in the city government I have never done a dollar's worth for the city of Boston, directly or indirectly; and, furthermore, on all work done by me I employ none but union labor and pay union prices.

Mr. LINEHAN of Wd. 13—Mr. President, I sincerely hope the report of the committee will be accepted. When I sit here and hear these political annihilators talking about the downfall of various men next fall, I would like to impress on them the fact that we are not voting machines, to be wound up by the administration and to come in here and vote as the administration sees fit. I believe in every man voting as he wants to, in exercising the rights given to him by his constituency. They cannot bluff people into believing they are in favor of the working men, just because they vote for the one million dollars the Sewer Department wants. Why not vote for five hundred thousand dollars and put the men to work for six months, letting the men come in afterwards and get the other five hundred thousand dollars? But they were afraid that if they didn't get the whole one million dollars, when they came in for the other five hundred thousand dollars and had not put the men to work we would not give it to them. Now they won't put the men back, when they have the money. I say it is all a fraud and a farce.

Mr. WATSON—Mr. President, I desire to say but a few words in closing—I am tired (laughter). I wish simply to say that silence usually gives consent.

Mr. HICKEY of Wd. 2—Mr. President, like my democratic colleague from Wd. 14 (Mr. Mulcahy) it is well nigh immaterial to me whether this committee report is accepted or not. The only reason why I desire to vote for it is from the fact that the Chairman of the Committee who reports it, when the matter was before the Council, thought that five hundred thou-

sand dollars was sufficient to place the sewer men at work, and now, after his interview with the Mayor of Boston, he is hypnotized into believing that \$250,000 more than \$1,000,000 is necessary to put them to work. In other words, a few weeks ago, when the matter was before the council, he firmly believed that \$500,000 was enough to place the sewer department men at work. Tonight, with \$1,000,000 appropriated for the department, he comes in and tells us that the appropriation as made is a reduction of \$1,000,000 from last year, and that \$250,000, or something of that kind, is necessary in addition to the \$1,000,000 already appropriated in order to put the men back at work.

Mr. WELLS of Wd. 16—Mr. President, I move the previous question.

Mr. WATSON—Mr. President, I sincerely trust the previous question will not be put. There are one or two members who have not spoken. (Laughter.)

Mr. STEVENS of Wd. 11—Mr. President, I sincerely trust that the main question will not be put. There seem to be a great many men who want to speak on this matter, and surely for those who do not it is very entertaining. (Laughter.)

The PRESIDENT—The Chair desires to call the attention of the Council to the fact that frequent interruptions have occurred tonight during the consideration of various subjects, and to request members of the Council and spectators to refrain during the remainder of the session of this Council from such demonstration. The question is, shall the main question be now ordered?

Mr. LINEHAN—Mr. President, I sincerely hope the main question will not be put. I would like to reply to the gentleman from Wd. 2 (Mr. Hickey), when he states that the Mayor of Boston hypnotized a member of this council. It is a fact that he is hypnotizing everybody. That is the only ability he possesses—hypnotism. (Laughter.)

Mr. McINERNEY—Mr. President, if the gentleman in the 3d division (Mr. Hickey) had followed the business a little more closely and had listened to the report being read he would know that I was not looking for \$250,000 more to be added to that \$1,000,000. I merely made the report, for the committee, that we believed that \$250,000 of that one million dollars to be spent in sewers, instead of being spent by contract, which I am opposed to, should be spent for day labor. But these gentlemen here who are against that are placing themselves on record in favor of employing labor which is imported here, laborers who never become citizens of the United States. They want the \$250,000 taken away from our hardworking taxpayers of Boston, Mr. President.

The main question was ordered.

The report was accepted. Mr. McInerney moved to reconsider; lost.

SIDEWALKS, PAUL REVERE SCHOOL.

Mr. BADARACCO of Wd. 6 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to pave the sidewalks opposite the playground on North Bennet and Prince Sts., next to the Paul Revere School.

Referred to His Honor the Mayor.

Adjourned, on motion of Mr. Hubbard of Wd. 24, at 10:48 o'clock P.M., to meet on Thursday, March 23, at 7:45 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, March 13, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. Berwin, to dispense with the reading of the records of the last meeting.

EDGESTONE ASSESSMENT—VETO.

The following was received:—

Mayor's Office, City Hall,
Boston, March 4, 1899.

To the Board of Aldermen:—

I return herewith without my signature an order passed by your Board rescinding the edgestone assessment levied by an order passed on December 26, 1898, against St. Philip's church on East Lenox St.

My reason for taking this action is that the Corporation Counsel informs me that the Board of Aldermen has no authority to make this abatement, and that the order is illegal. Respectfully submitted,

David F. Barry, Acting-Mayor.

The vote whereby the order was passed was reconsidered and the question came on passing it, the objections of His Honor the Mayor to the contrary notwithstanding. The Board refused to pass it over the Mayor's veto, the vote being yeas 0, nays 9.

LOCATION OF FIRE BOX.

The following was received:—

Mayor's Office, City Hall,
Boston, March 13, 1899.

To the Board of Aldermen:—

I transmit herewith a communication from the Fire Commissioner in reference to your order requesting that a fire alarm box, with a red signal light, be located at the corner of Columbus Ave. and Massachusetts Ave. Respectfully submitted,

Josiah Quincy, Mayor.

Fire Commissioner, Bristol St.,
Boston, March 3, 1899.

His Honor, Josiah Quincy, Mayor.

Sir: Referring to the request of the Honorable Board of Aldermen that the fire alarm box No. 98, corner Columbus and Massachusetts Aves., be placed on a lamp post with a red signal light, I beg leave to respectfully report that such action would be of no avail for the purpose of giving an alarm, inasmuch as said location is several hundred feet from the underground wires which are necessary to connect such post and light with the fire alarm branch of this department, and no money is available for the necessary work.

Your obedient servant,

H. S. Russell, Commissioner.

Referred to the Committee on Public Improvements.

APPOINTMENTS BY THE MAYOR.

The following was received:—

Mayor's Office, City Hall,
Boston, March 13, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint Fred Cutter, Armine W. Montgomery, and Maurice D. Kingsbury welders of boilers and heavy machinery for the term ending April 30, 1899.

Respectfully yours,

Josiah Quincy, Mayor.

Laid over under the law.

SALE OF CITY PROPERTY, EAST BOSTON.

The following was received:—

Mayor's Office, City Hall,
Boston, March 13, 1899.

To the City Council:—

I transmit herewith a communication from the Superintendent of Streets, and in accordance with his request, I recommend the passage of the accompanying order. This matter was fully considered by the Board of Estimate and Apportionment, and the conclusion arrived at by the Board was that, in view of the general financial condition of the city, it would be better to provide for meeting this undoubted need of the Street Department out of the proceeds of the proposed sale, rather than by direct appropriation.

Respectfully submitted,

Josiah Quincy, Mayor.

Street Department, City Hall,

Boston March 11, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—This department has urgently recommended that there be established in East Boston a Street Cleaning and Sanitary District. At the present time, the street-cleaning work is performed by sending over on certain days the Charlestown force, and the sanitary work is by contract. This arrangement is unsatisfactory, and becomes more so each year. The citizens of East Boston ask better service, and the department desires to furnish it. To do this, however, it is necessary that the stable and yard accommodations in that district be rearranged.

At the present time, the Paving and Sewer divisions have their quarters on city property on Marion St., between Chelsea and Paris Sts. The buildings on this property are of but little value and badly out of repair, and are not adapted to the work of the district. The city owns a piece of property well adapted for the purposes of a Street Department yard and headquarters, for the reason that it is accessible by water, so that material can be landed directly from vessels. This property is not now in use, and if an appropriation of \$25,000 could be secured, it would be possible to place thereon a building so arranged as to properly accommodate the local forces of the Paving, Sewer, Street Cleaning and Sanitary divisions.

To cover this expenditure of \$25,000, I would respectfully suggest that the property now occupied by and assigned to this department be sold, and the proceeds of the sale applied to making good the appropriation of \$25,000 required for the new building and plant.

Yours very respectfully,

Benjamin W. Wells, Supt. of Streets.

City of Boston—In Board of Aldermen.

March 13, 1899.

Ordered, That the Superintendent of Streets be authorized, with the approval of the Mayor, to sell the land and buildings owned by the city, now used by the Paving and Sewer Divisions of the Street Department, and situated between Chelsea and Paris Sts., East Boston, and that the Mayor be authorized to execute a deed of the same in the name of the city; the proceeds received from such sale to be turned into the Treasury, subject to subsequent appropriation by the Board of Estimate and Apportionment and the City Council.

Referred to the Committee on Public Improvements.

CONSTRUCTION OF SEWERAGE WORKS.

The following was received:—

Mayor's Office, City Hall,
Boston, March 13, 1899.

To the City Council:—

I transmit herewith a letter from the Superintendent of Streets, with statements appended, which explains the situation of the city with respect to the construction of additional sewerage works. On account

of the importance of the subject, I recommend that this communication be printed as a city document.

Respectfully submitted,
Josiah Quincy, Mayor.
Street Department, City Hall,
Boston, March 4, 1899.

Hon. Josiah Quincy, Mayor.

Sir: I desire to call your attention to the situation as regards sewerage works, even assuming that the present law is declared constitutional, and the attempt to repeal the same at the legislature fails. This act provides \$1,000,000 annually for construction of sewerage works. In a statement already made to the Board of Estimate and Apportionment, I submitted figures showing that the cost of work already commenced, under contract, or arranged for, amounted to \$607,000, and of the work ordered by the Street Commissioners, but not yet commenced, to \$233,000, making a total of \$840,000—exclusive of land damages.

This sum, I would say further, does not include Commonwealth Ave., on which the estimated cost of the necessary sewer work, to be completed before 1900, is about \$100,000. The act providing the money for the surface work on Commonwealth Ave., requires that this avenue be completed before January 1, 1900; after that time the money is no longer available. In addition, on the section of Blue Hill Ave., from Walk Hill St. to Neponset River—which certainly should be undertaken this year—the sewerage work is estimated to cost \$78,000. There is also a very considerable portion of Columbia road ready for sewerage works, which is not included in the above estimates. Nor are the following very important sewerage works provided for: East Boston low-level sewer, which will have to be built if the order is passed for the construction of the Bennington St. boulevard; further construction on new surface drain systems, such as Lauriat Ave., Canterbury branch of Stony Brook, Roslindale branch of Stony Brook, Mattapan brook, Goldsmith brook, Dorchester brook separation, and Davenport brook. There is no money provided for work on Stony Brook, either at the head-waters or at the outlet end, or for Muddy river, or for Shepard St. brook in Brighton, or for what is known as the West Roxbury low-level sewer.

All this work is needed, and if it is not carried on it will be a hardship upon the abutting estates. From the above statement it will be seen that more than the \$1,000,000 which is available is already ordered; and the Street Commissioners should be notified that no more sewer work can be ordered for the coming year unless further money is provided for the construction thereof.

Unless some action is taken by the legislature making provision for such further sum as may be needed for the construction of sewers, the development of property in many sections of the city will be stopped; and as this construction of sewers is assessed upon the estate benefited, and not upon the general taxpayer, it is but reasonable and fair that parties desiring sewers for which they are willing to pay, should be accommodated by the city.

Ordinarily \$1,000,000 would be sufficient for the needs of sewer construction for any one year; but, under the conditions which existed last year, it was necessary that large sewerage works which had been neglected for many years should be undertaken, and for this reason much of the work of the year is costly, and thus the appropriation is too limited to allow for the demands which will surely come after the opening up of the season's work.

I think it the duty of the department, or the administration, to present this situation to the consideration of the legislature for such action as that body may deem proper. The suggestion of this department would be that, for this year at least, an additional sum of \$1,000,000 be al-

lowed, making a total of \$2,000,000. I cannot, for my own part, see any particular reason for limiting the amount to be spent for sewerage works, if the authority passing the orders for the construction of the same be properly safeguarded. In anticipation of the very urgent and reasonable demands which will be made upon this department during the coming season, I desire that the cause of, and the responsibility for, a condition which must lead to the refusal to furnish relief, should be placed upon the only body which has it in its power to supply such relief.

I append herewith tabulation showing the expenditures under the Sewerage Act from July 23, 1897, to February 1, 1898; also tables showing in detail the exact expenditures between February 1, 1898, and February 1, 1899; also the expenditures during the fiscal year 1899-1900, thus covering the \$2,000,000 authorized for last year.

Then follows a summarization, itemized by districts and jobs, of the cost of proposed work for the present fiscal year, as given without detail in the letter to the Board of Estimate and Apportionment dated January 12. This shows that work amounting to more than the entire \$1,000,000 authorized for this year is ordered, planned for and substantially under way.

I then submit table showing sewers petitioned for, ordered by the Board of Street Commissioners, but not yet started, amounting to \$1,349,860, for which there is no appropriation.

Then follows a statement of work petitioned for, but not yet ordered, given by districts and itemized, amounting to \$321,725.

I would suggest that it might be advisable to print these tables in the City Record, or as a document, so that the public could fully understand the situation as regards sewerage works.

Yours very respectfully,
Benj. W. Wells, Supt. of Streets.

(Accompanying the above were the detailed statements referred to.)
Ordered printed and sent down.

HEARINGS AT 3 O'CLOCK.

Petitions for locations for tracks, with the right to use the overhead electric system on the same, viz:—

1. Newtonville & Watertown Street Railway Company (a turnout) on North Beacon St., near the bridge over Charles River.

No objections. Recommended to the Committee on Railroads.

2. Newton & Boston Street Railway Company, on Beacon St., from the Newton line to the corner of Beacon St. and Chestnut Hill Ave.

Mr. William A. Gaston, President of the Boston Elevated Railway Co., appeared and objected to the granting of the petition on the ground that it was not needed as only very few people lived on the line of the proposed extension.

Mr. Desmond Fitz Gerald did not object, but requested that the Metropolitan Water Commissioners be given a hearing on the matter before the Railroad Committee.

Mr. John T. Wheelwright did not object, but requested that the Park Commissioners be given a hearing on the matter before the Railroad Committee.

Recommended to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named, when appointed, viz:—

Building Dept. (Ald.)

Petitions for leave to project signs, etc., viz:—

W. Creden & Co., a sign, at 94 Essex St., Wd. 7.

Jacob Moshkowitz, a sign, at 34½ Atlantic Ave., Wd. 6.

William Edwards, a sign, at 2132 Washington St., Wd. 18.

H. F. Parkhurst, an illuminated sign, at 3 Pitts St., Wd. 8.

Hanover Drug Co., an illuminated mortar, at 257 Hanover St., Wd. 6.

Alfred E. Haines, a sign, at 14 Bedford St., Wd. 7.

J. L. and H. K. Potter, for leave to construct basement floor of building 611 Albany St. at grade 8.

Claims.

F. F. Meacham, for compensation for damage to estate 56-58 Rosseter St., caused by blasting.

George A. Jordan, to be paid the amount of judgment and costs of a suit against him on account of his acts as a police officer.

Electric Wires.

Petitions of the New England Tel. & Tel. Co. of Mass., for leave to erect and remove poles, lay conduits, etc, viz:—

To erect poles in E St.

To erect poles in Munroe St., Wd. 21.

To erect and to remove one pole in Brookside Ave., Wd. 23.

To lay conduits in Bulfinch St. and other streets, Wds. 6, 7, 8, 20, 22 and 24.

For extension of time to June 30, 1899, in which to erect poles in Ashmont St., Wd. 24.

Railroads.

West End Street Railway Company, for leave to lay double tracks on portions of Lexington St., E. B.

Public Improvements.

John McGaw, for leave to construct an area in sidewalk at 130-132 Charlestown St., Wd. 8.

LEAVE GRANTED ON PETITIONS.

Ald. BRICK presented the petition of O. F. Couture, for leave to project a sign at 19 Tremont Row, Wd. 8.

The rule was suspended, on motion of Ald. Brick, and leave was granted on the usual conditions.

Ald. DIXON presented the following petitions:—

Robert C. Erb, to project an illuminated sign at 39-40 Court Sq., Wd. 6.

Dr. Charles E. Hale, to project an illuminated sign at 174 Hanover St., Wd. 6.

The rule was suspended, on motion of Ald. Dixon, and leave was granted on the several petitions on the usual conditions.

Ald. ADAMS presented the petition of the Boston '99 Meet Club, for a license for an athletic entertainment to include wrestling (no sparring), at Mechanics Bldg., on Huntington Ave., on the evening of May 2d.

Ald. ADAMS—Mr. Chairman, I am going to ask the courtesy of the Board today to suspend the rules, and allow this petition to be granted without further delay, inasmuch as this proposed meeting is to be held in the very near future, and the promoters of it desire to go ahead with it at once. I hope all the members will allow this matter to go through today without opposition.

The rules were suspended, and leave was granted, yeas 11, nays none.

PAPERS FROM THE COMMON COUNCIL.

3. Message of the Mayor transmitting a communication from the Water Commissioner relative to the harvesting of ice from the Water Department reservoirs.

Placed on file.

The Board voted, on motion of Ald. Berwin, to consider Nos. 4, 5 and 6 together, and that the same be read by their titles, viz:—

4. Ordered, That the President and one member of the Common Council from each ward, with such as the Board of Aldermen may join, be appointed a committee to prepare and report a plan for the celebration of the Fourth of July.

5. Ordered, That eight members of the

Common Council, with such as the Board of Aldermen may join, be appointed a committee to prepare and report a program for the celebration of Labor's holiday.

6. Ordered, That five members of the Common Council, with such as the Board of Aldermen may join, be a committee to examine and report as to the condition of the city institutions on Rainsford Is. and.

Severally passed in concurrence.

7. Ordered, That the School Committee, through His Honor the Mayor, be requested to make the necessary improvements in the sanitary arrangements of the Comins School, Wd. 19.

Passed in concurrence.

8. Ordered, That the School Committee, through His Honor the Mayor, be requested to give a public hearing to the citizens of East Boston in regard to the necessity of repairs and alterations in the Chapman Schoolhouse.

9. Ordered, That the City Messenger, through His Honor the Mayor, be requested to take immediate steps to provide liability insurance on the elevators in the City Hall.

10. Ordered, That the Building Commissioner be authorized to issue a permit to William H. J. Stone to build, outside the building limits, a wooden addition to building on Poplar St., corner Corinth St., Wd. 23, in excess of size allowed and without the construction of a brick wall, as required by the Ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for store and storage purposes; main building occupied for same purposes.

Severally referred to the Committee on Public Improvements, on motion of Ald. Berwin.

The following order comes up for concurrence in its reference to the Board of Estimate and Apportionment:—

11. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the paving of B St., from Summer St. Extension to First St., South Boston.

Referred in concurrence.

CONFIRMATION OF APPOINTMENTS.

The Board voted, on motion of Ald. Colby, that Nos. 12, 13, 14 and 15 be taken up together, viz:—

Action on appointments submitted by the Mayor, viz:—

12. Henry H. Sprague, to be a Trustee of the Boston City Hospital for the term of five years, beginning May 1, 1899.

13. Frank B. Cotton, to be a constable, for the term ending April 30, 1899.

14. William H. Kenney, to be a constable, for the term ending April 30, 1899, in place of Jeremiah S. Sullivan, resigned.

15. Martin Gilbert, to be a weigher of coal, for the term ending April 30, 1899.

The question came on confirmation. Committee—Ald. Colby and Dixon. Whole number of ballots cast 12, yeas 12, and the appointments were confirmed.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, viz:—

Edward L. Brodie, one, 29 Spring St., Wd. 8.

Louis and Henry Rosenbaum, three, 113-5-7-9 Richmond St., Wd. 6.

Orders of notice were passed for hearings thereon on Monday, March 27, at 3 o'clock P. M., when any parties objecting thereto may appear and be heard.

CONSTABLE'S BOND.

The constable's bond of Frank B. Cotton was received after having been duly approved by the City Treasurer.

Approved by the Board.

SALE OF OIL.

A report was received from the Fire

Commissioner on the petition of Carpenter Morton Co. for a license to store and keep for sale oils or fluids composed wholly or in part of the products of petroleum, at 77 Sudbury St.—approving of the same.

Approved by the Board on the usual conditions.

STATE AID.

Ald. DIXON, for the Committee on State Aid, submitted a report recommending the passage of an order providing for the payment of aid to soldiers and sailors and their families in the city of Boston for the month of March, under the provisions of the various acts of the Legislature providing for said payment.

Report accepted; order passed.

CLOSING OF ZEIGLER ST.

Ald. O'TOOLE offered an order—That the Superintendent of Streets be authorized to issue a permit to the Boston Elevated Railway Co. to close the roadway on Zeigler St., between Washington St. and Warren St. to public travel during the construction of a terminal station on said street.

Passed.

CLOSING OF HALLECK STREET.

Ald. O'TOOLE offered an order—That the Superintendent of Streets be authorized to close the roadway on Halleck St. between Ruggles St. and Ward St., Wd. 19, to public travel, during the time necessary for sewer construction on said street.

Passed.

ASPHALTING ENDICOTT STREET.

Ald. DIXON offered an order—That the Board of Estimate and Apportionment be requested to provide in the next loan bill the sum of Three Thousand Dollars for the asphaltting of Endicott St., from Cooper to Thacher St.

Referred to the Board of Estimate and Apportionment.

ADDITIONAL CARS ON HARRISON AVENUE.

Ald. ADAMS offered an order—That the Boston Elevated Railway Company, through His Honor the Mayor, be hereby requested to run an additional number of cars on the Harrison Ave. line of its road.

Passed.

CROSS WALKS ON BLUE HILL AVE.

Ald. ADAMS offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to construct two cross walks on Blue Hill Ave., opposite Phipps Ave., Wd. 20; also one cross walk on Melville Ave., at junction of Wellesley Park, Wd. 20.

Passed.

FIRE ALARM BOX, FIELD'S CORNER STATION.

Ald. ADAMS offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to place a fire alarm box at or near the Field's Corner station of the N. Y., N. H. & H. R. R. in Wd. 20.

Passed.

PLANK WALK, SARATOGA STREET.

Ald. DAY offered an order—That the Superintendent of Streets be requested to place a plank walk on the easterly side of Saratoga St., from Winthrop Junction station toward Winthrop bridge, a distance of one-eighth of a mile.

Passed.

EAST BOSTON GRADE CROSSINGS.

Ald. DAY offered the following:—

Ordered—That His Honor the Mayor be

requested to request the Corporation Counsel to appear before the Committee on Railroads of the Massachusetts Legislature and favor such legislation as will provide for a commission to consider the abolition of grade crossings in East Boston. If such commission shall deem it for the public necessity and convenience to require that the railroad tracks shall go over the highways or that the highways shall go over the railroad tracks, or that the location of the railroad tracks shall be changed, or that the location of the highways shall be changed, or that any other method shall be adopted, including the filling in or the building of structures over tidewaters, they shall prescribe the manner in which same shall be done.

Ald. DAY—Mr. Chairman, this is a very important matter for the people of East Boston, and I would like to make an explanation of the order, so that the members of the Board may understand just what they are voting upon. Our grade crossings over in East Boston are something that the people unfamiliar with them do not understand.

At Maverick St. and Sumner St. we have eight parallel lines of tracks, making sixteen rails. At Marginal St. it is worse than that. The grade crossings at those three streets shut off the people of the First Section, where there are between eight and ten thousand people living. They have to cross those eight parallel tracks to buy groceries or dry goods, to go to the library, the high school, or anywhere. Those crossings are a constant menace and danger to the people over there. This year the railroad has had pretty good luck—there has been only one man killed there since the first of January. But in the last twenty-five years at one of those crossings there is a record of fifteen deaths. There is continual delay of electric car and other travel there during the day, sometimes for from five to fifteen minutes—teams, cars, foot-passengers, everything being stopped. Those grade crossings run straight through the island from one end to the other, almost through the middle of East Boston. If you go down to Wood Island Bridge and look over East Boston, you will see the line of houses going to the railroad track, while on the other side there is waste land. The people will not build there. There are from eight to nine million feet of land there that would be built upon, if the crossings were abolished. In a very few years there would certainly be a million dollars' worth of taxable property on land that is now vacant. This agitation was started in 1874. A member of the Common Council of that year introduced an order into that body asking for the abolition of the crossings. That led to an investigation by the Mayor of that year, Mayor Coob, who subsequently sent a communication to the Board of Aldermen taking strong grounds in favor of the abolishment of the crossing. The subject was investigated by the City Engineer in 1874, and he said they should be abolished. The next year the railroad commissioners in their sixth annual report also said they should be abolished. From that time down to this the city and the state have taken strong ground in favor of their abolition, and the only force opposed to the abolition is the railroads. In 1890 the general act applying to grade crossings was passed, but that does not apply to East Boston, because we do not want to abolish them in that way. We want to have the tracks relocated, put on the outside, on the water front, and we cannot apply the act of 1890 there.

In 1891 there was a commission on grade crossings appointed, and that commission said that these crossings should be abolished. Every commission and every individual that has ever investigated the matter says that they should be abolished by a relocation of the tracks. In 1895 Mayor Curtis sent the Corporation Counsel up to the Legislature, and he pre-

sented a bill covering this subject. It was an ideal bill, just what the people of East Boston wanted—and that is what we want Mayor Quincy to do now, the same thing that Mayor Curtis did in 1895. Mayor Quincy has taken strong grounds in favor of the abolition of those crossings. He did so in his first inaugural address. He went before the Committee on Railroads in 1896 and urged it. Mayor Matthews, Mayor Curtis and Mayor Quincy have all been in favor of the relocation of those tracks. We had a hearing this year before the Railroad Committee at the State House, and that committee fixed up a bill with the railroads—the first time the railroads have admitted that those crossings should be abolished—under which the sinking of the tracks is contemplated, that is all. It is proposed that a commission shall be appointed and, if the public convenience and economy require—and I don't think that phrase concerning public convenience and economy should be in the bill—they shall sink the tracks and carry the highway over the tracks. That is simply a gold brick which they present to the people of East Boston to try and make them keep quiet. It is impracticable and cannot be done. They cannot, with the freight sheds along Maverick St., do anything of that sort. It is useless to consider it. In order to get into their terminal yards they would have to have a grade of five per cent, and it would be impossible. If they should sink their terminal yards, they would be so low that the whole Atlantic Ocean would get in. All we wish is that the City Solicitor shall go up to the Legislature and argue in favor of a bill to have a commission of three disinterested persons appointed by the courts of the Commonwealth to consider the question in all its bearings and then advocate the best plan. If they think the best plan is to sink the tracks, we will be satisfied; if not, we don't want to be tied down to that by the railroad committee or the railroads.

We want the best plan, and after the subject has been investigated by a commission appointed by the courts, we will be satisfied with the outcome. This is a question which reaches far beyond East Boston. Under the policy of imperialism of the republican party we are going to have a great expansion in the foreign trade of this country, and Boston ought to get her share of it, and the only way that she can do so is by utilizing the facilities offered by East Boston. We have the only undeveloped water front, a long stretch of seacoast, the finest channel in the whole harbor. The state has already taken an enormous tract of land there to build the state docks, and we want the railroads around on the edge of the island, so that there will be no transportation charges from the steamboats to the trains, so that they can load the trains right there at the water front. We ask the Board of Aldermen to act in this matter in the interest of East Boston and of the whole city. If action such as is outlined here is taken, it will be of great advantage to the city. We trust that the Mayor and the Corporation Counsel will appear at the hearing, and that the whole Board of Aldermen will be there. I believe the hearing will be held this week.

The order was read a second time and passed.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted reports recommending that minors' licenses be granted to 35 newsboys.

Reports severally accepted; licenses approved by the Board.

A RECESS TAKEN.

The Board voted at 3:40 o'clock, P.M., on motion of Ald. Doyle, to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order at 4:36 o'clock, P.M., by the Chairman.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Report on order (referred today), that permit be granted to W. H. J. Stone to build wooden addition—that the order ought to pass.

Report accepted; order passed.

(2) Report on order (referred March 13), that the School Committee be requested to give public hearing on matter of repairs, etc., on Chapman schoolhouse—that the order ought to pass.

Report accepted; order passed.

(3) Report on the petition of Hanover Drug Co. (referred Jan. 30), for leave to erect an iron post with an illuminated druggist's mortar thereon in sidewalk at 257 Hanover St.—that the petitioner have leave to withdraw.

Accepted.

(4) Report on the communication from the Street Commissioners (referred Feb. 27), changing the names of Hunneman and Yeoman Sts. and Norfolk Ave. to Franconia St.—that the same be returned to the Board of Street Commissioners.

Report accepted; said reference ordered.

(5) Report on the veto message of His Honor the Mayor (referred Feb. 13), vetoing permit to W. F. Healey to stand a night lunch wagon at junction of Shawmut Ave. and Tremont St.—that the veto be sustained and that the message be placed on file.

The question come on granting leave, the objections of His Honor the Mayor to the contrary notwithstanding. The Board refused to grant permission over the Mayor's veto, the vote being yeas 1, nays 10, Ald. Codman voting yeas.

(6) Report on the petition of the Boston Transit Co. (referred Feb. 6), for certain routes for its omnibuses and other vehicles for conveying persons, merchandise, mail, etc., in this city—giving notice that the committee will give a hearing to all parties interested on Tuesday March 21, at 2 o'clock, P.M., in the Alderman's Room, City Hall.

Accepted.

ELECTRIC LIGHT, WARD 20.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light at the corner of Arcadia and Corwin Sts., Wd. 20.

Passed.

ELECTRIC LIGHT, WARD 15.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light at the corner of W. Sixth and F Sts., Wd. 20.

Passed.

THEATRES—"STANDING ROOM" SIGN.

Ald. DAY offered an order—That the Committee on Licenses be requested to instruct the managers of the various theatres to display a sign on the box office when there is standing room only, stating such fact.

Ald. DAY—Mr. Chairman, I want merely to state that I have no ulterior purpose in offering that. I have been requested to put it in, and as it seemed a perfectly fair and reasonable request I did so.

The order was referred to the Committee on Licenses.

COMMITTEE ON FINANCE.

Ald. O'TOOLE offered an order—That the Rules and Orders of the City Council be hereby amended in Rule 1, by inserting after the clause relative to a Committee

on Contingent Expenses of the City Council, the following new clause, viz:—

A Committee on Finance, to consist of five members of the board of aldermen and eight members of the common council, who shall have the powers devolving upon such committee under the statutes, and shall examine into and report on all matters referred to them by the City Council.

Passed.

—
GENERAL RECONSIDERATION.

On motion of Ald. Berwin, reconsideration on all votes passed today was refused.

Adjourned at 4:42 on motion of Ald. Dixon to meet on Monday, March 20, at 3 o'clock P. M.

CITY OF BOSTON.

McCarthy, Wd. 7; John Clark, Wd. 15; Herbert J. Littlefield, Wd. 20; John J. McManning, Wd. 18; Edwin Jaquith, Wd. 22; Thos. J. Mitchell, Wd. 18; James H. Stone, Wd. 7; Millbury F. Roak, Wd. 18; Thos. F. Foley, Wd. 13; James H. Ring, Wd. 21; John H. Snow, Wd. 10; Erastus C. Gaffield, Wd. 10; James N. E. Drake, Wd. 11; Edw. Murphy, Wd. 9; James H. Butler, Wd. 8; John F. O'Bryan, Wd. 17; John Kelly, Wd. 6; George H. Adams, Wd. 7; Jesiah W. White, Wd. 7; Cyrus Brigham, Wd. 21; Chas. W. Smith, Wd. 11; Wm. M. McGee, Wd. 20; Edmund H. Hewins, Wd. 12; Frank G. Coughlin, Wd. 23.

(6) Forty traverse jurors, Supreme Judicial Court, first Tuesday in April, viz:—

Howard W. Forbes, Wd. 22; James L. Wesson, Wd. 11; Fred D. Varney, Wd. 2; John J. Driscoll, Wd. 14; Patrick H. Moonhey, Wd. 10; Fred W. Robinson, Wd. 5; Joseph T. Hazelton, Wd. 23; John J. Fitzgerald, Wd. 14; John Meaney, Wd. 15; Caleb L. Pope, Wd. 24; John C. Rogers, Wd. 21; Daniel C. Holden, Wd. 11; James W. McNeil, Wd. 17; Eugene C. Walker, Wd. 10; John T. Hourihan, Wd. 24; Charles W. Sturgis, Wd. 11; Thomas W. Burroughs, Wd. 7; John J. Shea, Wd. 9; James Murphy, Wd. 8; Walter Winch, Wd. 12; Joseph C. Reiser, Wd. 19; Chas. H. K. Skillen, Wd. 24; George M. Coburn, Wd. 11; Herbert F. Maynard, Wd. 6; John Sample, Jr., Wd. 9; Lawrence H. Parker, Wd. 20; Edgar Shephard, Wd. 8; Abram Ripley, Wd. 15; Bartholomew Welsh, Wd. 13; John E. Simpson, Wd. 7; Gurdon E. Denison, Wd. 11; Ellsworth Holibaugh, Wd. 17; Daniel F. McAuliffe, Wd. 5; Franklin H. Wilkins, Wd. 4; Chas. M. Betton, Wd. 23; James P. Reardon, Wd. 20; Chas. D. Palmer, Wd. 10; James F. Ormond, Wd. 11; Wm. J. Hartnett, Wd. 2; Damon L. Oliver, Wd. 19.

Adjourned at 12:43 o'clock P. M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, March 20, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock, P. M., Chairman Barry presiding. Absent—Ald. Codman.

The Board voted, on motion of Ald. Berwin, to dispense with the reading of the records of the last meeting.

APPOINTMENT BY THE MAYOR.

The following was received:—

Mayor's Office, City Hall.

Boston, March 20, 1899

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint George M. Hosmer a Constable of the City of Boston, in connection with his duties as an employee of the Children's Institutions Department, for the term ending April 30, 1899.

Josiah Quincy, Mayor.

Laid over under the law.

MODIFICATION OF RESTRICTIONS.

The following was received:—

Mayor's Office, City Hall.

Boston, March 20, 1899.

To the City Council:—

I transmit herewith a communication from the Board of Park Commissioners recommending the passage of an order authorizing the said Board to so modify the restrictions contained in the deed of a certain lot of land bordering upon the Back Bay Fens as to make them conform to the restrictions placed upon similar parcels of land at the present time, and I concur in their recommendation.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston.

Board of Commissioners of the Department of Parks.

Office at Pine Bank, Jamaica Park, Jamaica Plain, Mass.

Boston, March 18, 1899.

Hon. Josiah Quincy, Mayor.

Dear Sir: We have received a petition from Henry M. White and A. P. Loring, for a modification of the restriction as to the height of buildings which may be erected upon land bordering upon the Fens, to make it conform to that more recently adopted and to statute law.

In order to do this it is requisite that the City Council pass an order giving us authority to change the restrictions in such cases, and we enclose for your consideration a copy of an order approved by the Law Department, together with a copy of said petition. Yours respectfully,

Charles E. Stratton, Chairman.

City of Boston.

Board of Commissioners of the Department of Parks.

Office at Pine Bank, Jamaica Park, Jamaica Plain, Mass.

Boston, March 13, 1899.

To the Board of Park Commissioners of the City of Boston.

Gentlemen: In deed of Henry M. White to the City of Boston, dated December 29, 1891, recorded with Suffolk Deeds, Book 2061, Page 569, conveying land for the widening of the Tremont Entrance to the Back Bay Park, said White covenanted with the City of Boston that he would hold his remaining land abutting upon said Park and said entrance to a distance of one hundred feet therefrom, subject to the following restrictions, to wit:—

1. No building erected or placed upon said premises shall be used as a livery or public stable, or for any mechanical or

manufacturing purposes, nor exceed five stories in height above the basement or cellar, nor exceed sixty feet in height from the mean grade of the edgestone of sidewalk in front to the ceiling of the extreme upper story (excepting churches or chapels) and no roof shall be used for laundry or clothes drying purposes.

On January 31, 1899, Mr. White conveyed to Mr. A. P. Loring a portion of his land on the corner of the Fenway and Worthington St., subject to the restrictions mentioned in said deed.

We now desire and ask that the restrictions placed on said land by said deed of White to the City of Boston be so far modified or amended as to conform to the restrictions at the present time placed upon Back Bay lands, and especially that they be so changed as to allow the erection on said land of buildings seventy feet in height.

This matter is very urgent, as Mr. Loring wishes to build on his land immediately. Yours respectfully,

Henry M. White,

By John H. Colby, his Attorney.

A. P. Loring,

By A. F. Clarke, Attorney.

Ordered, That the Board of Park Commissioners, with the approval of the Mayor, and by an instrument or instruments satisfactory to the Law Department, may, in the name and behalf of the City, alter and amend the restrictions contained in deeds heretofore given to the City by the owners of lands abutting upon the public parks, by substituting the word "seventy" for the word "sixty" in the clause relating to the maximum height of buildings allowed on the restricted premises, and may also insert after the word "chapels" in said clause the words,—or above the grade of the ground at the principal front of the building, in case the grade of said ground is above the grade of said park.

Referred to Committee on Public Improvements on motion of Ald. Colby.

HEARINGS AT 3 O'CLOCK.

On petitions for leave to project bay windows, viz:—

1. Bernard J. Devine, three, at Nos. 66-68-70 A St., Wd. 13.

2. David Rub'novz, one, over Huntington Ave and Heath St., from building on the easterly corner of said streets, Wd. 19.

No objections. Severally referred to the Committee on Building Dept. (Ald.)

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named, viz:—

Building Dept. (Ald.)

Petitions for leave to project signs, viz:—

Adolph H. Lock, a sign at 124 Dorchester Ave., Wd. 24.

George McIrhsne, a sign, at 11 Oswego St., Wd. 9.

Giovanni Filoamo, a sign, at 141 Leverett St., Wd. 8.

Mills & Meyers, a sign, at 87 Albion St., Wd. 9.

Charles S. Miller & Co., a sign, at 109 Brooks St., Wd. 1.

Joe S. Tribuna, a sign, at 3 Lewis St., Wd. 6.

Atherton T. Brown, for leave to construct basement of proposed new building at 185 Summer St., at grade 10.

Claims.

Frank Brewster, to be paid balance remaining from tax sale of estate on Massachusetts Ave., cor. Lansdowne St.

Patrick Hart, to be paid balance remaining from tax sale of estate on Bowen St.

Bert C. Day, to be paid balance remaining from tax sale of estate on northeast side of Perham St.

Henry H. Salman, for the payment to

Charles F. Berry of balance remaining from tax sale of estate on Centre and Stimson Sts.

John F. O'Brien, to be paid for damage to his sleigh by collision with fire apparatus.

Thake & Charles, for compensation for damage to horse, wagon and harness, caused by a defect in Warren Ave.

Electric Wires.

The N. E. Tel. and Tel. Co. of Mass., for leave to erect poles in Oak St., Wd. 4.

Licenses.

St. Mary's Catholic Total Abstinence Society, for a permit for Ethel Thompson, under 15 years of age, to appear at St. Mary's Hall, cor. Moore and Saratoga Sts., on the evening of April 13.

Railroads.

Petitions of the West End Street Railway Company for locations, viz:—

1. For leave to construct additional tracks, curves, etc., to connect the Grove Hall Car-house with tracks in Blue Hill Ave.

2. For leave to lay a single track in City Sq., Park and Warren Sts., Charlestown.

3. For leave to construct curves at junctions of Northampton St. with Harrison Ave., Washington St. and Shawmut Ave., and at junctions of Dover St. with same streets.

Public Improvements.

Louis Segel, for leave to stretch guy ropes across Leverett and Chambers Sts.

Reuben Sherburne, for leave to construct areas in sidewalks at 17-19 Bennet St. and 1 Ash St., Wd. 7.

Atherton T. Brown, for leave to construct an area in sidewalk at 135 Summer St., Wd. 7.

Schofield Heirs, for leave to enlarge the present bulkhead in sidewalk at 20 Thacher St., Wd. 6.

Kelley & Durkee, for leave to place an illuminated sign on a post in the sidewalk at 392 Boylston St., Wd. 11.

CONFIRMATION OF APPOINTMENTS.

The Board proceeded to take up No. 3, unfinished business, and on motion of Ald. Colby the Board voted to consider the appointments together, viz:—

3. Action on the appointment by the Mayor of Fred Cutter, Armine W. Montgomery, and Maurice D. Kingsbury, to be Weighers of Boilers and Heavy Machinery, for the term ending April 30, 1899.

The question came on confirmation. Committee—Ald. Colby and Dixon. Whole number of ballots cast 8, yes 8, and the appointments were confirmed.

BAY WINDOWS—ORDERS OF NOTICE.

On the petition of James Fitzgerald, for leave to project two bay windows from buildings No. 375-381 Hanover St., Wd. 6—an order of notice was passed for a hearing thereon on Monday, April 3, at 3 o'clock P.M., when any parties objecting thereto may appear and be heard.

SALE OF OIL.

A report was received from the Fire Commissioner on the petition of Giuseppe Troccoli, for a license to keep for sale oils or fluids composed wholly or in part of petroleum, at 21 Albany St., for the year ending March 31, 1900—approving the same. Leave was granted on the usual conditions.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that miners' licenses be granted to 393 newsboys and 14 bootblacks.

Reports accepted; licenses granted on the usual conditions.

(2) Report on the petition of St. Mary's Catholic Total Abstinence Society (referred today), for a permit for Ethel Thompson, under 15 years of age, to appear at St. Mary's Hall, corner Moore and Saratoga Sts., on the evening of April 13, 1899—that a license be granted.

Report accepted; license granted on the usual conditions.

PUBLIC LANDING, JEFFRIES POINT.

Ald. DAY offered an order—That the Superintendent of Streets be authorized to lease a suitable location in the vicinity of Jeffries Point, Wd. 2, to be used as a public landing, at an expense not exceeding three hundred dollars; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses. Passed, under a suspension of the rule. Sent down.

SHELTER AT PARK ST. TRANSFER.

Ald. ADAMS offered an order—That the Boston Elevated Railway Company be hereby requested to erect a suitable awning or shelter over the sidewalk at the Park St. Transfer Station on Dorchester Ave., for the comfort and convenience of the patrons of this road.

Passed, under a suspension of the rule.

ELECTRIC LIGHTS, BRIGHTON.

Ald. ADAMS offered an order—That the Superintendent of Lamps be requested to locate a suitable number of electric lights on Tremont St., Wd. 25, between Oak Sq. and the Newton line, to properly light the street.

Passed, under a suspension of the rule.

LEAVE GRANTED ON PETITIONS.

Ald. DIXON presented the following petitions:—

H. F. Parkhurst, for leave to project an electric sign at 7 Pitts St., Wd. 8.

Sing Lee, for leave to project a sign at 53 Howard St., Wd. 7.

William H. Crone, for leave to project an illuminated sign at 18 Hanover St., Wd. 6.

The Board voted, on motion of Ald. Dixon, to suspend the rule and leave was granted to the petitioners upon the usual conditions.

ELECTRIC LIGHT, GRAMPAN WAY.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light at No. 69 Grampan Way, Wd. 20.

Passed, under a suspension of the rule.

A RECESS TAKEN.

The Board voted at 3:22 o'clock P.M., on motion of Ald. Presbo to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber, and were called to order by the Chairman at 4:01 o'clock P.M.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Report on the petition of H. Burr Crandall (referred February 13), for assessment of damages for lowering grade of McLellan St., Dorchester—that the same be referred to the Board of Street Commissioners.

Report accepted; said reference ordered.

(2) Report on message and order from the Mayor (referred March 13), recommending sale of land and buildings in East Boston, now used by the paving and sewer divisions of the Street Department—recommending the passage of the order and that said message be sent down.

The report was accepted, the message ordered sent down, and the order passed. Sent down.

(3) Report on message of the Mayor (referred March 13), transmitting communication from Fire Commissioner relative to locating a fire alarm box at the corner of Columbus and Massachusetts Aves.—that the same be placed on file.

Report accepted; message placed on file.

(4) Report on the petition of Hugh J. Morrison (referred Feb. 27), for leave to stand a night lunch wagon at the square at Field's Corner, between the hours of 7 P.M. and 4 A.M.—recommending that leave be granted.

Report accepted; leave granted on the usual conditions.

(5) Report on the petition of Kelley & Durkee (referred today) for leave to place an illuminated sign on a post in the sidewalk at 392 Boylston St., Wd. 11.—that the petitioners have leave to withdraw.

Report accepted, petitioners given leave to withdraw.

(6) Report on the petition of Louis Segel (referred today), for leave to stretch guy ropes across Levee St. and Chambers Sts., Wd. 8.—recommending the passage of the accompanying order:

Ordered—That the Superintendent of Streets be authorized to issue a permit to Louis Segel to stretch, maintain and use guy ropes over and across public streets, as follows:

Three over and across Leverett Street, between Causeway and Cotting Streets, and 3 over and across Chambers Street, between Ashland and Poplar Sts., Wd. 8; same to be removed on or before September 20, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed.

(7) Report on the Mayor's Message with accompanying order, (referred today) relative to altering or amending deeds to city of land bordering on public parks,—recommending the passage of accompanying order, and that said message be sent down.

The report was accepted, the message was ordered sent down and the order was passed. Sent down.

GENERAL RECONSIDERATION.

Ald. ADAMS moved reconsideration upon all business transacted at the meeting, hoping that the same would not prevail. Lost.

HALF HOLIDAY ON SATURDAYS.

Ald. O'TOOLE offered an order—That His Honor the Mayor be requested to direct the heads of the several departments to allow a half-holiday without loss of pay on Saturdays between the first day of May and the first day of November to all city employees whose services can be dispensed with, in part compensation for their services.

Passed, under a suspension of the rule. Sent down.

RESCISSON OF ASSESSMENT.

Ald. O'TOOLE offered an order—That so much of the order of the Board of Aldermen, approved December 29, 1898, as levied an edgestone assessment of \$50.19 against the estate of Jane C. Lannon on Centre St. next to the bridge, Wd. 23, be and the same is hereby rescinded on account of a previous edgestone and assessment therefor against said estate.

Passed.

CLOSING OF CANTERBURY STREET.

Ald. O'TOOLE offered an order—That the Superintendent of Streets be authorized to close the roadway on Canterbury St., near Calder St., Wd. 23, to public travel during sewer construction.

Passed.

RAILROADS—ORDERS OF NOTICE.

Ald. DIXON, for the Committee on Railroads, submitted reports on petitions

(severally referred today), of the West End Street Railway Co., recommending the passage of orders of notice for hearings thereon on Monday, April 10, at 3 o'clock P.M., when any parties objecting thereto may appear and be heard, viz:—

West End Street Railway Co., for leave to construct curves at junctions of Northampton St. with Harrison Ave., Washington St and Shawmut Ave. and at junction of Dover St. with same streets.

West End Street Railway Co., for leave to lay tracks in City Square, Park and Warren Sts., Charlestown.

West End Street Railway Co., for leave to construct additional tracks, curves, etc., to connect the Grove Hall Car-house with tracks on Blue Hill Ave.

Reports accepted; orders of notice passed.

ELECTRIC WIRES—ORDER OF NOTICE.

Ald. BRICK, for Ald. Doyle, for the Committee on Electric Wires, submitted a report on the petition of The New England Tel. & Tel. Co. of Mass. (referred today), for leave to erect poles in Oak St., Wd. 4—recommending the passage of an order of notice for a hearing thereon on Monday, March 27, at 3 o'clock, P. M., when any parties objecting thereto may appear and be heard.

Report accepted; order of notice passed.

PAY FOR PUBLISHING PROCEEDINGS

Ald. PRESHO offered an order—That the City Auditor be authorized to allow for payment, and the City Treasurer to pay, the Advertiser Newspaper Company the sum of \$8500 in full for publishing the proceedings of the City Council from February 1, 1898, to February 1, 1899, the said amount to be charged to the appropriation for City Council proceedings.

Report accepted; order passed under a suspension of the rule. Sent down.

Adjourned at 4:10 o'clock P.M., on motion of Ald. Day, to meet on Monday, March 27, at 3 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, March 23, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P.M.

In the absence of President Kiley, the Council was called to order by Mr. Nangle, of Wd. 19, senior member.

Mr. NANGLE, in taking the Chair, said:—

Members will please come to order. Owing to the absence of the President this evening, it becomes the duty of the senior member to call you to order. The first business in order will be to elect a president pro tem.

Mr. MULCAHY of Wd. 14—Mr. President, I move you, sir, that the Clerk of this body be directed to cast one ballot for Charles P. Nangle as presiding officer pro tem.

Mr. CUDDY of Wd. 8—Mr. President, in amendment of the motion, I move that Mr. Michael J. Lydon of Wd. 13 act as President pro tem.

The CHAIR—The question first comes on the amendment.

Mr. MULCAHY—Mr. President, as I understand it, it is always a matter of courtesy to tender an honor of this nature to the senior member of this body or organization of any kind. In the absence tonight of our presiding officer, in my judgment, it becomes the duty, as I said before, of the senior member to take the Chair. You will all recollect the fact that on the first Monday of the year Mr. Nangle, the gentleman who now occupies the chair, performed the duties of presiding officer, and performed them well. I hope now, Mr. President, that the members will be courteous enough on this occasion to tender to the gentleman who now occupies the position the honor of an election as presiding officer for this evening.

Mr. WATSON of Wd. 18—Mr. President, I don't think the selection of a presiding officer is a question of courtesy at all. It is a question of the will of the majority, and I, as a member of the majority on this floor, propose to vote for Michael J. Lydon as Chairman. I don't wish to be discourteous to the gentleman in the chair, as he is my friend; but for reasons best known to myself I prefer Michael J. Lydon as presiding officer.

The CHAIR—The question first comes on the substitution of the name of Michael J. Lydon in place of that of Charles P. Nangle, as president pro tem.

Mr. HICKLEY of Wd. 2—Mr. President, I take no particular interest in this discussion here tonight. It is somewhat similar to the discussion which took place in this Council Chamber on Inauguration Day. But I feel that the argument of courtesy should be accorded some weight on this occasion. I feel that the argument which has been made by the gentleman from Wd. 14, (Mr. Mulcahy), should hold water. I believe, Mr. President, that the gentleman who presided over the deliberations of this body on Inauguration Day with such skill and ability should be given that honor again tonight; and I hope that the democratic members of this body, at least, will stand by the regular denoument who now occupies the Chair and who should occupy it for the remainder of the evening.

The CHAIR—The question comes on the substitution of Michael J. Lydon for Charles P. Nangle as presiding officer.

The amendment was declared carried. Mr. Mulcahy doubted the vote, and asked for a rising vote. The Council stood divided, and the amendment was carried, 39 members voting in the affirmative, 13 in the negative.

The motion as amended was adopted, and an announcement was made that the Clerk had attended to the duty assigned him, and that Mr. Lydon was elected President Pro Tem of the body.

The Chair appointed Messrs. Mulcahy of Wd. 14, and Cuddy of Wd. 8, a committee to escort Mr. Lydon to the Chair.

The Committee attended to the duty assigned; and Mr. Lydon, upon assuming the Chair, was greeted with applause.

President LYDON—Gentlemen, I assure you that I am very grateful to you for the honor you have conferred upon me. I shall endeavor to perform my duties here fairly and impartially, and hope that my action will meet with your approval.

CONDITION OF BRIGHTON SCHOOLS.

The following was received:—

City of Boston, Health Department.

March 16, 1899.

To the Common Council, City of Boston.

Gentlemen:—In response to your order of the 2nd inst., concerning the Brighton High and William Wirt Warren schoolhouses, in Brighton, the Board of Health respectfully reports that on examination the latter house is found to have defective drainage in its basement at the foot of the soil-pipe near the sink on the boys' side; also in that part of the basement where the urinal is located. All the fixtures are trapped and ventilated. The Latrines are located in the basement and were found to be in a fair condition. At the time of the examination a slight odor was noticeable from the urinal in the basement. The ventilating apparatus connected with the school appeared at the time of this inspection to be in good working order. The fresh air shaft, however, passes through the basement and rooms in which the privy and urinal accommodations are located and when its valves are open the air shaft receives air from the basement rooms which ought not to be permitted.

The Brighton High schoolhouse was examined on complaint the latter part of January, 1899, and a report of its condition and needs was made to the School Committee, a copy of which we enclose herewith.

The only addition we would make to the enclosed report to the School Committee, is that the same alterations from the Mott washout to the single and ventilated water closets, is that we would recommend that the same changes be made on the boys' side as are recommended for the girls' closets and for the same reasons.

An estimate of the expense of such repairs and alterations might better be obtained from the Building Department.

Very respectfully,

The Board of Health,
Samuel H. Durgin, Chairman,
City of Boston, Health Department.

Boston, Jan. 26, 1899.

Honorable School Committee,

Gentlemen: Complaint having been made at this office of the offensive odors in basement of the Brighton High School building, the Board of Health has made personal examination and finds that the washout, under the girls' closets, is in bad condition and is the cause of a nuisance of the most unpleasant character, and which ought to be corrected without delay. The Board would suggest that the situation of these closets makes it practically impossible to utilize a washout as a means of flushing, without annoyance through the fresh air shafts and otherwise to the whole building; it does, therefore, respectfully suggest that the individual short hopper with local vent for each and an extension of the drain for about 25 feet will be the most serviceable, satisfactory and, in time, the most economical means of correcting the evil. Yours very truly,

The Board of Health,
Samuel H. Durgin, Chairman.

Referred to the Committee on Public Buildings Department, when appointed.

IMPROVEMENT OF L ST. BATH-HOUSE.

The following was received:

Mayor's Office, City Hall,
Boston, March 16, 1899.

To the Common Council:

I transmit herewith a communication from the Bath Commissioners in reference to your order requesting the placing of the children's room at the L St. bathhouse "in a more suitable condition."

Respectfully,

Josiah Quincy, Mayor.

Department of Baths, 64 Pemberton Sq.,
Boston, March 11, 1899.

Hon. Josiah Quincy, Mayor of Boston:—

Dear Sir: Replying to the order of Councilman Logan of Wd. 14, dated March 2, 1899, I beg leave to say that I am requested by the Trustees of the Bath Department to state that before opening the L-St. Bath-house for the summer bathing, the different rooms for children, men and women will have been placed in as good condition as possible consistent with the character of the accommodations offered to the public at that place.

The Committee of the Bath Trustees on the South Boston district are giving considerable attention to the L-St. Bath-house, and before the opening of the season, will have placed the accommodations on the beach in a good sanitary condition.

Respectfully yours,

Daniel D. Kearns, Secretary.

Placed on file.

CONDITION OF TICKNOR SCHOOL.

The following was received:—

Mayor's Office, City Hall,
Boston, March 16, 1899.

To the Common Council:—

I transmit herewith a communication from the School Committee in reply to your order asking that an investigation be made of the sanitary condition of the Ticknor Schoolhouse, South Boston.

Yours respectfully,

Josiah Quincy, Mayor.

City of Boston—In School Committee.

March 14, 1899.

The Committee on Schoolhouses, to whom was referred (Feb. 14) a communication from His Honor the Mayor, enclosing a communication from the Common Council, asking that the sanitary condition of the Ticknor School, South Boston, be investigated, and that such changes and repairs as are necessary be made so as to put the same in proper condition, report that they have again investigated the condition of this building and are fully acquainted with its necessities with regard to alterations and repairs. These are so extensive, however, as to involve the closing of the school, should the work be undertaken at the present time. Your committee therefore recommend that the Common Council be respectfully informed through His Honor the Mayor that it is the intention of this committee to furnish new sanitary accommodations for this school, and to make other alterations and repairs, during the coming summer vacation. For the Committee,

Thomas F. Strange, Chairman.

Accepted and ordered to be sent to His Honor the Mayor.

A true copy. Attest:

Thornton D. Apollonio, Secretary.

Placed on file.

LIST OF EMPLOYMENT AGENCIES.

The following was received:—

Mayor's Office, City Hall,
Boston, March 23, 1899.

To the Common Council:—

I transmit herewith a communication from the Pauper Institutions Trustees in reply to your order requesting a report giving "the names of employment agencies with which they deal in securing help for their departments." Respectfully,
Josiah Quincy, Mayor.

Pauper Institutions Trustees, 28 Court Sq.
March 22, 1899.

Hon. Josiah Quincy, Mayor of Boston.

Dear Sir:—In reference to the order of the Common Council, dated March 9th, 1899, "that the Board of Trustees of Pauper Institutions be requested, through His Honor the Mayor, to report to the Common Council the names of employment agencies with which they deal in securing help for their departments," I would respectfully report as follows:—

It is the custom of the Pauper Institutions Trustees to leave largely in the hands of the superintendents of the Boston Almshouse and Hospital on Long Island and the Charlestown Almshouse, respectively, the privilege of securing such help as does not fall within the classified lists of the Civil Service. We find, on inquiry, that such help has been secured during the year February 1st, 1898, to January 31st, 1899, from several employment agencies, to some of which fees have, while to others fees have not been paid, as follows:—

| Name of Agency. | Fees paid. |
|---|------------|
| Ray's Employment Bureau..... | \$11.50 |
| Sisters of Charity..... | 4.50 |
| Gray Nuns..... | 3.00 |
| Women's Education and Industrial Unlon.. | 1.50 |
| Boston Young Men's Christian Association. | 1.00 |
| Joseph Breck & Sons..... | 0.00 |
| Mercantile Reference and Bond Association | 0.00 |
| Miss Dunning's Agency..... | 0.00 |

As no formal records have been kept directly bearing upon the question raised, it is possible that this list may not be complete, but it is believed to be correct, so far, at least, as payments are concerned.

Very truly yours,

William T. Sedgwick, Chairman.

Mr. WATSON of Wd. 18—Mr. President, as that communication is in reply to an order of mine, I desire to make a statement. I wish to say that I did not ask the Board of Pauper Institutions Trustees to make an apology for having hired clerks at employment agencies. I merely asked them to name the employment bureaus from which they employed help. I infer from that communication that the practice is general, and I trust that in future, we will take some action prohibiting it.

The communication was placed on file.

VETO OF BUILDING PERMIT.

The following was received:—

Mayor's Office, City Hall,
Boston, March 21, 1899.

To the City Council:—

I return herewith without my signature an order authorizing the Building Commissioner to issue a permit to William H. J. Stone for a wooden addition to a building on Poplar St., Wd. 23, for the reason that the owner of the building now desires to build the addition of brick, and has withdrawn his application for a permit to build a wooden addition.

Respectfully submitted,

Josiah Quincy, Mayor.

The question came on reconsideration of the vote whereby the said order was passed again, and on its passage again, the objections of His Honor the Mayor to the contrary notwithstanding.

On motion of Mr. Brauer of Wd. 23, further consideration of the matter was indefinitely postponed.

NON-RESIDENT EMPLOYEES.

The following was received:

Mayor's Office, City Hall,
Boston, March 17, 1899.

To the City Council:

I return herewith without my approval

an ordinance amending the language of Section 12 of Chapter 3 of the Revised Ordinances, so as to provide that none but legal voters of Boston shall be employed in any capacity as male subordinates in any department.

Section 12 of Chapter 266 of the Acts of 1885 expressly provides that the City Council shall not "directly or indirectly take part in the employment of labor..... or in the conduct of any of the executive or administrative business of the city," nor in the appointment of officers or subordinates, except the officers elected by the City Council or subject to confirmation by the Board of Aldermen. The Corporation Counsel has repeatedly given his opinion that, under this provision of law, it is entirely outside of the powers of the City Council to undertake to define by ordinance the qualifications of officials or employees, or to impose limitations upon their selection by the executive departments. It is true that the Section of the ordinances which is amended by the ordinance before me provides that heads of departments shall employ "none but citizens of the United States in any capacity, and shall give preference in all cases to citizens of Boston;" this provision, however, for the reason above stated, has no legal effect, and I did not make objection to its insertion in the last revision of the ordinances partly because of this fact, and partly because there seemed to be no objection to the observance of such a provision.

In respect to the merits of the amendment now proposed, while I have considerable sympathy with the purpose in view, it seems to me it would be going altogether too far to lay down an absolute rule that in no case should any person not a legal voter of the city be employed as a male subordinate in any department. In the first place, this would absolutely prevent the employment of minors under 21 years of age, a considerable number of whom are almost necessarily employed by certain departments; in the second place, if such a provision were enforced, it would compel the summary dismissal of quite a number of officials and employees who have been for many years in the employ of the city and are rendering useful service, as it might be impossible for them, in many instances, to qualify at once as legal voters of the city; and, in the third place, while I believe in giving preference in all cases to citizens of Boston, as provided by the present ordinance, I am not prepared to accept the position that, whatever the technical requirements of any office may be, or however important it may be to secure the best expert service attainable or the benefit of special experience, the departments shall be in all cases confined to persons whose names can be found on the voting lists of the city.

Respectfully submitted,

Josiah Quincy, Mayor.

Mr. LINEHAN of Wd. 13—Mr. President, I move you, sir, the reconsideration of that ordinance, and that it be placed upon its passage; and that when the vote is taken it be taken by the yeas and nays. I hope we will pass it over the Mayor's veto.

The PRESIDENT—The Chair will state that the motion made by Mr. Linehan is not necessary, as the question comes on the passage of the ordinance, notwithstanding the objections of His Honor the Mayor. The question is on the passage of the ordinance notwithstanding the objections of His Honor the Mayor.

Mr. LINEHAN—Mr. President, I move you, sir, that the vote be taken by the yeas and nays.

The PRESIDENT—The Chair will state that it is provided by law that the vote shall be taken by the yeas and nays, when it is taken.

Mr. WATSON—Wd. 13—Mr. President, as a matter of information, I wish to know whether it takes 50 votes to pass the ordi-

nance over the Mayor's veto, or whether it only takes two-thirds of those present?

The PRESIDENT—The Chair will state that it requires 50 votes to pass the ordinance over the Mayor's veto.

Mr. MULCAHY of Wd. 14—Mr. President, while I feel that I might for some reasons favor the ordinance offered by the gentleman, simply because it distinctly states that none but citizens of Boston shall be employed, still, again, Mr. President, on the other hand, in order to show that the members of the Council should consider this matter carefully, I wish to call attention to the fact that this amendment has been declared unconstitutional, and that from all that we can learn, it is. Now, Mr. President and gentlemen, I do not know how any other members feel on this matter, but I myself will uphold the Mayor's veto in reference to this matter, and will sustain him in his veto on this question.

Mr. WATSON—Mr. President, I do not desire to take all the time of the Council this evening in talking, but I trust that I may be pardoned for addressing the members of this body for a few minutes upon this measure. I see every reason for passing this measure over the Mayor's veto. In the Mayor's veto itself, he gives us a good reason. He says that the previous provision in the ordinance providing that citizens of Boston shall be given the preference had no legal effect. However that may be, Mr. President, it puts the burden upon those who were not citizens of proving the ordinance unconstitutional, and I think the insertion of the words "legal voters" puts the burden upon those working for the city and not living here. Let them prove the unconstitutionality of this ordinance. I feel it high time, Mr. President, that the taxpayers of Boston—and I mean the poll taxpayers, as well as the real estate taxpayers—should receive the benefit of living in the city of Boston. I do not see why the taxpayers of Boston should have to pay the salaries of residents of Gloucester, Winthrop, Lowell, Amesbury, and I might go as far as North Adams, Mr. President. The argument used by some who are trying to favor the Mayor's veto tonight is that the class of people hired from out of town is such that we cannot find people to fill their places—that it is a class of work which it requires people from outside of the city to do. It is true that the argument has not been advanced upon the floor of the Council tonight, but it may be before this debate is through.

The ordinance was assigned to the next meeting of the Council.

Now, I wish to say that my position tonight is not antagonistic to the Mayor. I am stating my position as to the ordinance on principle. If the words providing that citizens of Boston should be given the preference in the ordinance before had no legal effect, why did not he, as Mayor of Boston, have that ordinance amended? Why does he take this position at this time? Because, Mr. President and members of the Council, this ordinance originated in this body and was introduced by a member not inclined to be friendly to the Mayor. It is that reason, and for no other reason. There is no question about it. No one can deny it. I say, as I said in the beginning of my few remarks, that the burden should be upon those who are non-residents and non-voters of Boston to prove this ordinance unconstitutional. By and by, Mr. President, you will find out that at least half the employees of the city of Boston—those who have good jobs—not laboring jobs, are not residents and legal voters of the city of Boston. I trust that this will not be an administration and Anti-administration movement, but that the ordinance will be passed over the Mayor's veto in the interests of the legal voters of Boston.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to say just a few words in

regard to this ordinance. I will try to explain my reasons for introducing it. A short time ago the trustees of the pauper institutions tendered the position of Superintendent of Long Island to a gentleman by the name of Garvin, who was then warden of the Indiana State Penitentiary at Jeffersonville, Indiana. Since then I have found out that Mr. Garvin is now in the State of Connecticut—the result of a law passed by the state legislature of Indiana to investigate the institution that he was warden of. He is a man who is notorious for severity, for cruelty to the inmates. That is the reason why he was dropped from the Indiana Penitentiary; and he is the man whom the trustees of the pauper institutions want to pile on to the poor inmates, the people of Long Island—a man notorious for crushing humanity, for solitary confinement and imprisonment! That is the man they were to pay \$5000 a year to. Now, as it is apparent to me that it is almost impossible to get fifty votes to pass this order tonight, I move you, sir, that the ordinance be assigned to the next meeting.

PAPERS FROM BOARD OF ALDERMEN

1. Message of the Mayor transmitting a communication from the Superintendent of Streets, with statements appended, relative to the construction of additional sewerage works. (City Doc. 70.)

Placed on file.

2. Notice of the announcement of the appointment of joint standing and joint special committees on the part of the Board of Aldermen.

Placed on file.

3. Ordered, That the Fire Commissioner, through His Honor the Mayor, be requested to place a fire-alarm box at or near the Field's Corner station of the New York, New Haven & Hartford Railroad, in Wd. 20.

Passed in concurrence.

4. Ordered, That the rules and orders of the City Council be hereby amended in Rule 1, by inserting after the clause relative to a Committee on Contingent Expenses of the City Council, the following new clause, viz.:—

"A Committee on Finance, to consist of five members of the Board of Aldermen and eight members of the Common Council, who shall have the powers devolving upon such committee under the statutes, and shall examine into and report on all matters referred to them by the City Council."

The question came on giving the order a second reading.

Mr. TURNBULL of Wd. 4—Mr. President, if any member can give me any information in regard to this order, I would like to hear it? Otherwise, I will move the indefinite postponement of this order. It seems to me the most nonsensical order I have seen this year. "A committee on finance!"—a committee to report upon financial matters to the Board of Apportionment, when their reports would not be worth the paper they were written on? I think the alderman who introduced this order is a member of the Committee on Finance, and I certainly cannot understand why he has put in such a farcical order as this, because the Committee on Finance last year was the biggest farce I ever attended, and I have been present at one or two farces in this body. I think that is the biggest farce that I was ever connected with. We all know that the Board of Estimate and Apportionment has the right to appropriate all sums of money; and I certainly cannot understand why orders coming from this body or the Board of Aldermen should be referred to the Committee on Finance and then reported from that body to the Board of Apportionment. I cannot understand what weight they could have. If any member here can give me any information in regard to this or-

der, I will withdraw my motion. Otherwise I will move that the order be indefinitely postponed.

Mr. WATSON of Wd. 13—Mr. President, while I am not on speaking terms with the alderman who introduced this order (laughter), I think I am in a position to give the information the member from Wd. 4 desires. There is money held by the city in trust, such as the Randidge fund, etc., which the Board of Apportionment has nothing whatever to do with. The law says that all expenditures of money held in trust shall be approved by the Finance Committee of the City Council; and for that reason the Finance Committee is absolutely necessary. However, I have no objection to this going over for a week, if this information is insufficient for the member.

Mr. TURNBULL—Mr. President, in view of that information I will withdraw my motion and will ask that the matter be assigned for one week.

Mr. CUDDY of Wd. 8—Mr. President, I sincerely hope that the order will not be assigned, inasmuch as it is necessary that this committee should be appointed. The joint committees of the Council will be given out, I believe, at the next meeting. It will be well that the order pass tonight, so that the committees can all be given out. I am told by Mr. Watson that it is absolutely necessary that this committee should be appointed, because money cannot be paid out from some of the trust funds without the payment being sanctioned by the Committee on Finance. Therefore it becomes necessary that the committee be appointed. I don't see any good that will come from assigning this order for one week. I sincerely hope it will pass tonight.

Mr. MULCAHY of Wd. 14—Mr. President, I trust that the order will be assigned for one week, on the ground that we would like a little knowledge or some information in regard to it. The gentleman from Wd. 13 (Mr. Watson) supplied us with a small amount, but I am under the impression that there is more. I trust that the matter will be assigned.

The motion to assign was lost.

The order was read a second time and passed in concurrence. Mr. Cuddy moved to reconsider; lost.

5. Ordered, That His Honor the Mayor be requested to direct the heads of the several departments to allow a half-holiday without loss of pay on Saturdays between the first day of May and the first day of November to all city employees whose services can be dispensed with, in part compensation for their services.

Passed in concurrence.

6. Ordered, That the City Auditor be authorized to allow for payment, and the City Treasurer to pay, the Advertiser Newspaper Company the sum of \$3500 in full for publishing the proceedings of the City Council from February 1, 1898, to February 1, 1899, the said amount to be charged to the appropriation for City Council proceedings.

Passed in concurrence. Mr. Watson of Wd. 18 moved to reconsider; lost.

7. Ordered, That the Superintendent of Streets be authorized to lease a suitable location in the vicinity of Jeffries Point, Wd. 2, to be used as a public landing, at an expense not exceeding \$300; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses.

The question came on giving the order a second reading.

Mr. BORDMAN of Wd. 10—Mr. President, I would like to ask the members of the Council, through the President, if there is anyone who can give me any information as to the purport of this order, and why this expense should be charged to the appropriation for City Council, Incidental expenses? If there is not, I will move the assignment of the order for one week.

Mr. BAGLEY of Wd. 1—Mr. President,

this order is something which comes before us each year. There is a public landing in the vicinity of Jeffries' Point at present, and it has been there for a number of years; and this order provides for the appropriation of money that the lease may be renewed. The reason why it is charged to the City Council, incidental expenses, I don't know. But it seems that that has always been the case.

Mr. HICKEY of Wd. 2—Mr. President, if I may be permitted to furnish further information at this time, I will simply say that last year, Alderman Conry introduced this order in the Board of Aldermen, that it passed that body unanimously, and also passed the Common Council, and that it provides for the maintenance at Jeffries' Point in East Boston, Mr. Chairman, of a public landing, which is a necessity there. The landing is in the immediate vicinity of three of the finest boat houses in New England—the Everett, Columbian, and Jeffries boat houses. As a member representing East Boston, I will deem it a favor if the other members of the Council will allow this order to go on its passage this year, the same as last year.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to ask some of the members who know so much about this why the \$300 should come out of the city council?

Mr. WATSON—Mr. President, I am not opposed to the Everett Boat Club or any other boat club having a landing near their boat house; but I am opposed to our paying \$300 a year for it. I don't know how much land is used, but it seems to me it must be a mighty big place if it could not be paid for entirely in five or six years at the rate of \$300 a year. If I am creditably informed, it has been hired by the city for five years. If this sort of thing is to go on, and this yearly payment is to be made, it seems to me the property will be very soon paid for, and I think it would be better for the city to buy it outright. I think the principle is wrong. I am not opposed to the city purchasing land for boat landings; and, possibly, after this order is assigned to another meeting, I may favor the position taken by the member from Wd. 2, but I certainly cannot do so at this meeting.

Mr. HICKEY—Mr. President, I desire to say at this time that the motion to assign the matter will be perfectly agreeable to me. I have no doubt that Ald. Day, who introduced this order in the upper branch of the City Council, had good reason for so doing, and that he was not only guided by precedent but by good judgment. I have no objection, however, to allowing the order to go over for one week.

Mr. WATSON—Mr. President, I desire to add one more word. I think when we begin taking something from the City Council Incidental Expense Fund we are establishing a bad precedent. I might come here at the next meeting and put in an order to take the balance of the incidental fund for the repairing of Ruggles St. in my ward, which badly needs it. I am more than ever inclined to think that we should assign this order to the next meeting, and defeat it then. (Laughter.)

The order was assigned to the next meeting of the Council.

3. Mayor message transmitting a communication from the Superintendent of Streets and, in accordance with his request, recommending the passage of the following order:—

Ordered, That the Superintendent of Streets be authorized, with the approval of the Mayor, to sell the land and buildings owned by the city, now used by the Paving and Sewer Divisions of the Street Department, and situated between Chelsea and Paris Sts., East Boston, and that the Mayor be authorized to execute a deed of the same in the name of the city; the proceeds received from such sale to be turned into the Treasury, subject to subsequent appropriations by the Board of Estimate

and Apportionment and the City Council. The message was placed on file, the first reading of the order was dispensed with, on motion of Mr. Turnbull of Wd. 4, and the question came on giving it a second reading.

Mr. STEVENS of Wd. 11—Mr. President, in this order, No. 8 on the calendar, we are requested to give the mayor the right to sell a certain piece of property which at the present time is not being used by the city. Before giving him that authority I think that everyone in this body ought to be informed, through the Mayor's department, how much land there is there, and approximately what it is worth. I am not a believer in the theory that every time there is anything that the city does not use for a few months, we should give the Mayor the authority to sell it. If he avails himself of the authority which it is proposed to give him under this order, the proceeds received from such sale are to be turned into the treasury, subject to subsequent appropriation by the Board of Estimate and Apportionment and the City Council. Now, I move that this matter be assigned for one week, and that in the meantime His Honor the Mayor be requested to give us some information as to how many feet of land there are in this parcel, and approximately what it is worth, because I think it may be a good thing for the city to own a little land. Just at the present time this piece of land is not being used, but there may be some other purpose for which the East Boston people will be very glad to use that particular land.

Mr. BAGLEY of Wd. 1—Mr. President, this property which the city desires to sell is a piece of land which has been used as a yard for a number of years for the storage of stone, and for similar purposes. Last year the city bought a wharf where they can receive the stone and gravel direct from the vessel, and thus save the carting of the same. This boat property is a property which they spent \$16,000 or \$18,000 for, and I should judge that there was about 80,000 feet in all. It runs clear out to the channel, and the reason for their wanting to sell the present yard is that they desire to build new buildings on the wharf property, and to transfer the amount received for this yard to the building of such buildings.

Mr. HICKEY of Wd. 2—Mr. President, I have no particular objection to the assignment of this matter, and yet I feel that this Council could wisely determine on the justice of it at the present time. I feel that the order as framed, and as it appears on the calendar, is a wise one, and that it has been properly framed. The old site which has been used by the street department in East Boston for years past is in the central portion of the island, and it is in a very valuable location. The city has no use for it whatever, and in the present condition of the city's finances it seems to me it behooves the members of the Council to vote for the order as it appears on the calendar.

Mr. BORDMAN of Wd. 10—Mr. President, I wish to favor the assignment of the order for one week, on the ground of precedent. It seems to me that the reason that the Legislature, in its wisdom, took away the power of this body in financial matters, was because they felt that financial matters received no due consideration at the hands of this body—that matters were log-rolled and passed through this Council without any proper consideration whatever. It seems to me that we find in this order a hidden motive on the part of Mayor Quincy. We find an attempt to make history repeat itself, and to show that, whatever financial measures are brought before this body, it will not give them their due and proper consideration. We find here an order asking us to give the Mayor authority to execute a deed for this land, and to turn the pro-

ceeds of the land, however great or small,—and that is entirely unknown to us—into the general treasury of the city. We do not know anything about the value of this property, although some of the members from East Boston have told us that it is used for a storage yard. We do not know its present value or how it will enhance in value in the future. If the Mayor was frank enough to embody in this order a provision that the proceeds shall be used to build new storage warehouses on the new lot, I think I should favor the order, but he asks us to vote for an order providing that the proceeds shall be turned into the general treasury, subject to future appropriation by the Board of Estimate and Apportionment and the City Council. It seems to be a scheme on the part of a bankrupt administration to obtain more funds for its support, and, for one, I favor the assignment of the matter until it can be looked into by the members of the Council.

Mr. MULCAHY—Mr. President, with reference to the remarks of the last speaker, I want to say to him that when it was a question of giving an appropriation of money proper consideration in this body during the last three years, I want to tell that gentleman from Wd. 10, that it always received proper consideration at the hands of the members of this body. He will have to admit himself that it has received such consideration this year, and I admit that it has done so for the past three years. As for the gentleman from Wd. 11, I want to state that if he was so desirous of knowing the valuation of this property, he being in City Hall, where I have met him on several occasions, it would not have been a difficult thing or much out of his way for him to take a step into the Superintendent of Streets' office and find out the valuation of this property. Now, Mr. President, I do not know anything about this site in East Boston, and I do not know anything about the new site; but it seems to me that East Boston is the target tonight. I hope the members of the body will allow this matter to go through. There is no scheme here. The city has bought new property, and it desires to get rid of the old property. If the gentleman from Wd. 10 desires to know what they receive from this property, let him wait until they sell it, and then he will find out. If you keep assigning it from week to week, and from month to month, you will never find out.

Mr. LINEHAN of Wd. 13—Mr. President, I sincerely hope assignment will prevail, and in answer to the gentleman who stands in the same division as I do (Mr. Mulcahy), when he refers to the gentleman from Wd. 11 going to see the Superintendent of Streets and finding out the valuation of this property, I would like to tell him that I waited an hour the other day to see the Superintendent of Streets in reference to a matter about the Dover St. bridge. It was a matter affecting the bridge, Mr. President, where human life was at stake—

Mr. MULCAHY—Mr. President: I rise to a point of order.

Mr. LINEHAN (continuing)—and I waited an hour, and I could not see the Superintendent of Streets.

The PRESIDENT—The gentleman from Wd. 14 will please state his point of order.

Mr. MULCAHY—As the gentleman has taken his seat, Mr. President, it is not necessary.

Mr. WATSON—Mr. President, it seems to be necessary for me to differ with the gentleman from Wd. 14 in everything tonight. I do not care a tinker's whether this is assigned for a week, for a month, or whether it is passed tonight. But I do want to answer the gentleman, the wise man from Wd. 14. He says this Council has voted money heretofore to the Mayor, and has passed orders giving him money and entrusting him with it. That is true, but we do not know what has become of it. Now, the fact that we have

erred in the past is no reason why we should continue erring. To use a phrase that is used a great deal in my ward, I want to say that I am a little "leery" of His Honor the Mayor. I want to say that I, as a member of this body, and as a democratic member of this body, have bought gold bricks. I want to say that last year we discovered a scheme in the Gibson St. order, in which it was proposed to sell city property located there. Perhaps there is something back of this. I will leave it to the judgment of the members whether it is necessary to assign it. I do not care whether it is assigned or not, but I did want to answer the gentleman from Wd. 14 in reference to action taken by the Council in the past.

Mr. KASANOF of Wd. 9—Mr. President, I move you, sir, the previous question.

Mr. STEVENS of Wd. 11—Mr. President, I trust the main question will not be ordered, as I would like to say a few words more in regard to this, and I think there are several others who would like to speak upon it. I would be glad to give Mr. Kasanof the same privilege, whenever he wants it.

The question came on ordering the main question, and it was not ordered.

The question came on the assignment of the matter for one week.

Mr. STEVENS—Mr. President, the Democratic oracle from Wd. 14 has said that when we are in City Hall we can go into the office of the Superintendent of Streets and find out just what that land is worth. In the next breath he says that he believes in passing this order right straight through, in a rush—don't wait a minute. That is all right, but perhaps we will wait. Then, before he gets through, he says that he don't know anything about that land, but that he is willing to vote for the order, although he acknowledges that he does not know anything about it. Now, for the benefit of that gentleman, I ask that assignment may prevail, in order that he can get some information, so that the next time he speaks on this order he will know something about it.

Mr. MULCAHY—Mr. President, I desire to reply to the gentleman from Wd. 11 in reference to this matter. He tells me that I ought to know what I am talking about, or to get some information in relation to this order. I wish to tell him that there is information enough for me in the order as it is printed in the calendar. I take the word of the people who put it here. There is not any question but that this property is located there. That is information enough for me—that it is there, and that it is for sale.

Mr. MILLER of Wd. 20—Mr. President, I wish to answer the gentleman from Wd. 14. I am not prepared to take the word of the party who framed this order. We have taken it several times on financial questions, and it has proved a failure in several cases. I would like to know before this order is passed whether the land is worth \$2 or \$3 a foot, and if it is as valuable as the gentleman from East Boston claims, and if it is situated in the central part of the city, I think it is good property for the city to hold. I think it may increase in value in a week or two and that we had better hold it.

Mr. NANGLE of Wd. 19—Mr. President and gentlemen, while I intend to vote for this order which is on the calendar, I will be fair enough to say that I think it is no more than right that it should be assigned. If I understand this matter rightly, the proceeds from the sale of this land are to be used for the erection of buildings for use as a sanitary yard, a paving yard, a sewer yard and a street cleaning yard. I understand that they are going to adopt new rules over there and have a street cleaning division, and also a branch of the sanitary division. The conditions are such that the yard they have is not big enough for that purpose, and as I understand it they intend to sell

this land in order to have more room, and in order to have the four divisions in one yard. While I intend to vote for the order, I think it would be no more than right to assign it for a week, so that we can get all the information we desire to.

Mr. WATSON—Mr. President, I want again to answer the gentleman from Wd. 14. In his last remarks he said that sufficient information was contained in this order for him. I would like to ask him if he received a gold brick circular, would that be any reason why he should buy a gold brick?

Mr. HICKEY of Wd. 2—Mr. President, there is no member in this Council tonight who has enjoyed the keen wit of those who oppose the passage of this order any more than I do. I rise to say that I, as one man, would be quite willing to have this order assigned rather than have it run the chance of being defeated. I will, however, repeat my former words, to the effect that this land is very valuable, and that the property to which it is proposed to transfer the yard is not nearly so valuable, being wharf property, away down near to Chelsea Creek. It seems to me there should be no opposition to an order of this kind. I might be permitted to remark that the gentleman from Wd. 10 has never found any very great difficulty in discovering some hidden scheme of the Mayor's, behind any order that comes here from the Board of Estimate and Apportionment.

Mr. BORDMAN—Mr. President, in reply to the gentleman from Wd. 2, I would state that I think we have very good justification for looking for hidden schemes.

Mr. BATTIS of Wd. 1—Mr. President, I should like to say one word in regard to this order. I come from that locality. The property is valuable, and I certainly hope that this order will be laid over for one week, in order to give the members a chance to go there and see the property for themselves. I certainly would like to see the money expended in the new location. As the member from Wd. 10 has stated, I do not believe it should be put into the treasury, with a chance for it to go somewhere else. I certainly hope it will go over for one week.

The motion to assign further consideration of the matter to the next meeting was declared carried.

9. Mayor's message transmitting a communication from the Board of Park Commissioners, concurring in the recommendation of said Board of the passage of the following order:—

Ordered, That the Board of Park Commissioners, with the approval of the Mayor, and by an instrument or instruments satisfactory to the Law Department, may, in the name and behalf of the city, alter and amend the restrictions contained in deeds heretofore given to the city by the owners of lands abutting upon the public parks, by substituting the word "seventy" for the word "sixty" in the clause relating to the maximum height of buildings allowed on the restricted premises, and may insert after the word "chapels" in said clause the words, "or above the grade of the ground at the principal front of the building, in case the grade of said ground is above the grade of said park."

The reading of the order was dispensed with, on motion of Mr. Sullivan of Wd. 4, the message and communication were placed on file, and the order was referred to the Committee on Ordinances, on motion of Mr. Chamberlain of Wd. 12.

INTEREST ON TAXES.

The Council proceeded to take up No. 10, assignment, viz:—

10. Ordered, That all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the State tax of the year 1899,

or of any other taxes or assessments payable to the Commonwealth, be due and payable on the first day of October, 1899; that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid at the rate of six per cent. per annum up to the first day of January, 1900, and at the rate of seven per cent. per annum after and including said first day of January, except that taxes assessed upon shares of stock of national banks shall bear interest at the rate of twelve per cent. per annum from and including said 1st day of November, until paid; and that all interest which shall have become due on taxes shall be added to and be a part of such taxes.

The reading of the order was dispensed with, on motion of Mr. Mulcahy of Wd. 14, and the question came on the amendment offered by Mr. Watson, to strike out the words "seven per cent." and to substitute the words "six per cent." therefor.

The amendment was adopted.

Mr. EMERY of Wd. 21—Mr. President, I should like to amend the amendment by striking out the words "twelve per cent.," and by inserting the words "six per cent."

The PRESIDENT—The Chair will state that the amendment has been adopted.

Mr. EMERY—Well, mine is an amendment to the amendment.

The PRESIDENT—Will the gentleman kindly repeat his amendment?

Mr. EMERY—I move to amend by inserting the words "six per cent." in place of the words "twelve per cent."

The question came on the adoption of Mr. Emery's amendment.

Mr. HICKEY of Wd. 2—Mr. President, while any words of mine upon this subject may be unavailing, I desire to say a few words at this time. I wish to call the attention of the Council to the fact that the taxes provided for in No. 10 on the calendar are due and payable on October 1, and, as I understand it, if they are not paid by November 1, they go on interest at that time, and interest is charged at the rate of six per cent.; and if they are not paid by the first of January next, the interest shall then be increased to seven per cent., but on account of the adoption of the amendment, interest will now only be charged at six per cent. Now, Mr. President, I desire to call the attention of the Council to this one bare fact, that the agitation concerning this order, which started out in behalf of the poor men of the city—the man who might own a single little home and not be able to pay the taxes when they become due—has now come to the point where the member in the fourth division has offered an amendment in the interest of the banking people, and asks that the interest on shares of national bank stock shall be reduced from twelve to six per cent.—something most extraordinary, to my mind, Mr. President. I wish once more to call the attention of the Council to the fact that this order was framed by men who have a wider and better knowledge of the city's finances than I have, and than the majority of the members of the Council have. I hope that the amendment concerning the shares of national bank stock will not be adopted.

Mr. MILLER of Wd. 20—Mr. President, I would say, in answer to the gentleman who has just spoken that this matter was not brought up altogether by those who advocate this in the interest of the poor people. It was brought up in the interest of a plain principle of business—a principle that touches the rich as well as the poor. In regard to the amendment offered by Mr. Emery of Wd. 21 I would say, for the information of the gentleman from Wd. 2, that it is largely the poor people who invest their money in savings banks. Seven-eighths of the capital stock of national banks is owned by the savings banks and represents the investments of the poorer class of people. Six per cent. interest is certainly a just rate of interest, and no one should be punished by

the city of Boston who is unfortunate enough not to be able to pay his taxes when they become due—especially when the city is making three per cent. upon every tax bill that is not paid. If the city of Boston was losing any money out of this, it would be a different consideration; but it is not, it is making money out of every tax bill that is not paid, for the reason that the money they hire does not cost them more than three per cent., and they are now asking the right to charge seven per cent and twelve per cent. I hope that the amendment will prevail.

Mr. STEVENS of Wd. 11—Mr. President, the gentleman from Wd. 2 says that that law was framed by people who were more wise than he. I don't know who the people were, but I question whether they were wiser than he. The conditions have changed very much in the last few years, and I see no reason why the word "six" should not be substituted for the word "twelve." As regards the people being affected by the unpaid taxes on national bank stock, I think that has been a very much over-estimated quantity, for the reason that, so far as I understand it, all the banks in the city and surrounding cities pay the tax themselves, without delay. I have had more or less experience in a number of cases, and I know that the banks themselves have paid the taxes before the first day of November, when by not doing so they would be liable for any extra interest. But I think all corporations should be treated alike, and I hope the word "six" will be substituted for the word "twelve." There are not many shrewd business men who will pay six per cent. interest on unpaid taxes, when they can borrow all the money they want for considerably less than that.

Mr. WATSON—Mr. President, I presume I am called upon to defend my amendment, which is to strike out the word "seven" in the 10th line, and insert in place thereof the word "six."

The PRESIDENT—The Chair will state that the amendment offered by Mr. Watson has been adopted (laughter), the question being on the additional amendment offered by Mr. Emery of Wd. 21.

Mr. WATSON—Mr. President, then I am not in as bad shape as I thought. I was after a nap in the corridors. (Laughter.) I am opposed to amending by striking out the word "twelve" and inserting in place thereof the word "six." I see no reason why the banks and the rich people who hold stocks in them should not pay 12 per cent if they are delinquent. Money today with the rich people is easy, and it is very hard with the poor people. That is the reason why I introduced my amendment reducing the amount from seven per cent to six per cent, in the interest of poor people. But I cannot agree with my friend from Wd. 20, that there should be any reduction in this other amount at all. I think the larger the penalty the better it is in the case of the banks. I hope the amendment will not prevail. I am sincere in this. I think the banks should pay their taxes when they are due. They are able to do so, and if they do not do so the larger the penalty the better.

Mr. WOOD of Wd. 20—Mr. President, I am at a loss to see the point in the arguments here tonight in regard to the payment of a rate of 12 per cent interest on bank stock. We all know—or at least any person who has looked into it knows—that at least 80 per cent of the bank stock of the national banks of Boston is held by the savings banks, and the largest percentage of the depositors in the savings banks are of the poorer people, people who put in one dollar, two dollars, three dollars, five dollars at a time. This stock which is held by the savings banks is paying them in the neighborhood of only 3½ to 4 per cent. Now, it is absolute folly to say that any holder of national bank stock who has not paid the tax on the

first day of November should pay 12 per cent upon it, when he is only getting 4 per cent on the investment. I have looked into this matter quite carefully, and I don't know of any national bank that has allowed the tax to go over for a moment. I should like to ask at this point, Mr. President, if a substitute order would be in order at the present time?

The PRESIDENT—The Chair would state that a substitute order would be in order at the present time.

Mr. WOOD—I will offer one, then, Mr. President.

Mr. WOOD offered the following substitute:

Ordered, That all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the State tax of the year of 1899, or of any other taxes or assessments payable to the Commonwealth, be due and payable on the first day of October, 1899; that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid at the rate of five per cent, per annum up to the first day of January, 1900, and at the rate of six per cent, per annum after and including said first day of January, until paid; and that all interest which shall have become due on taxes shall be added to and be part of such taxes.

The question came on the adoption of the substitute.

Mr. HICKEY of Wd. 2—Mr. President, this is not an order which particularly concerns the people of my district, and perhaps I am becoming a little too prominent in the debate upon it. I have tried to uphold the original order every time it came into the Council. I would like to ask the gentleman who has offered the order to tell me, after I have concluded my few remarks, what provision he has made there in the way of penalty if the tax levied on the stock of the national banks is not paid at all? What clause is there in his amendment which provides that the bank shall suffer a certain penalty if they do not pay? I want to call the attention of the members to this particular fact, that the taxes which have been raised to meet the assessment levied by the Board of Estimate and Apportionment are due and payable October 1st, and the order very leniently not only gives banks, but everybody else one month—the entire month of October—in which to meet their just debts. There is no interest to be charged up to anybody until the first day of November; and if the national banks cannot pay the tax due on their stock, when they are allowed the whole of the month of October to do it, I say it is not unjust to then charge them 12 per cent. I claim that the money which is due on the shares of stock of national banks should be paid when it is due. The argument that has been brought in here in reference to depositors has nothing at all to do with the question. Depositors in the savings banks of the city deposit their money and presumably pay their bills on the outside, and they expect the bank in which they deposit their money to pay its bills when they fall due. As I say, the banks are given the entire month of October in which to pay their debts, and then if they are not paid on the first of November they are charged 12 per cent, on the bank stock tax, which I claim is not an excessive charge.

Mr. WOOD—Mr. President, in answer to the gentleman who last spoke, I would like to state that my order does provide for a 5 and 6 per cent charge on all taxes that are not paid on the first of November and the first of January, for this reason. National banks with money on hand to lend at 5 per cent, will not pay a 6 per cent rate to the city of Boston on the small amount they are called upon to pay; and that, so far as I can learn, no

national bank has ever paid the 12 per cent. There is absolutely no need of that amount of interest being mentioned in the order whatever, as the 5 and 6 per cent clause covers that. Also, when the poor people are referred to, who are the people who are interested in the national bank stock? It is certainly the poor people, through the savings banks. The fact is that this amount of money is set aside by every national bank to pay its taxes, and is deducted from the rate of interest paid the depositors and the depositors are made up largely of the poorer class of people.

Mr. STEVENS—Mr. President, I think it would be unwise to put an order through here tonight reducing below six per cent, the penalty for not paying the tax. I think six per cent. is low enough. Six per cent. is the legal rate of interest in Massachusetts, and I believe that is a fair and equitable amount charged when a man or a corporation does not pay taxes. But, according to the order as it appears on our calendar, with the amendment offered by the gentleman from Wd. 18 (Mr. Watson), the stock of national banks would be in a class by itself. Now, I see no reason why the stock of a national bank should be subject to such a heavy penalty, if there is an unfortunate error on the part of the holder in any way, by which he neglects to pay the tax by November 1. I don't think, by reason of that, that he should be subject to quite the penalty that would apply to the stock in any Massachusetts corporation. The fact is that six per cent. is the legal rate of interest, and I should put that stock on the same basis as other things. I think that is business. I see no reason why, because the holders of national bank stock have not paid their tax by the first of November, they should be charged double what any other incorporated company under the laws of Massachusetts would be charged for a similar offence. I sincerely trust that the interest charge on the stock of national banks will be reduced to the same figure that it is for everything else, treating this whole question in a business-like way.

Mr. Wood's amendment was lost.

The question came on the adoption of Mr. Emery's amendment, and Mr. Emery called for the yeas and nays; which were ordered.

Mr. Emery's amendment was rejected, yeas 28, nays 39:

Yeas—Atwood, Battis, Bennett, Bordman, Brauer, Chamberlain, Donovan, Eddy, Emery, Harvey, Hibbard, Howard, Linehan, Lorey, Lydon, MacDonald, Miller, Moore, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Wells, Winsloe, Wood—28.

Nays—Badaracco, Bagley, Brennan, Broderick, Carroll, Collins, Connolly, Cuddy, Curley, Doherty, Donahoe, Doyle, Fenton, Flynn, Gibbons, Gihlin, Hickey, Horrigan, Johnson, Kasantof, Kelley, Klemm, Leftovith, Logan, Madden, Martin, McInerney, Mildram, Mulcahy, Nangle, Newhall, Peck, Stone, Sullivan, Sweeney, Tobin, Turnbull, Walker, Watson—39.

Absent or not voting—Armistead, Bradley, Casey, Jordan, Kiley, Leonard, Mansfield, O'Brien—8.

Mr. WELLS of Wd. 16—Mr. President, I would like to further amend the order by striking out the words commencing "up to the first day of January, 1900," and ending with "said first day of January."

Mr. WATSON of Wd. 18—Mr. President, I rise to a point of order, that in striking out the lines designated by the member in the 4th division, the order is practically the very order that was introduced as a substitute, and which was just defeated.

The PRESIDENT—The Chair will declare the point of order well taken.

Mr. STEVENS—Mr. President, I ask the assignment of the order to the next meeting.

Mr. EMERY—Mr. President, I would like

to amend the order by inserting the word "nine" instead of the word "twelve" in the 13th line.

The PRESIDENT—The question comes on the adoption of the amendment offered by Mr. Emery.

Mr. EMERY—Mr. President, my reason—Mr. MULCAHY—Mr. President, I rise to a point of order. I have not spoken on this question and the gentleman in the fourth division has, and it seems to me I should have the floor.

The PRESIDENT—The Chair will rule the point of order not well taken, inasmuch as the gentleman, who rose to offer the amendment, has not spoken to his amendment.

Mr. EMERY—Mr. President, my reason for offering this amendment is this, that before an amendment to the regular order was introduced, the gentleman in the first division (Mr. Watson) came to several of us and told us that if we would vote to make the amount of interest six per cent. in accordance with his amendment, he would put in an amendment reducing this 12 per cent to six per cent. That after his amendment was introduced and adopted, 6 per cent being substituted for 7 per cent, he went back on that, and now wants this amount retained as 12 per cent instead of 6 per cent. After we had received the promise of the gentleman in the first division that he would make it 6 per cent right through, he turns around and throws out of his amendment the 12 per cent applying to bank stock, allowing the 6 per cent simply to apply to the rest of the order. That is the reason why I have offered my amendment.

Mr. WATSON—Mr. President, I desire to say that I made no promise whatever, as the member says. I don't know whether he refers to a promise made to himself or not, but I desire to say that while preparing to amend the order, changing "7 per cent" to "6 per cent," I accidentally, at the request of the gentleman from Wd. 20, also struck out the "12," and inserted in place thereof "6." But before the order was read I detected the error and had it fixed, so that when the order was read by the Clerk that did not appear. I agreed to nothing. The gentleman is laboring under a misapprehension. He is an old schoolmate of mine, but, at the same time, he may have taken a nap just the same. (Laughter.) I am inclined to favor 9 per cent for this reason. I feel, after thinking the matter over, that 12 per cent may be a little too much, in view of the argument offered by the gentleman from Wd. 11 (Mr. Stevens) that the poor people are the ones who deposit the money in the savings banks and that the savings banks invest their money in national bank stock. Of course, everything is thrown on the poor people; they always have to stand the brunt; and in view of that fact I am inclined to agree with the gentleman from Wd. 21 that 9 per cent will be sufficient. I am open to conviction at all times, and I am convinced, as far as that is concerned.

Mr. NANGLE of Wd. 19—Mr. President, the actions of some members this evening remind me very much of the old adage, that a drowning man will grasp at a straw. I think that was put very forcibly by the gentleman from Wd. 2 this evening, when he stated that when the argument was made against this very same order two weeks ago tonight, it was made to appear that they were trying to save the poor working man. I believe the gentleman from Wd. 20 (Mr. Miller) made that statement, that the poor working man would be affected, that no doubt the banks would have money enough to pay before the 1st of November, and that they would not be affected by it. If that is so, I don't see why they are so anxious this evening. If I am wrong, I am willing to acknowledge that I have made a mistake; but I do not see why the gentleman comes in this evening now and makes such an able

argument in favor of reducing this 12 per cent interest to 6 per cent. I believe the banks are rich and can pay before the 1st of November, and that they are willing to pay before then; so I don't think it will affect them. I was in favor of the amendment offered by Mr. Watson, because I believed at that time it would affect the poor people. But I hope this amendment will not prevail.

Mr. MILLER of Wd. 20—Mr. President, in answer to the gentleman I wish to say that I presume I am the man he refers to. But, if he remembers my remarks, he will remember that I said it was a business principle that I advocated, that I was not speaking for the protection of anyone in particular. The principle of charging 12 per cent. on bank stock is wrong. It is wrong on bank stock or anything else. If a gentleman doing business was obliged to pay 12 per cent. on some of his investments, on borrowed money, it would take but a very short time to prove that his undertakings would be unsuccessful. It is a wrong principle for the city of Boston to say that it will charge that rate of interest to certain people and not to other people. That is the reason why I hope that the rate of 12 per cent. will not be charged in connection with bank stock.

Mr. STEVENS—Mr. President, I still fail to see any reason why we should discriminate against institutions incorporated under the laws of the United States government, making twice the penalty on taxes not paid by them by the first of November that would be imposed in the case of the Boston & Albany Railroad, the Boston & Lowell Railroad, or any of the other big railroad companies incorporated under the laws of Massachusetts, where ten times the amount which is put into bank stock is invested. There is not a great deal of capital in bank stock in the city of Boston, and about 80 per cent. of what there is, is owned by savings banks; and those, as you know, are controlled by poor people. That is what they are incorporated for. They are not allowed to take deposits of over one thousand dollars. Now, you want to discriminate against institutions under the United States Government, saying that it shall pay twice the amount, in case its taxes are not paid at a certain time that anybody else is expected to pay! Why should such an institution be subjected to twice the penalty that is imposed on any other corporation? I say that this is the most childish thing that ever came before the Council. I would like to hear a single argument in favor of it. I fail to hear any argument advanced by the democratic orators of the council showing why that class of institutions should be discriminated against.

Mr. TURNBULL—Mr. President, I think there has been enough debate on this subject, and I move the previous question.

Mr. MULCAHY—Mr. President, I hope at this time that the main question will not be put. Several amendments have been offered here, and I think the members here who are interested in the question desire a little time to discover which is the most acceptable amendment, or whether it would not be better to pass the order without deducting any of those that are pending. I trust that the gentleman will withdraw his motion.

Mr. HICKEY—Mr. President, I simply wish to voice the sentiments of my colleague from Wd. 14 (Mr. Mulcahy), in order that the Council may once more hear from the democratic orators. Since the amendment has been introduced by the gentleman in the fourth division I have not had an opportunity to express an opinion in regard to it; and as I have studied up the matter a little I would like an opportunity to show again, as I think I have already done conclusively, with other members of this body, the absolute absurdity and falsity of the position taken by the gentleman in the 4th division.

The main question was declared ordered—Mr. Hickey doubted the vote and asked for a rising vote.

The Council stood divided and the main question was ordered, 30 members voting in the affirmative, 12 in the negative.

Mr. Emery's amendment was declared carried, Mr. Hickey doubted the vote and asked for the roll call, which was declared not ordered.

Mr. MULCAHY—Mr. President, I rise to a point of order. Did I understand the presiding officer to say that a motion was made for a roll call?

The PRESIDENT—I said the gentleman from Wd. 2 desired a roll call.

Mr. MULCAHY—I didn't know that the gentleman from Wd. 2 made a motion to that effect, but I do know that the Chair put a motion to that effect, which in my opinion was not in order.

The PRESIDENT—The Chair will state that the gentleman is out of order, that no motion of the kind was put. The question is on the adoption of Mr. Emery's amendment.

The Council stood divided, and Mr. Emery's amendment was declared adopted, 35 members voting in the affirmative, 17 in the negative.

The question came on giving the order as amended a second reading.

Mr. HICKEY—Mr. President, I rise to respectfully doubt the vote and to ask for a roll call.

The PRESIDENT—The Chair would state that it is too late to doubt the vote, the vote having been declared and the Chair having stated the next question before the house.

Mr. WATSON of Wd. 18—Mr. President, I rise to a question of information.

The PRESIDENT—The question now comes on giving the order as amended a second reading.

Mr. WATSON—Mr. President, my purpose in rising is to get some information. I understood it was the rule of the Council that whenever the previous question was ordered all amendments were stricken out.

The PRESIDENT—The Chair will state that the question first comes on the amendment and then on the question.

Mr. HICKEY—Mr. President, is debate in order?

The PRESIDENT—No debate is in order. The Chair will state that debate will be in order after the order is ordered to a second reading.

The order was ordered to a second reading, was read a second time, and the question came on its passage as amended.

Mr. HICKEY—Mr. President, at last I have an opportunity to say a few words; as I understand it that is my privilege at this time, and I wish to refer, now that the opportunity is offered, to the amendment presented by the gentleman in the fourth division. I want to call to the attention of the members of the Council the simple fact that the same arguments which showed that the 12 per cent. should be retained also apply as showing that the amendment now offered should be rejected. I feel that there is no cause whatsoever, no good, substantial reason that can be shown by that member, why the stated per cent. should be reduced. The one apparent fact in the whole transaction is this, that debts are due from these national banks on October 1st. If they pay those debts on October 1st, or on any day in October, they are not charged any interest at all. If they neglect to pay them—after a full month, they are then, according to the provisions of this order, to pay 12 per cent. Now, the same argument applies here as before. It is not unjust, I claim, to assess shares of stock of national banks 12 per cent. when the holders neglect to pay the taxes when they are due. This Council previously this evening voted to stand by its former action, refusing to reduce the amount to six per cent.; and if they refuse to reduce it to six per cent., they should at this

time also refuse to reduce it to nine per cent. If this sort of thing goes on we will have other members getting up and putting in amendments calling for a reduction to eight per cent, and then to ten per cent., and so on, and we will be kept debating the subject here all night. My contention is that the Council has already disposed of the matter, that no argument can be applied to this that has not already been applied to the question earlier in the evening; and I certainly hope the amendment will not prevail.

The PRESIDENT—The question comes on the passage of the order as amended.

Mr. MULCAHY—I trust that the amendment will not prevail at this time. The fact is, some of the gentlemen in this body are simply dodging around on this question of 12 per cent. If they cannot get it reduced to 9 per cent., as my friend from Wd. 2, Mr. Hickey, has said, they will introduce an amendment to get it reduced to 8 per cent. or 10 per cent. A few weeks ago it was a sympathetic fight for the poor people, now it is a fight for the banks. I believe in making the banks pay 12 per cent., if they do not pay their bills, and I trust that that amendment will be defeated as it stands.

Mr. WELLS—Mr. President, is an amendment out of order at this time?

The PRESIDENT—It is not out of order.

Mr. WELLS—Then, Mr. President, I would like to offer the amendment that was ruled out of order, and before any member rises to a point of order, I would like to read the whole order as amended, so it will be understood. The lines I ask

to have stricken out are simply the lines from 9 to 11, involving a repetition of the preceding lines. It seems to me funny to allow the order to read in the way that I now reads, after the amendments that have been already adopted. Therefore, simply in the interest of having the order read properly, it seems to me that the amendment I have suggested should be adopted.

The question came on the adoption of the amendment offered by Mr. Wells of Wd. 16.

The question came on the adoption of Mr. Wells's amendment.

Mr. MULCAHY of Wd. 14—Mr. President, I rise for information. Didn't I understand the Chair but a few moments ago to rule out the same amendment offered by the gentleman from Wd. 16?

The PRESIDENT—The Chair will state that the gentleman is out of order.

Mr. MULCAHY—Mr. President, I ask for information.

The PRESIDENT—The question is on the additional amendment offered by Mr. Wells of Wd. 16.

The amendment was declared adopted.

Mr. Mulcahy doubted the vote, and asked for a rising vote, which was taken, and the amendment was adopted, 32 members voting in the affirmative, 14 in the negative.

The order was passed, as amended. Sent up.

Adjourned, on motion of Mr. Harvey of Wd. 24, at 9:25 P.M., to meet on Thursday, March 30, at 7:45 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, March 27, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding. Absent—Ald. Codman.

The Board voted, on motion of Ald. Presho, to dispense with the reading of the records of the last meeting.

JURORS DRAWN.

Thirty-four traverse jurors, Superior Criminal Court, April 10th, were drawn in accordance with the provisions of Chap. 514 of the Acts of 1894, viz:—

Hubert Riley, Wd. 13; J. Carson McWilliams, Wd. 17; Wm. F. McGonigle, Wd. 17; Warren L. Robinson, Wd. 21; Frank Chase, Wd. 21; Bernard E. Kenney, Wd. 17; George G. Hedden, Wd. 25; Patrick J. O'Brien, Wd. 16; William B. Stevens, Wd. 11; Robert J. Miller, Wd. 24; Dennis J. Sweeney, Wd. 15; Timothy F. Connolly, Wd. 5; Wm. P. Briggs, Wd. 24; Charles W. Bennet, Wd. 20; Wm. D. Buckley, Wd. 24; Adam C. Barnie, Wd. 10; Charles P. Blinn, Wd. 18; Richard L. Searle, Wd. 2; Daniel F. Collins, Wd. 17; Frank L. Wheeler, Wd. 25; John H. Lane, Wd. 2; James Walsh, Wd. 17; Caleb P. Buckman, Wd. 8; Azro B. Jaquith, Wd. 3; Joseph A. Brady, Wd. 14; George E. Adams, Wd. 19; Thomas J. McCarthy, Wd. 12; John H. Harrington, Wd. 13; Wm. H. Field, Wd. 9; Patrick F. Rooney, Wd. 6; Delbert W. Estabrook, Wd. 6; John R. Byrne, Wd. 14; Frank H. Randlett, Wd. 16; John J. Patton, Wd. 24.

APPOINTMENTS BY THE MAYOR.

The Mayor submitted the following appointments, subject to confirmation by the Board of Aldermen, viz:—

(1) Phineas C. Kinney, to be a welgher of coal and measurer of wood and bark, for the term ending April 30th, 1899.

(2) John H. Donovan, John J. Murphy and George A. Comins to be members of the Board of Assessors for the term of three years, beginning with the 1st day of May, 1899.

(3) Charles A. Belford, to be a constable of the City of Boston, to serve as such in connection with his official duties, for the term ending April 30th, 1899.

(4) William Park, to be an inspector of petroleum and its products, for the term ending April 30th, 1899.

Severally laid over, under the law.

HEARINGS AT 3 O'CLOCK.

On petitions for leave to project bay-windows, viz:—

1. Louis and Henry Rosenbaum, four, at 113, 115, 117, 119 Richmond St., Wd. 6.

2. Edward L. Brodie, one, at 29 Spring St., Wd. 8.

No objections. Severally referred to the Committee on Building Dept. (Ald.).

3. On petition of the New England Telephone and Telegraph Company of Massachusetts, for leave to erect poles in Oak St., Wd. 4.

No objections. Recommended to the Committee on Electric Wires.

4. On petition of the Boston and Albany Railroad Company, for leave to lay, operate and maintain two temporary tracks across South St., Wd. 7.

No objections. Recommended to the Committee on Public Improvements.

PETITIONS REFERRED.

The following petitions were received and

were referred to the committees named, when appointed, viz:—

Building Dept.

Frederick Ayer, for leave to build a wooden and brick stable on Grosvenor Pl., Wd. 21.

John A. Emery, for leave to build a wooden addition on 24-26 Island St., Wd. 17.

H. W. Coitman, for leave to build a wooden addition on 84 Marginal St. and Haynes St., Wd. 2.

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz:—

Edward Perry, two barber poles, at 800 Washington St., Wd. 7.

George W. Dunlap, an illuminated sign, at 206 Massachusetts Ave., Wd. 16.

H. Kaufinan, a clock sign, at 270 Tremont St., Wd. 7.

Vincent Russo, two barber poles, at 55 Howard St., Wd. 6.

Haynes, Sparrell & Co., a sign, at 301 Congress St., Wd. 7.

George F. Monahan, for leave to project one illuminated sign over sidewalk at 24 Travers St., and one at 212 Friend St., Wd. 8.

Claims.

Harriet F. Lauriat, for payment of balance remaining from tax sale of estate 29 Bainbridge St.

Harriet F. Lauriat, for payment of balance remaining from tax sale of estate 31 Bainbridge St.

George D. Low and Henry M. Williams, trustees, for payment of balance remaining from tax sale of estate on Forest Hills St.

Margaret M. McLaughlin, et al. for payment to Edward E. Richards of balance remaining from tax sale of estate on Bay St.

Margaret M. McLaughlin, for payment to Edward E. Richards, of balance remaining from tax sale of estate on west side of Birch St.

Patrick McDermott, for compensation for damage to estate on Williams St., caused by a defective culvert in said street.

John M. O'Hara, for compensation for injuries to his horse caused by a defect in Alford St.

Catherine B. McSweeney, for compensation for injuries sustained by her husband, Patrick F. McSweeney, while he was employed in the sewer department, which injuries caused his death.

Konrad Ziegler, for compensation for damage to his premises and property at 52 George St. by reason of the obstruction of the sewer in said street.

Electric Wires.

Thomas M. Roddy, for relocation of a pole of The N. E. Tel. and Tel. Co. of Mass., in front of 58 Market St., Brighton.

June Seventeenth.

First Massachusetts Regiment of Knights of the Golden Eagle, for an assignment in the June 17th parade, and an appropriation therefor.

Lamps.

Benjamin S. Frost et al. for electric lights on Fairweather St. Wd. 17.

Thomas J. Godvin et als., for electric lights on Hyde Park Ave. between Forest Hills and Neponset Ave.

Police (Ald.)

David A. Hollis, to be paid for the loss of fowls killed by dogs.

Mrs. A. R. Peters, to be paid for the loss of fowls killed by dogs.

Memorial Day.

Gettysburg Post No. 191, G. A. R., for an appropriation for Memorial Day.

Public Improvements.

Nicholas J. Halpine, Lieutenant U. S. N. for leave to propel through the streets of this city an automobile miniature man-of-war.

Frank Ferdinand, remonstrating against action of the Boston Elevated Railway Company in putting in columns, piling up dirt, etc., also against the closing of Zeigler St., and asking the Board of Aldermen to take some action in the matter.

West End Street Railway Company, for leave to place an awning on its car-house to project over the sidewalk on Park St., Dorchester.

Sidney F. Squires, for leave to excavate the cellar of building 329-331 Tremont St., at grade 9.

Henry Parkman et al., trustees, for leave to construct a coal hole at 308-310 Boylston St., Wd. 11.

Louis Segel, for leave to erect gyp posts in Leverett and Poplar Sts., Wd. 8.

Connery & Wentworth, for leave to erect one gyp post in State St. and one in Devonshire St., and to stretch gyp ropes across Congress St., Wd. 6.

Whidden & Co., for leave to erect two gyp posts in Bennett St., and one in Ash St., Wd. 7.

Frank G. Coburn & Co., for leave to project gyp ropes across Centre St. and Talbot Ave., Wd. 24.

J. K. Ryan, for leave to erect a gyp post corner Indiana Pl. and Harrison Ave.

PAPERS FROM COMMON COUNCIL.

5. The order passed by this Board, viz.:-

"Ordered, That all taxes raised to meet the appropriations of the Board of Estimate and Apportionment, and all taxes assessed for meeting the city's proportion of the State tax of the year 1899, or of any other taxes or assessments payable to the Commonwealth. Be due and payable on the first day of October, 1899, that all such taxes paid after the first day of November, 1899, bear interest from and including said day until paid, at the rate of six per cent per annum (A) up to the first day of January, 1900, and at the rate of seven per cent per annum after and including said first day of January (B), except that taxes assessed upon shares of stock of national banks shall bear interest at the rate of (C) twelve per cent per annum from and including said first day of November until paid; and that all interest which shall have become due on taxes shall be added to, and be a part of, such taxes."

Comes up, concurred in Common Council March 23, with these amendments: Strike out all between (A) and (B), and at (C) strike out "twelve" and insert "nine."

The reading was dispensed with, on motion of Ald. Colby, and the matter was referred to the Committee on Public Improvements.

CONFIRMATION OF APPOINTMENT.

The Board proceeded to take up No. 6, unfinished business, viz.:-

6. Action on the appointment of George M. Hosmer, to be a constable, in connection with his duties as an employee of the Children's Institutions Department, for the term ending April 30, 1899.

The question came on confirmation. Committee—Ald. Berwin and Dixon. Whole number of ballots cast 9, yes 9, and the appointment was confirmed.

SUFFOLK REGISTRY CLERK HIRE.

A certificate was received from Thomas F. Temple, Register of Deeds, of the clerks employed in his office, the time occupied and amount of work done, etc., the total amount for clerk hire being \$220.45.

The list of allowances was approved by the Board.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted reports recommending that minors' licenses be granted to 206 newsboys, four bootblacks, and one song vender.

Reports accepted, licenses granted on the usual conditions.

STREET IMPROVEMENTS, DORCHESTER.

Ald. McDONALD offered an order—That the Board of Estimate and Apportionment be requested to provide in the loan bill the sum of One Hundred Thousand Dollars for street improvements in Wds. 16, 20 and 24.

Ald. McDONALD—Mr. Chairman, the streets of Dorchester were never in such a deplorable condition as they are at the present time. That is the opinion of the citizens of the district, and I am sure that my colleague from Wd. 20 will bear me out in the statement that \$100,000 is a small amount to be spent in the three wards, 16, 20 and 24, of Dorchester. We all know that Dorchester is building up rapidly, and that the Street Department cannot keep pace with the wants of the citizens of either of those wards. Last year, over 800 houses were erected in Wd. 20 alone, and the citizens who are building fine residences in Dorchester require that the streets shall be made passable. I am not criticising the Superintendent of Streets, who is doing everything he possibly can with the amount of money at his disposal, or the excellent foreman of the district, who is also lending a hand to make the streets passable out there. I believe more gravel and chips should be used upon the sidewalks out there, in order to make them safer for ladies and young children going to school. I sincerely trust that the Board of Estimate and Apportionment will take this matter under consideration.

The order was referred to the Board of Estimate and Apportionment.

REVISED GRADE OF ENDICOTT ST.

Ald. BRICK offered an order—That this Board establish the revised grade of Endicott St., between Causeway St. and LaFayette Ave., as shown by red lines on the plan and profile of said Endicott St. marked "City of Boston, Endicott St., City Proper, March 16, 1899, William Jackson, City Engineer," deposited in the office of the City Engineer.

Referred to the Committee on Public Improvements

PRESIDENT'S VISIT—CARRIAGE HIRE

Chairman BARRY offered an order—That the expenses incurred by the Board of Aldermen for carriage hire on the occasion of the visit of the President of the United States to this city on February 16th, 1899, amounting to \$24.00, be charged to the appropriation for Contingent Fund of the Board of Aldermen.

Referred to the Committee on Public Improvements.

REGULATION CONCERNING NEWS-BOYS.

Ald COLBY offered the following:—
City of Boston.

In the year one thousand eight hundred and ninety-nine.

A regulation to amend Chapter Two of Revised Regulations of 1898.

Be it ordered, etc.:-

Chapter two of the Revised Regulations of 1898 is hereby amended in section three by striking out in lines 23, 24 and 25 of said section the words "nor so work or sell in any other place than that specified in his license, when a place is so specified" and inserting in place thereof the following words: "nor to work or sell after nine o'clock in the evening, nor in any other place than that specified in his license, when a place is so specified, nor in the immediate vicinity of any store or stand occupied for the same business for which he is licensed."

Referred to the Committee on Public Improvements.

PROJECTION OF SIGNS, ETC.

Ald. DAY, for the Committee on Build-

ing Dept. (Ald.), submitted the following:—

(1) Reports on petitions for leave to project signs, etc.—recommending that leave be granted, viz:—

Tony Chincariello (referred Feb. 27), sign, 297 Cambridge St., Wd. 8.

Frank F. Boodro (referred Feb. 6), two pole signs, 221 W. Eighth St., Wd. 15.

W. Creden & Co. (referred March 13), sign, 94 Essex St., Wd. 7.

Michael Basile (referred March 6), four barber poles, 118 Chelsea St., Wd. 2.

James Bonanzinga (referred Feb. 27), three barber poles, 236 Commercial St., Wd. 6.

Samuel Barnett (referred March 6), two barber signs, 1270 Washington St., Wd. 9.

Andrew A. Badaracco (referred Jan. 30), illuminated sign, 121 North St., Wd. 6.

Fred D. Bacon (referred Feb. 13), sign, 71 Cornhill, Wd. 6.

Christian Altman (referred Feb. 6), sign, 8 Staniford St., Wd. 8.

Wing Kee (referred Feb. 27), sign, 1726 Washington St., Wd. 12.

George W. Ray (referred Jan. 16), sign, 1066 Bennington St., Wd. 1.

William Edwards (referred March 13), sign, 2132 Washington St., Wd. 18.

Garlock Packing Co. (referred Feb. 27), sign, 12 Pearl St., Wd. 7.

James A. Gay (referred March 6), two signs, 1068 Washington St., Wd. 9.

G. O. Goldsmith (referred Feb. 13), sign, 37 Haverhill St., Wd. 6.

Samuel H. Goldstein (referred Jan. 9), two pawnbroker's signs, 2020 Washington St., Wd. 17.

Grove & Flynn (referred Jan. 9), sign, 43 Bristol St., Wd. 9.

Alfred E. Haines (referred March 13), sign, 14 Bedford St., Wd. 7.

Hanover Drug Co. (referred March 13), illuminated mortar, 257 Hanover St., Wd. 6.

Hewes-Mayo Co. (referred Jan. 30), sign, 150 Lenox St., Wd. 13.

Robert Leavitt (referred Feb. 6), sign, 1222 Washington St., Wd. 9.

David Lipsky (referred March 6), sign, 1 Ferry St., Wd. 9.

Adolph H. Lock (referred March 20), sign, 1424 Dorchester Ave., Wd. 24.

Charles S. Miller & Co. (referred March 20), sign, 109 Brooks St., Wd. 1.

Mills & Meyers (referred March 20), sign, 87 Albion St., Wd. 9.

Jacob Moshkovich (referred March 13), sign, 34½ Atlantic Ave., Wd. 6.

George Meirhsnc (referred March 20), sign, 11 Oswego St., Wd. 9.

Picard & Keough (referred Jan. 23), illuminated sign, 79 North St., Wd. 6.

George F. Monahan (referred today), illuminated sign, over sidewalk at 24 Travers St., and one at 212 Friend St., Wd. 8.

Quong Shong (referred March 6), sign, 1068 Washington St., Wd. 9.

Qung Lee (referred Feb. 20), two signs, 109 Cambridge St., Wd. 4.

J. Rosen (referred Feb. 27), illuminated sign, 42 Pleasant St., Wd. 7.

K. Sapirstein (referred Jan. 16), sign, 62 Austin St., Wd. 5.

Thomas J. Shanny (referred Jan. 9), illuminated sign, 1 Green St., Wd. 8.

Frank Thomas (referred Jan. 30), illuminated sign, 98 Boyston St., Wd. 7.

Joe S. Tribuna (referred March 20), sign, 3 Lewis St., Wd. 6.

A. J. Wiley (referred Jan. 23), sign, 1 Bowdoin Sq., Wd. 6.

A. T. Brown (referred March 20), to construct basement of 185 Summer St., at grade 10.

Peter Pastene (referred Jan. 9), to excavate the cellar bottom of building Nos. 60-71 Fulton St., Wd. 6, to grade 3 feet, 9 inches.

J. L. & H. K. Potter (referred March 13), to construct basement floor of building 611 Albany St., at grade 8.

Edward Perry (referred today), two barber poles, 800 Washington St., Wd. 7.

Vincent Russo (referred today), two barber poles, 56 Howard St., Wd. 6.

H. Kaufman (referred today), clock sign, 270 Tremont St., Wd. 7.

George W. Dunlap (referred today), illuminated sign, 208 Massachusetts Ave., Wd. 10.

Reports severally accepted; leave granted on the usual conditions.

(2) Reports on petitions for leave to project signs, etc.—that no action is necessary, viz:—

Quong Shong (referred Jan. 16), sign, 1063 Washington St., Wd. 9.

Qung Lee (referred Feb. 6), sign, 109 Cambridge St., Wd. 4.

Dr. H. C. Edwards (referred Feb. 6), two tablet signs, 15 Temple St., Wd. 7.

W. J. Logan & Co. (referred Jan. 9), illuminated sign, 40 Province St., Wd. 7.

John F. Ketterer (referred Jan. 9), illuminated sign, 168-170 Canal St., Wd. 3.

E. & F. Couture (referred Feb. 6), illuminated sign, 19 Tremont Row, Wd. 6.

William H. Crone (referred Feb. 20), illuminated sign, 18 Hanover St., Wd. 6.

J. Breithwaite (referred Feb. 27), barber pole, 159 Eliot St., Wd. 7.

John A. Heyl (referred Feb. 13), sign, 243 Washington St., Wd. 6.

John V. Rieger (referred Jan. 23), V shaped sign, 36 Pleasant St., Wd. 7.

Flanders & Hoffman (referred Feb. 13), one sign, at 19 Province St. and one at 14 Chapman Pl.

George J. Steven (referred Jan. 23), sign, 17 Main St., Wd. 5.

Dr. Charles E. Hale (referred March 6), illuminated sign, 174 Hanover St., Wd. 6.

Sing Lee (referred Feb. 27), three signs, 53 Harvard St., Wd. 7.

H. F. Parkhurst (referred March 13), illuminated sign, 3 Pitts St., Wd. 3.

Lawrence W. Lunt (referred Jan. 9), sign, 117 Washington St., Wd. 4.

Ryder & Brooks (referred Jan. 23), illuminated sign, 12 Essex St., Wd. 7.

Ryder & Brooks (referred Feb. 13), illuminated sign, 12 Essex St., Wd. 7.

M. P. Sadier (referred Jan. 23), sign, corner Washington and Bowdoin Sts., Wd. 20.

J. H. Carlton (referred Feb. 6), V shaped sign, 103-105 Blackstone St., Wd. 6.

Beacon Lunch Co. (referred Jan. 23), illuminated sign, 7 Charles St., Wd. 11.

E. E. Gray & Co. (referred 1898), permanent awning of steel and iron in front of Nos. 132-4-6 Blackstone St. and Nos. 152-4-6 Hanover St.

Severally accepted.

(3) Reports on petitions for leave to project signs, etc.—that the petitioners be given leave to withdraw, viz:—

New Broom Co. (referred Feb. 20), sign, 55 Fulton St.

George W. Huot (referred Jan. 30), to paint with colored stripes an electric light globe at 112 Court St., Wd. 6.

B. F. Larrabee (referred Jan. 23), sign, 55 Temple Pl., Wd. 7.

Majestic Dental Co. (referred Feb. 27), sign, 699 Washington St., Wd. 7.

James G. Abbot, Jr., (referred March 6), flag sign, 277 Washington St., Wd. 6.

J. E. Peckham & Co. (referred Feb. 20), sign, 35 Hartford St.

John Violetts (referred Jan. 9), flag sign, 1222 Washington St., Wd. 9.

Severally accepted.

(4) Report on the petition of C. A. Russell (referred from last year) for leave to project three bay windows from building 177 E St., corner West Ninth St., one over E St. and two over West Ninth St., Wd. 15—that leave be granted.

Report accepted, leave granted on the usual conditions.

Also a report that leave be granted on the petition of James J. Murphy (referred from last year) for leave to project one bay window from building on southeast corner Camden St. and Columbus Ave., over Camden St., Wd. 12.

NEWTONVILLE AND WATERTOWN STREET RAILWAY.

Ald. DIXON, for the Committee on Railroads, submitted a report on the petition of the Newtonville and Watertown Street Railway Company (referred March 13), for a location for a turnout on North Beacon St. with the right to use the overhead electric system thereon—recommending the passage of the accompanying orders:—

Ordered, That in addition to the rights heretofore granted the Newtonville and Watertown Street Railway Company to lay down tracks in the streets of the city of Boston, said company shall have the right to lay down, maintain and use a turnout on North Beacon St., Brighton, near the bridge over the Charles River, said turnout being shown by red lines on a plan made by Hodges and Harrington, dated February 7, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the track located by this order is upon the condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said Newtonville & Watertown Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within ninety days from the date of the passage of this order.

Ordered, That the consent of the Board of Aldermen be hereby granted to the Newtonville and Watertown Street Railway Company, to establish and maintain the electric system of motive power in the operation of its cars in the City of Boston, by the overhead system, so called, on a turnout on North Beacon St., Brighton, near the bridge over the Charles River.

And permission is hereby granted to the said Newtonville & Watertown Street Railway Company, to erect, maintain and use, such wires and iron poles, of the height of not less than 20 feet, at the places indicated by red circles or dots on the plans filed in the office of the Superintendent of Streets, dated February 7, 1899, as may be necessary to establish and maintain said overhead electric system of motive power.

The rights herein granted are upon condition that the whole work of constructing the same, and the kind and quality of material used, shall be under the direction and to the satisfaction of the Superintendent of Streets, and be approved by him.

Also, upon condition that nothing herein contained shall be deemed a limitation or waiver of any rights now possessed or that may hereafter be conferred on the Board of Aldermen of the City of Boston, to make rules and regulations pertaining to the operation and maintenance of the electric system, and the running of electric cars in the City of Boston.

Also, upon condition that said railway company shall accept this order and agree to comply with the conditions herein contained, and shall file such acceptance and agreement with the City Clerk within 30 days from the passage thereof; otherwise it shall be null and void.

Report accepted, said orders passed under suspension of the rule.

BATH DEPARTMENT EMPLOYEES.

Ald. DIXON offered an order—That His Honor the Mayor be requested to instruct the Bath Commission to reinstate the members of the Bath Department who were employed on repair work during the

winter months, and put them to work at their regular department work and wages. Passed. Sent down.

TUNNEL AT TRAVERS ST.

Ald. DIXON offered an order—That the Board of Estimate and Apportionment be requested to provide in the next loan bill the sum of Ten Thousand Dollars for the construction of a tunnel under the tracks of the Boston Elevated Railway Company at Travers St., between Haverhill and Canal Sts.

Referred to the Board of Estimate and Apportionment.

AWNING ON PARK ST, DORCHESTER.

Ald. ADAMS offered an order—That the Superintendent of Streets be authorized to issue a permit to the West End Street Railway Company to erect, maintain and use a permanent awning upon its car-house and waiting premises on Park St., at the corner of Dorchester Ave., Wd. 20, extending over the sidewalk, as shown on a plan dated March 25, 1899, on file in the Permit Office of the Street Department; the work to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Referred to the Committee on Public Improvements.

REVISED GRADE, TALBOT AVE.

Ald. ADAMS offered an order—That this Board establish the revised grade of Talbot Ave. at Dorchester, between Bernard St. and Soender St. as shown by red lines on the plan and profile of said Talbot Ave. marked "City of Boston Talbot Ave. Dorchester John E. Cheney Acting City Engineer Mar. 27, 1899," deposited in the office of the City Engineer.

Referred to the Committee on Public Improvements.

APPROPRIATION RESCINDED.

Ald. DAY offered an order—That so much of the loan order approved October 5th, 1896, as appropriated three thousand dollars (\$3000) for "Sewer Outlet, Porter St.," and the order approved December 11th, 1897, transferring the said amount to an appropriation for "Dam from Maverick St. to Prescott St., East Boston" be, and the same hereby are rescinded.

Passed. Sent down.

EAST BOSTON IMPROVEMENTS.

Ald. DAY offered an order—That the Board of Estimate and Apportionment be requested to pass a loan order appropriating the sum of \$3000 for

1. The erection of a clock in the head-house tower of South Ferry, Boston side, \$750;
2. The dredging of a channel for small boats at Jeffries Point, East Boston, \$750;
3. The construction of a flight of steps on the hillside from Leyden St. to Gladstone St., \$1500.

Ald. DAY—Mr. Chairman, I will say, in explanation of that order, that \$3000 was appropriated originally to build a dam from Maverick St. to Prescott St. in East Boston, in order to flood the flats. The city had been emptying sewage there for twenty-five years, and in warm weather it was very offensive; and the Board of Health thought if a dam was built there it would in some way abate the nuisance, by having the flats covered with water all the time. But, when the city went to build the dam it was discovered that it was entirely private land belonging to the East Boston Company, and that company objected to the city building it unless the city agreed to take up the dam when they got ready to fill the flats. That the city refused to do. So the money has lain idle for two or three years. We in East Boston, aldermen and councilmen,

feel that this money which has been appropriated for East Boston should be spent there, and we would like to have it. The way the matter stand now, the city could not build the dam even if it wanted to do so. The East Boston Company would bring suit against the city if it attempted to do so. Another thing—the East Boston Company is going to begin filling the land very soon, so that there is no necessity for work by the city. We ask for the passage of the order, that we may get the money, and we suggest to the Board of Aldermen that it be appropriated for a clock in the headhouse of the South Ferry, Boston side; for the dredging of a channel for small boats at Jeffries Point, and for the construction of a flight of steps on the hillside from Leyden St. to Gladstone St. We believe those are the most important things in East Boston. If the Chairman will permit, I would like to read a letter from the East Boston Company, showing that that company is now ready to commence filling the flats. Therefore, there is no need of the money appropriated by the city for that purpose, anyway. "In reply to your inquiry concerning the property of the Maverick Land Company, recently acquired by this corporation and the controversy over the pollution of these flats during the last twenty-five years by the arbitrary action of the city in emptying its sewerage matter, we wish to say that the directors of this corporation upon the request of the Street Department, gave permission to construct a dam, provided that the same clause was inserted in any agreement between the city and this corporation as was inserted regarding the Cottage St. bridge.

As it is the purpose of this company to commence filling the property acquired of the Maverick Land Company this year, they cannot permit the building of any permanent obstruction to the entrance of these flats, and if any authority presumes to coerce us, we shall be obliged to seek protection in the courts.

Yours respectfully,
Charles E. Adams, Treas.

The order was referred to the Board of Estimate and Apportionment.

RECESS TAKEN.

The Board voted, on motion of Ald. Adams, at 3:42 P.M., to take a recess, subject to the call of the Chair.

The Board reassembled in the Aldermanic Chamber at 5:03 P.M.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:

(1) Report on the petition of Sidney F. Squires (referred today) for leave to excavate the cellar of building 329-331 Tremont st., at grade 9—recommending that leave be granted.

Report accepted, leave granted on the usual conditions.

(2) Report on the order (recommitted today) granting leave to the Boston & Albany Railroad company to construct temporary tracks across South St., Wd. 7—recommending reference of same to committee on railroads, with instructions to report to the Board of Aldermen on the same at the next meeting.

Report accepted, said reference ordered.

(3) Report on the petition of the West End Street Railway Company (referred today) for leave to place an awning on its car house, to project over the sidewalk on Park St., Dorchester—recommending the passage of the accompanying order.

Ordered—That the Superintendent of Streets be authorized to issue a permit to the West End Street Railway Company to erect, maintain and use a permanent awning upon its car house and waiting premises on Park St., at the corner of Dorchester Ave., extending over the sidewalk

as shown on a plan dated March 25, 1899, on file in the permit office of the Street Department, Wd. 20; the work to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed under suspension of the rule.

(4) Report recommending the passage of the following:

Ordered—That the Superintendent of Streets be authorized to close the roadway on Call St., between Keyes and Boynton Sts., and Keyes St., between Call and South Sts., during necessary sewer construction on said streets.

Report accepted, order passed.

(5) Report on the petition of J. K. Ryan (referred today), for leave to erect a guy post corner Indiana Pl. and Harrison Ave.,—recommending the passage of an order—that the Superintendent of Streets be authorized to issue a permit to John K. Ryan to erect, maintain and use one guy post on the corner of Indiana Pl. and Harrison Ave., Wd. 7, for use in track construction; the work to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed under a suspension of the rule.

(6) Reports recommending the passage of orders that the Superintendent of Streets be authorized to issue permits for work, to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto, as follows:—

Frank G. Coburn & Company, (petition referred today), to stretch, maintain and use guy posts over and across Centre St. and Talbot Ave., for use in constructing the Dorchester High School, Wd. 24.

The Schofield Heirs, (petition referred March 20), to enlarge the present bulkhead opening with wooden cover in sidewalk in front of estate 20 Thacher St., Wd. 6, to be the following dimensions—two ft. by 2 feet.

Whidden & Co. (Petition referred today), to erect, maintain and use two guy posts in the roadway on Bennett St., and one in Ash St., at or near the corner of said streets, Wd. 7, for use in building construction.

Cannery & Wentworth, (petition referred today), to erect, maintain and use one guy post in State St., at or near the Worthington Building, and one in Devonshire St., opposite No. 43, with the necessary ropes attached hereto, and to stretch guy ropes over and across Congress St. at Congress Sq., for use in constructing building at 15 and 17 Congress St., Wd. 6.

Atherton T. Brown, (referred March 20), to construct, maintain and use an area with sidewalk light covers under and in the sidewalk in front of estate 185 Summer St., Wd. 7, as shown on a plan on file in the Permit Office of the Street Department.

John McGaw (referred March 13), to construct, maintain and use areas, with sidewalk light covers, under and in the sidewalk in front of estate 128-130-132 Charlestown St., Wd. 8, as shown on plan on file in the Permit Office of the Street Department.

Reuben Sherburne (referred March 20), to construct, maintain and use areas with sidewalk light covers, under and in the sidewalk in front of estate 17 and 19 Bennett St., Wd. 7, dimensions as shown on a plan on file in the Permit Office of the Street Department.

Louis Segel (referred today), to erect, maintain and use four guy posts with the necessary ropes attached, in and over Levrett and Poplar Sts., for use in constructing new building at 50 to 64 Leverett St., Wd. 8; the location of said posts to be satisfactory to the Superintendent of Streets.

Henry Parkman and another, Trustees (referred today), to construct, maintain

and use a coal hole opening, not exceeding 18 inches in diameter, with an iron cover of rough upper surface, under and in the sidewalk in front of estate 308-310 Boylston St., Wd. 11.

Reports accepted; orders severally passed under suspension of the rule.

(7) Report on the order for payment of carriage hire on occasion of the President's visit (referred today)—that the same ought to pass.

Report accepted; order passed.

(8) Report on the order to establish the revised grade of Endicott St. (referred today), that the same ought to pass.

Report accepted; order passed.

RIFLE RANGE FOR MILITIA.

Ald. BERWIN offered an order—That the Corporation Counsel be requested to report in writing to this Board, at its next meeting, what, in his opinion, are the duties and the powers of the Board of Aldermen in relation to the passage of such legislation as will provide a Rifle Range for the use of the Militia in Boston.

Passed.

PLAYGROUND, EVERETT ST., BRIGHTON.

Ald. McDONALD offered an order—That the Superintendent of Public Grounds be authorized to hire the vacant lot of land belonging to W. W. Marsh, and located on

Everett St., Brighton, to be used as a playground, as in former seasons, and to expend not exceeding the sum of Two Hundred Dollars for the purpose; said sum to be charged to the appropriation for Public Grounds Department.

Passed, under a suspension of the rule.

LEGAL VOTERS TO BE EMPLOYED.

Ald. DIXON offered the following:—

An Ordinance to amend Chapter Three of the Revised Ordinances of 1898.

Be it ordained by the City Council of Boston as follows:—

Chapter three of the Revised Ordinances of 1898 is hereby amended in section twelve by striking out the words "of the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "and, if male subordinates twenty-one years of age or over, legal voters of Boston, in any capacity."

Referred to the Committee on Ordinances.

GENERAL RECONSIDERATION.

On motion of Ald. ADAMS, the Board refused reconsideration on all action taken today.

Adjourned at 5:07 P. M., on motion of Ald. O'Toole, to meet on Monday, April 3, at 3 o'clock P. M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, March 30, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P.M., President Kiley in the chair.

PAPERS FROM BOARD OF ALDERMEN

1. Ordered, That His Honor the Mayor be requested to instruct the Bath Commission to reinstate the members of the Bath Department who were employed on repair work during the winter months, and put them to work at their regular department work and wages.

Passed in concurrence.

2. Ordered, That the Superintendent of Public Grounds be authorized to hire the vacant lot of land belonging to W. W. Marsh, and located on Everett St., Brighton, to be used as a playground, as in former seasons, and to expend not exceeding the sum of two hundred (200) dollars for the purpose; said sum to be charged to the appropriation for Public Grounds Department.

Referred to the Committee on Public Grounds Dept., when appointed.

3. Ordered, That so much of the loan order approved October 5, 1896, as appropriated three thousand (3000) dollars for "Sewer Outlet, Porter St.," and the order approved December 11, 1897, transferring the said amount to an appropriation for "Dam from Maverick St. to Prescott St., East Boston," be, and the same hereby are, rescinded.

Referred to the Committee on Finance, when appointed.

RELEASE OF RESTRICTIONS.

The Council proceeded to take up No. 4, reconsideration, viz:—

4. Ordered, That the Board of Park Commissioners, with the approval of the Mayor, and by an instrument or instruments satisfactory to the Law Department, may, in the name and behalf of the city, alter and amend the restrictions contained in deeds heretofore given to the city by the owners of lands abutting upon the public parks, by substituting the word "seventy" for the word "sixty" in the clause relating to the maximum height of buildings allowed on the restricted premises, and may also insert after the word "chapels" in said clause the words, "or above the grade of the ground at the principal front of the building, in case the grade of said ground is above the grade of said park."

The question came on motion (notice filed by Mr. Chamberlain) to reconsider vote of March 23, whereby above order was referred to the Committee on Ordinances, when appointed.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I will ask for the reconsideration of the reference of No. 4 to the Committee on Ordinances for the reason that the Committee on Ordinances have not yet been appointed, and after they have been appointed, it will probably be one or two weeks before they are organized and ready for work. I understand that there are two or three gentlemen who wish to build at once, and a communication in regard to this matter will be found in the City Record, page 212. As I understand it, this order is merely put in to make the height of buildings 70 feet on this parcel of land near the Fenway, which would make it in accordance with the height of the buildings on the other Back Bay lands. I can see no reason why the reference

should not be reconsidered, and I hope it will be, and that the order will be passed tonight.

Mr. WATSON of Wd. 18—Mr. President, I have no objection to reconsidering the reference of this order, but I do desire to say a word in reference to it. A certain member of the Board of Aldermen is attorney for a party of gentlemen who own land abutting on the park, and when his interests are at stake, that alderman thinks the Common Council quite a body, but at other times, he thinks it amounts to nothing. I hope the reference will be reconsidered, Mr. Chairman, and that the order will pass, but I want to bring the attention of the Council to the fact that that alderman is only friendly to the Council when his interests are at stake.

Reconsideration of the reference to the Committee on Ordinances, when appointed, was had, and the question came on giving the order a second reading.

Mr. CUDDY of Wd. 8—Mr. President, I move you, sir, that the order be referred to the Committee on Park Department, when appointed.

Mr. CHAMBERLAIN—Mr. President, I hope this order will not be referred to the Committee on Park Department. The reference to the Committee on Ordinances has been reconsidered in order that the order might go on its passage tonight. It does not seem to me that there is any reason why this matter should be delayed any longer. The Mayor is in favor of it, the Board of Park Commissioners and the Law Department are in favor of action of this kind, and so I can see no reason for referring the order to any committee. I hope it will be passed tonight.

THE PRESIDENT—The chair will direct the Clerk to read the order for the information of the Council.

(The Clerk read the order as it appears on the calendar.)

The question was put on Mr. Cuddy's motion to refer to the Committee on Park Department, and, the Chair being in doubt, a rising vote was taken. Before the result was announced the President said: The Chair will declare the doubt solved, and it is very evident that the sentiment of the Council is against reference. The Chair will therefore declare the motion to refer rejected. The question is on giving the order a second reading.

The order was read a second time and passed.

SALE OF CITY PROPERTY.

The Council proceeded to take up No. 5, assignment, viz:

5. Ordered, That the Superintendent of Streets be authorized, with the approval of the Mayor, to sell the land and buildings owned by the city, now used by the Paving and Sewer Divisions of the Street Department, and situated between Chelsea and Paris streets, East Boston, and that the Mayor be authorized to execute a deed of the same in the name of the city; the proceeds received from such sale to be turned into the Treasury, subject to subsequent appropriation by the Board of Estimate and Apportionment and the City Council.

The question came on giving the order a second reading.

Mr. LINEHAN of Wd. 14—Mr. President, I move you, that No. 5 be referred to the Committee on Finance, when appointed.

Mr. HICKEY of Wd. 2—Mr. President, while perhaps the ultimate decision of the Council may be to refer this order to the Committee on Finance when appointed, I wish to say just a word at this time. It seems to me that this order calls for nothing unreasonable, unfair or unjust. It provides merely for the selling of land for which the city has no further use. It provides for the selling of land in order that money may be turned into the City Treasury, subject to appropriation by the

Board of Estimate and Apportionment and the City Council; and I feel that this council will be making no mistake in passing the order to a second reading at this time. I am opposed to its reference to the Committee on Finance when appointed.

The question came on reference to the Committee on Finance.

Mr. BORDMAN of Wd. 10—Mr. President, the object of assigning this order at the last meeting of this Council was in order to give the Mayor an opportunity to give the Council information as to the scope of the order and the value and amount of the land. But His Honor the Mayor has seen fit to give to the Council no information; and, therefore, I should say it was only good judgment on the part of the Council to order its reference to the Committee on Finance when appointed. I hope that motion will prevail.

Mr. BAGLEY of Wd. 1—Mr. President, I sincerely hope that this order will not be referred to the Committee on Finance. This is a very important order. If this yard is sold I have no doubt they will use the money for the purpose of improving the new yard. At present they have a stone crusher there in the old yard, and are scaring horses, and there have been a number of runaways on account of it. There is also a school which the noise from this stone crusher seriously affects, in connection with the class lessons, and so on. It is going to take a good many thousand dollars to put the new yard in condition and money is needed for the purpose. There is a new wharf to be built, with all the necessary buildings and I see no reason why this matter should be laid over. I think it should be acted upon tonight, that the order should be passed, giving to the people of East Boston what they want; and the money will be spent, in my opinion, in a proper manner.

Mr. STEVENS of Wd. 11—Mr. President, last week I put in a request that that be assigned for one week, and asked for more information from the Mayor's department as to how much land there was there and how much it was worth. We have received no information whatever, and I supposed from another source that I should have received that information tonight. Personally, I do not care whether this is assigned or not, but I am very much against passing that order until we have been informed as to the amount of land and as to the value of that land. For that reason, I hope that it will be referred.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to state that it is a matter of indifference to me how this land is disposed of, but I want to see the city get its rights. It is stated here in No. 5 that the superintendent of streets will have the disposal of this land. Now, we all know who have had anything to do with the superintendent of streets that he is not a business man, and that he cannot transact his business with credit to the city. We all know that he has had no business training. The only knowledge we have of his business training is that he was an inspector of ash barrels before he was appointed superintendent of streets. For that reason, I think a committee should be appointed, and I think the committee on finance is the proper committee to handle this thing.

Mr. WATSON of Wd. 13—Mr. President, I desire to add to the words of the gentleman from Wd. 13, that Mr. Wells is also a candidate for Mayor. (Laughter.)

Mr. MULCAHY of Wd. 14—Mr. President, the gentleman in this division is pretty well posted in regard to Mr. Wells. I do not know what his occupation was before he became superintendent of streets, but they have always given him credit for using a great deal of discretion at times. Whether or not he has used it with the gentleman of Wd. 13, I do not know. I think there is a good deal of sarcasm on his part. Mr. President, as I understand

it, it has always been considered proper to give the head of a department, with the approval of the Mayor, the power to sell any property, and this has been conformed to in this order. I see no reason why this should be assigned or referred.

Mr. LINEHAN—Mr. President, I would like to state, for the benefit of the gentleman from Wd. 14, who sits in this division, that that list which came in here of contracts that were given out without public competition was a disgrace to any head of a department.

Mr. MULCAHY—Mr. President, I rise to a point of order.

Mr. WATSON—Mr. President, for the information of the gentleman from Wd. 14 as to Mr. Wells's duties previous to his becoming superintendent of streets, I would state that he was chasing fire bells in Boston. (Laughter.)

The PRESIDENT—The Chair will ask the Council to refrain from demonstrations.

Mr. WALKER of Wd. 25—Mr. President, I would like to ask any member of the Council, from East Boston or otherwise, if they can give me some information. I find on page 353 of the Minutes of last year, in the meeting of the Common Council of April 29th, that it passed the following orders:—

"Ordered: That the Superintendent of Streets be authorized, with the approval of the Mayor, to sell the estate owned by the city on Paris, Marion and Chelsea Sts., East Boston, now used as a yard for the Paving and Sewer Divisions of the Street Department.

"Ordered: That the proceeds received from such sale be appropriated for the construction of buildings upon the estate purchased last year for the use of the Street Department on Chelsea St., East Boston, the same to be used for the Paving, Sewer, Street Cleaning and Sanitary Divisions of the Street Department."

That order was concurred in on May 2nd by the Board of Aldermen, and was signed by the Mayor. I should like to ask why, since the authority was given last year for the sale of this property and for the use of the proceeds, that authority has not been carried out? If it is not known, I think it might be a matter to be considered by the Finance Committee.

The motion to refer the matter to the Committee on Finance was declared carried. Mr. Hickey of Wd. 2 doubted the vote, and asked for a rising vote, which was taken, and the motion to refer to the Committee on Finance was carried, 34 members voting in the affirmative, 13 in the negative. Mr. Linehan of Wd. 13 moved to reconsider; lost.

EMPLOYMENT OF CITIZENS.

The Council proceeded to take up No. 6, assignment, viz.:—

6. Mayor's message returning with his approval the following ordinance:—

An ordinance to amend chapter 3 of the Revised Ordinances of 1898. Be it ordained, etc.:—

Chapter 3 of the Revised Ordinances of 1898 is hereby amended in section 12 by striking out the words "of the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "and, if male subordinates, legal voters of Boston, in any capacity."

The question came on the passage of said ordinance, notwithstanding the objection of the Mayor.

Assigned until 9 o'clock, on motion of Mr. Linehan of Wd. 13.

Later in the session, Mr. LINEHAN of Wd. 13 said—Mr. President, I move you, sir, reconsideration of the vote whereby No. 6 on the calendar was assigned to 9 o'clock, hoping that the same will prevail.

Reconsideration was carried, and the question came on the passage of the ordi-

nance, notwithstanding the objections of His Honor the Mayor.

Mr. WALKER of Wd. 25—Mr. President, I desire to offer an amendment to the ordinance (sending an amendment to the Chair).

The PRESIDENT—The Chair will rule that the amendment is not in order at this time. The question is on the passage of the ordinance, notwithstanding the objection of His Honor the Mayor.

Mr. LINDHAN of Wd. 13—Mr. President, I would like to say just a few words before this ordinance comes to a vote. My only objection in introducing the ordinance was because of a duty that I owe to my constituency. This is something which affects every citizen of Boston, an ordinance which every faithful representative of the people should vote for. Mr. President, but a few months ago, there was a great strike on in the State of Illinois, and the mine operators of the State were importing cheap labor from the South, when the Governor of the State of Illinois warned them not to bring them in. He said: "If you persist, I will meet them at the State line and shoot them to pieces with gatling guns." Now, that is the sentiment we want to see here in Boston. That is the sentiment of home rule. Coming from a race of people who are firm believers in the principle of home rule, I say that the citizens of Boston should get what is due them, should get the benefit of what they pay for. History repeats itself—it is an old saying, but a true one, if we go back to the old Revolutionary days, we will find the people of that time standing, as the people of Boston do today, for home rule. They were then struggling under the heel of British tyranny.

Where was the Josiah Quincy of those days? Where was he? Protecting the British soldiers on State St. from the indignation of the citizens of Boston. It was the same then as it is today—a fight between Josiah Quincy and the people, at all times. It was only a few days ago that the State Legislature passed a bill, about which I think you all know, in reference to three days' grace. It received the veto of the Governor. Now, Mr. President, what did the Legislature do? The moment the bill came to them they immediately passed it over his veto—and I say they had a perfect right to do so, as I say the Common Council has a perfect right to do tonight. That is the position the members of this body should take this evening and at all times on anything which is a benefit to the people of Boston. I sincerely hope this ordinance will pass.

Mr. LYDON of Wd. 13—Mr. President, I would like to say just a word in regard to this order. I hope every member of the body will vote for this ordinance tonight, notwithstanding the objections of His Honor the Mayor. In fact, I believe the ordinance would justify a unanimous vote. I don't see how any person coming here and representing the legal voters of Boston can vote otherwise than in favor of the ordinance. The Mayor has stated that we have no right to take part in the employment of labor by the city. I believe we are not attempting to take any part in the employment of labor—but it is our duty, a duty we owe to the citizens of Boston, to pass this ordinance, notwithstanding the objections of His Honor the Mayor. The Mayor states that the ordinance is illegal. The Corporation Counsel has stated that it is illegal. I don't question but what the Corporation Counsel has given his decision in good faith; but I believe it should be the duty of those affected by it, the non-residents, to show that it is illegal—not our duty. Our duty is simply to those who send us here—the citizens, taxpayers, the legal voters of Boston. Therefore, we owe them the duty of passing the ordinance tonight, in the spirit of protecting them. Let the non-residents affected by it, if they wish to do so, prove that it is illegal

in the courts. He says that a great many non-residents are working here who would have to be dismissed.

Well, as I say, we are not here to legislate for non-residents. There is not a position in the City of Boston, from the Mayor's position down, but what can be filled by citizens of Boston; and when the Mayor says it is impossible to fill some positions in the City of Boston with citizens of this city, I say it is a gross insult to the intelligence of the citizens of Boston, to say the least. We have been given credit not only all over the United States, but throughout the world, for sending out some of the brightest, brainiest men, the greatest financiers all over the world. Yet the Mayor of this city says we cannot find people within our borders fit to fill positions in the city employ! I question the truth of the statement. I admit and believe that there are times when certain positions cannot be filled within the scope of the friendship of the people who may be in power; but I believe if the ordinance is passed it will compel them to search the city of Boston for proper men, regardless of such considerations, thereby filling positions under the city government with citizens of the city. I will say a word in closing. The School Committee this year has done more in the line of home rule than in the past. It is going on record as in favor of home rule, and I believe if this Council does not stand by home rule it will certainly not uphold the reputation made by its predecessors. I certainly hope every member of the Council will vote tonight in favor of the passage of the order, notwithstanding the objections of the Mayor. I wish to state to those members who may be friendly to the Mayor—more so than myself—that they must bear in mind the fact that the Mayor was not responsible for their election. The voters of this city send them here, and the members of this body tonight are to decide whether or not they are in sympathy with the Mayor as against their entire constituencies. I will leave the matter to the members themselves.

Mr. MARTIN of Wd. 15—Mr. President, I hope that this ordinance will pass, notwithstanding the objections of His Honor the Mayor. This matter was before this body last year, when we tried to get some information regarding non-resident employees of the City Hospital; and at that time we held up an appropriation that was asked for until we received the information we desired. It seems to me that this is a parallel case. I believe that if the city of Boston is good enough to work for, it is a good enough place for its employees to live in, and I feel that any employee of the city should at least pay their share of the taxes to maintain the municipality which supports them.

Preference should be given to the citizens of Boston in employing all kinds of labor, and I trust that this ordinance may be passed tonight. There are plenty of competent people in Boston who are out of employment and who would gladly take the places now occupied by non-residents and fill the positions as well as the tax dodgers do. They should be given the preference, and I trust that we will pass this ordinance over the Mayor's veto.

Mr. MULCAHY of Wd. 14—Mr. President, I feel as though the gentleman who drafted this ordinance should have given some protection to the boys who are employed by the City of Boston. He does not in any way, shape or manner offer in his ordinance any protection to the boys who are employed by the city, and there are several of them, as each and every member knows—and if this order is passed, I see no protection for them whatever. That is one of the reasons why I am opposed to this ordinance. I understood the Chair to rule out an amendment offered by the gentleman in the first division (Mr. Walker) covering that point. I intended to offer an amendment of a similar na-

ture, but under the circumstances, that amendment having been ruled out, I shall not offer mine. If there can be some protection offered to those boys who are employed by the city, I will vote for this ordinance.

The PRESIDENT—The Chair desires to state that any ordinance which has been vetoed by His Honor the Mayor cannot be amended, but that later on, after the ordinance becomes operative, an opportunity will be afforded to offer an amendment to it. The question is on the passage of the ordinance notwithstanding the objections of His Honor the Mayor.

Mr. WATSON of Wd. 18—Mr. President, I desire to take a portion of the Mayor's message, which I shall read as my text this evening. (Reading).—

"In respect to the merits of the amendment now proposed, while I have considerable sympathy with the purpose in view, it seems to me it would be going altogether too far to lay down an absolute rule that in no case should any person not a legal voter of the city be employed as a male subordinate in any department."

He says that he is fairly friendly to the project. If so, why does he not let it become an ordinance and leave the burden upon the people who do not vote in Boston to prove that it is unconstitutional? Mr. President, the ordinance as it now reads, according to His Honor the Mayor and the learned Law Department, is not legal. He says it has no legal effect. Why did he not veto that when it first passed? Why did not he take some notice of it at that time? If there is any reason for it, I should like to have him tell me. I say, if there is any trouble in proving the ordinance unconstitutional, the burden should be upon the people who live outside of the city, and not upon the Mayor of Boston and the City Government. I trust that we will pass it, notwithstanding the Mayor's veto.

Mr. GIBLIN of Wd. 15—Mr. President, I desire to say but a word in reference to this matter. I think it is about time that a halt should be made by several of the departments who are going outside of the city of Boston to hire help. It is but a few years ago that the Trustees of the Public Library went to the West and brought on here a gentleman named Mr. Putnam, and they put him in a position as Librarian and Secretary of the corporation, and proffered him a salary of several thousand dollars a year. The Public Library was built by the citizens of Boston, by the taxpayers of Boston, and has inscribed upon its front that fact. I think the architects left out one clause. They should have appended "and for the employment of its citizens." Now, Mr. President, I have nothing to say against Mr. Putnam, because I think he has filled his position in a fitting manner. He is qualified for the position, and he is about to leave us now. He has been called by the President of the United States to preside over the library of Congress. I hope that the trustees hereafter will hire a citizen of Boston for that position. It is but a little while ago that the trustees of another department went out west, to Ohio or Indiana, and tried to engage a pedagogue and to bring him on here to Boston, to preside over and manage our poor unfortunate boys down the harbor. It was but a little while ago, and I am sorry to hear the low sentiments of the gentleman from Wd. 14, on the other side of the Council, speaking against this amendment.

When a citizen of his own ward stands a good chance of being elected military instructor in the public schools, he stands up here in the position of certain people in control of that quasi-public corporation, the Boston Elevated Road, who made the remark that they could get down in Digby and Halifax, better men, more reliable men, than they could find walking the

streets of Boston. I am surprised, Mr. President. And the honorable Chief Executive makes a statement in the communication to the Council, among other things, as follows: "This provision, however, for the reason above stated, has no legal effect." He refers, Mr. President, to the ordinance which was passed last year. I would like to ask His Honor the Mayor, Mr. President, why he let that ordinance go by? If the ordinance was at fault last year, if it had no legal effect, I am in favor of amending it. Perhaps the amendment would have no legal effect, but it would give some of these people a chance to contest the legality of it in the courts. Mr. President, I might say, in closing, that I shall always vote for a measure of this kind, believing, as I do, in Boston and her institutions, believing that there are men who are citizens of Boston, men of science, of art, of culture, and of learning, who can fill any position that the city of Boston requires of them.

Mr. HARVEY of Wd. 24—Mr. President, I respectfully move the previous question.

Mr. STEVENS of Wd. 11—Mr. President, I trust that the gentleman will withdraw that motion, for I want to say a few words in regard to this matter. It is something that I feel is my duty.

The question was put on ordering the main question, and it was declared not ordered.

The question came on the passage of the ordinance, notwithstanding the objections of His Honor the Mayor.

Mr. STEVENS of Wd. 11—Mr. President, and members of the Council, I think this ordinance, No. 6 on the calendar, is one that is very interesting to us, taking up our attention more, probably, than any other has for weeks. I think it is a very important matter and one that should be considered very carefully. On page 16 of the Revised Ordinances, section 12, it says: "But shall employ none but citizens of the United States in any capacity, and shall give preference in all cases to citizens of Boston." I think that is quite explicit. I probably have as high an opinion of the citizens of Boston and of their ability to do everything, as any person in this body, but in certain cases, if there is any better ability to be obtained outside of the city of Boston, and if the city of Boston can be the gainer by obtaining it, I see no reason why we should not have the privilege of securing it. The gentleman in the first division says that we imported a man from the Western States to be librarian of the city of Boston. That is true, and if this order had been passed then, we should not have had the valued services of Mr. Putnam as librarian of the city of Boston—and I think it is a very wise thing that we should have had them. The President of the United States and the Congress of the United States have practically said that he is the best man in this country to fill the position of librarian in Washington today. Now, I think the city of Boston, in having him catalogue the books in our library, look after the buying of the books that have been bought, and attend to the affairs of the library in general, have been wonderfully fortunate. I certainly trust that the city of Boston has within its limits some man who can be appointed to that position, and someone who will be perfectly competent to fill that place. One of the members of the School Committee of the city of Boston told me within a few days that a very large percentage—I think he said it was over 40 per cent., and I believe over 50 per cent.—of the Masters and sub-masters of the city of Boston are residents of other towns and cities in the vicinity of the city of Boston. I had it from what I think is good authority that this body has no control over the school committee of the city of Boston in any way. In case we did, and an ordinance of this kind was passed, what would be

the effect upon the schools of Boston? I think that in almost all parts of the country the schools of Boston are looked up to, and that they are admitted to be well run; but if this ordinance had been passed some time ago and if we had had authority over the school committee, the personnel of the school teachers would have been entirely different from what it is today. There may be some teachers today that are not desirable, but I think we will all acknowledge that the schools are well run.

There might be some cases in which, if that order had been passed, many individuals would be pleased. Perhaps I would. I don't know whether I would or not; but I think there are many cases where it might work to the detriment of the city of Boston. In certain cases, where expert opinion is required, and where the expert happens to live over the borders of the city,—in Cambridge or Chelsea—and those places are practically Boston, because Boston is the centre of this part of the country, I see no reason why, if a person lives on the other side of the river, and that man happens to be an authority in regard to certain things, we should be deprived of his services. I do believe myself most assuredly in the ordinance as it read before, that in all cases we shall give preference to the citizens of Boston; but I do not think it is wise to make a prohibitory law, and to say that in no case shall we be at liberty to employ the best people.

Mr. BORDMAN of Wd. 10—Mr. President, I believe in Boston for Bostonians. I am very sorry to differ from my republican friend from Wd. 11, but I do not think that the question is so urgent as he thinks. I also believe that in certain cases we should be able to go beyond the limits of the city of Boston for an expert in some special line, but I think that in those cases the department who proposes to hire experts should be compelled to come to the City Council for their authority to do that sort of thing. That can always be done, by the authority of the executive department, aided by the two branches of the City Council.

We can suspend the ordinance, to suit a special case. I believe that we should make this provision as stringent as possible, and confine city employment to citizens of Boston themselves. I do not feel that there is any force in the remark in the message of His Honor the Mayor stating that the present ordinance is of no avail. I feel that it has a moral effect upon the officers of the various departments of the city, and I believe that if we have this proposed amendment, we will strengthen them very much, and that we will place upon the departments which propose to employ the outsiders the burden of proof, and the burden of testing the legality of this act. I have yet to accept the opinion of the Corporation Counsel of Boston as authoritative in matters of this sort. I know of many laws which have been passed by the houses of Congress and approved by the President of the United States that have stood for years and have been recognized as law, and after a number of years those laws have been put to a test, and have been declared unconstitutional by the Supreme Court. A law of this sort may block many appointments before somebody tests its legality; and until it has been tested and shown to have no force, it will be in force. I think it is the duty of every member of the Council to do everything he can to protect the citizens of Boston, and to keep the citizens of Newton, of Cambridge, of Winochester and of Salem from getting the more lucrative positions in the employment of the City of Boston, and of saying "I do not care to live within its limits."

Mr. LYDON of Wd. 13—Mr. President, I wish to state, in reply to the gentleman

from Wd. 14 that Ald. Dixon introduced an amendment to the ordinance, which was referred to the Committee on Ordinances on Monday at the meeting of the Board of Aldermen, which reads as follows:—

An Ordinance to amend Chapter Three of the Revised Ordinances of 1898.

Be it ordained by the City Council of Boston as follows:—

Chapter three of the Revised Ordinances of 1898 is hereby amended in section twelve by striking out the words "of the United States in any capacity and shall give preference in all cases to citizens of Boston," and inserting in place thereof the words "and, if male subordinates twenty-one years of age or over, legal voters of Boston, in any capacity."

That provides for the employment of minors, and also excludes the employment of non-residents and non-citizens. Just a word to the gentleman from Wd. 11, Mr. Stevens. He says that there would be somebody hurt by the adoption of this ordinance. There is no question about it, that some person would have to be dismissed in consequence of the passing of this ordinance; but I believe it is our duty to legislate for the majority, and not a small minority.

Mr. CASEY of Wd. 18—Mr. President, I hope this ordinance will not pass to night. As a democratic representative of the laboring people, I think this ordinance is more harmful than it is beneficial. My district has many laboring people in the employ of the city of Boston—as many as any district—and I have never heard a complaint from them of a case where an alien has been given the preference over a citizen. If this ordinance passes, it means the discharge of all the boys in the employ of the city of Boston. I do not think that is right. I think the members who are in favor of this ought to have the ordinance referred to the Committee on Ordinances, and that committee can bring in something which would be for the benefit of the people. I think this is nothing but a sorehead administration order, passed for the purpose of trying to hurt the present administration. I hope that the ordinance will not be passed.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to make one statement for the benefit of the gentleman from Wd. 11 (Mr. Stevens). In speaking with the corporation counsel the other day, he took up the charter of New York and read from it where school teachers in the schools of New York have to be citizens of the city of New York, and more than that, where they had to be residents of the district which they teach in. So far as the gentleman who sits in the second division (Mr. Casey) is concerned, when he talks about this ordinance being a sorehead ordinance, I say that his statement is foolish and childish, and his constituency should treat him the way he deserves to be treated (laughter).

Mr. WATSON—Mr. President, I desire to reply to my colleague, in a few, appropriate words. I want to inform him, through you, Mr. President, that the boys in Wd. 18 never elected him to the Common Council, and the boys in Wd. 18 will not elect him to any other office that he seeks. It is the male voters of Wd. 18 that put him here, and they put me here. Mr. President, I want it to be distinctly understood that today in Wd. 18 the people who are loafing are kicking about outsiders working in the employment of the city of Boston. He knows it is so. I throw it in his teeth. He says he has never heard any complaint, but he knows that the people in Wd. 18 are disgruntled because of the way that this administration is taking care of non-residents, and allowing citizens of the city to go unemployed. He may call it a sorehead administration ordinance, if he pleases, but I think he at least ought to call it a sorehead anti-administration ordinance. Perhaps it is, but it is mighty good legisla-

tion for the people of Boston, and those are the people who send us here, and not the boys. I trust that we will pass the ordinance over the Mayor's veto.

Mr. MULCAHY of Wd. 14—Mr. President, I do not know how the gentleman from Wd. 15 can manage to misconstrue my statements to such an extent that he said I was the lone sentinel, standing up here and opposing this ordinance. I want him to understand that I represent the constituents of Wd. 14, and that I owe nothing to him—and I believe that I am capable of representing my constituents properly. When he says that I oppose this ordinance he misconstrues my statements entirely. I told him that I was in favor of the ordinance, but I said that the boys should receive some protection—and I say so now.

Mr. DONOHUE of Wd. 14—Mr. President, I cannot see any arguments that are advanced by the opposition to this ordinance tonight that have any great weight whatever. I would like to reply to the gentleman in the fourth division, who states that this ordinance, if passed, would keep us from having the valuable services of Mr. Putnam as librarian. He says that the President of the United States tenders him the position of librarian of Congress. I would like to state, for the information of that gentleman, that the President of the United States also tendered that position to Congressman Barrows, and for political reasons he was not confirmed by the United States senate—not because he was not competent to fill the position in every way, shape and manner.

I want to say that my colleague from Wd. 14 last week said that he was loyal enough to the Mayor to uphold him in the veto, anyhow. I would like to state, for the benefit of that gentleman, that if this ordinance had passed one of his constituents, the acting superintendent at Long Island, might get the position, and they would not have been scouring the country for a man to fill that position. The man is competent, in every sense of the word. Mr. President, when the gentleman in the third division introduced this amendment to the ordinance, he did so with the advice of the Corporation Counsel. Now, Mr. President, the Mayor of Boston sends his veto here and he says that he is backed up by the same authority. There is plenty of room for doubt, when the Corporation Counsel gives two different opinions, and I would like to see the thing tested. I believe it is just as the gentleman from Wd. 18 says that the burden will lay with the non-residents of the city of Boston to prove that it is unconstitutional, and, for that reason I hope that the ordinance will be passed over the Mayor's veto.

Mr. STOCKTON of Wd. 11—Mr. President, I simply desire to say that I entirely agree with my colleague from Wd. 11 (Mr. Stevens) and hope this ordinance will not be passed over the Mayor's veto. When the gentleman in the third division (Mr. Linchan) holds up to us as a model the schools and government of New York City, which has passed an ordinance similar to the one which is now before us, I don't think he is paying any great compliment to the city of Boston.

Mr. HIBBARD of Wd. 24 moved the previous question.

The main question was ordered, and the ordinance was passed, the objections of His Honor the Mayor to the contrary notwithstanding, yeas 61, nays 7:—

Yeas—Atwood, Padaracco, Bagley, Battis, Bennett, Bordman, Brauer, Brennan, Broderick, Carroll, Chamberlain, Collins, Connolly, Cudde, Doherty, Donahoe, Donovan, Doyle, Eddy, Fenton, Flynn, Gibbons, Giblein, Harvey, Hibbard, Hickey, Horrigan, Howard, Johnson, Jordan, Kelley, Kiley, Leftovith, Linehan, Logan, Lorey, Lydon, MacDonald, Madden, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Newhall, O'Brien, Peck, Rice,

Roemer, Rolland, Sanderson, Simpson, Stone, Sweeney, Turnbull, Walker, Watson, Wells, Winsloe, Wood—61.

Nays—Armistead, Bradley, Casey, Kasanof, Mansfield, Stevens, Stockton—7.

Absent or not voting—Curley, Emery, Klenn, Leonard, Nangle, Sullivan, Tobin—7.

Mr. Linehan moved to reconsider.

The PRESIDENT—The Chair will rule that reconsideration on a veto message is not in order.

PUBLIC LANDING, EAST BOSTON.

The Council proceeded to take up No. 7, assignment, viz.:—

7. Ordered, That the Superintendent of Streets be authorized to lease a suitable location in the vicinity of Jeffries Point, Wd. 2, to be used as a public landing, at an expense not exceeding three hundred (\$300) dollars; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses.

The question came on giving the order a second reading.

On motion of Mr. Chamberlain of Wd. 12, the order was amended by striking out at the end thereof the words "City Council, Incidental Expenses" and inserting in place thereof the words "Street Department, Bridge Division," and the order was read a second time as amended, and was passed. Mr. Bart's of Wd. 1 moved to reconsider; lost. Sent up.

RULES AND ORDERS OF THE COMMON COUNCIL.

Mr. BORDMAN of Wd. 10, for the committee, submitted the following:—

The special committee appointed to prepare and report a draft of the rules to govern the Common Council for the year 1899, having considered the subject, respectfully submit herewith the accompanying draft:—

The rules recommended for adoption are substantially the same as those of the previous year, the only notable changes being the insertion under Rule 4 of the title adopted by the Council on January 19, relative to the preservation of order, and amendments in Rule 5 and Rule 16, providing that members may file orders and resolutions with the clerk up to five o'clock P.M. on the day of the meeting, such orders and resolutions to be read and acted upon in order of filing under the fifth order of business. Under the eighth order of business opportunity is still given for the introduction of orders and resolutions as under the previous rules.

For the Committee,

John Bordman, Jr., Chairman.

RULES AND ORDERS OF THE COMMON COUNCIL.

Rule 1. Unless otherwise ordered from time to time, the regular meeting of the common council shall be held on every Thursday, at 7:45 o'clock P.M., and on the appearance of a quorum the council shall be called to order. In the absence of the president the oldest senior member present shall take the chair, and a president pro tempore shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the council, the time of said roll-call to be at the discretion of the president, but not later than nine o'clock.

President.

Rule 2. The president shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original

appointment, and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the president.

Rule 3. The president may at any time call another member to the chair, but such substitution shall not continue beyond an adjournment. In all cases the president may vote.

Rule 4. The president may make any rules that he deems proper to preserve order in the council chamber during sessions of the council; and in case any member or members, other than the one recognized by the chair, insists on occupying the floor for any purpose, except to rise to a point of order, he shall, upon request of the president, take his seat, and upon refusal to comply with such request, the president shall direct the City Messenger to cause said member or members to be removed from the council chamber, such removal to remain in effect during the remainder of the session, unless otherwise ordered by the president. He shall also forbid smoking in the council chamber during a session.

Clerk.

Rule 5. The clerk shall keep a record of the acts, votes, and proceedings of the common council, and a separate record of all decisions of the chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the city council; and shall prepare a schedule of business in order for each meeting, in such manner as the president may direct.

He shall receive all orders and resolutions filed by the members of the council prior to 5 o'clock P. M. on the day of the meeting, and shall arrange them in the order of their receipt and shall indorse on each the time at which it was filed.

He shall draw up and send all messages to the board of aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he shall keep the papers pertaining thereto until the right of reconsideration has expired.

Conduct of Members.

Rule 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the council so vote. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

Rule 7. No member speaking shall be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place without leave of the president.

Quorum.

Rule 8. Whenever a member raises a doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present or not. For this purpose he may at his discretion, or on motion sustained by one-fifth of the members present, order the roll to be called. If there is no quorum present, he shall declare the council adjourned.

Committees.

Rule 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

Rule 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them.

Rule 11. All committees of this council

shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messenger, unless all the members consent; and the clerk shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to members serving on joint committees.

The absence of a member from three successive, duly called, meetings of any committee except on account of sickness or absence from the city, proved to the satisfaction of the president, shall be deemed a resignation on the part of such member from such committee, and the vacancy caused by the resignation shall be filled by the president at the next meeting of the council.

The clerk of committees shall report at each meeting of the council all resignations effected by the preceding clause.

Rule 12. Special committees of the council shall consist of three members, unless otherwise ordered.

Rule 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting.

Committee of the Whole.

Rule 14. When the council shall determine to go into a committee of the whole, the president shall appoint the member who shall take the chair.

Rule 15. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

Order of Business.

Rule 16. At every meeting of the council the order of business shall be as follows:—

First. Reading of the records of the preceding meeting, if called for by a majority of the members present.

Second. Messages from his honor the mayor, reports of city officers, and other communications addressed to the council.

Third. Papers from the board of aldermen.

Fourth. Reports of committees, which shall be called for by divisions in numerical order.

Fifth. Motions, and orders and resolutions filed in accordance with Rule 5. Such orders and resolutions, in the order of their receipt by the clerk, shall be read once, and upon motion, referred to their appropriate committees or assigned to the next meeting. If no objection is made, or the rules are suspended, orders and resolutions may, at the time they are offered, be given a second reading and passed.

Sixth. Unfinished business of preceding meetings.

Seventh. Notices of motions for reconsiderations. (See Rule 25.)

Eighth. Motions, orders and resolutions which shall take the same course as provided in the fifth section of this rule. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has called.

Rule 17. All papers addressed to the council shall be presented by the president, or by a member; and, unless the council shall otherwise determine, they shall be read by the president, or such other person as he may request, and be taken up in the order in which they have been presented.

Rule 18. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first, the document may be read by its title only.

Rule 19. No ordinance, and no order or resolution imposing penalties, or authorizing the expending of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

Motions.

Rule 20. Every motion shall be reduced to writing, if the President shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

Rule 21. In naming sums and fixing times, the largest sum and longest time shall first be put to the question.

Rule 22. When a question is under debate, the President shall receive any of the following motions, but no others:—

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To assign to a time certain.
6. To amend.
7. To refer to a committee.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, amend, refer, or to close debate at a specified time, may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others, inferior to it in precedence, shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

Rule 23. When a matter has been assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member and take precedence of all other business.

Rule 24. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the City Council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

- A standing committee of the council.
- A special committee of the council.
- A joint standing committee.
- A joint special committee.

Rule 25. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

Rule 26. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table, or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

Rule 27. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

Previous Question.

Rule 28. The previous question shall be put in the following form: "Shall the main

question be now put?" and all debate upon the main question shall be suspended until the previous question has been decided.

Rule 29. When the previous question is ordered, the vote shall be taken upon all pending amendments, and finally upon the main question.

Rule 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once without leave of the council.

Appeal.

Rule 31. No appeal from the decision of the president shall be entertained unless it is seconded; and no motion but to adjourn shall be in order till the question on the appeal has been decided. The question shall be put as follows: "Shall the decision of the chair stand as the judgment of the council?" and it shall be deemed to be decided in the affirmative unless a majority of the votes given are to the contrary.

Voting.

Rule 32. If the president is unable to decide, or if any member doubts a vote, the president shall cause a rising vote to be taken on the question without further debate. The president shall appoint two tellers for each division of the council, as fixed by him, who shall agree, on a count, and report the result aloud to him.

Rule 33. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name unless excused before the vote is taken.

Rule 34. After the announcement of a vote not taken by yeas and nays, any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted, and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

Reconsideration.

Rule 35. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member, who is not shown by a yea and nay vote to have voted against the prevailing side, shall give notice to the clerk, before ten o'clock a.m. of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

Rule 36. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

Rule 37. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:—

- To adjourn.
- The previous question.
- To lay on the table.
- To take from the table.
- To close debate at a specified time.

Rescinding Votes.

Rule 33. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

Elections.

Rule 39. All officers receiving any compensation from the city of Boston, who are elected by the city council, shall, unless otherwise ordered, be chosen in this branch by ballot. In all elections by ballot the number of blanks cast shall be reported. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. If the person chosen is ineligible, the ballot shall be void and a new ballot be taken.

Seats of Members.

Rule 40. No person except a member of the council shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the president.

Spectators.

Rule 41. The City Messenger shall allow no person upon the floor of the Council Chamber, or in either of the ante-rooms, except members of the City Government, heads of departments, and reporters, without the permission of the President; and, while the Council is in session, no person, except members of the City Government, heads of departments, and reporters, shall be allowed in either of the ante-rooms on the easterly side. The President shall order such accommodations on the floor for reporters and spectators as he shall deem proper; provided, however, that no spectators shall be seated behind the members of the Council.

Rule 42. The Council Chamber shall be used for meetings of the Council only, unless by special vote of the Common Council; provided, that during the summer recess the President may allow the Chamber to be used for public purposes, in all cases reporting his action to the Council at its next meeting. The anteroom and large committee-room on the east shall be subject to the same rules, except that the President may allow committee meetings to be held therein at times when the Council is not in session. The Clerk's room shall be assigned to the Clerk of the Common Council for occupancy and use. The anteroom between the Council Chamber and the Clerk's room shall be used during the meetings of the Council to give access to the seats on the floor, and for such other purposes as the President may direct; provided, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the City Messenger, subject to the direction of the President; but no expenditure of money shall be made except by direct vote of the Common Council.

Parliamentary Practice.

Rule 43. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this Council in all cases to which they are applicable, and in which they are not inconsistent with these rules or the joint rules of the City Council.

Repeal.

Rule 44. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon.

The reading was dispensed with, and the report and rules were recommitted to the committee on motion of Mr. Lydon of Wd. 13.

CLOSING OF DUDLEY SCHOOL.

Mr. WATSON of Wd. 13 offered an order—That the School Committee, through His Honor the Mayor, be requested to close the Dudley Grammar Schoolhouse, Roxbury, until such time as said committee is prepared to complete the sanitary improvements recommended by the Board of Health. The Common Council believes that gross negligence has been manifested by delaying for several years the work which should have been done in this building, that the taxpayers of the district have the right to demand proper school accommodations for their children, and that it is inhuman to oblige teachers and pupils to expose themselves to loss of health merely to save a paltry sum to the City Treasury.

Mr. WATSON of Wd. 13—Mr. President, my purpose in introducing this order tonight is to bring to the attention of the people of Boston and of this Common Council the condition of affairs that now exist in the Dudley St. School, in my district.

I attended the Dudley St. School about seventeen years ago. The conditions that existed then exist now, and I have introduced this order because of the fact that many of the residents of my ward send their children to that school, and in view of the fact that many of them have come to me and have complained of the conditions which existed there, and have said that unless something was done to better the conditions they would have to take their children from that school, for they preferred to have their children grow up without any education than to go there and contract diseases which would lead to their death. Diphtheria is one of the diseases which arises from the conditions existing there. The condition of the drainage is such that they have had numbers of diphtheria cases. Mr. President, the Dudley St. School was built in 1873. By some log-rolling on the part of Alderman Sayward, the bill was got through both branches of the City Government and was placed in charge of the committee that had charge of building schools. \$90,000 was appropriated for the purpose, and in view of the fact that Mr. Sayward was a builder, and in view of the fact that he wanted some work from the city of Boston, by log-rolling he was able to get that contract awarded to Mr. William H. Sayward, now secretary of the Master Builders' Association of Boston, who was then a dry goods clerk in the store of Hovey and Company. Mr. President, I desire to bring to the attention of the Council, and of the citizens of Boston, the fact that the reformer of today was a little shady years ago. The reformer of today was feeding at the public crib in 1873. That school, when built in 1873, Mr. President and gentlemen of the Common Council, was ten years behind the times, absolutely.

Now, Mr. President, what is my grievance? I will tell the Council. Teachers without number have been confined to their beds, and they have attributed it to the sanitary condition of the school. Many teachers are sick today. Some of them are recuperating down South, at their own expense, because of those conditions. Many of them are sick now at home. I might name them, if necessary, Mr. President. The Master, Mr. Chase, is fast losing his health. When he came there, he was a strong man. Today, he is physically disabled. One teacher who came there from the Vernon St. School took charge of a class which was in the corridors of the Dudley St. School. In a short while, she was taken sick, and the consequence is that today she is absolutely deaf—all due to the sanitary condition

of that school. I want to say, Mr. President, that the conditions that exist in the Dudley St. School are allowed to exist because it is a poor school, and that they would not be allowed to exist one hour in the Back Bay or in any influential district. Poor children go to this school-house, therefore they must suffer. Mr. President, I desire to direct a few remarks to School Committeemen Calderwood and Strange, who have been on the school committee at least five years. Mr. Calderwood is a resident of Roxbury. He knows the condition of this school. I would like to ask him what is the trouble? Why has it not been attended to? The roof of the Dudley St. School is so bad that the rain pours in in floods. It leaks down through floors below the roof. I was down there today and was shown that by the Master of the school. I desire to call the attention of the Council to a few letters published in the Boston Traveler. Here is one from Master A. L. Rafter, who is now Head Master of the Martin School, in Roxbury. He writes as follows:—

"I am perfectly willing to give my opinion as to the want of ventilation in the Dudley School. I am certain that I suffered from dead and impure air while I was in the building. I trace a very bad case of tonsillitis which I had to room 6. I suffered almost continuously from headache while there; it was especially bad during the afternoon session.

(Signed) "A. L. Rafter."

Now, I want to bring to the attention of the Council the order sent to the School Board by the Board of Health of the City of Boston—and this is not the first order. They have sent them there continually for five years, and this is merely a sample of those sent previously. Here is what Dr. Durgin of the Health Board says:—

"Repeated complaints, examinations and reports to the School Committee and Superintendent of Public Buildings have been made without avail, and covering a period of several years. Another examination has been made within a few days, which shows the continued bad condition of the ventilation, plumbing and draining of the building. There is a lack of traps, a defect in the drain, putty joints, insufficient flushing, offensive odors, want of repairs otherwise, and inefficient means of ventilation. The Board of Health would respectfully, but earnestly, recommend that the sanitary condition of the building be improved as soon as practicable."

That letter was referred last evening, without hearing or debate. Now, Mr. President, the Board of Health have remarked, as I understand, that if a private building was in the condition the Dudley St. School was in, it would be condemned at once and ordered vacated. Mr. President and gentlemen of the Common Council, there are large numbers of children attending that school, and this condition of repairs is a menace to their health. It is high time that the School Committee should do something. I want to ask the School Committee what they have done for the school children of Boston in the year 1898, which would cause them to charge \$1.62 more for teaching a child than it cost previously. I respectfully trust that this order will pass, and that the School Committee will take some notice of the present condition of affairs in the Dudley St. School.

The order was referred to His Honor the Mayor.

GASTON SQUARE.

Mr. WATSON of Wd. 18 offered an order—That the open space formed by the intersection of Zeigler, Roxbury and Washington Sts. be hereafter called and known as Gaston Sq., in memory of William Gaston, late Mayor of Roxbury, Mayor of Boston and Governor of Massachusetts. Passed. Sent up.

PLAYGROUND, DORCHESTER.

Mr. HIBBARD of Wd. 24 offered an order—That the Superintendent of Public Grounds be authorized to hire for playground purposes the same as in former seasons the lot of land known as Nightingale Field, on Morton St., Dorchester; the expense of same not exceeding One Hundred and Fifty Dollars, to be charged to the appropriation for Public Grounds Department.

Passed, under a suspension of the rules. Mr. Hibbard moved to reconsider; lost. Sent up.

FOOTBRIDGE, WORDSWORTH ST.

Mr. SIMPSON of Wd. 1 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to provide a footbridge over the railroad tracks at Wordsworth St., Wd. 1, so that liability of accident at this point may be lessened.

Referred to His Honor the Mayor.

ENGINE HOUSE, WARD 19.

Mr. McINERNEY of Wd. 19 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation of Thirty Thousand Dollars for an engine house and combination truck at the corner of St. Alphonsus and Calumet Sts., Wd. 19.

Referred to the Board of Estimate and Apportionment.

FISHER AVENUE SEWER.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to commence the construction of the sewer in Fisher Ave., Wd. 19, as soon as possible.

Referred to His Honor the Mayor.

RUGGLES STREET PAVING.

Mr. McINERNEY of Wd. 19 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation for paving of Ruggles St., between the location of the tracks, of the New York, New Haven & Hartford Railroad and Parker St., Wd. 19.

Referred to the Board of Estimate and Apportionment.

VACATION FOR FIRE DEPT. EMPLOYEES.

Mr. MOORE of Wd. 10 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to allow the employees of the repair shop, Boston Fire Department, two weeks vacation, the same as other members of said department.

Referred to His Honor the Mayor.

PRINTING OF BUILDING LAWS.

Mr. BRAUER of Wd. 23 offered an order—That the Superintendent of Printing, under the direction of the Committee on Printing, be authorized to prepare and publish an edition of 1500 copies of a digest of the building laws; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses.

Referred to the Committee on Printing, when appointed.

PUBLIC LECTURE APPROPRIATION.

Mr. CHAMBERLAIN of Wd. 12 offered an order—That His Honor the Mayor be requested to submit to the Common Council a complete itemized statement of all charges made against the money appropriated during 1898 and 1899 for "Free Public Lectures."

Referred to His Honor the Mayor.

LEASE OF LAND.

Mr. CHAMBERLAIN of Wd. 12 offered an order—That the Board of Street Commissioners, with the approval of the Mayor, be authorized to lease to the Trustees of the Boston College in Boston, for a term of ten years, and for a nominal consideration, and subject to such further terms and conditions as said Board may deem advisable, a strip of land owned by the city of Boston, extending from Norfolk Ave. to Massachusetts Ave. in said Boston, the same to be used with the land on each side of said strip of land, for an athletic field.

Passed, under a suspension of the rules. Mr. Chamberlain moved to reconsider; lost. Sent up.

IMPROVEMENT OF PUTNAM SQ.

Mr. BATTIS of Wd. 1 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to cause the park in Putnam Sq., Wd. 1, to be planted with grass and flowers and to be enclosed with a wire fence.

Referred to His Honor the Mayor.

Mr. BATTIS of Wd. 1 offered an order—That the Board of Police, through His Honor the Mayor, be requested to instruct the patrolmen doing duty in the vicinity of Putnam Sq., Wd. 1, to prevent loitering or disorderly conduct in the park located in said square.

Referred to His Honor the Mayor.

SIDEWALK, WHITE ST.

Mr. BATTIS of Wd. 1 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to put the sidewalk adjoining the reservoir on White St., Wd. 1, in proper condition for public travel.

Referred to His Honor the Mayor.

ASPHALTING WALKS, PUBLIC GARDEN.

Mr. ARMISTEAD of Wd. 11 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient to enable the Superintendent of Public Grounds to asphalt or otherwise improve the walks in the Public Garden adjoining the entrance to the Subway.

Referred to His Honor the Mayor.

PAY OF SPANISH WAR VETERANS.

Mr. ARMISTEAD of Wd. 11 offered an order—That His Honor the Mayor be requested to inform the Common Council why the order passed by both branches of the city government in relation to employees of the city who served in the late Spanish-American War, and who were to receive pay while in the service has not been complied with.

Referred to His Honor the Mayor.

STATEMENT OF PAYMENTS.

Mr. ARMISTEAD of Wd. 11 offered an order—That the City Auditor, through His Honor the Mayor, be instructed to furnish the Common Council at its next meeting with the information asked for in the orders which passed the Common Council on February 3, 1899, relating to the payments of moneys to parties on the city pay-rolls purporting to represent men deceased, and relating to heads of departments receiving from the city treasury sums in excess of their salaries as established by ordinance.

Referred to His Honor the Mayor.

PETITION REFERRED.

Mr. ARMISTEAD of Wd. 11 presented the petition of the Robert G. Shaw Veteran Association asking for an increased appropriation for Memorial Day.

Referred to the Committee on Memorial Day, when appointed.

EMPLOYMENT OF RESIDENTS.

Mr. HERRIGAN of Wd. 3 offered an order—That the Committee on Ordinances be requested to prepare and report an amendment to the Revised Ordinances of 1898 providing that no person shall be employed in any department of the city of Boston who has not lived in said city one year and has not a legal residence therein.

Referred to the Committee on Ordinances when appointed.

CONDITION OF FROTHINGHAM SCHOOL.

Mr. HERRIGAN of Wd. 3 offered an order—That the School Committee be requested to take the necessary steps to put the Frothingham Schoolhouse, Charlestown, in proper sanitary condition.

Referred to His Honor the Mayor.

PRINTING OF BUILDING LAWS.

Mr. LINEHAN of Wd. 13 offered an order—That the Building Commissioner be authorized to prepare and cause to be printed fifteen hundred copies of a digest of the Building Laws, revised up to the date of the passage of this order; that each member of the City Council be provided with twelve copies and that the remaining copies be placed in the charge and control of said commissioner; the expense attending the same to be charged to the appropriation for Printing Department.

Referred to the Committee on Printing, when appointed.

LIST OF STREETS.

Mr. LINEHAN of Wd. 13 offered an order—That the Board of Street Commissioners, through His Honor the Mayor, be requested to submit to the Common Council a list of the streets given by the City of Boston to the Old Colony Railroad Company to increase its terminal facilities in said city and for other purposes, in accordance with the act of the legislature of 1833, and the amounts given by said railroad company to said city in return for the property.

Passed, under a suspension of the rules. Mr. Linehan moved to reconsider; lost.

ELECTRIC LIGHT, WOODWARD ST.

Mr. FENTON of Wd. 15, offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate an electric light on Woodward St., at corner of Glover Ct., Wd. 15.

Referred to His Honor the Mayor.

NIGHT CAR, SOUTH BOSTON.

Mr. FENTON offered an order—That the Boston Elevated Railway Co. be requested, through the Board of Aldermen, to run a night car by way of Dorchester St. to Field's Corner, in connection with the regular night car running on Broadway to City Point.

Passed. Sent up.

IMPROVEMENT OF WASHINGTON ST.

Mr. BRODERICK of Wd. 23, offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to place Washington St., between Walk Hill St. bridge and Forest Hills Sq., Wd. 23, in proper condition for public travel.

Referred to His Honor the Mayor.

WIDENING OF SOUTH ST.

Mr. BRODERICK offered an order—That the Board of Street Commissioners, through His Honor the Mayor, be requested to cause South St., Wd. 23, to be widened to sixty feet, from Key's St. to the Arborway.

Referred to His Honor the Mayor.

TRACKS ON SARATOGA ST.

Mr. BAGLEY of Wd. 1 offered an order—That the Board of Aldermen be requested not to grant a permit to the Boston Elevated Railway Company to lay rails on Saratoga St., between Orient Heights and Winthrop Bridge, Wd. 1, until said company establishes and maintains a waiting room at the Boston side of the North Ferry.

Mr. BAGLEY of Wd. 1—Mr. President, I simply desire to state that members of this body for the last five years have been trying to get a waiting room on the city side of the North Ferry, and I have made that attempt myself the last two or three years. I wrote a letter to the second vice-president of the company a few weeks ago, asking him to give the East Boston representatives a hearing regarding that waiting room; and he wrote back saying that the waiting room was unnecessary, that the directors of the road knew what the people of East Boston wanted as well as the representatives of East Boston. This proposed route will be of no benefit at all to the citizens of Boston. It is a vacant road for the whole length of the proposed trackway, and I sincerely hope that the road will take some notice of this order and will place a waiting room at the ferry.

The order was read a second time and passed.

MEMBERS PRESENT.

By direction of the President, the Clerk called the roll to ascertain the attendance, with the following result:—

Present—Armistead, Atwood, Badaracco, Bagley, Battis, Bennett, Bordman, Bradley, Brauer, Brennan, Broderick, Carroll, Casey, Chamberlain, Collins, Connolly, Cuddy, Doherty, Donahue, Donovan, Doyle, Eddy, Emery, Fenton, Gibbons, Glinlin, Harvey, Hibbard, Hickey, Horrigan, Howard, Johnson, Jordan, Kasanof, Kelley, Kiley, Leftovith, Linehan, Lorey, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Newhall, O'Brien, Peck, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Turnbull, Walker, Watson, Wells, Winsloe, Wood—67.

Absent—Curley, Klemm, Leonard, Logan, Nangle, Sullivan, Tobin—8.

STREET IMPROVEMENTS, WD. 25.

Mr. ROLLAND of Wd. 25 offered an order—That the Superintendent of Streets, through His Honor the Mayor, make necessary repairs on Everett St., Wd. 25, and place crosswalk on same at junction of North Beacon St.

Referred to His Honor the Mayor.

Mr. ROLLAND of Wd. 25 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to remove plank sidewalk on Franklin St., Wd. 25, and substitute in place gravel or other hard substance.

Referred to His Honor the Mayor.

NEW CHAIRS FOR COUNCIL CHAMBER.

Mr. CARROLL of Wd. 3 offered an order—That the Superintendent of Public Buildings be requested to provide new swivel chairs for the Common Council Chamber.

Referred to His Honor the Mayor.

TIME FOR FIREMEN AND POLICEMEN TO VOTE.

Mr. CARROLL of Wd. 3 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to allow members of the Fire Department sufficient time to vote at caucuses under the

same regulations as they are allowed that privilege at elections.

Referred to His Honor the Mayor.

Mr. CARROLL of Wd. 3 offered an order—That the Police Commissioners, through His Honor the Mayor, be requested to allow members of the Police Department sufficient time to vote at caucuses under the same regulations as they are allowed that privilege at elections.

Referred to His Honor the Mayor.

JOINT STANDING COMMITTEES.

The President announced the appointment of members of the joint standing committees, on the part of the Common Council, as follows:—

Joint Standing Committees.

Art Dept.—Stockton of 11, Leonard of 9, Bagley of 1, Logan 14, Wood 20, Fenton 15, Jordan 22, Sweeney 7.

Assessing Department—Peck 12, Carroll 3, Harvey 24, Watson 18, Broderick 23, Atwood 16, Doyle 19, Tobin 9.

Auditing Department—Stevens 11, Casey 18, Mildram 24, Johnson 2, Badaracco 6, Kelley 4, Battis 1, Bordman 10.

Bath Department—O'Brien 6, Brauer 23, Kasanof 9, Simpson 1, Giblin 15, Roemer 22, Rice 2, Eddy 16.

Building Department—Bennett 5, Hibbard 24, Stone 7, Eddy 16, Linehan 13, Battis 1, Watson 18, Brauer 23.

Cemetery Department—Brauer 23, Emery 21, Hickey 2, Jordan 22, Bradley 6, Broderick 23, Kasanof 9, Mulcahy 14.

City Clerk Department—Emery 21, Brennan 17, Harvey 24, Casey 18, Madden 5, Peck 12, Johnson 2, Broderick 23.

City Messenger Department—Mansfield 10, Gibbons 5, Mildram 24, Badaracco 6, Simpson 1, Brennan 17, Doyle 19, Leonard 9.

Claims—Logan 14, Bagley 1, Watson 18, Bordman 10, McInerney 19, Walker 25, Linehan 13, Rice 2.

Clerk of Committees Department—Flynn 17, Moore 10, O'Brien 6, Wells 16, Doyle 19, Carroll 3, MacDonald 12, Curley 18.

Collecting Department—Stockton 11, Johnson 2, Wood 20, Tobin 9, Klemm 21, Nangle 19, Roemer 22, Mulcahy 14.

Contingent Expenses—Wood 20, Kelley 4, Mildram 24, Doyle 19, Lorey 22, Tobin 9, Armistead 11, Brennan 17.

Election Department—Turnbull 4, Moore 10, Gibbons 5, Winsloe 21, Leonard 9, Stockton 11, Badaracco 6, Simpson 1.

Engineering Department—Leftovith 8, Peck 12, Sweeney 7, Rice 2, Sanderson 25, Kelley 4, Mildram 24, Leonard 9.

Finance—Kiley 8, Stevens 11, Turnbull 4, Lydon 13, Chamberlain 12, Howard 20, Martin 15, Connolly 17.

Fire Department—Watson 18, Moore 10, Sweeney 7, Stevens 11, Collins 13, Lorey 22, Fenton 15, Bagley 1.

Health Department—Linehan 13, Jordan 22, Stevens 11, Leftovith 8, Mansfield 10, Turnbull 4, Wells 16, Bennett 5.

Hospital Department—Donovan 7, Armistead 11, Fenton 15, MacDonald 12, Flynn 17, Mansfield 10, Gibbons 5, Walker 25.

Vessels and Ballast Department—Simpson 1, Kasanof 9, Winsloe 21, Johnson 2, Atwood 16, Bradley 6, Harvey 24, Mulcahy 14.

Institutions Department—Sweeney 7, Wood 20, McInerney 19, Collins 13, Mansfield 10, Martin 15, Battis 1, Hibbard 24.

Lamp Department—McInerney 19, Emery 21, Mulcahy 14, Walker 25, Bradley 6, Winsloe 21, Hickey 2, Wells 16.

Legislative Matters—Stone 7, Bordman 10, Connolly 17, Stockton 11, Lydon 13, Wood 20, Logan 14, Sanderson 25.

Library Department—Connolly 17, Stevens 11, Gibbons 5, Bagley 1, Rolland 25, Cuddy 8, Klemm 21, Donahue 14.

Market Department—O'Brien 6, MacDonald 12, Giblin 15, Hibbard 24, Cuddy 8, Sanderson 25, Donovan 7, Bennett 5.

Ordinances and Law Department—Kiley 8, Chamberlain 12, Stone 7, Linehan 13, Wood 20, Connolly 17, Stockton 11, Giblin 15.

Overseeing of the Poor Department—

Martin 15, Winsloe 21, Newhall 23, Doherty 3, Moore 10, Badaracco 6, Atwood 16, Rice 2.
Park Department—Collins 13, Howard 20, Nangle 19, Emery 21, Horrigan 3, Hibbard 24, Giblin 15, Sanderson 25.

Police Department—Lydon 13, Chamberlain 12, Sweeney 7, Miller 20, Horrigan 3, Moore 10, Turnbull 4, Lorey 22.

Printing—Cuddy 8, Chamberlain 12, Stone 7, Armistead 11, O'Brien 6, Bennett 5, Eddy 16, Donahoe 14.

Public Buildings Department—Bagley 1, Donovan 7, MacDonald 12, Cuddy 8, Klemm 21, O'Brien 6, Martin 15, Horrigan 3.

Public Grounds Department—Collins 13, Howard 20, Donahoe 14, Klemm 21, Curley 18, Wells 16, Flynn 17, Leftovith 8.

Public Lands—Lydon 13, Jordan 22, Donovan 7, Rolland 25, McInerney 19, Harvey 24, Turnbull 4, O'Brien 6.

Registry Department—Howard 20, Casey 18, Wells 16, Hickey 2, Winsloe 21, Madden 5, Lorey 22, Newhall 23.

Schools and Schoolhouses—Martin 15, Miller 20, Connolly 17, Peck 12, Lydon 13, Emery 21, Curley 18, Logan 14.

Weights and Measures Department—Nangle 19, Walker 25, Carroll 3, Newhall 23, Madden 5, Eddy 16, Hickey 2, Armistead 11.

Street Department—Fenton 15, Bagley 1, Flynn 17, Lorey 22, Nangle 19, Broderick 23, Howard 20, Leonard 9.

Street Laying-Out Department—Jordan 22, Fenton 15, Peck 12, Doherty 3, Brauer 23, Donahoe 14, Miller 20, Tobin 9.

Treasury Department—Stevens 11, Sullivan 4, Chamberlain 12, Madden 5, Roemer 22, Newhall 23, Rolland 25, Doherty 3.

Water Department—Donovan 7, Rolland 25, Logan 14, Roemer 22, Flynn 17, Atwood 16, Casey 18, Sullivan 4.

Wire Department—McInerney 19, Miller 20, Watson 18, Roemer 22, Gibbons 5, Bordman 10, Sullivan 4, Horrigan 3.

Music Department—Klemm 21, Flynn 17, Atwood 16, Collins 13, Mildram 24, Sullivan 4, Mansfield 10, Johnson 2.

Statistics Department—Turnbull 4, Peck 12, Rice 2, Sanderson 25, Casey 18, Newhall 23, Eddy 16, Nangle 19.

Joint Special Committees.

Fourth of July—President of the Common Council, Bagley 1, Rice 2, Horrigan 3,

Turnbull 4, Bennett 5, O'Brien 6, Donovan 7, Cuddy 8, Leonard 9, Bordman 10, Armistead 11, Chamberlain 12, Collins 13, Donahoe 14, Martin 15, Eddy 16, Connolly 17, Watson 18, McInerney 19, Howard 20, Klemm 21, Jordan 22, Brauer 23, Hibbard 24, Sanderson 25.

Adjourned at 9:18 o'clock P. M., on motion of Mr. Watson of Wd. 18, to meet on Thursday, April 6, at 7:45 o'clock P. M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, April 3, 1899.

Regular meeting of the Board of Aldermen at 3 P.M., Chairman Barry presiding. Absent, Ald. Codman and Doyle.

On motion of Ald. Colby, the reading of the record of the last meeting was dispensed with.

HEARING AT 3 O'CLOCK.

1. On petition of James Fitzgerald for leave to project two bay-windows from building 375 and 381 Hanover St., Wd. 6.

No objections. Referred to the Committee on Public Improvements.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named, viz.:-

Building Department.

Henrietta Goldsmith, for leave to connect two wooden buildings on 1281-1283 Tremont St., cor. 3-5 Prentiss St., and 9 Prentiss St., Wd. 18.

Building Dept. (Ald.).

Petition for leave to project signs, etc., viz.:-

Cynsure Cycle Co., a V-shaped sign, at 49 Cornhill, Wd. 6.

Thomas Moulton, two barber poles, at 6 Friend St., Wd. 6.

R. E. Munch, four signs, at 267 Washington St., Wd. 6.

H. W. Lockwood & Co., an illuminated sign, at 74 Summer St., Wd. 7.

Goodyear Tire and Rubber Co., two V-shaped signs, at 190 High St., Wd. 7.

John B. Manjoe, three barber poles, at 1173 Washington St., Wd. 9.

James Ivers, a barber sign, at 167½ Congress St., Wd. 7.

W. Creden & Co., two signs, at 94 Essex St., Wd. 7.

Claims.

George W. Oliver, for payment to Harry W. Powers of balance remaining from tax sale of estate on Armandine St.

Charles A. Chase, to be paid for damage to estate 142 Castle St., caused by drain being filled with sand.

Alice E. Gould, for compensation for damage to estate 63 Beech Glen St., caused by blasting.

Electric Wires.

The New England Tel. and Tel. Co. of Mass., for leave to erect poles in Gladstone and Walley Sts., Wd. 1, and Glenway St., Wd. 20.

Board of Health.

Annie B. Bates, for license to maintain a lying-in hospital at 115-117 Warren Ave.

Lamps.

Salvation Army et als., for an electric light on Common St.

Licenses.

T. R. Henry, Manager, for a permit for Helen Davis and Arthur Thompson, under 15 years of age, to appear at Columbia Theatre, for the week ending April 8.

George W. Magec, Manager, for a permit for Lester, Nat and Ralph Benson and Gene Joiner, under 15 years of age, to appear at the Grand Opera House, for the week ending April 1, 1899.

Memorial Day.

Petitions for appropriations for Memorial Day:-

Peter Salem Garrison No. 70, R. A. and N. U.

Thomas F. Meagher Command No. 3, U. V. U.

Railroads.

Waltham, Newton & Forest Hills Street Railway Company, for a location for tracks and the overhead electric system, on Baker and other streets.

Lizzie G. Thoits, that the Board of Aldermen estimate the damage to her by the taking of her estate on Porter St. by the Boston Elevated Railway Co.

Public Improvements.

Richard J. Powers, for leave to lay a 1¼ inch pipe under and across sidewalk at 102 Third St., Wd. 13.

Christian P. Plett, for leave to lay a 1¼ inch pipe under and across sidewalk, at 334 Eighth St., Wd. 13.

Connelly & Wentworth, for leave to close Congress Sq. to public travel during building operations.

William H. Clafin & Co., for leave to erect a post with a sign, at 180-188 Congress St., Wd. 7.

John Soley & Sons, for leave to move a wooden building from Corinth St. to Linden St., Wd. 23.

Woodbury & Leighton, for leave to erect guy posts in Purchase and Cove Sts., Wd. 7.

Petitions for sidewalks, viz.:-

M. F. D'Arcy, 720-722 Saratoga St., Wd. 1.

James V. Devine, E. Cottage St. (north side) corner of Dorchester Ave., Wd. 16.

Edwin A. Stevens, Magnolia St., corner of Magnolia Sq., Wd. 16.

William Ready, 386-388 Market St., Wd. 25.

Paine Furniture Co., 48 Canal St., Wd. 6.

Albert L. Jewell, 128-136 Adams St., Wd. 20.

A. C. Chisholm, Hartford St., corner Cheney St., Wd. 21.

OVERCROWDING OF THEATRES.

The following was received:-

Mayor's Office, City Hall,

Boston, Apr. 3, 1899.

To the Board of Aldermen:-

I transmit herewith for your information a communication from the Board of Police, with enclosure, on the subject of overcrowding theatres.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston, Police Department.

Office of the Board of Police,

March 28, 1899.

Honorable Josiah Quincy, Mayor of Boston.

Dear Sir: I send you herewith copy of correspondence between J. C. S. Taber and the counsel for the Board of Police, on the subject of overcrowding theatres, and especially with reference to crowding passageways leading to exits.

As the Board of Aldermen have the licensing power and the theatres are under their charge, we thought it proper that you should be informed on this subject so that the Board of Aldermen could make such rules and regulations as they deem necessary.

Yours very truly,

A. P. Martin, Chairman.

71 Aldie St., Allston, March 26, 1899.

Board of Police Commissioners, City of Boston:-

Gentlemen: I wish to call your attention to the dangerous crowding of the upper gallery of the Boston Theatre, not only allowed but encouraged by the management of that house on the night of Feb. 9, 89, during the performance of "Carmen" by the Ellis Opera Co. The seating capacity of this portion of the house was oversold by 200 at least, and these people and others who took unsatisfactory seats near the stage, stood in the passageways, as shown in the accompanying rough plan. The writer occupied a seat near X, and was in a position to see all the facts he states. A friend of undoubted integrity was unable to get inside the auditorium at all and made the statement given hereafter in regard to the police officer.

There is but one entrance to the upper gallery of the Boston Theatre. It is wide

enough in itself and gives reasonable means of exit to the occupants of about one-third of the seats. Those on the left. Four rows back of the gallery railing there is a passageway leading across the whole width of the house and wide enough most of the way for two people to walk abreast. On one side of this passage are the backs of the seats and on the other side a raised platform for other seats. The feet of those occupying these seats come to the front edge of this platform, in front of which there is no railing. There is a large post at the entrance to this passageway, leading to the right, so that the exit to about two-thirds of the seats is reduced to room for only one person, at a point about 15 feet from the gallery door. The other gallery floors of this house have passageways back of the seats of such width and position that they are not liable to be used as standing room to a dangerous degree. In the upper gallery all the passageways are within the auditorium. What happened on the evening of Feb. 9, 1899, is as follows: Tickets far in excess of the seating capacity of this part of the house were sold. In fact the crowd was so large in the ticket lobby that the doors were opened 15 minutes or more before the usual time to allow would-be purchasers to get to the box office windows. Women were not only jammed on the stairs as in unavoidable in such a mass of crowding people, but were subjected to the "battering ram tactics" of the football flying wedge indulged in by a party of 20 year old hoodlums in respectable apparel. There was no one at hand to stop this outrageous action and it was continued to the top of the stairs. Once in, the crowd took possession of the good seats and the aisles down to the railing. They did not sit down. They stood in the cross passage and jammed the entrance until an usher came in and filled up the seats in the "chute" at the extreme rear. He made no attempt to clear the passageways and at the time he left the gallery the condition was about as shown. When the performance began those occupying seats at the right of the entrance stood up and the crowd in the entrance way crowded in with them so that there was a solid dam of people from the wall to the post "A" which completely cut off all means of exit in this direction. No attempt was made by the officer to clear this away or was he inside the auditorium.

During the performance a woman standing in the northerly part of the gallery, near "B," became faint, and an attempt was made to get her out. As the aisle was blocked, some men who were with her pounced on the exit door on that side of the house, but to no purpose, and finally attempted to cross to the other side of the house. By walking on the platform over the feet of those sitting they reached the crowd of people at the post, where it was necessary to use argument before those standing there would make the slightest effort to allow them to pass. I would like to know what the additional exits are for and where the keys are kept. Why those farthest from the street are subjected to a threefold risk in case of a stampede and why the management are allowed to sell tickets to people who not only fill all the seats but overflow out on to the stairs where they can neither see or hear. Tomorrow night another opera season opens by the company who last year filled the Mechanics Building. That building will accommodate from 30 to 50 per cent more people than the Boston Theatre. It is safe to say that the crowds attending this week and next will be greater than those to witness the performance by the Ellis Co. That means that the condition I have described will be repeated several times unless prevented by law. I would like to attend these performances but I consider the risk in doing so greater than I ought to undergo. Should any alarm be aroused with the crowd as I saw it, there would have been a terrible stampede, in which broken limbs and

bruised bodies or worse would reach an appalling figure. I have attended the opera for several years and sit very near the entrance where I can see every movement of the officer. His duties are performed in a very perfunctory manner, and the crowd is seldom made to clear the passageways. They are sometimes made to make an opening, but if it is closed up again the officer seems to feel that he has performed his duty and does nothing about it.

Respectfully,
J. C. S. Taber.

Referred to the Committee on Public Improvements.

ELECTRIC PLANT, RAINSFORD ISLAND.

The following was received:—
Mayor's Office, City Hall,
Boston, April 3, 1899.

To the City Council:—
I transmit herewith copy of a communication received by the Board of Estimate and Apportionment from the Trustees for Children, urging the necessity of making provision for electric lighting in the House of Reformation on Rainsford Island, together with an order passed by the Board of Estimate and Apportionment appropriating four thousand dollars (\$4000), for this purpose. Respectfully submitted,
Josiah Quincy, Mayor.

Mayor's Office, City Hall,
Boston, March 31, 1899.
To the Board of Estimate and Apportionment:—

I transmit herewith a communication from the Trustees for Children, urging the necessity of an appropriation for an electric light plant for the House of Reformation on Rainsford Island.
Yours respectfully,
Josiah Quincy, Mayor.

Children's Institution Department,
Trustees for Children,
32 Tremont St., Boston, Mass.,
March 24, 1899.

Hon. Josiah Quincy, Mayor of Boston:—
Dear Sir: I enclose herewith a letter received by the Board of Trustees in relation to a matter which might have resulted very seriously.

The Board feel that they cannot assume the responsibility for the recurrence of such an accident, and therefore would respectfully ask that the present lamps be replaced by electric lights.

The Board has voted that iron fire escapes be placed upon the building, and that the needed apparatus for forcing water be established; and also that the small boys should be removed into the building formerly occupied by the Sumner Hospital.

In this connection, I would say in reply to your favor of the 20th inst., that the majority of the Board is unwilling to grant the use of the buildings formerly occupied by the Sumner Hospital to that Institution, feeling that the buildings are needed for the younger boys of the House of Reformation. Believe me, very respectfully yours,
H. A. Lamb, Chairman.

City of Boston,
House of Reformation, Rainsford Island,
Boston Harbor, March 21, 1899.

To the Trustees for Children:—
In connection with my report to you regarding the accident of March 1, 1899, I wish to make the following recommendations:

- 1st. A safe system of electric lighting should be put in for the whole island, thus eliminating the danger from oil lamps.
- 2nd. A pump should be placed in the boiler room, of sufficient power to force a good stream of water to the upper floors.
- 3rd. The small boys, now in the attic, should be removed to the building at the other end of the island, formerly used for a summer hospital, thus placing them out of danger, relieving the overcrowding, and

at the same time separating them from the older boys, which latter is much to be desired.

Under these conditions no boys would be more than two flights (22 feet) from the ground, with ample means of exit at each end of the building, one of them a wide iron stairway, with broad landings, built in a brick well. There would be modern and available means of extinguishing a fire, with but little possibility of any occurring.

Respectfully submitted,
John C. Anthony, Supt.

City of Boston,
House of Reformation, Rainsford Island,
Boston Harbor,
To the Trustees for Children, of the City of Boston:—

It is my duty to report to you an event which in its outcome was unimportant, but the possibilities of which were appalling.

On the evening of March 1, 1899, just after the boys had retired, one of the lady teachers started to put out the light of the large hanging lamp in her schoolroom. This lamp had been in position all day, and had been lighted all the evening, and was apparently perfectly secure, but the usual means of extinguishing the light brought the large fountain to the floor, barely missing the teacher and one of the matrons who was present. The oil spread rapidly and at once ignited. No outcry was made, but the officers were quietly summoned and two streams of water from the hose, and three fire extinguishers were playing on the flames within three minutes, with hardly a word being spoken. The fire was subdued after scorching the floor and two desks, and burning the books in these desks. The flames and smoke at once attracted the attention of the boys in the dormitories, and but for the energetic work of the watchmen and instructor of athletics, aided by some of the larger boys who kept their heads, a panic certainly would have taken place.

I cannot speak too highly of the prompt and efficient manner in which the whole affair was handled by my officers, or of the quiet bravery shown by the two ladies present, but I feel that after such a warning the conditions here should be fully known and realized by all in any way responsible for this Institution.

This accident occurred by the hand of a careful officer, and was, I believe, practically unavoidable. It happened under most favorable conditions, when the officers were at hand, when the boys were not present; on the second floor where the water pressure is fairly good, and where the hose could be brought close to the flames. However, under a hundred other probable conditions, the results would be most disastrous.

I need not here set forth the dangers attendant upon the use of kerosene oil for lighting purposes, as they are acknowledged. The water pressure on all the floors is practically useless, as no stream could be thrown to any distance. On the upper floors it is especially low. Precautions such as water buckets, which are always full, and hand grenades and extinguishers, which are always at hand, would be useless in any extended conflagration. The position of the younger boys, who are obliged, by our crowded condition, to sleep in the attic on the fourth floor, is especially dangerous.

For these reasons I deem it imperative upon the honor and consciences of those who have it in their power, to eliminate, as far as possible, the imminent dangers from fire which threaten the inmates of this Institution, and with this report I feel justified in saying that, while I shall do all in my power to guard against them, I can no longer, under present conditions, take the responsibility for any future accidents of this nature.

Respectfully submitted,
John C. Anthony, Supt.

City of Boston.

In Board of Estimate and Apportionment.
March 31, 1899.

Ordered, That the sum of Four Thousand Dollars be appropriated, to be expended by the trustees for children in establishing an electric lighting plant at Rainsford Island; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
Daniel J. Kiley,
John H. Sullivan,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

The order was sent down to the Common Council without alteration.

—
CHELSEA BRIDGE—WIDENING OF DRAW.

The following was received:—

Mayor's Office, City Hall,
Boston, April 3, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment at its meeting on March 31st, appropriating thirty thousand dollars (\$30,000), for widening the north draw of the Chelsea bridge.

The estimated cost of widening this draw to 60 feet amounts to \$45,000. Mr. Henry M. Whitney, on behalf of the New England Gas & Coke Co., has already offered to contribute the sum of \$10,000 towards this widening, and the appropriation was passed at the figure above named in the hope that this contribution might be increased to cover the whole difference of \$15,000.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston.

In Board of Estimate and Apportionment.
March 31, 1899.

Ordered, that the sum of \$30,000 be appropriated, to be expended by the Engineering Department in widening Chelsea Bridge draw opening, at the north draw, from its present width of 45 feet to 60 feet; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the City of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
Laurence Minot,
Daniel J. Kiley,
John H. Sullivan,

Members of the Board of Estimate and Apportionment.

Ald. BERWIN—Mr. Chairman, I shall vote for the order the Clerk has just read, coming from the Board of Estimate and Apportionment, but, at the same time, I desire to record myself against the Board of Estimate and Apportionment in this particular. It is unfortunate that the law gives this honorable board no authority to increase the appropriations that the Board of Estimate and Apportionment may see fit to make. I have given this particular subject some attention since it was first brought before the Board of Estimate and Apportionment, and I sincerely and honestly believe that the sum appropriated is hardly sufficient to carry out the work that should be done. As I have said before, it is very unfortunate that the Board has no authority in this matter; and I do hope that some day the time will come when either the law relating to the Board of Estimate and Apportionment will be changed or that that board will be abolished.

Ald. PRESHO—Mr. Chairman, I would

like to say merely a word in advocacy of the measure. This will not only be for the advantage of the New England Gas & Coke Company, but it will develop the industries of Charlestown and will be of benefit to that section in connection with the railroads. The dock facilities in Charlestown, in connection with ocean traffic are being rushed to the very utmost at the present time, and it is altogether probable that if this thing is done the Boston & Maine and other corporations will take advantage of the large extent of flats along the Charlestown water front and develop them, and it will be a splendid thing for that section.

Ald. BERWIN—Mr. Chairman, I desire to continue for just a moment and to compliment the Chair, for I know the Chairman of the Board has strongly advocated, as a member of the Board of Estimate and Apportionment, this project being carried through in a proper manner. I have spoken with him about it, and I know his sentiments on this subject. I know it is not his fault that the amount is not as large as it should be.

The order was approved by the Board of Aldermen; sent down.

WATERING OF STREETS.

The following was received:—

Mayor's Office, City Hall,
Boston, Apr. 3, 1899.

To the City Council:—

I transmit herewith a communication from the Superintendent of Streets, which explains itself. I desire to emphasize the urgency of this matter, and to express the hope that immediate action will be taken on it. Until the necessary action is taken by the City Council, the responsibility for neglect to water the streets will rest with the City Council, and not with the Street Department, as that department cannot proceed without authority.

Respectfully submitted,
Josiah Quincy, Mayor.
Street Department, City Hall,
Boston, Apr. 3, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—I beg to call your attention to the fact that no authority has been granted to this department by the City Council to water the streets during the current year, as required by Chapter 419 of the Acts of 1897. Until such authority is granted, it is not possible for this department to make the proper arrangements, and I would say that we are now greatly handicapped by the delay. The street-watering season has already begun, and unless immediate action is taken by the City Council, there will be very general and proper complaint from the citizens, who must suffer from the dust nuisance until this department is authorized to furnish relief. Yours very respectfully,

Benj. W. Wells,
Supt. of Streets.

Sent down.

PRIMARY AND GRAMMAR SCHOOLS.

The following was received:—

Mayor's Office, City Hall,
Boston, April 3, 1899.

To The City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment at its meeting on March 31st, appropriating four hundred and seventy-five thousand dollars (\$475,000) for providing additional primary and grammar school accommodations. Respectfully submitted,

Josiah Quincy, Mayor.
City of Boston,

In Board of Estimate and Apportionment,
March 31, 1899.

Ordered: That the School Committee be authorized to expend, in providing additional primary and grammar school accommodations, the following amounts and the said amounts are hereby appropriated for the purpose specified; and that

to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to the amount of four hundred and seventy-five thousand dollars (\$475,000), viz:

| | |
|--|-----------|
| Grammar school house, East Boston (14 room building)..... | \$95,000 |
| Primary school house site, Warren District, Charlestown, additional..... | 10,000 |
| Primary school house, Roxbury (6 room building) | 40,000 |
| Grammar school house, South Boston (14 room building)..... | 100,000 |
| Primary school house, Brighton (12 room building) | 70,000 |
| Grammar school house, Dorchester (14 room building)..... | 100,000 |
| Primary school house, Ward 20, site.... | 5,000 |
| Completing and furnishing school buildings now in course of construction, exclusive of high schools..... | 55,000 |
| Total | \$475,000 |

Passed, and we certify that none of the appropriations above made are to meet a current expense.

Josiah Quincy,
David F. Barry,
Daniel J. Kiley,
John H. Sullivan,
Laurence A. Not.

Members of the Board of Estimate and Apportionment.

Ordered printed and assigned to the next meeting, on motion of Ald. Berwin.

PROJECTION OF SIGNS—VETOES.

The following were received:—

Mayor's Office, City Hall,
Boston, April 3, 1899.

To the Board of Aldermen:—

I return herewith without my signature a vote passed at your last meeting granting permission to Grove & Flynn to project a sign at 43 Bristol St., Wd. 9, for the reason that the said vote permits the sign to project into the street five times as far as is allowed by law.

Respectfully submitted,
Josiah Quincy, Mayor.

The vote whereby the said permission was granted was reconsidered, and the question came on again granting permission, the objections of His Honor the Mayor to the contrary notwithstanding.

The Board refused to grant the permission, in opposition to the Mayor's objections, the vote on doing so being yeas none, nays 10.

The following was also received:—

Mayor's Office, City Hall,
Boston, April 3, 1899.

To the Board of Aldermen:—

I return herewith without my signature a vote passed by your Board at its last meeting, granting permission to W. Creden & Co. to project a sign at 94 Essex St., Wd. 7, for the reason that the vote grants permission to project the sign farther into the street than is allowed by law.

Respectfully submitted,
Josiah Quincy, Mayor.

The vote whereby the said permission was granted was reconsidered, and the question came on again granting permission, the objections of His Honor the Mayor to the contrary notwithstanding.

The Board refused to grant the permission, in opposition to the Mayor's objections, the vote on doing so being yeas none, nays 10.

CONSTABLES.

The following was received:—

City of Boston, Office of the Mayor,
April 3, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint the following named persons constables of the City of Boston, for the term of one year beginning with the first day of May, 1899. Respectfully,

Josiah Quincy, Mayor.
Connected with official positions:—Richard F. Andrews, Thomas A. Ball, John H. Banks, Charles A. Belford, Daniel F. Breen, Carlan A. Brown, John E. Cadigan,

- (2.) James Collins and Edward Hughes to be Assistant Weighers and Inspectors of Vessels and Ballast for the term of one year beginning with the first day of May, 1899.
- (3.) The following named persons to be Weighers of Coal for the term of one year beginning with the first day of May, 1899:

Morton Alden, Revere E. Atwood, William G. Bail, James E. Barnett, George L. Batchelder, John L. Batchelder, Jr., Frederick J. Bradford, Barney M. Brennan, Thomas F. Brennan, Michael J. Brennan, John H. Brinc, Walter Bryant, Franklin J. Burnham, John L. Caldwell, P. J. Caldwell, Donald S. Campbell, William A. Campbell, John H. Card, Edward N. Clancy, A. D. Clark, Frederick E. Cleaves, Thomas Colbert, Nelson B. Coll, Charles J. Collins, Edward E. Cove, Hugh F. Crane, Arthur R. Crooks, Fred Cutter, James B. Dana, Asa W. Davidson, Harold L. Day, A. E. Dennis, F. W. Dickinson, Alfred Doane, Charles E. Dodge, John F. Donovan, Luther W. Drown, John H. Duffill, John W. Edson, Albert Eaton, Richard W. Edds, William H. Fitz, John C. Felker, Jr., Arthur L. Fish, Edmund D. Fitzpatrick, Daniel F. Flynn, George E. Frost, Henry A. Frost, Nellie M. Frost, Thomas F. Gallagher, Benjamin A. Gardner, Martin Gilbert, J. M. Gilman, Thomas F. Golding, Henry F. Gould, Robert J. Gove, Wesley A. Gove, William A. Gove, Charles T. Grant, William C. Hain, Charles A. Hamann, George P. Hamlin, Joseph L. Harding, J. Arthur Heaton, Stephen Henton, Sidney C. Higgins, Winfield W. Hill, F. A. Hobbs, Samuel Hosea, Jr., John W. Hunter, Frank E. Ingalls, Elisha C. James, E. W. Johnson, Harry W. Johnson, Henry R. Jordan, John Kelly, John Kelly, Jr., Maurice Kingsbury, Phineas C. Kinney, Edward A. Labrop, William D. Leeds, Clarence J. Libbey, Marcellus H. McElroy, George W. Merrill, Joseph F. Mills, Armine W. Montgomery, Richard J. Moore, Fred C. Morgan, Fred L. Moses, Russell Mascalus, John F. Nelson, John B. Nickels, Horace L. Porter, William H. Pierce, Edward E. Piper, James T. Pond, Hugh H. Ralph, P. J. Powers, Horace G. Robbins, Joseph Robbins, Dennis D. Ruddy, James Russell, William J. Seaver, D. C. Sheehan, John H. Smith, Lucius W. Smith, Clinton E. Somes, George C. Squier, Frederick S. Stanwood, James P. Stewart, Norman Q. Stewart, William F. Stewart, Clinton G. Stickney, Charles E. Stone, G. Louis Stowers, Frank E. Sullivan, Henry F. Thomas, Hollis O. Thomas, Fred S. Thompson, Frank O. Thompson, Charles F. Tirrell, John P. Toomey, Joel E. Vinal, Howard Wale, Alfred A. Waldron, Charles S. Wellington, G. C. Whipple, Michael F. Walsh, John R. White, Charles R. Williams, James Wilson, Henry G. Wilson, Edward J. Whitmarsh, J. Clarence Whitney, James F. Wilson, Benjamin D. Wood, Harry M. Wood, Frederick A. Worden, Frederick T. Wort, Ernest A. Worth, Moses E. Young.

(4.) The following named persons to be Measurers of Wood and Bark for the term of one year beginning with the first day of May, 1899:

Morton Alden, Revere E. Atwood, George L. Batchelder, James B. Dana, John M. Davis, Harold L. Day, A. E. Dennis, Luther W. Drown, William H. Eitz, Joseph Flores, J. Authur Heaton, Sidney C. Higgins, Samuel Hosea, Jr., John W. Hunter,

Frank B. Ingalls, Phineas C. Kinney, Albert T. Orrall, Dennis D. Ruddy, Frank E. Sullivan, Frank O. Thompson, Howard Wade, J. Clarence Whitney.

(5.) The following-named persons to be Measurers of Grain for the term of one year beginning with the first day of May, 1899:

Horace W. Aitken, Ebenezer Barrett, William Bentley, Lawrence A. Bragan, David Burke, Elmer E. Chain, Edward N. Clancy, Michael Collins, Charles R. Clifford, Michael F. Codire, Cornelius Cowhig, Patrick T. Corcoran, Charles A. David, Robert J. Desmond, John Deveraux, F. W. Dickerson, Alton F. Dow, Daniel F. Enos, L. T. Farnum, Michael Finn, Hugh Flanagan, Carroll Gates, John H. Gillogly, William Gleason, Henry F. Gould, George Gourley, Alden H. Harding, Benjamin Hay, Joseph G. Herrick, Joseph A. Hiii, Daniel Hurley, George W. Keith, William T. McLaughlin, Cornelius Murphy, James A. Murphy, R. E. Newman, Alfred J. Sidwell, James Slessor, James E. Soutter, John Steeie, Charles E. Stone, Fred. J. Sullivan, Loring H. Tucker.

(6.) The following-named persons to be Inspectors of Pressed or Bundled Hay and Straw for the term of one year beginning with the first day of May, 1899:

Morton Alden, Charles E. Avery, Joseph P. Carmody, Elmer E. Chain, Charles R. Davis, John M. Davis, Robert J. Desmond, F. W. Dickson, John H. Dunn, William M. Dunn, Ervin F. Eaton, Thomas B. Gammon, John H. Gillogly, Henry F. Gould, William Lincoln, Jarius L. Litchfield, S. B. Keene, William T. McLaughlin, Richard J. Moore, Leslie A. Pike, Edward G. Stanley, Charles E. Stone, Charles F. Thompson, Andrew N. Wyeth.

(7.) The following-named persons to be Field Drivers and Pound Keepers for the term of one year beginning with the first day of May, 1899:

Joseph H. Murphy, in Brighton; Henry Griffith, in Dorchester; John Rooney, in East Boston; William T. McChesney, in South Boston; William Cotter, in the Back Bay district; and— in Roxbury.

(8.) The following-named persons to be Superintendent of Hay Scales for the term of one year beginning with the first day of May, 1899:

Herbert C. Davis, North scales; Edwin T. Frost, South Boston; Charles W. Richardson, Roxbury; Benjamin F. Paine, Brighton; Thomas R. Frost and Lewis L. P. Atwood, West Roxbury; Timothy Dunn, South scales; William J. Mathers, East Boston.

(9.) The following-named persons to be Weighers of Boilers and Heavy Machinery for the term of one year beginning with the first day of May, 1899:

Gustave Amsler, Charles E. Byrnes, John L. Caldwell, Thomas W. Carey, Edward N. Clancy, Nelson C. Clement, Fred. Cutter, Patrick D. Curry, Charles A. David, Alfred Doane, Charles F. Doherty, John F. Donovan, L. T. Farnum, George Gourley, John Hurley, John W. Kelley, Maurice D. Kingsbury, Henry D. Lynch, Robert P. McCann, Eugene McCarthy, George W. Merrill, Armire W. Montgomery, Robert A. Murray, Thomas H. O'Brien, Dennis O'Neil, Dennis O'Sullivan, James Slessor, William F. Stinson, Edwin F. Tarbox, F. S. Thompson, Bert Walbridge.

(10.) The following-named persons to be Weighers of Beef for the term of one year beginning with the first day of May, 1899:

Joel W. Bent, Frederick L. Dodge, Jacob N. Gray, and Charles Warren Hapgood.

(11.) William B. Bayley and Frank L. Bowker, to be Surveyors of Marble, Freestone and Soapstone for the term of one year beginning with the first day of May, 1899.

(12.) Josch B. Sias and Edward R. McLain to be Fence Viewers for the term of one year beginning with the first day of May, 1899.

(13.) James H. Cleaves, Robert F. Means to be Inspectors of Petroleum and its products for the term of one year beginning with the first day of May, 1899.

(14.) John J. Powers, Sewall B. Farnsworth and Edward R. Maxwell to be Measurers of Upper Leather for the term of one year beginning with the first day of May, 1899.

(15.) Patrick J. McCarthy to be Inspector of Lime for the term of one year beginning with the first day of May, 1899.

Respectfully,
Josiah Quincy, Mayor.

Laid over, under the law, and ordered printed.

PAPERS FROM THE COMMON COUNCIL.

2. Message of the Mayor vetoing ordinance passed by the City Council amending chapter 3 of the Revised Ordinances of 1898, in section 12 "by striking out the words 'of the United States in any capacity and shall give preference in all cases to citizens of Boston,' and inserting in place thereof the words 'and, if male subordinates, legal voters of Boston, in any capacity.'" Said ordinance comes up passed in Common Council March 30, notwithstanding the objections of the Mayor—yeas 61, nays 7.

The Board voted to reconsider its previous action on the ordinance, and the question came on the passage of the ordinance, the veto of His Honor the Mayor to the contrary notwithstanding.

The vote on the passage of the ordinance stood, yeas 7, nays 2:

Yeas—Ald. Adams, Barry, Berwin, Brick, Dixon, McDonald, Presho—7.

Nays—Ald. Co'by, Day—2.
The ordinance was declared not passed, and the veto sustained.

Ald. BERWIN—Mr. Chairman, I ask a reconsideration of the last vote.

The CHAIRMAN—The Chair will inform the alderman that there can be no reconsideration now, reconsideration having once prevailed.

Later in the session the Chairman said:—

The Chair will call the attention of the Board to this fact, that it required a two-thirds vote of the entire branch where the ordinance originated to pass it over the mayor's veto in that branch; but in this branch it requires only a majority of those present. The consequence is that the ordinance is passed in concurrence, over the Mayor's veto.

Ald. O'Toole—Mr. Chairman, may I go on record as voting on that question now, or is it too late?

The CHAIRMAN—The request of the alderman is solely within the province of the Board. Ald. O'Toole asks the privilege of going on record.

There being no objection, Ald. O'Toole was allowed to vote, and voted "yes," the vote then standing, yeas 8, nays 2, on the passage of the ordinance over the Mayor's veto.

3. Notice of appointments on the part of the Common Council of joint standing and joint special committees.

Placed on file.
The two following orders were passed by the Common Council and sent up:

4. Ordered, That the Board of Aldermen be requested not to grant a permit to the Boston Elevated Railway Company to lay rails on Saratoga St., between Orient Heights and Winthrop bridge, Wd. 1, until said company establishes and maintains a waiting-room at the Boston side of the North Ferry.

5. Ordered, That the Boston Elevated Railway Company be requested, through the Board of Aldermen, to run a night car by way of Dorchester St. to Field's Corner, in connection with the regular night car running on Broadway to City Point.

Severally referred to the Committee on Railroads.

6. Ordered, That the Superintendent of Public Grounds be authorized to hire for

playground purposes, the same as in former seasons, the lot of land known as Nightingale Field, on Morion St., Dorchester, the expense of same, not exceeding one hundred and fifty (150) dollars, to be charged to appropriation for Public Grounds Department.

Passed in concurrence.

7. Ordered, That the Board of Street Commissioners, with the approval of the Mayor, be authorized to lease to the Trustees of the Boston College, in Boston, for a term of ten years, and for a nominal consideration, and subject to such further terms and conditions as said board may deem advisable, a strip of land owned may the city of Boston, extending from Norfolk Ave. to Massachusetts Ave. in said Boston, the same to be used with the land on each side of said strip of land for an athletic field.

Passed in concurrence.

8. Ordered, That the open space formed by the intersection of Zeigler, Roxbury and WASHINGTON STS., be hereafter called and known as "Gaston Sq." in memory of William Gaston, late Mayor of Roxbury, Mayor of Boston and Governor of Massachusetts.

Referred to the Committee on Public Improvements.

The next two orders come up for concurrence in their reference to the Board of Estimate and Apportionment.

9. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation for the paving of Ruggles St., between the location of the tracks of the New York, New Haven & Hartford Railroad and Parker St., Wd. 19.

10. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation of thirty thousand (30,000) dollars for an engine-house and combination truck at the corner of St. Alphonsus and Calumet Sts., Wd. 19.

Passed in concurrence.

11. The order passed by this Board March 20, authorizing the leasing of a public landing in the vicinity of Jeffries Point, Wd. 2, "the expense of the same to be charged to the appropriation for (A) City Council, Incidental Expenses"—comes up concurred with this amendment; at (Δ) strike out "City Council, Incidental Expenses" and substitute therefor "Street Department, Bridge Division."

Passed in concurrence.

ACTION ON APPOINTMENTS.

The Board proceeded to take up unfinished business, being action on appointments submitted by the Mayor, viz:—

12. John H. Donovan, John J. Murphy and George A. Comins, to be members of the Board of Assessors, for the term of three years, beginning May 1, 1899.

Ald. ADAMS—Mr. Chairman, inasmuch as there are several members of the Board absent today, I move that the action on these three names be assigned to the next meeting.

Action on No. 12 was assigned to the next meeting.

Later in the session, Ald. McDonald moved a reconsideration of the assignment to the next meeting.

Ald. ADAMS—Mr. Chairman, I very much dislike to disagree with or oppose the motion made by my colleague from Wd. 20, but I had this matter assigned, earlier in the meeting, for the purpose of letting it go over for one week, in order that it might be acted upon by the full board. I thought, inasmuch as two or three members are absent today and this is quite an important matter, involving the confirmation of three of the principal assessors, for a term of three years, it was no more than fair and right that it should be acted upon by the full Board. I therefore hope reconsideration will not prevail, but that the matter will be allowed to come up next week.

Ald. McDONALD—Mr. Chairman, I voted with my colleague from Wd. 20 to

lay the appointments over for one week, because there were present at the time only eight members of the Board. As we saw by the vote on several appointments which appear on the calendar, there were but eight votes cast. Now, it seems to me that these gentlemen appointed by His Honor the Mayor have served in this capacity for a number of years, that nothing can be said against them, and I believe, as a compliment to them, that the appointments should be confirmed this afternoon.

Reconsideration of the assignment was declared carried. Ald. Adams doubted the vote and asked for the yeas and nays.

Ald. BERWIN—Mr. Chairman, I shall vote against reconsideration this afternoon. I will say, in explanation of my position, that I voted last year for the confirmation of Mr. Donovan and shall do so again; but I think when any member of this Board asks that action be delayed for such a reason as that given by Ald. Adams, of Dorchester, as a matter of courtesy it is due to him that his request be granted. When the time comes, I shall, in fact, vote for all three appointees. I know of nothing which would warrant me in voting against them. For that reason, I will say, in support of my position, that I shall not vote for reconsideration this afternoon. But when the proper time comes I shall vote for confirmation of the three gentlemen whose names appear on the calendar.

Ald. BRICK—Mr. Chairman, I shall vote no on reconsideration, because I think it is foolish for us to pass a vote reassigning a matter of this kind, as we did early in the meeting, and then, because somebody hustles around, to change over at the latter part of the meeting. On the question of reconsideration I shall vote "No."

The motion to reconsider was lost, yeas 3, nays 6.

Yeas—Ald. Barry, McDonald, O'Toole—3. Nays—Ald. Adams, Berwin, Brick, Colby, Dixon, Fresho—6.

(Ald. Day announced that he was paired on this question with Ald. Codman.)

On motion of Ald. Colby, the Board voted to consider Nos. 13, 14 and 15 collectively, viz:—

13. Charles A. Belford, to be a Constable, for the term ending April 30, 1899.

14. Phineas C. Kinney, to be a Weigher of Coal and Measurer of Wood and Bark, for the term ending April 30, 1899.

15. William Park, to be an Inspector of Petroleum and its products, for the term ending April 30, 1899.

The question came on confirmation.

Committee—Ald. Colby and McDonald. Whole number of ballots 8; yeas 8, and the appointments were severally confirmed.

BAY WINDOWS—ORDER OF NOTICE.

On the following petition, viz:—
Gipson & Knight, for leave to project two bay windows from building corner Clayton and Dickens Sts., one over each street, Wd. 24; an order of notice was passed for a hearing thereon April 17, at 3 P. M., to consider the expediency of granting the prayer of the petition, when any person objecting thereto may appear and be heard.

CONSTABLE'S BOND.

A communication was received from the City Treasurer approving of the constable's bond of George H. Hosmer, filed today.

The bond was approved by the Board.

PETROLEUM LICENSES.

Notices were received from the Fire Commissioner of his approval of the following petitions:

Glaister Manufacturing Co., for a license to store and keep for sale, oils or fluids

composed wholly or in part of the products of petroleum, at 114 Broad St., Wd. 7.

E. C. Powers, for a license to store the above products at 301 Fuller St., Wr. 24.

The said licenses were approved by the Board.

PROJECTIONS, SIGNS, ETC.

Ald. DAY, for the Committee on Building Department (Ald.) submitted the following:

(1) Reports recommending that leave be granted on petitions referred today, as follows:

W. Creden & Company, to project two signs at 91 Essex St., Wd. 7.

John B. Manjoe, to project three barber poles at 1173 Washington St., Wd. 9.

James Ivers, for a barber's sign at 167½ Congress St.

Cynosure Cycle Company, to project a V-shaped sign at 49 Cornhill, Wd. 6.

Thomas Moulton, to project two barber poles at 6 Friend St., Wd. 6.

R. F. Munch, to project 4 signs at 267 Washington St., Wd. 6.

H. W. Lockwood & Co., to project an illuminated sign at 74 Summer St., Wd. 7.

Goodyear Tire & Rubber Co., to project two V signs at 190 High St., Wd. 7.

Reports accepted, leave granted on the usual conditions.

(2) Reports recommending that leave be granted to project bay windows, as follows:—

John O'Connor (petition referred from last year) 2, from building 50 Elery St., Wd. 15.

Bernard J. Devine (petition referred March 20), 3, from building 66-68-70 A St., Wd. 13.

Louis & Henry Rosenbaum (petition referred March 27), 4, from building 113-115-117-119 Richmond St., Wd. 6.

Reports accepted, leave granted on the usual conditions.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that permits be granted on petitions referred today, as follows:—

George W. Magee, Manager, for a permit for Lester, Nat and Ralph Benson, and Gene Joiner, under 15 years of age, to appear at the Grand Opera House during the week ending April 1, 1899.

Manager T. R. Henry, for a permit for Helen Davis and Arthur Thompson, children under 15 years of age, to appear at Columbia Theatre for week ending April 8.

Reports accepted, permits granted on the usual conditions.

(2) Reports recommending that minors' licenses be granted to 371 newsboys, 42 bootblacks and 4 vendors.

Reports accepted, permits granted on the usual conditions.

RAILROAD REPORTS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

(1) Report on the petition of the Boston & Albany Railroad Company for a location for two temporary tracks across South St., Wd. 7, (referred March 27).—recommending the passage of the accompanying order:—

Ordered, That in addition to the rights heretofore granted the Boston & Albany Railroad Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use two temporary tracks across South St., Wd. 7, until September 1, 1899, upon condition that protection to the public satisfactory to the Board of Aldermen is provided; said tracks being shown by red lines on a plan made by the Engineer's Office, Boston & Albany R.R. Co., dated March 6, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said Boston & Albany Railroad Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within sixty days from the date of the passage of this order.

Report accepted, said order passed.

(2) Report on the petition of the West End Street Railway Company (recommitted Feb. 27), for a location for double tracks on Washington St. between Newcomb and Ball Sts.—recommending the passage of the accompanying order:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain, and use double tracks on Washington St., between Newcomb and Ball Sts., said tracks being shown by red lines on a plan made by A. L. Pimpton, dated January 6, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted, order passed.

(3) Report on the petition of Waltham, Newton & Forest Hills St. Railway Company, for a location for tracks and the overhead electric system on Baker and other streets.—recommending the passage of an order of notice for a hearing thereon Monday, April 24, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

(4) Report on the petition of Lizzie G. Thoits (referred today), that the Board of Aldermen estimate the damage to her by the taking of her estate on Porter St. by the Boston Elevated Railway Company—recommending the passage of the following:—

Ordered—That the petitioner give notice to said Boston Elevated Railway Company to appear before this Board at a meeting thereof to be held at Boston, at City Hall, on the 24th day of April current, by serving it with a true and attested copy of said petition, with this order thereon, fourteen days at least before said twenty-fourth day of April current, that it may then and there show cause, if any, why said petition should not be granted, and to answer to the said petition.

The report was accepted, and the question came on the passage of the order.

The question came on the acceptance of the report.

Ald. BERWIN—Mr. Chairman, I desire to ask some information in reference to

that matter. That is a petition filed with this honorable Board, sitting as County Commissioners. Now, the question I desire to ask the Chairman is, whether that public hearing is to be held by the Committee on Railroads or by the entire board, sitting as County Commissioners?

Ald. DIXON—By the entire Board, sitting as County Commissioners.

The report was accepted and the order of notice was passed.

REVISED GRADE OF STREETS.

Ald. O'TOOLE offered an order—That this Board establish the revised grade of Parker Hill Ave., at Roxbury, from Hillside St. to Huntington Ave., as shown by red lines on plan and profile of said Parker Hill Ave., dated May 26, 1897, signed by William Jackson, City Engineer, and deposited in his office.

Chairman BARRY offered an order—That this Board establish the revised grade of Vale St., at South Boston, between Dorchester St. and Mercer St., as shown by red lines on plan and profile of said Vale St., marked "City of Boston, Vale St., South Boston, July 19, 1898. William Jackson, City Engineer," deposited in the office of the City Engineer.

Referred to the Committee on Public Improvements.

PLANK SIDEWALK, PETERS ST.

Ald. DIXON offered an order—That the Superintendent of Streets be requested to place suitable signs and construct plank sidewalks on Peters St., Wd. 14.

Passed.

TREES ON SARATOGA ST.

Ald. DAY offered an order—That the Superintendent of Public Grounds be requested to plant five trees in the sidewalk in front of estates 427, 429, 431 and 433 Saratoga St., the expense of same to be charged to the appropriation for Public Grounds Department.

Passed.

NORTH SHORE TRACTION TRACKS.

Ald. DAY offered an order—That the Committee on Railroads be requested to give a hearing as soon as convenient on the petition referred February 13, for the removal of the tracks of the North Shore Traction Co., now controlled by the Lynn and Boston Railroad Co., from Walley St., East Boston.

Passed.

WIDENING OF BATTERY ST.

Ald. DAY offered an order—That the Board of Estimate and Apportionment be requested to provide in the next loan the sum of \$32,000 for the widening of Battery St., from Commercial St. to the ferry, in accordance with the plan now in the office of the Board of Street Commissioners.

Passed. Sent down.

PLAYGROUND, FRANKLIN PARK.

Ald. McDONALD offered an order—That the Park Commissioners be requested to allow young boys their former "Playground" at Franklin Park.

Passed. Sent down.

ELECTRIC LIGHT, SAVIN HILL AVE.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light between 300 and 304 Savin Hill Ave., Wd. 20.

Passed.

REPAYMENT TO HUGH McLEOD.

Ald. McDONALD offered an order—That the City Treasurer repay to Hugh McLeod the sum of eighty-three and sixteen one hundredths dollars, being the amount as-

with interest, between the amount assessed his estate on Josephine St., for the laying out and construction of said street, by the order of assessment of the Board of Street Commissioners of May 22, 1897, and the amount assessed said estate by the revised order of assessment by said Board of February 17, 1898, said McLeod having paid the original assessment in full.

Passed, under a suspension of the rule. Sent down.

ELECTRIC WIRES.

Ald. BRICK, Chairman pro tem of the Committee on Electric Wires, submitted a report on the petition of the New England Telephone and Telegraph Company of Mass., (referred today), for leave to erect poles in Gladstone and Walley Sts., Wd. 1, and Glenway St., Wd. 20—recommending the passage of an order of notice for a hearing thereon on Monday, April 10, at 3 P.M., to take into consideration the expediency of granting the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

RECESS TAKEN.

The Board voted, on motion of Ald. Berwin, at 3:35 P. M., to take a recess, subject to the call of the Chairman.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Report on the communication from His Honor the Mayor (referred today), transmitting communication from the Board of Police, etc., on the subject of overcrowding theatres, — recommending that the same be referred to the Committee on Licenses.

Report accepted, said reference ordered.

(2) Report on the message from His Honor the Mayor in reference to the watering of streets during the ensuing year under the assessment plan (referred January 30)—recommending the passage of the order accompanying the same, and that said message be sent down.

Report accepted, said order (that all streets and portions of streets within the city limits be watered during the current year wholly at the expense of the abutters), passed. Sent down.

(3) Report on the order in regard to interest on unpaid taxes, etc. (referred March 27)—that the board non-concur in the amendment passed by the Common Council.

The report was accepted, and the board voted to adhere to former action. Sent down.

(4) Report on the petition (referred March 27), of Nicholas J. Halpine, Lieutenant U. S. Navy, to propel through the streets of this city an automobile miniature man-of-war—that the petitioner have leave to withdraw.

Report accepted; petitioner given leave to withdraw.

(5) Report on petitions (referred today), recommending the passage of orders that the Superintendent of Streets be authorized to issue permits, according to the terms and conditions expressed in the ordinances of the city relating thereto, the work to be completed on or before December 31, 1899, as follows:—

Christian F. Plett, to lay, maintain and use a 1½ inch iron pipe, with a screw cover attached thereto, under and in the sidewalk in front of estate No. 331 8th St., Wd. 15.

Richard J. Powers, to lay, maintain and use a 1½ inch iron pipe, with an iron screw cover attached thereto, under and in the sidewalk in front of estate 102 Third St., Wd. 13.

Woodbury & Leighton, to erect, maintain and use guy posts, with the necessary

ropes attached thereto, in and over the following streets, viz:—

- 1 at or near 267-273 Purchase St.;
- 1 at or near 229 Cove St.;
- 1 at or near the corner of Cove and Summer Sts.;

same to be placed in location satisfactory to the Superintendent of Streets.

Reports accepted, orders passed.

(6) Report on the petition of Connery & Wentworth (referred today), for leave to close Congress Sq. to public travel during building operations—recommending the passage of an order that the Superintendent of Streets be authorized to issue a permit to Connery & Wentworth to close Congress Sq. at or near Congress St., Wd. 6, to public travel during the construction of building Nos. 13, 15 and 17 Congress St., according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed.

(7) Report on the petition of John Soley & Sons (referred today), for leave to move a wooden building from Corinth St. to Linden St., Wd. 23—recommending the passage of the following:

Ordered—That the Superintendent of Streets be authorized to issue a permit to John Soley & Sons to move a wooden building, Mansard roof, 35 ft. in length by 24½ ft. in width, by 30 ft. in height, from present location on Corinth St., through Corinth, Birch and Pennfield Sts., and across private lands to lot on Linden St., Wd. 23, on the terms and conditions expressed in the ordinance of the city relating thereto.

Report accepted, order passed.

(8) Report on the petition of W. H. Clafflin & Co. (referred today), for leave to erect a post with a sign at 180-183 Congress St., Wd. 7—that the petitioner have leave to withdraw.

Report accepted, petitioner given leave to withdraw.

(9) Reports (on petitions referred today) recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 ft. in width, owner to furnish material, in front of the following estates:

A. C. Chisholm, Hartford St., cor. of Cheney St., Wd. 21, gravel, with granite edgestone.

M. F. D'Arcy, 720-722 Saratoga St., Wd. 1, brick with granite edgestone.

James V. Devine, East Cottage St., north side, cor. Dorchester Ave., Wd. 16, brick with granite edgestone.

Albert L. Jewell, 128-136 Adams St., Wd. 20, artificial stone with steel bound curbing.

Edwin A. Stevens, Magnolia St., corner of Magnolia Sq., Wd. 16, artificial stone with granite edgestone.

William Ready, 386-388 Market St., Wd. 25, artificial stone with granite edgestone.

Paine Furniture Company, 48 Canal St., Wd. 6, artificial stone.

Reports accepted, orders severally passed.

(10) Reports recommending the passage of the orders (referred today) establishing the revised grades of Parker Hill Ave. and of Vale St.

Reports accepted, said orders passed.

TREES ON CORDIS STREET.

Ald. PRESHO offered an order—That the Superintendent of Public Grounds be requested to trim a tree at No. 29 Cordis St., Wd. 5; and also to remove a dead tree at No. 95 Elm St., Wd. 3. The expenses of the same to be charged to Public Grounds Department.

Passed.

ELEVATED STATION, CHARLESTOWN

Ald. PRESHO offered an order—That the Boston Elevated Railway Company be requested to provide at least one station on the elevated line now building between

the stations now arranged for in City and Sullivan Sqs., Charlestown District.

Passed.

REMOVAL OF TREE—DORCHESTER.

Ald. McDONALD offered an order—That the Superintendent of Public Grounds be requested to remove a decayed tree in front of premises 23 Withington St., Dorchester, the expense to be charged to the Public Grounds Department.

Passed.

COST OF WIDENING BEACH ST.

Ald. BARRY offered an order—That the Board of Street Commissioners be requested to report to this Board, at its next meeting, an estimate of the cost of widening Beach St., from Washington St. to Atlantic Ave., to a width of 60 feet.

Passed.

EXTENSION OF TIME FOR RAILROAD WORK.

Chairman BARRY presented the petition of the West End Street Railway Company for an extension of time of six months in which to lay curves at the corner of Washington and Hanover Sts.

In connection with the above the Chairman offered the following:—

Ordered—That the time for completing the work of laying double curves at the corner of Washington and Hanover Sts. by the West End Street Railway Company as authorized by an order approved Dec. 7, 1898, being the 17th location, so-called, be extended to October 1, 1899.

Passed.

COMMITTEE APPOINTMENTS.

Chairman Barry announced the appointments of aldermanic membership of the following committees:—

Committee on Finance—Ald. McDonald, Doyle, Presho, O'Toole, Berwin.

Committee on Management of Rainsford Island—Ald. Dixon, Adams, Day, Codman, Brick.

Notice sent down.

GENERAL RECONSIDERATION.

Ald. DAY moved a general reconsideration on all votes taken today, trusting the same would not prevail; lost.

CALL FOR RAILROAD REPORT.

Ald. BERWIN—Mr. Chairman, with no intentional discourtesy to the Committee on Railroads, I desire to give notice at this time that at the next meeting of the Board I shall call for a report of the Committee in reference to the location of tracks of the American Sugar Refinery in South Boston.

Ald. O'TOOLE—Mr. Chairman, the Committee on Railroads have had several meetings, and I think the general makeup of the Committee is such that it is capable of reporting back to this board upon any matter that may be before it without the member from Wd. 6 (Ald. Berwin) asking for it. If I remember rightly—while I don't mean to be discourteous to the alderman from Wd. 6—last year a certain bill was before the Police Committee that stayed there for ten long months before it was called up and acted upon.

In regard to this petition of the Standard Refining Company, I believe the committee is to give a hearing upon the matter next Wednesday, that the Chairman of the committee has called a hearing for that day, and I believe the gentleman has been informed to that effect. We are expediting the business of that committee as much as we are able to. I believe the petition has been in for three or four weeks, and it is a subject of magnitude, in my estimation, something that is a detriment to the people of South Boston; and, while I am not now called

upon to explain my position, because I don't want to anticipate my vote as a member of that committee, I do think that is a large undertaking, something that the people of South Boston are very much interested in. Of course, it takes time to look into these matters; but I can assure the gentleman that this will not stay in the Committee on Railroads as long as that matter I have referred to stayed in the Committee on Police last year.

Ald. BERWIN—Mr. Chairman, I rather anticipated that the honorable alderman from Roxbury would make reference to the delay in the Committee on Police upon the bill in reference to the pay of the policemen. As one member of the Committee, I did everything I could reasonably to expedite the matter. The result of that speaks for itself. I am not in any way responsible for the failure of the order to pass the government. But I do want to say that comparisons are no argument. This is an entirely distinct matter. The granting of the privilege to the American Sugar Refinery Company bears no comparison whatever to the matter to which the honorable alderman has reference, and I take this occasion, while referring to this particular matter, to say that I am a member of a number of different committees in this hall and, actuated by courtesy, I have allowed the chairmen of the several committees of which I am a member to conduct meetings as I saw fit.

I shall, however, in the future, give my particular attention to committee work, and shall insist on the Chairman of the Committee seeing that a report is made on different matters which should be acted upon, one way or the other, as soon as possible. I am getting sick and tired of being accosted on the streets by representatives of various corporations and others having matters before committees, as I have been time and time again, and asked why some action is not taken one way or the other. There is no reason for such delays as we have here on many matters. We can act on a great many questions coming before this board in one week as well as in six weeks. I take no stock in this talk, of which we hear so much, about matters being so important that they have to be delayed for a long

time. I believe members of the board of aldermen are just as competent to pass on matters brought before them as forty thousand people who may be brought in here to give opinions of various kinds, one way and the other. Perhaps I owe an apology to the gentleman who has just spoken, by reason of the statement he has made that the committee intend to give a hearing next Wednesday. I supposed that, under the ordinary parliamentary procedure, the report would have come in here by this time; and if I had known that there was to be a hearing upon the matter next Wednesday I would perhaps have said nothing about it.

Ald. O'TOOLE—Mr. Chairman, I will simply say, in answer to the statement of the alderman from Wd. 6 in reference to expediting business, that probably twenty-five petitions have come before the railroad committee since the committees have been appointed, and I think there are now lying on the shelves of the Committee perhaps three or four petitions of some magnitude and this is one of them. As a member of the committee, I want to say to the alderman from Wd. 6 that if he were in the legislature and questions came before that body in which the people were greatly interested, and somebody should ask for the referendum, that the voice of the people might be heard on the matter, he would probably vote against it, in accordance with the position he now seems to take in reference to committee work in City Hall.

Ald. DIXON—Mr. Chairman, as Chairman of the Railroad Committee I would simply say that the Committee visited Granite St., South Boston, last Saturday, as well as the Boston & Albany Railroad, in connection with the matter upon which we have reported today, and, as regards Granite St., we sent out notices for a public hearing next Wednesday at two o'clock. Ald. Colby, McDonald and Adams were over there last week and examined the place. The citizens of Wd. 13 wanted us to give a public hearing upon it, and so we are going to have one next Wednesday at two o'clock.

Adjourned, on motion of Ald. Adams, at 5:04 P. M., to meet on Monday, April 10, at 3 P. M.

CITY OF BOSTON.**Special Meeting of the Board of Aldermen.**

Tuesday, April 4, 1899.

Special meeting of the Board of Aldermen in the Aldermanic Chamber, City Hall, at 2 P.M., for the purpose of drawing jurors. Chairman Barry presided, and a quorum was present.

The call for the meeting was read and placed on file.

Under Chapter 514 of the Acts of 1894, twelve traverse jurors were drawn for the fourth session of the Superior Court, April sitting, as follows:—

Standish Wilcox, Wd. 7; Richard Power, Wd. 19; Albert E. Dana, Wd. 17; Henry W. Perkins, Wd. 9; Patrick J. Brophy, Wd. 13; Michael J. Sullivan, Wd. 14; John J. Scanlan, Wd. 16; John B. Fitzpatrick, Wd. 19; Almon Allen, Wd. 20; Wesley A. Gove, Wd. 1; Edward B. Bayley, Wd. 11; Frederick T. Paul, Wd. 3.

Adjourned.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, April 6, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock, P.M., President Kiley in the chair.

REPORT FROM BOARD OF POLICE.

The following was received:—

Mayor's Office, City Hall,
Boston, April 5, 1899.

To the Common Council:—

I transmit herewith a communication from the Board of Police acknowledging the receipt of orders of your body requesting that the patrolmen in the vicinity of Putnam Sq. be instructed to prevent loitering or disorderly conduct on the park located on said Square, and requesting that sufficient time be given police officers to vote at caucuses. Respectfully,

Josiah Quincy, Mayor.

City of Boston, Office of the Board of Police,

April 4, 1899.

Honorable Josiah Quincy, Mayor of Boston.

Dear Sir: The Board of Police is in receipt of your letter of the 1st inst. enclosing an order of the Honorable Common Council desiring that the patrolmen doing duty in the vicinity of Putnam Sq. be instructed to prevent loitering or disorderly conduct on the park located on said square, and in reply would say that instructions will be given to the officers in accordance with the provisions of the order.

Also your letter of the 1st inst. enclosing an order to the effect that sufficient time be given officers of this department to vote at caucuses under the regulations such as are allowed at elections, and in reply would say that instructions will be given in accordance with the provisions of the order.

Yours truly,

A. P. Martin, Chairman.

Placed on file.

PETITIONS REFERRED.

To the Committee on Claims—Patrick P. King, for compensation for damage to estate caused by alleged defective sewer on Eagle St., East Boston.

To the Committee on Memorial Day—Edward W. Kinsley Post 113 G. A. R. for the usual appropriation for Memorial Day.

Gen. R. S. Mackenzie Garrison No. 4, R. A. & N. U. for appropriation for memorial purposes.

PAPERS FROM BOARD OF ALDERMEN

1. Mayor's message relative to necessity of passing order for street watering.

Placed on file.

2. Notice of announcement of committee appointments, viz.:

Joint Standing Committee on Finance.—Alderman McDonald, Doyle, Presto, O'Toole, Bervin.

Joint Special Committee on Condition of Rainsford Island Institutions.—Aldermen Dixon, Adams, Day, Codman, Brick.

Placed on file.

3. Ordered, That the Board of Estimate and Apportionment be requested to provide in the next loan the sum of \$32,000 for the widening of Battery St., from Commercial St. to the ferry, in accordance with the plan now in the office of the Board of Street Commissioners.

Passed in concurrence.

4. Ordered, That the Park Commission-

ers be requested to allow young boys their former "Playground" at Franklin Park.

Passed in concurrence.

5. Ordered, That the City Treasurer repay to Hugh McLeod the sum of eighty-three and sixteen one-hundredths (\$83.16) dollars, being the difference, with interest, between the amount assessed his estate on Josephine St., for the laying out and construction of said street, by the order of assessment of the Board of Street Commissioners of May 22, 1897, and the amount assessed said estate by the revised order of assessment by said Board of February 17, 1899, said McLeod having paid the original assessment in full.

Referred to the Committee on Claims, on motion of Mr. Watson of Wd. 18.

Later in the session Mr. Harvey of Wd. 24 said:—

Mr. President, I would like to move a reconsideration of the vote whereby No. 5 on the calendar was referred to the Committee on Claims. I merely move that reconsideration hoping it will prevail because this order is a mere matter of form. The order simply provides for the repayment of the difference between the original assessment and the assessment of February 15 of this year, the original assessment having been paid in full. There are to be a number of these revised assessments coming before the Council, and, this being a mere matter of form, I hope reconsideration will prevail.

Mr. WATSON of Wd. 18—Mr. President, in view of the fact that I was the member who moved the reference to the Committee on Claims, I am perfectly willing that reconsideration shall prevail.

The Council voted to reconsider reference to the Committee on Claims, and the order was read a second time and passed in concurrence.

6. The order concerning the payment of taxes, assessments and interest, passed by this Council, with certain amendments, on March 23, comes down non-concurred in, the Board of Aldermen adhering to its former action, whereby said order was passed without said amendments.

The question came on receding and concurring with the Board of Aldermen; declared lost.

Mr. HICKEY of Wd. 2 doubted the vote and asked for a rising vote. The Council stood divided and the motion to recede and concur was lost, six members voting in the affirmative, nineteen in the negative.

Mr. MULCAHY of Wd. 14—Mr. President, if not too late, I further doubt that vote and ask that the matter be assigned to nine o'clock.

The PRESIDENT—The Chair asks that the gentleman from Wd. 14 will please separate the two motions. The question is now on solving the doubt, if the gentleman asks for a verification.

Mr. MULCAHY—Mr. President, I move to reconsider and ask that the matter be assigned to nine o'clock.

The PRESIDENT—The Chair has declared that the Council refuses to recede and concur. Mr. Mulcahy moves a reconsideration and that the matter be assigned to nine o'clock.

Mr. ARMISTEAD of Wd. 11—Mr. President, I hope this matter will not be assigned to nine o'clock. It seems to me that the members of the Council have made up their minds to stand by their former action, and I don't see wherein the gentleman can gain anything by having this matter assigned to one hour later. I hope assignment will not prevail, but that the Council will stand by its former action.

Mr. HICKEY of Wd. 2—Mr. President, I hope that assignment until 9 o'clock will prevail. I would like to have an opportunity at that time, when the question of reconsideration is carried, to speak upon the question on its merits. When this came before this branch of the City Council before, we amended the original order as it came to us from the Board of Aldermen in two places. The second time it

was amended it was only after a long debate, and I believe that after a full and free discussion the matter will be concurred in with the Board of Aldermen. I hope that assignment will prevail.

The motion to assign was lost.

The motion to reconsider was also lost.

The Council voted to non-concur and adhere to former action. Sent up.

7. Mayor's message, transmitting a copy of a communication from the Trustees for Children, and the following order, passed by the Board of Estimate and Apportionment on March 31, which order comes down without alteration:—

Ordered, That the sum of four thousand (4000) dollars be appropriated, to be expended by the Trustees for Children in establishing an electric-lighting plant at Rainsford Island; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

The communication was placed on file, and the question came on the adoption of the order, in concurrence with the Board of Estimate and Apportionment.

Mr. WATSON of Wd. 13—Mr. President, in view of the fact that the member from Wd. 13, who is especially interested in Rainsford Island, is not present at this time, I move that this order be assigned to half past eight.

Mr. MULCAHY of Wd. 14—Mr. President, I could not understand what the gentleman said. It was something in reference to the gentleman from Wd. 13. Now, I do not know why he should delay this matter because of the absence of the gentleman from Wd. 13. He may not be here this evening at all. I hope the matter will be acted upon now.

The motion to assign further consideration of the matter until half past eight was lost.

Mr. HOWARD of Wd. 20—Mr. President, I should like to ask for information. Did not this body, during the course of last year's session, appropriate a sum of money for this purpose, and, if so, why should we be asked to appropriate \$4000 more?

The PRESIDENT—The Chair, for the information of the gentleman from Wd. 20, as well as other members of the Council, will direct the Clerk to read the communication from the Trustees for Children, in connection with No. 7 on the calendar.

(The Clerk read the communication, as printed in the proceedings of the Board of Aldermen on April 3d).

The order was adopted, in concurrence with the Board of Aldermen and the Board of Estimate and Apportionment.

8. Mayor's message, transmitting the following order passed by the Board of Estimate and Apportionment on March 31, which order comes down without alteration:—

Ordered, That the sum of thirty thousand (30,000) dollars be appropriated, to be expended by the Engineering Department in widening Chelsea bridge draw opening, at the north draw, from its present width of forty-five feet to sixty feet; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

The question came on placing said message on file and passing the order in concurrence with the Board of Estimate and Apportionment.

The message was placed on file, and the order was passed in concurrence with the Board of Estimate and Apportionment.

9. Mayor's message relative to street watering, and recommending the speedy passage of the following order:—

Ordered, That all streets and portions of streets within the city limits be watered during the current year wholly at the expense of the abutters.

The message was placed on file and the

question came on giving the order a second reading.

Mr. COLLINS of Wd. 13—Mr. President, in view of the fact that the street railways operating in the city of Boston, which enjoy all the benefits and privileges that the city can give them, are the great means of creating the dust, and the great cause of the necessity of street watering, I would like to offer an amendment, that would include them in the assessment for the watering, along with the abutters. This order reads that the abutters shall be assessed, and I would like to offer an amendment that any street railway company operating its cars in the city of Boston shall be assessed an equal amount with the abutters, in streets watered by the city of Boston in which their cars are operated.

The PRESIDENT—The Chair will ask the gentleman to reduce his amendment to writing.

Mr. Collins reduced his amendment to writing, and presented it, as follows:—

Move to amend by adding the following: "That any Street Railway Company operating its cars in the City of Boston be assessed an equal amount with the abutters on the streets watered by the City of Boston."

The PRESIDENT—The Chair will say that he is in doubt as to whether or not his amendment is legal, but he will put it for action by the Council.

The amendment was declared adopted. Mr. Watson of Wd. 13 doubted the vote, and asked for a rising vote.

Mr. TURNBULL of Wd. 4—Mr. President, I rise to a point of order, on the legality of that amendment. I thought the Chair said it was illegal.

The PRESIDENT—The Chair desires to state that he does not feel required to make any ruling upon the legality of the amendment whatever. He simply intimates to the Council that he has some doubts as to its legality, but is willing to submit it to the judgment of the Council.

A rising vote was taken on the adoption of the amendment, and it was adopted, 21 members voting in the affirmative, 7 in the negative.

The question came on the adoption of the order as amended.

At the request of Councilman Hibbard of Wd. 24, the order was read, as amended, for information.

The PRESIDENT—The Chair will suggest to the Council, and to the gentleman from Wd. 13 particularly, that in order to make the wording of the order consistent, the word "wholly" should be stricken out.

Mr. HIBBARD—Mr. President, I should like to ask if it would be in order to move to amend the order by striking out the words "the city limits" and inserting in place thereof "within a radius of four miles of City Hall?" That would make this order the same as the order which was passed last year. I move that as an amendment simply on the ground that in the outlying district, which I come from, there are large tracts of land which would receive no benefit from the street watering, and which, I believe, it would be an injustice to tax, as they do city property. Therefore, I offer that amendment.

The PRESIDENT—The Chair will ask the gentleman to reduce his amendment to writing.

Mr. Hibbard reduced his amendment to writing, and presented it, as follows:—

Amend by striking out the words "city limits" and inserting in place thereof the words "radius of four miles of the City Hall."

Mr. COLLINS of Wd. 13—Mr. President, I move to further amend the order by striking out the word "wholly".

Mr. WATSON of Wd. 13—Mr. President, is it in order to speak on the merits of the question at the present time, or simply on the amendment?

The PRESIDENT—The Chair will say

that discussion is in order upon the amendment.

Mr. WATSON of Wd. 18—Mr. President, I am opposed to the entire bill as it has been amended, in view of the fact that on the narrow streets where the cars run the cost of street watering will be far less than on some other streets, such as Kent St., in my ward, a back street. It will cost far more on Kent street than on a street like Guild Row, Mr. President, the abutters would have to pay more. For that reason I trust that the whole order will be defeated.

The question was on Mr. Collins' amendment.

Mr. HIBBARD of Wd. 24—Mr. President, I move that this matter be assigned to the next meeting of the Council, so that there may be an opportunity to look into this thing. This comes up now for the first time, and I think a number of members would like a chance to look into the amendment offered by the gentleman in the third division (Mr. Collins).

I therefore move that the matter be assigned to the next meeting of the Council.

The matter was assigned to the next meeting of the Council.

LIST OF CONTRACTS.

The council proceeded to take up No. 10, assignment, viz:

10. Message of the Mayor transmitting a list of certain contracts entered into by the city through the Street Department. (City Doc. 66.)

Placed on file.

FINANCE REPORT.

The PRESIDENT, for the Committee on Finance, submitted a report on the order (referred March 30) rescinding the loan appropriation of \$3000 for "Sewer Outlet, Porter St." and the order transferring said amount to an appropriation for "Dam from Maverick St. to Prescott St., East Boston"—Recommending the passage of the order in concurrence.

The PRESIDENT—The Chair desires to state, for the information of the Council, that this is for the rescinding of an order appropriating \$3000, which was rendered unnecessary owing to the taking of certain land by the East Boston Land Company.

The report was accepted and the order was passed in concurrence.

LACK OF WORK IN PARK DEPARTMENT.

Mr. GIBLIN of Wd. 15 offered an order—That the Park Commissioners be requested through His Honor the Mayor, to inform the Common Council of the reason of the enforced idleness of certain employees in their department.

Referred to His Honor the Mayor.

PLAYGROUND, WD. 6.

Mr. O'BRIEN of Wd. 6 offered an order—That the Board of Park Commissioners, through His Honor the Mayor, be requested to secure the territory bounded by Charlestown, Thacher, Lynn and Cooper Sts., and cause the same to be laid out for the purposes of a public square and playground.

Referred to His Honor the Mayor.

NEW CITY HALL.

Mr. DONOVAN of Wd. 7 offered an order—That the Committee on Legislative Matters be instructed to appear before the General Court and advocate legislation giving the City of Boston authority to take by right of eminent domain the land bounded by Somerset, Beacon, Bowdoin and Allston Sts., for the purpose of erecting thereon a new City Hall, the expense of the same to be outside the debt limit.

Mr. DONOVAN of Wd. 7—Mr. President, I have introduced this order in view of

the fact that the State has under consideration a proposition to take the land adjacent to the State House for the new park, which has been reported on favorably by the Committee on State House. The City Hall of today is too small to carry on the business of a large city like ours. Thousands of dollars are spent every year for offices outside of the City Hall, which could be saved if we had a building large enough to accommodate all the departments. I think if the State proposes to acquire land in that vicinity that this is the time to act towards getting a new City Hall, before the value of the land is increased by the laying out of the new park.

Mr. ARMISTEAD of Wd. 11—Mr. President, I was just about to move that this be referred to the Committee on Legislative matters.

The order was referred to the Committee on Legislative Matters.

BOSTON LABOR ON DRY DOCK.

Mr. DONOVAN of Wd. 7 offered the following:—

Whereas, It has been learned that the United States Government has awarded the contract for the construction of a new dock in the Navy Yard at Charlestown, and that it is the acknowledged intention of the contractors thereof to import and employ a large number of laborers, while this community is already overcrowded with citizens in great distress on account of want of work, be it

Resolved, That the President of the Common Council, in the name of the people of Boston, transmit to the President of the United States a protest against increasing the great distress existing among the citizen-laborers in our city, by the importation of alien labor to perform work on government contracts to the exclusion and detriment of our unemployed people.

Mr. President, I have introduced these resolutions tonight at the request of a large number of citizens, who believe that the work done in our city should be done by citizens of Boston. The contract for the new dry dock in Charlestown, I understand, has been given to O'Brien & Sheehan, the New York contractors. They are the contractors who brought on alien laborers from New York a couple of years ago to do work on the tracks of the New York, New Haven and Hartford Railroad. It is their avowed intention to bring on fifteen hundred alien laborers to do the work at Charlestown, yet there are hundreds of our citizens who are out of work at the present time, including a great many of the soldiers who went to the front but a few months ago. I believe the mechanics and laborers residing in Boston are as capable as any, and I hope the passage of the resolutions will have some effect in giving them a chance.

Mr. ARMISTEAD of Wd. 11—Mr. President, I heartily indorse the resolutions as just read in our hearing, and I move you, sir, that when the vote is taken on the passage of the resolutions the roll be called.

Mr. GIBBONS of Wd. 5—Mr. President, I heartily coincide with the gentleman from Wd. 7 (Mr. Donovan) in the remarks he has just made. As a representative of Charlestown, I want to say that Charlestown, as a suburban district of Boston, probably furnished the largest number of men to the United States Government in the late war; and I want to say that, as Charlestown is the district in which the Navy Yard now is, we desire that Charlestown men—or, if not Charlestown men, certainly Boston men—may be employed in that yard.

Mr. WATSON of Wd. 13—Mr. President, I heartily indorse all that has been said by the previous speakers. It is true that the alien has been given a far better chance in the matter of employment by the city of Boston than the legal voter, and

the sentiment of the citizens of Boston was made known to the administration last Thursday evening, when we passed an ordinance making it necessary that those employed by the city should be legal voters. Now, Mr. President, I have been told by those who are well informed that it is the intention of this company to bring foreign help here. I am a living witness, Mr. President and gentlemen, to the fact that these same contractors employed Italians at \$1.25 per day on the grade work done by the New York, New Haven & Hartford Railroad, at Roxbury. I don't know what effect this resolution may have, but I wish to say I am satisfied that all the people of Boston are opposed to aliens coming to Boston and receiving pay for work in this way. I trust that the resolution will pass.

The resolution was read a second time and passed—Yeas 65, nays 0.

Yeas—Armistead, Atwood, Badaracco, Bagley, Battis, Bennett, Bordman, Bradley, Brauer, Brennan, Casey, Collins, Connolly, Cuddy, Curley, Doherty, Donahoe, Donovan, Doyle, Eddy, Emery, Fenton Gibbons, Giblin, Harvey, Hibbard, Hickey, Horrigan, Howard, Johnson, Jordan, Kasanof, Kelley, Kiley, Leftovitch, Logan, Lorey, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Newhall, O'Brien, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stone, Sullivan, Sweeney, Tobin, Turnbull, Walker, Watson, Wells, Winsloe, Wood—65.

Nays—0.

Absent or not voting—Broderick, Carroll, Chamberlain, Flynn, Klemm, Leonard, Linhan, Nangle, Peck, Stockton—10.

INCREASE OF PAY—PAUPER INSTITUTIONS.

Mr. CUDDY of Wd. 8 offered an order—That the Pauper Institution Trustees, through His Honor the Mayor, be requested to increase the pay of all officers, excepting the superintendent and deputy superintendent, employed at the institutions on Long Island, to the same amounts allowed similar officers employed at the institutions on Deer Island.

Referred to His Honor the Mayor.

MACADAMIZING OF RUGGLES ST.

Mr. WATSON of Wd. 18 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the macadamizing of Ruggles St., between Shawmut Ave. and Cabot St., Wd. 18.

Referred to the Board of Estimate and Apportionment.

ENGINE HOUSE, WARD 23.

Mr. BRAUER of Wd. 23 presented a petition signed by Patrick J. Kelly and numerous others in favor of the location of an engine house at the corner of Neponset and Hyde Park Aves., and in connection with the same offered an order—That the Fire Commissioner be requested to locate the proposed new engine house, Wd. 23, on Hyde Park Ave., near Neponset Ave.

The petition and order were referred to His Honor the Mayor.

RESIGNATION FROM COMMITTEES.

Mr. MULCAHY of Wd. 14 submitted the following:—

I hereby desire to resign from the following committees, known as the committees on Cemeteries, Collecting, Mayor's Address and Lamp Department.

Placed on file.

GUTTERS AT HEATH ST. BRIDGE.

Mr. McINERNEY of Wd. 19 offered an order—That His Honor the Mayor be requested to petition the New York, New Haven and Hartford Railroad Company

to restore the copper gutters removed from its road elevation at Heath and New Heath Sts., Wd. 19, as the sidewalks are impassable in stormy weather owing to the dripping of muddy water from the bridges.

Referred to His Honor the Mayor.

PAVING OF HEATH AND NEW HEATH STS.

Mr. McINERNEY of Wd. 19 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the paving with granite blocks of Heath and New Heath Sts., between the location of the American Brewing Company and Columbus Ave. extension, Wd. 19.

Referred to the Board of Estimate and Apportionment.

EMPLOYEES DISCHARGED IN BATH DEPARTMENT.

Mr. BORDMAN of Wd. 10 offered an order—That the Bath Trustees, through His Honor the Mayor, be requested to submit to the Common Council a complete list of the names of veterans of the Civil War employed in the Bath Department who have been suspended or discharged without a hearing since the date of the organization of said department.

Passed.

IMPROVEMENT OF HARWICH ST.

Mr. BORDMAN of Wd. 10 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to put Harwich St., Wd. 10, in a suitable condition for travel.

Referred to His Honor the Mayor.

EMPLOYEES ON UNION BASIS.

Mr. TOBIN of Wd. 9 offered an order—That His Honor the Mayor be requested to use his influence with the New England Sanitary Product Company to have said firm place their employees on a union basis.

Referred to His Honor the Mayor.

PLAYGROUND, WD. 10.

Mr. MANSFIELD of Wd. 10 offered an order—That the Committee on Public Grounds Department be requested to select and report to the City Council a suitable lot of land in Wd. 10 which can be hired and used for playground purposes.

Mr. MANSFIELD—Mr. President, in introducing this order for playgrounds I realize that the subject of playgrounds has been pretty well covered this year, but I recently learned that the boys in Wd. 10 have no place for a playground. I think that one of the largest wards in the city should have a place of that kind provided for the boys. In recent years, the boys in that ward have had the privilege of playing baseball, football, etc., on any of the vacant lots, but the territory has been pretty well filled up now, and through an order of the Board of Police they are now excluded from these vacant lots. The only chance they have is in the streets, and they are quickly driven out of there. This afternoon, with Mr. Moore, my colleague, I travelled through the Back Bay District, and I found several lots that I thought would be suitable for this purpose. Of course, I do not expect to get a full-fledged gymnasium, but if you give a boy a baseball and a bat and plenty of fresh air, I assure you that he will get plenty of healthy exercise.

I find that there are a number of lots in the ward suitable for this purpose that can be obtained. One is at the corner of Haviland and Turner Sts., another lot is situated on Hemenway St., bordering the Back Bay Fens, another is at the corner of Massachusetts and Huntington Aves. The lot that took my eye was the one on Hemenway St., bordering on the Fens. It

seems to me that at a very small expenditure of money the brush could be burnt and a suitable place could be built there for the boys. In this era of playgrounds, I think Mayor Quincy should lend his aid to us in this matter and help the Committee. I know that Mr. Moore and myself would be very glad to assist the Committee in this matter in any way that we can.

The order was referred to the Committee on Public Grounds Department.

WATER SERVICE, DORCHESTER LOWER MILLS.

Mr. HIBBARD of Wd. 24 offered an order—That the Water Commissioner, through His Honor the Mayor, be requested to inform the Council why the high pressure water service has not been extended to the Lower Mills district, Dorchester, in accordance with statement made by him in his letter to the Mayor of November 7, 1898, and transmitted to the Council November 18, 1898.

Referred to His Honor the Mayor.

CONDITION OF ADAMS STREET.

Mr. HIBBARD of Wd. 24 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to order the contractor who built the sewer in Adams St., Dorchester, to place the street in proper condition for travel.

Referred to His Honor the Mayor.

PLAYGROUND, TILESTON SCHOOL- YARD.

Mr. HIBBARD of Wd. 24 offered an order—That the School Committee, through His Honor the Mayor, be requested to lay out and construct as a park and playground a portion of the yard of the Tileston School, Dorchester District, which is now not used for any purpose.

Referred to His Honor the Mayor.

MACADAMIZING PARKER STREET.

Mr. ROEMER of Wd. 22 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to remacadamize Parker St., between Centre and New Heath Sts., Wd. 22.

Referred to His Honor the Mayor.

ELECTRIC LIGHT, WD. 21.

Mr. WINSLOE of Wd. 21 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to place an electric light at the corner of Holborn and Gannett Sts., Wd. 21.

Referred to His Honor the Mayor.

PAVING OF ESSEX ST.

Mr. SULLIVAN of Wd. 4 offered an order—That the Board of Estimate and Apportionment be requested to appropriate a sufficient sum of money to pave Essex St., Wd. 4.

Referred to the Board of Estimate and Apportionment.

ELECTRIC LIGHT, WD. 4.

Mr. SULLIVAN of Wd. 4 offered an order—That the Superintendent of Lamps be requested, through His Honor the Mayor, to place an electric light on Brighton St., between Perkins and Cambridge Sts., Wd. 4.

Referred to His Honor the Mayor.

NIGHT CAR, BUNKER HILL ST.

Mr. SULLIVAN of Wd. 4 offered an order—That the Boston Elevated Railway Company be requested to run one of the Charlestown night cars over Bunker Hill St.

Passed. Sent up.

BRIDGE DIVISION EMPLOYEES.

Mr. LINEHAN of Wd. 13 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to reinstate such of the employees of the Bridge Division as lost their employment in said division on account of enlisting in the army or navy during the recent war with Spain.

Passed, under a suspension of the rules. Sent up.

TREMONT ST. TRACKS.

Mr. WATSON of Wd. 18 offered the following:—

Resolved, That in the opinion of the Common Council the senate of this Commonwealth should take favorable action upon the bill concerning the restoration of the railway tracks on Tremont St., as the same is demanded by a large majority of our citizens, especially those who constitute the working classes; the action of the house of representatives in regard to this matter is worthy of the highest commendation and the senate may rest assured that the people of Boston will greatly appreciate its concurrence with the house in voting in favor of the restoration of the tracks.

Ordered, That the senate be furnished with a copy of this resolve by the clerk of the Common Council.

Mr. WATSON of Wd. 18—Mr. President, I introduce this resolution this evening, believing, as I do, that the people of my district and beyond my district are in favor of the relocation of the tracks on Tremont St. I have had personal experience as to whether or not the subway is satisfactory in the matter of transporting passengers. I desire to say that at some times in the day the subway is adequate, but at certain hours—for instance, between half past 4 and half past 6 to 7 o'clock in the evening—a person cannot get down and take a car at the Scollay Sq. or Park St. stations without running the risk of losing a leg; and if you want to be gentlemanly—as I always do—you cannot expect to get into a car inside of ten minutes without walking over 15 or 20 women. Now, I voted against the subway. I believed it was no good—I am one of those who are consistent, and I believe now it is no good. I don't believe the stations can be made adequate for the people. They are not adequate now, and as years go on they will become still more inadequate. Boston has a growing population, and how are you going to accommodate that population? You may be told that the West End Road will be the gainers by having these tracks replaced. Why, they will not gain a cent. I and others who now go down into the subway to get a car will hereafter get it on Tremont St. The Boylston St. station is adequate, but the Park St. and Scollay Sq. and other stations are not. In view of the fact that the stations cannot be enlarged, and in view of the fact that the East Boston ferry cars, which once ran on Tremont St., are now running up Washington St., adding to the congestion, I believe, in the interest of the people of my district and of those living in the suburban parts of the city, that they should be given the right to go down on the surface of Tremont St. instead of through the subway. I believe that in speaking for this resolution, I am speaking in the interests of the people of Boston.

Mr. STEVENS of Wd. 11—Mr. President, I desire to offer this as a substitute resolution.

Resolved, That in the opinion of the common council of the city of Boston no action should be taken by the legislature of this year looking to the restoration of street railway tracks upon Boylston and Tremont Sts., but that the matter

should be postponed until the elevated railway is in operation and the people are given an opportunity of judging whether the complete rapid transit system voted for by them in 1894 is a satisfactory solution of the transportation difficulties of the city or not and that no law should be passed at any time permitting the Boston Elevated Railway Company to operate cars upon the portions of Boylston and Tremont Sts. from which the tracks have been removed without making good to the city the loss in the revenues of the subway which might be caused by running the cars upon the surface of these streets instead of in the subway, and that no law should be passed interfering in any manner with the rapid transit plans deliberately adopted by the people of this city at the special election of 1894, unless such law is first submitted as the act of 1894 was, for popular approval.

Ordered, That the clerk of the common council be instructed to transmit copies of this resolve to both branches of the legislature and to the governor of the Commonwealth.

The PRESIDENT—The question comes on substitution.

Mr. STEVENS of Wd. 11—Mr. President, at the special election participated in by the people in 1894 it was voted, by the voice of the people of this city, that the subway should be built, and after that a contract was entered into between the city and the West End Railroad in connection with the subway. Now, when the people of this city voted upon that matter, that vote included the taking up of the tracks on Tremont St. from Scollay Sq. to Boylston St., and on Boylston St. from Tremont to Park Sq. When the citizens of Boston voted upon that question, little did they dream that at this time there would be a bill before the Massachusetts Legislature repealing that law and allowing the West End Road to relocate its tracks on Tremont and Boylston Sts. Now, what is the situation? Work is being done by the Boston Elevated Railway Company. That work will probably not be completed within a year. I have been told that every well-known lobbyist who hovers around the State House has been there during the last week working in the interest of the bill that is pending there.

I am told that those same men are around City Hall tonight. What are well known lobbyists around for? In the interest of the people or in the interest of corporations? No wonder this railroad wants to have that contract rescinded. When they signed that contract they agreed to pay a certain sum in the way of annual rental—in the neighborhood of \$200,000 for the use of the subway, and under the terms of that contract if a certain number of cars went through there should be a toll on the cars, and the amount of that, after paying for the rental and cost of maintenance, should go for the maintenance of parks. There seems to be a difference of opinion as to what that amount will be. I am told upon what I consider as good authority as any in the city that the loops are used very nearly to their full capacity; also that the two through tracks, in connection with Shawmut Ave. and Tremont Sts., through to the Union Station, are used only to 30 p. c. of their capacity. Now, when the elevated system is completed and the cars go from Roxbury to Charlestown, it is proposed to send those cars through there. That will give rapid transit. Now, the West End road wants to break faith with the people. It entered into a contract, under a law which was made by popular vote of the people. Today neither the people of Boston nor the members of the City Government have the slightest say as to what shall be done with the streets of Boston. I say the law that forbids us

having anything to do with that question is wrong. It is time that we should have something to say about it. This great monopoly which is controlled from Wall St., comes here and tries to have the Massachusetts legislature get a law which expresses the will of the people repealed. They want the tracks relocated on Tremont St. I think they want to keep the street occupied, so that there will not be a chance for any other transportation company—automobile or otherwise—to run vehicles there.

In many of the principal cities of the world electric cars and other such vehicles are not allowed to go through the streets in the heart of the city, except underground, and in many of the cities—such, for instance, as London and Paris—they have motor carriages of some kind, running by steam, electricity or compressed air, which have been found to work well. But, in spite of the voice of the people of this city, the West End Road comes in here and says: "Let us have the tracks back." To my mind, one of the reasons why they want them back is to try to prevent any other company accommodating the citizens of Boston. Some other company may do it as well as they. Another reason why they want to have this done, in my opinion, is because inside of three years, if we hold them to the contract they deliberately signed, there will be an excess of practically \$30,000 per year, a large amount. The whole of that will go towards the maintenance of our parks. I heard what I consider one of the best authorities in Boston, one who has had as much to do with the subway as almost any man in the city, say that the revenue in three years would be \$50,000, while others have placed it at \$20,000. That is the lowest amount I have heard estimated, which amount would go for the maintenance of the parks. I don't believe there is an honorable representative here from any ward in the city of Boston but would like to see the parks of Boston get that money. It is something that would benefit East Boston, Charlestown, Dorchester, Brighton, and the whole city. If we hold the company to their contract, the parks will get the benefit of it. Let us allow that the amount will be \$50,000, that means 3 per cent. interest on over \$1,600,000. That is, we would be practically getting the revenue of \$1,600,000. I don't believe the representatives of the people of this city want to see a contract of that kind turned aside by a Wall St., New York, corporation, which shall dictate to the city of Boston that those tracks shall go back, allowing neither the people by popular vote, nor their representatives in the Board of Aldermen or this chamber, to have the slightest say in the matter. Mr. President, I hope the substitute will be adopted.

Mr. HOWARD of Wd. 20—Mr. President, inasmuch as this matter has not been passed upon by the House, but is still before it for action, I move the reference of the whole matter to the next meeting of the Council.

The question came upon the motion to assign further consideration of the matter to the next meeting of the Council.

Mr. WATSON—Mr. President, now I am going to ask the member of the Council to be fair. Come out and go on record in this matter! Don't dodge! Before the next meeting of the Council, next Thursday, the House of Representatives and the Senate will have passed upon this bill. I believe that my order is in the interest of the people. I want to say, however, in answer to Mr. Stevens, that he is a member of the Republican party, and that the Republican party of the State of Massachusetts is responsible for the present car conditions in Boston. They are the people who granted the franchise to the West End Road. They voted for it on the strength of money promises. The legislature of Massachusetts was owned by

the West End road. Now, the statement has been made that lobbyists have been around here, I want to say that is a dream—spirits. (Laughter.)

The PRESIDENT—The Council will be in order.

Mr. WATSON—That originated from a joke, Mr. President, and fellow members, I want to say to the gentleman from Wd. 11 that I will go further in this matter than he will. I will vote, if my vote will do it, to make the city of Boston the owner of the West End Street Railway and of the Boston Elevated road? I am in favor of municipal ownership. That is what I am in favor of. Will he go as far as I will? He speaks of the fact that the cars at Adams Sq. and Scollay Sq. do not carry many people. I want to say that possibly they do not, because you can go down just a little ways and get cars to Chelsea, East Boston, Charlestown, or any place that you want to go, but you cannot get cars to go up Tremont St. unless you go clear up to the edge of the subway. I am satisfied that this is a movement to make Tremont St. the Fifth Ave. of Boston. We know that there is at the present time a petition asking for the right for motor machines in the city of Boston, and I have no doubt that a franchise will be granted them. I want to ask him, does he want to have the motor machines of Boston have an exclusive right to Tremont St.? The West End Street Railway car, I want to say, is the poor man's vehicle. That is the vehicle of those who have no horses and carriages. I want to say that, in the interests of the people, I hope that assignment will not prevail, but that the substitute resolution will be voted down and that my resolution will be passed.

Mr. RICE of Wd. 2—Mr. President, I trust that this matter will not be assigned to the next meeting. This is a very important subject, and ere this Council meets again a vote may be taken at the State House upon the matter. I think that our decision on this matter tonight will have much to do with the vote up there during the coming week. I will not speak upon the merits of the question, because the question is on the assignment of the matter to the next meeting. I trust that assignment will not prevail, but that the members will have a chance to speak upon the question.

Mr. MOORE of Wd. 10—Mr. President, I certainly hope that this will not be assigned for one week. I am prepared, as one of the members of this Council, to vote upon this subject tonight, and to vote upon it as I think the merits of the question deserve. I believe that the tracks should go back on Tremont St. Certainly, our part of the ward is very poorly represented in cars today, and I think that would give us a much larger outlet than we have at the present time. I sincerely hope that this will not be assigned, but that we will come together and vote upon it tonight. I am prepared to vote upon the subject tonight, without laying it over for a week, and I do not want to see any lobbyists, either, in order to enable me to make up my mind how to vote.

Mr. LYDON of Wd. 13—Mr. President, I did not intend to say anything upon this matter tonight, but as a matter of fact, I have not looked very deeply into the matter, and I should certainly be in favor of assignment, rather than to be obliged to vote tonight upon this matter. If I were obliged to vote tonight upon it, I should vote against the relocation of the tracks, because that is the only avenue that the teamsters have from the North End of the city to the South End today. If the tracks are to be relocated, that would take away from them the only good avenue which they have. I am in favor of assignment for a week. From my knowledge of the matter tonight, which is not very extensive, I should be compelled to vote against it.

Mr. McINERNEY of Wd. 19—Mr. President, I certainly hope this matter will not be assigned for one week. I should like to see it go through tonight, and I should like to see these members vote for the resolution introduced by Mr. Watson, of Wd. 18. When the tracks were ordered off Tremont St. the people in Roxbury, in the district in which I live, thought that it was the biggest piece of injustice that was ever perpetrated. That is the only means they have of getting over to East Boston. There are quite a number of people in East Boston, or in the North End, and those people have to lose about twenty minutes every day in coming and going to their work, owing to the congestion on Washington St. The subway was built to relieve the congestion on Tremont St. and Washington St. What has it done? It has doubled it on Washington St. There is not a car running on Tremont St. I will tell you my own experience, gentlemen, tonight, in coming down here. It took me fifteen minutes to come from Boylston St. to Milk St. There was a string of cars, and it caused a great delay. Almost any time that you go up there, you can see a long string of cars. It was only a short time ago that Councilman Lydon and myself were up there, commenting on the congestion on Washington St. I would like to see the tracks go back, in order to relieve Washington St., and in order to give the people of my ward a chance to get to their destinations.

Mr. MILLER of Wd. 20—Mr. President, I cannot agree with the gentleman on my left (Mr. Lydon). I hope this will be assigned. This is a question that should not be decided in five, ten or fifteen minutes. We should be given a longer time before being obliged to make up our minds how to vote upon it. If I am called upon to vote upon this question tonight, I shall vote against the relocation of tracks on Tremont St. If I had a week's time I might change my mind. I think this question should be thoroughly looked into. I am not prepared to vote intelligently upon it tonight, and hope the matter will be assigned for one week. I hope the motion to assign will prevail. If not, I should like to have an opportunity to speak on the question further.

Mr. TOBIN of Wd. 9—Mr. President, I hope this matter will not be assigned. The majority of members in the metropolitan district, both in the House and Senate, are in favor of relaying the tracks. I trust that the Council will go on record tonight as in favor of having the tracks put back.

Mr. BAGLEY of Wd. 1—Mr. President, I hope this order will not be assigned. I voted for rapid transit, when it was submitted to the people, and ever since that day I think they have been giving East Boston poorer railroad facilities than they had before—and the same people who are fighting for the rapid transit today are the people who fought the tunnel, and who have fought it ever since it first started. Some of those representatives from Wd. 11 who are making the trouble tonight would change their opinions if they moved to East Boston. There is no doubt that East Boston is affected more by the cars being removed from Tremont St. than any other district—not only on account of their not going on Tremont St., but because of there being so many on Washington St. There are so many cars on Washington St. that the cars from the ferry very often come up in a bunch, and then again, for half an hour there will not be any at all. Now, a great many people—in fact, the whole of our people—in East Boston, are working people—people who work along Tremont St. and past Boylston St. In the meetings that have been held in regard to the relaying of the Tremont St. tracks, East Boston has taken a very decided stand, and a very interesting part in the cause of getting the tracks back, and in the Legislature, the members from Suf-

folk County have almost unanimously voted to have the tracks relocated, I sincerely hope that we will act upon that resolution tonight, and that Mr. Watson's resolution will be adopted.

Mr. LEFTOVITH—Mr. President, I hope that this matter will not be assigned for another week. Whenever an important question like this comes up, some gentleman—and very often it is the gentleman from Wd. 11—generally jumps up and assigns it for one week. Then, the matter is just the same the next week as it was at that meeting. They never investigate anything. All that they do is merely to lay the matter over for fun. Now, I say this is not fun. The people want to get the tracks back, and I say they should have them. Why not give them to them? We are told by the gentleman from Wd. 11 why not let another company build tracks along there? Now, we have had in Boston another gas light company—

Mr. STEVENS—Mr. President—

The PRESIDENT—Does the gentleman rise to a point of order?

Mr. STEVENS—I do. My point of order is, that I have been misquoted by the gentleman who is speaking.

The PRESIDENT—The Chair will rule the point of order not well taken.

Mr. LEFTOVITH—I say the gentleman said: "Why not have another company build car tracks on Beacon St." (Laughter.) I say the city of Boston has had another gas light company lay gas pipes, and what was the result? They went over to the Republican Legislature, and they amended it, and left the people alone. They thought they had too much gas, and I believe that the Legislature had too much gas, and that they fell asleep. Mr. President, I say that this is an important matter, and as the laboring people need a little more accommodations, I say they should have them. I think they are entitled to have them. The underground—

Mr. WATSON—Mr. President, I rise to a point of order. The question is on assignment and not on the resolution.

Mr. LEFTOVITH—I am speaking on assignment, Mr. President. (Laughter.) I say it should not be assigned.

Mr. WATSON—I prefer to have a ruling from the President.

The PRESIDENT—The Chair will rule the point of order not well taken, and will remind the gentleman in the third division (Mr. Leftovith) that the question is on assignment.

Mr. LEFTOVITH—I say that this matter should not be assigned, because we need the car tracks on Tremont St., and the people have asked for them. (Laughter.) There is no lobbying around this Council. There have been meetings prior to this one of several citizens of Boston, and they have asked that the tracks should be replaced on Tremont St., long before the matter ever came to the attention of the Legislature or this body. I believe that the people demand it, and I believe they know what they want. One of the gentlemen seems to think he knows what the people want, but he doesn't know what they want. He knows what he wants, but he doesn't know what I want, and nobody else knows what I want. (Great laughter.)

The PRESIDENT—The Chair will ask the Council to be in order.

Mr. LEFTOVITH—I say that the wish of the people should be fulfilled, and they should get exactly what they want. They should get more street car accommodations than they have got at present. If they come along there on street cars at certain hours, they have got to jump off near Cornhill and walk up to their work. I believe this order should pass this evening, and I believe every gentleman knows just as well how to vote upon it this evening as he will a week from tonight.

Mr. TURNBULL of Wd. 4—Mr. Presi-

dent, as the resolution which is under discussion relates to something over which we have no control, and as we have already talked about it for a good while, I move the previous question. We have very little authority in the matter anyway, and I think we have talked on it long enough.

The PRESIDENT—The question is, "Shall the main question be now put?" Mr. Stevens and Mr. Kasanof addressed the Chair, Mr. Stevens was recognized.

Mr. STEVENS—Mr. President and gentlemen of the Council—

Mr. KASANOF—Mr. President, I rise to a point of order, that the gentleman has spoken once upon this question, and there are other members who desire to speak upon it who have not spoken.

The PRESIDENT—The Chair will rule that the question is on ordering the main question, on which no member has spoken. (Laughter.)

Mr. STEVENS—Mr. President and members of the Council, I trust that the main question will not be put just at present, for there are one or two things in the statement made by the gentleman in the first division (Mr. Watson), and also in the statement made by the gentleman in the third division (Mr. Leftovith), which are not what I said. They misunderstood me. For that reason, in order that I may correct those errors, I hope that the main question will not be put. I feel, also, that there are many others who would like to express an opinion upon a serious question like this.

Mr. MULCAHY—Mr. President, I trust that the main question will not be ordered. I favor the restoration of these tracks on Tremont St., and although in the present case, as at various other times, I am opposed to him on this question, I should like to see him given ample opportunity to answer some of the gentlemen here.

Mr. WATSON—Mr. President, I desire to ask whether, if the main question is ordered, it will do away with the motion to assign?

The PRESIDENT—The Chair will rule that, if the main question is ordered, that would cut off the motion to assign.

Mr. WATSON—Then I am in favor of the main question, and I sincerely trust that the main question will be ordered. I am satisfied that the members of this Council do not want this matter assigned, and to thereby be given a chance to dodge this vote. I believe that the members of the Council should go on record tonight, regardless of assignment. I believe that if they have an opinion, they should express it tonight, and not later. I am satisfied that the Senate and House will act upon this matter before another meeting. I therefore trust that the main question will be ordered.

Mr. BORDMAN of Wd. 10—Mr. President, I trust that the main question will not now be put. I am somewhat surprised that the usual champion of free speech should be in favor of cutting off full and free discussion on an important matter like this. I do not care to take up the whole ten minutes which is allowed for debate on ordering the main question, but hope that the main question will not be put.

Mr. STEVENS—Mr. President, the gentleman in the third division (Mr. Leftovith) said I made a statement about another company being allowed to put tracks on that street. If that is so, I want it stricken out of my remarks. I would be glad to see that street asphalted, and if it is possible for any company to put any means of locomotion in operation on that street which will be for the benefit of the people and which will not require tracks, I would be glad to see it; but I should never favor any means of locomotion which would require tracks. I do not want to dodge a vote upon this matter. I am willing to vote upon it tonight, if I am the only one here that does so. I want also to refer to the state-

ment made here that we should vote upon this tonight for the reason that the Senate and House would pass the bill before the next meeting. I was told by a member of the Legislature that that measure probably would not go to the Senate for over three weeks. So far as his statement is concerned about the Massachusetts Legislature being responsible for this—the Republican Massachusetts Legislature, as he calls it—he seems to think they are all Judas Iscariots. Well, possibly they may be—and perhaps there are some others. He says the idea of there being any lobbyists is a dream.

The PRESIDENT—The Chair desires to remind the gentleman that the question is on ordering the main question, and the merits of the main question are not under discussion at the present time.

Mr. STEVENS—Well, Mr. President, I spoke of those matters, thinking that they had a bearing upon the main question. I hope that the main question will not be put.

The PRESIDENT—The Chair will rule that the ten minutes allowed for discussion on ordering the main question have now expired.

The main question was declared not ordered. Mr. Watson doubted the vote, and asked for a rising vote, which was taken, and the main question was not ordered, 15 members voting in the affirmative, 29 in the negative. Mr. Bagley of Wd. 1 further doubted the vote, and asked for the yeas and nays, but the Council refused to order the yeas and nays.

Mr. MILLER of Wd. 20—Mr. President, I move that the whole matter be assigned to the next meeting.

Mr. KASANOF of Wd. 9—Mr. President, I hope that assignment will prevail. I do not believe that any resolutions that we pass tonight will affect the Massachusetts legislature, for I believe that year after year the only thing they have been doing, so far as we are concerned, is to decrease the power of the Common Council. I therefore believe that assignment for one week will not affect the legislature at all, because they will pay no attention to it, whether we pass the resolution or not. Now, Mr. President, I hope that this assignment will prevail, for a good many members of the Council are undecided as to whether the tracks ought to be relaid on Tremont st. or not. Therefore, in order to extend proper courtesy to members of the Council, and in order to give them an opportunity to consider this matter, so that they can come in next week and vote intelligently upon it, I hope that further consideration of it will be assigned to the next meeting of the Council.

Mr. GIBBONS of Wd. 5—Mr. President, I hope this question will not be assigned to the next meeting, for the same reasons as the gentleman on my left, from Wd. 9, who has just spoken. While the State Legislature may not pay any attention to the resolutions which the Common Council may pass, I want to say this much, that I am in favor of relaying those tracks. I want to take issue with the gentleman from Wd. 11 (Mr. Stevens) when he says that no large part of the traffic goes over to Charlestown. I want to say that 70 p.c. of the traffic goes to the Union Station. This is a question that affects not only East Boston, but Charlestown and the North End, particularly, and that is one reason why I want to go on record as favoring the relaying of the tracks.

Mr. WATSON—Mr. President, when the vote was taken on the main question I was just about to move that the gentleman from Wd. 11 be given unanimous consent to reply to me. I trust that I said nothing against the gentleman. I am satisfied that he is not a Judas Iscariot, but he is laboring under an illusion this evening. Mr. President, that gentleman lives in Wd. 11. The people in that ward

use no cars. They do not care for any way of getting transported except by carriages. As a matter of fact, he tells me that he walks over from Mt. Vernon St. Why wouldn't he be opposed to relaying the tracks? I think I would, if I came from that ward. The people in his ward—I think every person in it nearly—have carriages. They want to have Tremont St. to ride up and down in and show their style. (Laughter.) The people in my own ward cannot do that. They are poor people and have to walk. (Laughter.)

The PRESIDENT—The Chair will ask the Council to refrain from demonstration.

Mr. WATSON—I don't care what one member of the Legislature told that gentleman. I would prefer to take his word for it, rather than that of a member of the Legislature. He may know what that means. I know what it means. Now, Mr. President, I want to inform the gentleman here who has just made a side remark to me that I have not been seen. Perhaps that is the reason why some of the members want this assigned, so that they may be seen. I do not say that is the reason, but it may be so. There are those whom I could name that might want it assigned for that purpose. I am in favor of riding upon the surface of the earth, and of breathing God's pure air. I don't believe in going down in the subway and getting a cold. The subway is responsible for the cold that I have got. (Laughter.) I am satisfied, Mr. President, that assignment will not prevail. I think I am wasting time in talking against it. I think it is a cinch and that assignment is already defeated. (Laughter.)

Mr. ARMISTEAD—Mr. President, it is not my intention to enter into any lengthy discussion in regard to the matter under consideration. I merely desire to say that I trust that assignment will prevail. It has already been stated by the gentleman in the fourth division that this matter is still under consideration at the State House, and that the chances are that it will probably be three weeks before it will be acted upon in the Senate. I believe that the passage of those resolutions here tonight would be ill-advised. Just one word in regard to the remarks made by my friend on the right (Mr. Watson), in regard to everybody in Wd. 11 having a carriage to ride in. Perhaps he referred to my friend in the fourth division (Mr. Stevens), but I want to inform him that there are others. Possibly he meant that I had a baby carriage. (Laughter.) He also said that those who are in favor of the assignment of this matter wanted to be seen. Well, I don't know that we are objecting to being seen, but, still at the same time, I don't believe that is the object contemplated by the members of this Council who are advocating assignment. I believe this is a matter that ought not to be acted upon to night, or with too much haste. If I had had an opportunity to vote in the House of Representatives when this matter came up, I should have voted not to replace the tracks on Tremont St. I am not prepared, however, tonight to pass upon the passage of these resolutions, and I believe that (here are other members of this Council who desire further time to consider the matter. I hope that assignment will prevail.

Mr. ATWOOD of Wd. 16—Mr. President, I trust that assignment will not prevail here this evening. I do not think that the argument made by several gentlemen tonight, that they have not had time to look into this matter to find out how they desire to vote is worthy of much consideration. I think that every member of this body has known about how he desired to vote on this matter. I am sure it is a matter that has had plenty of agitation, and there has been plenty of chances for them to find out whether or not the tracks should go back. I, for one, am in favor

of the tracks going back, and I hope that assignment will not prevail.

Mr. HICKEY of Wd. 2—Mr. President, at this late hour, I do not desire to enter into any lengthy discussion of this matter, and do not desire to say more than a word or two in regard to it. I simply want to go on record as being unalterably opposed to the assignment of this matter to any future time. I believe that we shall not be acting upon this matter with any undue haste if we take a vote upon it tonight, and I know that in favoring the relaying of the tracks on Tremont St., I am voicing the unanimous sentiment of the people of East Boston. I say that they are unanimous in their desire to have the tracks restored on Tremont St. I hope that assignment will not prevail, but that the substitute resolution will be voted down and the original resolution passed.

Mr. LYDON of Wd. 13—Mr. President, I did not intend to say a word, but the gentleman from Wd. 16, (Mr. Atwood), says we have had ample time to consider this matter and decide just how we are going to vote. I want to say that an ordinary member of this Council would not think that this matter should be up here for discussion, as we have absolutely no power in the matter. We are merely going on record in regard to legislation at the State House; and, inasmuch as there is a great difference of opinion in the matter; and, even if a majority favor the resolution, the majority will be slight, anyway, and would not bring about any great results one way or another, I think we should consider that fact. I believe that a resolution of this kind, to be effective, would have to have an almost unanimous vote behind it. The gentleman from Wd. 18, (Mr. Watson), speaks about members who may wish to be seen in this matter. While he may say that as a joke, he should realize that a great many people coming here don't know whether he means it or not, and he ought to refrain from that kind of language.

Mr. MANSFIELD of Wd. 10—Mr. President, I think I am as much interested in this matter as any member here, inasmuch as the streets which form an outlet from the Public Garden exit from the Subway are in my ward. I have not looked into the matter and don't know what the sentiment of the people of my ward is. Therefore, I favor assignment of the resolution for one week.

Mr. MILLER of Wd. 20—Mr. President, I hope the matter will be assigned for one week. I don't doubt the ability of the gentleman from Wd. 16, (Mr. Atwood), to vote on this question; but there are a great many members of the body not capable of taking up and voting upon a subject of this importance intelligently without proper time for consideration. I, for one, don't feel like voting upon it tonight, for the reasons expressed by Mr. Mansfield. I would like to get the opinion of some of the residents of my section. I think they are largely in favor of keeping the tracks off Tremont St. As far as the gentleman from Wd. 18, (Mr. Watson), is concerned, he stated one thing with which I agree—that he is simply wasting his time in talking here. (Laughter.) I believe that. But, in regard to his changing his opinion, if he moves to Mt. Vernon St., I will simply say that I have always given him credit for having more back bone than would be shown by changing his opinion simply by reason of moving from one section of the city to another. This is a matter worthy of consideration. It has taken a great deal of time before the State Legislature, weeks and months, and the Common Council is asked to act upon this resolution, brought in here tonight, at once. I think there is no brighter set of men here than in the Legislature. For that reason I certainly hope we will have one week to look into the matter, and I trust that assignment will prevail.

Mr. STEVENS—Mr. President, I hope as-

signment will prevail, and I also hope every man here will make it a part of his duty to look into this and find out the history of the act which created this subway, so that as much information as possible may be obtained upon it. In answer to the gentleman who spoke of some stations in the subway which do not give the proper accommodation, I will simply say that I quite agree with him, but I see no reason why alterations may not be made. Some already have been, and I see no reason why more should not be made, so that the public may be accommodated. I think it is the expressed opinion of almost all the experts who have come here from different parts the country and examined this subway that, so far as completed, it is a great success. The gentlemen from East Boston say they are not accommodated. I quite agree with them—I think they are not. I see no reason why cars from the North Ferry should not run around to the north and come into the subway. It is but a short distance. I also see no reason why, at the Boylston St. Station, transfers to Roxbury and to Charlestown should not be made. But that is not the fault of the subway. It is the fault of the people who run it. If the people of East Boston want to see the tracks go back—and, mind you, I don't say in my resolve that they shall not go back—I simply ask them to wait until the Boston Elevated System is completed, so that it may be given a fair trial. If it is not sufficient, I will vote happily and willingly for some other measure that will accommodate the people. I believe it is a breach of good faith, however, on the part of the Legislature and the railroad company, before the system is completed, to ask to have the law changed in this way, without the sanction of the city of Boston.

In regard to East Boston, again, I will simply say that it is so easy to get the legislature of Massachusetts to interfere in the municipal affairs of Boston without action of the Mayor, the Aldermen, the Common Council or popular vote of the people, how do we know but what the next thing to be done, if they want to save money, will be to introduce a bill into the Massachusetts Legislature saying that there shall not be a tunnel to East Boston, that the people have been in the habit of travelling to and fro without it for many years and have got used to it? I think that may be the next thing. Then the next cry will be "We will go to the legislature and abolish the Rapid Transit Commission." I say, hold them to the contract until that system has been completed and given a fair trial. Then, if it is not right, I will come in and do anything in my power to help the people of East Boston, Brighton, Roxbury or anywhere else. I live in Wd. 11—unfortunately, I don't own a horse and carriage; I own a bicycle. That is the only way I ride. But, as far as my vote being influenced by Wd. 11 is concerned, I simply say that it is not. I believe it is in the interest of the city that the system which has been contemplated should be carried out. I am not voting from a merely local point of view, but from what I consider the broadest standpoint we can take in the matter. The proposed system is a great one, and when it is completed I believe it will be a grand thing for all parts of the city.

Mr. DONAHUE of Wd. 14—Mr. President, I trust that this matter will not be assigned tonight. I think the West End should be allowed to replace its tracks and to use them, even if they are only used in case of emergency. I will ask the gentleman from Wd. 11 (Mr. Stevens) if a smash-up should occur in the subway, how the cars could be run, how they could be got down as far as the Union Station, or if there was a fire on Washington St., how the cars could get to the Union Station at the present time? I think the tracks ought to be put there

in case of emergency, and I trust that the resolution will pass tonight.

Mr. BRAUER of Wd. 23—Mr. President, I heartily concur with the gentleman in the first division, that if there should be an accident in the subway we should have some provision made for the emergency. I, living in the suburbs, find it very hard at times to get a car to take me over in time to get the train, and I think if we should get the tracks relaid on Tremont St. it would be an accommodation to those who live in the suburbs. I hope assignment will not prevail.

Mr. PRESIDENT—The Chair desires to remind the members of the Council that the question is on assignment to the next meeting.

Mr. WATSON—Mr. President, if assignment is voted here tonight, it means that both resolutions will be put over to the next meeting. I am opposed to that. I will agree to this—if the gentleman's substitute is defeated, I am willing to have my resolution assigned to the next meeting. But I am against voting to assign both resolutions to the next meeting.

I also think it is a serious question what would happen if the cars became stalled in the subway for any length of time. That is something which is liable to happen. There might be a great breakdown, and what would be the result? All the cars would have to be shoved on to Washington St.—and now, at certain hours in the evening, it takes a car twenty-five minutes to get from the corner of Milk and Washington Sts. to the corner of Boylston and Washington Sts. What is the reason for that congestion, that the Tremont St. East Boston ferry cars, which run once in three minutes, have been shoved into Washington St., adding to the congestion. The Spring Hill and Roxbury cars have also been shoved into Washington St., and they add to the congestion. And so it is. Only the other day the cars became stalled in the subway for some reason, and people were kept in the subway for an hour or more. Women were unable to walk out of the place. There was no place where they could walk out, but they had to stay in the cars until the trouble was remedied. In case of a blockading up for any length of time of the subway, the cars would have to be shoved on to Washington St., which is now very severely blocked at certain times in the day. I sincerely trust that assignment of the whole subject will not prevail, that when the vote is taken on the substitute resolution the resolution will be defeated, and I will then be willing to have my resolution assigned to the next meeting, in the interest of fair play, if that is what they want.

Mr. GIBBONS of Wd. 5—Mr. President, probably for the first time since I have been a member of the Common Council, I coincide with the gentleman from Wd. 13. Probably the gentleman from Wd. 11 has never been stalled in the subway from 5 to 6 o'clock, but I have, and I know what it is. I have found out that it is just as bad as it used to be to be stalled on Tremont St., between Park Sq. and Temple Pl. I have noticed that two retail dealers on Tremont St. within the last week have sent letters—I have forgotten whether to the legislative committee or to the Rapid Transit Commission—saying that they had changed their minds, that they are not against the relaying of the tracks. One of them, I believe, is J. C. McCarthy. The gentleman from Wd. 11 further says—if I am correct, and if I am not, I trust that he will correct me—that if the people of East Boston do not get the transportation they want they could have a new line from either Park or Scollay Sqs. to East Boston. Does he want a new subway

built down to the ferries from Scollay Sq. or Park Sq., to the detriment of the treasury of the city of Boston? That is what I want to know. I stand here tonight in favor of the relaying of the tracks on Tremont St.

Mr. MULCAHY of Wd. 14—Mr. President, I trust that assignment will not prevail. During all the arguments here tonight nobody has made any statement in reference to the restoration of business on Tremont St. Of course, as every member here knows, if a man has his business increased he must increase the number of his help. There is no question in my mind that if the tracks were restored on Tremont St. there would be an increase in the business there, which would result in benefit to the people. As far as the people of my district are concerned, we in South Boston have no proper means of transportation whatsoever, no accommodation on Tremont St., and I hope the matter will not be assigned, but will be settled this evening.

Mr. MILLER—Mr. President, I would like to answer the gentleman in the third division, (Mr. Mulcahy), in regard to the business interests on Tremont St. I may have followed that question closer than he has. If he will look up the different leases which have been made of property on Tremont St., he will find that a number of such have been made recently by responsible firms, many of whom are moving to Tremont St. at the present time, and who made their arrangements before any action was taken by the Legislature. That does not look as though there was any decrease in the business value of that section. I will also say that when that matter was before the committee of the Legislature, a suggestion was made that the property was decreasing in value, but a wealthy gentleman in the city of Boston said that if anybody owned any property on Tremont St. which had depreciated, he wished they would make a price on it, that he was willing to buy it. Several of the most reliable firms in the different lines of business in the city of Boston are now moving and have moved within a short time on to Tremont St. That should certainly show the business value of the street.

Mr. TOBIN of Wd. 9—Mr. President, there is no doubt in my mind that a great many of the persons doing business on Tremont St. are people whose trade comes in carriages. But I know that the majority of the business men on Tremont St. are in favor of having the tracks relaid. I hope assignment will not prevail.

Mr. WATSON—Mr. President, one moment—I only want to answer the gentleman from Wd. 5 (Mr. Gibbons). He says that this is the first time he has voted with me this year. I will simply say to him that that is to his credit, that if he had voted with me oftener he would have been right more often. (Laughter.)

Mr. BORDMAN of Wd. 10—Mr. President, I rise to a point of order, that there is not a quorum present.

The PRESIDENT—The Chair will rule the point of order not well taken.

Mr. BORDMAN—Mr. President, I would like to doubt that vote and ask for a rising vote or a recount.

The PRESIDENT—The Chair will ask members of the Council to rise and remain standing until counted.

The members rose in their places, and the returns of the tellers showed the presence of 36 members.

The PRESIDENT—The Chair will rule that the point of order is well taken, that there is not a quorum present, and will declare the Council adjourned to next Thursday, evening at 7:45 o'clock P. M.

Adjourned at 9:35 o'clock P. M.

City of Boston.

PROCEEDINGS

—OF THE—

Board of Aldermen

AND THE

COMMON COUNCIL,

MONDAY, APRIL 10th, 1898,

ON THE DEATH OF

Hon. JOHN H. SULLIVAN,

APRIL 9, 1899.

Death of Hon. John H. Sullivan,

CITY OF BOSTON.

Special Meeting of the Board of Aldermen and Common Council.

Monday, April 10, 1899.

A meeting of both branches of the City Council was held at 12 o'clock, M., in their respective chambers, City Hall, pursuant to the following call:—

Mayor's Office, City Hall,
Boston, April 9, 1899.

To the City Council:—

You are hereby requested to assemble in your respective chambers, on Monday, April 10, 1899, at 12 M., for the purpose of taking appropriate action upon the death of John H. Sullivan, a member of the Board of Apportionment and also Sinking Fund Commissioner, which occurred suddenly this morning, and of expressing the sorrow felt by the citizens of Boston at the loss sustained through his untimely death and their respect for his memory.

Respectfully,
David F. Barry, Acting-Mayor.

IN BOARD OF ALDERMEN.

The Board was called to order by Chairman Barry, a quorum being present. The Clerk read the call for the meeting, as printed above, and it was sent down.

Chairman BARRY said:—

Gentlemen of the Board of Aldermen: In calling you to order today, I am profoundly impressed with the solemnity of the occasion which requires us to take action on the death of John H. Sullivan, one of the highest officials of the City of Boston and one of its most respected citizens.

The suddenness with which this calamity has befallen our community, fills us all with consternation, and those of us who were intimately acquainted with the deceased cannot find words to express the sorrow which fills our hearts.

Mr. Sullivan was an ideal citizen; one whom we delighted to honor, and one in whom we felt the most unbounded confidence.

His business career was marked by an ability which easily classed him in the highest rank; while his political life was stamped by an integrity appreciated and recognized by all who came in contact with him, whether they were of his own, or another political faith.

As a member of the lower branch of the City Government, Mr. Sullivan commenced his work in behalf of his fellow-citizens; he continued it in this Board; was then called upon to occupy a seat in the Senate of the Commonwealth, and was afterwards promoted to the Governor's Council. His valuable service in the Board of Sinking Fund Commissioners, and as a member of the newly-organized Board of Estimate and Apportionment is well known to us all, and can meet with nothing but the highest praise from every quarter.

The character of Mr. Sullivan was beyond reproach, and the mere mention of his name, brought honesty personified before our minds.

He was, under all circumstances, a gentleman of the highest breeding,—affable, considerate and kind to everyone he met.

He had a large and generous heart, and was ever ready to do a friendly act for anyone who appealed to him.

To the poor and unfortunate he gave largely of his means; and many will be the kindly remembrances of those who were benefited by his charity. To his friends,—the death of Mr. Sullivan comes as a personal sorrow, and it is of such a nature that it will last during our entire lives. We could not help bearing towards him an affection most sincere and brotherly, for he was all that expressed amiability, sympathy and geniality. His place in our hearts cannot be supplied.

As members of the City Government, it will become us to place upon the city records a just estimate of our appreciation of his work in behalf of this municipality, and I am sure that this will be no mean or paltry tribute. But few of our citizens have done more for our beloved city. Boston was to Mr. Sullivan his home during the greater part of his life and his devotion to it was unbounded.

It was here that he received his education, here that he had his experiences in life, here that he formed his friendships. Boston was the scene of his labors; it was in Boston that he made his fortune.

He was a dutiful son of his adopted city, and he was at all times ready to advance its interests and its fame.

He served it well; his record has been made, and Boston delights to render him the tribute that is his due.

As long as the city lasts, the name of John H. Sullivan will be held in the highest esteem, and all who may hereafter be connected with city affairs will have in him a model worthy of imitation,—a model embellished with ability, self-sacrifice and integrity.

The Clerk read the following:—

Mayor's Office, City Hall,
Boston, April 10, 1899.

To the City Council:—

It becomes my painful duty to announce to you the death of Hon. John H. Sullivan, a member of the Board of Estimate and Apportionment of this city, and also one of the Commissioners of Sinking Funds. Mr. Sullivan served as a member of the Common Council in 1884 and 1885, as a member of the Board of Aldermen in 1886 and 1887, as a member of the State Senate in 1888, again as a member of the Board of Aldermen in 1891 and 1892, and as a member of the Governor's Council in 1895, 1896 and 1898. During this long and varied career in public office, Mr. Sullivan had won for himself the confidence of the public and the high regard of his associates, and this city loses by his death one of its most representative and public spirited citizens, as well as a faithful public servant. The value of his services to the city in the important position which he held at the time of his death was recognized by all, and his death leaves a vacant place which can hardly be filled.

In view of the long and faithful service which Mr. Sullivan has rendered to the city of Boston, and as a mark of appreciation of his character and services and of the loss sustained by his untimely death, I recommend that appropriate resolutions be passed by the City Council, and that a joint committee be appointed to represent the city at the funeral.

Respectfully submitted,

Josiah Quincy, Mayor.

Sent down.

Ald. DAY presented the following:—

Resolved, That the City Council has learned with deep regret of the sudden death of Honorable John H. Sullivan, a member of the Board of Estimate and Apportionment, and Sinking Funds Commissioner. During his long and varied public service, as a member of both branches of the City Council, as a State Senator, and as a member of the Governor's Council, he deserved and secured the confidence of the public, and the esteem and affection of his associates, through his unswerving honesty, conscientious performance of duty, and agreeable personal qualities. We lament his untimely death, and place upon record our sense of the loss which the city has sustained.

Resolved, That we tender our respectful sympathy to the bereaved family of Mr. Sullivan, and that an engrossed copy of these resolutions be transmitted to them by the City Clerk.

Ald. DAY said:—

Mr. Chairman and members of the Board of Aldermen: It is not for me to speak to you of the glory of power and place that has been attained by John H. Sullivan. All of you knew him. Some of you had served with him in some one of the various offices that he so worthily filled in the service of the city and the State. I speak to you as the representative of the people of East Boston. It is by us that his loss is most deeply felt. It is a personal loss to us and his death means more to us than the death of any other living man. We knew him before you did. We knew him when he first came to work amongst us, to labor on our docks, and the friends he made then in the humble walks of life are his friends today. John Sullivan had climbed the ladder of earthly success, step by step. He had gone forward by his own merits and he has died in the fullness of life with the honor and the respect and the love of every man who ever knew him. His loss to us in East Boston can never be told in words. Day by day we will miss him more and more. He was our foremost public spirited citizen and there is mourning today in the homes of East Boston, in every walk of life, without regard to race or creed. He was thoroughly loyal to East Boston and East Boston interests and he had done more to advance

those interests than any man that ever lived amongst us; but now he is dead and gone and all we can say is that he was an honest man in politics and an honest man in business and East Boston has lost her best and truest friend and noblest citizen.

Ald. PRESHO said:—

Hon. John H. Sullivan—the title is deservedly his own, for he was pre-eminently honorable in thought, word and action.

In all my public career, I have never heard, even in the midst of the most heated campaigns, the slightest word of criticism as to the purity of his motives, but, on the contrary, have heard much, even from his opponents, in praise of his sturdy, impartial spirit and of his determination and desire to do justice to all.

A strong party man, he was no mere narrow partisan. He held the public weal beyond all party claims.

Among his political opponents, he was one of the most popular men of his party in Massachusetts. Regret at his loss will not be confined to any section, class or party.

The story of his life, how by ceaseless industry and indomitable perseverance—qualities always necessary—he rose from an obscure immigrant lad to a place of honor, trust and affluence in the community, should be an inspiring lesson for the young men of our time and city. As he himself stated in a public interview, a few months since, he owed his success to careful attention to business, coupled with punctuality, promptness, steadiness, and sobriety. "These are the things," he declared, "that I would recommend to young men entering upon a business career."

The variety and extent of the mercantile interests connected with his name give some idea of the marked executive ability which he possessed, and of his long and many-sided experience in business methods.

His brilliant business success was matched by his career in public life. Starting as he did with the humblest elective office within the gift of the people, his capacity won for him one of the highest in the Commonwealth. Essentially a man of the people, and enjoying their fullest confidence, he was ever ready to live up to every responsibility which they placed upon him.

His knowledge of practical methods and the great executive ability which he brought into public life were invaluable to the community.

Personally Mr. Sullivan was one of the most agreeable and companionable men which it has ever been my pleasure to meet. His great success never in the slightest degree altered the unaffected warmth and kindness of his manner. Genial and affable always, he had in a high degree the power of working himself into men's hearts and affections. To his associates he was not a mere acquaintance, but a warm friend.

It is a matter of peculiar and tender interest to me that Mr. Sullivan, during the last part of his aldermanic career, occupied as senior, the same seat as I do now.

Surely we can say here today, that of all the members who in the past honored this body by their character and their public services, none stands in higher and more deserved esteem than he whose untimely death yesterday has saddened the whole community.

Ald. McDONALD said:—

Mr. Chairman, the sad news reached me on Sunday evening at my home in Dorchester of the death of the Hon. John H. Sullivan, and I could hardly realize it—a strong, robust man nearly all his life, but the great strain of overwork told upon him. Born in that little isle across the

sea, Apr. 27, 1848, where it is impossible for a man on his merits to advance, he left it at the age of 13 to seek his fortune in the land of the free and the home of the brave, where man's worth and ability are recognized. He attended Comers College, laying there the foundation of a successful business career. He entered the shipping business and secured an appointment as an inspector of East India merchandise in East Boston, in which section of the city he made his home and where he has always resided. He finally became superintendent of the National-Dominion, Warren and Leland steamship lines, having charge of the handling of extensive cargoes giving perfect satisfaction at all times to his employers; and recently we found him at the head of the Columbia Trust Co. He served in the Common Council in 1884-1885, Board of Aldermen 1886-1887-1891-1892, in the Mass. senate 1888, member of the Governor's Council 1895-1896-1898, and elected as a member of the Board of Estimate and Apportionment at the last city election for the term of two years. He was a faithful representative of his constituency, and well may East Boston mourn over his loss, for that section of the city was his constant care, and the citizens of Noodle Island will ever be under lasting obligations to him, and his memory will ever be cherished by the citizens of that section of our beloved city. He served the citizens of Boston honestly in every position that the people elected him to, and he had the confidence of the people irrespective of party affiliations. He had a kind heart ever ready to assist the unfortunate, and the poor have lost a good friend. But death, says Bacon, "bringeth good fame." John H. Sullivan, by his sterling character, rapidly won his way, for his purposes were pure. He led a blameless life, and he was a patriotic citizen in every sense of the word. He loved his adopted country, and in the recent war with Spain his services in behalf of the soldiers can never be forgotten. He gave his time and money to assist the brave boys who went to the front. While he loved his friends he bore no ill to those who differed from him. He was a man of deep religious feeling, free from narrowness, pure minded, the personification of integrity, a devoted husband, a loving father, a fast and true friend, a delightful companion. His memory will ever be cherished by those who had the privilege of knowing him, and the city of Boston mourns the loss of a faithful public servant.

Ald. BERWIN offered an order—That a committee consisting of the Chairman and four other members of this Board, with such as the Common Council may join, be appointed to represent the city at the funeral of the late Hon. John H. Sullivan.

Passed, and Ald. Berwin, Day, McDonald and Fresho were appointed, with the Chairman, on said committee. Sent down.

Ald. McDONALD offered an order—That any expenses incurred in connection with the funeral of the late Hon. John H. Sullivan be charged to the appropriation for City Council, Incidental Expenses.

Passed. Sent down.

Ald. COLBY offered an order—That the City Messenger be directed to cause the flag on City Hall to be placed at half mast until after the funeral of the late Hon. John H. Sullivan.

Passed. Sent down.

Ald. O'TOOLE offered an order—That the City Hall be closed during the time set apart for the funeral of the late Hon. John H. Sullivan.

Passed. Sent down.

Ald. DAV offered an order—That all city work be suspended in East Boston, without loss of pay to employees, on the day of the funeral of John H. Sullivan.

Passed. Sent down.

It was voted, on motion of Ald. Berwin, as a further mark of respect to the memory of the late Hon. John H. Sullivan, that the Board adjourn to Wednesday, April 12, at 3 o'clock P.M.

IN COMMON COUNCIL.

The Common Council was called to order by President Kiley, a quorum being present. The Clerk read the call for the meeting, as printed above, and it was placed on file.

The following papers were received from the Board of Aldermen:—

1. Message from His Honor the Mayor announcing the death of Hon. John H. Sullivan as printed above.

Placed on file.

2. Resolved, That the City Council has learned with deep regret of the sudden death of Honorable John H. Sullivan, a member of the Board of Estimate and Apportionment, and a Sinking Fund Commissioner. During his long and varied public service, as a member of both branches of the City Council, as a State Senator, and as a member of the Governor's Council, he deserved and secured the confidence of the public, and the esteem and affection of his associates, through his unwavering honesty, conscientious performance of duty, and agreeable personal qualities. We lament his untimely death, and place upon record our sense of the loss which the city has sustained.

Resolved, That we tender our respectful sympathy to the bereaved family of Mr. Sullivan, and that an engrossed copy of these resolutions be transmitted to them by the City Clerk.

The question came on the adoption of the resolutions in concurrence.

The resolutions were read a second time, and the question came on their adoption.

Mr. HICKEY of Wd. 2 said:—

Mr. President, no words of mine today and no words of eloquent eulogy from any member of our body will add one iota to the good name, the honesty, integrity and noble character of the one in whose honor we have assembled. But if there is any one position of an honored life to which we, as members of the Common Council of 1893, can look back with deepest satisfaction, it is the membership in this body of Hon. John H. Sullivan in 1884. Many lessons may be taken from Mr. Sullivan's long and useful career, but those which will make a lasting impression upon all of us are his successes in business and political life. His humble beginning in a distant land, deprived of the educational facilities of which we justly boast, render brighter and more brilliant the successes of his after life—a life that was full of usefulness, of charity and of brotherly affection for those who knew him best; a life that has made more apparent than ever to the young men of our city the fact that success, honor, and true American citizenship, are not dependent on the environments of birth. In political, as well as in business life, he made his start at the bottom of the ladder. From the Common Council he was sent, by a constituency that always delighted to honor him, to the Board of Aldermen, the State Senate, the Governor's Council, and at his untimely death he was a member of the Board of Estimate and Apportionment and of the Sinking Fund Commission. In every office which he accepted he performed the duties incumbent upon him in a manner that won for him the confidence of his people, and that confidence was never violated or abused. On the contrary, his public career strengthened that confidence, and the love that the people of East Boston bore for him never wavered or weakened. His loss to the State and the City is a great

one; his loss to East Boston is greater. But the name and memory of John H. Sullivan will always be cherished by those who knew him. As was said of another great man on the occasion of his death, so may it be said of Mr. Sullivan:

"Never did a human heart beat with kindlier or nobler instincts than the heart that now lies cold and pulseless in the dead clay form of our honored associate."

I hope, Mr. President, that the resolution will be adopted in this body today by a unanimous rising vote.

Mr. MULCAHY of Wd. 14 said:—

Mr. President, I also rise at this time to indorse the resolutions offered in the other branch of the City Council today. I, as a personal acquaintance of the deceased, always found him to be a liberal and broad-minded man, a man who was loved and honored by all, a man who made innumerable friends in the different walks of life. Mr. President, no district of this city will feel more deeply the loss than the district which he represented in part for so many years. I trust that the resolutions will be adopted by a rising vote, and at this time I extend my deepest sympathy to the family of the deceased.

Mr. WATSON of Wd. 18 said:—

Mr. President and Members of the Common Council: I rise at this time to second the resolutions which have come from the Board of Aldermen and to extend to the family of the late Hon. John H. Sullivan the sympathy of the members of this government. While I was not intimately acquainted with Mr. Sullivan, I recognized in him the honest ruggedness of his race. I recognized in the Honorable John H. Sullivan the genial and lovable qualities which attached so many to him. I think it is the duty of every member of this Council to attempt at least to follow in the footsteps of him who has passed away. It seemed only yesterday that I met him leaving this hall, and he bestowed on me the same kindly smile that he bestowed on all. Political alliances and differences made no difference to him in his treatment of those with whom he came in contact, and I assure you that I sympathize deeply with his family today. I sincerely trust, as the previous speakers have, that when the vote is taken it be by a rising vote.

Mr. BAGLEY of Wd. 1 said:—

Mr. President, no words of mine can express the feelings of sorrow which exist throughout the city, caused by the untimely death of Mr. Sullivan, and perhaps more so in East Boston than in other sections. I have met the gentleman in all walks of life, business, social and political, and I can truthfully say that Mr. Sullivan had the respect of everybody. He had no enemies, and was a model in whose footsteps any young man may be proud to follow. Mr. Sullivan was a business man of high standing, and a great many young men, especially of East Boston, can thank that gentleman's kindness and generosity for their start in business life. He was a man, Mr. President, who was beloved by all his neighbors, and on more than one occasion he has relieved a number of them from suffering and want. East Boston will miss him. A great many improvements have been given us through his influence, and, as a member of the East Boston Citizens' Trade Association, he manifested a great deal of interest in East Boston affairs and was looked to at all times for advice and opinion on all matters. He was well called "Honest John Sullivan."

Mr. KASANOF of Wd. 9 said:—

Mr. President and fellow members, it is a sad duty which calls us together today to pass resolutions in memory of the late John H. Sullivan. I have known the gentleman for the last three or four years,

being in the district which he has represented at various times, and it has been the unanimous opinion of all that he was the most able and honest representative who has represented the district in every branch of the Government and the Legislature. I may say for myself and for the people whom I in part represent that we tender our hearty sympathy to the family of the late Honorable John H. Sullivan.

Mr. SIMPSON of Wd. 1 said:—

Mr. President, I don't think I would be doing my duty here if I did not stand up and say a few words for my friend Mr. Sullivan. I don't think there is any man in the chamber today who has had a longer acquaintance with him than myself. Being connected with the vessel and steamship business, I have seen him when he was a clerk on the wharf in 1877, and have seen him rise right along to the highest position in the business. I consider that we have met with a great loss in East Boston, and I extend my sympathy to Mr. Sullivan's family.

Mr. CHAMBERLAIN of Wd. 12 said:—

Mr. President, "One touch of nature makes the whole world kin," and when the shadow of death obscures the horizon of life political differences vanish like the mist before the rays of the morning sun. As a republican member of this body, I feel it my duty to pay my tribute of respect to the departed. I care not what a man's race, creed, politics or color may be. "By their works ye shall know them;" and, judging the gentleman who has so lately departed by his acts, I am very sure that when in the hereafter the recording angel shall write down the names of those who upon this earth had helped their fellowmen and who had served their city, state and country well, the name of John H. Sullivan will not be found wanting. I had but a slight acquaintance with Mr. Sullivan, but it is perhaps needless for me to state that my heart goes out in sympathy to those members of this body who, on account of his untimely death, are one friend poorer on earth, but one friend richer in heaven.

Mr. GIBLIN of Wd. 15 said:—

Mr. President, I can add but a word to what has already been said in support of these resolutions. Mr. Sullivan, as I found him in a short official acquaintance, was a man considerate and appreciative of the opinions and ideas of others. In his life we find the greatest example for the future. Coming here from a land where opportunity was denied him, leaving his native heath and making his way to these shores, he grasped the opportunity that America holds out and, step by step, from a humble beginning, without any princely fortune or any credentials save a firm determination and a grim resolve to forge ahead, worked his way up to the crest of American citizenship and took his appropriate position in the political, social and commercial world. What a lesson for the future! He was, indeed, the exemplification of the poet's thought that

"Honor and fame from no condition rise,
Act well your part, there all the honor lies."

While at this time we are compelled to bow the knee to that Omnipotent Power that we cannot understand, it is with a firm hope for the future, trusting in God's guidance, that the departed one may find eternal peace.

Mr. BATTIS of Wd. 1 said:

Mr. President, as a member from East Boston I regret deeply the death of John H. Sullivan. Mr. Sullivan was a friend to everybody, particularly to everybody in East Boston. East Boston stood first with him in every respect; and I feel it my duty to say a word in regard to him here in the Council. My sympathy is with

his family and with all his friends. I hope the resolution will be passed.

Mr. LYDON of Wd. 13 said:—

Mr. President, I am very sorry that today I am not in a position to speak at length on the merits of the career of the late Honorable John H. Sullivan. I believe, however, that I would not be doing my duty at this time if I did not say a word on behalf of the people of South Boston. I believe there is not a man not a resident of South Boston who is held in greater esteem by them than Mr. Sullivan. At all times he has endeavored to assist us as far as it lay in his power to do so. My association with the Honorable Mr. Sullivan was limited, and I cannot speak at great length of his qualities; but, from my experience, I simply knew him to be a thorough man in every way; and I believe I express the universal sentiment of South Boston when I join in the resolutions and extend the sympathy of the people of South Boston to the family and friends of the late Honorable John H. Sullivan.

The resolutions were passed in concurrence by a unanimous rising vote.

3. Ordered, That the City Hall be closed during the time set apart for the funeral of the late Hon. John H. Sullivan.

Passed in concurrence.

4. Ordered, That the City Messenger be directed to cause the flag on City Hall to be placed at half mast until after the funeral of the late Hon. John H. Sullivan.

Passed in concurrence.

5. Ordered, That all city work be suspended in East Boston, without loss of

pay to employees, on the day of the funeral of John H. Sullivan.

Passed in concurrence.

Later in the session Mr. HICKEY of Wd. 2 said:—

Mr. President, I would like to ask for a reconsideration of the vote whereby we passed the order dispensing with the services of the employees of the city in East Boston, on the day of the funeral, in order that we may also include East Boston employees who are engaged in other yards throughout the city.

The PRESIDENT—The Chair desires to state that, the Board of Aldermen having adjourned over, it would be impossible to have the amendment concurred in this afternoon.

Mr. Hickey withdrew his motion.

6. Ordered, That a committee consisting of the Chairman and four other members of this Board, with such of the Common Council as may join, be appointed to represent the city at the funeral of the late Hon. John H. Sullivan.

Passed in concurrence, and the President appointed as said committee Messrs. Hickey of Wd. 2, Moore of Wd. 10, Horrigan of Wd. 3, Peck of Wd. 12, Connolly of Wd. 17, Bagley of Wd. 1, Collins of Wd. 13, and Leonard of Wd. 9.

7. Ordered, That any expenses incurred in connection with the funeral of the late Hon. John H. Sullivan be charged to the appropriation for City Council, incidental Expenses.

Passed in concurrence.

Adjourned, on motion of Mr. Watson of Wd. 18, at 1:01 P. M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Wednesday, Apr. 12, 1899.

Adjourned regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. Berwin, to dispense with the reading of the records of the last meeting.

EXCAVATING OF CELLAR—VETO.

The following was received:—

Mayor's Office, City Hall,
Boston, Apr. 7, 1899.

To the Board of Aldermen:—

I return herewith without my signature a vote passed by your Board at its last meeting, granting leave to Sidney T. Squires to excavate the cellar of building 329-331 Tremont St., Wd. 10, at grade 9.

The Board of Aldermen is authorized by law to grant licenses, subject to revocation at any time, authorizing the construction of cellars at a lower grade than 12 feet above mean low water "in buildings, no part of which is to be used as a dwelling"; but I find that this building is to be used for hotel purposes.

Respectfully submitted,

Josiah Quincy, Mayor.

Referred to the Committee on Public Improvements.

APPOINTMENT BY THE MAYOR.

The following was received:—

Mayor's Office, City Hall,
Boston, Apr. 12, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint

George E. Kerr, a constable of the city of Boston for the term of one year, beginning with the first day of May, 1899.

Mr. Kerr is appointed to take the place of Mr. George W. Goode, who has been appointed a constable for the above term, but who does not care to serve; and I recommend that action upon the appointment of Mr. Goode be indefinitely postponed.

Respectfully,

Josiah Quincy, Mayor.

Laid over, under the law.

BAY WINDOWS—VETO.

The following was received:—

Mayor's Office, City Hall.

Boston, April 12, 1899.

To the Board of Aldermen:—

I return herewith without my signature a vote passed by your Board on April 3d, granting permission to John O'Connor to project two bay windows from building No. 50 Ellery St., Wd. 15, two and one-half feet over the street line.

I find that this street is only 27 feet wide and that there are now no bay windows on it. This vote is therefore contrary to Section 32 of the Revised Regulations of 1898, which provides that "no person shall project a bay window over any street less than 30 feet in width, unless another bay window already projects over such street," and that "no person shall project a bay window more than 18 inches over any street, unless another bay window already projects more than 18 inches over such street."

Respectfully submitted,

Josiah Quincy, Mayor.

Referred to the Committee on Public Improvements, on motion of Ald. Berwin.

ORDINANCE REGARDING FEES.

The following was received:—

Mayor's Office, City Hall.

Boston April 12, 1899.

To the City Council:—

The Street Department has for over two years been charging a fee of one dollar for the issuing of a permit for opening the streets, and the revenue from this source has amounted, during the past year, to about \$10,000. By the decision of Mr. Justice Morton, of the Supreme Judicial Court, it appears that the Superintendent of Streets does not have power to make these charges unless the City Council shall by ordinance authorize him so to do.

I therefore recommend the passage of the accompanying amendment to the ordinances.

Respectfully,

Josiah Quincy, Mayor.

AN ORDINANCE to amend Chapter 33 of the Revised Ordinances of 1898.

Be it ordained by the City Council of Boston, as follows:—

Section 1. Chapter thirty-eight of the Revised Ordinances of 1898 is hereby amended in Section eight by adding at the end thereof the following:—

"The amount to be paid for each such permit for other than city work shall be as follows:—

"Class A, one dollar each for ordinary excavations; laying drains; laying wires, conduits and railroad tracks; occupying streets for erecting and repairing buildings, and other purposes connected with buildings, when they do not become a part of another permit; placing electric poles in the streets; placing coal-holes and vaults under the sidewalks; moving buildings; feeding horses; selling fruit, etc., from buildings; selling fruit, etc., from areas; occupying sidewalks for more than ten minutes for the purpose of loading and unloading goods (yearly permit); driving cattle; wearing advertising coat and hat (yearly permit); making emergency openings, and for any other purpose except those in Class B.

"Class B, twenty-five cents each for raising and lowering goods into and from buildings; erecting signs, erecting and repairing awnings; projecting electric lamps; distributing fine sand on pavements; occupying sidewalk to repair sidewalk lights and covers; occupying sidewalk and portion of street for cleaning snow from roofs of buildings (yearly permit); watering streets with watering carts. For extension of any permit twenty-five cents must be paid."

Ald. BERWIN—Mr. Chairman, I move that that be printed and assigned to the next meeting of the Board.

Ald. O'TOOLE—Mr. Chairman, I see no reason why it should be printed and assigned. This matter was thoroughly understood in the Committee on Public Improvements. This merely, by an amendment to the ordinances, gives the Superintendent of Streets the power to do what, as a matter of fact, he has done for two or three years.

Ald. BERWIN—Mr. Chairman, after the eloquent statement by the gentleman from Roxbury, I withdraw my motion.

The rule was suspended and the ordinance was read a second time and passed. Sent down.

APPOINTMENTS BY THE MAYOR.

Communications were also received from His Honor the Mayor, making the following appointments, subject to confirmation on the part of the Board of Aldermen:—

(1) James H. Dodge, to be City Auditor, for the term of one year, beginning with the first day of May, 1899.

(2) William Jackson, to be City Engineer for the term of one year, beginning with the first day of May, 1899.

(3) James Donovan, to be Superintendent of Lamps for the term of one year, beginning with the first day of May, 1899.

(4) Andrew J. Bailey, to be Corporation Counsel for the term of one year, beginning with the first day of May, 1899.

(5) Thomas M. Babson, to be City Solicitor for the term of one year, beginning with the first day of May, 1899.

(6) George E. McKay, to be Superintendent of Markets for the term of one year, beginning with the first day of May, 1899.

(7) Thomas A. Whalen, to be Superintendent of Printing for the term of one year, beginning with the first day of May, 1899.

(8) John Drohan, to be Superintendent of Public Buildings for the term of one year, beginning with the first day of May, 1899.

(9) William H. Whitmore, to be City Registrar for the term of one year, beginning with the first day of May, 1899.

(10) Reuben Peterson, to be Soldiers' Relief Commissioner for the term of one year, beginning with the first day of May, 1899.

(11) Benjamin W. Wells, to be Superintendent of Streets for the term of one year, beginning with the first day of May, 1899.

(12) Alfred T. Turner, to be City Treasurer for the term of one year, beginning with the first day of May, 1899.

(13) Daniel P. Sullivan, to be Sealer of Weights and Measures and Seizer of Illegal Charcoal Measures; and Raphael Rosnosky, Charles Mintz, Edwin J. Turner, John J. Higgins, Daniel J. Moynihan, Jr., Jeremiah J. Crowley, Thomas F. Brophy, John Golding, William H. Fallon, and Thomas J. Dwyer, to be Deputy Sealers of Weights and Measures and Seizers of Illegal Charcoal Measures; all for the term of one year, beginning with the first day of May, 1899.

(14) William Doogue, to be Superintendent of Public Grounds for the term of one year, beginning with the first day of May, 1899.

(15) Frank O. Seavey, to be a measurer of grain, a wigher of coal, and an inspector of pressed or banded hay and straw, for the term of one year, beginning with the first day of May, 1899.

Severally laid over to the next meeting, under the law.

HEARINGS AT 3 O'CLOCK.

1. On petition of The New England Telephone and Telegraph Company of Massachusetts for leave to erect poles in Gladstone and Walley Sts., Wd. 1, and in Glenway St., Wd. 20.

Thomas C. Bachelder, on behalf of the Harvard Improvement Association, appeared and objected to the erection of poles in Glenway St.

No further objections. Recommended to the Committee on Electric Wires.

On petition of the West End Street Railway Company, viz.:-

2. For leave to lay tracks in City Sq., Park and Warren Sts., Charlestown.

3. For leave to construct additional tracks, curves, etc., to connect its Grove Hall car-house with its tracks on Blue Hill Ave.

4. For leave to construct curves at the junctions of Northampton St. with Harrison Ave., Washington St. and Shawmut Ave., and at the junctions of Dover St. with the same streets.

No objections. Severally recommended to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named, viz.:-

Building Dept. (Ald.)

Francis Peabody, jr., et als., trustees, for leave to construct a portion of basement of building on Atlantic Ave., East and Essex St. at grade 7, and a portion at grade 3.

Petitions for leave to project signs, etc., viz.:-

John Coasta, three barber poles, at 261 North St., Wd. 6.

Frank O. Newton, an illuminated sign, at 13 Franklin ave., Wd. 6.

James D. Russo, a barber pole, at 657 Atlantic Ave., Wd. 7.

Fayerweather & Dadew, a sign, at 226-228 Franklin St., Wd. 7.

Rosenauer & Miller, a clock sign, at 38 Causeway St., Wd. 8.

Francis Thomas, an illuminated sign, at 981 Boylston St., Wd. 11.

William Thioodeau, a sign, at 1659 Washington St., Wd. 12.

Henry W. Hubbard, a sign, at 117 Clifton St., Wd. 16.

Isaac Shurnick, a sign, at 1206 Columbus Ave., Wd. 19.

J. H. Emery, a sign, at 33 Dearborn St., Wd. 17.

D. H. Posner, an illuminated sign at 25 School St., Wd. 6.

Claims.

Della A. Good, for payment to Charles T. Gallagher of balance remaining from tax sale of estate on Calumet St.

James A. Floyd, for payment of balance remaining from tax sale of estate on Hillside Terrace.

John C. Coleman, for payment to Thomas F. Phillips of balance remaining from tax sale of estate on Devon St. (lot 106).

John C. Coleman, for payment to Thomas F. Phillips of balance remaining from tax sale of estate on Devon St. (lot 107).

Stalker Eros, for compensation for damage to their wagon caused by overhanging limb of a tree at 80 White St., E.B.

James S. Cullahan, for compensation for damage to estates 890-892 Parker St., caused by the stoppage of the sewer.

John MacDonald, for compensation for damage to his estates on Lauriat Ave., caused by the action of the city in building culverts, etc.

Wm. H. Kenah, for compensation for damage to estate corner Stanley and Quincy Sts., caused by blasting.

John Quinn, to be paid for injuries received while in the employ of the city.

John J. Fenney, for compensation for injuries caused by the falling of the elevator at City Hall, Feb. 16, 1899.

George P. Murray, for compensation for damages caused by the breaking of private drain at 303-305 Fuller St., by employees of city.

Jennie L. Murray, for compensation for damages caused by the breaking of private drain by employees of city, at 307-309 Fuller St.

John R. McMahon, to be paid for alleged overtime work in sewer division of Street Department.

M. F. Morley, for compensation for damage done by sewer at cor. Western Ave. and Market St.

Electric Wires.

Charlestown Gas and Electric Company, for leave to erect two poles on Devens St.

Petitions of The New England Telephone & Telegraph Co. of Mass., viz.:-

1. For extension of time to July 1, 1899, in which to relocate poles on Rockland St., Wd. 25.

2. For leave to erect poles in Sigourney, Beethoven and Landseer Sts. and Allston Heights.

3. For leave to erect poles in Adams, Hillsdale, Ocean and Roslin Sts., Wd. 24, Paris St., Wd. 1, and Hooker St., Wd. 25.

Supt. of Public Grounds.

Martha J. Kearney, for removal of six trees at 435-437 Washington St., Wd. 20.

Sarah A. Hersey, for removal of two trees at 122 Dorchester St., cor. Old Harbor St.

Lamps.

Elizabeth M. Donovan, et als., for public lamps on a way leading from Lamartine St., bet. Nos. 101-105.

Charles H. Collins, et als., for an electric light at corner of Tremlett and Washington Sts., Dorchester.

William B. Hubbard, et als., for public lamps on Congreve St., Wd. 23.
James L. Holland, et als., for an electric light near Anawan Hall, on Anawan Ave., West Roxbury.

Licenses.

Austin E. McCormack, for a permit to Mamie Moore, under 15 years of age, to appear at St. Mary's Hall, E. B., on the evening of April 18, 1899.

F. R. Brown & Co., for leave to run six passenger barges between Forest Hills station and Mt. Hope and Calvary Cemeteries.

Highland Club, for a license for musical, dramatic, literary and dancing entertainments at Highland Hall, W. R., cor. Centre and Hastings Sts., for the season ending August 1, 1899.

Scandinavian Workingmen's Association, for a license for musical, dramatic, literary and dancing entertainments, at Scandinavian Workingmen's Hall, 1353 Columbus Ave., for the season ending August 1, 1899.

Directors of the New England Watch and Ward Society, for a hearing on its petition for revocation of the license for Puritan Hall, 995 Washington St.

Memorial Day.

Petitions for appropriations for Memorial Day, viz:—

- Francis Washburn Post 92, G. A. R.
- Boston Post 200, G. A. R.
- Trimountain Garrison 98, R. A. and N. U. Railroads.

West End Street Railway Company, for locations for tracks on Charlestown, Causeway and Commercial Sts.

Henry C. Nichols et als., Trustees of Estate of E. D. Jordan, that the Board estimate the damages caused by the taking of their land on Irvington St. by the Boston and Albany R. R.

Public Building Dept.

Mrs. Mary A. Gates, for the use of Curtis Hall, on April 17, from 6 P. M. until 1 A. M., waiving the fee.

Public Improvements.

W. A. and H. A. Root, for leave to stretch two guy ropes across Bay State Road.

A. Shuman, for leave to construct areas in sidewalk in front of estate cor. Court St. and Court Sq.

George A. Fuller Co., for leave to erect guy posts in Essex and East Sts. and Atlantic Ave.

Francis Peabody, Jr., et als., trustees, for leave to construct areas in sidewalk on Atlantic Ave., and two coal holes and an area in sidewalk on East St.

Cullen Bros., for leave to stretch two guy ropes across Birch St., near Bragdon St.

J. J. and P. M. Ahern, for leave to move a wooden building from 57 Devon St. to Stanwood St., Wd. 20.

Petitions for sidewalks, viz:—

- Boston Plate and Window Glass Co., 261-287 A St., Wd. 13.
- Daniel A. Ritter, 30 Ottawa St., Wd. 21.
- Frank A. Leicht, 73-75 Mercer St., Wd. 15.
- S. M. Shapleigh, 144 Ruthven St., Wd. 21.
- P. J. Donlan, 1528 Tremont St., Wd. 19.
- Martha J. Kearney, School St. (south side) cor. Washington St., Wd. 20.
- George H. Brown, 30 Algonquin St., Wd. 20.

M. D. Kneeland, 29 Wyoming St., Wd. 21.

J. F. Cranston, 734-736 E. Seventh St., and on N St., Wd. 15.

Mrs. M. J. Hall, 15, 21 and 27 Edson St., Wd. 24.

I. W. Crozier, cor. Washington and Forest Hills Sts., Wd. 22.

Cornelius D. Hurley, 71-73 Savin Hill Ave. Wd. 20.

Edgar F. Billings, 409 Marlborough St., Wd. 11.

Daniel H. Sullivan, 180 Hillside St., Wd. 19.

Margaret A. Curtis, 278 E. Cottage St., Wd. 20.

Enima French et als., 45-47-49-51-57 Round Hill St., Wd. 22.

A. D. Rogers, 84 Gardner St., Wd. 25.
W. C. Babcock, Jr., et al., 79-81 Clarkson St., Wd. 20.

Winifred Cahalan, 549 Park St., Wd. 20.

Annie M. Phillips, Greenbrier St., cor. Bloomfield St., Wd. 20.

Martha F. Winship, 88 Gardner St., Wd. 25.

J. R. Hetherington, 7 Wolcott St., Wd. 20.

G. L. Davidson, 42-46 Greenbrier St., Wd. 20.

PAPERS FROM THE COMMON COUNCIL.

The following was passed by the Common Council, and sent up:—

5. Ordered, That the Boston Elevated Railway Company be requested to run one of the Charlestown night cars over Bunker Hill St.

Referred to the Committee on Railroads.
6. Ordered, That the Superintendent of Streets, through His Honor the Mayor, be requested to reinstate such of the employees of the Bridge Division as lost their employment in said division, on account of enlisting in the army or navy during the recent war with Spain.

Passed in concurrence.
The Board voted, on motion of Ald. Berwin, to consider Nos. 7, 8 and 9 together and that the same be read by their titles, viz:—

7. Ordered, That the Board of Estimate and Apportionment be requested to appropriate a sufficient sum of money to pave Essex St., Wd. 4.

8. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the paving with granite blocks of Heath and New Heath Sts., between the location of the American Brewing Company and Columbus Ave. extension, Wd. 19.

9. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation sufficient for the macadamizing of Ruggles St., between Shawmut Ave. and Cabot St., Wd. 18.

Severally referred in concurrence.
10. The order making all taxes payable on the first day of October, and fixing the rate of interest on unpaid taxes, which was amended by the Common Council March 23, and which amendments were non-concurred by this Board at its last meeting,—comes up endorsed "In Common Council April 6. Non-concurred, and adhered to former action."

Referred to the Committee on Public Improvements, on motion of Ald. Berwin.

CONFIRMATION OF APPOINTMENTS.

The Board proceeded to take up No. 11, unfinished business, viz:—

Action on appointments submitted by the Mayor, viz:—

11. List of Constables, as contained in Document No. 75.

The Board voted, on motion of Ald. Berwin, to consider the list of constables with the exception of George W. Goode.

The question came on confirmation. Committee—Ald. Colby and Dixon. Who's number of ballots cast 11, yes 11, and the several appointments were confirmed.

The Board voted, on motion of Ald. Berwin, that action on the name of George W. Goode be indefinitely postponed.

The Board proceeded to take up No. 12, unfinished business, viz:—

12. Minor appointments, viz.: Weighers and Inspectors of Vessels and Ballast; Weighers of Coal; Measurers of Wood and Bark; Measurers of Grain; Inspectors of Pressed or Bundled Hay and Straw; Field Drivers and Pound Keepers; Superintendents of Hay Scales; Weighers of Bolders and Heavy Machinery; Weighers of Beef; Surveyors of Marble, Freestone and Soapstone; Fence Viewers; Inspectors of Petroleum and its Products; Measurers of Upper

Leather, and Inspector of Lime; as contained in Document No. 74.

The Board voted, on motion of Ald. McDonald, to consider the several appointments together.

The question came on confirmation. Committee—Ald. McDonald and Berwin. Whole number of ballots cast 11, yes 11, and the several appointments were confirmed.

The Board proceeded to take up No. 13, special assignment, viz:—

13. Action on appointments of John H. Donovan, John J. Murphy and George A. Comins, to be members of the Board of Assessors, for the term of three years beginning with the first day of May, 1899.

Ald. DOYLE moved that action be taken on the three names at once. Ald. Adams objected, and the Board took up the name of John H. Donovan.

The question came on confirmation. Committee—Ald. Doyle and Adams. Whole number of votes cast 11, yes 10, no 1, and the appointment was confirmed.

The Board voted, on motion of Ald. Berwin, to consider the names of John J. Murphy and George A. Comins together.

The question came on confirmation. Committee—Ald. Berwin and Brick. Whole number of ballots cast 12, yes 12, and the several appointments were confirmed.

APPROPRIATION FOR SCHOOLS.

The Board proceeded to take up No. 14, special assignment, viz:

14. Message of the Mayor transmitting the following order passed by the Board of Estimate and Apportionment, March 31.

Ordered, That the School Committee be authorized to expend, in providing additional primary and grammar school accommodations, the following amounts, and the said amounts are hereby appropriated for the purpose specified; and that to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the mayor, bonds of the city of Boston to the amount of four hundred and seventy-five thousand (\$475,000) dollars, viz:

| | |
|--|-----------|
| Grammar Schoolhouse, East Boston (14-room building)..... | \$95,000 |
| Primary Schoolhouse site, Warren District, Charlestown, additional..... | 10,000 |
| Primary Schoolhouse, Roxbury (6-room building)..... | 40,000 |
| Grammar Schoolhouse, South Boston (14-room building)..... | 100,000 |
| Primary Schoolhouse, Brighton (12-room building)..... | 70,000 |
| Grammar Schoolhouse, Dorchester (14-room building)..... | 100,000 |
| Primary Schoolhouse, Wd. 20, site..... | 5,000 |
| Completing and furnishing school buildings now in course of construction, exclusive of high schools..... | 55,000 |
| Total..... | \$475,000 |

(See Document No. 76.)

The question came on the approval of the order.

Ald. McDONALD—Mr. Chairman, while I presume that the Board will be obliged to vote to pass this loan order for \$475,000, at the same time I think it would be well to call attention to the fact that today some of the schools have fire escapes upon them that are positively dangerous, and it behooves the School Committee of Boston, before proceeding to erect new schools, to make the old schools safe. We know, as a matter of fact, that upon many of the schools they have what are called folding ladders or perpendicular ladders, and I venture to say that not one member of the School Board of Boston could descend one of them. They are positively dangerous. I believe they should be replaced by some new fire escapes, for we know that children could not come down upon them. I am sure that this is a matter which demands the attention of the school committee of Boston. I am not criticising the present Board, for the simple reason that these fire escapes have

been upon the buildings for a number of years, but I think the School Board ought to seriously consider the matter. I admire the position of the Boston Record in going before the Legislature and petitioning for fire escapes on all our large buildings here in the city of Boston, where people are housed, and I believe that the people of Boston are with the Record in this matter. We all know that there have been a great many fires in some of our cities and a great many deaths simply because buildings lack fire escapes. The City Solicitor of Boston, as I understand it, has stated that we have law enough upon this subject of fire escapes. If that is so, I trust that my old friend Captain Damrell will take hold of this matter and see to it that fire escapes are erected on all these large buildings of the city of Boston, where they are most certainly needed.

Ald. CODMAN—Mr. Chairman, I would like to have an opportunity to read the message of the Mayor on this matter, and I therefore move that it be assigned until later in the meeting.

The message and order were assigned to later in the meeting.

Later in the session Ald. Codman called No. 14 up, and it was voted that the order be transmitted to the Common Council without alteration. Sent down.

SALE OF OIL.

Reports were received from the Fire Commissioner on the petitions of the Jenney Manufacturing Co., for licenses to manufacture, refine, mix, store and keep for sale oils or fluids composed wholly or in part of the products of petroleum, at First St., between D and E Sts., South Boston, and No. 2 Central Wharf—approving of the same.

Approved by the Board.

ACCEPTANCE OF LOCATION.

Notice was received from the West End Street Railway Co., accepting its 162d location and agreeing to comply with the conditions contained therein.

Placed on file.

RIFLE RANGE FOR MILITIA.

The following was received:—

City of Boston, Law Department,
73 Tremont St., Boston, April 7, 1899.

To the Board of Aldermen:—

In reply to your inquiry as to "what are the duties and the powers of the Board of Aldermen in relation to providing a rifle range for the use of the militia of Boston," I have to say that, by section 90, of chapter 367 of the acts of the year 1893, the mayor and aldermen of cities and the selectmen of towns are required to "provide suitable grounds or places for the parade, drill and target practice of the militia belonging to their respective cities and towns," but by chapter 142, of the acts of the year 1898, no land is to be acquired by the city of Boston for said purposes prior to the first day of June, in the year 1899. The effect of said last named act is to suspend the powers of the Board of Aldermen given by the act of 1893, until said first day of June, 1899.

Respectfully,

Andrew J. Bailey, Corporation Counsel.

The CHAIRMAN—If there is no objection, the matter will be referred to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I was about to ask that that be printed and referred to the Committee on Armories and Military Affairs.

Ald. DIXON—Mr. Chairman, I move, as an amendment to that motion, that it be referred to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I shall be glad to yield to that, but I should like to have the distinguished statesman from the same section of the city that I come from explain to me what purpose he has in mind in asking that this go to the Committee on Public Improvements?

Ald. DIXON—I simply want to know something about it.

Ald. BERWIN—Mr. Chairman, I shall withdraw my motion, with this statement that if there is anything the gentleman from Wd. 6 wishes to know about the questions involved in the opinion of the Corporation Counsel, with the limited information at my command I think I can enlighten him. If he will ask me any question, I think I can answer him. At the same time, I withdraw my motion.

The communication was referred to the Committee on Public Improvements.

PAYMENT OF MATRONS.

The following was received:—
City of Boston. Police Department.
Office of the Board of Police,
February 1st, 1899.

To the Honorable City Council of the City of Boston.

Gentlemen:—The salaries of police matrons were established at a time when it was not possible to tell how much time a matron would have to devote to the duties of her office. On account of the few females arrested at Stations 11 and 13, it was then supposed that a very little time would be required of the matrons at these stations in their offices, so the salaries were established at one hundred (100) dollars each per year.

Experience now shows that the arrests at those divisions are not numerous, nor have they increased much from year to year, but the matrons have to be in readiness to respond to the call of the police at any time, and have to devote much more time to their offices than was supposed in the beginning.

The Boiard, therefore, respectfully submits the enclosed order increasing the salaries of the matrons of these two stations from one hundred (100) dollars each per annum to two hundred (200) dollars each per annum. Respectfully submitted, for the Board,

Thomas Ryan, Clerk.

Ordered, That Section 2 of the Ordinance, entitled "An Ordinance to establish the salaries of the officers and assistants of the house of detention and of police matrons," be amended by striking out after the words "Division 11" the word "one," and inserting in place thereof the word "two"; also by striking out after the word "Division 13" the word "one", and inserting in place thereof the word "two," so that as amended said Section will read as follows:—

"Section 2. The salaries of police matrons are hereby established at the following rates for the period during which they are respectively employed: Division 7, two hundred dollars per annum; Division 9, four hundred and sixteen dollars per annum; Division 10, four hundred and sixteen dollars per annum; Division 11, two hundred dollars per annum; Division 12, four hundred and sixteen dollars per annum; Division 13, two hundred dollars per annum; Division 14, one hundred dollars per annum; Division 15, four hundred and sixteen dollars per annum."

Referred to the Committee on Police.

ORDERS OF NOTICE.

In the petition of Jordan, Marsh & Co., for leave to project a permanent awning over the sidewalk at a new entrance to their store on Avon St., Wd. 7, an order of notice was passed for a hearing thereon on Monday, May 1, at o'clock, P. M., when any parties objecting thereto may appear and be heard.

Or the petition of G. J. White for leave to project two bay windows from No. 11 Norway St., Wd. 10, an order of notice was passed for a hearing thereon on Monday, May 1, at 3 o'clock P. M., when any parties objecting thereto may appear and be heard.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 297 newsboys, 55 bootblacks and 4 vendors of small wares. Reports severally accepted; licenses approved by the Board.

(2) Reports on petition (severally referred today), for season licenses for musical and dramatic entertainments—Recommending that licenses be granted, viz:—

Scandinavian Workingmen's Association, Scandinavian Workingmen's Hall, 1353 Columbus Ave.

Highland Club, Highland Hall, West Roxbury, corner Centre and Hastings Sts.

Reports severally accepted; licenses severally granted on the usual conditions.

(3) Report on the petition of Austin E. McCormack (referred today), for a permit for Mamie Moore, under 15 years of age, to appear at St. Mary's Hall, East Boston, on the evening of April 18th—that a permit be granted.

Report accepted; permit granted on the usual conditions.

(4) Report on the petition of F. R. Brown & Co. (referred today), for leave to run six passenger barges between Forest Hills station and Mt. Hope and Calvary Cemeteries—that leave be granted.

Reported accepted; leave granted on the usual conditions.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:—

(1) Reports on petitions—that the petitioners be given leave to withdraw, viz:

Charles E. Cenkling (referred March 7), for compensation for injuries to horse from an alleged defect in Columbus Ave. (as the city is not liable).

Thomas W. Powers (referred Jan. 23), for compensation for injuries to horse caused by being run into by city team (as the city is not liable).

John F. O'Brien (referred March 20), for damage to his sleigh by collision with fire apparatus (as the city is not liable).

D. J. O'Brien (referred 1898), for damage to wagon caused by collision with city team (as the city is not liable).

George W. Fowle (referred 1898), for damage to his estate 24 Balavia St., caused by the breaking of gas p.ipe in said street (as the claim has been settled).

William P. Fowler, et als. (referred 1898), for the payment to the Provident Co-operative Bank of Chelsea of the balance remaining from tax sale of estate on Maple St.

John C. Coleman (referred 1898), for payment to the Franklin Savings Bank of the city of Boston of the balance remaining from tax sale of estate on Maple St.

Charles McKenna (referred 1898) for the payment to the Franklin Savings Bank of Boston of the balance remaining from tax sale of estate on Maple St.

Accepted. Sent down.

(2) Report on the petition of John B. Martin, et al., executors (referred Feb. 20), to be refunded a part of the amount of a liquor license paid for by Patrick Raftery, deceased—recommending the passage of the following:—

Ordered, That the City Treasurer be authorized to repay to John B. Martin and Michael J. Moloney, Executors of the estate of Patrick Raftery, the sum of Three Hundred and Sixty-Eight Dollars and Twenty-Two Cents (\$368.22), being the balance returnable from the amount paid by said Raftery for a first and a fourth class liquor license which expired upon his death January 24, 1899.

Report accepted; order passed. Sent down.

(3) Report on the petition of Henry H. Salman (referred March 20)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Charles F. Berry the sum of one hundred and fifty-seven dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on cor Centre and Stimson Sts., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 97.

(4) Report on the petition of Joseph H. Davis (referred Feb. 6)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Joseph H. Davis the sum of two hundred thirty two and five one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Richards St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2583, fol. 123.

(5) Report on the petition of Anna M. Salloway (referred Feb. 13)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to George H. Salloway the sum of one hundred thirty-four and seventy one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate 374 Chelsea St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2582, fol. 22.

(6) Report on the petition of Michael Hurley (referred last year)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Eliab Ramsdell the sum of forty-one and seventy one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on court off Neponset Ave., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 533.

(7) Report on petition of Henry R. Jenkins (referred last year)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Henry R. Jenkins the sum of ninety-seven and 58-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Riverdale St. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 603.

(8) Report on the petition of Catherine Emerson, (referred last year)—recommending the passage of the following:—

Ordered: That the City Treasurer be hereby authorized to pay to Catherine Emerson the sum of one hundred two and 66-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on rear of Vose St., for unpaid taxes of the year 1895, by deed recorded with Suffolk Deeds, lib. 2498, fol. 97.

(9) Report on the petition of Charles F. Fernald, (referred last year)—Recommending the passage of the following:—

Ordered: That the City Treasurer be hereby authorized to pay to Charles F. Fernald the sum of sixty-eight and 22-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on cor. No. Harvard and Bayard Sts. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 583.

(10) Report on the petition of Charles F. Cass, (referred Jan. 16)—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Charles F. Cass the sum of seventy-three and 95-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Kilton St., Lot 49, for unpaid taxes of the

year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 84.

(11) Report on the petition of Charlotte C. Park (referred last year)—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Albert C. Dean the sum of two hundred twenty-five and 66-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mt. Vernon St., Dor., for unpaid taxes of the year 1898, by deed recorded with Suffolk Deeds, lib. 2501, fol. 84.

(12) Report on the petition of Annie V. Connell (referred Jan. 9)—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Dennis B. Connell the sum of one hundred eleven and 97-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Temple St., W. R., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 609.

(13) Report on the petition of Samuel Bradlee (referred last year)—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to John S. Biggo the sum of one and 32-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Chelsea Ave., for unpaid taxes of the year 1894, by deed recorded with Suffolk Deeds, lib. 2313, fol. 65.

(14) Report on ten petitions of Patrick J. Daly (referred Jan. 30)—Recommending the passage of the following:—

Ordered: That the City Treasurer be hereby authorized to pay to Wilfred Bolster the sum of nineteen hundred sixty-four and ten one-hundredths dollars, being the amounts held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of 10 estates on Westville St., lots 5, 6, 7, 8, 10, 11, 12, 13, 14, and 15, for unpaid taxes of the year 1897, by deeds redeemed before Suffolk record.

(15) Report on the petition of Walter L. Cherrington (referred last year)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to the Franklin Savings Bank of the City of Boston the sum of one hundred sixty and thirty-two one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Maple St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 92.

(16) Report on the petition of Della A. Good (referred today)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Charles T. Gallagher the sum of two hundred ninety-three and twenty-five one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate 99 Calumet St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2530, fol. 220.

(17) Report on the petition of Bertha Rosenfeld (referred Jan. 23)—Recommending the passage of the following:

Ordered: That the City Treasurer be hereby authorized to pay to Willard T. Perrin the sum of one-hundred fifty-seven and twenty-two one-hundredths dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mountain ave., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 566.

(18) Report on the petition of Catherine A. MacDonald (referred Feb. 13)—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Albert K. Teele the sum of One Hundred Forty-Nine

and \$5-100 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Granville St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 74.

Reports severally accepted; orders severally passed. Sent down.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

Reports on petitions (severally referred today),—recommending the passage of orders of notice for hearings thereon on Monday, May 1, at 3 o'clock, P.M., when any parties objecting thereto may appear and be heard, viz.:—

West End Street Railway Co., for locations for tracks on Charlestown, Causeway and Commercial Sts.

Henry G. Nichols, et. als., trustees Estate of E. D. Jordan, that the Board estimate the damages caused by the taking of their land on Irvington St. by the Boston & Albany Railroad.

Reports accepted; orders of notice passed.

PROJECTION OF SIGNS, ETC.

Ald. DAY, for the Committee on Building Dept. (Ald.), submitted the following:—

(1) Reports on petition for leave to project signs—recommending that leave be granted, viz.:—

Bessie Hershon (referred Jan. 9), sign, 85 Joy St., Wd. 8.

Fritz Franz (referred Jan. 16), sign, 15 Cornhill, Wd. 6.

Dr. M. M. Dewey (referred Jan. 23), illuminated sign, 460 Tremont St., Wd. 9.

Haynes, Sparrell & Co. (referred March 27), sign, 391 Congress St., Wd. 7.

William Naigles (referred Jan. 30), sign, 26 Cambridge St., Wd. 8.

Julius Johnson (referred Jan. 23), sign, corner Washington St. and Indiana Pl., Wd. 7.

Giovanni Filicamo (referred March 20), sign, 141 Leverett St., Wd. 8.

Reports accepted; leave granted on the usual conditions.

(2) Report on the petition of Louis F. Abbott (referred last year), for leave to project one bay window and a cornice from 100 Parker Hill Ave., Wd. 19—that the petitioner have leave to withdraw, at his own request.

Accepted.

(3) Reports on petitions for leave to project bay windows—recommending that leave be granted, viz:

W. H. Newcombe (referred last year), two, 1851 Dorchester Ave., Wd. 24.

C. S. Roberts (referred last year), two, 15 and 15A Pinckney St., Wd. 11.

Edward L. Brodie (referred March 27), one, 29 Spring St., Wd. 8.

On motion of Ald. Brick the last petition was referred to the Committee on Public Improvements. The reports on the preceding two were severally accepted and leave was granted on the usual conditions.

BUILDING DEPARTMENT.

Ald. DAY, for the Committee on Building Dept., submitted the following:

(1) Report on the petition of Frederick Ayer (referred March 27), to erect a wooden building—recommending the passage of the following:

Ordered: That the Inspector of Buildings be authorized to issue a permit to Frederick Ayer to build, outside the building limits, a wooden building on Grosvenor place, Wd. 21, in excess of range allowed and without the intervention or construction of a brick wall as required by the Ordinances, and in accordance with an application on file in the Department for the Inspection of Buildings; said build-

ing to be occupied for stable and storage purposes.

Report accepted; order passed. Sent down.

(2) Report on the petition of H. W. Coltman (referred March 27), to erect a wooden addition—recommending the passage of the following:

Ordered, That the Inspector of Buildings be authorized to issue a permit to H. W. Coltman to build, outside the building limits, a wooden addition to building on 84 Marginal St. and Haynes St., Wd. 2, in excess of size allowed, and without the construction of a brick wall as required by the Ordinances, and in accordance with an application on file in the Department for the Inspection of Buildings; said addition to be occupied for manufacturing purposes, main building occupied for same purposes.

Report accepted; order passed. Sent down.

(3) Report on the petition of Collas, Whitman & Co., Limited, (referred Feb. 20) to erect a wooden addition—Recommending the passage of the following:—

Ordered, That the Inspector of Buildings be authorized to issue a permit to Collas, Whitman & Co., Limited, to build outside the building limits, a wooden addition to building on wharf rear of 329 Marginal St., Wd. 2, in excess of size allowed, and without the construction of a brick wall as required by the Ordinances, and in accordance with an application on file in the Department for the Inspection of Buildings; said addition to be occupied for fish curing, main building occupied for same purpose.

(Mr. Watson dissents from the foregoing report).

Report accepted; order passed. Sent down.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:—

(1) Reports recommending the passage of orders of notice for hearings on Monday, April 24, 1899, at 3 o'clock p. m., on the following petitions:—

Charlestown Gas & Electric Co. (referred today), for leave to erect two poles on Devens St.

The New England Telephone and Telegraph Co. of Mass. (referred today), for leave to erect poles in Adams, Hillsdale, Ocean and Roslin Sts., Wd. 24, Paris St., Wd. 1, and Hooper St., Wd. 25.

Same company (referred today), for leave to erect poles in Sigourney, Beethoven and Landseer Sts., and Alston Heights.

Brookline Gas Light Co. (referred Feb. 6), for leave to erect two poles on Fairbanks St., Wd. 25.

Same company (referred March 6), for leave to erect eight poles on Braintree St., between Franklin and Everett Sts., Wd. 25.

The New England Telephone and Telegraph Co. of Mass. (petitions referred March 13), for leave to erect poles as follows:—

In C St.

In Munroe St., Wd. 21.

In Brookside Ave., Wd. 22, (also to remove one pole).

Same company (referred March 13), for leave to lay conduits in Bulfinch, Howard, Fleet, Lewis, Cross and Salem Sts., Wd. 6; Elliot, Kneeland and Bennet Sts., Wd. 7; Green St., Wd. 8; Blue Hill Ave., Wd. 20; Centre St. and Columbus Ave., Wd. 22; Adams St. and Neponset Ave., Wd. 24.

Reports severally accepted; orders of notice severally passed.

(2) Report on the petition of The New England Telephone and Telegraph Co. of Mass. (recommitted March 27), recommending the passage of the following:—

Ordered, That permission be granted to The New England Telephone and Telegraph Co. of Mass. to place and maintain poles for the support of wires at points

designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated March 9, 1899; said poles to be located as follows:—

Oak St., Wd. 4, 3 poles, 35 ft. high, 13 in. in diameter; width of sidewalk 7 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(3) Report on the petition of the same company (recommitted Feb. 2), recommending the passage of the following:—

Ordered: That permission be granted to The New England Telephone and Telegraph Co. of Mass. to place and maintain a pole for the support of wires at a point designated by a blue dot on a plan deposited in the office of the Superintendent of Streets, made by C. A. Perkins, dated Nov., 1889; said pole to be located as follows:—

Forest Hills St., Wd. 23, 1 pole, 30 ft. high, 11 in. in diameter; width of sidewalk, 6 ft.

Ordered: That permission be granted to the New England Telephone and Telegraph Co. of Mass. to remove one pole from Forest Hills St., said pole being shown by a red dot on a plan made by C. A. Perkins, dated November, 1889, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(4) Report on the petition of the same company, (recommitted Feb. 20), recommending the passage of the following:—

Ordered: That permission be granted to The New England Telephone and Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated Dec. 29, 1898; said poles to be located as follows:—

Chester St., Wd. 25, 2 poles; Farrington St., Wd. 25, 4 poles; all said poles being 35 ft. high, 14 in. in diameter; width of sidewalk, 7 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(5) Report on the petition of the same company, (recommitted Feb. 27), recommending the passage of the following:—

Ordered. That permission be granted to the New England Telephone and Telegraph Co. of Mass. to place and maintain a pole for the support of wires at a point designated by a blue dot on a plan deposited in the office of the Superintendent of Streets, made by C. A. Perkins, dated June 15, 1892; said pole to be located as follows:—

East Second St., Wd. 14, 1 pole, 35 ft. high, 12 in. diameter; width of sidewalk, 7 ft.

Ordered. That permission be granted to the New England Telephone and Telegraph Co. of Mass. to remove one pole

from East Second St., said pole being shown by a red dot marked "removed" on a plan made by C. A. Perkins, dated June 15, 1892, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed under a suspension of the rule.

(6) Report on the petition of the same company (recommitted Feb. 20), recommending the passage of the following:—

Ordered. That permission be hereby granted to the New England Telephone and Telegraph Co. of Mass. to lay and maintain conduits for electric wires and cables, provided with suitable manholes, in Bay State Road, between Beacon and Deerfield Sts.; Minot St., between Lowell and Leverett Sts.; Anderson St., between Cambridge and Pinckney Sts.

The surface of said streets shall be disturbed for the purpose of laying or repairing cables, or conduits therefor, only at such times and in such manner and place of opening as the Superintendent of Streets shall indicate and issue permits therefor; and the surface of said streets shall not be disturbed as above until a plan has been filed in the office of the Superintendent of Streets showing the location of said underground conduits and manholes in the aforesaid streets.

All the work of laying said conduits to be done under the direction and to the satisfaction of the Superintendent of Streets, and in accordance with the requirements of chapter 38, section 14, of the Revised Ordinances of 1898.

Report accepted; order passed under a suspension of the rule.

(7) Report on the petition of the same company (recommitted March 6), recommending the passage of the following:—

Ordered. That permission be granted to The New England Telephone & Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated Feb. 9, 1899; said poles to be located as follows:—

Atherton St., Wd. 22, 5 poles, 30 ft. high, 10 in. in diameter; width of sidewalk, 7 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within 90 days from the date of the passage of this order.

Report accepted; order passed under a suspension of the rule.

(8) Report on the petition of the same company (recommitted Feb. 20), recommending the passage of the following:—

Ordered. That permission be granted to The New England Telephone and Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated January 31, 1899; said poles to be located as follows:—

Salem St., Wd. 5, 3 poles, 35 ft. high, 13 in. in diameter; width of sidewalk 7 ft.

St. John St., Wd. 22, 9 poles, 35 ft. high, 13 in. in diameter; width of sidewalk 7 ft.

Rockview St., Wd. 22; 1 pole, 35 ft. high, 13 in. in diameter; width of sidewalk, 7 ft.

Washington St., Wd. 20, 1 pole, 35 ft. high, 13 in. in diameter; width of sidewalk, 10 ft.

Ordered. That permission be granted to The New England Telephone and Tele-

graph Co. of Mass. to remove one pole from Washington St., Wd. 20. said pole being shown by a black cross on a plan made by G. H. Dresser, dated Jan. 31, 1899, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said poles to be completed within six months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(9) Report on the petition of the same company (referred March 13), recommending the passage of the following:—

Ordered: That the time allowed The New England Telephone and Telegraph Company of Mass. in which to erect poles in Ashmont St., Wd. 24, under the order passed by this board March 23, 1897, be and the same is hereby extended to June 30, 1899.

Report accepted, order passed.

(10) Report on the petition of the same company (referred Feb. 20), recommending the passage of the following:—

Ordered: That permission be hereby granted to The New England Telephone and Telegraph Company of Mass. to remove six poles from Providence St., between Berkeley and Church Sts., said poles being shown by red dots marked "removed" on a plan made by C. A. Perkins, dated November, 1889, and deposited in the office of the Superintendent of Streets.

Report accepted, order passed.

CLOSING BROADWAY AND ALBANY STREET.

CHAIRMAN BARRY offered an order—That the Superintendent of Streets be authorized to issue the necessary permits to the New York, New Haven and Hartford Railroad Company to close Broadway, between Lehigh and Curve Sts., and Albany St., between Oswego and Curve Sts., to public travel during the work of changing the grades of said streets.

The order was read a second time, and the question came on its passage.

Ald. BERWIN—Mr. Chairman, I ask for an explanation through the Chair—is that in reference to the location to be granted?

The CHAIRMAN—I believe it is. It came to the Chair from the Street Commissioner, was brought down by Mr. Murphy ten minutes ago, and I know nothing about it. The Chair will refer the order to the Committee on Public Improvements.

The order was referred to the Committee on Public Improvements.

ANNUITY FOR SARAH E. LEAVITT.

Chairman BARRY offered an order—That the Board of Police be and it hereby is authorized and directed to allow and pay to Sarah E. Leavitt, widow of late Patrolman William D. Leavitt, deceased October 23th, 1898, an annuity of three hundred (\$300) dollars per annum, commencing on the 29th of October, 1898, as provided by Section 2 of Chapter 178 of the Acts of 1887.

Referred to the Committee on Police.

LAND FOR BURIAL, WD. 21.

Chairman BARRY presented the petition of the Boston Catholic Cemetery Assn. for permission to use for burial purposes certain land on Harvard and Walk Hill Sts., in Wd. 24.

The petition was referred to the Committee on Cemetery Department (Ald.).

Later in the session, Ald. McDONALD offered an order—That permission be

hereby granted to the Boston Catholic Cemetery Association to use for the purpose of burial a parcel of land situated in Wd. 24, bounded as follows:—

North, by Harvard St.; east, by Walk Hill St.; southeast and south, by land of E. W. Holbrook, George E. Smith, and Henry F. Naphen; southwest and west, by land of James M. Pendergast, as shown on plan herewith submitted.

The rule was suspended and the question came on the passage of the order.

Ald. CODMAN—Mr. Chairman, I would like to ask for the assignment of the order to the next meeting. I don't doubt the order is proper and all right, but it hardly seems that we, without some investigation, should allow any land to be taken in any part of the city for burial purposes. I would like to look into the matter, and I ask the assignment of the order for one week.

The CHAIRMAN—The Chair will say that that is an order for the extension of the Catholic Cavalry cemetery out there to adjacent land, land adjoining what they have now. The petition was brought in by the president of the company, and inasmuch as the Board is to adjourn for nearly two weeks, unless the order is passed today, there will be a delay in the extension of the cemetery grounds.

Ald. CODMAN—I understand that, according to the order, there is a plan showing what is proposed. That plan does not seem to accompany the order. If I can have an opportunity to examine the plan, I will very likely be perfectly satisfied.

(The order was read for information of Ald. Brick.)

Ald. BRICK—Mr. Chairman, it scarcely seems to me, with that description, that there is any necessity for assigning the order. The description seems very specific and unless the gentleman has some good objection to offer I think the order should be passed. It seems to me the order is sufficiently indicative of what they propose to do, and I think it should pass today.

Ald. CODMAN—The Chair has stated that that land is adjacent to and adjoining the present cemetery. The order does not say so. According to the order, that land is bounded completely by Harvard St., Walk Hill St., and the other two sides by property owned by private individuals. I am not opposed to cemeteries in Dorchester, and I don't take exception to this in any particular, except that I would like to have the plan which the order says accompanies it, produced, so that I may identify and locate it. I don't recall the exact piece of land referred to. I don't object to anything that is proper, but I should hate to have anybody rush an order through whereby a cemetery was placed opposite my house, without an opportunity being even given to see the plan. It is probably all right, but I desire to examine into it.

The CHAIRMAN—The Chair will say that the plan accompanies the order and is on the Clerk's desk.

(Ald. Codman examined the plan.)

Ald. CODMAN—Mr. Chairman, I would like to have the matter laid over. I cannot find that this is connected with or is very near the present cemetery, and it seems to me it will not delay a good cause in any way to have one meeting's delay before acting on the matter.

Ald. McDONALD—Mr. Chairman, it seems to me the request that has been made by the Alderman from Wd. 24 ought to be granted. The order was handed to me to offer in the Board and I presented it. I handed it to Ald. Codman, as a member of the Cemetery Committee, as he certainly ought to understand something about it. It is in his district. The other aldermen were absent. I think it is a matter that should be carefully considered. For that reason I trust sincerely that the motion will prevail.

The order was assigned to the next meeting.

DREDGING WOOD ISLAND FLATS.

Ald. DAY offered an order—That the Board of Park Commissioners be requested to dredge the Wood Island flats so Wood Island Park will border on deep water at all stages of the tide, and to establish a line of pleasure boats connecting with other water parks.

Passed. Sent down.

SIDEWALK ON CLYDE STREET.

Ald. DAY offered an order—That the Superintendent of Streets made a sidewalk along Clyde St., Wd. 2, in front of the estates on said street; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of brick, with granite edge-stone and report to this Board a schedule of the cost thereof.

Passed.

CROSSING ON WASHINGTON ST., WD. 20.

Ald. McDONALD offered an order—That the Superintendent of Streets be requested to construct a crossing on Washington St., on the easterly side, at Bowdoin St., Wd. 20.

Passed.

GAS LAMPS ON WILLIS ST.

Ald. McDONALD presented a petition of Charlotte A. Powell and others for public lamps on Willis St., and in connection therewith offered an order—that the Superintendent of Lamps be requested to locate and maintain a suitable number of gas lamps on Willis St., Dorchester; the expense of the same to be charged to the appropriation for Lamp Department.

Passed.

POCKET MANUAL FOR ALDERMEN.

Ald. BERWIN offered an order—That the Clerk of Committees be hereby authorized to prepare for the use of the members of the Board of Aldermen a pocket manual containing the Revised Regulations of the Board of Aldermen; the expense thus incurred to be charged to the Contingent Fund of the Board of Aldermen.

Passed.

GOLF LINKS, FRANKLIN PARK.

Ald. BERWIN offered an order—That His Honor the Mayor be requested to instruct the Park Commissioners to place the golf links in Franklin Park in proper condition.

Ald. BERWIN—Mr. Chairman, I appreciate the laughter that emanates from members of the Board in connection with that order. I have never played golf and don't know anything about it, but this matter has been brought to my attention within a few days by a committee of ladies and gentlemen who have occasion to use the links at Franklin Park, and they tell me they are in very bad condition, that if something is not done in a very short time the links will be unfit for use. For that reason, I offer this order.

The order was passed. Sent down.

SIGNS ON HANLEY SQ.

Ald. DOYLE offered an order—That the Superintendent of Streets be hereby requested to place suitable signs on Hanley Sq., junction of Columbus Ave. and Roxbury St., Roxbury.

Passed.

REMOVAL OF TREE.

Ald. DOYLE offered an order—That the

Superintendent of Streets be directed to remove a tree on Washington St., at Montebello Road, Wd. 22; the expense attending the same to be charged to the appropriation for Public Grounds Department.

Passed, under a suspension of the rule.

GAS LAMPS, PHIPPS AVE.

Ald. ADAMS offered an order, That the Superintendent of Lamps be requested to place three additional gas lamps on Phipps Ave., Wd. 20; the expense thereof to be charged to the appropriation for Lamp Department.

Passed.

CURBSTONE AROUND TREMLETT PARK.

Ald. ADAMS offered an order—That the Superintendent of Public Grounds be requested to provide a suitable curbstone around Tremlett Park, Wd. 20, the expense of the same to be charged to the appropriation for Public Grounds Department.

Passed, under a suspension of the rule.

THE NEXT MEETING.

Ald. BERWIN offered an order—That when this Board adjourns, it be to meet on Monday, April 24, 1899, at 3 o'clock P.M., and that all hearings on orders of notice assigned for a prior date be postponed accordingly.

Passed.

OVERCROWDING THEATRES.

Ald. COLBY, for the Committee on Licenses, submitted a report on the communication (referred from the Committee on Public Improvements today), relative to overcrowding theatres—That no action is necessary.

The question came on the acceptance of the report.

Ald. DIXON—Mr. Chairman, I don't know the first thing about that, and I am on the Committee on Licenses. We have had no hearing and know nothing about it. It was supposed to be referred to the Committee on Public Improvements, and by them referred to the Committee on Licenses. The Committee on Licenses has had no meeting, and I know nothing about the matter. I would like some information in regard to it.

Ald. O'TOOLE—Mr. Chairman, it seems to me with the diversity of opinion there is in regard to this matter in the Committee on Licenses, this should be assigned for a week.

The report was declared assigned to the next meeting.

Later in the session, Ald. Colby said:—Mr. Chairman, I would like to move a reconsideration of the vote whereby a report of the Committee on Licenses was laid over to the next meeting. I simply make that motion for the purpose of giving an explanation. In my absence I understand some members of the Committee stated that there had been a meeting of the Committee on Licenses, of which he had no notice.

The vote assigning the report to the next meeting was reconsidered.

Ald. COLBY—Mr. Chairman, the explanation of that is simply this: A meeting of the Committee on Licenses was called for four o'clock today, and immediately upon retiring from this chamber we went into the Committee room and had our meeting. I think Alderman Dixon was not there. My impression is that the other four members of the Committee were there. As far as we could see, this matter was not in a shape for us to act upon, and really no action was called for on the part of the Board. What was complained of was the crowding in the aisles, which would appear to be a matter of

police regulation, to be attended to by the officer there. If there had been any failure on his part to attend to it—which we did not find the case—it would hardly seem proper that the license of the theatre should be revoked because at some time somebody got in the aisle. Another statement that was made in the petition was that sometimes the houses were oversold, in one case a house being oversold to the extent of two hundred. We had before us the figures in the books of the house, showing the proportional part of the house sold, and it appeared that, on the night in question, instead of the house being oversold two hundred, but eight hundred seats were sold out of a capacity of about twelve hundred; the fact being that on the night of which complaint was made they had sold from two hundred to four hundred below the capacity of the house, although it was stated to us that on a previous night, in regard to which no complaint was made, the sale had been over a thousand. But it did not appear to us that the facts as set forth in the letter were such that the Committee should take any cognizance of them.

Ald. DIXON—Mr. Chairman, I accept the explanation of the Chairman of the Committee on Licenses. It satisfies me.

The report was accepted.

GENERAL RECONSIDERATION.

On motion of Ald. Berwin, reconsideration of all votes taken today was refused.

RECESS TAKEN.

On motion of Ald. Brick, the Board voted to take a recess at 3:59 P.M.

The Board reassembled in the Aldermanic Chamber at 5:28 P.M.

ELEVATED STATION ON ATLANTIC AVE.

Ald. DIXON offered an order—That the Boston Elevated Railway Company be hereby requested to establish a station on Atlantic Ave., near Commercial Wharf, in addition to the stations contemplated in their present plans for an elevated railroad.

Passed.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Reports, (on petitions referred today), recommending the passage of orders that the Superintendent of Streets be authorized to issue permits for work, to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto, as follows:—

W. A. and H. A. Root, to stretch, maintain and use two guy ropes over and across Bay State Road, at or near No. 119, Wd. 11, the same to be removed on or before December 31, 1899.

Francis Peabody, Jr., et als., Trustees, to construct, maintain and use areas with granite and sidewalk light covers, and two coal hole openings with iron covers of rough upper surface, under and in the sidewalks in front of estate on Atlantic Ave. and East St., according to dimensions as shown on plan on file in the permit office of the Street Department.

George A. Fuller Company, to erect, maintain and use guy posts with the necessary ropes attached, in and over the following streets, viz:—

- One on Essex St., near South St.
- One on East St., near South St.
- One on Atlantic Ave., between Essex and South Sts.
- One on Atlantic Ave., 50 feet south of East St., Wd. 7, for use in building construction.

A. Shuman, to construct, maintain and use areas with sidewalk light covers under and in the sidewalk in front of estate on Court Sq. and Court St., as shown on plan on file in the Permit Office of the Street Department.

Cullen Bros., to stretch, maintain and use two guy ropes over and across Birch St., near Bragdon St., Wd. 23, during building construction.

Reports accepted, orders severally passed.

(2) Report on the petition of J. J. and P. M. Ahern (referred today) for leave to move a wooden building from 57 Devon St. to Stanwood St., Wd. 20—Recommending the passage of the following:—

Ordered, That the Superintendent of Streets be authorized to issue a permit to J. J. and P. M. Ahern to move a wooden building, flat roof, 18 ft. in length by 12 ft. in width by 10 ft. in height, from 57 Devon St., through Devon and Normandy Sts. to Stanwood St., to lot on said Stanwood St., Wd. 20, on the terms and conditions expressed in the ordinance of the city relating thereto.

Report accepted; order passed.

(3) Report on the petition of I. Mandelstein (referred March 6), for leave to box a tree at 126 Sumner St., East Boston—Recommending that leave be granted.

Report accepted, leave granted on the usual condition.

(4) Report on order as amended in the Common Council (referred today) relating to interest on taxes—Recommending that the Board adhere to its former action.

Report accepted, and the Board non-concurred and adhered to its former action. Sent down.

(5) Reports on petitions (referred today), recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, owners to furnish materials, as follows:—

G. L. Davidson, 42-46 Greenbrier St., Wd. 20, artificial stone.

J. R. Hetherington, 7 Wolcott St., Wd. 20, artificial stone.

Martha F. Winship, 88 Gardner St., Wd. 25, artificial stone.

Annie M. Phillips, 50 Greenbrier St., Wd. 20, artificial stone.

Winifred Cahalan, 549 Park St., Wd. 20, artificial stone with granite edgestone.

W. G. Babcock, Jr., et al., 79-81 Clarkson St., Wd. 20, artificial stone.

A. D. Rogers, 84 Gardner St., Wd. 25, artificial stone.

Emma French et als., 45-47-51-57 Round Hill St., Wd. 22, gravel with granite edgestone.

Margaret A. Curtis, 278 East Cottage St., Wd. 20, brick with granite edgestone.

Daniel H. Sullivan, 180 Hillside St., Wd. 19, brick with granite edgestone.

Edgar F. Billings, 409 Marlboro St., Wd. 11, artificial stone.

Cornelius D. Hurley, 71-73 Savin Hill Ave., Wd. 20, brick with granite edgestone.

I. W. Crozier, cor. Washington and Forest Hills Sts., Wd. 22, gravel with granite edgestone.

Mrs. M. J. Hall, 15-21-27 Edson St., Wd. 24, gravel with granite edgestone.

J. F. Cranston, 734-736 E. Seventh St. and on N St., Wd. 15, brick.

S. M. Shapleigh, 14 Ruthven St., Wd. 21, brick with granite edgestone.

Frank A. Leicht, 73-75 Mercor St., Wd. 15, brick with granite edgestone.

Daniel A. Ritter, 30 Ottawa St., Wd. 21, brick.

Boston Plate and Window Glass Company, 261-257 A St. Wd. 13, brick.

M. D. Kneeland, 29 Wyoming St., Wd. 21, gravel with granite edgestone.

George H. Brown, 30 Algonquin St., Wd. 20, artificial stone.

Martha J. Kearney, School St. (south side), cor. Washington St., Wd. 20, artificial stone with edgestone.

P. J. Donlan, 1523 Tremont St., Wd. 19,

artificial stone with granite edgestone.

Reports accepted, orders severally passed.

(6) Report on order (referred today) granting permission to the N. Y., N. H. & H. R. R. Co. to close portions of Broadway and Albany St. to public travel during the work of changing the grades on said streets, that the same ought to pass.

Report accepted, order passed.

(7) Report on the petition of Daniel J. Murphy (referred Feb. 27) for a periodical stand at the Franklin schoolhouse, near Dover St.—that no action is necessary.

Report accepted.

(8) Report on the regulation (referred March 27) to amend the Revised Regulations of 1898 relative to minors' licenses—recommending the passage of the regulation in the accompanying new draft:

A REGULATION

To amend Chapter 2 of the Revised Regulations of 1898.

Be it ordered, etc.:

Chapter 2 of the Revised Regulations of 1898 is hereby amended in Section 3 by inserting after the word "sell" in the twenty-third line of said section, the following words: "After nine o'clock in the evening nor."

The report was accepted, the rule was suspended, the regulation was read a second time and the question came on its passage.

Ald. ADAMS—Mr. Chairman, I am opposed to the passage of that regulation as now drafted. I believe it is a hardship on the boys. I believe it is a hardship on people who wish to buy papers after nine o'clock in the evening on the cars and the streets, to pass such a regulation at this time. I will admit that it is too bad to see children six, seven and eight years old on the streets after nine o'clock; but I do think that boys twelve and fifteen years of age, who are dependent entirely on their own resources for a living, should be allowed to sell their papers on the streets after nine o'clock, if they see fit to do so. I don't believe they create any nuisance or interfere with or discommode anybody. I have heard no complaints made against them from the public in general, and I think it is rather small business for us to come in here today and pass a regulation which cuts off the means of livelihood of quite a large number of our boys who have to hustle for themselves. I shall certainly oppose this regulation and vote against it, unless it can be amended in some way so as to provide that boys over twelve years of age shall not be prohibited from selling papers on the streets after nine o'clock. I would therefore like to offer the following amendment to the regulation:—

"Provided that this regulation applies only to boys under twelve years of age."

Ald. BERWIN—Mr. Chairman, I move that the whole matter be printed and assigned to the next meeting of the Board.

Ald. ADAMS—Mr. Chairman, I hope the matter will not be assigned to the next meeting of the Board. Early in the afternoon the alderman who has just made this motion moved that when we adjourn, it be to April 24. Now, I understand from the Clerk of Committees that he wishes to have his license blanks printed. The matter has been held up a great deal longer now than it should have been. I think, therefore, it should be settled here tonight, that he may go ahead with his blanks. As several members of the Board are absent at another hearing, I would move that this be laid on the table for ten minutes, or until such time as we can get a full attendance of the Board.

The matter was laid on the table.

Later in the session it was called up by Ald. Adams, and the question came on the adoption of his amendment.

Ald. COLBY—Mr. Chairman, the objection to that would be simply this, that it

would nullify the whole matter, because no officer would dare to take any chances if a boy could, by any stretch of imagination be thought to be twelve years of age or over. It seems to me it would be better, if the rule is right in its fundamental idea—as we believe it is—to let it stand just as originally drawn. The only possible objection I can see to that is that someone might raise the question—I don't know whether it was discussed here or not, or whether any objection was made on that score—that on certain occasions it would be an injustice to insist on that regulation—on election nights, for instance. But this whole matter is in the hands of the police to enforce, as a regulation of the Board, and no one supposes for a moment that they would insist on its observance on such an occasion as that. It seems to me the practical effect of adopting this amendment would be that all the boys would swear they were over twelve years old, and would thus get around it.

Of course, the trouble does come by reason of the small boys. I myself have seen them out on the streets late at night selling papers. But I hope no member of the Board will for a moment imagine that this was done with the idea of preventing any boys from earning a livelihood. The fact is that teachers and others interested in the boys think that nothing would so much conduce to the welfare of the boys as some such regulation as the one proposed.

Ald. ADAMS—Mr. Chairman, I fail to see wherein the gentleman has offered any good reason why the amendment should not prevail. I believe the average policeman can tell from a glance at a boy whether he is twelve years of age or in that neighborhood. Another thing, I believe that when a boy applies for a license to sell papers he is obliged to give his age. It is a matter of record; and I believe it is going to be a hardship, as I said early in the evening, to take boys twelve or fifteen years of age off the streets at nine o'clock. It is not only going to be a hardship on them, but on the reading public who ride in the cars and who want to read after nine o'clock. I believe the matter can be adjusted in the way suggested by my amendment, and under the amendment very young boys at least, boys who should not be on the streets, will be kept off. That is all we care to do. I fail to see any real good reason why this regulation should go through. I have not heard any demand for it from the public. It is all news to me, and I don't believe there is any serious demand for such a regulation as is proposed here this afternoon.

Ald. PRESNO—Mr. Chairman, I think, myself, this is a very good regulation. I know many times when I have been around the theatres I have been hailed by boys saying "Please buy my last paper." I don't believe there is any legitimate sale of papers after nine o'clock. People who want the papers have got them by that time, and I think it would be a good thing to send these young boys off the streets. I have seen a great many of them who are quite young and, as Ald. Colby says, it is very difficult to ascertain their age. A good many times a boy looks young when he is old, and vice versa. It is very difficult to find out the age of boys, and I think, on the whole, it would be a very salutary thing to pass this ordinance.

The amendment was declared rejected. Ald. Adams doubted the vote and asked for the yeas and nays.

The amendment was rejected, yeas 6, nays 6.

Yeas—Ald. Adams, Brick, Codman, Dixon, McDonald, O'Toole—6.

Nays—Ald. Barry, Berwin, Colby, Day, Doyle, Presno—6.

Ald. ADAMS—Mr. Chairman, I move a reconsideration, and assignment to the next meeting of the Board.

The motion to reconsider and assign was declared lost.

Ald. ADAMS—Mr. Chairman, I doubt the vote and ask for the yeas and nays.

Ald. COLBY—Mr. Chairman, my only reason for asking to have the matter decided tonight one way or the other is the fact that the licenses are now in process of being issued, a great many of the boys have not their licenses, and, in justice to the boys, this matter should be disposed of at the present time, if possible, one way or the other. Under the circumstances, I think it should not be held up.

The motion to reconsider and assign was lost—Yeas 6, nays 6.

Yeas—Ald. Adams, Brick, Codman, Dixon, McDonald, O'Toole—6.

Nays—Ald. Barry, Berwin, Colby, Day, Doyle, Presho—6.

The question came on the passage of the regulation.

Ald. BERWIN—Mr. Chairman, I want to say just a word to defend my position in this matter, although what I say may be treated very lightly. On general principles I am opposed to the establishment of regulations of this character, because I believe there are already enough of them in the ordinances and statutes. But I shall vote for the passage of this regulation this afternoon with the distinct understanding—which I don't suppose will influence any other member of the Board—that after it has had a fair test, if I discover that it does not work as it was intended that it should, I shall feel at liberty to vote to rescind it. At the present time my convictions are entirely influenced by sentiment. I have a great deal of sympathy for the poor little fellows who are forced to earn their living on the streets of Boston. They have a pretty hard time, and I recognize the fact that it is a hard thing on them to say they shall not sell papers after nine o'clock at night. But, after the considerations that have been urged upon me and the suggestions that have been made by those who favor the adoption of this resolution, I am going to allow their ideas to prevail with me, and shall vote to allow the matter to be tested. The regulation was passed.

RAILROAD GONG, WELLES AVE.

Ald. ADAMS offered an order—That the New York, New Haven and Hartford Railroad Co., through His Honor the Mayor, be requested to provide an electric signal gong at the Welles Ave. crossing of said corporation, similar to that recently provided at the Freeman St. crossing on same railroad.

Passed.

SIDEWALK ORDER.

Ald. O'TOOLE offered an order—That the Superintendent of Streets make a sidewalk along Ruggles St., between Halleck St. and Parker St., Wd. 19, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of brick, with granite edge-stones, and report to this Board a schedule of the cost thereof.

Passed, under a suspension of the rules.

INTEREST ON TAXES.

Ald. McDONALD offered an order—That the Committee on Finance be requested to consider and report whether it would be advisable to have "interest" money received from unpaid taxes set apart as a special fund.

Ald. McDONALD—Mr. Chairman, in looking over the order No. 10 on the calendar, making provisions in regard to taxes payable on the first day of October and fixing the rate of interest on unpaid taxes, as amended by the Common Council, I have ascertained, in regard to the

12 p.c. tax on bank stock, that that is provided by statute law, that the city of Boston is obliged to charge 12 p.c. interest on bank stock taxes which are not paid. Last year the city of Boston received \$47 from that source; but, from the 7 p.c. and 6 p.c. interest items on unpaid taxes we receive \$79,000. Now, while that money is paid over into the City Treasurer's department, I believe it ought to be set aside for special work, or as a special appropriation, and out of that \$79,000 we could secure for our public celebrations \$25,000, the remainder going a great ways toward paying the back salaries of those who have been reduced in their pay. Not only that, but the money received from interest on taxes in that way would pay the salaries of the Common Councilmen and the Board of Aldermen. It seems to me this is a matter that should be looked carefully into, and for that reason I would move that it be referred to the Finance Committee.

Ald. BRICK—Mr. Chairman, it strikes me that the alderman from Dorchester regards this money which comes from interest as something novel and new. This interest income is something that has been going on for a great many years, and it is just the same as any other part of the tax levy. It is entirely anticipated before it is ever collected. It is anticipated that we will have that amount of interest, or something near it, and therefore it is laid out just the same as any other part of the tax levy. It could not be used in any such way as he suggests.

Ald. McDONALD—While I understand, of course, that the money finds its way into the general appropriation, it seems to me that the citizens of Boston would like to know something in regard to this interest money, and my idea was this, that it should be set aside as a special fund, in order that the citizens of Boston might understand that we have all our public celebrations paid for out of this interest money without actually any cost to them. It is paid by people who refuse to pay their taxes in season, and of course the city of Boston is obliged to impose this interest on them in order to make them pay their taxes in season. This is simply my idea. It is merely a matter of finance, of book-keeping. It seems to me that if this money were set aside as a special fund we would know just exactly every year how much money we have received in interest from delinquent tax payers. It is not going to take any more away from the city, but is just going to change the books a little in the matter of book-keeping, and we will know every year in connection with the appropriation bill how much money we have received in interest from people who have not paid their taxes in time, and that money could be appropriated, as I said, for public celebrations or for other matters that might come before the Board.

The order was referred to the Committee on Finance.

Adjourned at 6:06 o'clock P. M., on motion of Ald. Codman, to meet on Monday, April 24, at 3 o'clock P. M.

NOTE.—On March 20 (see page 233) the following additional joint committees on the part of the Board of Aldermen were appointed by the Chairman:—

Weights and Measures Department—Day, Codman, Doyle, Colby, McDonald.

Wire Department—Codman, Doyle, Berwin, Day, McDonald.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, April 13, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P. M., President Kiley in the chair.

REMONSTRANCE RECEIVED.

A remonstrance was received signed by Charles E. French against replacing the tracks on Tremont and Boylston Sts. Placed on file.

WATER SERVICE, DOR. LOWER MILLS

The following was received:—

Mayor's Office, City Hall,
Boston, April 13, 1899.

To the Common Council:—

I transmit herewith a communication from the Water Commissioner in reply to an order requesting information as to why the high pressure water service has not been extended to the Lower Mills District, Dorchester. Respectfully,

Josiah Quincy, Mayor.

Office of the Water Commissioner,
City Hall, Boston, Apr. 7, 1899.

Hon. Josiah Quincy, Mayor.

Sir: The order of Councilman Hibbard, which you have referred to me, can best be answered by the following copy of a letter sent to the Metropolitan Water Board under date of Feb. 14, 1899:—

Office of the Water Commissioner,
City Hall, Boston, Feb. 14, 1899.

Metropolitan Water Board, Hon. Henry H. Sprague, Chairman, Boston, Mass.

Gentlemen: Some time since, two requests were made upon your honorable body to which no response has been made up to date: (1) In reference to whether you decline to assume the responsibility of laying a new pipe to East Boston under Chelsea Creek. (2) The question of high service for Dorchester and Jamaica Plain. It is necessary that we should receive a reply to these questions at once, so that I can be in a position to tell the people of Dorchester and Jamaica Plain when they are to receive the increased pressure. A similar reason applies for immediate reply on the question of the pipe underneath Chelsea Creek. Kindly let me hear from you at once.

I understand that it is proposed to widen the draw-way at Chelsea north bridge. If this should be done, the Water Department will abandon the siphons across the draw-way and abandon the line of pipe with which the siphons are connected. I advise you at this early date, so as to give you an opportunity to take any action that you may desire. Yours very truly,

(Signed) John R. Murphy,

Water Commissioner.

Last year, I had a conference with the Metropolitan Water Board, and we agreed to leave the details of the question of high pressure for Dorchester and Jamaica Plain to be worked out by the City Engineer and the Engineer of the Metropolitan Water Board. I understand that, as a result of that conference, the Metropolitan Water Board would be ready the first of this year to grant the City of Boston's request for high service supply in these localities. The plans for making the necessary changes in the main water pipe system for supplying Dorchester and Jamaica Plain have been made, but up to today the Metropolitan Water Board has not answered my communication. For that reason I am not in a position to give the information called for by the order.

As far as Jamaica Plain is concerned, the

Boston Water Department is ready to let on the high service supply on short notice, but we cannot do so without the consent of the Metropolitan Water Board.

As regards the high service for Dorchester, the work of re-arranging the water mains cannot be commenced upon until we have some assurance that our request to extend high service to that district will be granted by the Metropolitan Water Board, and the time required for doing this work would be at least several months.

Yours very truly,

John R. Murphy, Water Commissioner.

Office of the Water Commissioner,
City Hall, Boston, Apr. 13, 1899.

Hon. Josiah Quincy, Mayor.

Sir: Under date of April 7th I reported to you on the order of the Common Council, asking in reference to high service water in Dorchester. Since then I have received a communication in reference to this question from the Metropolitan Water Board. After a hearing with them on the question, a final report will be sent in in regard to the supplying of high service water to portions of Jamaica Plain and Dorchester.

Yours very truly,

John R. Murphy, Water Commissioner.

Placed on file.

STREET WATERING.

The following was received:—

Mayor's Office, City Hall,
Boston, April 13, 1899.

To the Common Council:—

I transmit herewith a communication from the Superintendent of Streets in reference to an order now pending before your body, relative to street watering, and urging that some action be taken to relieve the present unsatisfactory state of affairs. Respectfully submitted,

Josiah Quincy, Mayor.

Street Department, City Hall,
Boston, April 13, 1899.

Hon. Josiah Quincy, Mayor.—

Sir: The order in relation to street watering, sent down from the Board of Aldermen, was assigned by the Common Council to the meeting tonight. At the last meeting two amendments were offered, one that a certain portion be assessed on the railroad companies maintaining tracks in any street watered, the other that the assessment be only authorized within the four-mile limit. In regard to the first, I would say that I understand that such an assessment cannot be levied on the railroad companies without action by the Legislature; and should the second amendment become operative, no watering can be done outside the four-mile limit, as no money is provided therefor; and this, I think, should be called to the attention of the Common Council, so that such action as may be taken may be with a full understanding of the conditions.

I also desire to urge that some action be taken to relieve the present dust conditions.

Yours very respectfully,

Benj. W. Wells, Supt. of Streets.

Placed on file.

PAPERS FROM THE BOARD OF ALDERMEN.

1. Ordered, That His Honor the Mayor be requested to instruct the Park Commissioners to place the golf links in Franklin Park in proper condition.

Passed in concurrence.

2. Ordered, That the Board of Park Commissioners be requested to dredge the Wood Island flats so Wood Island Park will border on deep water at all stages of the tide, and to establish a line of pleasure boats connecting with other water parks.

Passed in concurrence.

3. The order concerning the payment of taxes, assessments and interest, passed by this Council, with certain amendments, on March 23, comes down non-concurred in, the Board of Aldermen adhering to its

former action, whereby said order was passed with said amendments.

The council voted to recede from its former action and concur with the Board of Aldermen. Mr. Cuddy moved to reconsider; lost.

Reports of Committee on Claims, leave to withdraw on petitions of the following persons:—

4-12. William P. Fowler et al., for the payment to the Provident Co-operative Bank of Chelsea of the balance remaining from tax sale of estate on Lyons St.

William C. M. Tilton for the payment to the Franklin Savings Bank of the City of Boston the balance remaining from the tax sale of estate on Maple St.

John C. Coleman for payment to said savings bank the balance remaining from tax sale of estate on Maple St.

Charles McKenna for payment to said savings bank the balance remaining from tax sale of estate on Maple St.

D. J. O'Brien for compensation for damage to wagon caused by collision with city team. (City not liable.)

John F. O'Brien to be paid for damage to his sleigh by collision with fire apparatus. (City not liable.)

Thomas W. Powers for compensation for injuries to horse caused by being run into by city team. (City not liable.)

Charles E. Conkling for compensation for injuries to horse from an alleged defect in Columbus Ave. (City not liable.)

George W. Fowle to be paid for damage to his estate 24 Batavia St., caused by the breaking of gas pipe in said street. (Claim settled.)

Reports severally accepted in concurrence.

13-23. Reports of Committee on Claims on petitions of Samuel Brautlee, Annie V. Connell, Walter L. Cherrington, Charlotte C. Park, Charles F. Cass, Charles F. Fernald, Patrick J. Daly, Catherine Emerson, Henry R. Jenkins, Micheal Hurley, Anna M. Sallaway, Joseph H. Davis, Henry H. Salaman, Delia A. Good, Bertha Rosenfield and Catherine A. MacDonald, recommending the passage of orders on said petitions respectively, authorizing the payment to the following parties of the sums set against their names, being the amounts held by the city under chapter 390, section 40, of the Acts of 1883, from the sales of the estates referred to, viz:—

John S. Biggio, \$1.32, Chelsea Ave., for unpaid taxes of 1894, by deed recorded with Suffolk Deeds, lib. 2313, fol. 65.

Dennis B. Connell, \$111.97, Temple St., West Roxbury, for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 609.

The Franklin Savings Bank of the City of Boston, \$160.32, Maple St., for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 92.

Albert C. Dean, \$225.66, Mount Vernon St., Dorchester, for unpaid taxes of 1893, by deed recorded with Suffolk Deeds, lib. 2501, fol. 84.

Charles F. Cass, \$73.95, Kilton St., lot 49, for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 84.

Charles F. Fernald, \$68.22, corner North Harvard and Bayard Sts., for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 583.

Wilfred Bolster, \$1,964.10, ten estates on Westville St., lots 5, 6, 7, 8, 10, 11, 12, 13, 14 and 15, for unpaid taxes of 1897, by deeds redeemed before record.

Catherine Emerson \$102.66, rear of Vose St., for unpaid taxes of 1895, by deed recorded with Suffolk Deeds, lib. 2408, fol. 97.

Henry R. Jenkins, \$97.58, Riverdale St., for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 603.

Eliab Ramsdell, \$41.70, court off Neponset Ave., for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2409, fol. 353.

George H. Sallaway, \$134.70, No. 374 Chelsea St., for unpaid taxes of 1897, by deed recorded with Suffolk Deeds, lib. 2582, fol. 22.

Joseph H. Davis, \$232.05, Richards St., for unpaid taxes of 1897, by deed recorded with Suffolk Deeds, lib. 2583, fol. 123.

Charles F. Berry, \$157, corner Centre and Stimson Sts., for unpaid taxes of 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 97.

Charles T. Gallagher, \$293.25, No. 99 Calumet St., for unpaid taxes of 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 220.

Willard T. Perrin, \$157.22, Mountain Ave., for unpaid taxes of 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 566.

Albert K. Teele, \$140.85, Granville St., for unpaid taxes of 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 74.

Reports severally accepted; orders passed in concurrence.

Mr. Chamberlain of Wd. 12 moved to reconsider; lost.

29. Report of Committee on Claims, on petition of John B. Martin et al., executors, recommending the passage of the following order:—

Ordered, That the City Treasurer be authorized to repay to John B. Martin and Michael J. Moiney, executors of the estate of Patrick Raftery, the sum of three hundred and sixty-eight dollars and twenty-two cents (\$368.22), being the balance returnable from the amount paid by said Raftery for a first and a fourth class liquor license, which expired upon his death, January 24, 1899.

Report accepted; order passed in concurrence.

The Council voted, on motion of Mr. Watson of Wd. 18, to consider Nos. 30 and 31 together, and that the same be read by their titles, viz:—

30. Report of Committee on Building Department on petition of Frederick Ayer, recommending the passage of an order for the issue of a permit of said Ayer to build a wooden building on Grosvenor Place, Wd. 21, in excess of range allowed, etc., to be used for stable and storage purposes.

31. Report of same committee, on petition of H. W. Coltman, recommending the passage of an order for the issue of a permit to said Coltman to build a wooden addition to building on 84 Marginal St. and Haynes St., Wd. 2, in excess of size allowed, etc., to be occupied for manufacturing purposes.

Reports severally accepted; orders passed in concurrence. Mr. Chamberlain of Wd. 12 moved to reconsider action on Nos. 29, 30, and 31; lost.

32. Report of same committee, on petition of Collas, Whitman & Co., Limited, recommending the passage of an order for the issue of a permit to said Collas, Whitman & Co., Limited, to build a wooden addition to building on wharf, rear of 329 Marginal St., Wd. 2, in excess of size allowed, etc., to be occupied for fish curing.

(Mr. Watson of Wd. 18 dissenting.)

The question came on accepting the report of the Committee.

MR. WATSON of Wd. 18—Mr. Chairman, in view of the fact that the Committee's report is not unanimous, and in view of the fact that I am a dissenter, I suppose it is due to the Council that I make some explanation of my reason for dissenting. Collas, Whitman and Company came to the Building Commissioner for the purpose of making an addition to a building they had already erected in East Boston. The Building Commissioner, because of the fact that the floor area would be over 2500 feet, was unable to grant the permit. Therefore he referred the matter to the City Council. But, while the City Council had the matter before them, the Building Commissioner granted the permit subject to the approval of the Building Committee. My reason for dissenting is simply on principle, Mr. President and fellow members, because it is a question of co-

ercion, nothing more nor less. The building is there, built without right, and we are merely legalizing the illegal act of the Building Commissioner. He had no power to grant the right to build the party wall. The committee legalized his illegal action, and I am opposed to it. I think it is wrong in principle, and I make this explanation in view of the fact that I am recorded as a dissenter.

Mr. HICKEY of Wd. 2—Mr. President, it is not my purpose to reply to the gentleman from Wd. 18 (Mr. Watson), but simply to add to what he has said. I simply wish to say that if this building permit had not been granted by the Building Commissioner, many men in East Boston would not have been able to secure work on the premises who have been working since the permit was granted. The Building Commissioner in this case simply used ordinary discretion. The delay in the appointment of joint committees of the City Council justified him, I believe, in the action he took. There being no committees appointed, the Building Commissioner gave these parties the privilege of going ahead, telling them distinctly that when the Committee was appointed, if the Committee decided contrary to that permit the parties would have to follow out the instructions of the Building Committee. I simply wish to call to the attention of the gentleman the fact that a great many men have been working on the premises since the granting of the permit by the Building Commissioner who would not have been working there if the Building Commissioner had not exercised the discretion he did in the matter.

Mr. WATSON—Mr. President, there is no reason why there should be any debate over this matter. I merely wish to give the reason why I dissent. I don't care whether the Council accepts the Committee's report or not, but will merely answer the gentleman from Wd. 2 (Mr. Hickey) by telling him that no one is working in this new building, that the building is only partially erected, and the petitioners never showed the City Council respect enough to discontinue the work until they had a right to do it. He spoke of permission being given subject to the approval of the Committee. What member of the Committee would call on those parties to tear down a building upon which they had gone to an expense of \$3000 or \$4000? I certainly would not. I merely say that I dissent from the Committee's report. I don't care whether the permit is granted or not. That is my position in the matter.

Mr. HICKEY—Mr. President, I just want to correct one error made by the gentleman from Wd. 18 (Mr. Watson) in his last remarks, to the effect that men are not working there. I visited the place this afternoon, when I understood that some kind of a contest was to be made on the order tonight, and I saw men working there. Although the building has not been totally erected, although the roof is not on, the fact is that it has been and is being used for the purpose of fish curing.

Mr. WATSON—Mr. President, I desire to say that if that is so, it took place since last Saturday. There was nothing whatever being done in the concern last Saturday, when I visited it. I do not desire to raise any controversy in this matter. I simply tell the Council why I dissent. I dissent on principle, and when the vote is taken I will vote "no." I don't care whether the report is accepted or not.

The report was declared not accepted. Mr. Hickey doubted the vote and asked for a verification by a rising vote.

The Council stood divided, and the report was accepted, 33 members voting in the affirmative, 5 in the negative.

The order was read a second time and passed in concurrence.

33. Message of the Mayor transmitting the following order passed by the Board of

Estimate and Apportionment, March 31, which comes down without alteration, viz.:
Ordered, That the School Committee be authorized to expend, in providing additional primary and grammar school accommodations, the following amounts, and the said amounts are hereby appropriated for the purposes specified; and that to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to the amount of four hundred and seventy-five thousand (\$475,000) dollars, viz.:

| | |
|--|-----------|
| Grammar School-house, East Boston (14-room building)..... | \$95,000 |
| Primary School-house site, Warren District, Charlestown, additional..... | 10,000 |
| Primary School-house, Roxbury (6-room building)..... | 40,000 |
| Grammar School-house, South Boston (14-room building)..... | 100,000 |
| Primary School-house, Brighton (12-room building)..... | 70,000 |
| Grammar School-house, Dorchester (14-room building)..... | 100,000 |
| Primary School-house, Ward 20 site..... | 5,000 |
| Completing and furnishing school buildings now in course of construction, exclusive of high schools..... | 55,000 |
| Total..... | \$475,000 |

The message was placed on file and the order was passed in concurrence with the Board of Estimate and Apportionment. Mr. Cuddy of Wd. 8 moved to reconsider; lost.

(34) Message of the Mayor recommending the passage of the following amendment to the ordinances:—

An Ordinance to amend chapter 33 of the Revised Ordinances of 1893.
Be it ordained by the City Council of Boston, as follows:—

Section 1, Chapter thirty-eight of the Revised Ordinances of 1893 is hereby amended in section eight by adding at the end thereof the following:—

"The amount to be paid for each such permit for other than city work shall be as follows:—

Class A, one dollar each for ordinary excavations, laying drains, laying wires, conduits and railroad tracks; occupying streets for erecting and repairing buildings, when they do not become a part of another permit; placing electric poles in the streets; placing coal-holes and vaults under the sidewalks; moving buildings; feeding horses; selling fruit, etc., from buildings; selling fruit, etc., from areas; occupying sidewalks for more than ten minutes for the purpose of loading and unloading goods (yearly permit); driving cattle; wearing advertising coat and hat (yearly permit); making emergency openings, and for any other purpose except those in Class B.

"Class B, twenty-five cents each for raising and lowering goods into and from buildings; erecting signs, erecting and repairing awnings; projecting electric lamps; distributing fine sand on pavements; occupying sidewalk to repair sidewalk lights and covers; occupying sidewalk and portion of street for cleaning snow from roofs of buildings (yearly permit); watering streets with watering carts. For extension of any permit twenty-five cents must be paid."

The reading was dispensed with on motion of Mr. Linchan of Wd. 13, and the whole matter was referred to the Committee on Ordinances.

RELOCATION OF TRACKS.

The Council proceeded to take up No. 35, unfinished business, viz.:

35. Resolved, That in the opinion of the Common Council the senate of this Commonwealth should take favorable action upon the bill concerning the restoration of the railway tracks on Tremont St. as the same is demanded by a large majority of our citizens, especially those who constitute the

working classes; the action of the House of Representatives in regard to this matter is worthy of the highest commendation, and the Senate may rest assured that the people of Boston will greatly appreciate its concurrence with the House in voting in favor of the restoration of the tracks.

Ordered, That the Senate be furnished with a copy of this resolve by the Clerk of the Common Council.

The following was offered as a substitute for the foregoing, on April 6, by Mr. Stevens:—

Resolved, That in the opinion of the Common Council of the city of Boston no action should be taken by the Legislature of this year looking to the restoration of street railway tracks upon Boylston and Tremont Sts.; but that the matter should be postponed until the elevated railway is in operation, and the people are given an opportunity of judging whether the complete rapid transit system voted for by them in 1894 is a satisfactory solution of the transportation difficulties of the city or not; and that no law should be passed at any time permitting the Boston Elevated Railway Company to operate cars upon the portions of Boylston and Tremont Sts. from which the tracks have been removed without making good to the city the loss in the revenues of the subway which might be caused by running cars upon the surface of these streets instead of in the subway; and that no law should be passed interfering in any manner with the rapid transit plans deliberately adopted by the people of this city at the special election of 1894, unless such law is first submitted as the Act of 1894 was, to popular approval.

Ordered, That the Clerk of the Common Council be instructed to transmit copies of this resolve to both branches of the Legislature and to the Governor of the Commonwealth.

The question came on the adoption of the substitute.

Mr. CUDDY of Wd. 8 moved that the whole matter be laid on the table.

Mr. WATSON of Wd. 13—Mr. President, I would like to ask the gentleman for what purpose he makes that motion.

Mr. CUDDY—Mr. President, in view of the fact that the Council seems to be divided in their opinion on this question, and because I do not think that it would have the desired effect upon the Legislature, I think it wise to lay the whole matter on the table.

Mr. WATSON—Mr. President, I would like to ask the gentleman from Wd. 8, through you, if this means laying the matter on the table temporarily or indefinitely? I am a little mite deaf tonight, Mr. President.

Mr. CUDDY—Mr. President, I would say temporarily; and when the Council saw fit to bring the matter up, if they felt that this body should go on record as being unanimous in one way or the other, I should be in favor of bringing it up.

The motion to lay the whole matter on the table was carried. Mr. Cuddy moved to reconsider; lost.

WATERING OF STREETS.

The Council proceeded to take up No. 36, assignment, viz:—

36. Ordered, That all streets and portions of streets within the city limits be watered during the current year wholly at the expense of the abutters; and that any street railway company operating its cars in the city of Boston be assessed an equal amount with the abutters on the streets watered by the City of Boston.

On April 6, Amendments were offered as follows:—

By Mr. Hibbard, strike out "city limits" and insert in place thereof "radius of four miles of the City Hall."

By Mr. Collins, strike out "wholly."
Mr. COLLINS of Wd. 13—Mr. President,

in view of the very pressing necessity for street watering at the present time, and owing to the difficulty in deciding upon the legality of the amendment which I have offered, I respectfully wish to withdraw my amendment at this time, so that the original order may go upon its passage tonight.

The PRESIDENT—The Chair desires to state that, in order to withdraw the amendment submitted by the gentleman from Wd. 13, reconsideration will first have to be had.

Mr. COLLINS—Mr. President, I withdraw my amendment to strike out the word "wholly," and I move a reconsideration of the vote whereby we adopted my other amendment, which was to add to the order the words "and that any street railway company operating its cars in the city of Boston be assessed an equal amount with the abutters on the streets watered by the city of Boston."

The motion to reconsider the vote whereby the said amendment was adopted, was carried, and it was withdrawn.

Mr. HIBBARD—Mr. President, in offering the amendment to this order which I did at the last meeting, I wish to say that I did so in view of the fact that in the suburban districts, in Dorchester, West Roxbury, part of Roxbury, Brighton, and a part of East Boston, there are large tracts of land which it would be an injustice to tax for street watering, when there would be no watering done along those streets. I understand, however, from the Superintendent of Streets that if this order goes through those tracts of land will not be assessed, but will be subject to an abatement, if a petition is made to that effect. I therefore wish to withdraw my amendment.

No objection, the amendment was considered withdrawn.

Mr. LYDON of Wd. 13—Mr. President, I would like to ask that the order be read as it now stands.

The Clerk read the order as it stood, as follows:—

"Ordered, That all streets and portions of streets in the city limits be watered during the current year wholly at the expense of the abutters."

The order was read a second time and was passed in concurrence. Mr. O'Brien of Wd. 6 moved to reconsider; lost.

RULES OF COMMON COUNCIL.

Mr. BORDMAN of Wd. 10, for the committee, submitted the following:—

The special committee of the Common Council on Rules and Orders, to whom were recommitted their report and the draft of the rules submitted therewith, having further considered the subject, respectfully recommend the adoption of the rules in the accompanying new draft.

RULES AND ORDERS OF THE COMMON COUNCIL.

Rule 1. Unless otherwise ordered from time to time, the regular meeting of the Common Council shall be held on every Thursday, at 7:45 o'clock P.M., and on the appearance of a quorum the Council shall be called to order. In the absence of the President the oldest senior member present shall take the chair, and a president pro tempore shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the Council, the time of said roll-call to be at the discretion of the president, but not later than nine o'clock.

President.

Rule 2. The President shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the Council at the meeting following such action, if not made

during a session. All vacancies upon committees shall be filled in the manner of original appointment, and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the President.

Rule 3. The President may at any time call another member to the chair, but such substitution shall not continue beyond an adjournment. In all cases the President may vote.

Rule 4. The President may make any rules that he deems proper to preserve order in the council chamber during sessions of the Council; and in case any member or members, other than the one recognized by the Chair, insist on occupying the floor for any purpose, except to rise to a point of order, he shall, upon request of the President, take his seat, and upon refusal to comply with such request, the President shall direct the City Messenger to cause said member or members to be removed from the Council Chamber, such removal to remain in effect during the remainder of the session, unless otherwise ordered by the President. He shall also forbid smoking in the Council Chamber during a session.

Clerk.

Rule 5. The Clerk shall keep a record of the acts, votes, and proceedings of the Common Council, and a separate record of all decisions of the Chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the City Council; and shall prepare a schedule of business in order for each meeting, in such manner as the President may direct.

He shall draw up and send all messages to the Board of Aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he shall keep the papers pertaining thereto until the right of reconsideration has expired.

Conduct of Members.

Rule 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the Council so votes. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

Rule 7. No member speaking shall be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place without leave of the President.

Quorum.

Rule 8. Whenever a member raises a doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present or not. For this purpose he may at his discretion, or on motion sustained by one-fifth of the members present, order the roll to be called. If there is no quorum present, he shall declare the council adjourned.

Committees.

Rule 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

Rule 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them.

Rule 11. All committees of this council shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice

than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messengers, unless all the members consent; and the clerk shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to members serving on joint committees.

The absence of a member from three successive, duly called, meetings of any committee except on account of sickness or absence from the city, proved to the satisfaction of the President, shall be deemed a resignation on the part of such member from such committee, and the vacancy caused by the resignation shall be filled by the President at the next meeting of the council.

The clerk of committee shall report at each meeting of the council all resignations effected by the preceding clause.

Rule 12. Special committees of the council shall consist of three members, unless otherwise ordered.

Rule 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed and shall then take its place among the unfinished business for consideration at the meeting.

Committee of the Whole.

Rule 14. When the council shall determine to go into a committee of the whole, the President shall appoint the member who shall take the chair.

Rule 15. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

Order of Business.

Rule 16. At every meeting of the council the order of business shall be as follows:—

First. Reading of the records of the preceding meeting, if called for by a majority of the members present.

Second. Messages from his honor the mayor, reports of city officers, and other communications addressed to the council.

Third. Papers from the board of aldermen.

Fourth. Reports of committee on finance. Fifth. Reports of committees, which shall be called for by divisions in numerical order.

Sixth. Motions, orders and resolutions. Orders and resolutions shall be read once and, upon motion, referred to their appropriate committees or assigned to the next meeting. If no objection is made, or the rules are suspended, orders and resolutions may, at the time they are offered, be given a second reading and passed.

Seventh. Unfinished business of preceding meetings.

Eighth. Notices of motions for reconsideration. (See Rule 35.)

Ninth. Motions, orders and resolutions which shall take the same course as provided in the sixth section of this rule; provided, however, that not more than thirty minutes shall be allowed for the presentation of papers under the sixth order of business. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has called.

Rule 17. All papers addressed to the council shall be presented by the President, or by a member; and, unless the council shall otherwise determine, they shall be read by the President, or such other person as he may request, and be taken up in the order in which they have been presented.

Rule 18. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first, the document may be read by its title only.

Rule 19. No ordinance, and no order or resolution imposing penalties, or authorizing the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

Motions.

Rule 20. Every motion shall be reduced to writing, if the President shall so direct and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

Rule 21. In naming sums and fixing times, the largest sum and longest time shall first be put to the question.

Rule 22. When a question is under debate, the president shall receive any of the following motions, but no others:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To assign to a time certain.
6. To amend.
7. To refer to a committee.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, amend, refer, or to close debate at a specified time, may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others, inferior to it in precedence, shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

Rule 23. When a matter has been assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member and take precedence of all other business.

Rule 24. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the City Council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:—

- A standing committee of the Council.
- A special committee of the Council.
- A joint standing committee.
- A joint special committee.

Rule 25. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

Rule 26. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table, or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

Rule 27. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

Previous Question.

Rule 28. The previous question shall be put in the following form: "Shall the main question be now put?" and all debate upon the main question shall be suspended until the previous question has been decided.

Rule 29. When the previous question is ordered, the vote shall be taken upon all pending amendments, and finally upon the main question.

Rule 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once without leave of the Council.

Appeal.

Rule 31. No appeal from the decision of the President shall be entertained unless it is seconded; and no motion but to adjourn shall be in order till the question on the appeal has been decided. The question shall be put as follows: "Shall the decision of the chair stand as the judgment of the Council?" and it shall be deemed to be decided in the affirmative unless a majority of the votes given are to the contrary.

Voting.

Rule 32. If the President is unable to decide, or if any member doubts a vote, the President shall cause a rising vote to be taken on the question without further debate. The President shall appoint two clerks for each division of the Council, as fixed by him, who shall agree on a count, and report the result aloud to him.

Rule 33. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name unless excused before the vote is taken.

Rule 34. After the announcement of a vote not taken by yeas and nays, any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted, and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

Reconsideration.

Rule 35. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member, who is not shown by a yeas and nays vote to have voted against the prevailing side, shall give notice to the clerk, before ten o'clock A.M. of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

Rule 36. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

Rule 37. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:—

- To adjourn.
- The previous question.
- To lay on the table.
- To take from the table.
- To close debate at a specified time.

Rescinding Votes.

Rule 38. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

Elections.

Rule 39. All officers receiving any compensation from the city of Boston, who are elected by the city council, shall, unless otherwise ordered, be chosen in this branch by ballot. In all elections by ballot the number of blanks cast shall be reported. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. If the person chosen is ineligible, the ballot shall be void and a new ballot be taken.

Seats of Members.

Rule 40. No person except a member of the council shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the President.

Spectators.

Rule 41. The City Messenger shall allow no person upon the floor of the Council Chamber, or in either of the ante-rooms, except members of the City Government, heads of departments and reporters, without the permission of the President; and, while the Council is in session, no person, except members of the City Government, heads of departments and reporters, shall be allowed in either of the ante-rooms on the easterly side. The President shall order such accommodations on the floor for reporters and spectators as he shall deem proper; provided, however, that no spectators shall be seated behind the members of the Council.

Rule 42. The Council Chamber shall be used for meetings of the Council only, unless by special vote of the Common Council; provided, that during the summer recess the President may allow the chamber to be used for public purposes, in all cases reporting his action to the Council at its next meeting. The ante-room and large committee-room on the east shall be subject to the same rules, except that the President may allow committee meetings to be held therein at times when the Council is not in session. The Clerk's room shall be assigned to the Clerk of the Common Council for occupancy and use. The ante-room between the Council Chamber and the Clerk's room shall be used during the meetings of the Council to give access to the seats on the floor, and for such other purposes as the President may direct; provided, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the City Messenger, subject to the direction of the President; but no expenditure of money shall be made except by direct vote of the Common Council.

Parliamentary Practice.

Rule 43. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this Council in all cases to which they are applicable, and in which they are not inconsistent with these rules or the joint rules of the City Council.

Repeal.

Rule 44. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the Common Council present and voting thereon.

On motion of Mr. Bordman, the reading of the report and the rules was dispensed

with, and the question came on the acceptance of the report.

Mr. HICKEY of Wd. 2—Mr. President, I would like to ask whether or not the report offered tonight by the Committee is city document 81?

The PRESIDENT—The Chair desires to state that it is.

The report was accepted, and the rules were adopted. Mr. Bordman moved to reconsider; lost.

IMPROVEMENT OF BROMLEY PARK.

Mr. LOREY of Wd. 22 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to remove the fence from Bromley Park, Wd. 22, and to cause seats to be placed in said park.

Referred to His Honor the Mayor.

IMPROVEMENT OF TRANSFER STATION.

Mr. LOGAN of Wd. 14 offered an order—That the Boston Elevated Railway Company be requested to provide another "starter" at the transfer station near the corner of Broadway and Dorchester St., South Boston, because of the dangers which attend the crossings of the tracks by the passengers of the road who change cars at this transfer station.

Passed. Sent up.

ELECTRIC LIGHT, WARD. 14.

Mr. LOGAN of Wd. 14 offered an order—That the Superintendent of Lamps be requested to change the location of the electric light now situated at the corner of M and Second Sts., Wd. 14, to the opposite corner, thus placing it in front of 29 M St.

Referred to His Honor the Mayor.

PAVING OF FIRST STREET.

Mr. LOGAN of Wd. 14 offered an order—That the Board of Estimate and Apportionment be requested to report in the next loan bill a sum sufficient to pave First St., Wd. 14, from L St. to P St.

Referred to the Board of Estimate and Apportionment.

NEXT MEETING.

Mr. LOGAN of Wd. 14 offered an order—That when this Council adjourns it be to meet on Thursday, April 27, 1899, at 7:45 o'clock P. M.

Passed. Mr. Logan moved to reconsider; lost.

EXPENDITURES OF BATH COMMISSION.

Mr. CHAMBERLAIN of Wd. 12 offered an order—That the Bath Trustees, through His Honor the Mayor, explain to the Common Council the fact of how it was reasonably possible for them to have already spent \$17,988.75 for the financial year 1899-1900, when but one bath in the city has been open to the public, and also the total expenditure of the loan for "Summer Baths," permanent improvements, passed by the Board of Estimate and Apportionment February 27, 1899.

Referred to His Honor the Mayor.

ABOLITION OF BATH COMMISSION.

Mr. CHAMBERLAIN of Wd. 12 offered the following:—City of Boston, in the year One Thousand Eight Hundred and Ninety-Nine. An Ordinance relative to Public Baths and Gymnasias.

Be it ordained by the City Council of Boston as follows:—

Section I. The Health Department shall have the care and custody of all bath-

houses, whether for all-the-year-round use or floating bathhouses in salt water for summer use, bathing beaches, swimming pools and gymnasia, now or hereafter provided by the city, shall have the care and custody of all urinals or public convenience stations, now or hereafter established by the city.

Section 2. Chapter 7 of the Revised Ordinances of 1898 is hereby repealed.

Assigned to the next meeting on motion of Mr. Chamberlain.

INFORMATION REGARDING WORK.

Mr. CHAMBERLAIN of Wd. 12 offered an order, That the Corporation Counsel be requested to give to the Common Council his opinion as to whether the spirit of section 4, chapter 413 of the Acts of 1890, is not being transgressed by the Mayor in ordering the Repair Division of the Public Buildings Department to do construction and repair work without advertising for bids when the amount exceeds two thousand dollars, and whether such work is not illegally done unless in every case where the amount of work and labor comes to more than two thousand dollars the Mayor gives written authority that advertising shall not be necessary in that particular case; and finally, whether when bids are invited it is legal for the Repair Division to bid.

Passed. Mr. Chamberlain moved to reconsider; lost.

MUNICIPAL GAS AND ELECTRICITY.

Mr. WATSON of Wd. 18 offered an order—That a special joint committee be appointed to be composed of eight members of the Common Council and such as the Board of Aldermen may join, to investigate and report as to the advisability of petitioning the present general court for the right to allow the city to manufacture and sell gas and electricity.

Passed. Mr. Watson moved to reconsider; lost. Sent up.

LAMPS, LORETTE ST.

Mr. BRAUER of Wd. 23 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to place four lamps on Lorette St., Wd. 23.

Referred to His Honor the Mayor.

FENCE—EVERGREEN CEMETERY.

Mr. GIBBONS of Wd. 5 offered an order—That the Cemetery Trustees, through His Honor the Mayor, be requested to furnish the Common Council a list of the bidders and contracts awarded, if any, for the construction of the fence at Evergreen Cemetery, and a statement of the material to be used in said construction.

Referred to His Honor the Mayor.

CARS TO ATLANTIC AVE.

Mr. GIBBONS of Wd. 5 offered an order—That His Honor the Mayor be requested to petition the Boston Elevated Railway Company to run a line of cars from Charlestown through Atlantic Ave., or to furnish free transfers to enable residents of Charlestown to reach said avenue with the same facility as do those of other sections of the city desiring to make use of the ferries or harbor boats during the summer season.

Referred to His Honor the Mayor.

CATCH BASINS, WD. 19.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to place catch basins at the easterly corner of Lawn and Heath Sts., and at the southwesterly corner of Fisher Ave. and Parker St., Wd. 19.

Referred to His Honor the Mayor.

CURBSTONE, HEATH SQ.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to remove the curbstone standing in the open space formed by Heath, New Heath and Old Heath Sts., Wd. 19, known as Heath Sq.

Referred to His Honor the Mayor.

ELECTRIC LIGHTS, WD. 19.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate electric lights at the north-eastern corner of Lawn St., near Buckman St., at the corner of Heath and Walden Sts., and at the corner of Heath St. and Bickford Ave., Wd. 19.

Referred to His Honor the Mayor.

GUTTER, LAWN ST.

Mr. McINERNEY of Wd. 19 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to have a gutter put on the western side of Lawn St., from Buckman St. to Heath St.

Referred to His Honor the Mayor.

THANKS TO THE FIREMEN.

Mr. O'BRIEN of Wd. 6 offered the following:—

Resolved, That the Common Council of Boston hereby expresses its commendation of the efficiency displayed by the members of the Fire Department on the occasion of the fire in the Boston Museum on this date, and especially wishes to testify its appreciation of the member of the fire patrol who discovered the conflagration.

Ordered, That the Clerk of the Common Council be directed to forward a copy of this resolve to the Fire Commissioner.

Passed.

ASST. SUPT., RAINSFORD ISLAND.

Mr. LINEHAN of Wd. 13 offered an order—That the Trustees for Children, through His Honor the Mayor, be requested to inform the Common Council what justification they had for appointing on April 5, 1899, John C. Davis of Vermont as Assistant Superintendent at Rainsford Island, after the passage of the ordinance requiring male employees of the city to be citizens and legal voters of Boston.

Passed.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to say just a few words on that order. On April 3rd we passed an ordinance here, and it was passed in the Board of Aldermen, and that ordinance became operative, became a law. I would like to ask the Trustees of the Children if they think themselves better than any other citizens, whether they believe that they have a right to break the laws any more than other people? They have made it their business to throw down the gauntlet to the Common Council, and I think we ought to have manhood enough to pick it up and to show them that we have sufficient courage to back up our orders and ordinances. On April 5th there was a man imported here from Vermont, a farmer, who never had one day's experience in an institution. He was sent down to Rainsford Island, at a salary of \$40 a month, as Assistant Superintendent, Assistant Superintendent! Think of it—see how it appears on the face of it! Behind it, he is a watchman. But he is appointed as Assistant Superintendent so that he can get in outside of the Civil Service as a watchman down on the island. Now, I would like to ask the Trustees what they think the people of Boston are? Is that the attitude this is going to be adopted by this board of humbug humanitarians, this board of professional philanthropists, this board of theorists, who are practising at the expense of the city of Boston, this

board of religious bigots, whose every vote and act is on a religious basis—this board which has always been casting slurs on the Irish people? That board cannot point to one act of an Irishman based on religious bigotry. Go away back in history and see what the Irish patriots have been—the greater number have differed from Catholics in their belief. Take Emmet, Grattan and others. Remember the words of Thomas Moore, the patriotic Irish poet, when he said:—

“Pass around the wine-cup, leave points of belief,
To simpleton sages and reasoning fools.”

He was right. That was one hundred years ago. But today, in Boston, civilized Boston, we find a board which takes its stand on religious bigotry. It is a disgrace to Boston, a disgrace to the State of Massachusetts. I sincerely hope the order will pass and that the Council will go upon record as being able to stand up for what it is able to pass.

Mr. WATSON of Wd. 18—Mr. President, I desire to enter my solemn protest, as a member of this Council, against the appointment of a non-resident, a non-voter of Boston, to any position within the city's gift. I will not make any argument, Mr. President and fellow members, along religious lines, although I am satisfied that a great deal that has been said by the previous speaker is true. The state of affairs he has referred to exists in every unpaid Board of Boston. I agree with him as to humbug, as to bluff philanthropy. I agree with him in all he has said along those lines. I know, as a matter of fact, that the civil service law was gotten around by this commission appointing as assistant Superintendent a man who is really a watchman. That is a fact. Now, I want to say a few words, although my voice is in very bad condition, in reference to unpaid boards. I believe they are ruining the city of Boston. They are not doing the work for which they were created; they are not carrying out the intention of the legislature in creating them. Mrs. Lincoln, one of the trustees of pauper institutions, went to the legislature and made her plea along the line of classification, separating the worthy poor from the unworthy poor by putting them on different parts of Long Island. Has she carried that out? No, she has not. Today, corrupt, crooked people are lying side by side with the worthy poor at Long Island and she knows it. She has never made an effort to classify the poor unfortunates of Long Island.

I think if we had the power—whicb we have not—we ought to abolish all these unpaid boards, people who have no earthly reason for existence, bluffs, who go to the legislature, as Dr. Sedgwick did. You know what he said there—“Yes, I appointed a woman as a book-keeper at Long Island. No political pull got her there—not at all; in fact, I got her from a mercantile agency.” And I find that that poor girl—and the chances are that she never resided in Boston—paid thirty dollars for that job, that position, to the Mercantile Reference and Bond association. Is that proper, is that good work? Are there men in Boston who are to be allowed to do that kind of work? I say the whole lot of these boards ought to be wiped out of existence. They are a gang of bluffs.

Mr. MULCAHY of Wd. 14—Mr. President, I desire to have the order read.

The order was read for information.

Mr. LYDON of Wd. 13—Mr. President, it seems to me that this is going about the matter in rather a mild way. If we have passed an ordinance whereby no head of a department can hire a non-resident, I would suggest that the gentleman withdraw his order and have a committee appointed to investigate whether or not the ordinance has been violated. If it has, there is a chance for prosecution. It seems

to me we are acting very mildly, to say the least, after passing an ordinance by unanimous vote prohibiting the employment of non-residents, over the Mayor's veto, to then come in, after the ordinance has been violated, after a non-resident has been employed, and simply pass an order of this kind. I say that the gentleman should present an order of investigation, looking to strong action.

Mr. WATSON—Mr. President, I think the suggestion of the member from Wd. 13 is good. I think a committee of three, with as many more as the Board of Aldermen may decide to have, should be appointed with full power, if possible, to enforce the ordinance, with power to give a mandamus restraining the City Treasurer from paying this man. I trust that that suggestion will be acted upon.

The order was read a second time and passed.

SALARIES OF BRIDGE TENDERS.

Mr. LINEHAN of Wd. 13 offered an order—That His Honor the Mayor be requested to cause the salaries of the draw-tenders of the several bridges belonging to the City of Boston to be restored to the rates allowed previous to the seven and one-half per cent. reduction.

Referred to His Honor the Mayor.

PERMIT TO HOLD CAMPFIRE.

Mr. HIBBARD of Wd. 24 offered an order—That the Park Commissioners, through His Honor the Mayor, be requested to grant permit to Benj. Stone, Jr., Post 68, G. A. R., to hold a campfire in Dorehester Park on the 17th of June.

Referred to His Honor the Mayor.

HYDRANTS, WARD 19.

Mr. NANGLE of Wd. 19 offered an order—That the Water Commissioner, through His Honor the Mayor, be requested to locate and maintain a sufficient number of hydrants for fire service to properly protect the Parker Hill district, Wd. 19.

Referred to His Honor the Mayor.

FIRE APPARATUS, ROXBURY.

Mr. NANGLE of Wd. 19 offered an order—That the Board of Estimate and Apportionment be requested to provide the sum of \$15,000 for a hose house and apparatus at Parker Hill, Wd. 19.

Mr. NANGLE—Mr. President, I desire to say in regard to that order that I have carried it around with me, or an order similar to it, since the 16th day of February. I was about to put in an order similar to that on the 16th of February, which would be about eight weeks ago tonight, when I found that between my two colleagues there was some difference of opinion in regard to an engine house. One of them at that time wanted an engine house on one site, and the other wanted it on another. I thought it would be well for me to stay quiet and let my two colleagues fight the fight out—which they did. We went before the Board of Apportionment, made a fight for an engine house, and also asked Commissioner Russell in regard to whether or not, in his opinion, we required an engine house up there. His reply, as you all know, was that we did not require one. I held a conversation with Commissioner Russell recently in regard to this matter. I asked him in regard to hydrants as to whether or not they would be of any benefit up on the hill. He told me that he thought they would, providing we had pressure enough from the reservoir. We have a reservoir on the hill. I told him I would see the Water Commissioner in regard to that. I have done so, and the Water Commissioner gave me to understand that he thought we would have pressure enough in the reservoir to supply the service at the present time. From what I have been given to understand,

and from conversation which I have had with the Mayor, I have no doubt but what I will be able to get this \$15,000 to build and equip a hose house on the hill. It is something that is required, and I am given to understand on good authority that we can have that on the hill. I don't know as it is necessary for me to go any further in regard to it. I have simply said this to show why I kept this order in my pocket so long without offering it. I thought there were differences enough in the ward, and I did not want to conflict with my two other colleagues, who already had their little differences with each other. I simply desire to ask a suspension of the rules so that the order may go upon its passage.

Mr. DOYLE of Wd. 19—Mr. President, in order that the senior member of this body may not feel that there is any conflict between him and one of the junior members in regard to this matter of fire apparatus on the hill, I wish to state that I heartily indorse everything that he has said in that line. My reason for offering an order for an engine on Parker Hill was that I had been requested to do so by citizens of that ward, who claimed that there was a population of 700 people in that district who were unprotected from fire. It is true that the Fire Commissioner reported that the district was protected sufficiently, in view of the fact that it has been proved—and I am willing to leave it to experts in the Fire Department today—that there is not an engine in that district that can ascend any one of the hills in that vicinity in stormy weather. The argument which I made before the Board of Estimate and Apportionment, in which I showed grades it was necessary to go up in order to reach the top of the hill, will prove my statement. When I introduced my order for a fire-engine house on the top of the hill, I spoke to the other junior member from Wd. 19, and asked him to leave out the chemical and said to him "let us fight for some one thing that will remedy matters on that hill." He agreed to do it, but he refused when he got before the Board of Apportionment. I fully agree with the senior member of this body that something is necessary in that vicinity. It is well nigh time that we got it. I sincerely hope that the order offered by my colleague will be given a second reading and passed under a suspension of the rule.

Mr. McINERNEY of Wd. 19—Mr. President, there has been considerable said about an engine house for Parker Hill in my ward. Now, I fail to see anybody objecting to that order going through tonight. I don't see what the need is of any of the members of the Council getting up and speaking upon it and favoring its passage, for I fail to see anybody objecting to it.

Now, one of the junior members of the Council, from my ward, says that he made a remark to me a few days before he presented his order for an engine house on Parker Hill, saying that he was going to present an order, and asking me if I would co-operate. My answer was "I don't know. I may have one to present myself." That was my answer to him. On the other hand, he says that when the matter came before the Board of Apportionment, when the members from Wd. 19 were notified to present themselves before the Board and to show the Board of Apportionment good and sufficient reasons why that engine house should be located on Parker Hill, he asked me if I was satisfied to centre the fight on some one particular piece of apparatus, and not have any squabble in regard to the matter. I said "I am satisfied with anything. What I am looking for is a piece of fire apparatus. I don't care what it is." I am looking for protection for the people on the hill, and I have been doing that from the start. I have taken an active interest in those things which were for the benefit of the

people of my ward, and I will never be backward in coming to the front and fighting for their interests. I am satisfied with this order presented by my colleague from ward 19. I heartily endorse it, and am willing to co-operate with the senior member. As the matter stands at the present time, there is an order before the Board of Apportionment for an appropriation of \$30,000 for an engine house in that district. That order was presented by myself, and the matter is now before the Board of Apportionment. I do not see what the need is of taking so much interest in this one presented by Mr. Nangle until we have heard from the Board of Apportionment and the Fire Commissioner in regard to the matter of the engine house, which is pending before that body now.

Mr. WATSON of Wd. 18—Mr. President, if it were in order, I would like to move to refer this whole matter back to Wd. 19; but, as it is not, I desire to move the previous question. (Laughter.)

The question came on ordering the main question.

Mr. NANGLE—Mr. President, I am not going to object. I simply want to say that I didn't know that the member from my ward had offered an order of that sort. I was not here two weeks ago tonight, when I understand he offered it, or probably I would have carried that order of mine around a couple of months more with me.

Mr. DOYLE—Mr. President, I hope the main question will be put; and in so doing, I would like to ask the gentleman in the fourth division (Mr. McInerney), in view of the fact that I have introduced an order for \$30,000 for a fire engine house some six or seven weeks ago, why he introduced one two weeks ago for \$30,000 for the same purpose?

The PRESIDENT—The Chair will ask the gentleman to confine himself to the question before the house.

The main question was ordered, and the order was passed. Sent up.

INFORMATION REGARDING CLOSING OF BRIDGE.

Mr. LYDON of Wd. 13 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to submit to this body the reason why the bridge on Broadway between Dorchester Ave. and Harrison Ave. is closed; and also the length of time it is proposed to keep said bridge closed.

Mr. LYDON—Mr. President, just a moment before that order is referred. I wish to state that ordinarily members of the City Government could go into the Superintendent's office and get that information themselves, but from the experience of myself and my colleague, who attempted to go in to see him at the time when he found that one of the bridges had broken down and people's lives were in danger. I have concluded that it is impossible for some of us members to get into the Superintendent of Street's office, and for that reason I have introduced this order. I could not find out anything about it before the bridge was closed, because I was refused admission several times. I believe that that is a very poor way in which to handle the business of the city, when a representative of the people cannot get into the Superintendent's office and find out why certain things are done.

The order was referred to His Honor the Mayor.

PURCHASE OF GRANITE.

Mr. TOBIN, of Wd. 9, offered an order—That the Superintendent of Streets through His Honor the Mayor, be requested to purchase no more granite from the Rockport Granite Company until the present trouble with their employees is settled.

Referred to His Honor the Mayor.

FIRE ESCAPES, FRANKLIN SCHOOL.

Mr. TOBIN offered an order—That the School Committee, through His Honor the Mayor, be ordered to furnish suitable fire escapes for the Franklin schoolhouse, Wd. 9.

Referred to His Honor the Mayor.

MEMBERS PRESENT.

The Clerk, by direction of the President, called the roll to ascertain the number of members present, with the following result:—

Present—Armistead, Atwood, Badaracco, Bagley, Batts, Bordman, Bradley, Brauer, Brennan, Broderick Casey, Chamberlain, Collins, Cuddy, Curley, Doherty, Donahoe, Doyle, Eddy, Emery, Fenton, Gibbons, Giblin, Harvey, Hibbard, Hickey, Horgan, Howard, Johnson, Jordan, Kasanof, Kelley, Kiley, Klemm, Leftovith, Linehan, Logan, Lorey, Lydon, MacDonald, Madden, Martin, McInerney, Mildram, Miller, Moore, Mulcahy Nangle, Newhall, Peck, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Sweeney, Tobin, Walker, Watson, Wells, Winsloe, Wood—64.

Absent—Bennett, Carroll, Connolly, Donovan, Flynn, Leonard, Mansfield, O'Brien, Stone, Sullivan, Turnbull—11.

MOTION TO ADJOURN.

Mr. HERRIGAN of Wd. 3—Mr. President, I move that the Council do now adjourn.

Mr. LINEHAN of Wd. 13—I sincerely hope that the members of the Council will kindly give me an opportunity—

Mr. MULCAHY of Wd. 14—Mr. President, I rise to a point of order.

The PRESIDENT—The Chair desires to state that no member of the Council has been recognized by the Chair. A motion to adjourn is not debatable.

The motion was declared lost. Mr. Horgan doubted the vote and asked for a verification by a rising vote, but before the result was accurately ascertained the president declared the doubt solved and the motion lost.

Mr. HERRIGAN—Mr. President, I rise to a point of order. My point of order is that there is no quorum here.

The PRESIDENT—The Chair will rule the point of order not well taken.

RESOLVE AGAINST TRACKS IN SOUTH BOSTON.

Mr. LINEHAN offered the following:—

Whereas, the American Sugar Refining Company has a petition before the Board of Aldermen, asking for permission to operate railroad cars on certain public streets in South Boston.

Resolved, That in the opinion of the Common Council said permission should not be granted because of the great danger and menace to life which has prevailed under the operation of these railroad cars.

Mr. LINEHAN—Mr. President, I would like to say just a few words in regard to that resolution. I will keep the members of the Council but a very short time. If they could only go over there and see the condition of this section of the ward which I have the honor to represent here in part, they would feel the same about it as I do. Wd. 13 has been suffering for the last five or six years, and suffering

severely, from the encroachments of corporations upon the rights of the people. At the present time they are gradually building a stone wall around this section of the ward, demoralizing the business interests, depopulating that section, and cutting us off, you might say, from the rest of the world. Time and time again there have been accidents caused by these cars. Only a short time ago, a couple of small boys were pulled from beneath the cars, all mangled. I believe some of the members know a good deal more about that than I do. A few years ago, there was a fire in that district. At that time there was a line of cars there, and it was almost impossible for the fire engine to get to the fire. The result of those cars being there was that eleven or thirteen horses were burned, and one man. Now, these cars are a menace to the safety of the people. They are a public nuisance. They are there for the benefit of a corporation. They are right in a residential part of the ward. Hundreds of children are playing right around there all the time. I claim that if the matter is investigated by the other members of this body they will come to the same opinion that I have, that they are a menace to the safety of the people and a public nuisance.

The question came on giving the order a second reading.

Mr. LYDON of Wd. 13—Mr. President, I wish to say in regard to that resolution that we appeared before a committee in the Aldermanic Chamber a short while ago to protest against this company having the right to lay tracks there. I am glad that my colleague has introduced this resolution. It seems to me that if we pass it we are doing something here tonight that we should do. To allow a corporation rights in our ward which are not given to any other corporation in other wards of the city, I believe to be wrong, and I believe we cannot take too harsh steps to prevent the Committee from acting favorably upon the petition. The right asked by this company is the same right that their predecessors succeeded in getting some sixteen or eighteen years ago, at a time when the district was entirely different from what it is at the present time. The fact that the cars have been there in the past, and the fact that there have been a great many accidents on account of them, is a good argument against granting the petition at this time. I think it is hardly fair to the people of Wd. 13 to allow any corporation a right which they are not given in any other section of the city. I will say to the committee that if they grant this petition, they are establishing a bad precedent, and the chances are that corporations in other sections of the city will ask later for the same privilege. I hope that the resolution will pass.

Mr. TOBIN of Wd. 9—Mr. President, I rise to a point of order, that there is not a quorum present.

The PRESIDENT—The Chair will ask the gentleman if he desires to press his point of order until this resolution is disposed of?

Mr. TOBIN—Mr. President, I do not think we can act upon it if there is not a quorum present.

The PRESIDENT—The Chair will rule the point of order well taken, and will declare the Council adjourned to Thursday, April 27, at 7:45 P.M.

Adjourned, at 8:55 P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, Apr. 24, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. Coßman, to dispense with the reading of the records of the last meeting.

JURORS DRAWN.

Thirty-four traverse jurors were drawn for the Superior Criminal Court, May 8th, in accordance with the provisions of chap. 514 of the Acts of 1894, viz:

Joseph Sullivan, ward 14; John J. Brady, ward 14; Robert L. Haynes, ward 18; Charles H. Dimock, ward 25; Charles H. Lovejoy, ward 3; John Connelly, ward 14; John T. Tracy, ward 8; Samuel C. Hopkins, ward 10; Michael Downey, ward 5; Samuel J. Bryne, ward 10; Herbert M. Le-land, ward 11; Wm. E. Bailey, ward 1; Henry P. Curtis, ward 7; James N. Clifford, ward 22; Sydney Smith, ward 23; Robert J. Murphy, ward 13; Lauren P. Marston, ward 15; Ernest L. Miller, ward 16; Charles P. Cummings, ward 20; Frank S. Hawkins, ward 23; Morris Dove, ward 19; Wm. D. Dearborn, ward 20; Patrick F. Cassidy, ward 6; William C. Tirrell, ward 13; Charles F. Quinn, ward 8; Wm. G. Lawson, ward 6; Thomas Bean, ward 9; Marks I. Cohen, ward 6; James L. Johnston, ward 11; John H. Connors, ward 4; George A. Billings, ward 3; Wm. J. Devanna, ward 14; George H. Morris, ward 13; James J. Casey, ward 18.

BOXING OF TREE—VETO.

The following was received:—

Mayor's Office, City Hall,
Boston, April 14, 1899.

To the Board of Aldermen:—

I return herewith without my approval a vote passed by your Board at its last meeting, granting permission to L. Mandelstein to box a tree at 126 Sumner St., East Boston, for the reason that a permit cannot legally be given to place a sign around a tree.

I assume that the purpose in boxing the tree is to furnish support for a sign, as it would not be necessary to get permission from the Board if it were simply intended to place a suitable guard around the tree for its protection.

Respectfully submitted,
Josiah Quincy, Mayor.

The vote whereby the said permission was granted was reconsidered, and the question came on again granting it, the objections of His Honor the Mayor to the contrary notwithstanding.

The Board refused to again grant permission, the vote on doing so being—yeas none, nays 10.

BOYS' PLAYGROUND, FRANKLIN PARK.

The following was received:—

Mayor's Office, City Hall,
Boston, April 24, 1899.

To the City Council:—

I transmit herewith a communication from the Board of Park Commissioners in relation to the order requesting the Board to allow young boys their former playground in Franklin Park.

Respectfully,

Josiah Quincy, Mayor.

Board of Commissioners of the Department of Parks, April 18, 1899.
Hon. Josiah Quincy, Mayor, City Hall, Boston.

Dear Sir:—I have received the order of the Board of Aldermen requesting the Park Commissioners to allow young boys their former playground in Franklin Park. We desire to say that this playground has never been taken away from the younger children.

Yours respectfully,
Charles E. Stratton, Chairman.

Sent down.

APPOINTMENTS OF THE MAYOR.

Communications were received from His Honor, Mayor Quincy, making the following appointments, subject to confirmation by the Board:—

(1) Thomas J. Lane, to be a Bath Trustee for the term of five years, beginning with the first day of May, 1899.

(2) Albert W. Hersey, to be a member of the Board of Cemetery Trustees for the term of five years, beginning with the first day of May, 1899.

(3) Samuel H. Durgin, to be a member of the Board of Health for the term of three years, beginning with the first day of May, 1899.

(4) Alfred De Voto, to be a Music Trustee for the term of five years, beginning with the first day of May, 1899.

(5) Josiah H. Benton, Jr., to be a member of the Board of Trustees of the Public Library for the term of five years, beginning with the first day of May, 1899.

(6) Charles E. Stratton, to be a member of the Board of Park Commissioners for the term of three years, beginning with the first day of May, 1899.

(7) Thomas W. Flood, to be Commissioner of Wires for the term ending April 30th, 1900.

(8) Charles H. Cole, to be a Constable of the City of Boston for the term of one year, commencing with the first day of May, 1899, in place of George W. Lowther deceased.

(9) Joseph M. Harrington and John B. McDonough, to be Constables of the City of Boston for the term of one year, beginning with the first day of May, 1899, in connection with their duties as employees of the Board of Health.

(10) Cryus D. Foss, Forrest J. Whitney, and Jeremiah J. Callahan, to be weighers of coal and measurers of wood and bark, for the term of one year, commencing with the 1st day of May, 1899.

(11) John Rea, to be a weigher of coal for the term of one year, beginning with the first day of May, 1899.

Severally laid over, under the law.

APPOINTMENT OF ELECTION COMMISSIONER.

The following was received:—

Mayor's Office, City Hall,
Boston, April 24, 1899.

To the Board of Aldermen:—

You are hereby notified, in order that it may be made a matter of record, that Mr. Linus E. Pearson has been reappointed a member of the Board of Election Commissioners, for the term of four years, beginning with the 1st day of May, 1899.

Respectfully,

Josiah Quincy, Mayor.

Placed on file.

WITHDRAWAL OF APPOINTMENT.

The following was received:—

City of Boston,
Office of the Mayor,

April 24, 1899.

To the Board of Aldermen:—

I hereby withdraw the appointment of Mr. Daniel J. Moynihan, Jr., to be Deputy Scaler of Weights and Measures and Selzer of Illegal Charcoal Measures for the term of one year, commencing with the first day of May, 1899.

Josiah Quincy, Mayor.

It was voted unanimously that leave be granted to withdraw the appointment.

HEARINGS AT 3 O'CLOCK.

1. On petition of Gipson & Knight for leave to project two bay-windows from building at the corner of Clayton and Dickens Sts., Wd. 24, one over each street. No objection. Referred to the Committee on Building Dept. (Ald.).

2. On petition of the Waltham, Newton and Forest Hills Street Railway Company for a location of tracks and the overhead electric system, on Baker, Weld, Maple, South, New South (or substitute way), and Brandon Sts., W. R.

Messrs. John R. Bullard, Frank W. Essey, William A. Morse, Thomas J. Emery, Thomas F. Carey, Henry S. Harris, and Joseph J. MacGowan, residents along the line of the proposed track location, appeared and objected, for themselves and other property owners, to the granting of the location; the ground being taken that if the location is granted to any company it should be to the West Roxbury and Roslindale Street Railway Company, which today covers a portion of the district and is ready to extend its tracks over the route petitioned for. If the right is granted to the latter company, it means one fare instead of two.

No further objections. Referred to the Committee on Railroads.

3. On petition of the Charlestown Gas and Electric Company for leave to erect poles in Devens St.

On petitions of the Brookline Gas Light Company, viz:

4. For leave to erect poles on Fairbanks street, ward 25.

5. For leave to erect poles on Braintree street, between Franklin and Everett Sts., Wd. 25.

On petitions of the New England Telephone and Telegraph Company of Massachusetts, viz:

6. For leave to erect poles on Munroe St., Wd. 21.

7. For leave to erect poles on Sigourney and Beethoven Sts., Wd. 22, Landseer St., Wd. 23, and Allston Heights, Wd. 25.

8. For leave to erect poles in E St., between West First and Congress Sts., Wd. 25.

9. For leave to erect poles in Adams, Hillsdale, Ocean and Roslin Sts., Wd. 24, Paris St., Wd. 1, and Hooker St., Wd. 25.

10. For leave to erect and to remove one pole in Brookside Ave., Wd. 22.

11. For leave to lay and maintain conduits and manholes for its wires, etc., in Bulfinch, Howard, Fleet, Lewis, Cross and Salem Sts., Wd. 6; Eliot, Kneeland and Bennet Sts., Wd. 7; Green St., Wd. 8; Blue Hill Ave., Wd. 20; Centre St. and Columbus Ave., Wd. 22; Adams St. and Neponset Ave., Wd. 24; and for leave to erect and maintain distributing poles, with wires thereon, for making connections.

No objections. Severally recommended to the Committee on Electric Wires.

12. On petition of Lizzie G. Thoits, that this Board estimate the damage to her by the taking of her estate on Porter St. by the Boston Elevated Railway Company.

G. C. Travis, attorney for the Boston Elevated Railway Company, appeared and objected, on the ground that the preliminary estimates should, under the statutes, be made by the Board of Street Commissioners, instead of the Board of Aldermen acting as County Commissioners.

Ald. BERWIN thought the Board of Aldermen, sitting as County Commissioners, should not relinquish any of their rights in the matter; that they should act on the petition as presented, and that if objections were then made by parties in interest it was time for a further discussion of the legal question.

Ald. Codman and Brick agreed with Ald. Berwin. Ald. Codman moving reference to the Committee on Public Improvements.

Ald. Colby thought the first thing to do, before taking steps in the matter, was to get the opinion of the Law Department of the city, that the Board would then know the proper position to take in the matter.

Ald. McDonald thought the matter should be assigned to the next meeting of the Board, but accepted a motion by Ald. Berwin that it be assigned to May 4 at 3 P. M.

Ald. CODMAN'S motion, to refer to the Committee on Public Improvements, prevailed.

Ald. Berwin gave notice that being a party interested in the particular locality concerned, he would decline to participate in any action in the matter. While he would follow the proceedings, he wished to be excused from participation in the final determination and action.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz:—

Building Dept.

J. E. Cousens, for leave to build a wooden addition on rear of Commonwealth Ave., Wd. 25.

Boston Elevated Railway Company, for leave to build a wooden addition on Oak St., near Caneuil St., Wd. 25.

John E. Cousens, for leave to build a coal elevator on rear of Commonwealth Ave., Wd. 25.

Building Dept. (Ald.)

Petitions for leave to project signs, etc., viz:—

Joseph Seminara, a sign, at 517 Tremont St., Wd. 10.

Rocco Sarni, three signs, at 193 Endicott St., Wd. 6.

Emil Heusser, two barber poles, at 340 Blue Hill Ave.

J. Edward Bauer, an illuminated sign, at 23 Boylston St., Wd. 7.

Henry M. Flynn & Co., an illuminated sign, at 11 Elm St., Wd. 6.

Morris Sais, a pole sign, at 2028B Washington St., Wd. 17.

Central Associates, an illuminated sign, at 281 Meridian St., Wd. 1.

Cigar Makers' Social Union, No. 97, an illuminated sign, at 637 Atlantic Ave., Wd. 7.

Geo. Burwell & Sons, a sign, at 569-573 Washington St., Wd. 7.

Wyman & Co., a V sign, at 637 Atlantic Ave., Wd. 7.

Ambrose W. Isle & Son, a sign, at 51-53 Pitts St., Wd. 8.

M. Hebenstreit, sign, 124 Roxbury St.

Claims.

Bridget C. Flanagan, for payment of balance remaining from tax sale of estate on Samoset St., Dorchester.

Thomas F. Reardon, for payment of balance remaining from tax sale of estate on Calumet St.

William Claffin, for payment of balance remaining from tax sale of estate on southwest side of Mattapan St.

Charles E. Lee, for payment to B. Helen Richardsor of balance remaining from tax sale of estate on southwest side of West-over St.

John T. Mitchell, for compensation for damages for failure to allow him the use of the Old Public Library Building, in accordance with an alleged agreement between him and the Supt. of Pub. Buildings.

Sarah E. Hall, for compensation for damage to estate on Sayward St. and Columbia road, caused by the breaking and stoppage of a sewer by agents of the city.

Electric Wires.

The New England Tel. and Tel. Co. of Mass. for leave to attach its wires to trees on Mt. Pleasant Ave.

The N. E. Tel. and Tel. Co. of Mass., for leave to erect and to remove one pole on Ashmont St.

The American Tel. & Tel. Co. of Mass., for leave to erect poles in Dudley St. and Harrison Ave., and to remove poles in Dudley St..

Faneuil Hall, Etc.

John Leonard, for leave to maintain a stand for the sale of temperance drinks in front of the Old Court House on Court St.

Supt. of Public Grounds.

John White, for the removal of a tree at 161 Eighth St., Wd. 15.

The American Telegraph & Telephone Co. of Mass., that the Supt. of Public Grounds be permitted to trim trees on Dorchester Ave., Adams St., Neponset Ave., Dudley and Washington Sts.

Lamps.

Louis Berenson et als., for a public lamp in a passageway running from 2459 A and B Washington St.

Licenses.

Monroe H. Rosenfeld, for a permit for Freddie Curran, Charles Eggleston and William Harvey, children under 15 years of age, to appear at the Boston Theatre on April 23, 1899.

Boston Base Ball Association, for license for athletic exhibitions, base ball, etc., at the grounds of said association on Walpole St. and Columbus Ave., for the season ending December 1, 1899.

F. T. Bridge, for a license for dancing and musical entertainments at Jubilee Hall, 646 Warren St., for the season ending Aug. 1, 1899.

James C. Little, for a license for flying horses on vacant land on Washington S., near Kingsbury St. for three weeks, beginning Saturday, April 29.

Hannah Curran, for a permit for Master Freddie Curran to appear at the Howard Athenaeum for week beginning Apr. 24, 1899.

Railroads.

West End Street Railway Company, for a location for tracks on Washington St., from Massachusetts Ave. to Northampton St.

West End Street Railway Company, for leave to locate tracks on Causeway St.

Trustees and members of Calvary Cemetery Association, in aid of petition of West Roxbury & Roslindale Street Railway Co. for extension of tracks through Ashland St. to Mattapan.

Waltham, Newton & Forest Hills Street Railway Co., for a location of tracks with the right to use the overhead electric system thereon in Baker, Weld, Maple, Centre, South, New South, Brandon, South and Washington Sts.

Public Improvements.

Trustees of Essex St. Trust, for leave to construct areas, etc., under sidewalks on Chauncy and Essex Sts., Wd. 7.

C. A. Gleason, for leave to erect an awning occasionally in front of Hotel Somerset on Newbury St.

S. E. Richards, for leave to sell temperance drinks from a wagon in the vicinity of the Post Office.

Park Square Improvement Association et als., for the extension of what is now known as Park Sq.

J. J. & P. M. Ahern, for leave to move wooden building from 93 George St. to Clayton Pl., Wd. 17.

George R. Dugad, for leave to erect one guy post in Beacon St. and one in Audubon Road.

H. P. Nawn, for leave to construct a temporary tramway across Western Ave., Wd. 25.

Petitions for sidewalks, viz.:-

Joseph J. Cronin, 133 Centre St., Wd. 19.

Wm. A. Whittemore, 327 Hancock St., Wd. 20.

J. P. Buntin, 50 Bicknell St., Wd. 20.

Howard Bros., 22-24 Greenbrier St., Wd. 20.

A. L. Richardson, trustee, 175 Summer St., Wd. 7.

James V. Devine, 274-282½ Quincy St., Wd. 16.

Charles Miller, 58 Day St., Wd. 22.

Max Arkin, 65 Round Hill St., Wd. 22.

John Keohane, 4, 8 and 10 Shelby St., Wd. 1.

Thomas P. DeNeill, 1562 Tremont St., Wd. 19.

Milton W. Hall, 445-453 Blue Hill Ave., Wd. 21.

Wilfred Bolster, 137 Ruthven St., Wd. 21.

O. Reinstein, on Howland St. side of estate 168 Humboldt Ave., Wd. 21.

L. M. Best, 79-81 Burrell St., Wd. 17.

Catherine Hanrahan, 89 Burrell St., Wd. 17.

Alfred Pierce, 90 Burrell St., Wd. 17.

L. M. Best, 32 Marshfield St., Wd. 17.

REMOVAL OF TREE.

Ald. BRICK presented the petition of Ber'o Bros. for removal of a tree at 322-4 Broadway.

In connection with the above, under a suspension of the rule, he presented the following:-

Ordered-That the Superintendent of Public Grounds be directed to remove a tree standing in front of 322-324 West Broadway; the expense of the same to be charged to the appropriation for Public Grounds Department.

Passed.

PAPERS FROM THE COMMON COUNCIL.

The Board voted, on motion of Ald. Berwin, to consider Nos. 13, 14, 15 and 16, together, viz.:-

13. The following comes up for concurrence in its reference to the Board of Estimate and Apportionment:-

Ordered, That the Board of Estimate and Apportionment be requested to report in the next loan bill a sum sufficient to pave First St., Wd. 14, from L St. to P St.

14. Ordered, That the Boston Elevated Railway Company be requested to provide another "starter" at the transfer station near the corner of Broadway and Dorchester St., South Boston, because of the dangers which attend the crossings of the tracks by the passengers of the road who change cars at this transfer station.

15. Ordered, That the Board of Estimate and Apportionment be requested to provide the sum of fifteen thousand (15,000) dollars for a hose-house and apparatus at Parker Hill, Wd. 19.

16. Ordered, That a special joint committee be appointed, to be composed of eight members of the Common Council and such as the Board of Aldermen may join, to investigate and report as to the advisability of petitioning the present General Court for the right to allow the city to manufacture and sell gas and electricity.

Severally passed in concurrence.

Later in the session, the Chairman appointed the following committee on the part of the Board, in connection with No. 16: Ald. Doyle, Codman, Dixon, Colby, and McDonald.

CONFIRMATION OF APPOINTMENTS.

The Board voted, on motion of Ald. Fresho, to consider unfinished business, Nos. 17 to 33, inclusive, together with the exception of the name of Daniel J. Moynihan, Jr., in No. 31, viz.:-

Action on appointments by the Mayor, all being for the term of one year, beginning with the first day of May, 1899, as follows:

17. Alfred T. Turrer, to be City Treasurer.

18. James H. Dodge, to be City Auditor.

19. William Jackson, to be City Engineer.

20. William H. Whitmore, to be City Registrar.

21. Andrew J. Bailey, to be Corporation Counsel.

22. Thomas M. Babson, to be City Solicitor.

23. Benjamin W. Wells, to be Superintendent of Streets.

24. James Donovan, to be Superintendent of Lamps.

25. John Drohan, to be Superintendent of Public Buildings.

26. William Doogue, to be Superintendent of Public Grounds.

27. George E. McKay, to be Superintendent of Markets.

28. Thomas A. Whalen, to be Superintendent of Printing.

29. Reuben Peterson, to be Soldiers' Relief Commissioner.

30. Daniel P. Sullivan, to be Sealer of Weights and Measures and Seizer of Illegal Charcoal Measures.

31. Raphael Rosnosky, Charles Mintz, Edwin J. Turner, John J. Higgins, Daniel J. Moynihan, Jr., Jeremiah J. Crowley, Thomas F. Brophy, John Golding, William H. Fallon, and Thomas J. Dwyer, to be Deputy Sealers of Weights and Measures and Seizers of Illegal Charcoal Measures.

32. Frank O. Seavey, to be a Measurer of Grain, a Weigher of Coal and an Inspector of Pressed or Bundled Hay and Straw.

33. George E. Kerr, to be a Constable (in place of George W. Goode, declined).

The question came on confirmation. Committee Ald. Presho and Dixon. Whole number of ballots cast 12, yes 12, and the several appointments were confirmed.

LAND FOR BOSTON CATHOLIC CEMETERY ASSOCIATION.

The Board proceeded to take up No. 34, special assignment, viz:—

34. Ordered, That permission be hereby granted to the Boston Catholic Cemetery Association to use for the purpose of burial a parcel of land situated in Wd. 24, bounded as follows:

North by Harvard St., east by Walk Hill St.; southeast and south by land of E. W. Holbrook, George E. Smith and Henry F. Napfen; southwest and west by land of James M. Prendergast, as shown on plan herewith submitted.

Referred to the Committee on Cemetery Dept. (Ald.) on motion of Ald. McDonald.

SALES BY MINORS.

Ald. ADAMS called up No. 35, reconsideration, viz:—

35. Ald. Adams has duly filed with the City Clerk notice of his intention to move a reconsideration of the passage of the regulation, passed April 12, relative to sales by minors.

Ald. O'TOOLE—Mr. Chairman, I move reference of this to the Committee on Public Improvements.

Ald. ADAMS—Mr. Chairman, I rise to a point of order. My point is that the matter will have to be reconsidered before it can be referred.

The CHAIRMAN—The point of order is well taken.

The question came on reconsideration, and the Board voted to reconsider the matter, the vote standing yeas 9, nays 3, Ald. Barry, Colby and Presho voting nay.

Referred to the Committee on Public Improvements, on motion of Ald. Berwin.

SALE OF OIL.

A report was received from the Fire Commissioner on the petition of The Putnam Nail Co., for a license to store oils or fluids composed wholly or in part of the products of petroleum, at their works on Ericsson St., Wd. 24—recommending that leave be granted.

Approved by the Board.

APPROVAL OF PLANS.

Notice was received from the Board of Railroad Commissioners, notifying the Board of their approval of amended plans

of the Boston Elevated Railway Co., numbered 25,450 to 25,463, inclusive, and their consent to modifications and changes in certain plans of said company heretofore approved by them.

Placed on file.

ACCEPTANCE OF LOCATION.

Notice was received from the Newtonville and Watertown Street Railway Co., of its acceptance of its second location, and agreeing to comply with the conditions contained therein.

Placed on file.

CLERK HIRE.

A communication was received from Thomas F. Temple, in accordance with the provisions of sec. 2, chap. 493 of the Acts of 1895, certifying that certain people had been employed in his office to the amount of \$1596.08.

Approved by the Board.

CONSTABLES' BONDS.

The City Treasurer, after approving of the same, submitted the following constables' bonds:—

William Adams, Daniel F. Breen, Carlan A. Brown, Benj. F. S. Bullard, John B. Cadigan, Michael Cangiano, John F. Clark, James H. Cruff, Frank B. Cotton, George W. Crawford, Thos. A. Crawford, James W. Currier, William L. Drohan, Henry Fox, Sears H. Grant, Charles P. Harrington, George E. Harrington, Edward J. Holland, Edwin Jaquith, Horace A. Jordan, Samuel Kelley, Clarence G. Kellogg, James M. Kilroy, William H. Lyon, George R. Mathews, James McDonough, Robert M. McLeish, John Mundy, James E. Norton, James J. O'Brien, Isaiah Paine, Jr., George N. Parker, Alvah H. Peters, Alvin I. Phillips, Robert Reid, John Robie, George Henry Royce, Charles A. Savery, Abraham T. Silberstein, Morris Silverstein, Frederick L. Smith, Calvin Stowe, John J. Walsh, William L. White, Henry S. Worrall.

Approved by the Board.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, viz:—

Winnie Linden, one, 133 Everett St., Wd. 2.

John Lepore, two, 31-33 Thacher St., Wd. 6.

Henry H. Green, one, 944 Washington St., Wd. 9.

John C. Haynes, three, Columbus Ave. near Terry St., Wd. 18.

Orders of notice were passed for hearings thereon on Monday, May 8, at 3 o'clock, P.M., when any parties objecting thereto may appear and be heard.

RAILROADS—ORDER OF NOTICE.

On the petition of the West Roxbury & Roslindale Street Railway Co. for locations for tracks with the right to use the overhead system thereon in Brandon and other streets—an order of notice was passed for a hearing thereon on Monday, May 15th, at 3 o'clock, P.M., when any parties objecting thereto may appear and be heard.

LICENSES.

Ald. Coiby, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 216 newsboys, 56 bootblacks, and 2 vendors of small wares.

Approved by the Board.

(2) Reports on petitions (severally referred today), for permits for children under 15 years of age to appear—recommending that permits be granted, viz:—

Hannah Curran, for permit for Master Freddie Curran at the Howard Athenaeum for week beginning April 24, 1899.

Monroe H. Rosenfeld, permit for Freddie Curran, Charles Eggleston and William Harvey at the Boston Theatre on April 23, 1899.

Reports severally accepted; permits granted on the usual conditions.

(3) Reports on the petition of Boston Base Ball Association (referred today), for athletic exhibition at Base Ball grounds, Walpole St., for season ending Dec. 1, 1899—that a license be granted.

Report accepted; license granted on the usual conditions.

(4) Report on the petition of F. T. Bridge (referred today), for a season license for Jubilee Hall, 646 Washington, St., for dancing and musical entertainments—that a license be granted.

Report accepted; license granted on the usual conditions.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:—

(1) Reports on the petitions of Patrick Hart and Frank Brewster (referred March 20), for payment of balance remaining from tax sale of an estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Patrick Hart the sum of \$32.84, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bowen St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 122.

Ordered, That the City Treasurer be hereby authorized to pay to Frank Brewster the sum of \$212.54, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Massachusetts Ave., corner Landsdowne St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2582, fol. 231.

Reports severally accepted; orders severally passed. Sent down.

(2) Reports recommending that the following petitioners have leave to withdraw, as the city is not liable, viz:—

Hugo Pinksohn (referred last year), for compensation for damage to property at 287 Tremont St., caused by the construction of the subway.

Michael Tierney (referred last year), for compensation for damage at 216 Massachusetts Ave., caused by persons at work for the city.

Esther Lake (referred January 30), for compensation for injuries received from a fall on Berkeley St.

Grace B. Diekhut (referred last year), for compensation for loss of her bicycle, which was run into by a city team.

Accepted. Sent down.

(3) Reports recommending that the following petitioners have leave to withdraw:—

Simon Feder (referred last year), for compensation for injuries received by an alleged defect in Charles St.

William L. Benedict (referred last year), for compensation for damages to estate on Selkirk road, caused by blasting in the construction of a sewer.

Michael E. Hanley (referred last year), for compensation for injuries received on account of an alleged defect on Beach St.

Ellen Cannon (referred last year), for compensation for injuries received on account of an alleged defect in Newhall St.

Warren N. Gerald (referred Jan. 30), to be repaid a part of the amount paid for an intelligence office license.

George A. Jordan (referred March 13), to be paid the amount of judgment and costs of a suit against him on account of his acts as a police officer.

Hubert McCorkle (referred last year), for compensation for injuries to horse, caused by an alleged defect in Rockland St. (on account of late notice).

Accepted. Sent down.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

(1) Report on the petition of the West End Street Railway Company (referred March 13), for leave to lay double tracks on portions of Lexington St., East Boston—recommending the passage of the order of notice for a hearing thereon Monday, May 15, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

(2) Report on the petition of the same company (referred today), for leave to locate tracks on Causeway St.—recommending the passage of an order of notice for a hearing thereon Monday, May 15, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

(3) Report on the petition of the same company (referred today), for a location for tracks on Washington St., from Massachusetts Ave. to Northampton St.—recommending the passage of an order of notice for a hearing thereon Monday, May 15, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

(4) Report on the petition of the West Roxbury and Roslindale Street Railway Company (recommitted February 27), for a location of tracks on Ashland and Oakland Sts. and Blue Hill Ave., and on Washington St., near Ashland St.—recommending the passage of the accompanying orders:—

Ordered, That in addition to the rights heretofore granted the West Roxbury and Roslindale Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use an additional track beginning at and joining with the present tracks of said company on Washington St. about 1500 feet south of the New York, New Haven & Hartford Railroad bridge at Forest Hills, thence through said Washington St. to a point about 400 feet south of Ashland St.; also a single track beginning at and joining with the present tracks of said company on South St. thence across South St. and through Ashland St., Oakland St. and Blue Hill Ave. to the dividing line between the city of Boston and the town of Milton, with all necessary curves, switches, turn-outs and connections.

This location is granted upon the condition that necessary changes in the tracks and overhead system of any existing street railway shall be made at the expense of said West Roxbury and Roslindale Street Railway Company; said tracks and turn-outs being shown by red lines on a plan made by Hodges & Harrington, dated January 21, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West Roxbury & Roslindale St. Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within 6 months from the date of the passage of this order.

Ordered; That the consent of the Board of Aldermen be hereby granted to the

West Roxbury & Roslindale Street Railway Company, to establish and maintain the electric system of motive power in the operation of its cars in the City of Boston, by the overhead system, so called, as follows:—

On Washington St., from a point about 1500 feet south of the N. Y., N. H. & H. R.R. Bridge at Forest Hills to a point about 400 feet south of Ashland St., and beginning at the present overhead system of said company on South St., thence across South St., and through Ashland St., Oakland Street and Blue Hill Ave., to the dividing line between the city of Boston and the town of Milton.

And permission is hereby granted to the said West Roxbury & Roslindale Street Railway Company, to erect, maintain and use such wires and iron poles, of the height of not less than 20 feet, at the places indicated by red circles or dots on the plans filed in the office of the Superintendent of Streets, dated January 21, 1899, as may be necessary to establish and maintain said overhead electric system of motive power.

The rights herein granted are upon condition that the whole work of constructing the same, and the kind and quality of material used, shall be under the direction and to the satisfaction of the Superintendent of Streets, and be approved by him.

Also, upon condition that nothing herein contained shall be deemed a limitation or waiver of any rights now possessed or that may hereafter be conferred on the Board of Aldermen of the City of Boston, to make rules and regulations pertaining to the operation and maintenance of the electric system, and the running of electric cars in the City of Boston.

Also, upon condition that said railway company shall accept this order and agree to comply with the conditions herein contained, and shall file such acceptance and agreement with the City Clerk within 30 days from the passage thereof; otherwise it shall be null and void.

Ald. BERWIN—Mr. Chairman, I move that the reading of the report be dispensed with and that the matter be referred to the Committee on Public Improvements.

The motion was declared carried.

Ald. O'FOOLE—Mr. Chairman, I would like to ask the alderman from Wd. 6 (Ald. Berwin) for what particular reason he wants to have this go back to the Committee on Public Improvements, after the majority of the Committee on Railroads have reported it to this Board? A few weeks ago he was very desirous of having the Railroad Committee act promptly on matters, so that there would be no delay; he wanted to expedite the business of that committee, and he stood on this floor wanting to call things from that committee. I now wish to ask him why two weeks ago he was so desirous of expediting the business of the Board of Aldermen in connection with reports from the Railroad Committee, while today he desires to have a report of that committee sent to another committee? I have no objection myself, except that the gentleman has on this floor, in connection with certain things, said that he thought members of this board who were on the railroad committee had not been doing their duty, that they were derelict in their duty to the city of Boston, because they were delaying. He now takes the stand that reports made by that Committee should be referred to another committee, simply causing further delay.

Ald. BERWIN—Mr. Chairman, ordinarily the argument of the gentleman from Roxbury might seem unanswerable, but it is not in this particular case. There are one or two questions that I would like to ask of the Committee on Railroads. I would, for instance, like to ask when this committee meeting was called, and when the call for attendance of members of the committee was sent out. Rather than to take up the time of this Board by asking such questions in open Board, I would prefer

to ask them in the Committee on Public Improvements. In that way time will be saved, and we will not delay the proceedings of the Board.

Ald. CODMAN—Mr. Chairman, it seems to me, if possible, that the alderman from Wd. 6 should ask his questions here, and I, for one, object to having this matter sent to the Committee on Public Improvements. It is not the usual custom, when a committee which has considered a subject reports upon it, to have it sent to the Committee on Public Improvements. When a committee meeting is held and a matter is considered, the facts in regard to it can be easily found out by questions put to members of the Committee, or by reference to the Clerk of Committee's records. My interest in this matter is partly because it is a Dorchester matter, one that came up last year, that was before the committee the whole year, and although this year's request for the location does not come from the same source it is, nevertheless, for practically the same streets that were then asked for. A corporation was formed by citizens, almost entirely abutters on the streets on which the locations were asked for, and an attempt was made to get a location for tracks on those streets. Just about the time the Committee last year was ready to report—and report favorably, as I understand it, although I was not a member of the Committee—the corporation that asked for the location discovered that it had been incorporated for but two miles of track and that the location asked for covered slightly over two miles. Consequently, they had to either reincorporate or abandon the project for the time being. They gave up the attempt to get the location themselves and appealed to the West Roxbury & Roslindale St. Railway Company, which is operating a number of miles of track all through West Roxbury, Roslindale and Dedham at present, and that company has come in and asked for the location which the other corporation could not receive. I know that the situation is simply this, that if these track locations are not granted, if there is to be a delay this spring, the road will not be built; the people who furnish supplies for railroads are busy and will not be able to get the material ready, to furnish the rails and the necessary equipment, unless action is taken at once. I hope the matter will not be further delayed by reference. The people of Dorchester are extremely interested, and I hope the aldermen will ask his questions at this time and will allow the order to go through under suspension of the rules.

Ald. DIXON—Mr. Chairman, I will state, for the benefit of the alderman from Wd. 6 (Ald. Berwin) that last Friday a meeting of the Committee on Railroads was called and it was held on Saturday. A quorum of the committee was then present and voted to grant the petition.

Ald. BERWIN—Mr. Chairman, I shall ask that my motion prevail, in order that I may look into the subject. In answer to Ald. Dixon, I will simply say that a member of the committee has told me that he left Boston Friday at 2 o'clock in the afternoon, and that up to that time no notice of the meeting was sent to him. So that the meeting was not called under the rule which provides that at least 24 hours' notice shall be given. I think, as a matter of courtesy, that the action that I suggest should be taken. While I do not live in West Roxbury, I am as much interested in West Roxbury as any member of the Railroad Committee or any member of the Board. If this is something that should be granted, I shall not oppose it. But I certainly have the same rights that members of the Committee on Railroads have. I have yielded to them on many questions and I see no reason why they should not yield to other members of the Board. I have not conferred with the

chairman of the Board of Aldermen in regard to the matter, and am not quoting him, but I have no doubt that he, as well as others, wishes to look into this question. If the matter is referred to the Committee on Public Improvements, we will there have an opportunity to express our views upon it, and can come in at the next meeting of the Board ready to take action.

The CHAIRMAN—The Chair will say, for the information of the gentleman, that he has already referred this matter to the Committee on Public Improvements.

Ald. CODMAN—Mr. Chairman, I will doubt the vote whereby the matter has been declared referred to the Committee—realizing that this discussion has simply been tolerated by the Chair—and ask for a yea and nay vote.

Ald. McDONALD—And I will move, Mr. Chairman, to amend the motion to refer so that the Committee will report back this afternoon. In that way we can act upon the matter this afternoon.

Ald. BRICK—Mr. Chairman, I will vote "yes" on Ald. McDonald's amendment. If that is defeated, I shall vote "No" on the motion to refer.

Ald. CODMAN—I have no objection to that, and will vote in favor of it.

Ald. BERWIN—Mr. Chairman, if that amendment is adopted, I shall have to vote against my own position, because I want time to look into the matter. What is the reason for sending this to the Committee on Public Improvements and then coming back here and having to meet the same difficulties? I am informed that the Committee on Railroads had notices of a meeting sent out to them late on Friday for a meeting which was held Saturday at 11 o'clock. The meeting was not called under the rules, and I raise the point of order that the report of the Committee on Railroads is not in accordance with the rules of the Board.

The CHAIRMAN—The Chair, in order to be able to ascertain the correctness of the point of order raised by the alderman, will have to consult the Clerk of Committees. The question is on the motion to refer the whole subject to the Committee on Public Improvements, with instructions to report back this afternoon, and the Clerk will call the roll. The motion was carried, yeas 11, nays 0.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:—

(1) Report on the petition (referred today) of the N. E. Tel. & Tel. Co. of Mass., for leave to attach its wires to trees on Mt. Pleasant Ave.—that leave be granted.

Report accepted; leave granted on the usual conditions.

(2) Report on the petition (recommitted today) of the Charlestown Gas and Electric Company for leave to erect two poles on Devens St.—recommending the passage of the accompanying order:—

Ordered: That permission be granted to The Charlestown Gas & Electric Company to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by Charles A. Pearson; said poles to be located as follows:—

Devens St., Wd. 5, two poles, 35 ft. by 9 inches, width of sidewalk 10 ft., plan dated March 25, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 36, section 15, of the Revised Ordinances of 1892.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(3) Report on the petition, (referred to-

day), of the American Tel. & Tel. Co. of Mass., for leave to erect poles in Dudley St. and Harrison Ave., and to remove poles in Dudley St.—recommending the passage of the following:—

Ordered: That permission be granted to The American Tel. & Tel. Company of Mass., to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by Albert P. Allen; said poles to be located as follows:—

Dudley St., seven poles, 50 ft. by 13 inches; sidewalk 7 ft. wide.

Harrison Ave., one pole, 50 ft. by 13 inches; sidewalk 9 ft. wide; date of plan April 15, 1899.

Ordered: That permission be granted to the American Tel. & Tel. Co. of Mass., to remove six poles from Dudley St., said poles being shown by blue dots on a plan made by Albert P. Allen, dated April 15, 1899, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 36, section 15, of the Revised Ordinances of 1892.

The work of locating and removing said poles to be completed within ninety days from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(4) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (referred today), for leave to erect and to remove one pole on Ashmont St.—recommending the passage of an order of notice for a hearing thereon Monday, May 1, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order of notice passed.

STATE AID.

Ald. DIXON, for the Committee on State Aid, submitted a report recommending the passage of an order for the payment of aid to soldiers and sailors and their families in the City of Boston, for the month of April under the provisions of the various acts of the Legislature providing for said payments.

The report was accepted and the order passed.

REMOVAL OF TREES.

Chairman BARRY offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree standing on Bellevue St., directly opposite Rutledge St., West Roxbury; said tree being in a dangerous condition; the expense attending the same to be charged to appropriation for Public Grounds Department.

Passed, under a suspension of the rule.

Ald. O'TOOLE offered an order—That the Superintendent of Public Grounds be requested to remove six trees standing in front of the premises of W. H. Elliot on Kendrick St., Brighton; the expense of the same to be charged to the appropriation for Public Grounds Department.

Passed, under a suspension of the rule.

COST OF HEARING ON AUTOMOBILES

Ald. O'TOOLE offered an order—That the expense incurred by the Committee on Public Improvements for a hearing on the petition of the Boston Transit Company be charged to the Contingent Fund, Board of Aldermen.

Passed, under a suspension of the rule.

PROTEST AGAINST NEW BUILDING LAW.

Ald. BERWIN offered the following:—Resolved: That the Board of Aldermen of the City of Boston hereby protests

against the passage of the bill accompanying the report of the Committee on Cities of the General Court, entitled "An Act Relative to the Building Laws of the City of Boston," House bill 1692, believing that the legislation contained therein is unnecessary.

Ordered: That the City Clerk be directed to transmit a copy of this resolve to the Clerk of the House of Representatives.

Referred to the Committee on Public Improvements.

INVESTIGATION OF RAINSFORD ISLAND.

Ald. DIXON offered an order—That the joint special committee on investigation of Rainsford Island be authorized to employ a stenographer for a report of the investigation; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses.

Passed. Sent down.

COPP'S HILL CEMETERY RAILING.

Ald. DIXON offered an order—That the Trustees of the Boston Cemetery Department be requested to have the railing surrounding Copp's Hill Cemetery painted as soon as possible.

Passed.

REPAIRING OF CHRIST CHURCH STEEPLE.

Ald. DIXON offered an order—That the Fire Commissioner be hereby requested to have the woodwork around the clock in Christ Church repaired; the expense of the same to be charged to the appropriation for Fire Department.

Passed.

CANCELLATION OF BOND FOR SIDEWALK AREA.

The CHAIRMAN offered an order—That His Honor the Mayor be authorized to cancel the agreement of Bennett H. Nash, dated the eighth day of November, 1888, holding the city harmless "from and against any and all claims for damages, costs, expenses or compensation, on account of the placing of an area covered by a hyatt light and flagging in Boylston St., in front of or adjoining the premises now or formerly numbered 56 on said street," the immunity of the city from such claims being now secured by chapter 38, section 18, of the Revised Ordinances of 1898.

Passed. Sent down.

ELECTRIC LIGHT, HOLLIDAY ST.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light opposite 348 Holliday St., in Wd. 20 (Dorchester).

Passed.

TALBOT AVE. ELECTRIC CAR LINE.

Ald. McDONALD offered an order—That the Boston Elevated Railway Company be requested to extend its electric line over Talbot Ave., Dorchester, as soon as possible.

Passed.

IMPROVEMENT OF GIBSON PLAYGROUND.

Ald. McDONALD offered an order—That the Park Commissioners be requested to place ropes and bases on the Gibson Playground, Dorchester.

Passed.

SEWALK, WEST EAGLE ST.

Ald. DAY offered an order—That the Superintendent of Streets pave the sidewalks with brick in front of estates on the southerly side of West Eagle St.,

between Brooks St. and Meridian St., Wd. 1; the owner of said estates to furnish brick therefor.

Passed.

SEATS IN MAVERICK SQ.

Ald. DAY offered an order—That the Superintendent of Public Grounds be requested to place seats in the park in Maverick Sq.

Passed.

CROSSWALK ON PLAIN STREET.

Ald. CODMAN offered an order—That the Superintendent of Streets be requested to construct a crosswalk on Plain St., at the junction of Chickatawbut St., Wd. 21.

Passed.

RECESS TAKEN.

The Board voted, at 4:37 P.M., on motion of Ald. Brick, to take a recess subject to the call of the Chair.

The Board reassembled in the Aldermanic Chamber at 6 P.M.

SIGNS.

Ald. DAY, for the Committee on Building Department, (Ald.), submitted reports recommending that leave be granted on the following petitions, referred today:—
M. Hebenstreit, 121 Roxbury St., to project a sign.

Cigar Makers' Social Union, No. 97, for leave to project an illuminated sign at 657 Atlantic Ave., Wd. 7.

Central Associates, for leave to project an illuminated sign at 281 Meridian St., Wd. 1.

Reports accepted, leave granted on the usual conditions.

USE OF THEATRES ON SUNDAY.

The CHAIRMAN offered the following:—
City of Boston,

In the year one thousand eight hundred and ninety-nine.

A Regulation to Amend Chapter 3 of the Revised Regulations of 1898.

Be it ordered by the Board of Aldermen of Boston, as follows:—

Section one, of Chapter three of the Revised Regulations of 1898 is hereby amended by adding thereto the following:—

"No owner, proprietor, lessee or agent of a theatre, public hall or other place of public amusement shall allow the use of such hall on Sunday for any purpose for which an admission fee is charged, except with the consent or approval of the Board of Aldermen."

Referred to the Committee on Public Improvements.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:

(1) Report on the petition of C. A. Gleason (referred today) for leave to erect an awning occasionally in front of Hotel Somerset on Newbury St.—recommending that leave be granted.

Report accepted, leave granted on the usual conditions.

(2) Report on the petition of the Park Square Improvement Association and others (referred today) for the extension of what is now known as Park Sq.—recommending the passage of the following:

Ordered: That all of the open territory between Boylston St. and the southerly line of Eliot St. extended across Columbus Ave. be hereafter designated and known as Park Sq.

Report accepted, order passed.

(3) Reports recommending the passage of orders (on petitions referred today) that the Superintendent of Streets make side walks, with edgestones, owner to furnish material, to be from 3 to 10 inches above gutter adjoining, to be from 5 to 12 ft. in width, as follows:

A. L. Richardson, Trustee, 175 Summer St., Wd. 7, artificial stone.

Joseph J. Cronin, 123 Centre St., Wd. 19; artificial stone.

Wm. A. Whitmore, 227 Hancock St., Wd. 20; artificial stone.

J. P. Buntin, 50 Bicknell St., Wd. 20; artificial stone.

Howard Bros., 22-24 Greenbrier St., Wd. 20; artificial stone.

James V. Devine, 274-282½ Quincy St., Wd. 16; artificial stone.

Charles Miller, 53 Day St., Wd. 22; artificial stone.

Max Arkin, 65 Round Hill St., Wd. 22; artificial stone.

John Keohane, 4, 8 and 10 Shelby St., Wd. 1; brick.

Thomas P. De Neill, 1562 Tremont St., Wd. 19; brick.

Milton W. Hall, 445-453 Blue Hill Ave., Wd. 21; brick.

Wilfred Bolster, 137 Ruthven St., Wd. 21; brick.

O. Reinstein, on Howland St. side of estate 163 Humboldt Ave., Wd. 21; brick.

L. M. Best, 79-81 Burrell St., Wd. 17; gravel.

Catherine Hanrahan, 89 Burrell St., Wd. 17; gravel.

Alfred Pierce, 90 Burrell St., Wd. 17; gravel.

L. M. Best, 32 Marshfield St., Wd. 17; gravel.

(4) Report on the petition of Lizzie G. Thotts (referred today) that the Board of Aldermen estimate the damage to her by the taking of her estate on Porter St. by the Boston Elevated Railway Co.—recommending the passage of an order of notice for a hearing thereon, Thursday, May 4, 1899, at 3 o'clock P. M.

Report accepted, order of notice passed.

(5) Report on the petition of the Trustees of the Essex St. Trust (referred today) for leave to construct areas, etc., under sidewalks on Chauncy and Essex Sts., Wd. 7—recommending the passage of the accompanying order:

Ordered: That the superintendent of Streets be authorized to issue a permit to Charles E. Cotting et al., trustees of Essex Street Trust, to construct, maintain, and use areas with sidewalk light covers and one coal hole opening not exceeding 18 inches in diameter, with sidewalk light covers under and in the sidewalk in front of estate on the corner of Chauncy and Essex Sts., Wd. 7, in accordance with dimensions as shown on plan dated Apr. 24, 1899, on file in the Permit Office of the Street Department.

The work to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed.

(6) Report on the petition of George R. Dugad (referred today), for leave to erect one guy post on Beacon St. and one on Audubon Road—Recommending the passage of the following:—

Ordered, That the Superintendent of Streets be authorized to issue a permit to George R. Dugad to erect, maintain and use one guy post in Beacon St. at or near Audubon Road, and one post in Audubon Road at or near Ivy St., the necessary ropes to be attached thereto; for use in building construction; the work to be completed on or before Dec. 21, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted, order passed.

(7) Report on the petition of J. J. & P. M. Ahern (referred today) for leave to move a wooden building from 93 George St. to Clayton Pl., Wd. 17—Recommending the passage of the following:—

Ordered, That the Superintendent of Streets be authorized to issue a permit to J. J. & P. M. Ahern to move a wooden building, mansard roof, 33 ft. in length by 21 ft. 6 in. in width, by 24 ft. in height, from

No. 93 George St., through George and Langdon Sts. to Clayton Pl. to stone foundation in Clayton Pl., Wd. 17, on the terms and conditions expressed in the ordinance of the City relating thereto.

Report accepted; order passed.

(8) Report on the petition of H. P. Nawn (referred today), for leave to construct a temporary tramway across Western Ave., Wd. 25—recommending the passage of the accompanying order:—

Ordered—That the Superintendent of Streets be authorized to issue a permit to H. P. Nawn, to construct, maintain and use a temporary tramway across Western Ave., near the junction of North Market St., Wd. 25, as shown on plan on file in the Permit Office of the Street Department; the work to be completed on or before December 31, 1899, on the terms and conditions expressed in the ordinances of the city of Boston.

Passed.

(9) Report on the resolution and order (referred today) against the bill reported to the General Court amending the building laws of the City of Boston—that the same ought to pass.

Report accepted, resolution and order adopted.

(10) Report on the order (referred today), authorizing the City Auditor to allow for payment and the City Treasurer to pay outstanding bills incurred by last year's Board for advertising, badges, stationery, telephones and messenger service, the same to be charged to the appropriation for contingent fund, Board of Aldermen—that the same ought to pass.

Report accepted; said order passed.

(11) Report on the regulation (referred today), amending chapter 3, Revised Regulations of 1898, relating to public amusements—that the same ought to pass.

Reported accepted, said regulation adopted under suspension of the rule.

(12) Report on the report of the Committee on Railroads (referred today), in regard to track locations on Washington and other streets, petitioned for by the West Roxbury and Roslindale Street Railway Co.—recommending the passage of the order appended thereto.

The rule was accepted.

Ald. CODMAN asked a suspension of the rule, that the order might be put upon its passage.

Ald. BERWIN—Mr. Chairman, I renew the motion that I made earlier in the session, that the matter be assigned to the next meeting of the Board, and I trust that that motion will prevail. The votes are here, and the members who are interested in the passage of the order will lose nothing by allowing it to lie over to the next meeting. By that time I may perhaps be able to vote more intelligently upon it than I can this afternoon.

Ald. CODMAN—Mr. Chairman, I have nothing to add to my previous statements. I am perfectly satisfied that this Board can grant no location in the city of Boston which will give more accommodation or which is more needed than this is in the proposed section. I think the majority of the members are satisfied with the location and have looked into the matter enough. I am very sorry that the alderman from Wd. 6 has not looked into it, but I have to leave a good many things in his section to him, and I trust that in this case he will leave this to me, giving me a vote for the location of these tracks.

The motion to assign to the next meeting was lost.

The rule was suspended, and the order was read a second time and passed.

CLOSING OF STREETS.

Chairman BARRY offered an order—That the Superintendent of Streets be authorized to issue the necessary permits to the New York, New Haven & Hartford Railroad Co. to close the roadways on the

following named streets during the time necessary for the changing of the grades at the places indicated, viz.:-

Washington St., northerly side from the B. & A. P.R. bridge to Lovering Pl.

Castle St., for about 100 ft. westerly from Washington St.

Motte St., for about 100 ft. easterly from Washington St.

Passed, under a suspension of the rules.

PAYMENT OF LAST YEAR'S BILLS.

Ald. DIXON offered an order—That the City Auditor be authorized to allow for

payment and the City Treasurer to pay the outstanding bills incurred by the Board of Aldermen of last year for advertising, badges, stationery, telephones and messenger service, the same to be charged to the appropriation for contingent fund, Board of Aldermen.

Passed.

GENERAL RECONSIDERATION.

Ald. CODMAN moved a general reconsideration of all votes taken today, trusting that the same would not prevail; lost.

Adjourned at 6:09 o'clock P.M. to meet on Monday, May 1, at 3 o'clock P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, April 27, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, President Kiley in the chair and a quorum present.

DEATH OF EX-PRES. O'BRIEN.

Mr. O'BRIEN of Wd. 6 offered the following:—

Resolved that the common council has been grieved to learn of the death, in early manhood, of Christopher F. O'Brien who, during the years 1893, 1894 and 1895, faithfully served this city as a member of the common council.

He was chosen as its president in 1894 and again in 1895, and discharged his duties in that honorable position in such way as to receive the commendation of his associates.

His career as a member of the city government was marked by integrity, diligence and intelligence; he was unfailing in courtesy to all with whom he came in contact, and his amiability and refinement endeared him to a large circle of friends.

The common council tenders to his family its sympathy in their great sorrow and its assurance that his name will be honored as that of one who did his duty well to the city of his birth.

Ordered, that the clerk of the common council be instructed to forward a copy of this resolve to the family of the deceased.

The resolution and order was read a second time, and the question came on their adoption.

Mr. BRADLEY of Wd. 6—Mr. President and members of the Common Council, it is indeed with sorrow that I rise here to-

night to express my regret at the sudden death of Christopher F. O'Brien. Death, with relentless hand, is indeed unsparing. As a boy plucks the most beautiful flowers, so does death select from this earth those whom we would greatly desire to remain with us. It is indeed sad that the young man should be thus cut off in the flower of his youth, at this time when his steps had first assumed the firm tread of manhood, as he pursued his way in his chosen profession in this city. As a member of this body in 1893, 1894 and 1895, he covered himself with honor and glory. During the years 1894 and 1895 he was selected by the members of the body to represent them as their presiding officer, and during his course as president of the Common Council of this city he distinguished himself by his parliamentary ability and executive skill. The people of Wd. 6 honor and admire his many sterling qualities, and they deeply deplore his death. He was of the most unassuming disposition. I had the honor of his personal acquaintance, and I can say that not only the people of Wd. 6 but the many friends whom he made in business, political and commercial life in this city, deeply deplore his death.

The resolution and order were adopted by a unanimous rising vote.

Mr. O'BRIEN offered an order—That the President and three other members of this body be appointed a committee to represent the Common Council at the funeral of the late ex-President Christopher F. O'Brien.

The order was read a second time and passed.

The President appointed, to serve with himself on said committee, Messrs. O'Brien, Bradley and Badaracco of Wd. 6.

Mr. O'Brien of Wd. 6 moved that, as a mark of further respect to the late Christopher F. O'Brien, the Council do now adjourn.

The motion was carried, and the Council stood adjourned at 7:54 P.M.

CITY OF BOSTON.

Special Meeting of the Board of Aldermen.

Saturday, April 29, 1899.

Special meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 12 o'clock, M., Chairman Barry presiding.

The clerk read the call for the meeting as follows:—

Mayor's office, City Hall.
Boston, April 28, 1899.

To the Board of Aldermen:—

You are hereby requested to assemble in the Aldermanic Chamber, City Hall, on Saturday, April 29, at 12 o'clock, noon, for the purpose of receiving an order passed by the Board of Estimate and Apportionment at its meeting yesterday, appropriating four thousand dollars (\$4000) for purchasing and laying a telephone cable from Moon Island to Long Island. This meeting is made necessary by the provision of law requiring that any appropriation order passed by the Board of Estimate and Apportionment shall be submitted to the City Council within three days thereafter.

Respectfully,

Josiah Quincy, Mayor.

Placed on file.

TELEPHONE CABLE TO LONG ISLAND

The following was received:—

Mayor's Office, City Hall,
Boston, April 27, 1899.

To the City Council:—

I transmit herewith an order passed today by the Board of Estimate and Apportionment appropriating \$4000 for purchasing and laying a telephone cable from Moon Island to Long Island. I also transmit, for your information, copies of communications from the Pauper Institutions Trustees, the chief of the Electrical Construction Division and the Superintendent of the Boston Division of the New England Telephone & Telegraph Company, showing the necessity of this appropriation.

Respectfully,

Josiah Quincy, Mayor.
City of Boston.

In Board of Estimate and Apportionment,
April 29, 1899.

Ordered, That the sum of four thousand dollars (\$4000) be appropriated, to be expended by the Pauper Institutions Trustees in purchasing and laying a telephone cable from Moon Island to Long Island; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Killey,
Lawrence Minot,

Members of the Board of Estimate and Apportionment.

Office of the Pauper Institutions Trustees,
of the City of Boston,

28 Court Square, Room 3, Boston, Mass.,
April 20th, 1899.

Hon. Josiah Quincy, Mayor,
City Hall, Boston, Mass.

Dear Sir:—I submit herewith two letters, one from Mr. Wright, Division Superintendent, and one from Mr. Cottle, Chief of Electrical Construction Division, in regard to the fate of the cable between Long Island and Deer Island, and in regard to a proposed new cable between Quincy and Long Island. The Pauper Institutions Trustees have carefully considered this question and have instructed me to refer these letters respectfully to His Honor the Mayor with the request

that he shall bring the matter before the Board of Estimate and Apportionment and if possible secure an appropriation for the establishment of proper telephone connection on the lines indicated. The Pauper Institutions Trustees feel compelled to take this step inasmuch as the outlay involved in the purchase and placing of a new cable was not contemplated by them at the time of making up the annual budget.

I would also respectfully call the attention of your Honor to the fact that by this cable it will be possible to reestablish, probably with a good measure of permanency, telephonic communication between the city and Long Island, Rainsford Island and Gallops Island, so that the expenditure does not properly belong in any one department, but rather concerns the city as a whole.

I desire also to call the attention of your Honor to the fact that whatever service may be provided for the United States Government on Long Island Head should constitute the basis of compensation by the Government. Hitherto, unless I am mistaken, the service has been furnished largely at least as a matter of courtesy.

Together with the enclosures from the Electrical Construction Division, I submit a map prepared by them, showing the proposed route for the new connection, and also certain photographs showing the condition of the old cable when it was discovered.

Very respectfully yours,

William T. Sedgwick,

Chairman, Pauper Institutions Trustees,
City of Boston,

Office of Electrical Construction Division
of Public Buildings Department,

April 5, 1899.

Parker B. Field, Esq., Agent Trustees of
Pauper Institutions:—

Dear Sir: In accordance with instructions contained in your letter of March 23, we have undertaken to pick up and repair the telephone cable between Deer Island and Long Island with the following result:—

The cable was picked up on the Long Island end and raised until a point was reached about half way to Deer Island Light, where it was found wedged under a boulder. Thence it was followed about two hundred feet farther east, at which point we came to the end of the cable, which was firmly entangled in a five hundred pound anchor, as shown in accompanying photograph. The cable had been broken short off near the anchor, and we are unable to say what has become of the remaining portion, but it was probably carried to sea by the coal barge which fouled it in February last.

It is therefore impossible to make further repairs to this cable and service cannot be restored until a new cable is laid down.

If a new cable is installed between Deer Island and Long Island it will be exposed to the same fate that has met the last one and several others in the vicinity, therefore I would recommend that the new cable be installed between Moon Island and the west head of Long Island, as this locality is much less frequented by shipping and less likely to be disturbed by anchors. The route suggested should also tend to improve the service as the connecting lines are all of more recent construction, many of them being underground.

I enclose copy of the Telephone Company's report regarding this feature, also a sketch showing the proposed route.

The cost of making the installation as outlined above will be four thousand and sixty-one dollars (\$4061.00), which is less than the cost of the old route.

This sum does not include the amount expended in overhauling and repairing the old cables.

Kindly advise me of your wishes in

this matter that I may take the necessary steps to have the service restored at once.

Yours truly,
H. F. Cottle,
Chief of Elec. Const. Div.

City of Boston.

Office of Electrical Construction Division
of Public Buildings Department.

March 31, 1899.

Mr. H. F. Cottle, Chief, Bureau of Electrical Construction, Public Buildings Department, City of Boston, Mass.

Dear Mr. Cottle:—Making reference to proposition to transfer the City's telephone service on Long, Rainsford and Gallop's Islands from the present route via Deer Island to a new one via Dorchester, Squantum and Moon Island, have to say that the Telephone Co. will accept your order for the change at any time, present contract rates to remain unchanged if the class of service is unchanged, provided the city furnishes the necessary facilities for extension of the lines beyond Moon Island. The Telephone Co.'s responsibility for the maintenance of these circuits would extend only to the termination of its present line.

I should say the city's service by the proposed route would be very much more satisfactory in all respects than by the present route, with the possible exception that Deer Island would remain connected with the Winthrop exchange and that any communication between Deer Island and the other islands would have to be transmitted via Winthrop, Boston and Dorchester.

Your present service is dependent upon the Boston underground system to the South Ferry, thence cables across the harbor, thence underground to East Boston, thence underground and aerial line to Winthrop for trunking and aerial cable and wires between Winthrop office and Shirley Gut and beyond Deer Island by maintenance of cable between Deer Island and Long Island—a considerable number of chances for trouble.

Via Dorchester and Moon Island the route would be made up as follows:—Trunks all underground from Boston to Dorchester, aerial cable Dorchester, via Neponset Ave. and Hancock St., to junction of Atlantic and Hancock Sts. in Quincy, thence open wire via Atlantic, Billings and Squantum Sts. across the property of Mrs. Titus to Moon Island.

We shall this year make our underground system complete from the Dorchester office to the corner of Hancock and Atlantic Sts., thus reducing considerably the chances for trouble between the Dorchester office and the point last named.

Yours truly,

(Signed) I. O. Wright, Division Supt.

Ald. McDONALD—Mr. Chairman, while I will probably vote to approve the order coming in from the Board of Estimate and Apportionment, at the same time it seems to me that matters of this kind should first come before the Institutions Committee, for we virtually have not examined into the matter at all. We have the reports, which I have no doubt are correct; but, at the same time, it seems to me we pass orders in a hurry here in the Board of Aldermen without investigating them for ourselves, and I wish to protest against any such business in the future. If matters of this kind are to come before the Board of Aldermen, it seems to me it is the business of the trustees of our various institutions to send their communications first to the Board of Aldermen, have them referred to the committee, and if they are right and proper we can then refer them to the Board of Estimate and Apportionment. We will then understand the subject. I presume, of course, we are obliged to take the orders that have been sent in to us today as being right and proper in every way, but you can see, Mr. Chairman, that it is really rushing

matters through very quickly for us to pass orders coming to us in this manner without an opportunity for investigation. For that reason, sir, I wish to enter my protest at this time, so that in the future unpaid commissions asking for appropriations to this Board, where they should properly come in the first instance.

They can then be referred to the various committees, we can investigate them thoroughly, and if they are necessary we will no doubt vote for them. The unpaid commissions, many of them,—of course, there are exceptions, like the City Hospital, which has been so well managed by Mr. A. Shuman,—leave their business entirely in the hands of the Secretary of their board, the engineer or some clerk, and the business is not done satisfactorily. I know myself of one institution here in the City of Boston where a gentleman was engineer for fourteen years. They disgraced him and made him a fireman, and they promoted the fireman to be an engineer. The unpaid commission allows the doctor or superintendent to go ahead on these matters without any protests whatsoever. I believe that we ought to have an opportunity to look into these matters, through our committees appointed for that purpose. Many of our committees, as I understand, have no meetings at all during the year. Yet here is a subject matter which should be carefully considered by the Committee on Institutions Department. Under the circumstances however, as this may be a necessity, I shall vote for the order that has come from the Board of Estimate and Apportionment today.

Ald. PRESHO—Mr. Chairman, I am glad the alderman recognizes the true light when he sees it shining. I am sure that if he had the same insight into the workings of city affairs when I presented resolutions asking for the rescission of the Board of Estimate and Apportionment act, he would have voted with me on that question. I have for a long time felt as the alderman does, that matters are rushed through here without our having time to consider them. This is a matter, perhaps, of vital public necessity, and we are simply supposed to rise here and assent to the action of the Board of Estimate and Apportionment. I protest against the Board of Aldermen, as representing the people, occupying such a position, and I hope before many days to give the Board a chance to emphasize its opinion of unpaid commissions.

Ald. McDONALD—Mr. Chairman, I did not vote for the resolution petitioning the legislature to abolish the Board of Estimate and Apportionment, for the simple reason that I thought it would be absolutely unnecessary for us to do it at this time. The Board of Estimate and Apportionment is on trial, and it certainly should have an opportunity for this year to show what it can do. But the longer the Board of Estimate and Apportionment is in power, the more it seems to me I am ascertaining very quickly that the time will come when that board must be abolished. I think the citizens of Boston would be better pleased, and I am sure the citizens of Dorchester would be better taken care of, if the appropriations were made up as they have been for years; and then, if we had our own appropriation committee and finance committee, the appropriations could be so distributed throughout the city of Boston as to give more satisfaction to the people than is possible under the present system of the Board of Estimate and Apportionment. I am sure it will be but a short time when the act creating that board is repealed and when the powers it has will go back to where they belong—into the hands of the Board of Aldermen and the Common Council, who are elected directly by the people and who should and do understand what is most needed in the different sections of the city.

The order was approved. Ald. Codman moved to reconsider; lost. Sent down.

JURORS DRAWN.

Jurors were drawn in accordance with the provisions of Chap. 514 of the Acts of 1894, as follows:—

Thirty traverse jurors, first session, Superior Civil Court, April sitting, viz:—

James R. Nickerson, Wd. 24; Phillip N. Branch, Wd. 8; John J. Lynch, Wd. 25; James K. P. Reed, Wd. 22; James Boyle, Wd. 24; John P. McPherson, Wd. 1; Donald A. McDonald, Wd. 15; Charles W. Wait, Wd. 18; Walter F. Mansfield, Wd. 20; Henry McElroy, Wd. 17; Carl O. Merkel, Wd. 25; Carver W. Masters, Wd. 16; Daniel Crowley, Wd. 23; Edw. L. Nelson, Wd. 3; Edw. P. McDonough, Wd. 16; James G. Holt, Wd. 5; Allen F. Spaulding, Wd. 3; George G. Akers, Wd. 8; Wm. F. Nolan, Wd. 13; Arthur Chesterton, Wd. 11; Arle B. Toward, Wd. 22; Hugh L. McCugh, Wd. 23; John G. Hosmer, Wd. 12; Maurice J. Sullivan, Wd. 19; James H. Donovan, Wd. 2; Aaron R. Sanderson, Wd. 19; David H. Campbell, Wd. 24; Louis G. Hale, Wd. 15; Samuel H. Sullivan, Wd. 15; Thomas Sproules, Wd. 19.

Thirty traverse jurors, second session, Superior Civil Court, April sitting, viz:—

Henry W. Dodd, Wd. 11; Joseph B. Brown, Wd. 25; Benjamin F. Macintyre, Wd. 12; Burton L. Longley, Wd. 9; Edward A. Galbraith, Wd. 12; David W. Simpson, Wd. 1; Andrew C. West, Wd. 20; James J. Gillespie, Wd. 17; William Howley, Wd. 14; Harry A. Fisher, Wd. 14; Louis Foss, Wd. 10; John J. Walsh, Wd. 9; Frank C. Merrifield, Wd. 12; Cornelius Foley, Wd. 3; John W. Slavin, Wd. 24; Edward T. Rowe, Wd. 21; Thomas F. Clark, Wd. 2; John C. Foley, Wd. 13; Frank Reed, Wd. 4; John Brown, Jr., Wd. 21; Jacob Rothfuchs, Wd. 23; Charles A. Eaton, Wd. 6; Owen J. Curley, Wd. 15; William J. Melvin, Wd. 24; Frederick C. Johnson, Wd.

14; John O'Hearn, Wd. 1; David F. Gunn, Wd. 25; David Watters, Jr., Wd. 3; Charles W. Palmer, Wd. 19; Fred H. Capper, Wd. 11.

Thirty traverse jurors third session, Superior Civil Court, April sitting, viz:—

Wm. H. Hellyar, Wd. 11; Geo. W. Wardrop, Wd. 16; Fred S. Collins, 8; Clifford N. Barrett, Wd. 12; David M. Gibson, Wd. 24; Michael O'Connor, Wd. 10; John B. Austin, Wd. 1; Stewart E. Hoyt, Wd. 22; James O'Reiley, Wd. 2; John H. Curley, Wd. 18; George A. Brackett, Wd. 21; John E. Brannigan, Wd. 8; Charles A. Watts, Wd. 23; John F. Keating, Wd. 9; Thomas H. McManus, Wd. 6; Frank A. Hewins, Wd. 23; George W. Viles, Wd. 6; Walter H. Elliott, Wd. 1; Wm. H. McKeone, Wd. 18; Wm. J. Clancy, Wd. 15; James Phelan, Wd. 4; Francis L. White, Wd. 9; Arthur E. Williams, Wd. 6; John O'Connell, Wd. 25; Linus E. Clark, Wd. 5; Thomas F. Cummins, Wd. 9; Thomas F. Mahoney, Wd. 2; Jerome L. Kelly, Wd. 17; Michael Casey, Wd. 19; John J. Tobin, Wd. 15.

Thirty traverse jurors, fourth session, Superior Civil Court, April sitting, viz:—

Oscar G. Riddlon, Wd. 17; Louis M. Hammond, Wd. 23; George E. Carter, Wd. 11; Edward B. Edwards, Wd. 6; James McGovern, Wd. 24; Frederick A. Hatch, Wd. 10; John A. Long, Wd. 23; Henry D. Goodale, Wd. 24; Sidney C. Johnson, Wd. 17; George B. Prescott, Wd. 23; Thomas G. Joyce, Wd. 12; Herbert B. Dodge, Wd. 23; William F. Gormley, Wd. 6; Maurice F. Winslow, Wd. 9; Jerome E. Lynch, Wd. 17; William F. Holbrook, Wd. 15; Charles E. Stringer, Wd. 3; Cornelius G. Connelley, Wd. 17; William F. Day, Wd. 21; Thomas J. Flynn, Wd. 16; John F. Greve, Wd. 22; William Love, Jr., Wd. 24; John H. Norton, Wd. 21; Richard Cashin, Wd. 15; Willard C. Tannatt, Wd. 18; John C. Staav, Wd. 13; Thomas F. Ward, Wd. 8; George W. Chester, Wd. 22; Albert S. Claridge, Wd. 10; Daniel F. Buckley, Wd. 18.

Adjourned at 12.40 on motion of Ald. Adams.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, May 1, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Aid. Codman, to dispense with the reading of the records of the last two meetings.

JURORS DRAWN.

Seven grand jurors, United States Circuit Court, May sitting, were drawn in accordance with the provisions of chap. 514, Acts of 1894, viz:

James H. Walsh, Wd. 9; Wm. J. Scott, Wd. 21; Louis J. Stahl, Wd. 21; Frederick W. Clark, Wd. 6; Joseph P. Kees, Wd. 21; Wm. A. Davis, Wd. 6; Wm. J. Parker, Wd. 12

APPOINTMENTS BY THE MAYOR.

Messages were received from His Honor the Mayor, making the following appointments, subject to confirmation by the Board:

(1) Thomas Dwight, to be a member of the Board of Trustees of the Public Library for the term ending April 30, 1903.

(2) Joseph H. O'Neil and Edward H. Dunn, to be members of the Board of Commissioners of Sinking Funds for the term of three years, beginning with the first day of May, 1899.

(3) Louise S. O'Brien, Michael A. Kerrigan, Joseph Lee, and Mrs. Annie E. Quinn, to be Overseers of the Poor in the City of Boston for the term of three years, beginning with the first day of May, 1899.

Severally laid over, under the law.

A message was also received from His Honor the Mayor, notifying the Board that he had this day made the following reappointments, not subject to confirmation by the Board:

(1) Professor Francis W. Chandler, to be a member of the Board of Art Commissioners for the term of five years, beginning with the first day of May, 1899.

(2) George A. Sanderson and Katherine L. Marion, to be members of the Board of Insane Hospital Trustees for the term of five years, beginning with the first day of May, 1899.

Placed on file.

HEARINGS AT 3 O'CLOCK.

1. On petition of the New England Telephone and Telegraph Company of Massachusetts for leave to erect and to remove one pole on Ashmont St., at Ocean St., W. 24.

No objections. Recommended to the Committee on Electric Wires.

2. On petition of G. J. White, for leave to project two bay windows at 11 Norway St., Wd. 10.

No objections. Referred to the Committee on Building Dept. (Ald.).

3. On petition of Jordan, Marsh & Co., for leave to project an awning over a new entrance to their store on Avon St., Wd. 7.

No objections. Referred to the Committee on Public Improvements, on motion of Aid. Codman.

4. On petition of the West End Street Railway Company for a location for double tracks in Charlestown, Causeway and Commercial Sts.

No objections. Recommended to the Committee on Railroads.

5. On petition of Henry G. Nichols et als, trustees under will of E. D. Jordan, that the Board estimate the damages to

them caused by the taking of their land on Irvington St. by the Boston & Albany Railroad Company.

No objections. Referred to the Board of Aldermen, acting as County Commissioners.

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named when appointed, viz.:-

Building Dept.

Boston Elevated Railway Company, for leave to build a wooden addition to building at Oak Sq., near Washington St., Wd. 25.

E. Dodge, for leave to build a wooden building on Dupont St., near Decatur St., Wd. 3.

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz.:-

Charles Tsing, a sign, at 170 Marion St., Wd. 1.

Thomas J. Renwick, a sign, at 196 Dartmouth St., Wd. 10.

Muraine & Small, two barber poles, at 65 Norway St., Wd. 10.

H. Cohen, a sign, at 79 Paris St., Wd. 2.

Charles A. Raymond, an illuminated sign, at 2-8 Tremont St., Wd. 6.

J. H. Gannon, an illuminated sign, at 2 Whitmore St., Wd. 7.

Francis W. Reid, an illuminated sign, at 2807 Washington St., Wd. 21.

Claims.

Fanny Taylor, for payment to Charles E. Loud, of balance remaining from tax sale of estate on southerly side of Dana Place.

Sophonronia N. Herrick, for payment of balance remaining from tax sale of estate on Mt. Vernon St.

Mary Landrie, for payment of balance remaining from tax sale of estate on Weld Hill St.

John Long, for compensation for damage to estates 456-458 Huntington Ave., caused by flooding, on account of negligence of employees of water department.

Mrs. Lavinia A. Barber, for compensation, on account of death of her husband from injuries received while in the employ of the city.

Faneuil Hall, Etc.

Owen W. Rice et als., in aid of Anthony Volta's petition for leave to maintain a boot black stand in front of the Old Court House on Court St.

Electric Wires.

Boston Electric Light Co., for leave to erect poles in Walnut Ave., Parker and Washington Sts., Roxbury, Washington and Malden Sts., city.

Fire Department.

H. C. Whitney, for a public meeting relative to location for the fire engine lately on Dartmouth St.

Supt. of Public Grounds.

Howard Bros., for leave to remove trees at 339-391 Adams St., Wd. 24.

George P. Bancher, for the trimming of a tree at 156 W. Canton St.

Licenses.

James R. Waite, for a permit for the La Blanc sisters, children under 15 years of age, to appear at the Columbia Theatre, for one week, beginning May 1, 1899.

A. L. Griffin, for a permit for Lillian Clair, under 15 years of age, to appear at the Bowdoin Sq. Theatre, for the week beginning May 8, 1899.

Henry H. Sprague, for a license for musical, dramatic and literary entertainments, at Union Hall, 43 Boylston St., for the season ending August 1, 1899.

James C. Little, for a license for flying horses on vacant lot on Washington St., for three weeks beginning May 6, 1899.

L. E. Bow, for a license for flying horses,

on Q St., for the period ending Sept. 15, 1899.

Alvin Spear, for leave to run barges between Highland station and Mt. Benedict Cemetery, and between West Roxbury and Spring St. stations and the Newton and Dedham lines.

Cary F. Johnson, for license to run one or two passenger barges between Forest Hills station and the Cemeteries on Memorial Day, also between West Roxbury station and the grounds of the Caledonia Club on special occasions.

Memorial Day.

John H. Dunn, late captain of Co. I, Ninth Massachusetts Infantry, of the Spanish war, for an appropriation for Memorial Day.

Railroads.

West End Street Railway Company, for leave to lay double curves at the corner of Massachusetts Ave. and Boylston St. Same company, for leave to lay double tracks on Beach St.

Public Improvements.

John C. Inches et al., for leave to place new sidewalk lights in place of existing lights over area in sidewalk at 33-35 Court St., Wd. 6.

Estate of John L. Gardner, for leave to construct an area in sidewalk in front of estate 561 Tremont St., Wd. 9.

John Soley & Sons, for leave to move a building from 521-523 Western Ave., to Mackin St. opposite the Warren School House, Wd. 25.

S. T. Fletcher & Co., to project a permanent awning at 33-40 Clinton St., and 13 and 5 Fulton St., Wd. 6.

McNeil Bros., to erect guy post in Bowdoin St. and to stretch a guy rope across said street.

Petitions for sidewalks, etc.—

Catherine Lombard, 101 Bowdoin Ave., Wd. 20.

First Parish in Brighton, Chestnut Hill Ave., Wd. 25.

J. Goldinger, 106-116 Everett St., Wd. 2.

Catherine F. Erb, 9 Fenelon St., Wd. 20.

J. Goldinger, 51 Morris St., Wd. 1.

B. M. Schwarz, 136 Paris St., Wd. 2.

James Hogan et als., 1-3-5 Victor St., Wd. 16.

Arthur McArthur et al., 56-58 Sawyer Ave., Wd. 20.

John Mahan, 51-57 Deway St., Wd. 16.

Louis Henlein, 10 Morse St., Wd. 20.

Anne M. Badger, 144 Ruthven St., Wd. 21.

M. H. Cobe, 29 Howland St., Wd. 21.

Markets.

Day & Stinson, for leave to construct areas etc., in sidewalk on Merchants Row and No. Market St., in front of cellar No. 6 Faneuil Hall Market, Wd. 6.

CONFIRMATION OF APPOINTMENTS.

Ald. COLBY moved to consider Nos. 6 to 15, inclusive, together.

Ald. O'TOOLE moved to amend by excepting No. 11, and the motion as amended was carried viz.—

Action on appointments of the Mayor, viz.—

6. Josiah H. Benton, Jr., to be a member of the Board of Trustees of the Public Library, for five years beginning May 1, 1899.

7. Albert W. Hersey, to be a member of the Board of Cemetery Trustees, for five years beginning May 1, 1899.

8. Thomas J. Lane, to be a Bath Trustee, for five years beginning May 1, 1899.

9. Alfred De Voto, to be a Music Trustee, for five years beginning May 1, 1899.

10. Samuel H. Durgin, to be a member of the Board of Health, for three years beginning May 1, 1899.

12. Thomas W. Flood, to be Commissioner of Wires, for the term ending April 30, 1900.

13. Charles H. Cole, Joseph M. Harrington,

and John B. McDonough, to be Commissioners, for one year beginning May 1, 1899.

14. John Rea, Cyrus D. Foss, Forrest J. Whitney, and Jeremiah J. Callahan, to be Weighers of Coal, for one year beginning May 1, 1899.

15. Cyrus D. Foss, Forrest J. Whitney, and Jeremiah J. Callahan, to be Measurers of Wood and Bark, for one year beginning May 1, 1899.

The question came on confirmation. Committee—Ald. Dixon and Berwin. Whole number of ballots cast 10, yeas 10, and the several appointments were confirmed.

The Board proceeded to take up No. 11, unfinished business, viz.—

11. Charles E. Stratton, to be a member of the Board of Park Commissioners, for three years beginning May 1, 1899.

The question came on confirmation.

Ald. O'TOOLE—Mr. Chairman, I believe in not being inconsistent. I voted last year for the rejection of Mr. Stratton as Park Commissioner. I see no reason why I should change my position this year—in fact, I think I should make it more emphatic, if possible, in putting my ballot in the box with a "No" on it. Last winter a committee of the Park Department laborers tried for several weeks to have an interview with the chairman of the Commission, Mr. Stratton, and they failed to obtain a hearing. Finally certain influences were brought to bear, and the Mayor gave a hearing in his office one evening to a committee of the Park Department Employees and of the Central Labor Union of Boston. The Mayor of Boston is perfectly willing to have a compromise made in regard to certain suits that the men should wear, but the Park Commission were autocratic and wanted the laborers to have the suits they suggested. Through their committee, the laborers of the Park Department were perfectly willing to use any compromise suit in the way of blue jeans, overalls, anything that was thought applicable to their business as laborers in the Park Department. The Mayor decided that he would see the Chairman of the Park Commission in regard to the matter. As I understand, every effort was made to have a compromise but I failed. For years I have heard of prison gangs in the South and other parts of the country working upon the highways, repairing roads, etc.; but it did shock me a few weeks ago to go through our beautiful parkways and see laborers working on the roads in the garb of common prisoners. I believe, as I have always believed, that laborers are worthy of their hire. They are not too proud to wear certain costumes or apparel suited to their position in life; but I believe when, in a city like Boston, an autocratic commission like the Park Commission takes matters into its own hands and compels the men to wear a certain costume which is objectionable, it is about time for the Board to stand up in its manhood and vote against the confirmation of the Chairman of that Commission. I am willing today to stand here and vote against Mr. Stratton, as I did last year. His nomination was then rejected in this Board, irrespective of either of the political parties, by a vote of 1 to 11, and I trust that his nomination will be rejected today.

Ald. BRICK—Mr. Chairman, while I give full weight in my mind to the reasons set forth by the alderman for refusing to vote for the confirmation of Mr. Stratton it seems to me his position is very unwise. Mr. Stratton has the reputation in this community of a man perfectly capable of filling the position to which he has been nominated. Whatever his views may be in regard to uniforming laborers—and they are certainly unfortunate—still, while we may not agree with all his views, the combination is a reputable one and the Mayor has made it after due consideration; and it seems rather hard and unwise, in view of the facts, that we should refuse to confirm the nomination. Mr.

Stratton is a gentleman, he has given much attention to the affairs of the Park Commission, he is in every way a man of standing in this community, and I think it would be very unwise, as a matter of discipline and routine in the department, if the Board of Aldermen should fail to recognize his true worth.

Ald. O'TOOLE—Mr. Chairman, I dislike to disagree with the alderman, my democratic colleague. I know we will not disagree on party questions. There is nobody who will stand on this floor and advocate from a party standpoint any nomination that the Mayor of Boston may send into this Board sooner than myself. But I would like to ask the alderman from Wd. 8 if he has had any business with the Park Commission. My experience in three years has been this, that the Park Commission of Boston is an autocratic body, and if the alderman has found them different he has been a very fortunate alderman. Mr. Stratton may be an able man for the position, irrespective of my view in the matter—and I wish to say here and now that, if I have to, I will vote alone on the democratic end. I don't want to influence any democratic member of this Board. It makes no difference to me if my vote is the only vote against Mr. Stratton as a member of the Park Commission. He came before the Board of Estimate and Apportionment—and I am very sorry to say this, not wishing to indulge in personalities—and a certain member of that Board told me he was surprised at the very little Mr. Stratton knew regarding the parks of Boston. It does seem to me strange that the Chairman of the Park Commission of Boston should know so little about what is going on for the betterment of the parks of Boston, when millions of dollars have been expended there for the past five or ten years. As I said in my opening statement, I am not speaking today to influence any democratic member on this floor. I do not want to do it. I shall stand here and vote against Mr. Stratton irrespective of the position taken by any other member.

Ald. CODMAN—Mr. Chairman, I would like to ask that this name be assigned for one meeting.

Ald. O'TOOLE—Mr. Chairman, I am perfectly willing.

The motion to assign was declared lost. Ald. Codman doubted the vote and asked for the yeas and nays.

The Board voted to assign the matter to the next meeting, yeas 9, nays 2, Ald. Barry and Brick voting nay.

SALE OF OIL.

A report was received from the Fire Commissioner on the petition of John C. Talbot for a license to keep for sale oils or fluids composed wholly or in part of the products of petroleum, at 1157 Washington St., Dorchester—approving of the same.

Approved by the Board.

LYING-IN HOSPITAL.

A communication was received from the Board of Health on the petition of Annie S. Bates (referred April 3), for license to maintain a lying-in hospital at 115-7 Warren Ave.—approving of the same.

Approved by the Board.

CONSTABLES' BONDS.

The City Treasurer, after approving of the same, submitted the following constables' bonds:—

Charles A. Bancroft, John H. Banks, Charles A. Belford, Joseph H. Blatt, John F. Bowen, James M. Carter, Wm. H. Chick, James J. Clark, Wm. A. Coburn, John J. Conroy, Horace Dennie, Aaron A. Downs, George G. Drew, Cornelius A. Dugan, John A. Duggan, Peter P. Fee, Charles H. Ellisetti, Wm. E. Fitzgerald, Thomas Folger, Elijah D.

Foss, Walter A. Goddard, Charles G. Gousschaire, Abner C. Gray, George W. Green, Joseph Gutentag, John F. Harrigan, John W. Holmes, Edward L. Hopkins, Lewis J. N. Hurie, Thomas Jordan, Gusteen T. Kenerson, Edw. A. Kennedy, George B. Kerr, Edw. J. Leary, Morris F. Lewenberg, George M. Locke, Michael McEleney, Joseph I. McLaughlin, James J. Morgan, George H. Nason, Thomas J. O'Neil, George F. Pierce, Benjamin F. Powell, John G. Ray, Patrick F. Reddy, John H. Riley, John L. Russell, George J. Ryan, B. Franklin Sanborn, Henry J. Schenck, Wm. A. Sheehan, Henry W. Shepard, Charles J. Smith, Forest E. Starr, Anson Stern, Wm. H. Swift, Frederic S. Walker, George L. Wrighton. Approved by the Board.

BAY WINDOWS, ETC.—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, etc.:— Francis Raynes, two, 30-2 Washington St., Wd. 5.

Massachusetts General Hospital, facades, on northeast corner Washington and Bedford Sts., Wd. 7, over both streets.

Orders of notice were passed for hearings thereon on Monday, May 15, at 3 o'clock, P. M., when any parties objecting thereto may appear and be heard.

The chairman submitted the following:—

The joint special committee on Memorial Day, to whom were referred the requests of the various G. A. R. posts and other organizations for allowances from the city for memorial purposes, having considered the subject, respectfully recommend the passage of the accompanying order.

For the Committee,

David F. Barry, Chairman.

Ordered, That the City Treasurer be hereby authorized to pay to the following-named G. A. R. posts and veteran organizations the sum specified for each respectively, the same to be expended for memorial purposes, in accordance with the provision of chapter 76 of the Acts of 1886, and upon conditions that the money shall not be expended for other than memorial purposes, and that any balance remaining shall be set aside as a fund for said purposes, and that each organization and G. A. R. post shall submit to the City Council before July 1, 1899, a report containing a statement of the expenditures from the amount received, together with the number of actual members in the organization, and the number and location of the graves decorated; and a receipt from the officers of the said G. A. R. posts and other organizations, stating that they have received the sums, to be expended in accordance with the provisions of said statute, shall be a full discharge to the City Treasurer for such payments; the sum so paid amounting to eight thousand dollars, to be charged to the appropriation for Mayor, Public Celebrations, Memorial Day, May 30, 1899, viz.:—

| Organization. | Amount. |
|---|---------|
| Dahlgren Post 2..... | 350 |
| Charles Russell Lowell Post 1..... | 370 |
| Abraham Lincoln Post 11..... | 370 |
| John A. Andrew Post 15..... | 370 |

| Trimountain Garrison No. 98, R.A. & N.U. | 235 |

Total\$8,000

The report was accepted; the reading of the items in the order was dispensed with, on motion of Ald. Berwin.

The order was read a second time, and the question came on its passage.

Ald. CODMAN—Mr. Chairman, I want to ask that that order be sent to the Committee on Public Improvements with the petition from Captain Dunn to be reported back today.

Ald. BERWIN in the Chair.

Ald. BARRY—Now, I don't desire to prevent this going to the Committee on Public Improvements, but I want to say what I have to say so that every member of the Board may know it and so that there will be official notice taken of it. Under the act of the Legislature, we have a right to appropriate money for the decoration of soldiers' and sailors' graves on the 30th day of May. That money has been allotted, to the amount of \$3000. The various posts that asked for this amount of money have had their petitions before the Committee on Memorial Day. The amount this year is \$600 less than last year, and every member of the Board knows that each post will have more work to perform this year than last because they have buried many of their comrades during the past year. It was impossible for the Committee to give a single additional dollar over the \$3000. In order to make up the \$600 deficiency of money, the Committee took a proportional share off the amount allotted to each post. Every member of the Committee present agreed to it. There was no other way to do. We could do nothing different, the result being that a post, for instance, that last year received \$400, receives this year \$370, \$30 less; that a post receiving \$325 last year receives \$15 less this year, and that a post receiving \$150 lost \$5. It was the only fair thing to do, and there was nothing else left for the committee to do. We could not put in a dollar extra for one post or another, because that would have made trouble all around. I have my friends in certain posts, and others have theirs. The \$8000 was distributed, the cut down being made in that way. If, after this explanation, the Board sees fit to refer the matter to the Committee, I certainly do not object; but there is no possible way of getting a single dollar more out of that bill, unless we strike at one of these posts, which certainly cannot stand any reduction with the large number of graves they have to decorate.

Ald. PRESHO—Mr. Chairman, I hope this order will be passed at the present time. I do not approve of it entirely, but it is like a great many things that come up in the Board which are matters of public exigency and which we have to pass. I believe there is no necessity for reducing the pay of officials through the hall, and I believe there is no necessity for reducing this amount. But, owing to the way things are being conducted by the Board of Estimate and Apportionment, we are obliged to put up with it. I don't believe in it. But the committee have done the best they can, and therefore I shall vote for the order as submitted.

Ald. CODMAN—Mr. Chairman, I am very sorry, but the chairman seems more frightened than hurt. I had no intention of setting the committee's work back or of overhauling anything the committee has done. I have considerable confidence in the committee as it is made up. But it did seem to me, as one of the members of the Board asked that the reading of the apportionment of the money be omitted, that there could be no harm in having

the matter go to the Committee on Public Improvements. There is a possibility that one or two of the twelve members of this Board might make some suggestion whereby the petition of Capt. Dunn—of which I have no knowledge, but which I assume is relative to some of the soldiers who died in the Spanish war—might be taken care of. I can certainly see no reason why the Chairman or any other member of the Board should object to having the matter go to the Committee on Public Improvements, to be reported back today, and I would suggest that it go there, that we may have an opportunity to consider various features connected with it.

Chairman BARRY in the Chair.

Ald. McDONALD—Mr. Chairman, I am satisfied that the committee which has had this matter in charge—the Memorial Day Committee—has acted properly in the matter of distribution of the money to the several posts; but, at the same time we can act upon the matter in the Committee on Public Improvements and report it back this afternoon, and I think that opportunity should be given to members of the Board of Aldermen who are desirous of looking into it. I am satisfied that the matter has been acted upon properly by the Committee, but I think that those who want to look into it should have an opportunity to do so. I would amend the motion to refer to the Committee on Public Improvements so that the Committee will report back this afternoon, and when it does come back we can act upon it.

The CHAIRMAN—The Chair will say that he has no objection to this being referred to the Committee on Public Improvements, but he believes it was his duty as Chairman of the Committee, in fairness to the other members of this Board, to explain the reasons governing the action of the committee, and to show why the matter came in the form in which it now stands to the Board of Aldermen. The question is on reference.

Ald. PRESHO—Mr. Chairman, I am perfectly satisfied that it shall be referred to the Committee on Public Improvements and reported back this afternoon. It is possible that we may find a way to restore to the posts the sums which they formerly received; and I trust that the matter will be referred to the Committee on Public Improvements, so that if anything can be done in that direction we can take the appropriate action.

The matter was referred to the Committee on Public Improvements, with instructions to report back today.

POLICE.

Ald. BERWIN, for the Committee on Police, submitted the following:

(1). Report on veto message of His Honor the Mayor (referred last year), vetoing order increasing salaries of certain members of the Police Department—that the veto be sustained.

The Board voted, on motion of Ald. Berwin, that the reports be read by their titles.

The report was accepted, and the Board voted to reconsider its previous action.

The question came on the passage of the order, the veto of His Honor the Mayor to the contrary notwithstanding.

Ald. CODMAN—Mr. Chairman, I would like to have that sent to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I rather anticipated that the statesman from Dorchester would have something to say upon this question. This is a report of the Committee on Police, recommending that the veto of His Honor the Mayor of a proposition to raise the salaries of police lieutenants and others be sustained. Everybody knows it is a matter which we went over rather extensively last year; that His Honor the Mayor vetoed orders to increase certain salaries in the Police Department, which passed both branches of the City Government; and that it was also intimated that the Board of Police

did not favor the proposed increases. Now, there is nothing for this Board to do but to sustain the Mayor in this matter. By acting otherwise, we will simply stultify ourselves. The Mayor is unalterably opposed to it and has committed himself to that position, and we are all aware that, with the present financial condition of the city, it will be impossible to make the proposed increases. We might as well meet the issue as it presents itself. It is utterly impossible to furnish the money necessary—much, perhaps, as we would like to have it provided—to pay the increases according to the orders which passed the City Government last year. There is nothing in this matter for the Committee on Public Improvements to consider. We can do nothing except what is recommended by the committee. If we vote in opposition to the Mayor's position, it will simply be an attempt to jolly the policemen and you all know that they will not be deceived by it. That is all there is to this matter. I don't believe the alderman from Wd. 24 (Ald. Codman) would be willing to contribute his annual salary, or the part that has not yet been drawn, towards aiding this cause along. I would be willing to do that if it would do any good, but that is neither here nor there. The fact remains that you can do nothing in this matter but sustain the Mayor's veto.

Ald. PRESHO—Mr. Chairman, not having received notice of the committee meeting at which this was considered, I am rather unfamiliar with the matter. I would therefore ask unanimous consent to have it assigned for one week.

Ald. CODMAN—Mr. Chairman, I have no wish to press my motion to have the matter referred to the Committee on Public Improvements. I simply felt, from the title of it, that it was an important matter, and I did not know but it was one of those mysterious things that the Committee on Police, through its Chairman, sometimes submits to this body. I thought that I would like to obtain certain information in regard to it. I am willing now to withdraw my motion to refer to the Committee on Public Improvements, so as to let the Alderman from Charlestown press his motion.

There being no objection, Ald. Codman's motion was withdrawn and the question came on Ald. Prescho's motion to assign to the next meeting.

Ald. BERWIN—Mr. Chairman, there is nothing involved in this matter. The alderman from Charlestown tells us he was not present at the committee meeting. However, if there is anything he wishes to learn about the matter, I will gladly withdraw so that his motion to assign the matter to the next meeting may prevail.

Ald. PRESCHO—Mr. Chairman, as a member of the Committee last year, I repeatedly appealed to the chairman to have this matter brought up. It was not done. The chairman did not see fit to call a meeting to act upon it. It has now been called up in the committee when I was not present, and I simply want time to look into it.

Ald. BERWIN—Mr. Chairman, I don't want to allow the records to remain with the alderman's statement unanswered, to be read in future years when I am not a member of this Board. Ald. Prescho and myself are both likely to be retired to private life—at least, as far as association with this body is concerned—if the new aldermanic bill meets with the approval of the Governor. Now, I had nothing more to do with holding this matter up last year than any of the other members of the Committee on Police. Under the rules, if a majority of the committee demanded a meeting, I would have to accede to the demand. I could do nothing else. If they simply jolled along with me, not taking any action looking towards a meeting, desiring me to assume the entire burden of not reporting upon the matter, and now claim that they

wanted me to take action looking to a report upon it, I don't know where I fit.

Every member of the Committee is just as responsible for holding the matter up as I was. I did not hurry it along or delay it. The rules of the Board will assuredly bear me out in the statement that the calling of a meeting is not entirely in the hands of the Chairman of a committee. If the chairman does not want to have a meeting, the majority can have a meeting called. However, that is neither here nor there—this has been acted on at a regular meeting of the Committee, and I don't see how the City Government can take a position contrary to that taken by the Mayor. Certainly the salaries will not be raised, no matter what action we take, and if this is to be simply an attempt to jolly the policemen, I will merely say that I am not in that business. That is something with which I will have nothing to do. If we could do something which would be of real benefit to the officers concerned, that would be an entirely different matter.

Ald. PRESCHO—Mr. Chairman, if the alderman wishes to take this time to deliver his valedictory, I do not. I will simply say that I have the rights common to every member of this Board, and that I do not remember receiving any notice of this meeting. I would therefore like to have this matter go over, so that I may have the privilege accorded to every member—time to consider what is acted upon in committees of which I am a member. I will therefore ask the members of the Board to assign this to the next meeting. We all know the persuasive powers of the alderman on my right (Ald. Berwin), who is just now absent. He may have cajoled the other members of the Committee and I want to give him an opportunity to cajole me.

The matter was assigned to the next meeting of the Board.

(2) Report on the petition of Ellen W. Smith (referred Feb. 27), to be paid for the loss of fowls killed by dogs—recommending the passage of the following.

Ordered, That there be allowed and paid to Ellen W. Smith the sum of Eight Dollars, in compensation for the loss of fowls killed by dogs Feb. 4, 1899; said sum to be paid from the income from dog licenses.

Report accepted; order passed.

(3) Report on the petition of Mrs. A. R. Peters (referred March 27), to be paid for the loss of fowls killed by dogs—recommending the passage of the following:—

Ordered:—That there be allowed and paid to Mrs. A. R. Peters the sum of Five Dollars, in compensation for the loss of fowls killed by dogs February 26, 1899; said sum to be paid from the income from dog licenses.

Report accepted; order passed.

(4) Report on the petition of David A. Hollis (referred March 27), to be paid for the loss of fowls killed by dogs—recommending the passage of the following:—

Ordered:—That there be allowed and paid to David A. Hollis the sum of Three Dollars and Seventy-Five Cents, in compensation for the loss of fowls killed by dogs March 21, 1899; said sum to be paid from the income from dog licenses.

Report accepted; order passed.

(5) Report on the order (referred April 12), for the payment of an annuity of \$300 to Sarah E. Leavitt, widow of patrolman Wm. D. Leavitt—that the order ought to pass.

Report accepted; order passed. Sent down.

(6) Report on the communication from the Board of Police (referred April 12), relative to the salaries of matrons at police stations 11 and 13—recommending the passage of the following increase of \$100 per annum:—

Ordered:—That the salaries of the police matrons for Division 11 and Division 13 be fixed at the rate of Two Hundred Dollars per annum for the period during which they are employed.

Report accepted; order passed. Sent down.

(7) Reports that no further action is necessary on the following matters, viz:—
Remonstrance of Sarah J. Boyden and others (referred Oct. 11, 1897) against allowing hawkers and pedlers to cry their wares on certain streets in Roxbury.

Remonstrance of Charles E. French (referred April 21, 1896) against the proposed increase of pay of the police force.

Remonstrance of Charles E. French (referred June 30, 1898) against the proposed increase of pay of patrolmen.

Order (referred Jan. 13, 1898) concerning one day's leave of absence in thirty without loss of pay for policemen.

Accepted. Sent down.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 43 newsboys, 24 bootblacks and 2 flower venders.

Reports accepted; licenses approved by the Board.

(2) Reports on petitions (severally referred today), for leave for children to appear on the stage for week beginning May 1, 1899—that permits be granted, viz:—

James R. Waite, for LaBlanc Sisters, Columbia Theatre.

A. L. Griffin, for Lillian Claire, Bowdoin Square Theatre.

Reports accepted; permits severally granted on the usual conditions.

(3) Reports on petitions (severally referred today), for permits for leave to run barges—that permits be granted, viz:—

Cary F. Johnson, one or two passenger barges between Forest Hills station and the cemeteries on Memorial Day; also between West Roxbury station and grounds of the Caledonian Club on special occasions.

Alvin Spear, barges between Highland Station and Mt. Benedict Cemetery, and between West Roxbury and the Newton and Dedham lines.

Reports severally accepted; permits granted on the usual conditions.

(4) Reports on petitions (severally referred today), for licenses for various amusements—recommending that the same be granted, viz:—

Henry H. Sprague, musical, dramatic and literary entertainments at Union Hall, 48 Boylston St., for the season ending Aug. 1, 1899.

James C. Little, flying horses, vacant lot on Washington St., near Kingsbury St., for three weeks, beginning May 6, 1899.

L. E. Bow, flying horses, Q St., City Point, for period ending Sept. 15, 1899.

Reports severally accepted; licenses granted on the usual conditions.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:

(1) Reports on petitions—that the petitioners be given leave to withdraw, viz:—

Armstrong Transfer Express Co. (referred Feb. 20), to be paid for damage to team caused by a team of the city.

George W. Oliver (referred April 3), for payment to Harry W. Powers of the balance remaining from tax sale of estate on Armandine St.

Elizabeth Schneider (referred last year) to be paid for damage to property caused by breaking of a sewer in Ward St.

Casper Berry (referred last year), to be paid for damage to estate 82-88 Leverett St., caused by leakage from a sewer.

Accepted. Sent down.

(2) Report on petition of Thomas F. Glennon, et als. (referred March 6), for payment of tax balance—recommending the passage of the following:

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Phillips the sum of \$105.65, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the

sale of an estate on Ward St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2380, fol. 219.

Report accepted; order passed. Sent down.

(3) Report on the petition of James W. Horne (referred last year), for payment of tax balance—recommending the passage of the following:

Ordered, That the City Treasurer be hereby authorized to pay to Mary F. Dilling the sum of \$135.02, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, for the sale of an estate on Armandine St., Dorchester, for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 34.

Report accepted; order passed. Sent down.

(4) Report on the petition of John H. Proctor (referred Jan. 9), for payment of tax balance—recommending the passage of the following:

Ordered, That the City Treasurer be hereby authorized to pay to John H. Proctor the sum of \$267.47 being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Elmira St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 71.

Report accepted; order passed. Sent down.

(5) Report on the petition of Harriet B. Preston (referred Feb. 13), for payment of tax balance—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Harriet B. Preston the sum of \$41.48, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mill St. for unpaid taxes of the year 1898, by deed recorded with Suffolk Deeds, lib. 2407, fol. 586.

Report accepted; order passed. Sent down.

(6) Report on the petition of Jane E. Newell (referred Jan. 16), for payment of tax balance—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Jane E. Newell the sum of \$151.41, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 65.

Report accepted; order passed. Sent down.

(7) Report on the petition of George D. Low and Henry M. Williams, trustees (referred March 27), for payment of tax balance—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to George D. Low and Henry M. Williams, trustee, the sum of \$130.50, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Forest Hills St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2531, fol. 116.

Report accepted; order passed. Sent down.

(8) Report on the petition of James A. Floyd (referred April 12), for payment of tax balance—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to James A. Floyd the sum of \$223.80, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Hillside Terrace, for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2531, fol. 539.

Report accepted; order passed. Sent down.

WOODEN BUILDINGS, ETC.

Ald. DAY, for the Committee on Build-

ing Department, submitted the following:

(1) Report of the petition of John E. Cousens (referred April 24) recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to John E. Cousens to build, outside the building limits, a wooden building on rear of Commonwealth Ave., Wd. 25, in excess of range allowed and without the intervention or construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said building to be occupied as a coal elevator.

(2) Report on the petition of John A. Emery (referred March 27), recommending the passage of the following:

Ordered, That the Building Commissioner be authorized to issue a permit to John A. Emery to build, outside the building limits, a wooden addition to building on 24-26 Island St., Wd. 17, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for manufacturing purposes; main building occupied for same purpose.

Reports accepted; orders passed. Sent down.

PROJECTION OF BAY WINDOWS AND SIGNS.

Ald. DAY, for the Committee on Building Department (Ald.), submitted the following:

(1) Reports recommending that leave be granted to project bay windows, in accordance with the following petitions:

James Fitzgerald (referred April 3), two, 375 and 381 Hanover St., Wd. 6.

David Rubinovz, one, easterly corner Huntington Ave. and Heath St., Wd. 19.

Reports accepted; leave granted on the usual conditions.

(2) Report recommending that leave be granted to project signs as follows:

Isaac Shurnick (referred April 12), a sign, at 1206 Columbus Ave., Wd. 19.

William Thibodeau (referred April 12), a sign, at 1659 Washington St., Wd. 12.

Francis Thomas (referred April 12), an illuminated sign, at 931 Boylston St., Wd. 11.

Fayerweather & Ladew (referred April 12), a sign, at 226-228 Franklin St., Wd. 7.

James D. Russo (referred April 12), a barber pole, at 657 Atlantic Ave., Wd. 7.

Rosenauer & Miller (referred April 12), a clock sign, at 33 Causeway St., Wd. 8.

Wyman & Co. (referred April 24), a V-shaped sign, at 637 Atlantic Ave., Wd. 7.

Ambrose W. Isele & Son (referred April 24), a sign, at 53 Pitts St., Wd. 8.

Morris Sails (referred April 24), a pole sign, at 2028B Washington St., Wd. 7.

Henry M. Flynn & Co. (referred April 24), an illuminated sign, at 11 Elm St., Wd. 6.

J. Edward Bauer (referred April 24), an illuminated sign, at 32 Boylston St., Wd. 7.

Rocco Sarni (referred April 24), 3 signs, at 198 Endicott St., Wd. 6.

Emil Heusser (referred April 24), 2 barber poles, at 340 Blue Hill Ave.

John Coasta (referred April 12), 3 barber poles, at 261 North St., Wd. 6.

Frank O. Newton (referred April 12), an illuminated sign, at 13 Franklin Ave., Wd. 6.

D. H. Posner (referred April 12), an illuminated sign, at 25 School St., Wd. 6.

Joseph Seminara (referred April 24), a sign, at 517 Tremont St., Wd. 10.

J. H. Emery (referred April 12), a sign, at 33 Dearborn St., Wd. 17.

Reports severally accepted; leave granted on the usual conditions.

RAILROAD REPORTS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

(1) Report on the petition of the West

End Street Railway Company (recommitted today), for location for tracks on Charlestown and other streets—Recommending the passage of the following:—

Ordered, that in addition to the rights heretofore granted the West End Street Railway Company, to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use double tracks on Charlestown St., from a point where the company's tracks now end in Haymarket Sq. to Causeway St., thence on Causeway St., from a point on said street where the existing tracks of said company now end to Commercial St., and thence on Commercial St. to a point near Hull St.; also a single track, connecting with the above located tracks on Charlestown St., to and connecting with the existing tracks on Haverhill St.; with all necessary curves, cross-overs, switches and connections; said tracks and turn-outs being shown by red lines on a plan made by A. L. Plimpton, dated March 28, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within one year from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(2) Report on the petition of the same company (recommitted April 10), for location for curves at corner of Northampton St. and Harrison Ave., etc.—Recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use additional curves at the junctions of Northampton St. with Harrison Ave., Washington St. and Shawmut Ave., and at the junctions of Dover St. with Harrison Ave., Washington St. and Shawmut Ave., with necessary crossovers, switches and connections; said tracks being shown by red lines on a plan made by A. L. Plimpton, dated February 20, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(3) Report on the petition of the same company (recommitted April 10), for leave to build additional curves, etc., to connect with Grove Hall car house—Recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in

the streets of the City of Boston, said company shall have the right to lay down, maintain and use additional tracks, curves, switches, cross-overs and connections, connecting the Grove Hall car house of said company with existing tracks on Blue Hill Ave., said tracks being shown by red lines on a plan made by A. L. Plimpton, dated March 15, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted, order passed, under a suspension of the rule.

(4) Report on the petition of the same company (recommitted April 10), for leave to lay tracks in City Sq., etc.—Recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the Streets of the City of Boston, said company shall have the right to lay down, maintain and use a single track in City Sq., Park St. and Warren St., Charlestown; said tracks and turn-outs being shown by red lines on a plan made by A. L. Plimpton, dated March 15, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

(5) Reports recommending that orders of notice for hearings on Monday, May 22d, 1899, at 3 o'clock P.M., on the following petitions:—

Waltham, Newton & Forest Hills Street Railway Co. (referred April 24), for a location for tracks, with the right to use the overhead electric system thereon, in Baker, Weld, Maple, Centre, South, New South, Brandon, South and Washington Sts.

West End Street Railway Co. (referred today), for leave to lay double tracks on Beach St.

Same company (referred today), for leave to lay curves at the corner of Massachusetts Av. and Boylston St.

Reports severally accepted; orders of notice severally passed.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted a petition of the Boston Electric Light Co. (referred today), for leave to erect poles in Walnut Ave., Parker and Washington Sts., Roxbury, and in Washington and Malden Sts.,

City Proper—recommending the passage of an order of notice for a hearing thereon on Monday, May 8th, 1899, at 3 o'clock P. M.

Report accepted; order of notice passed.

NATIONAL ORDER OF RAILWAY CONDUCTORS.

Ald. ADAMS offered an order—That His Honor the Mayor be requested to extend the courtesies of the city to the National Order of Railway Conductors on the occasion of their convention in this city, May 26, 1899.

Passed. Sent down.

GIBSON SCHOOL FUND LAND.

Ald. ADAMS offered an order—That a committee to consist of the five members of this Board who are on the Committee on Public Lands be appointed to make an investigation into the condition of all the remaining land known as the Christopher Gibson School Fund Land, held in trust by the Mayor and Board of Aldermen, located on Dorchester Ave. and Gibson St., in Dorchester, and report to this Board its findings and recommendations as to what disposal should be made of this property.

Passed.

CROSS WALK ON ROSEDALE ST.

Ald. ADAMS offered an order—That the Superintendent of Streets be requested to construct a cross walk on Washington St., opposite Rosedale St., Wd. 20.

Passed.

HOLIDAY FOR PAVING DIVISION EMPLOYEES.

Ald. O'TOOLE offered an order—That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow the employees of the Paving Division a holiday, without loss of pay, in part compensation for their services, on July 26, 1899, the day of their annual picnic.

Passed. Sent down.

HOLIDAY FOR SEWER EMPLOYEES.

Ald. O'TOOLE offered an order—That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow the employees of the Sewer Division a holiday, without loss of pay, in part compensation for their services, on June 27, 1899, the day of their annual picnic.

Passed. Sent down.

GRADE OF COPELAND ST. REVISED.

Ald. O'TOOLE offered an order—That this Board establish the revised grade of Copeland St., at Roxbury, in accordance with plan and profile of said street made by Thomas W. Davis, City Surveyor, dated April 5, 1869, and deposited in the office of the City Engineer.

Passed.

REMOVAL OF TREES.

Ald. O'TOOLE offered an order—That the Superintendent of Public Grounds be requested to remove a tree on Westerly St., Wd. 22, the same being in a dangerous condition; also to remove a tree, which is partly decayed, in front of estate 1965 Washington St.; the expense tending the same to be charged to the appropriation for Public Grounds Department.

Ald. CODMAN offered an order—That the Superintendent of Public Grounds be requested to remove tree standing in front of estate of Gerard Bement, on Blue Hill Ave., between Elmo and Glenway Sts., as the said tree is in a dangerous condition; the expense of the same to be charged to the appropriation for Public Grounds Department.

Severally passed, under suspension of the rule.

PLAYGROUND IN WEST END.

Ald. DIXON offered an order—That the board of Park Commissioners be requested, through His Honor the Mayor, to take for park and playground purposes the land bounded by Charlestown, Thacher, Lynn and Cooper Sts.

Passed.

ELECTRIC POLES ON HANOVER ST.

Ald. DIXON offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to direct the Edison Electric Illuminating Company to remove the stumps of their poles from Hanover St.

Passed.

LEAVE TO ATTEND G. A. R. ENCAMPMENT.

Ald. McDONALD offered an order—That His Honor the Mayor be requested to instruct the heads of departments to allow the veterans of the Civil War to attend the Grand Army Encampment in September without loss of pay.

Passed. Sent down.

STREET IMPROVEMENTS IN EAST BOSTON.

Ald. DAY offered an order—That the Board of Estimate and Apportionment be requested to provide the amounts necessary for street improvements in East Boston, as follows:

| | |
|---|---------|

| Curtis St., Chelsea to Saratoga, gravel roadway..... | 1,500 |
| Pope St., Saratoga to Byron, grading etc. Square, junction Princeton, East Eagle and Chelsea, gravel roadway..... | 2,000 |
| | 500 |

Ald. DAY—Mr. Chairman, I move that the reading of that be dispensed with, as I would like to explain the matter.

The motion was carried.

Ald. DAY—Mr. Chairman, all that calls for is to put the streets of East Boston in a proper condition. It does not call for anything fancy, any boulevards or anything in that line. It calls for an appropriation of about \$75,000, to put the streets in proper condition. They are in a wretched condition now, the worst I ever knew. I have been through the whole district, every street, with an expert, have looked at the streets and found out just what is needed, and have gone to the Street Department and got an estimate

of the amount necessary to put the streets in condition. We have some streets there where the gutters are from six inches to a foot higher than the middle of the street, and from time to time the water washes and gullies down the middle of the streets, making them absolutely unsafe for any kind of travel. In the fourth section particularly the streets are in a deplorable condition. I think they are worse in East Boston than in Dorchester, and the other outlying districts, because our section is built up, the street are full of houses, there is no vacant land, and it seems to me a shame that the people of East Boston have to submit to such a condition of affairs. I think it will be a bad thing for the administration if the streets are not put in a better condition than they are in today. The worst of all, it seems to me, is the sidewalk of one of the main thoroughfares to the ferry, leading to Maverick Sq. It is walked over by thousands of people every day. The attention of the administration was called to that a year ago by the senior councilman from Wd. 2, and no attention was paid to it. That sidewalk has been spoken of by the Police Department, and I have no hesitation in saying that it is the worst piece of sidewalk in the city of Boston. If the city is suffering for money, I think the Board of Estimate and Apportionment ought to cut something else and take care of the streets of East Boston.

Ald. PRESHO—Mr. Chairman, I should like very much to make a similar appeal on behalf of Charlestown, if it had not been made so often in vain. I have made appeals so often that I am now tired of doing it. It is well known that the streets of Charlestown are in very bad condition and greatly in need of money, and I want to impress on the members of the Board the fact that if they are going to make any appropriations of the kind they ought to make them for Charlestown. I think if the alderman had appealed as many times as I have he would be rather inclined to be silent at the present time. If the Mayor would only cut off useless expenses, going to the Legislature and consolidating the departments running by unpaid commissions under a single head, so that people not alone outside of the city but outside of the State would not be employed while our own citizens are willing and anxious to work for a fair salary—if he would cut off the Board of Statistics, the Municipal Record and all these useless extravagances he has gone into, we would have money to do such things as the alderman is referring to.

Ald. BRICK—Mr. Chairman, I would like also to make a similar appeal for the business district of Boston—to have its streets taken care of. I have not the slightest doubt that the administration would take care of it if the legislature would let us alone. We all know how recklessly matters affecting the city of Boston are acted upon by the Legislature, where an act can be passed of which the originator has said that he did not know the legal intent, by which the city of Boston this year will lose \$300,000 out of its budget. If the Legislature would not take away from us \$150,000 for a bridge for the benefit of Everett, with very little resulting benefit to Charlestown and a very minute benefit to the rest of the city of Boston, I think we might have the money to take care of Charlestown, East Boston, and above all, the business district of Boston.

Ald. PRESHO—Mr. Chairman, I would like to add just a word. We have heard a good deal of talk about lobbyists. I have been designated as a lobbyist myself by one of the members of the Senate this year because I appeared in behalf of the children of the late Colonel Bogan, when the matter came up for the first time, and I was desired to withdraw by the Chairman of the Committee, the Chairman saying that if I did so he would not oppose the bill.

When I did withdraw, and found out that he was working against it, I appeared there a second time, and he said that he would accuse me of being a lobbyist if I did not withdraw. But I persisted, and finally the bill was passed. I was accused of being a lobbyist, but of all lobbyists it cannot be denied that the Mayor and Corporation Counsel are the busiest. Why, gentlemen, it is a perfect farce to think of the way measures in which we are interested are handled by the Corporation Counsel. We don't have anything to say about them. We are never consulted. We can pass votes, and the Corporation Counsel and his assistants will go up to the Legislature and lobby against them. His Honor the Mayor, the Corporation Counsel and his assistants are the ones who have done the most persistent lobbying at the Legislature which has interfered with the different districts of this city getting the amounts they should have.

Ald. O'TOOLE—Mr. Chairman, I am very sorry to see the alderman from Charlestown interjecting politics into this matter. I will agree with my colleague from Wd. 6, that we want to get better streets in Boston. One thing that has a very important bearing on that is the fact that a Republican legislature will force the city of Boston to pay \$200,000 for a bridge for which we, as members of the city Government, have voted \$50,000. We are not getting the results we should get. Perhaps we will bye and bye, but in the meantime, we have to pay out sums of money for the expenditure of which we are not responsible. I don't think the alderman from East Boston is asking too much. He comes in particularly as an advocate of East Boston, and I hope what he has asked for will be voted.

Ald. PRESHO—Mr. Chairman, it is all very well to pick out a solitary case, such as the Maiden bridge, but there are a number of these cases. There is a great deal of unnecessary expenditure also in this city by reason of unpaid commissions; and a great deal of the burden which has fallen on the city of Boston has been caused by His Honor the Mayor cajoling the members of the Legislature.

The order was referred to the Board of Estimate and Apportionment.

ACCEPTANCE OF LUCAS ST.

Chairman BARRY offered an order—That the Street Commissioners be requested to accept Lucas St.

Passed.

REPAYMENT OF CUT IN WAGES TO FIREMEN.

Ald. CODMAN offered an order—That His Honor the Mayor be requested to report to this Board whether or not any action has been taken towards the repayment to the members of the Fire Department of the amount of wages lost by the 7½ per cent cut down, between the time of the said reduction and the restoration to the old rate, and if not, whether it is his intention to take such action.

Passed.

Ald. COLBY offered an order—That the Committee on Ordinances consider the expediency of requiring that all rubber-tired vehicles shall be equipped with bells, and report their findings to this Board.

Referred to the Committee on Ordinances.

A RECESS TAKEN.

The Board voted, at 4:03 P.M., on motion of Ald. McDonald, to take a recess, subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber, and were called to order at 5:48 P.M.

EFFECT OF PROPOSED SEWERAGE WORKS BILL.

The following was received:—

Mayor's Office, City Hall.
Boston, May 1, 1899.

To the City Council:—

I transmit herewith a copy of House Bill No. 1129, entitled "An Act Relative to the Sewerage Works of the City of Boston," favorably reported by the Committee on Metropolitan Affairs and now pending before the Legislature, together with a letter addressed by the Superintendent of Streets, under date of April 26, 1899, to the members of the sub-committee having this matter in charge, explaining the financial consequences which will result from the passage of this bill in its present form.

As it was my belief that these consequences could not have been fully understood by the members of the Committee before they reported the bill, and that it could scarcely be their deliberate intention to make it impossible to do any further sewer work upon our streets during this financial year, and to compel the closing up of important work already in progress, an opportunity was sought to lay the true state of the case before the committee at its session this morning, and the matter was fully explained by the Superintendent of Streets and myself. As the committee has not seen fit to assent to any modification of the bill, I feel that it becomes my duty promptly to lay the situation before the City Council and the public. The present administration has done everything in its power, so far as the Committee on Metropolitan Affairs is concerned, to avert action which will not only result in the immediate discharge of many hundred skilled sewer workmen, whose services are needed by the city, but will cause great injury to a large number of property owners, who have counted upon obtaining necessary sewer facilities, and will bring a large amount of real estate development to a standstill.

The bill reported also makes it impossible to do any additional construction work upon assessable streets, as this cannot proceed without provision for the construction of sewers. The statement of the Superintendent clearly shows that there is no available balance within the million dollar loan already authorized for this year, for the construction of any sewers in streets, and I have now no recourse except to invite the attention of the City Council and of the public to the threatened action of the legislature.

I desire to add that at the present time the question of the desirability of continuing the assessment plan, whether in connection with the construction of new sewerage works or the maintenance of the existing system, is in no wise at issue. While neither the Superintendent of Streets, the Corporation Counsel nor myself have changed our former opinions as to the merits and justice of the assessment system, as provided for by Chapter 426 of the Acts of 1897, we accept the fact, since the action of the Committee on Metropolitan Affairs, that this system is to be done away with—at least, to the extent provided for by House Bill No. 1129. The only question now at issue is how the financial transition shall be made from the system as it has existed to the new basis provided for in said bill. All that I have asked is that some provision should be made, outside of the million dollars provided for this year—which is already necessarily applied, in the manner explained by the Superintendent of Streets—for the repayment of any sewer charges which tax payers may have a right to recover from the city and for the maintenance of the sewerage system during the present year.

Respectfully submitted,

Josiah Quincy, Mayor.

April 26, 1899.

Committee on Metropolitan Affairs, House of Representatives, Boston.

Gentlemen:—The bill reported by you for the Committee, relative to the sewerage works of the city of Boston, has my careful attention, and I cannot believe that the Committee is fully informed as to the results which would follow the passage of this act as now worded.

As I understand it, the city of Boston is authorized to expend, in the year beginning February 1, 1899, and ending January 31, 1900, \$1,000,000 for the following purposes: Construction of sewerage works, repayment of any sewer assessment or sewerage charge which may be legally repaid, to meet the amount required prior to the first day of February, 1900, for the interest and sinking fund requirements, and to meet the maintenance of such works to February 1, 1900. This gives the following result:—

| | |
|---|-------------|
| Total amount available..... | \$1,000,000 |
| Repayment of assessments, Unknown quantity..... | |
| Interest and sinking fund requirements | \$122,000 |
| Maintenance | 350,000 |
| Land damages (low estimate)..... | 50,000 |
| | 522,000 |
| Leaving for construction, assuming that no assessments or charges are repaid..... | 478,000 |
| Amount required to complete work at Moon Island..... | 239,000 |
| Amount required to complete work at Pumping Station..... | 54,500 |
| Construction expenditures to date..... | 137,000 |
| Total | 480,500 |
| Total amount available for construction | 478,000 |

From the above figures, you can see that, unless provision is made for the items which ordinarily would not come from the \$1,000,000 there can be absolutely no further construction work on sewers in Boston the balance of this year. I cannot believe that any such purpose was in the minds of the Committee, and I can but refer to City Document No. 70 (copy of which I send herewith) to show the great demand for sewerage works. Should House Bill 1129 become a law without change from its present form, the progress and development of the city would be greatly retarded. During the last few years, very large areas of land have been opened up by the building of Brighton Ave., Columbus Ave., Huntington Ave., Blue Hill Ave, and Columbia Road. Branching off from all of these avenues streets are under construction, or ordered, hundreds of houses have been built, and this brings about an unusual demand for sewerage works. As surface construction cannot be taken up until the sewer work is completed, the passage of the bill as reported would mean that all work must stop on Commonwealth Ave.—the loan for which provides that the avenue must be completed before January 1st, 1900—prevent the building of the last section of Blue Hill Ave., on which the sewer work is but just started, make impossible the further construction of Columbia Road and the giving of sewer service to that portion of the road already occupied by several large yacht clubs, and prevent the building of Taibot Ave., for which a street loan has been provided.

On properties assessed at \$2,500,000 between the Fenway and Brookline Ave.—where considerable street work has already been done, but where it is necessary to build an outlet sewer—the building up and development must stop, although several fine houses are started, and it has been the intention of the holders of this property to immediately improve it, and after such improvement, its value would be nearly \$5,000,000.

All work on "323 streets" which it had been planned to build this year would be prevented for the reason that the regular loan for this work does not provide for the

sewers. This must be taken care of from the Sewerage Works loan.

If you will run through the items from page 22 to page 32, inclusive, of City Document No. 70, which I enclose, you will find in detail the sewers which have been petitioned for, and are urgent—and, in some cases, are under construction. All this work must absolutely stop. The sewers must be bulkheaded at the point where the construction is at the present moment, and the very proper requests of the citizens of all sections of the city for sewerage works be refused. As these sewers are paid for in greater part by the parties benefited, and this loan is repaid to the city by them, it does not seem fair to so limit the amount that the great quantity of work which would surely be in progress this season should be stopped. Failure to provide sewers will mean that all the various branches of labor engaged in work which appertains to the development of real estate, commencing at the grading and preparation of land for building purposes, the work of constructing the buildings, and all that this implies, would be very much reduced the coming season.

In addition to the work above referred to, there is certain emergency work which must always receive attention, such as, for instance, orders of the Board of Health to remove conditions dangerous to health, and in the case of breaking of worn-out sewers.

Aside from the financial provisions of the bill, I cannot agree that some of the other changes are wise; but, as that matter has without doubt been discussed by your Committee, I will not now ask a hearing on those points. I would suggest, however, that the sum made available for the current year be \$2,000,000, for the reason that this year the various outside items must be provided for, and the amount available for construction work, even under the \$2,000,000 loan would not nearly supply the demand for sewerage works; and it does seem but reasonable that the man who desires to improve his property should be furnished with a sewer—especially as the cost of same would be borne by him.

I should be pleased to appear before your sub-committee or the full committee with officials of the Sewer Division, to make clear any point upon which the Committee may desire further information. There is certainly no legislation of the present year that is of such vital importance to the development of the city and to every class of citizens as the act which will provide for the construction and maintenance of sewerage works. This must be my excuse, if any is needed, for the length and details of this letter.

Yours very respectfully,
Benjamin W. Wells, Superintendent of Streets.

P. S. Allow me to also call your attention to the fact that the bill authorizing \$2,000,000 for the construction of Bennington St., extension of Malvern St., widening and construction of Morton St., and other streets under 50 feet in width, under the assessable act, would become inoperative, for the reason that none of this work could be undertaken until the sewers were built; no money being provided for the sewers, the work, as contemplated in the act, could not be undertaken.

(Accompanying the above was a copy of house bill No. 1129, entitled "An act relative to sewerage works of the city of Boston.")

Ordered printed and sent down.
In connection with the above, Ald. Codman offered the following:—

Resolved, That, in view of the figures presented in the statement of the Superintendent of Streets this day transmitted to this Board relative to the effect of the carrying out of the provisions of house bill 1129, entitled "An Act Relative to the Sewerage Works of the City of Boston," now pending before the Legislature, the Board of Aldermen respectfully requests that said bill be recommitted to the Com-

mittee on Metropolitan Affairs, or that action upon it be postponed, so that an opportunity may be afforded to the members of this Board to fully investigate the matter and to present their views to the Legislature; and that a committee of five members of this Board be appointed to endeavor to secure the carrying out of this request.

The resolution was read a second time, and the question came on its passage.

Ald. ADAMS—Mr. Chairman and gentlemen of the Board, I believe this is a matter of vital importance, one that is far reaching in its effects on the citizens of Boston. It seems to me that the legislature is making a serious mistake in not allowing the city to borrow money to carry on the work of sewer construction. This is a matter which particularly affects the outlying districts, and it will hold up the development of millions of dollars' worth of property in Dorchester, Roxbury, Brighton and other sections, which are rapidly developing. I sincerely hope that this resolution will pass by a unanimous vote and that the legislature will grant us the courtesy of being allowed the privilege of appearing before the Committee on Metropolitan Affairs, or some other committee, in order to state our views upon this matter. I think the committee on Metropolitan Affairs have certainly not looked into this matter deeply enough and that they have made an error in judgment in reporting a bill which allows the borrowing of a million and a half dollars for street construction, not providing any additional money for the construction of sewers, which is of the first importance, and which must be done before the money can be spent on the streets. In my particular district there are miles of streets today which are suffering for want of sewers, and there are many streets which are fully developed, upon which houses have been built, which are paying large taxes to the City Treasury, and yet it is impossible to get these streets accepted and laid out under the present conditions. I trust, as I said before, that this matter will receive the unanimous report of the Board, and if it does, I think the legislature will grant us the privilege we ask for.

Ald. PRESNO—Mr. Chairman, owing to the representations made by His Honor the Mayor I think it is wise to look into this matter. I do not commit myself to any of the statements made, but I, for one, want to see the best interests of the city subserved; and if there are any large public improvements to be deferred or stopped by the action of the legislature, I would like the Board of Aldermen to look into the matter and then go to the legislature and make representation to that effect.

Ald. CODMAN—Mr. Chairman, in offering these resolutions I regret that I am not able to say much for or against the proposition as submitted to us by His Honor the Mayor today, backed up by figures and data from the Superintendent of Streets; but I well know that a good many statutes and changes in statutes are made at the Legislature without, as I believe, a full knowledge of what the workings of the proposed changes may be. From the statements that have been made today it seems to me that members of the Board can give to the members of the Committee on Metropolitan Affairs who are reporting this change in our Sewer Assessment act a good many points which apparently they have not had placed before them. I consequently have offered this resolution, asking for a delay on their part in acting, in order that I may place myself more closely in touch with the facts and may consult with them as to their reasons for proposing to make the amendment to the sewer act which has been read to us today. I do not wish to be placed as regards my vote in the future on any other resolution. This is simply

a request, as far as I am concerned, for a delay, in order that I may post myself and consult with the committee as to the best possible action they can take for the good of the city at large and for the outlying districts, which I believe will be mostly injured and hampered by restrictions on our Sewer Department—such rigid restrictions that they cannot proceed with some very large undertakings which have been commenced. Also, as I understand the situation, a large amount of the appropriations for widening and improving the streets will be unavailable unless some provision is made for the sewers. Consequently, I am willing to ask for this delay, and propose it, in hopes that the results of investigation will show what the best action may be.

Ald. McDONALD—Mr. Chairman, a peculiar state of affairs confronts the city of Boston. The legislature of Massachusetts seems to be bent on retarding the building up of the outlying districts of the city. If the Legislature wishes to repeal the sewer assessment act, the alternative ought to be to allow the city of Boston to borrow a sufficient sum of money to build the sewers; for if that is not done citizens who are now building residences will be placed in a nice predicament. They will have houses without sewers. The legislature of Massachusetts should be very careful about this matter, and the Board of Aldermen should have a chance to be heard upon it. In Dorchester we have Talbot Ave., Blue Hill Ave., a large number of streets that should be sewered, and how are we to have that work done if some money is not appropriated by the City Government of Boston, or if the Legislature of Massachusetts does not go on and say to us, "Here, you can borrow a million and a half for sewer construction?" If some proper action is taken by the Legislature the work can go on, and I sincerely trust that this resolution will be passed, and that the Committee on Metropolitan Affairs—some of whom, I understand, reside in Dorchester—will listen to the people to whom they should listen. This is a very serious matter, a question that has not arisen here for many years. I sincerely trust that the Metropolitan Affairs committee will listen to the members of the Board of Aldermen, who have the interests of the citizens of Boston at heart. We have been elected by the people to the Board of Aldermen, and we understand what is required in our various sections—more so than members living one hundred miles from Boston can. The whole truth in the legislature of Massachusetts has been that two or three representatives up there carry all these measures through and the rest of them follow in line and vote for them, at times not knowing what they are really voting for—as they acknowledged here a year ago, when a number of them said they didn't understand what they voted for when they voted for this sewer assessment. Now, this not a question of sewer assessment; it is a question of continuing our work here in the city Boston. We cannot stop still. The city is building up rapidly. Take Dorchester, for instance, where eight hundred houses were built last year—what are we going to do? Are we going to stop building there? Are we going to stop building here in the city of Boston, allowing the Legislature to come in and say "you can build your houses, but you cannot have any sewers?" For that reason, I trust that this matter will be seriously considered at the Legislature, for if that bill is passed by the Committee on Metropolitan Affairs seven hundred or eight hundred men will be thrown out of employment. I believe the citizens of Boston are under everlasting obligations to His Honor the Mayor for bringing this matter before the board this afternoon.

Ald. CODMAN—Mr. Chairman, I regret to see the alderman from Dorchester attacking the committee on legislative affairs, because I don't think he hits the nail on the head in doing so. I don't think that committee is to blame for this. I believe the trouble in the past has been that the Legislative committee has taken its cue from the Mayor and has passed nearly everything he wanted, and this year the Mayor has appeared before them and asked them to pass an amendment to a certain measure, and because they have not investigated properly in the past, but have taken too much on the mayor's say-so, they have this year refused to give the usual chance to him to get measures through. The Mayor, finding that out, has come to the Republican members of the Board, as well as to the Democrats of this Board, where he ought to have come before, and has asked them to intercede and to show to the committee that, possibly in this case he is right. But the Committee has been in the habit of being misled by the Mayor of Boston and has taken his word as to the desirability of certain measures, and has found out after they have been passed, within a few months, that they are measures disastrous to one class or the other in this city—either to the property owners or to those who hire property. I believe matters have now come, as they should to a proper head, that instead of the Mayor going up to the Legislature and getting these things through the Committee on Metropolitan Affairs at the State House without this Board knowing anything about them, the Committee has now taken the right stand, that it will not pass this or other measures on the ground that the Mayor says so, and he, in his turn has come to this Board and asked us to express our opinion as strongly as possible, in order that it may be felt by that Committee of the Legislature. I am glad that this matter has come up, and perhaps if many other matters within the last two or three years had come before us in this way it might have been better for the city. Of course, I speak only from my own experience, but I know that a good many statutes which have been placed on the books, and which it has been afterwards discovered should be wiped out, would never have passed if the opinions of this Board had been acted upon in the first instance.

Ald. BRICK—Mr. Chairman, I intend to vote for this resolution—not on account of the situation stated by Ald. Codman, but in order to place the responsibility where it belongs. If the work of the Sewer Department is stopped, as seems necessary under the provisions of this law as intended to be passed by the Legislature at the present time, I want to be able to say to those whom I represent that the responsibility lies with the Legislature, not with the Board of Aldermen acting as their representatives. I want to say that the Legislature of Massachusetts proposes to spend \$1,400,000 for streets, and then, in a very unbusinesslike way, to prevent the building of sewers. The Legislature proposes, I understand, to allow \$600,000 for the building of Bennington St. in East Boston, approximately \$400,000 in Dorchester and \$400,000 additional for the building of boulevards and roadways leading out of the city of Boston—and that money cannot be used, because it would be very poor business policy to build the streets if we cannot build the sewers. Charlestown St., which is in course of construction, if this act is passed by the Legislature cannot be built, because it will be very poor business to start to build the street and afterwards have to build the sewer. I think this matter should be put strongly. It is not a question of the responsibility of the Mayor. I don't take it in that sense. It is a question of bringing this to the mind of the Legislature, asking them to allow us some share in the management of our affairs. Let them

allow the City Government of Boston to at least express a fair and deliberate opinion in regard to financial affairs that properly belong to the citizens of Boston, in the line of providing what is reasonable and right on behalf of the citizens in carrying on these great affairs.

Ald. PRESHO—Mr. Chairman, I would like to ask who is responsible for the sewer assessment act, if not the Mayor of Boston? Who has gone up to the Legislature and asked for this interference? We have not. I will say boldly that nine times out of ten when the Legislature of Massachusetts has interfered with Boston affairs it has been at the instigation of the Mayor of Boston, and that is how the Sewer Assessment Act was passed. I say it is a bad course for any man to pursue to come and ask a favor and then give to the one from whom he is asking it a rap in the face. I thought a reasonable attempt was going to be made to get the legislature to lay this over. If the Legislature is to be attacked in this way, I am going to vote against the resolution.

Ald. ADAMS—Mr. Chairman, I will say positively that in what I have said on the resolution I am not opposed to the rescinding on the part of the Legislature of the iniquitous sewer assessment act. I believe heartily in doing away with that act. As the Alderman from Charlestown, (Ald. Presho), has just said, that act was put on the statute books almost wholly at the behest of the Mayor and the Corporation Counsel, and it seems to me the new aldermen on my right who have attacked the Legislature in this matter have been very unjust to the Legislature. The Mayor last year went up there and asked for this Sewer Assessment Act, and also for the Board of Apportionment Act. Both of those acts have been flat failures, and the citizens of Boston today are crying out against them. By those acts, the Board has been placed in a position where it is impossible practically to do anything for the people. I certainly hope no more bricks will be thrown at the Legislature in connection with this matter, if we expect to gain what we ask for in the petition.

Ald. O'TOOLE—Mr. Chairman, just a few words. I wish to say, in answer to the alderman from Charlestown (Ald. Presho) that the position he has taken in regard to this matter is a very singular one. Every member of the City Government of Boston knows how serious the situation is, and it is not a question of making attacks on the Legislature. If one thousand men in the Sewer Department are thrown out on the street, I trust that Ald. Presho will have in midsummer a storm door on his house which will be so strong that it will be impossible for the 250 or 300 or more sewer men in Charlestown to get inside the bulwarks of the house.

Ald. PRESHO—Mr. Chairman, I want to be fair in this matter. When it was brought by the Mayor, I took the ground that I wanted it fairly considered, I did not want a snap judgment—wanted it fairly considered, and I stated that I was willing to go before the Legislature and have this done if the situation was as the Mayor stated it. I have seen so much juggling with figures since I have been a member of the Government that I have become a little suspicious, and I wanted to examine into it, and, if it was a good proposition, to support it. But when the matter was considered in the Committee on Public Improvements we understood that the members were not going to attack the Legislature, and unless those rumors are withdrawn I shall vote against the order.

Ald. COLBY—Mr. Chairman, this seems to be another one of those cases where we have a full discussion in the Committee on Public Improvements and then members when they come out want to say something for the benefit of the newspaper reporters, the result being that they get at loggerheads among themselves. This is one of the things where

the least said the better. It is proper, perhaps, that the matter should be delayed by the Legislature until it can be looked into, to see whether it is right or wrong; but when the representatives of Dorchester try to square themselves with their constituents they get the whole thing by the ears. I think the proper thing is to have less discussion and more voting on the matter.

The resolution was passed, and the Chairman appointed as the Committee Ald. Codman, Brick, Adams, Barry and Day.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:

(1) Report on the report and order (referred today), concerning appropriations for Memorial Day—that the order ought to pass.

The report was accepted and the order was passed. Sent down.

(2) Report on the petition of S. T. Fletcher & Co. (referred today), for leave to project a permanent awning at 33-40 Clinton St. and 1, 3 and 5 Fulton St., Wd. 6—that leave be granted.

Report accepted; leave granted on the usual conditions.

(3) Report on the petition of McNeil Bros. (referred today), for leave to erect a guy post and stretch a guy rope—recommending the passage of the following:

Ordered, That the Superintendent of Streets be authorized to issue a permit to McNeil Bros. to place, maintain and use one guy post on Bowdoin St., opposite the State House, with the necessary ropes attached thereto; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted; ordered passed.

STAND IN FRONT OF OLD COURT HOUSE.

Ald. CODMAN, for the Committee on Faneuil Hall and County Buildings, submitted a report on the petition of John Leonard, (referred April 24), for leave to maintain a stand for the sale of temperance drinks in front of the Old Court House, on Court St.—Recommending that leave be granted.

Report accepted; leave granted on the usual conditions.

LICENSE OF PURITAN HALL.

Ald. DAY, for the Committee on Licenses, submitted the following:—

Majority Report.

The Committee on Licenses, to whom was referred—April 12—the petition of the Directors of the New England Watch and Ward Society for a hearing on its petition for the revocation of the license for Puritan Hall, 995 Washington St., respectfully report that they gave the hearing requested, at which both parties were represented by counsel, and sufficient evidence was presented, in the opinion of the Committee, to warrant them in reprimanding the agent of the hall for laxity in not seeing that dances were carried on in proper manner. Such a reprimand having been given, and the Committee having been assured that no cause for complaint will be given in the future, they respectfully report no further action necessary.

Minority Report.

Ald. COLBY dissented from the above report, and presented the following:—

"I find myself unable to agree with the majority report of the Committee on Licenses with reference to the complaint

against Puritan Hall, which was referred by this Board to that Committee.

"The evidence submitted by the complainants was clear, full, and overwhelming, and was not substantially denied by the respondent. As a matter of fact, the members of the Committee were unanimous in their findings on the evidence presented as to the occurrences at the Hall, the only difference being as to what action was called for in the premises.

"The violations of all laws of decency, as understood by all classes in the community, were so numerous and flagrant that, in my opinion, some substantial action is called for.

"A mere reprimand amounts to nothing at all, and I recommend that the license of the Hall be suspended for one week."

The question came on the acceptance of the majority report.

Ald. DIXON—Mr. Chairman, I am a member of the License Committee, and we heard the evidence, or most of it, and the Committee agreed to reprimand this man who has the hall. If there are any more complaints from the same parties we will revoke his license. I don't believe, however, in throwing water on a drowning rat. The gentleman, I understand, gave his word that he would not allow this sort of thing at the dances there any more. I don't believe there will be any further trouble and I don't think we should be hard on the gentleman. The committee agreed to reprimand him, and if there were any more complaints we would revoke his license.

Ald. DAY—Mr. Chairman, I am very sorry to disagree with the Chairman of the Committee upon this matter, because during the few months I have been in the Board I have been in substantial agreement with him on almost every question that has come up. But I do not look at the matter as seriously as he does. I heard the evidence on both sides. The evidence presented by the Watch & Ward Society was given by two men whom they hired to go down there to see what was going on. On the other hand, the man who held the license had the testimony of two policemen whom he hired. They testified that nothing improper was going on there, that if there was they would have prevented it. All that was improper about the thing was that the dance was given there and was attended almost wholly by ladies who acted differently from what ladies in a different station of life would act, and their conversation was a little broad, according to the stories related. There was somebody drinking out of a bottle, and there were other little incidents of that kind, which did not seem to be very serious to the policemen who were there. However, it seemed proper to the Watch & Ward Society to go to the Police Department, in order that the thing might be kept going in proper shape. If we take away the license, all that will do is to drive them to another hall, just as when the sparrows are chased away they go somewhere else. It does not seem to me that anything more is demanded than a reprimand of the man who holds the license.

Ald. COLBY—Mr. Chairman, I will state my position in the matter. I recognize perfectly well that it would be useless to expect the same sort of a dance to be maintained in that place on Washington St. that you would expect in Copley Hall. That is perfectly true. But in any public hall licensed in the city of Boston obscene stories that can be heard half way across the hall should be excluded. The people in the lower walks of life have as much right to be defended from that sort of thing as those of higher stations. I claim that we are just as much bound to see that decent shows are given in one section of the town as in another. I agree perfectly, however, that the standard must be different. It would be perfectly

useless to put the same thing on the stage of the Howard Athenaeum that you would put on the stage of the Hollis Theatre. It is not necessary, however, that a performance at the Howard Athenaeum shall be run obscenely in order to captivate trade. I am willing to overlook some things, but, taking the testimony as it was put in, it is perfectly obvious that the people at this dance conducted themselves in an indecent way, that the remarks made there were not proper remarks to make in public, and the general conduct of the thing was such as should not be allowed in any place in the city of Boston. Why, some of the posters put in were indictable, and I understand they have been indicted in one place. The man running the place did not see anything improper until it was called to his attention, and when we spoke to him about it he said he would see that it was stopped. But there is no gentleman in this Board who will sanction any such proceedings as were testified to in that hall. Ever since this matter came up and was brought to the attention of that man—although it is true that it is something which is not in this report, of course,—within a week, posters have been issued, and the matter has been called to my attention by people who object to that sort of thing around their premises, which should not be allowed.

The man himself appeared like a very decent sort of a man. The trouble is that, in his desire for gain—and this is not his business, being a side show, a place which he sublets, looking for a chance to increase his revenue—he allows the mark to be overstepped. I say if the man takes those chances he ought to suffer the consequence. I don't believe, myself, in absolutely revoking his license, but I ask for the substitution of the minority report, that the license may be revoked for a week, simply to teach him a lesson, to show him that the Board of Aldermen refuses to take the ground that, because this is in a community occupied by working people, we don't care what they do. I think we do care, and we feel that they are entitled to the same protection as other places. The only testimony which he offered was the testimony of the two police officers, paid by him, and that is the only compensation they get. I confess it is a little unfortunate that police officers should be paid by the man who runs a show, because human nature, even in our own spheres, is such that it is difficult to get unprejudiced witnesses when their bread and butter is connected with those about whom they are to testify. It is a little unfortunate that those police officers were called in. In the first place, if they testified to anything wrong going on they would be stultifying themselves, by reason of allowing it to occur while they were on duty; in the second place they would be testifying against the man who was paying them for their services. I don't doubt that the officers did not see these wrong things, and I imagine it was not very hard for them not to see. That is the easiest way to get rid of a thing—not to see it.

I don't think the officers intended to deceive in any way. They testified to things as they saw them, but they took pains not to see things as they were. I move that the minority report be substituted for that of the majority.

Ald. PRESHO—Mr. Chairman, I must say that when the Committee on Licenses heard this matter it impressed me as it has Ald. Colby; but I found that this hall was leased, and the gentleman to whom it was leased stated that the gentleman who gave the lease revoked all engagements of the man to whom he leased it, and was willing to submit all future engagements this season to the Committee on Licenses. In view of the fact that there were only two months or less available, we thought a reprimand would be a proper

thing. I fail to see the difference between tweedledum and tweedledee. He does not lose anything if the license is revoked for a week, and the practical effect of a reprimand is to punish him in the eyes of the public for what has occurred there. He has the stigma attached to him, because this matter will undoubtedly appear in the newspapers and the citizens will be warned against the hall. It strikes me that if the gentleman is willing to submit all engagements to this committee, and has revoked the present engagements, made by a previous lessee, we ought to be satisfied. As I said before, I think the difference between revocation for one week and a reprimand is nothing more than the difference between tweedledum and tweedledee.

Ald. COLBY—Mr. Chairman, if that is true, that the gentleman is to submit everything to the Committee, perhaps Ald. Presho knows something about last Friday night's time up there, a notice of which I saw when they advertised something "particularly hot in the town." If everything is to be submitted to the Committee, I don't see how that thing occurs.

Ald. PRESHO—Mr. Chairman, that was shown to the gentleman on the last Board day. Those statements, I suppose, were made in good faith to the Committee. As regards the performance referred to, I was not notified by the Clerk of the Committee in regard to it, but I presume the gentleman has kept his agreement.

Ald. DAY—Mr. Chairman, I will say that I don't know whether it was that show last week or not, but one time about a week or ten days ago a man came up here with some posters. He was looking for some of the License Committee, and the posters were shown to me in the Clerk of Committee's room, and I was asked what I thought of them. I said the posters would be all right to take out to Harvard,—they said there was to be a hot time, and that the Harvard boys would be there—and he said he would do it. I suppose that is the time that has been referred to.

Ald. COLBY—Mr. Chairman, in regard to that poster, I will simply say that it has been some time since I studied French, but I know that not a single word in the whole thing was right. If it was sent over to Harvard College, I don't know but what they would object to the French as much as to the rest of it. I certainly hope I will never again see any such French as appeared on that poster. (Laughter.)

Ald. DOYLE—Mr. Chairman, while I am not a member of the Committee on Licenses, I attended the hearing held in the Committee room, and in view of the fact that the Watch and Ward Society did not have the courage to send any of their members into the hall to see what was going on, I don't think we have any right to take any stock in their arguments in favor of the revocation of this license. They had two hired spotters paid by the society to go in there. On the other hand, two police officers, regularly employed by the City of Boston, testified that in their judgment nothing wrong took place that night. So I don't see why we should revoke this man's license on the testimony of two paid spotters. I hope the report of the majority of the Committee will prevail.

Ald. PRESHO—Mr. Chairman, in regard to this matter having been laid over I will simply say that, as the members well know, Ald. Colby wanted to get away last week, and the matter was laid over to this week.

Ald. O'TOOLE—Mr. Chairman, I am not a member of the Committee, but I think a roll-call would probably be taken on this question, and it is important that every member of the Board should go on record one way or the other upon it. I shall vote with the majority of the Committee, because I believe in majority reports. There is no getting away from the fact,

that if we are to have a house of assignation in certain halls in the city of Boston for abandoned creatures to congregate, where they can corrupt the ideas of young girls who may come in contact with them and make them as abandoned as they are, I think it is the duty of the Committee on Licenses, if such things come to their notice again after this reprimand to revoke the license for this hall or any other hall in Boston where that sort of thing is tolerated. The alderman from Wd. 12 (Ald. Colby) puts it tersely and to the point when he says that this place is frequented by working people of Boston, who have a right to protection in certain directions as much as the people of Copley Sq. or anything else. The question of locality makes no difference—they should have virtue in this hall just as well as in Copley Sq. I think it is the duty of the Committee on Licenses, if this matter comes up again, to revoke the license. I will vote with the committee.

Ald. DAY—Mr. Chairman, if any such thing were shown as the alderman has spoken of, I certainly would be in favor of revoking the license, but there was no testimony whatever to show that anybody was harmed or injured by anything done in the hall, either directly or indirectly. There was nothing to show that young girls frequented it, or anything of the sort.

Ald. COLBY—Mr. Chairman, I question that a little mite. The only absolutely disinterested witness there was Robert A. Wood, a man who does a great deal of good work in a practical way, and who takes a great deal of interest in the sociological conditions of the South End, as well as other sections of our city. In that work he is absolutely unaffected by

politics. He said that he knew of the place only by reputation, but that its reputation in the vicinity was distinctly bad. His testimony as to how that hall stands in the community weighed a great deal in my mind, and on that, and on the testimony we had as to what took place in the hall, I based my findings.

The motion to substitute the minority report for that of the majority was declared lost.

Ald. COLBY doubted the vote and asked for the yeas and nays.

The motion to substitute the minority report for that of the majority was lost, yeas 2, nays 9:—

Yeas—Ald. McDonald, Colby—2.

Nays—Ald. Adams, Barry, Berwin, Brick, Day, Dixon, Doyle, O'Toole, Presho—9.

The majority report was accepted.

THE BUILDING COMMITTEE.

Ald. BRICK—Mr. Chairman, there has been some reference in the press to matters coming before the Building Committee of the Board of Aldermen. I understand that that reference is not based on credible grounds, and I understand it was not made at the instance of Ald. Colby, to whom the articles seemed to refer. I understand that there is no truth in them, and that Ald. Colby has that to state.

GENERAL RECONSIDERATION.

On motion of Ald. Berwin, the Board refused reconsideration on all votes taken today.

Adjourned, on motion of Ald. Berwin, at 6:34 P. M., to meet on Monday, May 8, at 3 P. M.

CITY OF BOSTON

Special Meeting of the Board of Aldermen

Thursday, May 4, 1899.

The Board of Aldermen met in the Aldermanic Chamber, City Hall, at 3 P.M., Chairman Barry presiding, and a quorum present.

The Board of Aldermen then went into session as County Commissioners, to consider the petition of Lizzie G. Thoits, for an estimate of the damage to her by the taking of her estate on Portor St. by the Boston Elevated Railway Company.

G. C. Travis represented the Boston Elevated Railroad Company. B. H. Greenhood appeared for the petitioner.

Mr. Greenhood said the petitioner desired further time to look into the law pertaining to the matter, and asked a postponement for four weeks.

Ald. COLBY raised the point that, under the act, it would be necessary for the petitioner to be amended so as to set forth the names of parties who might be interested, as mortgagors or otherwise, in the property, and thought it would be necessary under the statute to issue fourteen days' notice to anyone having a claim on the property.

Ald. BERWIN thought the request of the petitioner, that the hearing be postponed for four weeks, should be acceded to, and that in the meantime the parties in interest would have an opportunity to determine just their position. He moved an assignment for 4 weeks.

At request of the Chairman, the Clerk read the provisions of Section 108, Chapter 112, of the Public Statutes, relating to the taking of land, and damages therefor, in connection with the location and construction of railroads, as follows:—

"When the lands are mortgaged, both mortgagors and mortgagees, in addition to their rights under the mortgage, shall have the same powers, rights, and privileges, and be subject to the same liabilities and duties, as are provided in this chapter for

land owners in cases of damages arising under section 95; and all petitions for the estimation of such damages shall state all mortgages known by the party petitioning to exist upon the premises. Mortgagors and mortgagees may join in such petition, and the tribunal to which it is presented shall order the petitioner to give notice thereof to all parties interested as mortgagors or mortgagees, by serving on each of them, fourteen days at least before the time of hearing, an attested copy thereof, and of the order thereon, that he may appear at said hearing and become a party to the proceedings."

On motion of Ald. McDonald, Ald. Berwin's motion was amended, so that the matter would be assigned to three weeks from today; and it was voted that the petitioner be directed to bring in the petition in an amended form, in accordance with the statute, so that an order of notice might be issued upon it.

Adjourned, on motion of Ald. McDonald, at 3.30 P. M., to May 25, 1899, at 3 P. M.

THE COMMON COUNCIL.

Thursday, May 4, 1899.

Regular meeting of the Common Council in the Council Chamber, City Hall, at 7:45 P.M., President Kiley in the Chair.

President Kiley, in calling the meeting to order, said: The Council will be in order. Communications from His Honor the Mayor.

Mr. HARVEY of Wd. 24—Mr. President, I rise to a point of order that there is not a quorum present.

The PRESIDENT—The Chair will ask the members present to rise and remain standing until counted.

Twenty-seven members were counted in the chamber.

The PRESIDENT—The Chair will direct the City Messenger to see if any members are present in the ante-room. (The City Messenger made a return of one member in the ante-room.) The Chair will rule the point of order well taken. The Council stands adjourned to next Thursday night at 7:45 o'clock.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, May 8, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P. M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. Presho, to dispense with the reading of the records of the last meeting.

JURORS DRAWN.

Sixteen petit jurors were drawn for the United States Circuit Court, May term, in accordance with the provisions of Chap. 514 of the Acts of 1894, viz:—

- Michael McPhee, Wd. 1; Louis F. Abbott, Wd. 19; Edw. B. Hickey, Wd. 18; Benj. Plumer, Wd. 1; Charles W. Pratt, Wd. 9; Michael J. Enwright, Wd. 5; James W. Galvin, Wd. 22; John A. Carlton, Wd. 2; Joseph H. Green, Wd. 21; Philip F. McBride, Wd. 4; Alexander McInnis, Wd. 23; Michael J. Teahan, Wd. 17; Maurice H. Flanagan, Wd. 23; John J. Lyneh, Wd. 17; Bernard F. Tierney, Wd. 17; Charles R. Piper, Wd. 24.

SUNDAY EVENING AMUSEMENTS.

The following was received:—

Mayor's Office, City Hall.

Boston, May 4, 1899.

To the Board of Aldermen:—

I return herewith without my approval the regulation passed by the Board amending Chapter 3 of the Revised Regulations of 1896 so as to require a permit from the Board of Aldermen for the use of any licensed place of public amusement on Sunday evening, the Board having no authority, in the opinion of the Corporation Counsel, to pass such regulation, as such matter is fully regulated by law under the provisions of Chapter 431 of the Acts of 1895.

Respectfully submitted,

Josiah Quincy, Mayor.

Referred to the Committee on Public Improvements, on motion of Ald. Berwin.

APPOINTMENTS BY THE MAYOR.

Communications were received from His Honor the Mayor, making the following appointments, subject to approval by the Board:—

- (1) James M. Prendergast, to be a member of the Board of Park Commissioners for the term ending April 30, 1901.
- (2) Daniel B. Carmody, to be a Constable of the city of Boston for the term ending April 30, 1900, in connection with his duties as an employee of the Law Department.
- (3) Lyde W. Benjamin, to be a Constable of the city of Boston for the term ending April 30, 1900, in place of Mr. Paul C. Brooks, who was recently appointed a Constable and confirmed as such by your Board, but who has been found ineligible for the position.
- (4) Thomas E. Bates, Thomas H. Lawton, Frederick K. Vinal and Charles R. Williams, to be Weighers of Coal for the term ending April 30, 1900.
- (5) Lawrence N. Hennessy, to be a Measurer of Grain for the term ending April 30, 1900.

Severally laid over, under the law.

STAND AT OLD COURT HOUSE—VETO.

The following was received:—

Mayor's Office, City Hall,
Boston, May 8, 1899.

To the Board of Aldermen:—

I feel obliged to return without my approval the vote of your Board granting permission to John Leonard to maintain a stand for the sale of temperance drinks in front of the Old Court House, on Court St., for the reason that nine persons already hold permits for stands in front of the Old Court House, and that there is obviously no additional room available at the North end of the Court House, which is the only place where such stands can be erected.

Respectfully,

Josiah Quincy, Mayor.

The Board voted to reconsider the vote whereby the permit was granted. The question came on granting the permit, the Mayor's objections to the contrary notwithstanding. The Board refused to grant permission, the vote being yeas 0, nays 11.

FREE MUNICIPAL LECTURES.

The following was received:—

Mayor's Office, City Hall,
Boston, May 8, 1899.

To the City Council:—

I transmit herewith the report of the Advisory Committee on Free Municipal Lectures, giving a summary of the work of the past winter season, and I suggest that the same be printed as a public document.

Respectfully,

Josiah Quincy, Mayor.

(Accompanying the above was the detailed report of the Advisory Committee.) Ordered printed and sent down.

HEARINGS AT 3 O'CLOCK.

On petitions for leave to project bay-windows, viz:—

- 1. Winnie Linden, one at 133 Everett St., Wd. 2.
- The petitioner was given leave to withdraw, at her own request.
- 2. John Lepore, one over Thacher St., and one over the corner of Thacher St. and Thacher Ct., from building 31-33 Thacher St., Wd. 6.
- 3. Henry H. Green, one over the corner of Washington and Indiana Sts., from building 94 Washington St., Wd. 9.
- 4. John C. Haynes, three over Columbus Ave., from building on Columbus Ave., near Terry St., Wd. 18.
- No objections. Severally referred to the Committee on Building Dept. (Ald.)
- 5. Boston Electric Light Co., for leave to erect poles on Walnut Ave., Parker, Washington and Malden Sts.
- No objections. Recommitted to the Committee on Electric Wires.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named:—

Building Department.

The J. O. Whitten Co., for leave to build a wooden addition on rear of 69 Western Ave., Wd. 25.

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz:—

- Kitson Hydro-carbon Heating and Incandescent Lighting Co., an incandescent light, at 1093 Washington St.
- Abner M. Hill, a sign, at 449 Blue Hill Ave., Wd. 20.
- James C. Johnson, two barber poles, at 25 Cunard St., Wd. 18.
- H. Jay Smith, a sign, at 975 Washington St., Wd. 9.
- B. W. Mustasky, a clock sign, at 1093 Tremont St., Wd. 18.
- Quong Lee, a sign, at 726 Dudley St., Wd. 16.

Sam Kee, a sign, at 24 E. Dedham St., Wd. 9.

Frank Di Marchi, a flag and a barber pole, at 158 Canal St., Wd. 8.

Pacific Restaurant Co., an illuminated sign, at 1139 Washington St., Wd. 9.

H. A. Le Bow & Co., 4 V-shaped signs, at 9 and 11 Hayward Pl., Wd. 7.

Cemetery Dept.

Remonstrance of William H. Hyde et als. against allowing the use by the Boston Catholic Cemetery Association of certain land on the northeasterly side of Harvard St. for burial purposes.

Claims.

Albert A. Dyar, to be repaid \$115 with interest thereon, being the amount paid by him for an alleged invalid tax deed of estate 4 Rockingham Ct.

Frank F. Proctor, for payment to Nathaniel L. Foster of balance remaining from tax sale of estate on Bellevue Ave. (lot 117).

Frederick C. Mahoney, to be compensated for injuries received on account of the falling of the elevator at City Hall.

James J. Povers, for compensation for loss of work, etc., caused by injuries received while in the employ of the Sanitary Division.

Electric Wires.

Postal Telegraph-Cable Co., for leave to erect poles in East and West Cottage Sts.

Postal Telegraph Cable Co. and N. E. Telephone & Telegraph Co., that said first-named company be allowed to attach its wires to the poles of the second-named company on Blue Hill Ave. and E. Cottage St.

Boston Electric Light Co., for leave to erect four poles on Mt. Pleasant Ave.

Faneuil Hall, Etc.

Nick Kaliavas, for leave to maintain a stand for the sale of lemonade in front of the Old Court House, during the summer months.

Supt. of Public Grounds.

Washington Realty and Investment Association, for the removal of one tree at 2760 Washington St., and one at 2766 Washington St.

Benj. F. Dewing et als., that some provision be made to prevent caterpillars from injuring the trees on Milford St., and that the trees be trimmed.

Lamps.

Frank T. Lewis et als., for one electric light at the corner of Harrishof and Haley Sts., and another at the corner of Dennison and Haley Sts.

Licenses.

George L. Layman, for leave to run a merry-go-round on vacant lot on D St., for three weeks beginning May 10, 1899.

Memorial Day.

Benjamin Stone, Jr., Post 68, G. A. R., for an appropriation for Memorial Day.

Police (Ald.).

Ellen Hannan, to be paid for loss of fowls killed by dogs.

Public Improvements.

Remonstrance of the City of Chelsea against the closing of Chelsea bridge, North Draw, for the purpose of widening the draw.

S. Bresth, for leave to construct a bulk-head opening in sidewalk at 17 Norman St., Wd. 8.

John W. Wilson for leave to locate a post, with clock thereon, in the sidewalk at 11 Hanover St., Wd. 6.

Remonstrance of Puritan Trust Co. against allowing bootblack stand on Franklin Av., adjoining its building.

Petitions for sidewalks, viz:

Florence Lyman et als., on Canal St., Wd. 8.

Frances James, 2-4 Story St., Wd. 15.
Henry J. Bowen, 99 Old Harbor St., Wd. 15.

Henry J. Bowen, 6-8 Story St., Wd. 15.
Timothy L. Connolly, 33-41 Hunneman St., Wd. 17.

Margaret C. Keenan, 457 Quincy St., cor. Clarkson St., Wd. 20.

Alfred T. Haskell, Columbia Road, n. w. cor. Quincy St., Wd. 20.

Reuben Chapman, 14 Harbor View St., Wd. 20.

Allan J. MacKinnon, 32-34 Hartwell St., Wd. 21.

CONFIRMATION OF APPOINTMENTS.

The Board proceeded to take up unfinished business and on motion of Ald. Presho voted to consider Nos. 5 and 6, together, viz.:-

Action on appointments submitted by the Mayor, viz.:-

5. Thomas Dwight, to be a member of the Board of Trustees of the Public Library, for the term ending April 30, 1903.

6. Joseph H. O'Neil and Edward H. Dunn, to be members of the Board of Commissioners of Sinking Funds for three years beginning May 1, 1899.

The question came on confirmation. Committee—Ald. Presho and Dixon. Whole number of ballots cast 12, yes 12, and the appointments were confirmed. Ald. Presho moved to reconsider; lost.

The Board proceeded to take up No. 7, unfinished business, viz.:-

7. Louise S. O'Brien, Michael A. Kerrigan, Joseph Lee and Mrs. Annie E. Quinn, to be Overseers of the Poor, for the term of three years beginning May 1, 1899.

Ald. DIXON—Mr. Chairman, I move that we take up all the names but that of Mr. Joseph Lee. I want his name laid over for one week.

Ald. COLBY—Mr. Chairman, I would like to know who Joseph Lee is?

Ald. DIXON—Mr. Chairman, I can't tell the alderman who he is.

Ald. CODMAN—Mr. Chairman, I move you that all of No. 7 be laid over for one week.

The motion was declared lost. Ald. Codman doubted the vote and asked for the yeas and nays.

The motion was lost, yeas 5, nays 7:—

Yeas—Ald. Adams, Berwin, Codman, Coiby, Presho—5.

Nays—Ald. Barry, Brick, Day, Dixon, Doyle, McDonald, O'Toole—7.

Ald. CODMAN—Mr. Chairman, I move a reconsideration. It seems to me it would be a good deal better to lay over the whole matter than to pick out any one name, especially the name which the gentleman asks us to assign, when he himself does not know who the gentleman is. There are a number of these appointees whom I do not know, and I would like to investigate the whole subject, to see whether it would not be better to refuse confirmation on all these men. I hope the Board will lay the whole matter over rather than to pick out any one name, unless some good reason is given for picking it out. I therefore hope reconsideration will prevail and that the whole matter will be assigned for one week.

Ald. PRESHO—Mr. Chairman, I hope reconsideration will prevail. I would like to find out between now and the next meeting why Mrs. Quinn's name was transferred from the Trustees of the Children's Institutions.

Ald. CODMAN—Mr. Chairman, I haven't any interest in any particular name here, but, as a committee is out on the investigation, or so-called investigation, of Rainsford Island, perhaps it might be good

policy to lay the name of Mrs. Quinn over, also. I would ask that Mrs. Quinn's name be laid over, and I trust that the Board will be willing to lay over the whole matter.

Reconsideration was declared lost.

Ald. Codman doubted the vote and asked for the yeas and nays. Reconsideration was lost, yeas 5, nays 7:—

Yeas—Ald. Adams, Berwin, Codman, Colby, Presho—5.

Nays—Ald. Barry, Briek, Day, Dixon, Doyle, McDonald, O'Toole—7.

The CHAIRMAN—The question is on taking No. 7 from the calendar, except Mr. Lee's name.

Ald. ADAMS—Mr. Chairman, I move the reference of this whole matter to the Committee on Public Improvements.

The motion was lost.

Ald. CODMAN—Mr. Chairman, I move that the matter be referred to the Committee on Rainsford Island.

The motion was lost.

The question came on taking No. 7 from the calendar, excepting the name of Mr. Lee.

Ald. PRESHO—Mr. Chairman, I move that exception be made also to the name of Mrs. Annie E. Quinn.

Ald. Presho's amendment was declared lost.

Ald. Presho doubted the vote and asked for the yeas and nays.

Ald. Presho's amendment was lost, yeas 3, nays 9.

Yeas—Ald. Adams, Berwin, Presho—3.

Nays—Ald. Barry, Briek, Codman, Colby, Day, Dixon, Doyle, McDonald, O'Toole—9.

The motion to take up all the names except that of Mr. Joseph Lee was declared carried. Ald. Colby doubted the vote and called for the yeas and nays.

The motion was carried, yeas 9, nays 3.

Yeas—Ald. Barry, Berwin, Erick, Day, Dixon, Doyle, McDonald, O'Toole, Presho—9.

Nays—Ald. Adams, Codman, Colby—3.

The question came on confirmation of all the names except that of Mr. Lee. Committee, Ald. Dixon and Colby. Eleven ballots were cast: Yes 10, no 1, and all the appointments except that of Mr. Lee were confirmed.

Ald. DIXON—Mr. Chairman, I move to assign the appointment of Mr. Joseph Lee as a member of the Board of Overseers of the Poor to the next meeting.

Ald. CODMAN—Mr. Chairman, I move that the name of Joseph Lee be sent to the Committee on Public Improvements, with instructions to report back today.

Ald. Codman's motion was lost.

Ald. Dixon's motion to assign Mr. Joseph Lee's name to the next meeting, was declared carried. Ald. Berwin doubted the vote and asked for the yeas and nays.

The motion to assign Mr. Lee's name to the next meeting was carried, yeas 7, nays 5.

Yeas—Ald. Barry, Briek, Day, Dixon, Doyle, McDonald, O'Toole—7.

Nays—Ald. Adams, Berwin, Codman, Colby, Presho—5.

Ald. Dixon moved to reconsider; lost.

The Board proceeded to take up No. 8, special assignment, viz:

8. Action on the appointment of Charles E. Stratton, to be member of the Board of Park Commissioners, for the term of three years, beginning May 1, 1899.

The question came on confirmation.

Ald. O'TOOLE—Mr. Chairman, I move reference to the Committee on Public Improvements.

Ald. BRICK—Mr. Chairman, I would like to amend, that the Committee report back this afternoon.

Ald. O'TOOLE—Mr. Chairman, I accept the amendment.

Ald. CODMAN—Mr. Chairman, I object to that.

Ald. COLBY—Mr. Chairman, I trust that that motion will not prevail. This issue

has been squarely before the Board for a week and was fully debated at the last meeting. I don't know how any member can throw any light upon it more than he can throw in the open Board; and I trust that that motion will not prevail.

Ald. CODMAN—Mr. Chairman, I hope the matter will go to the Committee on Public Improvements, and that it will not necessarily be referred back today. I believe it needs some consideration, and unless the majority thinks advisable I hope the matter will be sent there and not referred back today. However, I am willing to assent to the motion to refer back, and trust that it will be overruled afterwards.

Ald. O'TOOLE—Mr. Chairman, I want to say in regard to this matter that I stood ready last Monday to vote against Mr. Stratton, and the alderman from Dorchester, as a matter of courtesy, asked assignment for a week. I don't ask for any information in regard to this appointment today, but there are several members of the Board of Aldermen, who think, if this is taken into the Committee on Public Improvements, they may get more light on the subject. I see the object of the alderman from Dorchester in desiring assignment to another week—for what purpose I do not care to state on the floor of the board at the present time. I am willing to accede to the amendment offered by the gentleman from Wd. 8. I trust that the matter will go to the Committee on Public Improvements and be returned today.

Ald. DOYLE—Mr. Chairman, I have no desire at this time to hamper the confirmation of Mr. Stratton, but I do desire to say something in the Committee on Public Improvements in reference to his confirmation this afternoon; and I am perfectly satisfied that, if the matter is referred to the Committee on Public Improvements, with instructions to report back today, it will be satisfactorily arranged to all concerned. I trust that the motion to refer will prevail.

Ald. CODMAN—Mr. Chairman, if the gentleman on the other side of the chamber knows the reason why I want this assigned for another week, now is the time to state it. I have no reason for asking assignment for another week. I am ready to vote here and now; but I do not believe in sending this matter to the Committee on Public Improvements with instructions to send it back today. It seems to me to be a farce, because if the majority of the members want to send it back they can do so, and if they don't, they will not. I believe it is very possible that a number of members of this Board may get some information in relation to this matter when it is brought up in the Committee on Public Improvements, and I am willing to vote to have the matter sent there, but the insinuation of the gentleman opposite that he knows the reason why I want it assigned for another week, is not truthful, in my opinion, and if he knows such a reason he knows more than I do. I should like to have it stated right here.

No. 6 was referred to the Committee on Public Improvements, with instructions to report back today.

VETO OF POLICE SALARY INCREASE.

The Board proceeded to take up No. 9, special assignment, viz:

9. Report of the Committee on Police on message of the Mayor (referred December 19, 1898), vetoing an order increasing the salaries of certain members of the Police Department, recommending that the veto of His Honor the Mayor be sustained.

The CHAIRMAN—The Chair will rule at this time that No. 9 is not properly before this board. The matter involved is a vote of the government of 1898, action in which this government took no part. It seems to the Chair that the proper return to be

made should be that "no action is necessary," and the Chair will refer the matter to the Committee on Police.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, viz: B. A. Dyer, two, corner Quincy and Magnolia Sts., Wd 20; James H. Laby, one, 10 Tremont St., Wd 3.

Orders of notice were passed for hearings thereon on Monday, May 22, at 3 o'clock, P. M., when any parties objecting thereto may appear and be heard.

STORAGE OF OIL.

A report was received from the Fire Commissioner on the petition of Edwin R. Flint for a license to store and keep for use oils or fluid composed wholly or in part of the products of petroleum, at 62 Western Av., Wd. 25—approving the same. Approved by the Board.

LIST OF MISCELLANEOUS RECORDS.

The following was received:—

Office of City Clerk, City of Boston,
City Hall, May 8, 1899.

To the Board of Aldermen of the City of Boston:—

I transmit herewith a list of record books of the cities and towns annexed to Boston, and of records of churches and religious societies which have ceased to have a legal existence, the care of whose records is not otherwise provided by law, and which are in my possession, together with a list of a large number of miscellaneous books, pamphlets, documents, papers, etc., pertaining to Boston and its annexed territory, most of which, for lack of better provision for their custody and safety, are now stored in the fire-proof room in the basement of City Hall. These records, documents, etc., I have had classified and arranged in shelves and drawers, and respectfully ask that said list be printed.

Respectfully submitted,

J. M. Galvin, City Clerk.

Placed on file.

CONSTABLES' BONDS.

The City Treasurer, after having duly approved of the same, submitted the following list of constables' bonds:—

Charles H. Cole, William P. Cook, Henry H. Dewey, Robert J. Dooley, Charley A. Glover, John J. Henry, George M. Hosmer, Gustavus B. Hutchinson, Edward W. Kelly, Russell R. Knapp, Clarence H. Knowlton, Joseph A. Langone, James F. Larkin, William A. Mason, James Needham, Thomas D. Roberts, David Schapero, John J. Sullivan, Frank Yennaco.

Approved by the Board.

LEAGUE OF AMERICAN MUNICIPALITIES.

A communication was received from B. F. Gilkison, secretary of League of American Municipalities, enclosing communication and resolution for the purpose of having the city become a member of the League.

Placed on file.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 72 newsboys, 23 bootblacks and 1 flower vender.

Reports severally accepted; licenses granted on the usual conditions.

(2) Report on the petition of George L. Layman (referred today), for leave to run a merry-go-round on vacant lot on D St. for three weeks beginning May 10, 1899—that leave be granted.

Report accepted; leave granted on the usual conditions.

PROJECTION OF SIGNS, ETC.

Ald. DAY, for the Committee on Building Dept. (Ald.), submitted the following:

(1) Reports on petitions for leave to project signs, etc.—recommending that leave be granted, viz:—

Henry W. Hubbard (referred April 12), illuminated sign, 117 Clifton St., Wd. 16.

Charles A. Raymond (referred May 1), illuminated sign, 2-8 Tremont St., Wd. 6.

George Burwell & Sons (referred April 24), sign, 569-573 Washington St., Wd. 7.

J. H. Gannon (referred May 1), illuminated sign, 2 Whitmore St., Wd. 7.

H. Cohen (referred May 1), sign, 79 Paris St., Wd. 2.

Muraine & Small (referred May 1), two barber poles, 65 Norway St., Wd 10.

Thomas J. Renwick (referred May 1), sign, 196 Dartmouth St., Wd. 10.

Charles Tsing (referred May 1), sign 170 Marion St., Wd. 1.

Francis W. Reid (referred May 1), illuminated sign, 2807 Washington St., Wd. 21.

Reports severally accepted; leave granted on the usual conditions.

(2) Report on the petition of Francis Peabody, Jr., et als., trustees (referred April 12), for leave to construct a portion of basement of building on Atlantic Ave., East and Essex Sts. at grade 7, and a portion at grade 3—that the petitioners have leave to withdraw at their own request. Accepted.

WOODEN BUILDINGS, ETC.

Ald. DAY, for the Committee on Building Department, submitted the following:—

(1) Report on the petition of Henrietta Goldsmith (referred April 3)—Recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to build, outside the building limits, a wooden building on 1281-1283 Tremont st., cor. 3-5 Prentiss st. and 9 Prentiss st., Wd. 18, in excess of range allowed and without the intervention or construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said building to be occupied for mercantile purposes.

(2) Report on the petition of the Boston Elevated Railway Company (referred April 24)—Recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to the Boston Elevated Railway Company to build, outside the building limits, a wooden addition to building on Oak Sq., near Fanueil St., Wd. 25, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied as a car-house; main building occupied for same purpose.

Reports severally accepted; orders severally passed. Sent down.

POLES FOR RAILROAD.

Ald. DIXON, for the Committee on Railroads, submitted a report on the petition of the West Roxbury & Roslindale Street Railway Co. (recommitted Jan. 30), for a location for tracks on Ashland and other streets, etc.—Recommending the passage of the following:—

Ordered, That permission be granted to the West Roxbury & Roslindale Street Railway Company to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by Hodges & Harrington, dated Jan. 21, 1899; said poles to be located as follows:—

Canterbury St., 5 poles, 28 ft. in height, 3 in. in diameter; width of sidewalk, 7 ft. The Superintendent of Streets is hereby authorized to issue permits for opening

and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within six months from the date of the passage of this order.

The report was accepted, and, on motion of Ald. Berwin, the order was referred to the Committee on Public Improvements, with instructions to report back this afternoon.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:—

(1) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. and the Boston Automatic Fire Alarm Company (referred from last year) that leave be granted to the last named Company to attach its wires to poles of the first named company on Hampden and Dudley Sts.—recommending the passage of the accompanying order:—

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to allow the attachment of, and to the Boston Automatic Fire Alarm Company to attach the wires of said Fire Alarm Company to, poles of said Telephone Company on Hampden and Dudley Sts.

Report accepted, order passed under suspension of the rule.

(2) Report on the petition of Joseph Herman & Company (referred April 18) for the removal of a pole of the Boston Electric Light Company on Dudley St., corner 2307 Washington St., Roxbury—Recommending the passage of the accompanying order:

Ordered—That the Boston Electric Light Company be hereby directed to remove the pole belonging to said company, located at the corner of Dudley St and 2307 Washington St.

Report accepted, order passed under suspension of the rule.

(3) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (referred April 12) for an extension of time in which to relocate poles on Rockland St., Wd. 25—Recommending the passage of the accompanying order:

Ordered: That the time allowed The New England Telephone and Telegraph Company of Mass. in which to relocate poles on Rockland St, Wd 25, under the order passed by this board June 14, 1898, be and the same is hereby extended to July 1, 1899.

Report accepted, order passed under suspension of the rule.

(4) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted from last year) for leave to erect and remove poles in Geneva Av. and Park St., Wd. 20—Recommending the passage of the accompanying orders:

Ordered, That permission be granted to N. E. Tel & Tel Co. of Mass. to place and maintain poles for the support of wires at points designated by blue dots on plans deposited in the office of the Superintendent of Streets, made by C. A. Perkins; said poles to be located as follows:—

Geneva Ave., 2, 35 ft. x 11 inches, sidewalk 8 ft. wide, plan dated November, 1889; Park St., 1, 30 ft. x 10 inches, sidewalk 7 ft. wide, plan dated 1891.

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to remove two poles from Geneva Ave. and one pole from Park St., said poles being shown by red dots marked "removed" on plans made by C. A. Perkins, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said poles to be completed within ninety days

from the date of the passage of this order.

Report accepted; order passed under suspension of the rule.

(5) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted April 24), recommending the passage of the following:—

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser; said poles to be located as follows:—

Sigourney St., Wd. 22, four, 35 ft. x 13 in., sidewalk 7 ft. wide; Beethoven St., Wd. 22, five, 35 ft. x 13 inches, sidewalk 7 ft. wide; Landseer St., Wd. 23, four, 35 ft. x 13 inches, sidewalk 6 ft. wide—date of plan, March 23, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(6) Report on the petition of the N. E. Tel. & Tel. Co. (recommitted April 24)—recommending the passage of the accompanying order:

Ordered, That permission be granted to The N. E. Tel. & Tel. Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser; said poles to be located as follows:—

Adams St., 8 poles, 35 ft. x 13 inches, width of sidewalk 7 ft.; Hillside St., 2, 35 ft. x 13 inches, width of sidewalk 7 ft.; Ocean St., 3, 35 ft. x 13 inches, width of sidewalk 7 ft.; Roslin St., 2, 35 ft. x 13 inches, width of sidewalk 8 ft.; Paris St., 4, 35 ft. x 13 inches, width of sidewalk 8 ft.; Hooker St., 4, 35 ft. x 13 inches, width of sidewalk 7 ft.—date of plan March 31, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within six months from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(7) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted April 24)—recommending the passage of the accompanying orders:—

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to place and maintain a pole for the support of wires at a point designated by a blue dot on a plan deposited in the office of the Superintendent of Streets, made by C. A. Perkins; said pole to be located as follows:—

Brookside Ave., Wd. 22, 1, 35 ft. x 13 inches; width of sidewalk, 7 ft.; plan dated April 23, 1892.

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to remove one pole from Brookside Ave., Wd. 22, said pole being shown by a red dot on a plan made by C. A. Perkins, dated April 23, 1892, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying street for placing and maintaining said pole on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said pole to be completed within ninety days

from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(8) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted April 24), recommending the passage of the accompanying order:—

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser; said poles to be located as follows:—

E St., 24, 35 ft. x 13 inches; sidewalk, 10 ft. wide; plan dated March 1, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(9) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted April 24)—recommending the passage of the accompanying order:—

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser; said poles to be located as follows:—

Munroe St., Wd. 21, 3, 25 ft. x 13 inches, sidewalk 8 ft. wide, plan dated March 2, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed under suspension of the rule.

(10) Report on the petition of the N. E. Tel. & Tel. Co. of Mass. (recommitted May 1), recommending the passage of the accompanying orders:—

Ordered, That permission be granted to The N. E. Tel. & Tel. Co. of Mass. to place and maintain a pole for the support of wires at a point designated by a blue dot on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser; said pole to be located as follows:—

Ashmont St., Wd. 24, 1, 35 ft. per 12 in., sidewalk 7 ft. wide, plan dated March 9, 1897.

Ordered, That permission be granted to the N. E. Tel. & Tel. Co. of Mass. to remove one pole from Ashmont St.; said pole being shown by a red dot marked "removed" on a plan made by G. H. Dresser, dated March 9, 1897, and deposited in the office of the Superintendent of Streets.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying street for placing and maintaining said pole on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said pole to be completed within ninety days from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(11) Reports on the petitions (referred to-day) of the Boston Electric Light Company for leave to erect four poles on Mt. Pleasant Ave., and of the Postal Telegraph Cable Company, for leave to erect poles in East and West Cottage St.—Recommending the passage of orders of notice

for a hearing thereon on Monday, May 15, at 3 P.M., to take into consideration the expediency of granting the prayer of the petitions, when any parties who object thereto may appear and be heard.

Reports accepted, orders of notice passed.

(12) Reports that no action is necessary on the following petitions (referred from last year):—

United States Hotel Company, for leave to connect said Hotel with the East St. engine house by an electric wire.

The N. E. Tel. & Tel. Co. of Mass., for leave to erect poles in Bicknell St., Wd. 20.

Remonstrance of John R. Morse and others against allowing the N. E. Tel. & Tel. Co. of Mass. to erect poles on Bicknell St.

Remonstrance of John Noble and others against allowing the N. E. Tel. & Tel. Co. of Mass. to erect poles on Ruthven St.

Remonstrance of Margaret A. Grace against granting a permit to the N. E. Tel. & Tel. Co. of Mass. to erect poles on Crawford St., between Humboldt and Walnut Aves., or on Harold St., between Hamerton and Abbotsford Sts.

Remonstrance of Margaret A. Grace and others against the erection of poles on Crawford St.

The N. E. Tel. & Tel. Co. of Mass., for leave to erect poles on Crawford St., Walnut Ave. and Ruthven St., Wd. 21, and on Chestnut St., Wd. 5.

Catherine Foundation, for removal of an electric light pole from in front of 18 Julian St.

West End Street Railway Co., for leave to erect poles for its electric wires on Bunker Hill St., between Sackville and Main Sts., Wd. 4.

L. W. and H. F. Morse, for the removal of a pole of the N. E. Tel. & Tel. Co. of Mass. on Cheney St., Wd. 21.

Isaac H. Ripley and others, for a revocation of the permit to the N. E. Tel. & Tel. Co. of Mass. to erect poles on Mt. Everett St., Wd. 20.

Joseph Herman & Company, for the removal of a pole of the N. E. Tel. & Tel. Co. of Mass. on Dudley St., corner of 2397 Washington St., Roxbury.

Mayor's message transmitting communication from the Wire Commissioner relative to rights to run wires, etc., through the city by Mixer Brothers.

Report on petition of N. E. Tel. & Tel. Co. of Mass. for leave to erect poles on Crawford St., Wd. 21.

Boston Electric Light Company, for leave to erect poles on Crawford St., Wd. 21, and Savin Hill Av., Wd. 20.

Reports severally accepted.

REQUESTS FOR ELECTRIC LIGHTS.

The CHAIRMAN offered an order—That the Superintendent of Lamps be requested to locate an electric lamp on Terrace St., Wd. 19.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to locate an electric light on Sydney St., in front of Harbor View St., Ward 20.

Ald. PRESHO offered an order—That the Superintendent of Lamps be requested to locate an electric light on Warrenton St., as shown by enclosed plan; the expense of the same to be charged to the Lamp Department.

Orders severally passed.

REMOVAL OF TREES, ETC.

Ald. ADAMS offered an order—That the Superintendent of Public Grounds be requested to remove four trees, corner Park St. and Wellesley Park, Wd. 20; said trees being an obstruction to public travel; the expense thereof to be charged to the appropriation for Public Grounds Department.

Ald. O'TOOLE offered an order—That the Superintendent of Public Grounds be requested to remove a tree located in

front of estate 539 Seventh St., South Boston; the expense of the same to be charged to the appropriation for Public Grounds Department.

Ald. PRESHO offered an order—That the Superintendent of Public Grounds be requested to remove two trees in front of estate 2760-2766 Washington St., Roxbury; said trees being in a dangerous condition and a menace to public travel; the expense of the same to be charged to the appropriation for Public Grounds Department.

Ald. CODMAN offered an order—That the Superintendent of Public Grounds be requested to remove a decayed tree located at the corner of Scavens Ave. and Maple Pl.; the expense of the same to be charged to the appropriation for Public Grounds Department.

Ald. DAY offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree on Paris St. near the corner of Sumner St.; to remove a tree, partially dead, in front of 25 Princeton St., and to remove plank walk on the Border St. side of Central Sq. Pk., and concrete this walk in a manner similar to the other walks in the park, the expense of the same to be charged to the appropriation for Public Grounds Department. Severally passed, under a suspension of the rule.

DRINKING FOUNTAINS IN EAST BOSTON.

Ald. DAY offered an order—That the Water Commissioner be requested to inform this Board,

1st. Why the drinking fountain, understood to be a gift to the city, was removed from Central Sq.

2nd. What arrangements he has made or intends to make in regard to giving East Boston a share of the benefits to be derived from ice water fountains.

3rd. The location of all drinking fountains at present maintained in East Boston.

Passed.

SCHOOL ACCOMMODATIONS, CHAPMAN DISTRICT.

Ald. DAY offered an order—That the School Committee be requested to inform this Board at its next meeting how many school rooms are used at present in the Chapman district, and also how many rooms will be available in the school buildings in the district after the completion of the proposed Chapman School.

Passed.

PERMIT FOR N. Y., N. H. & H. R.R. TO CLOSE STREETS.

Ald. O'TOOLE offered the following:—

(1) Ordered, That the Superintendent of Streets be authorized to issue a permit to the New York, New Haven & Hartford Railroad Co. to close the roadway on Harrison Ave. between Lovering Pl. and Broadway; Mott St., for 150 ft. west of Harrison Ave.; Way St., 100 ft. east of Harrison Ave., during the time necessary for placing Harrison Ave. to the proper grade lines.

(2) Ordered, That the Superintendent of Streets be authorized to issue a permit to the New York, New Haven & Hartford Railroad Co. to close the roadway on Shawmut Ave. to all public travel, other than cars of the Boston Elevated Railway Co., from the north side of Boston & Albany bridge to a point 100 feet south of Castle St., and Castle St., for 100 feet east and west from Shawmut Ave., during the time necessary for changing the grade of said avenue.

Severally assigned to the next meeting, on motion of Ald. Berwin.

FLAG POLE, COLUMBIA ROAD.

Ald. McDONALD offered an order—That the Board of Park Commissioners be requested to have a flag pole erected on boulevard "Columbia Road," at a point indicated on plan herewith submitted, and to give a hearing on same to John A. Fowle, Boston St., Upham's Corner.

Passed.

REOPENING OF SILVER ST.

Ald. McDONALD offered an order—That the Superintendent of Streets be requested to have Silver St., South Boston, reopened to public travel.

Passed.

A RECESS TAKEN.

The Board voted, at 3:40 o'clock P.M., on motion of Ald. Doye, to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order at 4:27 o'clock P.M., by the Chairman.

HEARING ON RAILWAY DAMAGES.

An amended petition was received from Lizzie G. Thoits to the Board of Aldermen, acting as County Commissioners, for the assessment of her damages for land taken by the Boston Elevated Railway Company.

On the above amended petition, it was:—

Ordered—That the petitioner be directed to give notice to all parties interested in said estate as mortgagees or lessces, by serving on each of them an attested copy of said petition, and this order thereon, fourteen days, at least, before the time of said hearing, which is to be given on Thursday, May 25, 1899, at 3 o'clock P.M.

The order was passed.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the committee on Public Improvements, submitted the following:—

(1) Report on the petition of Edward L. Brodie, (referred April 12), for leave to project one bay window from building, 29 Spring St., Wd. 8,—that leave be granted.

The report was accepted, and the question came on granting leave.

Ald. BRICK—Mr. Chairman, on the question of granting leave, I was opposed to this petition, and opposed to the granting of petitions for bay windows in the West End, as a general thing, when they are classed as this one is. This bay window is to be built onto another building. The building at the corner of Spring and Chambers Sts., on Spring St., is about 8 feet wide. The bay window which is now on that building is about 5 feet in width. The building to which it is proposed to attach this bay window is about 17 feet in width. What I asked for in the petition is a bay window 12 feet wide and about 30 feet high. What this street may come to we have an example of on Chambers St.

Chambers St. is a street 45 or 50 feet wide at this point, and Spring St. is about 30 feet wide. Now there is a bay window on the other side of the street, 3 feet in width and with this bay window the width of that street in the upper portion will be reduced to about 24 feet. If this bay window is built other petitioners will come in from time to time and the whole purpose of their coming in is not to beautify the street but because it is cheaper for them to build in that way. For that reason I am opposed to the building of this bay window, and because the streets are narrow. For no other reason am I opposed to the granting of this petition. I have no desire to hamper Mr. Brodie, but because I believed that the committee had no knowledge of the subject, and that I had, I asked to have it sent to the Com-

mittee on Public Improvements. Mr. Colby has shown a desire to have it put through and I don't want to offer any strenuous objections; but coming from that section of the city I don't think it should be granted as I believe it to be a matter of public utility that it should not be granted.

Ald. DAY—Mr. Chairman, as Chairman of that Committee I would say that the petitioner asks for something that the law says he can have. Everything he asks for is perfectly legal. For that reason, I am in favor of granting it.

Ald. COLBY—Mr. Chairman, I have just a word to say. If I got into any trouble when I was in this board before, it was on account of the position I took on bay windows. I think I took more exceptions to the projection of bay windows than any other single member of the board and did as much, in my feeble way, to prevent the projection of bay windows as anybody. I believe the present restrictions by standing regulation of the board was passed through my instrumentality. I do not believe theoretically in allowing bay windows. We widen a street and then allow it to be encumbered with bay windows, which I think is wrong. My idea is that there are certain localities where bay windows should be kept out.

It so happens, however, that in some way or other, the West End has become peculiarly afflicted with bay windows; and in this particular case there is a bay window on the other half of the property in question, belonging to the same people. It would, therefore, be a very funny thing if we should not grant this petition. This property owner has two adjoining buildings there, upon one of which is a bay window—and the two buildings are really one; and, having a bay window on one part of the building, he asks for one on the other part. There is no good to be gained, so far as I can see, by refusing the petition, as there would still be this other bay window on that part of the street. I went down there this morning to satisfy myself whether this was a proper case for granting the petition, and I may say, after examination, I am satisfied that it is proper. If we should refuse to grant the petition, the peculiarity of the situation is that the petitioner has one bay window on the other half of the building, and I can see no particular harm in granting this.

The report was accepted and leave granted.

(2) Report on the petition of Jordan, Marsh & Company (referred May 1) for leave to project a permanent awning over the sidewalk at a new entrance to their store on Avon St., Wd 7—recommending reference of the same to the Committee on Building Department (Ald.).

Report accepted, said reference ordered.

(3) Report on the executive appointment of Charles E. Stratton to be Park Commissioner (referred today)—that the same be referred to the Board of Aldermen.

The report was accepted, and the question came on confirmation. Committee, Ald. Colby and McDonald. Whole number of ballots, 11; yes 9, no 2, and the appointment was confirmed.

Ald. DOYLE moved to reconsider; lost.

(4) Report on the report of the Committee on Railroads, relative to the petition of the West Roxbury & Roslindale Street Railway Company for a location for tracks on Ashland and other streets, and for pole locations on Canterbury St. and Huntington Ave. (referred today)—Recommending the passage of the accompanying order, referred therewith.

Report accepted, said order passed.

(5) Reports recommending the passage of orders that, the Superintendent of Streets be authorized to issue permits, work under same to be completed on or before December 31, 1899, according to the terms and conditions expressed in the

ordinances of the city relating thereto as follows:—

John W. Wilson (petition referred today) to erect, maintain and use a post with a clock surmounted thereon, in the sidewalk in front of estate 11 Hanover St., Wd. 6.

John C. Inches and another (petition referred May 1), to place, maintain and use sidewalk light covers over the present area in the sidewalk in front of estate 33-35 Court St., Wd. 6.

Estate of John L. Gardner (petition referred May 1), to construct, maintain and use an area 15 ft. by 10 ft., with covers of solid granite, under and in the sidewalk in front of estate 551 Tremont St., Wd. 9, as shown on plan dated April 26, 1899, on file in the Permit office of the Street Department.

Reports accepted, orders passed.

(6) Report on the petition of John Soley & Sons (referred May 1), for leave to move a wooden building from 521-523 Western Ave. to Mackin St., opposite Warren School, Wd. 25—recommending the passage of the following:—

Ordered. That the Superintendent of Streets be authorized to issue a permit to John Soley & Sons to move a wooden building, hip roof, 36 feet in length, by 23 feet in width, by 33 feet in height, from 521-523 Western Ave., through Western Ave. and Mackin St., to lot on Mackin St., opposite the Warren School, Wd. 25, on the terms and conditions expressed in the ordinance of the city relating thereto.

Report accepted, order passed.

(7) Reports recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, owner to furnish material, in front of the following estate:—

(Petitions referred May 1.)

John Mahan, 51-57 Dewey St., Wd. 16, granite edgestone.

Louis Henlein, 10 Morse St., Wd. 20, granite edgestone.

Anne M. Badger, 14 Ruthven St., granite edgestone

M. H. Cobe, 29 Howland St., Wd. 21, granite edgestone.

Reports accepted, order severally passed.

(8) Reports recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, with granite edgestone, owner to furnish material, as follows:—

(Petitions referred May 1.)

J. Goldinger, 51 Morris St., Wd. 1, brick.

B. M. Schwartz, 136 Paris St., Wd. 2, brick.

James Hogan and others, 1-3-5 Victor St., Wd. 16, brick.

Arthur McArthur and another, 56-58 Sawyer Av., Wd. 20, brick.

Catherine Lombard, 101 Bowdoin Av., Wd. 20, gravel.

First Parish in Brighton, Chestnut Hill Av., Wd. 25, gravel.

J. Goldinger, 106-116 Everett St., Wd. 2 (without granite edgestone).

Catherine F. Erb, 9 Fenelon St., Wd. 20 (without granite edgestone).

Reports accepted, orders severally passed.

M. V. M. TRANSPORTATION AND TARGET PRACTICE.

Chairman BARRY offered an order—That the Superintendent of Public Buildings be hereby authorized to provide the necessary facilities for transportation and target practice for the troops of the Massachusetts Volunteer Militia stationed in Boston during the present season, at an expense not exceeding \$5000; said sum to be charged to the appropriation for public buildings department.

The CHAIRMAN—This is the customary order, passed each year.

Ald. CODMAN—Mr. Chairman, I should like to ask for information. I understand that the question of picking out the site came before the Committee on Armories this year. Under the circumstances, wouldn't it be better to have the matter laid over?

The CHAIRMAN—I beg pardon—this is for transportation, to get to and fro, for moving wagons, etc., each year.

Ald. CODMAN—To and from where?

The CHAIRMAN—To and from the different armories, to the destination, wherever it may be, and back again.

Ald. CODMAN—Isn't that because of the fact that they have to go out of town at the present time, whereas if a site were selected by the city such transportation would not be necessary?

The CHAIRMAN—No, this is simply an allowance of so much for fares, and so on, and if anything is left over it will go to the sinking fund.

Ald. CODMAN—Well, Mr. Chairman, I have received certain information into which I would like to inquire; and, unless the Chair's information is very positive, I would like to have the matter laid over to the next meeting, so that I may look into it.

The CHAIRMAN—I have no objection.

The order was assigned to the next meeting of the Board, on motion of Ald. Codman.

ENLARGEMENT OF HANCOCK SCHOOL LOT.

The following was received—
City of Boston, In School Committee,
April 25, 1899.

Ordered, That the Ingraham School property on Sheafe St., be surrendered to the City Council, the same being no longer required for school purposes, with the recommendation that said lot and building be sold, and that the proceeds of such sale be applied to the cost of land to be taken for the enlargement of the Hancock School lot on Prince St.

Passed.

A true copy. Attest:

Thornton D. Apollonio, Secretary.

In connection with the above, Ald. Dixon offered an order—That the Ingraham School property on Sheafe St. be placed in charge of the Board of Street Commissioners to be sold, and that the proceeds of such sale be used for taking land for the enlargement of the Hancock School lot on Prince St.

The order was passed.

The communication and order were sent down.

GENERAL RECONSIDERATION.

On motion of Ald. Berwin, reconsideration on all votes passed today was refused.

Adjourned, on motion of Ald. Day, at 4:46 P.M., to meet on Monday, May 15, at 3 P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, May 11, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7.45 o'clock P. M., President Kiley in the chair.

CLOSING OF BROADWAY BRIDGE.

The following was received:—

Mayor's Office, City Hall,
Boston, April 20, 1899.

To the Common Council:—

I transmit herewith a communication from the Superintendent of Streets in reply to your order requesting information as to "the reason why the bridge on Broadway, between Dorchester Ave. and Harrison Ave., is closed, and also the length of time it is proposed to keep said bridge closed."

Yours Respectfully,
Josiah Quincy, Mayor.

Street Department, City Hall,
Boston April 18, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—I beg to submit the following report, in accordance with the request contained in the inclosed order of the Common Council.

Broadway bridge (between Dorchester Ave. and Harrison Ave.) was closed under authority of an order of the Board of Aldermen, passed April 12, 1899, during the construction of the widened bridge, in connection with the new tracks of the Boston and Providence Railroad, making connection with the Terminal Station. The railroad officials report that this work will be completed by the first of June. One sidewalk will be kept open on Broadway, but it is not possible to maintain a roadway during this construction.

Yours very respectfully,

Benj. W. Wells, Supt. of Streets.

Placed on file.

EMPLOYMENT OF NON-RESIDENTS.

The following was received:—

Mayor's Office, City Hall,
Boston, May 11, 1899.

To the Common Council:—

In reply to the accompanying order, referred to me, I can only state that in vetoing, under date of March 17th, the amendment of Section 12 of Chapter 3 of the Revised Ordinances providing that none but legal voters of Boston shall be employed in any capacity as male subordinates in any department, I distinctly stated that, under the provisions of Section 12 of Chapter 266 of the Acts of 1885, it was, in the opinion of the Corporation Counsel, "entirely outside of the powers of the City Council to undertake to define by ordinance the qualifications of officials or employees, or to impose limitations upon their selection by the executive departments." It follows that such amendment to the ordinances cannot be recognized by the Executive as having any legal force or effect, and until a court decides otherwise the heads of departments will not consider themselves called upon to pay any attention to the amendment. I should consider that a recognition of this amendment as having any legal effect was a surrender by the Mayor of powers lodged in his hands by the charter amendment Act of 1885, and it will only be regarded, therefore, as an expression of opinion as to the proper executive policy on the part of the City Council.

Respectfully submitted,

Josiah Quincy, Mayor.

Ordered—That the Trustees for Children, through His Honor the Mayor, be requested to inform the Common Council

what justification they had for appointing on April 5, 1899, John C. Davis of Vermont as assistant superintendent at Rainsford Island, after the passage of the ordinance requiring male employes of the city to be citizens and legal voters of Boston.

Ordered printed and assigned to the next meeting on motion of Mr. Linehan of Ward 13.

STREETS FOR SOUTH UNION STATION.

The following was received:—

Mayor's Office, City Hall,
Boston, April 27, 1899.

To the Common Council:—

I transmit herewith a communication from the Board of Street Commissioners in reply to your order requesting "a list of the streets given by the city of Boston to the Old Colony Railroad Company to increase its terminal facilities in said city, etc."

Respectfully,

Josiah Quincy, Mayor.

City of Boston, Street Commissioners'
Office, City Hall, Room 38,

April 24, 1899.

Hon. Josiah Quincy, Mayor.

Sir: The Board of Street Commissioners respectfully report, in reply to the order of the Common Council of March 30, 1899, requesting a list of the streets given by the city of Boston to the Old Colony Railroad Company to increase its terminal facilities at South Boston, in 1893, and the amounts given by the railroad company in return, that no streets were given by the city of Boston to the railroad company, but that Swan, Colony and Ontario streets, and a part of Foundry street were taken by the Old Colony Railroad Company and discontinued under authority of chapter 127 of the acts of the Legislature of 1893, empowering the company to take, for an increase of its terminal facilities at South Boston, all the territory bounded by Dorchester Ave., West Fourth St. and the line of the railway.

By order of the Board of Street Commissioners,

J. H. Jenkins, Secretary.

Mr. LINEHAN of Wd. 13—Mr. President, before that communication is placed on file I should like to say just one or two words. In that section of Wd. 13 that I have the honor to represent in part four acres of streets have been handed over to the railroad corporation, the terminal company, without one dollar of compensation. I would like to make that statement, because the railroad company has the right to take any number of streets for so-called public improvement, but when the city of Boston wants a foot of land to make an improvement like Cove St. extension, they have to pay for every foot. I would like to make that statement right here.

The communication was placed on file.

WALL—EVERGREEN CEMETERY.

The following was received:—

Mayor's Office, City Hall,
Boston, May 4, 1899.

To the Common Council:—

I transmit herewith a communication from the Cemetery Trustees in reply to your order requesting "a list of the bidders and contracts awarded, if any, for the construction of the fence at Evergreen Cemetery, and a statement of the material to be used in said construction."

In accordance with their suggestion, I recommend the passage of the accompanying order, rescinding the appropriation for a wall at the Evergreen Cemetery, so that a new appropriation of the same amount may be made for a fence.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston.—Cemetery Department.
Office of Chairman, 92 State St.,
Boston, Mass., May 2, 1899.

Hon. Josiah Quincy, Mayor of the City of
Boston.

Dear Sir: In Common Council, Septem-
ber 15th, 1898, it was ordered that the Cemetery
Trustees be hereby authorized to expend
the sum of \$1500 for the construction of
a wall at Evergreen Cemetery, and that
the City Treasurer be authorized to issue
from time to time, on the request of
the Mayor, bonds of the city to said
amount.

This was approved by Your Honor Sep-
tember 21st, 1898.

The frontage of Evergreen Cemetery
requires a wall about 800 feet long. This
wall should be at least four feet high,
of solid construction, with iron pickets
on top to protect the grounds from tres-
passers. Such a wall would require an
expenditure at least double the sum ap-
propriated.

After investigation, this Department rec-
ommends, as in accord with the appropria-
tion, the construction of an iron fence.
One suitable in design and strength can
be built for \$1635, which is the lowest fig-
ure received on estimates furnished by
iron fence builders.

In the opinion of the Board, the Trus-
tees do not feel authorized to expend the
sum of \$1500 for the construction of a
fence, inasmuch as the phraseology of the
original order reads "for the construction
of a wall."

Inasmuch as a wall cannot possibly be
constructed for the sum appropriated, and
as some protection is urgently necessary
in the front of Evergreen Cemetery, we
desire to have the original order rescinded
and the amount of \$1500 made available for
the construction of an iron fence.

Yours respectfully,

J. Albert Brackett,

Chairman Cemetery Department.

Ordered, That so much of the order ap-
proved September 21, 1898, as authorized
the Cemetery Trustees to expend the sum
of fifteen hundred dollars (\$1500) for the
construction of a wall at Evergreen Cem-
etry, be and hereby is rescinded.

The communication was sent up and the
order assigned to the next meeting, on
motion of Mr. Bennett of Wd. 5.

VETERANS IN BATH DEPT.

The following was received:—

Mayor's Office, City Hall,
Boston, April 27, 1899.

To the Common Council:—

I transmit herewith a communication
from the secretary of the Bath Commis-
sion in reply to your order requesting "a
complete list of the names of veterans of
the Civil War employed in the Bath De-
partment who have been suspended or dis-
charged without a hearing since the date
of the organization of said department."

Respectfully,

Josiah Quincy, Mayor.

Department of Baths, 64 Pemberton Sq.,
Boston, April 22, 1899.

Hon. Josiah Quincy, Mayor City of Bos-
ton, Massachusetts.

Dear Sir: I am requested by the Bath
Trustees to reply to the order of Council-
man Bordman of Wd. 10, dated April 6,
1899.

After considerable inquiry, we find that
no veterans have ever been certified to the
Bath Commission from the Civil Service,
and as no hearing has ever been asked for
by any of the employees who have been
suspended temporarily, we have no "list
of the names of veterans of the Civil War
employed in the Bath Department who
have been suspended or discharged without
a hearing since the date of the organiza-
tion of the said department," to send to
the City Council, and know of no veterans
in the department.

Yours respectfully,

Daniel D. Kearns, Secretary.

Order printed and assigned to the next
meeting, on motion of Mr. Cuddy of Wd. 8.

BATH DEPT. EXPENSES.

The following was received:—

Mayor's Office, City Hall,
Boston, April 27, 1899.

To the Common Council:—

I transmit herewith a communication
from the secretary of the Bath Commis-
sion in reply to your order requesting in-
formation as to the expenditures of the
Bath Department during the current finan-
cial year.

Respectfully,

Josiah Quincy, Mayor.

Department of Baths,
64 Pemberton Sq.,

Boston, April 22, 1899.

Hon. Josiah Quincy, Mayor City of Boston.

Dear Sir:—I have prepared the following
data which will show the expenditure of
money in the Bath Department for the
fiscal year of 1899:—

| | | |
|---|-----------|---------|
| February draft..... | \$531 76 | |
| In preparation for bathing season the following articles were pur- chased: | | |
| Suits | \$2662 24 | |
| Towels | 682 34 | |
| Soap | 355 35 | |
| Rent of Bathing places for the year: | | |
| Dorchester | 400 00 | |
| East Boston, Dry dock..... | 450 00 | |
| East Boston (Wharf) Dec. Jan., Feb. | 150 00 | |
| Boston Elec. Light..... | 682 63 | |
| (Light at various beaches and houses from Aug. 1st, '99, to Jan. 1st, '99). | | |
| Towing Bathhouses and floats— 18.8 (Aug. 25 to Oct. 19)..... | 495 00 | 5877 56 |
| Balance..... | | 2654 20 |

The balance was expended for small items such
as: Ropes, chains, oars, machinery supplies,
laundry and gymnasium supplies, tools, locks and
keys; all of which articles are for permanent use
during the coming season of 1899.

| | |
|--|----------|
| March draft..... | \$233 73 |
| Pay Rolls for February..... | 150 00 |
| East Boston, rent of wharf: (March, April, May, 1899). | |
| Coal for January at different places | 102 50 |
| Boston Elec. Light: (Light at Dover St. and E. B. Gym., Jan.)..... | 168 42 |
| | 2146 46 |

| | |
|---------------|--------|
| Balance | 387 27 |
|---------------|--------|

The balance was expended for small items such
as: Teaming, rent of piano, laundry supplies, etc.

| | |
|--|-----------|
| April Draft..... | \$6923 26 |
| North End Park. Bills for 1898: | |
| Lighting | \$638 09 |
| Reconstruction of machinery..... | 247 00 |
| New shelter tent..... | 165 00 |
| New Laundry machinery..... | 95 92 |
| Pay rolls, bath dept. for March..... | 1873 92 |
| Bills pub. bldgs. opt., repair di- vision | 2387 06 |
| | 5906 99 |

| | |
|--------------|---------|
| Balance..... | 1016 27 |
|--------------|---------|

The balance was expended for small items such
as: Coal, telephones, ice, teaming, stoves, etc.

The bills for the Repair Division on the
April draft were for repairs on various
places during 1898, properly charged to the
maintenance account. These repairs were
necessitated by the increase in patronage
at all places during the bathing season.

The order of Councilman Chamberlain
states that but one bath is at present
opened to the public. This is an error,
as at the present time, beside Dover Street
Bath, the East Boston Gymnasium, five
convenience stations and twelve urinals
are maintained. We also have a force of
three men employed at the wharf, repair-
ing houses; two watchmen are also em-
ployed and the office force is maintained.
Pay Rolls for each month, at present,
amount to \$1800.00.

Concerning the expenditure of money

on loan account for summer baths, permanent improvements, the following is a list, as taken from the Auditor's books. All these permanent improvements were necessitated last year by the increased demand for bathing and are in good order for this year's summer bathing:—

| | | |
|---|-----------|-------------|
| Harvard Bridge Bathhouse..... | \$1051 12 | |
| Harvard Bridge Bathhouse..... | 2425 44 | |
| Harvard Bridge Landing..... | 1910 68 | |
| Permanent work, N. End Park | 918 19 | |
| Permanent work, N. End Park.. | 1278 26 | |
| New houses at L St. Beach and new rafts..... | 2416 31 | \$10,000 00 |

Respectfully submitted,
Daniel D. Kearns, Secretary.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, this communication makes a pretense of explaining the inordinate expenditure by this board of Bath Trustees of funds placed in its charge to maintain the Bath Dept. during the coming summer.

A careful analysis of the \$17,988.75 expended out of the maintenance fund shows that a great amount was expended for the unpaid bills of last year, which were illegally incurred and without regard to results. The balance of this maintenance expenditure with the exception of pay rolls are for things bought in excess last year, such as bathing suits, machinery, tools, etc.

As the Mayor has testified before a legislative committee recently that the baths must close before the end of the coming season on account of lack of funds, and as the first duty of the Bath Trustees should be to keep the bathhouses open as long as possible these and similar expenditures prove the lack of foresight with which the board has and is acting. One question here might not be out of place. Who makes the purchases for the Bath Dept. and is he above suspicion?

As for the \$10,000 expended for summer baths every penny of this money was spent last year and without legal right for Chapter 266 of the Acts of 1885, Section 6, expressly provides that no expenditure shall be made nor liability incurred for any purpose beyond the appropriation duly made therefor. This official admission together with the rest of the report fully justifies the action of the Council of last year and shows that the charges made at that time are amply sustained.

The Council of this year was deceived in voting this amount of money for Summer Baths, for it supposed it was giving permission for new expenditures during the coming summer.

As to the statement made that I was in error when I stated that but one bath was open I wish merely to say that this reply bears out the truth of my statement for it is acknowledged that but one bath—the Dover St. Bath—is open. I am not so uncharitable as to suppose that the Secretary, Mr. Kearns, contends that urinals and public convenience stations are baths. He probably intended to convey the impression that the dept. had other ways of expending money.

Last Monday I was promised by Mr. Kearns an account of the gross amounts expended during February, March and April, 1899, for (1) Baths, (2) Gymnasias, and (3) urinals and public convenience stations. I was unable yesterday to obtain these figures at the time stated for I found no one in charge of the Bath Dept., Mr. Kearns being detained at home by sickness.

I am informed, however, on the best of authority that the amount of money expended outside of Baths, pure and simple, for the first 3 months of this fiscal year is a very small part of the total \$18,000 expended.

Mr. RICE of Wd. 2—Mr. President, on account of the lengthy report, I move you, sir, that it be assigned for one week and printed.

Mr. WATSON of Wd. 18—Mr. President,

before that motion is put, I will request Mr. Rice to withdraw it, because I wish to ascertain a particular item that appears there at the present time.

The PRESIDENT—The Chair will state that, if the motion as made is carried, there is nothing in it to prevent the gentleman from obtaining any information he sees fit to obtain at this time.

Mr. WATSON—Mr. President, I did not understand the item—and it struck me very forcibly—in regard to the "rent of piano." I did not know that pianos were used in bathing. I would like to have the clerk read that part of the communication again, so that I may understand what it is.

(The Clerk read the part of the communication referred to.)

Mr. Rice's motion to print and assign to the next meeting was carried.

PLAYGROUND, BRIGHTON.

The following was received:—
To the Honorable City Council of the City of Boston:—

The undersigned encloses the petition of the North Brighton Conference, District 5 of the Associated Charities of Boston, asking that three hundred dollars (\$300) be appropriated toward the renting of a field of about eight acres located on the south and west sides of Waverly St. and north of Lincoln St., in the middle of the thickly populated tenement district extending from the Boston & Albany R. R. to the Charles River, and also extending from Market St. to Everett St.

I desire to add my respectful petition that the City will find it possible to grant this request and make this great addition to the out-of-door facilities of the rather poor population who inhabit this whole territory.
Robt. Treat Palne.

April 29, 1899.
(Accompanying the communication was the petition addressed to the Board of Park Commissioners, referred to above.)
Placed on file.

EMPLOYMENT OF CITIZENS AT DRY DOCK.

The following was received:—
Executive Mansion, Washington.

April 8, 1899.
My Dear Sir:—I beg leave to acknowledge the receipt of your letter of the 6th instant, submitting a resolution adopted by the Common Council of your city, and to state that by direction of the President it has been forwarded for the consideration of the Secretary of the Navy.

Very truly yours,
Geo. B. Cortelyou,
Assistant Secretary to the President.
Hon. Daniel J. Kiley, President, the Common Council, Boston, Massachusetts.

Navy Department,
Washington, April 13, 1899.
Sir: The Department is in receipt of your letter of the 6th instant, addressed to the President, containing a copy of a resolution passed by the Common Council of the City of Boston, protesting against the importation of alien labor for employment on the Boston dry dock.

In reply I have to inform you that the Chief of the Bureau of Yards and Docks to whom your letter was referred, reports that the Bureau has transmitted a copy of the resolution referred to to the contractors for the construction of the dry dock at the Navy Yard, Boston, inviting their attention to the provisions of law relating to the importation of aliens under contract to perform labor in the United States.

Very respectfully,
John D. Long, Secretary.
Mr. Daniel J. Kiley, President, Common Council, Boston, Massachusetts.

Navy Department,
Washington, April 22, 1899.
Sir: Referring to your letter of the 6th

instant, containing a copy of a resolution passed by the Common Council of the City of Boston, protesting against the importation of alien labor for employment on the Boston Dry Dock, and to the Department's reply thereto, stating that the Chief of the Bureau of Yards and Docks of this Department had transmitted a copy of said resolution to the contractors for the construction of the dry dock referred to, inviting their attention to the provisions of law relating to the importation of aliens under contract to perform labor in the United States, I enclose herewith a copy of a letter received from Messrs. O'Brien and Sheehan, the contractors for the Boston dry dock, in which they state that they have taken no steps to import labor for the construction of the dock, nor have they any intention of doing so.

Very respectfully,

John D. Long, Secretary.

Mr. Daniel J. Kiley, President, Common Council, Boston, Massachusetts.

New York, April 17th, 1898.

Mordecai T. Endicott, Chief of Bureau, Yards & Docks, Washington, D. C.

Dear Sir: We are in receipt of your favor of April 12th, enclosing copy of communication addressed to the President of the United States by the President of the Common Council of the City of Boston, with reference to the employment of certain labor in connection with the work of construction of the Dry Dock for the Navy at the Navy Yard at Boston, Mass.

In reply thereto we beg leave to say that there is not the shadow of foundation for the adoption of the resolution referred to by the Common Council of the City of Boston, and the Council is very much in error in saying that it was the intention of the contractors to import a large number of employees from other places to the detriment of the citizens of the City of Boston.

The fact is we have carried on a great deal of public work in and around Boston for the last four or five years, and all our employees are residents and citizens of the City of Boston. This applies to work under contract to us, and work in which we are interested, and especially applies to contracts for the Moon Island Reservoir, in the City of Boston, New State Dock, at South Boston, also work at Readville and Jamaica Plain.

It will not be necessary to increase our force in order to carry on the construction of the New Dry Dock, as the force now employed by us on other work in and around Boston and nearing completion, will be transferred to the Dry Dock.

Respectfully yours,

O'Brien & Sheehan.

Mr. CUDDY of Wd. 8.—Mr. President, owing to the absence of the councilman who introduced the resolution, I move that the several communications be printed and assigned to the next meeting.

The motion was carried.

PAPERS FROM BOARD OF ALDERMEN

The Council voted, on motion of Mr. Watson of Wd. 18, to consider Nos. 1 to 4, inclusive, together, viz.:

1. Mayor's message transmitting a communication from the Board of Park Commissioners in relation to the order requesting said board to allow young boys their former playground in Franklin Park, stating that this playground has never been taken away from the younger children.

2. Mayor's message transmitting copy of "An Act relative to the Sewerage Works of the City of Boston" (House Bill 1129) and copy of a letter of the Superintendent of Streets explaining financial consequences which will result from passage of said bill in its present form.

3. Mayor's message transmitting the report of the Advisory Committee on Free

Municipal Lectures, giving a summary of the work of the past winter season.

4. Notice of the appointment of Aldermen Doye, Codman, Dixon, Colby and McDonald on the joint special committee relative to petitioning for an act to allow the city to manufacture and sell gas and electricity.

Severally placed on file.

The Council voted, on motion of Mr. Hickey of Wd. 2, to consider Nos. 5 to 19, inclusive, together, viz.:

5. Report of Committee on Claims, on petition, referred May 19, 1898, of Hugo Pinkson for compensation for damage to property at 287 Tremont St., caused by the construction of the subway—leave to withdraw, as the city is not liable.

6. Report of same committee, on petition, referred May 9, 1898, of Hubert McCorkle for compensation for injuries to horse caused by an alleged defect in Rockland St.—leave to withdraw, on account of late notice.

7. Report of same committee, on petition, referred October 17, 1898, of Grace B. Dickhut for compensation for loss of her bicycle which was run into by a city team—leave to withdraw, as the city is not liable.

8. Report of same committee, on petition, referred March 13, of George A. Jordan to be paid the amount of judgment and costs of a suit against him on account of his acts as a police officer,—leave to withdraw.

9. Report of same committee, on petition, referred January 30, of Warren N. Gerald to be repaid a part of the amount paid for an intelligence office license,—leave to withdraw.

10. Report of same committee, on petition, referred January 30, of Esther Lake for compensation for injuries received from a fall on Berkeley St.—leave to withdraw, as the city is not liable.

11. Report of same committee, on petition, referred June 27, 1898, of Simon Feder for compensation for injuries received by an alleged defect in Charles St.—leave to withdraw.

12. Report of same committee, on petition, referred July 11, 1898, of William L. Benedict for compensation for damages to estate on Selkirk road, caused by blasting in the construction of a sewer,—leave to withdraw.

13. Report of same committee, on petition referred October 24, 1898, of Ellen Cannon for compensation for injuries received on account of an alleged defect in Newhall St.—leave to withdraw.

14. Report of same committee, on petition, referred November 21, 1898, of Michael Tierney for compensation for damage to property at 216 Massachusetts Ave., caused by persons at work for the city,—leave to withdraw.

15. Report of same committee, on petition, referred November 21, 1898, of Michael E. Hanley for compensation for injuries received on account of an alleged defect on Beach St.—leave to withdraw.

16. Report of same committee, on petition, referred February 20, of the Armstrong Transfer Company, to be paid for damage to team, caused by a team of the city,—leave to withdraw.

17. Report of same committee, on petition, referred April 3, of George W. Oliver, for payment to Harry W. Powers, of the balance remaining from tax sale of estate on Armandine St.—leave to withdraw.

18. Report of same committee, on petition, referred November 28, 1898, of Elizabeth Schneider to be paid for damage to property, caused by breaking of a sewer in Ward St.—leave to withdraw.

19. Report of same committee, on petition, referred December 12, 1898, of Casper Berry, to be paid for damage to estate 82-88 Leverett St., caused by leakage from a sewer—leave to withdraw.

Severally accepted in concurrence.

20. Report of Committee on Police—no

further action necessary, on the following matters, viz:—

Remonstrance of Sarah J. Boyden and others (referred October 11, 1897) against allowing hawkers and peddlers to cry their wares on certain streets in Roxbury.

Remonstrance of Charles E. French (referred April 21, 1898) against the proposed increase of pay of the police force.

Remonstrance of Charles E. French (referred June 30, 1898), against the proposed increase of pay of patrolmen.

Order (referred January 13, 1898), concerning one day's leave of absence in thirty without loss of pay for policemen.

Severally accepted in concurrence.

The Council voted, on motion of Mr. Watson of Wd. 18, to consider Nos. 21 to 23, inclusive, together, viz:—

21. Report of Committee on Claims, on petition of Patrick Hart, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Patrick Hart the sum of thirty-two dollars and eighty-four cents (\$32.84) being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bowen St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 124.

22. Report of same committee, on petition of Frank Brewster, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Frank Brewster the sum of two hundred twelve dollars and fifty-four cents (\$212.54), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Massachusetts Ave., corner Lansdowne St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2532, fol. 231.

23. Report of same committee, on petition of Thomas F. Glennon et als., recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Phillips the sum of one hundred five dollars and sixty-five cents (\$105.65), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Ward St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 219.

24. Report of same committee, on petition of James W. Horne, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Mary F. Dieling the sum of one hundred and thirty-five dollars and two cents (\$135.02), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Armandine St., Dorchester, for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 34.

25. Report of same committee, on petition of John H. Proctor, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to John H. Proctor the sum of two hundred and sixty-seven dollars and forty-seven cents (\$267.47), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Elmira St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 71.

26. Report of same committee, on petition of Harriet B. Preston, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Harriet B. Preston the sum of forty-one dollars and forty-eight cents (\$41.47), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mill St., for unpaid taxes of the year 1898, by deed recorded with Suffolk Deeds, lib. 2407, fol. 586.

27. Report of same committee, on petition of Jane E. Newell, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Jane E. Newell the sum of one hundred fifty-one dollars and forty-one cents (\$151.41), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 65.

28. Report of same committee, on petition of George D. Low and Henry M. Williams, trustees, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to George D. Low and Henry M. Williams, trustees, the sum of one hundred thirty dollars and eighty cents (\$130.80), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Forest Hills St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2531, fol. 116.

29. Report of same committee, on petition of James A. Floyd, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to James A. Floyd the sum of two hundred twenty-three dollars and eighty cents (\$223.80), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Hillside Terrace, for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 539.

Reports severally accepted; orders passed in concurrence. Mr. Watson moved to reconsider; lost.

The Council voted, on motion of Mr. Harvey of Wd. 24, to consider Nos. 30, 31, 32 and 33 together, viz:—

30. Report of Committee on Building Department, on petition of John E. Cousens, recommending the passage of an order authorizing the issue of a permit to said Cousens to build a wooden building in rear of Commonwealth Ave., Wd. 25, in excess of range allowed, etc., to be used as a coal elevator.

31. Report of same committee, on petition of John A. Emery, recommending the passage of an order authorizing the issue of a permit to said Emery to build a wooden addition to building, 24-26 Island St., Wd. 17, in excess of size allowed, etc., to be used for manufacturing purposes.

32. Report of same committee, on petition of Henrietta Goldsmith, recommending the passage of an order authorizing the issue of a permit to said Goldsmith to build a wooden building at 1281-1283 Tremont St., corner 3-5 Prentiss St. and 9 Prentiss St., Wd. 18, in excess of range allowed, etc., to be used for mercantile purposes.

33. Report of same committee, on petition of the Boston Elevated Railway Company, recommending the passage of an order authorizing the issue of a permit to said company to build a wooden addition to building on Oak Sq., near Faneuil St., Wd. 25, in excess of size allowed, etc., to be used as a carhouse.

Reports severally accepted; orders passed in concurrence. Mr. Watson of Wd. 18 moved to reconsider; lost.

34. Report of Committee on Police, that the following order, referred to said committee, ought to pass:—

Ordered, That the Board of Police be, and it hereby is, authorized and directed to allow and pay to Sarah E. Leavitt, widow of late Patrolman William D. Leavitt, deceased October 28, 1898, an annuity of three hundred (300) dollars per annum, commencing on the 29th of October, 1898, as provided by section 2 of chapter 178 of the Acts of 1887.

Mr. CUDDY of Wd. 8—Mr. President, I move that the report and order be assigned to the next meeting.

Mr. HICKEY—Mr. President, I have no particular reason for objecting to the motion made by the gentleman from Wd. 8, in the fourth division, but I have been informed today that this merely provides for payment of this money from the Police relief fund, and is a mere matter of form so far as this Council is concerned. If such is the case, and my statement does not meet with opposition, I see no reason why we should assign the matter.

Mr. CUDDY—Mr. President, my reason for asking for assignment is that I may look into the matter. I know of several cases—one case in particular—where an officer has left a widow and large family, and if there is any such action as that I would like to look into it, in order to have the widow I speak of come under the same act. I ask that this be assigned to the next meeting, in order that I may look into the matter.

Mr. HICKEY—Mr. President, I hope the matter will not be assigned, unless some better excuse can be given. There is no question at all but that section 2, chapter 178, of the Acts of 1897, does provide for this specific matter and unless some argument can be offered to prove that what I say is untrue, I hope the matter will not be assigned. The money is to be taken from the Police Fund, not from any fund of the city, as I understand, although I am not a member of the Police Committee—and, if that is the case, I think as a mere matter of form this should pass the Council. I think it should not be assigned.

Mr. WATSON of Wd. 18—Mr. President, this order provides merely for an annuity of \$300 a year. The legislature, I believe, allows the expenditure of \$3000 by the department every year in that way, and in view of the fact that the widow will get it annually, it matters not when we act upon it. She will get it annually, anyway, whether we pass the order this week or next week. If we should assign it to another year she would lose \$300, but that is not the question. I think it is only courtesy to allow the gentleman time to look into the matter, and I trust that assignment will prevail.

The order was assigned to the next meeting of the Council.

35. Report of same committee, on communication from Board of Police on the subject, recommending the passage of the following order:—

Ordered, That the salaries of the police matrons for Division 11 and Division 13 be fixed at the rate of two hundred (200) dollars per annum for the period during which they are employed.

The report was accepted in concurrence, the order was read once, and the question came on giving it a second reading.

Mr. BRAUER of Wd. 23—Mr. President, I move that further consideration of this matter be assigned for one week.

Mr. HIBBARD of Wd. 24—Mr. President, I trust that the matter will not be assigned unless the gentleman gives us some reason for assignment.

Mr. WATSON of Wd. 18—Mr. President, I would like to ask some member of the Committee on Police for some information myself. From what little I know about it, I think the order is all right, but I think they can help us out; therefore, I trust some member will enlighten us.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, as a member of the Committee on Police, I will state that divisions 11 and 13 are the only divisions where the matrons have been paid \$100 per annum. Some divisions pay as high as \$400 or \$500, but the salaries of these matrons have remained year after year at the small sum of \$100 per year. The communication that came to the Committee from the Board of Police in regard to this matter, stated that although the salary of the positions had not increased during the last three or four years, the work of the matrons was three times as much as it used to be. The

Committee decided that it was no more than right that the matrons of these two divisions should have their salaries increased by the small sum of \$100 a year, which still makes them the smallest paid of any of the matrons in any of the divisions of our Police Department today.

The question came on the question to assign further consideration of the matter to the next meeting.

Mr. MILLER of Wd. 20—Mr. President, I hope that this matter will not be assigned to the next meeting. As one of the Committee on Police, I wish to state that the information we received was that these parties at the present devote the largest share of their time to the work, and certainly, considering the amount of time that is given, they should have this increase in their salary. For a person who devotes practically the whole of her time, \$200 is a small amount. I hope the order will pass.

Mr. SIMPSON—Mr. President, I would like to ask the gentleman in this division (Mr. Chamberlain) what the matron of Police Division 7 receives?

Mr. CHAMBERLAIN—Mr. President, I am unable to answer that question.

Mr. SIMPSON—Mr. President, I hope this matter will be assigned for one week.

The motion to assign was lost, the order was read a second time, and was passed in concurrence. Mr. Chamberlain of Wd. 12 moved to reconsider; lost.

36. Report of the Joint Special Committee on Memorial Day, on requests of G. A. R. Posts and other organizations, for allowances from the city for memorial purposes, recommending the passage of an accompanying order making specific appropriations for posts and organizations, to be expended in accordance with the provisions of chapter 76 of the Acts of 1886, as set forth in City Document No. 84.

Q. on acceptance of said reports and ordering the orders to a second reading.

The report was accepted in concurrence, the reading of the orders was dispensed with, on motion of Mr. Hickey of Wd. 2, and the question came upon their passage.

Mr. ARMISTEAD of Wd. 11 offered the following amendment:—

Amend by reducing the appropriation for the Kearsarge Association of Naval Veterans from \$370 to \$300; increasing the appropriation for the Robert G. Shaw Veteran Association from \$190 to \$250, and increasing the appropriation for the Peter Salem Garrison No. 4, R. A. & N. U. from \$190 to \$200.

The question came on the adoption of the amendment.

Mr. ARMISTEAD—Mr. President, I had Lopes, when this matter was presented to the committee on public improvements of the board of aldermen, that they would have increased the amount allowed the Grand Army posts, or, rather reinstated the amount of money that has usually been appropriated by the city of Boston for the Grand Army Posts; but, inasmuch as they did not do that, and seeing at the same time that they saw fit to give the Kearsarge Association \$370, making that association on a par with the Grand Army posts, and knowing as I do that it is an organization composed of a body of men who are in very good circumstances, and realizing that the Robert Gould Shaw Veteran Association and the Peter Salem Garrison are composed of men who are comparatively poor, I thought it nothing more than right and just that the Committee on Memorial Day might have given to the wealthy organization a sufficient amount to have permitted them to carry on their business, and still at the same time have remembered those who are not in a position to help themselves.

I have seen fit, Mr. President, to ask the members of this body to take away from that association a very small amount—\$70—and divide that amount up among these two poor organizations. They are both colored organizations—and it is with

much reluctance that I use that word here. I never like to refer to any particular class, or to say "colored," but I believe that on this occasion it is necessary for me to use the word "colored" in order that I might rightly set before the gentleman of this Council the reason why I have taken this step. These men for whom I speak at this hour are all poor men. Some of them are working today at starvation wages, while others are not working at all. They desire to strew upon the graves of their comrades on the 30th of May flowers, and if they have the money, I am sure they would not ask the City of Boston for one copper. When I say, gentlemen, that these men are in need of this money, and when I say that these men spent last year in excess of the appropriation made by the City Council, a considerable sum—I do not exaggerate. I subscribed myself—and God knows that I could not afford it, but they were mine, and I felt at the time that anything I could do to aid them, I would do. I aided these men, assisted them, in paying their bills last year. The amount of money appropriated by the City of Boston was not sufficient, and they had to go around and levy a tax upon the members of the organization, in order to meet that demand, and if the amount that is given them this year by the City of Boston is not increased, I am sure they will have to do likewise. I appeal at this time to the members of this body. I ask you, gentlemen, to take from this rich organization, composed of men who are in good circumstances, composed of men who, if they should not be given enough to meet their Memorial Day expenses, every one of them, I might say—possibly with a few exceptions—could go down into their pockets to pay the balance that would be needed, and would not miss it. But I speak now for men who are poor and have not the means—poor but good, and who behave themselves as they should. They are black-eyed beauty spots, old African touch-me-nots. Mr. President, I trust the gentlemen of the Council will give me the addition that I desire.

Mr. LYDON of Wd. 13—Mr. President, I would state as a member of the Committee on Memorial Day that the committee found this year that they were \$600 short of the amount the committee had last year to divide up among the different posts, etc.; and, as we went through the list of appropriations of last year, we cut down those posts that then received \$400 to \$370; those posts that had \$250, to \$235; those that had \$200, to \$190. That made the cut proportionate throughout. Now, there were no persons who appeared before us, with the exception of one representative of the Joseph Hooker Command, No. 9, U. V. U., I believe, and we have cut them from \$150 to \$140, but, seeing that that command would be very hard pushed this year, we finally gave that representative \$10 to split up between his command and one other command, the Farragut Association. I do not question the statement of the gentleman from Wd. 11 (Mr. Armistead), but I think no harm will be done if his proposition to cut the Kearsarge Association from \$370 to \$300 is laid over, with this whole matter for a week. I hope this matter will be assigned to the next meeting of the Council.

Mr. WATSON of Wd. 18—Mr. President, I think we ought to vote on this matter tonight. Supposing we assign it for a week and then the order should be amended. The whole thing would then have been delayed for seven days, bringing it to the 18th, and if an amendment is made the matter will have to go to the board of aldermen the following Monday, and there will be at best a very serious delay. The fact is, this money must be appropriated previous to the 30th of May, because the city is not allowed to approve bills that are incurred without an appropriation. If we delay the matter for a week and then

amend it, and it has to go to the board of aldermen, the board of aldermen will not meet until the 22nd, when there may be a still longer delay, and the matter may be tied up so that the appropriation cannot be used by the 30th of the month at all. I am ready to vote tonight—and I am free to confess that I will vote with Brother Armistead. I hope this matter will come to a vote tonight.

Mr. SIMPSON of Wd. 1—Mr. President, as a member of the committee, together with my friend in this division (Mr. Lydon), I would simply say that we met in committee meeting to look into this matter. We studied it over very carefully, and I should have been glad to have my friend in the first division (Mr. Armistead) appear before us at that time, and state what he has stated here tonight. We might have been able to do something to help him out. But, under the instruction that came through Mr. Barry, the Chairman, he stating to us that His Honor the Mayor was not going to give us over \$8000 to spend for the day, we thought the only fair thing to do was to make a reduction pro rata among the different posts and organizations. We therefore reported as we have, in order that the money might be used for Memorial Day. I hope that assignment will not prevail, but that the order will go through tonight.

Mr. ARMISTEAD—Mr. Chairman, in reply to the gentleman in the third division, let me say that I did appear before the Committee on Memorial Day, but, unfortunately for me, the committee had adjourned before I arrived. Notices were sent out to the effect that the committee would meet at 8 o'clock. I was present at a quarter past 8, and no one was there but the chairman of the committee and the clerk. That committee must have done its business up in double-quick order. I certainly intended to have stated my grievances before the committee, and to have tried to get them to do something for these organizations. I regret very much that I did not meet the members of the committee.

Mr. LYDON—Mr. President, I wish to state, in regard to changing or altering this report, that I was requested by some good friends of mine to have their appropriation increased this year, and Mr. Bordman, a member of this body, was very much interested in my friend from Wd. 11's case, and he therefore tried in every way possible to secure an additional appropriation for the Robert G. Shaw command. But, after considering the matter for some time, we came to the conclusion that the only way that would be fair to all concerned, in view of the fact that there were a great many other Posts as much entitled to consideration, as we felt, as the Robert G. Shaw—some of the other Posts and Commands that different parties were interested in personally—would be to cut the amount for each organization proportionately as against the sum received by it last year. We did that as we were given to understand that the Mayor would not give us another penny beyond \$8000. Of course, we deplore the fact that the amount has been cut, because we are aware that the posts are getting poorer each year and that they have more graves to decorate on Memorial Day; but we could not give to one without being unfair to the others, and had to cut proportionately.

The motion to assign was lost.

Mr. Armistead's amendment was adopted. The order as amended was passed. Mr. Armistead moved to reconsider, trusting that the same would not prevail; lost. Send up.

37. Communication from the School Committee surrendering to the City Council the Ingraham School property on Sheafe St.

The following order comes down in connection with said communication:

Ordered, That the Ingraham School property on Sheafe St. be placed in charge of the Board of Street Commissioners to be sold, and that the proceeds of such sale be used for taking land for the enlargement of the Hancock School lot on Prince St.

The communication and order were referred to the Committee on Schools and Schoolhouses.

38. Mayor's message transmitting the following order, which comes down without alteration, passed by the Board of Estimate and Apportionment on April 27, also transmitting copies of communications from the Pauper Institutions Trustees, the Chief of the Electrical Construction Division and the Superintendent of the Boston Division of the New England Telephone and Telegraph Company, showing the necessity of the appropriation, viz.:

Ordered, That the sum of four thousand (4000) dollars be appropriated, to be expended by the Pauper Institutions Trustees in purchasing and laying a telephone cable from Moon Island to Long Island; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

The PRESIDENT—The Chair desires to make a statement in explanation of the action of the Board of Estimate and Apportionment upon this matter. The Chair will state that the telephonic communication between Long Island, Rainsford Island and Gallops Island was cut off, owing to the catching of the cable by the anchor of an incoming vessel. The order providing \$4000, as passed by the Board of Estimate and Apportionment—and which was voted for by your humble servant—provides for telephonic communication along the shore from Boston to the Cow Pasture and thence by water across to the islands in the Harbor. The Chair desires to make this explanation, in order that the action of the Board of Estimate and Apportionment may be understood. If there is no objection, the communication will be placed on file.

The communication was placed on file.

On motion of Mr. Harvey of Wd. 24, the reading of the order was dispensed with and it was passed in concurrence with the Board of Estimate and Apportionment. Sent up.

39. Ordered, That the Fire Commissioner be hereby requested to have the woodwork around the clock in Christ Church repaired; the expense of same to be charged to the appropriation for Fire Department. Passed in concurrence.

40. Ordered, That the joint special committee on investigation of Rainsford Island be authorized to employ a stenographer for a report of the investigation; the expense of the same to be charged to the appropriation for City Council, Incidental Expenses.

Passed in concurrence.

41. Ordered, That His Honor the Mayor be authorized to cancel the agreement of Bennett H. Nash, dated the eighth day of November, 1888, holding the city harmless "from and against any and all claims for damages, costs, expenses or compensation, on account of the placing of an area covered by a Hyatt light and flagging in Boylston St., in front of or adjoining the premises now or formerly numbered 56 on said street," the immunity of the city from such claims being now secured by chapter 38, section 18, of the Revised Ordinances of 1898.

Referred to the Committee on Claims.

The Council voted, on motion of Mr. Harvey of Wd. 24, to consider Nos. 42 to 46, inclusive, together, viz.:

42. Ordered, That His Honor the Mayor be requested to instruct the heads of departments to allow the veterans of the Civil War to attend the Grand Army Encampment in September without loss of pay.

43. Ordered, That His Honor the Mayor be requested to extend the courtesies of the city to the National Order of Railway Conductors on the occasion of their convention in this city May 26, 1899.

44. Ordered, That the Board of Park Commissioners be requested, through His Honor the Mayor, to take for park and playground purposes the land bounded by Charlestown, Thacher, Lynn and Cooper Sts.

45. Ordered, That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow the employees of the Paving Division a holiday, without loss of pay, in part compensation of their services, on July 26, 1899, the day of their annual picnic.

46. Ordered, That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow the employees of the Sewer Division a holiday, without loss of pay, in part compensation for their services, on June 27, 1899, the day of their annual picnic.

Severally passed in concurrence. Mr. Harvey moved to reconsider; lost.

CARS ON STREETS IN SOUTH BOSTON

The Council proceeded to take up No. 47, unfinished business, viz.:

47. Whereas, the American Sugar Refining Company has a petition before the Board of Aldermen, asking for permission to operate railroad cars on certain public streets in South Boston:—

Resolved, That in the opinion of the Common Council said permission should not be granted, because of the great danger and menace to life which has prevailed under the operation of these railroad cars.

The question came on giving the resolution a second reading.

Mr. SIMPSON of Wd. 1—Mr. President, I move the assignment of that for one week.

Mr. LYDON of Wd. 13—Mr. President, I hope the matter will not be assigned for one week. It came up here about four weeks ago, and I think it should be acted upon finally tonight, that it may go to the Board of Aldermen so that they may have it before them at their next meeting. I see no reason at all for delay, unless it is in the interest of this corporation.

The motion to assign was lost. The preamble and resolutions were read a second time and assigned. Sent up.

ORDINANCE REGARDING PUBLIC BATHS.

The Council proceeded to take up No. 48, past assignment, viz.:

48. An ordinance relative to Public Baths and Gymnasias.

Be it ordained, etc.:

Section 1. The Health Department shall have the care and custody of all bathhouses, whether for all-the-year-round use or floating bathhouses in salt water for summer use, bathing beaches, swimming-pools and gymnasias, now or hereafter provided by the city; shall have the care and custody of all urinals or public convenience stations, now or hereafter established by the city.

Sec. 2. Chapter 7 of the Revised Ordinances of 1898 is hereby repealed.

The question came on giving the ordinance a second reading.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, I move to amend this ordinance by striking out section 2.

The amendment was carried. The question came on the second reading of the ordinance as amended.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, with a well-earned self-complacency, the Socialist, (for advantage only), who presides, with despotic Caesarian control, over the finances of the city of Boston, endowed with more power than the Governor of this Commonwealth, or

the President of the United States, by a Republican Legislature, has said: "The sole function of the Common Council is to criticize." The Common Council tonight will exercise to the utmost that sole function as bidden, and the subject for its criticism shall be a department especially created to recklessly spend the city's money and at the same time indulge the vagrant fancy of a hydromaniacal Mayor.

The question tonight is not that too many baths have been established, and that a larger amount of money has been spent for this purpose than was reasonably warranted, by the financial condition of the city, but on the mal-administration, utter incompetency and flagrant violations of law committed by the present Board of Bath Trustees. The acceptance of this ordinance will not reduce the number of baths or the amount of money available for public bathing this year, but, on the contrary, will give the public better service and a fair return for the investment of public money; and this point I desire that those in opposition will well remember, in any reply they may make to my argument. For we all believe in a reasonable number of baths which are economically maintained and not established for purely political purposes.

One of the greatest contributory causes of our present municipal bankruptcy is the unlimited number, irresponsible membership and uncontrolled extravagance of unpaid commissions. The present executive has signalized his administration by the creation of a large number of such commissions and, in so far as shown, his lack of business judgment and total disregard for even an appearance of economy.

It may well be said that, in certain charitable work, which properly belongs to a municipality, such as overseeing of the poor, administration of a Public Library, or an art commission, those in charge for obvious reasons might be unpaid, yet some would combat this suggestion, although the nature of the work is mostly of a supervisory character; but where the work performed by the department is purely administrative, entailing merely the making of contracts and the employment and superintendency of labor—economy, responsibility, and the proper administration of the department, in theory as well as in practice, is better promoted by a paid head of a department than by a well-intentioned but irresponsible commission.

If a new commission is created, the temptation immediately arises to give it something to do, and that temptation has been fatal in a marked and startling degree, to the finances of the city of Boston, during the present administration, as will be plainly seen by the following facts: When the baths were under the administration of the Health Commissioners, paid officials, in 1896, the amount of money expended was \$20,000. In 1897, \$21,000; but in 1898, under the present unpaid Commission, although \$35,000 was given them at the beginning of the season for maintenance and innumerable transfers made, aggregating \$22,000, there were left at the end of the season \$20,000 worth of unpaid bills, besides a bill of \$12,000, due the Park Department. Special loans, aggregating \$25,000, were also made—in other words an increase in expenditure of \$93,000 was made under the unpaid commission; even then the baths were closed, for lack of funds, on the first day of September. In view of the present financial difficulties of the city, this must appear to every thoughtful man as an appalling piece of reckless extravagance which could not and would not have occurred under a responsible head of department or a sound executive. Such a statement alone shows a total disregard of economy and a criminal defiance to law which plainly provides that no money shall be expended without authority from the City Council. Last year many bath houses were built and alterations made without any appropriation having been made there-

for, but these bills have been provided for this year by loans through the Board of Estimate and Apportionment of which Josiah Quincy is the Alpha and Omega—the first and the last, the head and the tail.

Contracts were continually made by the Bath Department last year with the pernicious and extravagant Repair Division of the Public Building Department, and some have said that, were it not for the employment of the political heeleders in this division, the building of new bath houses would never have entered the mind of the Mayor. However that may be, that the pay-rolls of the Bath Department, under this irresponsible commission, were padded outrageously cannot and will not be denied. The demand of this Board at the beginning of this year was for an appropriation of \$163,740.00, about four-fifths of which, \$131,240, was demanded for salaries alone, and even the Quincyized editorial rooms of the Boston press emitted a righteous howl against so palpable an attempt to create places for political adherents. The amount paid for the salaries alone for one bath, I understand, was more than \$10,000. Was this money paid for the promotion of the health of Boston or for the healthfulness and vigor of the Quincy machine?

As for the spurious estimate that 2,000,000 people bathed last year on account of the increased facilities it need only be said that these are Quincy figures, and by this time the people of Boston know what unreliability this carries with it. And it should be stated that even the basis for this calculation was furnished by a mere estimation of the paid servants of a man who was pursuing a fad.

Let us now turn to the shameful record which stands as an inglorious monument of this defiant and extravagant unpaid commission. Receiving, at the beginning of this financial year, 1899, the large appropriation of \$69,500, it has already spent \$25,020, or more than one-third of the appropriation, and but one bath is open, one gymnasium under its care and a few paltry unpainted public convenience stations. A loan of \$10,000 for Summer Baths was granted Feb. 27, 1899, and every cent of that money was spent before the ice had disappeared from the ponds. Will the Common Council, as protectors of the City Treasury, as representatives of the citizens of Boston and as good public servants, allow this commission, in headlong recklessness, to drag the city further into unnecessary debt?

In their private capacity the members of this commission are undoubtedly exemplary in character and possessed of good business sagacity, but their knowledge of municipal finance is so limited and their direct participation in the management so remote that, in the wily hands of our hydro-maniacal Mayor, it becomes our plain duty to insist on their abolition.

The Health Commissioners have shown their capacity to manage the baths and they should be again restored to their jurisdiction. In the name of economy, out of respect to proper obedience to law and as a protest against irresponsible, unpaid commissions I plead for the acceptance of the ordinance now before this body.

The ordinance was read a second time and the question came on its passage. Mr. Connolly of Wd. 17 called for the yeas and nays, which were ordered, and the ordinance was passed—yeas 33, nays 23:—

Yeas—Armistead, Bennett, Brauer, Carroll, Chamberlain, Cuddy, Doherty, Eddy, Emery, Harvey, Hibbard, Howard, Jordan, Kiley, Klenm, Leftvith, Linehan, Lorey, MacDonald, Mansfield, Miller, Moore, Peck, Roemer, Roland, Sanderson, Stevens, Stone, Swcney, Walker, Wells, Westloe, Wood.—33.

Nays.—Atwood, Badaracco, Bradley, Brennan, Broderick, Casey, Collins, Connolly, Curley, Donahoe, Doyle, Fenton,

Giblin, Hickey, Johnson, Kasanof, Kelley, Logan, Madden, Martin, Mildram, Nangle, Newhall, Rice, Sullivan, Tobin, Turnbull, Watson.—28.

Absent or not voting.—Bagley, Battis, Bordman, Donovan, Flynn, Gibbons, Horrigan, Leonard, Lydon, McInerney, Mulcahy, O'Brien, Simpson, Stockton.—14.

Mr. CHAMBERLAIN of Wd. 12 moved to reconsider, hoping that the same would not prevail.

Mr. HICKEY of Wd. 2.—Mr. President, I hope that reconsideration will prevail and that this matter will take the course that several other matters have been permitted to take and go over for one week. I feel, Mr. President, that the Health Department is not able at the present time to take charge of the work now performed by the Bath Department, as it has increased since 1897. The large number of floating bathhouses, winter bath houses, bathing beaches, swimming pools and gymnasias, public convenience stations, urinals and public landings that are now under the care of the bath department, cannot be taken care of by the Health-Department, which has altogether enough to look out for under its duties as provided for by ordinance and statute. I hope that the ordinance will be reconsidered, and that it be assigned for one week, in order that we may have a full argument of the question, and in order that certain members of the Council may be able to reply to the blond shot-putter from Wd. 12.

Mr. CHAMBERLAIN.—Mr. President, inasmuch as the ordinance has been on the calendar for the last three weeks, and inasmuch as the gentleman from Wd. 2 has had an opportunity during that time to look up the matter, I see no reason why it should be assigned for another week, and be kept upon the calendar.

Mr. STEVENS of Wd. 11.—Mr. President, I hope that reconsideration will not prevail. The summer season is coming on and these bath houses want to be put in order and fixed up so that the people who are to use them can have them for use at once. As for this work being put back under the charge of the Board of Health, I think it is just that it should be put there. The gentleman from Wd. 2 says that the Board of Health will have more than they can do if they take this additional work on their hands. Mr. President, they have had it in the past. It was been their duty until within a year or two years, and they have been paid for doing it. I see no reason why they should not do it now. I wish to say that I am just as much a believer in baths as any member of this council, but this is not a question of abolishing the bath system, but simply a question of making a change in its management, and I believe that the city, in its precarious financial condition, will save a great deal of money by making the change. I hope that it will be put back under the charge of the Board of Health, and that reconsideration will not prevail.

Mr. MILLER of Wd. 20.—Mr. President, I simply want to go on record here tonight as being opposed to reconsideration. One of the members of the council has said to me privately that I was opposed to the baths. I am not, Mr. President, I am thoroughly in favor of baths, but I am also in favor of any department being managed in a businesslike way. For that reason I hope this will go back under the charge of the Board of Health. The Board of Health have conducted this in a businesslike way in the past. I want to see the baths opened this summer, and under the present management, at the rate the money has been spent for the last three months I think you will have to close the baths up about the first of July. For that reason I think it is time to change the management. If you organize any other business and run it in the way

in which the bath department of the city of Boston has been run, you certainly would have a new president at the first meeting of the board of directors. I think it is about time to have a new management of the bath department and I hope this work will go back under the care of the Health Department, who are paid for their services, and who have conducted this work in a businesslike manner in the past—I think they are still able to do it now.

The motion to reconsider was lost.

TRACKS ON TREMONT ST.

The Council proceeded to consider No. 49, on the table, viz:—

49. Resolve and order, offered by Mr. Watson on April 6, relative to the restoration of the railway tracks on Tremont St.

The question came on adoption of substitute for above, offered by Mr. Stevens on same date.

Mr. HARVEY of Wd. 24 moved the indefinite postponement of the whole matter.

Mr. WATSON of Wd. 13.—Mr. President, I think it is rather discourteous in the member from Wd. — well, I don't know the ward, but it is somewhere out in the woods (laughter)—to arise here—

The PRESIDENT—The Chair will ask the members of the Council to refrain from demonstrations.

Mr. WATSON—He has not hit me, Mr. President and fellow members, by his motion. He has simply done a discourteous thing towards Mr. Cuddy of Wd. 8. Mr. Cuddy moved to lay this whole matter on the table and there it is. It seems to me it should remain there until Mr. Cuddy moves to take it up; and if Mr. Cuddy moves to take it up tonight, I think I should oppose him. If these members want to have a fight, I am willing to take it up, but as to the matter of indefinitely postponing it, I am against that, and hope that it will not prevail.

The PRESIDENT—The Chair desires to make a ruling at this time, that No. 49 on the calendar cannot be indefinitely postponed until it has first been taken, on motion, from the table. The Chair will rule the motion to indefinitely postpone out of order.

CLAIMS REPORT.

Mr. LOGAN of Wd. 14, for the Committee on Claims, submitted a report on the order (referred Feb. 2) for the repayment to the estate of Hannah E. Dennis the sum of Fifty Dollars, being the amount paid for entrance to sewer in Everett St., Brighton, and the said estate having been afterwards assessed for her proportionate part of the cost of said sewer—Recommending the passage of the order in concurrence.

Report accepted; order passed in concurrence. Mr. Logan moved to reconsider; lost.

MEMBERS PRESENT.

The Clerk, by direction of the President, called the roll to ascertain the number of members present, with the following result:—

Present—Armistead, Atwood, Badaracco, Bagley, Battis, Bennett, Bradley, Brauer, Brennan, Broderick, Carroll, Casey, Chamberlain, Collins, Connolly, Cuddy, Curley, Doherty, Donahoe, Dorle, Eddy, Fenton, Giblin, Harvey, Hibbard, Hickey, Howard, Johnson, Jordan, Kasanof, Kelley, Kiley, Klemm, Leftovich, Linehan, Logan, Lorey, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Nangle, Newhall, O'Brien, Peck, Rice, Roemer, Rolland, Sanderson, Simpson, Stevens, Stone, Sullivan, Sweeney, Tobin, Turnbull, Walker, Watson, Wells, Winsloe, Wood.—67.

Absent—Bordman, Donovan, Emery,

Flynn, Gibbons, Horrigan, Leonard, Stockton—8.

REMOVAL OF TREE.

Mr. GIBLIN of Wd. 15 offered an order—That the Superintendent of Public Grounds be instructed, through His Honor the Mayor, to remove dead tree at intersection of Dorchester and Old Harbor Sts.; the same being a menace to public travel.
Referred to His Honor the Mayor.

CROSSWALK, WD. 15.

Mr. GIBLIN of Wd. 15 offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to place a crosswalk on the northerly side of the junction of East Sixth and H Sts., Wd. 15.

Referred to His Honor the Mayor.

REORGANIZATION OF FIRE DEPT.

Mr. DOHERTY of Wd. 3 offered an order—That His Honor the Mayor be requested to instruct the Fire Commissioner to so organize the department that the members shall be divided into two shifts of twelve hours each, so that the members of the Fire Department of the city of Boston shall not be required to perform more than twelve hours of duty in every twenty-four.
Assigned to the next meeting, on motion of Mr. Doherty.

IMPROVEMENT OF HAYES SQ.

Mr. DOHERTY of Wd. 3 offered an order—That the Superintendent of Public Grounds be requested, through His Honor the Mayor, to place seats around Hayes Sq., Wd. 3.

Referred to His Honor the Mayor.

Mr. DOHERTY offered an order—That the Superintendent of Public Grounds be requested, through His Honor the Mayor, to cause the dead trees in Hayes Sq., Wd. 3, to be removed immediately.

Referred to His Honor the Mayor.

CONDITION OF CONCORD AVENUE.

Mr. DOHERTY of Wd. 3 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to place the roadway of Concord Ave., Wd. 3, in proper condition for public travel.

Referred to His Honor the Mayor.

LAYING OUT OF PINE ST.

Mr. DOHERTY of Wd. 3 offered an order—That the Street Commissioners be requested, through His Honor the Mayor, to make an estimate of the cost of laying out Pine St., at Charlestown, at a width of thirty feet, from Bunker Hill St. to Vine St.

Referred to His Honor the Mayor.

FLAGSTAFF, HAYES SQ.

Mr. DOHERTY of Wd. 3 offered an order—That the Superintendent of Public Grounds be requested, through His Honor the Mayor, to provide a flagstaff and flag for Hayes Sq., Wd. 3, and to cause said flag to be unfurled on Memorial Day; the expense attending the same to be charged to the appropriation for Public Grounds Department.

Referred to His Honor the Mayor.

A QUESTION OF PRIVILEGE.

Mr. LINEHAN of Wd. 13—Mr. President, I rise to a question of personal privilege.

The PRESIDENT—The gentleman will state his question of personal privilege.

Mr. LINEHAN—Mr. President, I would like to say a few words in reply to a statement made by one of the Trustees of Pauper Institutions, and that statement was published in the Boston Advertiser.

The PRESIDENT—The Chair will request the gentleman to refer directly to

the statement upon which he desires to speak.

Mr. LINEHAN—Mr. President, that trustee impugns the motives of certain members of the Common Council in passing the ordinance prohibiting the employment of any persons but legal voters of Boston.

The PRESIDENT—The Chair desires the gentleman to refer to the personal allusion upon which he desires to address the body, and will ask him to state to the Council what it was. The Council will be in order. The gentleman will proceed.

Mr. LINEHAN—Mr. President, the statement of that trustee was that it was nothing more nor less than a desire to embarrass the administration of this city that caused the members of this Council to make a fight against the importation of a man from Indiana—

The PRESIDENT—The Chair desires to state that he is unable to see at this time that that is a question of personal privilege. The Chair will, however, allow considerable latitude upon the question, and will probably be able to determine later whether or not it is a question of personal privilege. Mr. Linehan of Wd. 13 may proceed.

Mr. LINEHAN—Mr. President, I would like to state that my only desire in offering that first resolution was a desire to see fair play for the citizens of this city. That trustee of the pauper institutions, whose name is Alice N. Lincoln, has made certain statements about members of this Council which I deem it my duty to stand up here and say are not so. My only desire in making such a fight, and the only desire I know that the other members of this Council had, was a desire to see fair play. I did not know the man who was head superintendent at Long Island until I went there one morning and saw him and had a talk with him. It was a fight made on principle, nothing more nor less, and I stand here tonight to say that the system and the management of the Trustees of the Pauper Institutions is all wrong. Now, let us see what it is, or what are the motives of Mrs. Alice N. Lincoln—a humanitarian and philanthropist, with a whole pile of money, going to the legislature and getting laws passed and getting appointed to positions in connection with them. She is now a trustee for paupers. What is she doing? She is a great real estate investor, building model tenement houses all over the city. Time and time again poor people have been unable to pay their rent. What has she done then? She has been in a position to have those people placed in an almshouse, which she has done time and time again. That is her business—a professional philanthropist, nothing else. I went to Long Island and saw Mr. Condon, and I made it my business to get a few members of this Council together and go to Concord to see Mr. Scott, the man who is superintendent there, and find out whether this man Condon was competent or not. The only answer he made to us was: "I recommended Mr. Condon on merit alone, but the chances are that he stepped on somebody's toes, and the consequence was that he had to go." Now, who have they appointed? A Mr. Hopkins of the Institution of Technology, a man whose only experience in institutions has been for three months. When I went to Professor Sedgwick about the matter, he said to me that the kind of man they wanted was a large, eminent, able, elderly man, a man who had had lots of experience in institutions.

A man who can tell how much fat should be given to a woman of fifty, who can tell how much lean should be given to a man of sixty, a man who can tell how much fish a man of twenty-five should eat in a week, a man who can look at a sprat and tell that it is not a whale! That is the kind of a man—

The CHAIRMAN—The Chair will state that the remarks of the gentleman are not on the question to which he rose. The

Chair will ask the gentleman to confine himself as closely as possible to the question of personal privilege. Mr. Linehan of Wd. 13.

Mr. LINEHAN—Mr. President, I would like to say a few words in regard to Mr. Hopkins of the Institute of Technology. Personally, I don't know the man. I have nothing against him whatever. But what has been his first official act on going to the Island? His first official act has been to go into the hospital and take out a poor consumptive and place him in solitary confinement. For what? Because he refused to work. That man was brought to East Boston, before Judge Emmons, the next day, and he was discharged. That was the first official act of the able, eminent, elderly man, who knows twice as much as anybody else. What is the condition of the Island today, Mr. President? It is practically the same as it was six months ago—no difference whatever. I would like to say for my part, for my side, that I shall always stand up in defense of men whose only offence is that they haven't money enough.

COMMITTEE APPOINTMENTS.

The President announced the appointment of members on the part of the Common Council on the following committees:

Municipal Lighting—Messrs. Watson of Wd. 18, Atwood of Wd. 16, Fenton of Wd. 15, McInerney of Wd. 19, Hibbard of Wd. 24, Gibbons of Wd. 5, Moore of Wd. 10, and Simpson of Wd. 1.

Elections—Messrs. Stone of Wd. 7, Martin of Wd. 15, Cuddy of Wd. 8, Harvey of Wd. 24, MacDonald of Wd. 12.

Judiciary—Messrs. Stockton of Wd. 11, Walker of Wd. 25, Rice of Wd. 2, Logan of Wd. 14, Howard of Wd. 20.

FIRE ALARM BOX, WD. 21.

Mr. WINSLOE of Wd. 21 offered an order—That the Fire Commissioner, through His Honor the Mayor, be instructed to place a keyless alarm box at the corner of Regent and Alpine Sts., Wd. 21.
Referred to His Honor the Mayor.

PAYMENT FOR VACCINATION.

Mr. WATSON of Wd. 18 offered an order—That the Board of Health, through His Honor the Mayor, be requested to compensate the physicians who were recently called upon to attend to the vaccination of the public.
Referred to His Honor the Mayor.

ADDITIONAL MEMORIAL DAY APPROPRIATION.

Mr. WATSON of Wd. 18 offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation of five hundred dollars to be expended on Memorial Day, under the direction of His Honor the Mayor, in decorating the graves of soldiers and sailors who lost their lives either from wounds or disease contracted in the late war with Spain.

Mr. WATSON of Wd. 18—Mr. President, I know that I have consumed considerable time tonight in talking, and I should have reserved what little I had to say until this time. I have introduced an order that I am thoroughly interested in—not for political purposes, but one in which I have an absolutely sincere interest. We have had tonight before us, and have passed it, an order appropriating \$8000 for the purpose of decorating the graves of veterans of the civil war; and, Mr. President, at the meeting of the board of aldermen two weeks ago last Monday there was a resolution introduced at the request of Capt. Dunn of the Ninth Regiment, that the Ninth Regiment be allowed some money to decorate the graves of the veterans who died by reason of disease and by eating

embalmed beef. Mr. President, I feel that some way should be provided whereby these graves should be decorated. I have inserted there, regulars, volunteers and sailors, covering everybody. There are today buried in and about Boston the bodies of a number of regulars who died away from home and friends. In fact, I attended one funeral myself in Waterman's undertaking shop, where the only mourners present were a member of the 7th, who did not know the fellow, and myself, and I am sure that nobody will think of his grave on Decoration Day. As a matter of fact, there are a great many graves of heroes of the Spanish war which should be decorated. There is Colonel Bogan—the city should at least decorate his grave; also Major Grady's grave, Major O'Connor's, the grave of Capt. Drum of the regulars, and many others in the ranks of the privates. I have introduced this order and respectfully request the Board of Estimate and Apportionment, through His Honor the Mayor, who is a member of that board together with the President of this body, to make an appropriation as asked for in it, laying aside politics and personalities. I ask the Mayor to see that the graves of those soldiers of the Spanish war who are buried in our city be decorated on Memorial Day. I think it would be a disgrace to the city for it to go on record as having failed to decorate the graves of soldiers of the Spanish-American war; and I move a suspension of the rules, that the order may be passed this evening, so that it will go before the Board of Apportionment at once. I hope they will consider it regardless of politics, and I sincerely trust that money will be appropriated for this purpose.

The rule was suspended and the order was read a second time and passed. Sent up.

RECEPTION TO ADMIRAL DEWEY.

Mr. WATSON of Wd. 18 offered an order—That a special joint committee be appointed, to consist of as many members as the President of the Common Council and the Chairman of the Board of Aldermen may deem necessary, to receive Admiral Dewey on the day set aside for a public reception to him.

Passed. Sent up.

Mr. WATSON of Wd. 18 offered an order—That all public offices be closed and all city business be suspended on public works, etc., on the day that Admiral Dewey is officially received by the City of Boston.

Passed. Sent up.

BATH APPROPRIATION.

Mr. WATSON of Wd. 18 offered an order—That the Board of Estimate and Apportionment be requested not to grant the request made to them by the Bath Commission, through its chairman, to appropriate the sum of \$15,000 for the purpose of equipping and furnishing the Chapel of the Congregational Society on Harrison Ave.

Mr. WATSON of Wd. 18—Mr. President, I suppose someone is wondering what my reasons are for introducing that order. They are as follows: I am directly informed that this is a land scheme on the part of a lot of politicians located in and about Wd. 9, and, as Wd. 9 has a gymnasium for which \$15,000 has been appropriated, and also a bath house costing over \$100,000, I think the residents of that ward have plenty of facilities for exercising and washing. I sincerely trust that the Board of Apportionment will act on this order and will refuse the request.

The order was referred to the Board of Estimate and Apportionment.

DRINKING FOUNTAIN, BUNKER HILL STREET.

Mr. KELLEY of Wd. 4 offered an order—That the Water Commissioner, through His Honor the Mayor, be requested to erect on Bunker Hill St., opposite Charlestown Heights, an ice water fountain; the expense of same to be charged to the Water Department.

Referred to His Honor the Mayor.

ASPHALTING BUNKER HILL STREET

Mr. KELLEY of Wd. 4 offered an order—That the Board of Estimate and Apportionment be requested to provide in its next loan bill the sum of \$3850, the same to be spent in paving Bunker Hill St. with asphalt, from North Mead St. east 250 feet.

Referred to the Board of Estimate and Apportionment.

RESTORATION OF SALARIES.

Mr. SIMPSON of Wd. 1 offered an order—That His Honor the Mayor be requested to restore the former salaries of the employees of the Financial Departments of the City of Boston.

Passed, under a suspension of the rules. Sent up.

OPENING OF SCHOOLS.

Mr. MILLER of Wd. 20 offered an order—That the School Committee, through His Honor the Mayor, be requested to adopt a regulation providing that the date for reopening, after the summer vacation, all the high, grammar, primary and kindergarten schools of the City of Boston, shall be the first Tuesday after the second Monday of September in each year.

Referred to His Honor the Mayor.

ELECTRIC LIGHT, WD. 20.

Mr. MILLER of Wd. 20 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to replace the electric light removed from the corner of McLellan St. and Blue Hill Ave., Wd. 20.

Referred to His Honor the Mayor.

PAYMENT OF FAMILY OF EMMET H. RANDOLPH.

Mr. ARMISTEAD of Wd. 11 offered an order—That the School Committee, through His Honor the Mayor, be requested to take such action as may be necessary to cause the balance of the salary of Emmet H. Randolph, late janitor of the Walte Primary Schoolhouse, now deceased, to be paid to his family, the same as if he had lived and continued in his situation until the close of the present financial year.

Referred to His Honor the Mayor.

PLAYGROUND, DORCHESTER LOWER MILLS.

Mr. HIBBARD of Wd. 24 offered an order—That the Park Commissioners, through His Honor the Mayor, be requested to purchase a site for a playground in the vicinity of Lower Mills District, Wd. 24.

Referred to His Honor the Mayor.

BAND CONCERT, PIERCE SQUARE.

Mr. HIBBARD of Wd. 24 offered an order—That the Music Commission, through His Honor the Mayor, be requested to provide for a band concert in Pierce Sq., Dorchester, some time during the coming season.

Referred to His Honor the Mayor.

FEES FOR PERMITS.

Mr. LINEHAN of Wd. 13 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be re-

quested to refund to the parties who paid the same, or to their authorized representatives, all fees heretofore received by the Street Department for street permits.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to say just a few words in support of that order, and that is that taxation, unjust taxation, when carried out according to law, is nothing more or less than legalized robbery, but that taxing without law authorizing it is just the same as going out on the highway and taking it from a man's person. That has been the attitude of the Superintendent of Streets and of the Mayor of Boston this last two years. I speak in reference to the charges which have been made for permits illegally. The Supreme Court has handed down a decision within a few weeks which says that they had no legal right to charge that money, and I stand here to ask them to pay back to the people that money which they took from them. The Mayor of Boston is without a doubt the greatest tax maker this city has ever seen. That is about what he is. The Mayor of Boston would make a good Chinese magistrate, backed up by soldiers, to go out and take money forcibly from the people. He is the Mayor supreme, backed up by a band of political pirates who would go down (laughter)

The PRESIDENT—The Chair would ask the Council to be in order.

Mr. LINEHAN—The Mayor of Boston, backed up by a band of political pirates who would go down and loot the City Treasury, if they were not afraid they would get taken in. He is a regular jumping jack at the State House, jumping from one committee to the other, but advocating nothing but increased taxes. But he has not the courage and the manhood to come out and demand an increase of the tax limit. He wants to tax the watering of streets, the sweeping of streets, the carting away of the garbage, and the carting of it out to the garbage plant, of which he is one of the controlling stockholders. That is what the Mayor wants—something that will benefit himself. He is a great promoter of automobiles. You will have them in the city in a short time. Who will pay for them? The city. All those carriages and horses which the city now owns will be disposed of. Joe Leiter, Dick Croker and Mayor Quincy—they are the ones who will control Boston. They are the ones who are pushing him along. He will do anything that they wish, so long as there is a dollar in it—anything. He will take it any way that he can get it—no matter if he has to hold them up at night for it. (Laughter.)

The PRESIDENT—The Chair will ask the Council, after having made several requests of a like character, to refrain from demonstrations during the discussion of important matters at meetings of the Council.

Mr. LINEHAN—I stand here tonight, Mr. President, to say that the Mayor of Boston and the Superintendent of Streets would be doing no more than a service of the people to pay back the money they have taken from them illegally—stolen from them. The people who have been paying the one dollar for permits are not the wealthy corporations who are tearing our streets to pieces. They contested it right away. They knew we had no legal right to charge that amount. It has been the poor tradesman, the poor painter, the poor apple woman who kept a stand—everybody who is considered small fry. They are the people who have paid the \$10.50 which was taken from them last year. I say it should be paid back, and we are bound by our duty to our people to vote to pay back anything which has been taken from them unjustly.

Mr. WATSON of Wd. 18—Mr. President, I desire to answer some of the remarks made by the gentleman in reference to the Mayor at this time.

I want it distinctly understood that I believe the gentleman made an error when he said it—don't let him think I am going to defend the Mayor. He said they would loot the treasury if they dared to. I want to inform him that they have looted the treasury. (Laughter.)

Mr. LINEHAN—Mr. President, I would like to state, for the benefit of Councilman Watson, that when I said they would loot the treasury, I meant go down and blow the safe open. (Laughter.)

Mr. MULCAHY—Mr. President, after listening to the star actor and orator of the council, I move that this matter be assigned for one week.

The motion to assign was lost, and the order was read a second time and was passed. Mr. Linehan moved to reconsider; lost. Sent up.

VACATION FOR NIGHT MEN.

Mr. CUDDY of Wd. 8, for Mr. Flynn of Wd. 17, offered an order—That His Honor the Mayor be requested to instruct heads of departments to allow employees whose services are rendered at night, a vacation of two weeks, without loss of pay and in part compensation for said services.

The rules were suspended, on motion of Mr. McInerney of Wd. 19, and the order was passed. Sent up.

PURCHASE OF MAPS.

Mr. CUDDY of Wd. 8 offered an order—That the Clerk of Committees be authorized to purchase five hundred copies of the new map of Boston published by G. H. Walker & Co., to be distributed under the direction of the Committee on Printing; the expense thus incurred to be charged to the appropriation for City Council, Incidental Expenses.

Mr. WATSON—Mr. President, I move that that order be assigned for one week. I will give as my reason that the committee on printing is liable to err in the distribution of maps. I think it should be amended so that a certain number should be given to each member of the government, and that the balance should be left to be distributed at the discretion of the Committee on Printing. In order that I may have time to draft an amendment which will be fair to everybody, I move that the matter be assigned to the next meeting.

The PRESIDENT—The Chair will refer the order to the Committee on Printing, under the rules.

BINDING IN UNION BINDERIES.

Mr. FENTON of Wd. 15 offered an order—That the Superintendent of Printing, through His Honor the Mayor, be requested to have all bindery work sent out from the Municipal Printing Plant given to none but those recognized as union binderies.

Mr. FENTON—Mr. President, my reasons for introducing that order tonight are these: I understand that the bindery work of the city has been sent to an unfair shop—that is, a part of it has been—and I believe that, as the Municipal Printing Plant employs the labor of the allied printing trades, its bindery work should be given to a Union shop, where they employ Union help and pay Union wages. I hope that the order will pass.

The order was referred to His Honor the Mayor.

REPAVING OF SIDEWALKS.

M. BADARACCO of Wd. 6 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to cause the sidewalks on Charter and Commercial Sts., opposite the North End Park, to be repaved, as they are in an unfit and dangerous condition at the present time.

Referred to His Honor the Mayor.

TUNNEL FOR FOOT TRAVEL.

Mr. BADARACCO offered an order—That the Superintendent of Streets, through His Honor the Mayor, build a tunnel or a subway under the Boston Elevated Railroad tracks on Travers St., between Canal and Haverhill Sts., to be used for foot travel.

Referred to His Honor the Mayor.

DATE OF CITY PROPERTY SALE.

Mr. BAGLEY of Wd. 1 offered an order—That the Superintendent of Streets be requested to inform this Council as to the date of the proposed sale of the city yard on Morris St., Wd. 1.

Referred to His Honor the Mayor.

TRANSFER OF ROGERS PARK.

Mr. WALKER of Wd. 25 offered an order—That Rogers Park, Foster St., Wd. 25, be transferred from the charge of the Public Grounds Department to the charge of the Park Department.

Passed. Mr. Walker moved to reconsider; lost. Sent up.

RENTAL OF LAND, BRIGHTON.

Mr. WALKER offered an order—That the Board of Estimate and Apportionment be requested to provide for the rental at \$300 of the vacant lot of land about eight acres in extent located on the south and west sides of Waverly St. and north of Lincoln St., being the lot referred to in the communication of Robert Treat Paine to the City Council, dated April 29, 1899, to be used as a playground for the children of North Brighton.

Mr. WALKER—Mr. President, I think a word of explanation is in order in regard to that order. It has reference to a letter which was received earlier in the session from Robert Treat Paine in regard to a playground which he wished to have hired. He also sent enclosed with his communication a vote passed by the Associated Charities organization of that district, asking to have that \$300 taken from the \$750 which has already been appropriated by the Board of Apportionment for the North Brighton playground, so-called. Of course it is manifest that it would not be legal for the \$300 to be transferred from a sum which has been appropriated for a specific purpose by the Board of Apportionment without the sanction of the Board of Apportionment. It is manifestly, therefore, the province of the Board of Apportionment to act in reference to this matter, if anything is to be done—either to give the \$300 from the \$750, or to appropriate an entirely new sum of \$300. In order to have the whole matter properly brought before the Board of Apportionment, I suppose it is in order to recall the communication from Mr. Robert Treat Paine which has been placed on file.

There being no objection, the communication from Mr. Robert Treat Paine was considered withdrawn from the files, and the order and communication were referred to the Board of Estimate and Apportionment.

COMPLETION OF KITTRIDGE STREET

Mr. BRAUER, of Wd. 23, offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to finish Kittridge St., Wd. 23, by rolling the same.

Referred to His Honor the Mayor.

EXTENSION OF PHILLIPS ST.

Mr. NANGLE of Wd. 19 offered an order—That the Board of Street Commissioners be requested, through His Honor the Mayor, to take the necessary steps to extend Phillips St., Wd. 19, from Ward St. to Huntington Ave.

Referred to His Honor the Mayor.

REPAIR OF ARLINGTON ST.

Mr. STEVENS of Wd. 11 offered an order—That His Honor the Mayor request the Superintendent of Streets to repair Arlington St. so that the pavement will be in a proper condition for both carriages and bicycles.

Referred to His Honor the Mayor.

NAMING OF SQUARE.

Mr. BRADLEY of Wd. 6 offered an order—That the square formed by the junction of Charlestown, Causeway and Endicott Sts. be named Keany Sq.

Passed under a suspension of the rule. Sent up.

LIGHT ON LAFAYETTE AVE.

Mr. BRADLEY offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate and maintain an electric light at the corner of Lafayette Ave. and Endicott St.

Referred to His Honor the Mayor.

CONDITION OF WD. 4 PLAYGROUND.

Mr. SULLIVAN of Wd. 4 offered an order—That the Board of Park Commissioners be requested, through His Honor the Mayor, to have the Wd. 4 playground put in proper condition for baseball playing.

Referred to His Honor the Mayor.

FARRAGUT DAY CELEBRATION.

Mr. MARTIN of Wd. 15 offered an order—That a committee to consist of seven members of the Common Council, with

such as the Board of Aldermen may join, be appointed to prepare and report a programme for the celebration of June 23th, Farragut Day; the expense of the same, not to exceed \$1000, to be charged to the appropriation for City Council, Incidental Expenses.

Mr. MARTIN—Mr. President, in presenting this order this evening, I desire to say that it is practically the same order that was presented earlier in the year by the gentleman in the first division. Now, sir, year after year ever since the unveiling of the monument over there in our district, we have had a sum allotted for our celebration, known as "Farragut Day," the same as the 17th of June, Patriots' Day, and the other days. I do not see any reason, because we haven't got a member of the upper branch of the government, why we should be cut off this year. I feel that we should at least get something. The order presented by the gentleman in the first division called for \$1200. This order calls for only \$1000—

Mr. WINSLOE of Wd. 21—Mr. President—

The PRESIDENT—For what purpose does the gentleman rise?

Mr. WINSLOE—To a point of order, that a quorum is not present.

The PRESIDENT—The Chair will ask the members of the council who are present to rise and remain standing until counted.

Thirty members were found to be present, and the President declared the council adjourned until Thursday, May 18th, at 7.45 P. M.

Adjourned at 9.53 P. M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, May 15, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. O'Toole, to dispense with the reading of the records of the last meeting.

APPOINTMENTS BY THE MAYOR.

The following was received:—

Mayor's Office, City Hall,
Boston, May 11, 1899.

To the Board of Aldermen:—

You are hereby notified, in order that it may be placed upon your records, that I have this day made the following appointments, to date from May 12th, 1899:—

Miss Helen Cheever, to be a member of the Board of Trustees for Children, for the term ending April 30th, 1904 (reappointment).

Miss Ellen H. Bailey, to be a member of said Board for the term ending April 30th, 1904, in place of Mrs. Davis R. Dewey (term expired).

Mrs. George F. H. Murray, to be a member of said Board for the term ending April 30th, 1901, in place of Mrs. Annie E. Quinn, resigned.

John A. Bruen, to be a member of said Board for the term ending April 30th, 1900, in place of Mr. Charles V. Dasey, resigned.

Yours respectfully,
Josiah Quincy, Mayor.

Placed on file.

HEARINGS AT 3 O'CLOCK.

1. On petition of Francis Raynes for leave to project two bay-windows and a cornice from building 30-32 Washington St., Wd. 5.

No objections. Referred to the Committee on Building Dept. (Ald.)

2. On petition of the Massachusetts General Hospital, for leave to project facades from building on the northeast corner of Washington and Bedford Sts., over both streets.

The petitioner was given leave to withdraw, at its own request.

3. On petition of the Boston Electric Light Company for leave to erect poles on Mt. Pleasant Ave.

4. On petition of the Postal Telegraph-Cable Company for leave to erect poles in East Cottage and West Cottage Sts.

No objections. Severally recommended to the Committee on Electric Wires.

On petitions of the West End Street Railway Company, viz.:

5. For leave to locate tracks on Causeway St., from a point near Portland St. to a point near Charlestown St., etc.

6. For leave to locate tracks on Washington St., from Massachusetts Ave. to Northampton St.

7. For leave to lay double tracks in place of the existing single track on Lexington St., from a point near Putnam St. to a point near Prescott St.; also for leave to construct a double track on Lexington St., from Meridian St. to a point near Putnam St.

No objections. Severally recommended to the Committee on Railroads.

8. On petition of the West Roxbury & Roslindale Street Railway Company for locations of tracks, with the right to use the overhead electric system thereon, in Brandon, Roberts, South Walter, South, Walter, Hewlett, Centre, Maple, Weld, Arnold, Corey, Vermont, Mt. Vernon and Baker Sts.

J. Adams Brown, in behalf of the West Roxbury Citizens Association, appeared and objected to granting the petition, from the corner of Centre and Maple Sts on.

Josiah H. Quincy and Richard P. Elliot seconded the remonstrance.

G. A. Walker, representing William A. Morse and citizens on Maple St., objected to a track location on that street.

No further objections. Referred to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named:—

Building Department.

John McDonald, for leave to build a wooden addition on Western Ave., near Market St., Wd. 25.

Building Dept. (Ald.)

Petitions for leave to project signs, etc., viz.:

Pasquale Polie, two barber poles, at 1 Dover St., Wd. 9.

M. Burke, an illuminated sign, at 49 Causeway St., Wd. 8.

M. L. James, a sign, at 61 Harvard St., Wd. 7.

John J. Dailey, three barber poles, at 1423 Dorchester Ave., Wd. 20.

Michael Shinnars, two signs, at 157 Emerson St., Wd. 14.

John E. Jacobson, metal sign, at 257 Tremont St., Wd. 7.

Electric Wires.

The Massachusetts Telephone and Telegraph Company, to be allowed to open Bulfinch and other streets for the purpose of laying conduits, jointly with The N. E. Tel. & Tel. Co. of Mass.

Petitions of the N. E. Tel. and Tel. Co. of Mass., viz.:

For leave to attach its wires to trees on Alleghany and Dennison Sts. and Walnut Ave.

For leave to erect poles in La Grange St., Wd. 23.

For leave to erect poles in Carruth St. and Eaton Sq.

For leave to erect and to remove one pole on Oak St., Wd. 4.

Claims.

Charles P. George, for payment of balance remaining from tax sale of two parcels of land on Litchfield St., Brighton.

Jennie M. Goode, for compensation for personal injuries caused by her being run over by a city hospital ambulance in the Back Bay Fens.

Estate of Caroline L. Dodge, for compensation for damage to estate caused by the closing of a culvert on Ashmont St.

Charles U. Cotting, for compensation for expense caused him by the cutting off of the drain at 116 Central St. by employees of the city.

Cornelius J. Desmond, to be repaid fifty dollars, paid by him as entrance fee to a sewer on Hopkins St., on account of estate 34-36 Corbet St.

William N. Corsick, to be paid for damage to his wagon caused by the overhanging limb of a tree at 106 Paris St.

James F. Barry, for compensation for damage to his wagon while crossing the East Boston Ferry.

Patrick J. McCarthy, for compensation for personal injuries caused by him falling on Bradford St.

Licenses.

J. H. Emery, for a permit for Doris Bramson, a child under 15 years of age, to appear at the Castle Sq. Theatre, during the production of "A Temperance Town."

A. L. Griffin, for a permit for Gussie Hunt, a child under 15 years of age, to appear at the Bowdoin Sq. Theatre, for the week beginning May 15, 1899.

John W. Bryan, for leave to run passenger barges between Chestnut Hill Reser-

voir and the Brookline line, via Beacon St. and Chestnut Hill Ave.

John Lane, for leave to run five passenger barges between the corner of Chestnut Hill Ave. and Beacon St. and the Brookline line.

Public Improvements.

James H. Beal, for leave to construct areas on the westerly side of Charlestown St., near Causeway St., Wd. 8.

Bridget Foster, for leave to construct three openings in sidewalk at 213 Endicott St., Wd. 6.

E. E. Richards, trustee, for leave to lay a 1½ inch pipe under sidewalk at 56 Dorchester St., Wd. 14.

Ross & Fowler, for leave to stretch one guy rope across B St., and two across Congress St., Wd. 13.

Daniel Casey, for leave to erect a guy post with ropes at 55 Calumet St., Wd. 19.

John J. Dailey, for leave to place a barber pole on sidewalk at 1423 Dorchester Ave., Wd. 20 (to be taken in each night).

Petitions for sidewalks, viz.:-

Louis A. Ginsburg, 319-312 Bremen St., Wd. 1.

Stephen Jaeger, 722 East Second St., Wd. 14.

Aloysius Jaeger, 726 E. Second St., Wd. 14.

William T. Eaton, First St. (so. side) from O St. to the playground, Wd. 14.

Ann Trainor, 75 Mercer St., Wd. 15.

William Dromey, 132-148 Quincy St., Wd. 16.

J. Homer Pierce, Glendale St., cor. Columbia Road, Wd. 20.

James Calder, McLellan St., Wd. 20.

John J. Cashin, 53 McLellan St., Wd. 20.

R. O. Dunn, 10-12 Newport St., Wd. 20.

John Moran, 35 Hamilton St., Wd. 20.

C. H. Wolf, 49 Round Hill St., Wd. 22.

Jacob Pfeiffer, 54 Round Hill St., Wd. 22.

Mrs. Josephine Janse, 56 Round Hill St., Wd. 22.

Bigelow, Kennard & Co., 8, 10, 12 West St., Wd. 7.

Geo. O. Wood, 104, 106, 108 Centre St., Wd. 20.

Francis C. Creber, 28 Abbot St., Wd. 20.

Julie A. Belyea, 26 Nightingale St., Wd. 20.

Martin D. Knceland, 29 Wyoming St., Wd. 21.

Levi Herman, Wyoming and Wabeno Sts., Wd. 21.

D. Bernhard, 10 Spring Park Ave., Wd. 22.

David McIntosh, 43-61 Forbes St., Wd. 22.

David McIntosh, 53, 56, 60, 63, 69, 76 Sheridan St., Wd. 22.

David McIntosh, 44, 46, 48 and 47, 49, 51 Cranston St., Wd. 22.

Elizabeth J. Daly, 51 and 53 Mercer St., Wd. 15.

PAPERS FROM COMMON COUNCIL.

9. Notice of the appointment of Messrs. Watson, Atwood, Fenton, McInerney, Hibbard, Gibbons, Moore and Simpson, on the joint special committee relative to petitioning for an Act to allow the city to manufacture and sell gas and electricity. Placed on file.

10. Ordered, That His Honor the Mayor be requested to restore the former salaries to the employees of the financial departments of the City of Boston.

Ald. O'TOOLE moved to refer to the Committee on Public Improvements, with an amendment that all departments have salaries restored.

Referred to the Committee on Public Improvements.

11. Ordered, That His Honor the Mayor be requested to instruct heads of departments to allow employees whose services are rendered at night, a vacation of two weeks, without loss of pay, and in part compensation for their services.

Passed in concurrence.

12. Ordered, That the square formed by the junction of Charlestown, Causeway and Endicott Sts., be named Keany Sq.

Referred to the Committee on Public Improvements.

13. Ordered, That Rogers Park, Foster St., Wd. 25, be transferred from the charge of the Public Grounds Department to the charge of the Park Department.

Referred to the Committee on Public Improvements, on motion of Ald. Dixon.

14. Ordered, That the Superintendent of Streets, through His Honor the Mayor, be requested to refund to the parties who paid the same, or their authorized representatives, all fees heretofore received by the Street Department for street permits.

Referred to the Committee on Public Improvements, on motion of Ald. O'Toole.

The Board voted on motion of Ald. Berwin, to consider Nos. 15, 16 and 17 together, and read the same by their titles, viz.:-

15. Ordered, That a special joint committee be appointed, to consist of as many members as the President of the Common Council and the Chairman of the Board of Aldermen may deem necessary, to receive Admiral Dewey on the day set aside for a public reception to him.

16. Ordered, That all public offices be closed, and all city business be suspended on public works, etc., on the day that Admiral Dewey is officially received by the City of Boston.

17. Ordered, That the Board of Estimate and Apportionment be requested to provide an appropriation of five hundred (500) dollars to be expended on Memorial Day, under the direction of His Honor the Mayor, in decorating the graves of soldiers and sailors who lost their lives either from wounds or disease contracted in the late war with Spain.

Severally passed in concurrence.

18. An Ordinance Relative to Public Baths and Gymnasias. Be it ordained, etc.:

Section 1. The Health Department shall have the care and custody of all bath-houses, whether for all-the-year-round use or floating bath-houses in salt water for summer use, bathing beaches, swimming pools and gymnasias, now or hereafter provided by the city; shall have the care and custody of all urinals or public convenience stations, now or hereafter established by the city.

The question came on the passage of the ordinance in concurrence.

Ald. BRICK—Mr. Chairman, I move that be referred to the Committee on Public Improvements.

Ald. CODMAN—Mr. Chairman, I would like to amend that, that the committee be instructed to report it back today.

The amendment was declared adopted. Ald. Brick doubted the vote.

Ald. CODMAN—Mr. Chairman, it was not my intention to make any remarks on the question of returning this matter today, but in order to place myself right, I would like to say just a word. It seems to me that this matter should not be hung up for any length of time. If it seems proper in the judgment of members of the Board to transfer the Bath Department back to the charge of the Board of Health, it may be right that it should be done, and done at once. If, on the contrary, the Board sees fit to sustain the present Bath Commission, I am of the opinion that that question should be settled as quickly as possible, also; and for that reason I trust that there will be some instructions given to the Committee on Public Improvements as to when this ordinance shall be returned. I hope there is no member of the Board who has any objections to referring the matter to that committee with instructions to report back today. The Bath Commissioners, if they are going to have charge of the baths, want to get to work, and the Board of Health likewise should be busy in the matter by this time if we are going to have any bathing this summer. Most of the bath houses that I am acquainted with, those in Dorchester and South Boston, should have necessary repairs made upon them, and I trust that the Board will not object to this matter being reported back today.

Ald. BRICK—Mr. Chairman, my very reason for desiring this sent to the Committee on Public Improvements is that we may have an opportunity to look into it. I don't think myself it would be an improvement to transfer this work to the Health Department, but, still, there might be reasons shown that would convince me that it was right to so transfer it. My reason for wishing it sent to the Committee on Public Improvements was that it might lie there a week, so that I might find out the facts and satisfy myself and be able to vote upon the question one way or the other. I therefore oppose the amendment.

The CHAIRMAN—The Chair will say at this time that he supposed the alderman accepted the amendment to report back this afternoon. The Chair finds from the alderman's remarks that he did not, and will now put the question on the amendment.

Ald. Codman's amendment was declared lost.

Ald. CODMAN—Mr. Chairman, I would like a yea and nay vote on that.

The amendment was lost, yeas 6; nays 6: Yeas—Ald. Adams, Berwin, Codman, Colby, Dixon, Presho—6.

Nays—Ald. Barry, Brick, Day, Doyle, McDonald, O'Toole—6.

The question came on reference to the Committee on Public Improvements.

Ald. CODMAN—Mr. Chairman, under the circumstances I shall have to oppose this going to the Committee on Public Improvements. If there is so much mystery about this Bath Department I think the proper place to have it aired is right here. There is absolutely nothing about the Department in my mind which I am afraid to say here; there is absolutely nothing that I wish to find out about it that I am not willing to find out by open discussion in this board. I think the action of the Bath Department has been such that we all know pretty nearly what they have done, what they have spent, exactly what they have got to spend, and I am opposed to taking this measure and side-tracking or pigeon-holing it in the Committee on Public Improvements, being criticised therefor by the bathing public. This is a matter which has been prominently before the people, a matter which the papers have taken up quite extensively, and I for one am opposed to laying it over or side-tracking it by putting it into the Committee on Public Improvements for any reason that has been given here. I trust that the gentleman who is so much in favor of laying it over for a week to look into it will state what he wants to find out in regard to the Bath Department in open board, and that he will get his information here. I hope this ordinance will be passed or killed in open board.

Ald. BRICK—Mr. Chairman, the reason why I want to send this to the Committee on Public Improvements is because of the very lack of information which the alderman himself neglects to give.

Ald. PRESHO—Mr. Chairman, I hope this will not go into the Committee on Public Improvements. I can see no reason whatever for that reference. There is no information that cannot be just as well obtained outside of that committee, and I would move to assign the matter to the next meeting, when we can fight the matter right out here. I am not in favor of these unpaid commissions, and I wish to so register myself. I believe the work of this department can be better done under the charge of one man, who is paid to do it. I believe the Bath Department business is now being carried on by one man—and if that is so, why not give him the direct power and authority?

The motion to assign to the next meeting was declared lost. Ald. Presho doubted the vote and asked for the yeas and nays.

The motion to assign to the next meeting was lost—Yeas 4, nays 8.

Yeas—Ald. Berwin, Colby, Doyle, Presho—4.

Nays—Ald. Adams, Barry, Brick, Codman, Day, Dixon, McDonald, O'Toole—8.

The motion to refer to the Committee on Public Improvements was declared carried. Ald. Codman doubted the vote and asked for the yeas and nays.

The motion to refer to the Committee on Public Improvements was lost—Yeas 4, nays 8.

Yeas—Ald. Barry, Brick, Day, Doyle—4.

Nays—Ald. Adams, Berwin, Codman, Colby, Dixon, McDonald, O'Toole, Presho—8.

The question came on the passage of the ordinance in concurrence.

Ald. CODMAN—Mr. Chairman, I trust that the Board of Aldermen will not concur with the Common Council. In my short experience in the Board of Aldermen and Common Council, I have had but slight knowledge of the baths which the city of Boston has conducted. I may say that my experience has been practically limited to the baths in Dorchester. There have been at times bath houses situated in different parts of Dorchester which have been leased, and so partially controlled or wholly controlled by the city of Boston, and under the care of the Board of Health. I think I can fairly say that the people of Dorchester have had absolutely no consideration as far as baths are concerned. These houses have been there, but they have been neglected; they have not been cared for. There has been no attendant there, and doors have been sprung so that they couldn't be shut and everything has been going to waste and deteriorating from year to year. Now, I am not here to stand up for the Bath Commission and to state that I am in accord with the work of the Bath Commission in all respects. I certainly am not in favor of extravagance. I cannot say I believe that all the improvements which the Bath Commission has seen fit to accept and propose have been an advantage. But, as far as Dorchester's is concerned, I do feel that the Bath Commissioners have been of great advantage to us. They have renewed the interest in the Freeport St. bathhouse; they have rebuilt the house, have made a good bathing beach there, and the facts—which I have not before me, so I cannot give them to the Board, but which I have had stated to me—will readily convince anybody who takes the trouble to look it up that Dorchester has been greatly benefited by the Bath Commission. Now, I am in favor, as Ald. Presho is, of a one-headed commission, instead of an unpaid board of commissioners. I believe the present board is practically managed by one man.

I do not intend to go into the question of whether or not he is the proper man, whether he is overpaid or underpaid, or whether or not he is extravagant; but I am opposed to five unpaid commissioners and want to be so registered. I do, however, feel, and feel very strongly, that the Bath Commission has been of a great deal more advantage to Dorchester than any management which the baths may have previously had under the Board of Health. Aside from that, I feel very certain in my mind that the Board of Health does not care for the management of the Bath Department, does not want the baths put back into its hands. It has enough to take care of now, and the members feel that if the baths are put in their charge again they will be overworked—something, it may be said, that we haven't any particular interest in, but if the department is not interested in the baths and they are put under their charge, we certainly cannot expect that they will take an interest in them and keep them up. With the extended work of our Bath Department, which includes gymnasia, swimming pools, convalescence stations, etc., I believe there is enough work for that department to be treated as a separate de-

partment. I hope the ordinance will not be concurred in, but that the management of the baths will be under a different head from the Health Department; although, as I say, if an opportunity is given me I shall be in favor of reducing the five-headed commission to a single commissioner, who shall have charge of the baths.

The order was rejected in non-concurrence, yeas 4, nays 8:—

Yeas—Ald. Adam, Berwin, Colby, Presho—4.

Nays—Ald. Berwin, Brick, Codman, Day, Dixon, Doyle, McDonald, O'Toole—8.

Notice sent down.

19. The following was passed by the Common Council, and sent up:—

Whereas, the American Sugar Refining Company has a petition before the Board of Aldermen asking for permission to operate railroad cars on certain public streets in South Boston,—

Resolved, That in the opinion of the Common Council, said permission should not be granted, because of the great danger and menace to life which has prevailed under operation of these railroad cars.

Ald. BERWIN—Mr. Chairman, I ask that No. 19 on the calendar be placed on file for this reason: The Committee on Railroads have had under consideration for a long time the very subject to which this has reference, and I do not care to burden the committee with any more work than they already have. It is out of consideration for the Committee on Railroads that I move that this be placed on file, and I trust that the motion will prevail.

The preamble and resolution were placed on file.

The Board voted, on motion of Ald. Berwin, to consider Nos. 20, 21, 22 and 23 together, viz:—

The four following matters were sent up for concurrence in their reference to the Board of Estimate and Apportionment:—

20. Communication from Robert Treat Paine, enclosing petition of the North Brighton Conference, District 5 of the Associated Charities of Boston, asking for an appropriation of three hundred (300) dollars toward renting a field for playground purposes on Waverly St., Brighton.

21. Ordered, That the Board of Estimate and Apportionment be requested to provide for the rental, at three hundred (300) dollars, of the vacant lot of land, about eight acres in extent, located on the south and west sides of Waverly St., and north of Lincoln St., being the lot referred to in the communication of Robert Treat Paine to the City Council, dated April 29, 1899, to be used as a playground for the children of North Brighton.

22. Ordered, That the Board of Estimate and Apportionment be requested to provide in its next loan bill the sum of three thousand eight hundred and fifty (3850) dollars, the same to be spent in paving Bunker Hill St. with asphalt, from North Mead St. east, 250 feet.

23. Ordered, That the Board of Estimate and Apportionment be requested not to grant the request made to them by the Bath Commission, through its Chairman, to appropriate the sum of fifteen thousand (15,000) dollars for the purpose of equipping and furnishing the chapel of the Congregational Society on Harrison Ave.

Severally referred in concurrence.

Later in the session Ald. Presho said:—

Mr. Chairman, I am advised that there was a motion made to take up three orders here together, including No. 23. I did not understand that that motion embraced No. 23. I don't know anything about that and don't want to pledge myself to the instructions conveyed in this order; and I would make a motion that that vote, so far as it refers to No. 23, be reconsidered, and that that order be then sent to the Committee on Public Improvements. I would make that motion.

The CHAIRMAN—The Chair will say that that order was concurred in.

Ald. PRESHO—Mr. Chairman, I ask for a reconsideration. I don't want to pledge myself to anything of the kind, because I know nothing about it. I move a reconsideration and that the order be sent to the Committee on Public Improvements, so that we may get some information about it.

Reconsideration was carried, and the order was referred, on motion of Ald. Presho, to the Committee on Public Improvements.

24. The order passed by this Board May 1, making appropriations for various organizations for Memorial Day, comes up amended in Common Council, May 11, by reducing the item for Kearsarge Association of Naval Veterans from three hundred and seventy (370) dollars to three hundred (300) dollars, and by increasing the item of Robert G. Shaw Veteran Association from one hundred and ninety (190) dollars to two hundred and fifty (250) dollars, and increasing the item for Peter Salem Garrison, No. 70, R.A. and N.U., from one hundred and ninety (190) dollars to two hundred (200) dollars.

Ald. DIXON—Mr. Chairman, I move that the Board concur and adhere to former action.

Ald. CODMAN—Mr. Chairman, I move reference of the matter to the Committee on Memorial Day. I think they understand the matter better than the Board. I certainly do not understand it, and I would like to have their report upon it.

The CHAIRMAN—The Chair will say that the time left for action on this matter is so short that it should not now be referred back to the Committee. These posts must have money to work with, and the time left before Memorial Day is very limited. The Chair simply makes that as a suggestion.

Ald. CODMAN—Then I ask, Mr. Chairman, that this be sent to the Committee on Public Improvements, because I certainly would not want to vote for or against it without looking it up. I want to know something about it.

The order was referred to the Committee on Public Improvements.

MAYOR'S APPOINTMENTS.

The Board proceeded to take up No. 25, unfinished business, viz:—

Action on appointments of the Mayor, viz:—

25. James M. Prendergast, to be a member of the Board of Park Commissioners, for the term ending April 30, 1901.

Ald. BRICK—Mr. Chairman, I move you that we take up together Nos. 25, 26, 27, 28 and 29, and that they be assigned for one week.

Ald. BERWIN—Mr. Chairman, I object. The CHAIRMAN—The Chair will order them to be taken up separately.

On No. 25, the question came on confirmation.

Ald. BRICK—Mr. Chairman, I move that No. 25 on the calendar be assigned for one week.

Ald. BERWIN—Mr. Chairman, I would like to have some information from the alderman from Wd. 8 why No. 25 should be assigned for one week. I am today prepared to vote for the confirmation of Mr. Prendergast. I have known him for some time and feel that he is in every way well qualified to fill the position to which His Honor the Mayor has seen fit to appoint him. Unless some good reason can be given for the assignment for one week, I shall insist, so far as my voice and vote go, that it be acted upon today.

Ald. CODMAN—Mr. Chairman, the gentleman opposite is very fortunate in having known Mr. Prendergast for such a long time. It has not been my good fortune to know him so long, and, so far as I am personally concerned, I would like to have further time. I trust that the matter will

be laid over. It seems to me there will be no loss from laying over the name of this appointee to the Park Commission. While I am not prepared to say that I should vote against him, at the same time I would like to have another week to look into the matter.

Ald. BRICK—Mr. Chairman, I think I would be inclined myself to vote for Mr. Prendergast if I took the matter into consideration from a personal standpoint. If the matter came to a vote today, I think I would be inclined to vote for him. But there is a question I want to look into, as to the rights of the Park Commissioners to grant locations in the parks. There may be questions in connection with that that would influence my vote on the nomination. It is a question in my mind as to whether they have certain rights they ought not to have.

The motion to assign was declared lost. Ald. Brick doubted the vote and called for the yeas and nays.

The motion to assign was lost, yeas 6, nays 5:—

Yeas—Ald. Adams, Brick, Codman, Colby, Doyle, O'Toole—4.

Nays—Ald. Barry, Berwin, Day, Dixon, McDonald, Presho—6.

The question came on confirmation.

No. 25 was referred to the Committee on Public Improvements.

Ald. O'TOOLE—Mr. Chairman, this is a question of courtesy. I voted with Alderman Brick, in order to give him a chance. I believe in one member of the Board being courteous to another, when an extension of time in order to look into certain details is asked for; and, in this case, I move reference of the matter to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I am inclined to agree to the proposition made by the Alderman from Roxbury. At the same time, I am free to confess that I don't know what influence operated upon honorable members of this Board when they ask that this matter be sent to the Committee on Public Improvements. As I said before, I know Mr. Prendergast and have known him for some time, and he is a man, as I have said before, who is eminently well qualified for the place. But the argument that the gentleman from Wd. 8 (Ald. Brick) has advanced is, in a measure perhaps, a good one—that he wants to investigate some legal question as to the rights of the Park Commissioners to grant privileges in the parks. As Mr. Prendergast is, I understand, a director in the Boston Elevated Railway Company, perhaps it may be thought that that might have some influence later on in some matters coming before the Board of Park Commissioners. I know he is an honorable man, and that, no matter what his relations may be with the Elevated Railway Company, he will guard the interests of the city. But, under all the circumstances, in view of the arguments that have been advanced, I yield my individual preferences in the matter and vote that the name of Mr. Prendergast be sent to the Committee on Public Improvements.

CONFIRMATION OF APPOINTMENTS.

The Board voted, on motion of Ald. Presho, to consider Nos. 26, 27, 28 and 29 together, viz:—

26. Lyde W. Benjamin, to be a Constable, for the term ending April 30, 1900, vice Paul C. Brooks, ineligible.

27. Daniel B. Carmody, to be a Constable for the term ending April 30, 1900.

28. Lawrence N. Hennessy, to be a Measurer of Grain for the term ending April 30, 1900.

29. Thomas E. Bates, Frederick K. Vinal, Charles R. Williams, Thomas H. Lawton, to be Weighers of Coal, for the term ending April 30, 1900.

The question came on confirmation. Committee—Ald. Presho and Dixon. Whole

number of ballots cast 12, yeas 12, and the several appointments were confirmed.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, viz:—

Sophia M. Hauk, one, 647 E Broadway, Wd. 14.

Charles W. Alden, one, 179-181 Bunker Hill St., Wd. 3.

The Massachusetts General Hospital, facades, 496-500 Washington St., corner Bedford St., to project over both streets, Wd. 7.

Orders of notice were passed for hearings thereon on Monday, May 29th, at 3 o'clock P.M., when any parties objecting thereto may appear and be heard.

CONSTABLES' BONDS.

The City Treasurer, after duly approving of the same, submitted the following constables' bonds:—

John J. Rogers, Lyde W. Benjamin, James P. Keliher.

Approved by the Board.

ACCEPTANCE OF LOCATIONS.

Notice was received from the West End Street Railway Co. of its acceptance of its 163d, 164th, 165th and 166th locations, and agreeing to comply with the conditions contained therein.

Severally placed on file.

ACTION ON APPOINTMENT.

The Board proceeded to take up No. 30, special assignment, viz:—

30. Action on the appointment of Joseph Lee, to be an Overseer of the Poor for three years, beginning May 1, 1899.

The question came on confirmation. Committee, Ald. McDonald and Colby. Whole number of ballots, 12; yeas 6, no 6, and the nomination was rejected.

Ald. COLBY—Mr. Chairman, I move to reconsider that last vote. My reason for so doing is this: A man has been nominated by the Chief Executive to be a member of the Board of Overseers of the Poor. Now, I have not talked with anybody who has any influence in making the appointment or with the Board that made the appointment; but I have endeavored to satisfy myself on some few points that the alderman from the North End was unable to give me any information about last week. As nearly as I can find out, Mr. Lee is a man of standing and integrity. His only fault seems to be that he has some money and lives in Wd. 11, and I have heard that stated against him. Perhaps that may be a valid objection, but some of us wish we might have a part of that objection at least made against us. It seems that he is a young man, who has sufficient money to enable him to devote himself to studying problems of this sort, and he gives his time to it.

Now, if there is anybody who has sufficient time and sufficient money to devote himself to work of that kind and to render efficient service—and I am told by those who have served on the board with him that he is efficient and capable—it seems a little strange that he should be refused confirmation without any reason being given for it. I understand there is no question that he is a good Democrat. I don't know that that appeals to the Republican members of the board particularly, but I understand that he is a good Democrat; and as to the qualifications necessary for the office, I understand that the territorial objection is not very strenuous, from the fact that he takes the place of a person now on the board who is a member from Wd. 11. Now, if it comes simply to this, that the objection is based on the ground that the appointee lives in

the wrong section of the city, that is a little unfortunate; but I do think we owe it to any citizen who allows his name to be sent in by the Mayor for an office of this sort to let him know why he is refused confirmation—because it is not a pleasant position to put a man in to treat him otherwise. If it were a political office, a person ought to be willing to stand his chances and accept the fortunate or unfortunate issues of a political game. But when it comes to a question of this sort, that is entirely apart from politics, it seems to me, it is not a dignified position for us to take to simply reject a reputable citizen of Boston, without giving a reason for it. I will vote against Mr. Lee if anybody will give me a reason to vote against him, because I have no opinion that is not subject to change upon the presentation of proper evidence. But I have taken some little time to make the proper inquiries, in answer to questions that I could not get answers to last week, and I am satisfied that the man is all right and should be confirmed. As I say, if any member of the board can give me any reason why he should not be confirmed, I am willing to consider it. I move that the matter be laid over for a week, so that every member will be given an opportunity to find out the facts about Mr. Lee and, if he is against him, to be able to give reasons why he should not be confirmed.

Ald. DAY—Mr. Chairman, I voted last week to lay Mr. Lee's name over, because I never heard of him before. But since then I have made inquiries, as the alderman from Wd. 12 (Ald. Colby) has. I felt particularly interested in the matter because I have served myself on the Board. From all the information I could obtain, Mr. Lee is a very estimable gentleman, well qualified for the position, and I believe the city of Boston is fortunate in getting such a man to serve on that Board. I hope the motion of the Alderman from Wd. 12 will prevail.

Ald. BRICK—Mr. Chairman, I am glad to agree with the alderman from Wd. 12, at least on this occasion. I have looked into this matter somewhat since last Monday, and, so far as I can learn, Mr. Lee differs in the matter of the methods and principles to be observed in carrying on institutions from some other people. I think that is hardly a just reason to urge against a man's confirmation—that he may differ in a matter of principle or theory with certain other people as to a plan or system which should be carried out, when he is a man who is willing to give his time and thought to the subject which he will have to consider as a member of the Board. The fact is that he has given a great deal of time and thought to questions involved in work of this kind, and that is certainly no reason why he should be refused confirmation by this Board, all other things being equal. Mr. Lee is entirely fitted for this position, and, whatever his views may be on any particular question, I think in the main, as far as I am able to learn, he is an able, upright gentleman, fitted for the position. I shall vote for his confirmation here today.

The motion to reconsider was declared lost. Ald. Colby doubted the vote and called for the yeas and nays.

Ald. O'TOOLE—Mr. Chairman, I voted against the appointment of Mr. Lee because last Monday there seemed to be a consensus of opinion around this Board that nobody knew him. I am free to admit that I voted against him today. But, after the information given to us by the alderman from Wd. 12 and my colleague from East Boston, I certainly think the proper thing to do, without any discourtesy to the gentleman who had his name assigned last week, is to have a reconsideration. If reconsideration prevails, the proper thing to do then will be to send this to the Committee on Pub-

lic Improvements. I will vote with that understanding.

Reconsideration prevailed, yeas 10, nays 2, Ald. Barry and Dixon voting nay.

No. 30 was referred, on motion of Ald. O'Toole, to the Committee on Public Improvements.

CLOSING OF STREETS.

The Board proceeded to take up special assignments, viz.:

31. Ordered, That the Superintendent of Streets be authorized to issue a permit to the New York, New Haven & Hartford Railroad Company to close the roadway on Shawmut Ave. to all public travel, other than the cars of the Boston Elevated Railway Company, from the north side of the Boston & Albany bridge to a point one hundred feet east and west from Shawmut Ave., during the time necessary for changing the grade of said avenue.

32. Ordered, That the Superintendent of Streets be authorized to issue a permit to the New York, New Haven & Hartford Railroad Company to close the roadways on Harrison Ave., between Lovering Pl. and Broadway; Motte St. for one hundred and fifty feet west of Harrison Ave., and Way St. for one hundred feet east of Harrison Ave., during the time necessary for placing Harrison Ave. to the proper grade lines.

Ald. BERWIN—Mr. Chairman, I move that Nos. 31 and 32 be taken up together and assigned to the next meeting of the Board.

Ald. CODMAN—Mr. Chairman, I would like to have the alderman give some reason for desiring these matters assigned for one week. He has had plenty of time to look into them, it seems to me.

Ald. BERWIN—Mr. Chairman, I am very happy to reply to the alderman from Dorchester. It is for this reason: We have given the New York, New Haven & Hartford Railroad Company and companies interested with them in widening their tracks down to the new Union Station, a great many privileges during the present and past years. A great many complaints have come to me—and I have no doubt that a great many complaints have also been brought to the attention of other members of the Board—to the fact that they have obstructed the highways on which they have had occasion to do some of their work. They have not only gone to work upon their own land but have blocked up the streets and interfered with business and traffic in many ways. Now, what I want to get at is just this: I want an idea from some responsible source as to how long these people propose to keep the streets blocked in the event of this Board granting the power they ask for here today? These orders read "during the time necessary for changing the grade," That is rather an indefinite proposition, and, from my observations of the doings of that corporation, it means to them whenever they get ready. I do not propose to give them the benefit of my work in this Board to allow them to obstruct the streets and interfere with people doing business unnecessarily. I want them to stipulate the time when the work will be done. It is a question of time entirely. Of course, this work must be done. We cannot interfere with railroad companies doing something that actually must be done. But we want them to push their work along in a proper manner.

I don't believe any member of the Board wants them to go along at their own sweet pleasure, interfering with people doing business on the streets, most of them poor people. In that case the result will probably be that many of those people will be driven out of business and will have no redress from the Railroad company, because we will be the ones responsible for granting the right to the road if we see fit to grant it. That is the only interest I have in the matter. I will, as a

substitute for the motion I made, move that the matter be referred to the Committee on Public Improvements, and then perhaps the Superintendent of Streets will be able to give us an idea of the probable length of time that this work will take, which will satisfy me and other members of the Board. I now take great pleasure in giving way to the statesman from Dorchester.

Ald. CODMAN—Mr. Chairman, the alderman has forestalled me in the suggestion which I had to make. It is my misfortune, perhaps, to drive or ride occasionally over that part of the city, and I realize as fully and as keenly as he does how those streets are at present blocked. My only idea was to prevent any further delay, if possible. I thought if we could limit the time perhaps we should do so, but I did not want the matter delayed for a week. I think the suggestion that the Superintendent of Streets be asked to appear before the Committee on Public Improvements to state the necessary time is a good one. I believe that is what should be done.

The orders were referred to the Committee on Public Improvements.

TRANSPORTATION OF MILITIA.

The Board proceeded to take up No. 33, special assignment, viz:—

33. Ordered, That the Superintendent of Public Buildings be hereby authorized to provide the necessary facilities for transportation and target practice for the troops of the Massachusetts Volunteer Militia stationed at Boston, during the present season, at an expense not exceeding five thousand (\$5000) dollars; said sum to be charged to the appropriation for Public Buildings Department.

Referred to the Committee on Armorles, on motion of Ald. Berwin, with instructions to report back at the next meeting.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:

(1) Reports recommending that minors' licenses be granted to 82 newsboys, 23 boot-blacks and 2 flower venders.

Reports severally accepted; licenses granted on the usual conditions.

(2) Reports on petitions (referred today), for leave to run passenger barges—recommending that leave be granted, viz:

John Lane, five barges, between the corner of Chestnut Hill Ave. and Beacon St. and the Brookline line, on Memorial Day.

John W. Bryan barges, between Chestnut Hill Reservoir and Brookline line via Beacon St. and Chestnut Hill Ave.

Reports severally accepted; leave granted on the usual conditions.

(3) Reports on petitions (severally referred today), for permits for children under 15 years of age to appear in public—recommending that permits be granted, viz:

J. H. Emery, for Doris Bramson, at Castle Square Theatre during production of "A Temperance Town."

A. L. Griffin, for Gussie Hunt, at Bowdoin Square Theatre for one week beginning May 15, 1899.

Reports severally accepted; permits granted on the usual conditions.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:—

(1) Reports on petitions—that the petitioners be given leave to withdraw, viz:

J. E. Kinney, M. D. (referred last year), for damage to carriage caused by accumulation of snow and ice on Blue Hill Ave. (as the city is not liable).

Dennis A. O'Neill (referred Feb. 27), for compensation for injuries to his wife

caused by snow and ice on sidewalk on Dalton St. (as the city is not liable).

Charles F. Moulton, M. D. (referred last year), for a hearing on his claim for compensation for services rendered the city at the Marcella Street Home (as suit has been entered against the city).

Accepted. Sent down.

(2) Report on the petition of John C. Coleman (referred April 12), for payment of balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Thos. B. Phillips the sum of \$148.39, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 58.

Report accepted; order passed. Sent down.

(3) Report on the petition of Margaret M. McLaughlin, et al. (referred March 27), for payment of balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Edward E. Richards the sum of \$85.20, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bay St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 625.

Report accepted; order passed. Sent down.

(4) Report on the petition of Amy C. B. Wells (referred Feb. 6), for payment of balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Amy C. B. Wells the sum of \$213.42, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Charter St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 347.

Report accepted; order passed. Sent down.

(5) Report on the petition of Frank F. Proctor (referred May 8), for payment of balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Nathaniel L. Foster the sum of \$55.40, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bellevue Ave. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2501, fol. 86.

Report accepted; order passed. Sent down.

(6) Report on the petition of Margaret M. McLaughlin (referred March 27), for payment of balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Edward E. Richards the sum of \$371.00, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Birch St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2583, fol. 137.

Report accepted; order passed. Sent down.

(7) Report on the petition of John C. Coleman (referred April 12), for payment of balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Phillips the sum of \$13.96, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St. (lot 107) for unpaid taxes of the year 1896, by deed re-

corded with Suffolk Deeds, lib. 2500, fol. 60.
Report accepted; order passed. Sent down.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:—

(1) Reports recommending the passage of orders of notice for hearings on Monday, May 22, 1899, at 3 o'clock P. M., on petitions of the New England Telephone & Telegraph Co. of Mass. (referred today), as follows:—

For leave to erect poles in Carruth St.
For leave to erect poles in La Grange St., Wd. 23.

For leave to erect and to remove one pole on Oak St., Wd. 4.

Reports severally accepted; orders of notice passed.

(2) Report on the petition of the New England Telephone and Telegraph Co. of Mass. (referred today), for leave to attach its wires to trees on Alleghany and Dennison Sts. and Walnut Ave.—Recommending that leave be granted.

The report was accepted, and on motion of Ald. Doyle, the matter was referred to the Committee on Public Improvements.

(3) Report on the petition of the Postal Telegraph Cable Co. (referred May 8)—Recommending the passage of the following:—

Ordered: That permission be granted to the New England Telephone and Telegraph Company of Mass. to allow the attachment of, and to the Postal Telegraph-Cable Company to attach, the wires of said telegraph-cable company to the poles of said telephone company on Blue Hill Ave., between Canterbury and Cottage Sts., and on East Cottage St., between Dudley St. and the N. Y., N. H. & H. R. R.

Report accepted; order passed.

(4) Report on the petition of the Boston Electric Light Co. (recommitted May 8th), recommending the passage of the following:—

Ordered: That permission be granted to the Boston Electric Light Company to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by D. A. Harrington; said poles to be located as follows:—

Walnut Ave., Roxbury, 4 poles, 35 ft. by 10 inches; sidewalk seven feet wide; Parker St., Roxbury, 2 poles, 35 ft. by 10 inches; sidewalk, 8 ft. wide; Washington St., Roxbury, 2 poles, 40 ft. by 14 inches; sidewalk, 9 ft. wide; Washington St., city proper, 2 poles, 40 ft. by 12 inches; sidewalk, 13 ft. wide; Malden St., 2 poles, 40 ft. by 14 inches. Date of plan, May 1, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed.

(5) Report on the petition of the same company (recommitted today), recommending the passage of the following:—

Ordered: That permission be granted to the Boston Electric Light Company to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by D. A. Harrington; said poles to be located as follows:—

Mt. Pleasant Ave., 4 poles, 40 ft. by 14 inches, sidewalk 8 ft. wide; plan dated May 8, 1899.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within thirty days from the date of the passage of this order.

Report accepted; order passed.

(6) Report on the petition of the New England Telephone & Telegraph Co. of Mass. (recommitted last year), for leave to erect poles in Washington St., Dorchester—Recommending the passage of the following:—

Ordered: That permission be granted to the New England Telephone and Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated Sept. 30, 1898; said poles to be located as follows:—

Washington St., Wds. 20 and 24, 63 poles, 35 ft. high, 13 in. in diameter; width of sidewalk, 10 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles, on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within 90 days from the date of this order.

Report accepted; order passed.

STATE AID.

Ald. DIXON, for the Committee on State Aid, submitted a report recommending the passage of an order for the payment of aid to soldiers and sailors and their families in the city of Boston for the month of May, 1899, under the provisions of the various acts of the Legislature providing for said payment.

Report accepted; order passed.

PROJECTIONS.

Ald. DAY, for the Committee on Building Department (Ald.) submitted the following:—

(1) Reports on petitions (referred May 8), recommending that leave be granted as follows:—

H. Jay Smith, to project a sign at 975 Washington St., Wd. 9.

Abner M. Hill, to project a sign at 449 Blue Hill Ave., Wd. 20.

James C. Johnson, to project two barber poles at 25 Cunard St., Wd. 18.

B. W. Mustasky, to project a clock sign at 1093 Tremont St., Wd. 18.

Sam Kee, to project a sign at 24 East Dedham St., Wd. 9.

Quong Lee, to project a sign at 725 Dudley St., Wd. 16.

Pacific Restaurant Company, to project an illuminated sign at 1139 Washington St., Wd. 9.

H. A. Le Bow & Company, to project four V-shaped signs at 9 and 11 Hayward Pl., Wd. 7.

Reports accepted, leave granted on the usual conditions.

(2) Report on the petition of Gipson & Knight (recommitted April 24) for leave to project two bay windows from building corner Clayton and Dickens Sts., one over each street, Wd. 24,—that leave be granted.

Report accepted, leave granted on the usual conditions.

(3) Report on petition of Frank Di Marchi (referred May 8), for leave to project a flag and a barber pole at 158 Canal St., Wd. 8—that the petitioner be given leave to withdraw.

Report accepted; petitioner given leave to withdraw.

STREET LIGHTS.

Ald. McDONALD offered the following:—

Ordered: That the Superintendent of Lamps be requested to place an electric light on Montclair Ave., Wd. 23; also to replace the electric light removed from corner of McLellan St. and Blue Hill Ave.

Ordered, That the Superintendent of Lamps be requested to proceed as soon as possible with the order for gas lamps on Willis St., Wd. 20, as the street is at present without any lights.

Ordered, That the Superintendent of Lamps be requested to place electric lights on Edward Everett Sq. and Dorchesterway to Dorchester Ave.

Severally passed.

DRINKING FOUNTAIN, COLUMBIA ROAD.

Ald. McDONALD offered an order—That the Water Commissioner be requested to have a drinking fountain erected on Columbia Road, near Hancock St., to replace the fountain at present located there, and that the Water Commissioner be requested to grant a hearing as to the most suitable position for said fountain to Mrs. John A. Fowle of 356 Boston St., and the President of the Women's Christian Temperance Union of Upham's Corner, Dorchester.

Passed. Sent down.

WATER DEPARTMENT MEN'S PICNIC.

Ald. McDONALD offered an order—That His Honor the Mayor be requested to instruct the Water Commissioner to allow the employees of the Water Department a holiday, without loss of pay, in part compensation for their services, on August 3, 1899, the day of their annual picnic.

Passed. Sent down.

RESURFACING STREETS IN WD. 20.

Ald. McDONALD offered an order—That the Supt. of Streets be requested to resurface Sumner St., also Pleasant St., Wd. 20, from Freeport St. to Savin Hill Ave.

Passed.

REMOVAL OF TREES, ETC.

Ald. ADAMS presented a petition signed by C. F. Baxter for the removal of a tree on Centre St., and in connection therewith offered an order—That the Superintendent of Public Grounds be requested to remove the tree now standing on the sidewalk on Centre St., Wd. 20, at the entrance to Gorham St., which is now being opened as an approach to the Shawmut Branch station; the expense of the same to be charged to the appropriation for Public Grounds Department.

Ald. ADAMS offered an order—That the Superintendent of Public Grounds be requested through His Honor the Mayor, to remove four trees on Allston St., Wd. 20, between Centre St. and Moultrie Ave., said trees being two feet above grade of a new sidewalk about to be constructed; the expense attending same to be charged to the appropriation for Public Grounds Department.

Ald. DIXON offered an order—That the Superintendent of Public Grounds be requested to remove two trees from Amory St., corner of School St., Wd. 22, the expense of the same to be charged to the appropriation for Public Grounds Department.

Orders severally passed.

PAVING OF DOVER STREET.

The Chairman offered an order—That the Board of Estimate and Apportionment be requested to provide an appropriation for paving Dover St. from Tremont St. to Washington St.

Referred to the Board of Estimate and Apportionment.

IMPROVEMENTS IN THETFORD AVE. SCHOOL.

Ald. ADAMS offered an order—That the School Committee, through His Honor the Mayor, be requested to make the necessary improvements on the yard

and walks of the Theftord Avenue School in Dorchester.

Passed. Sent down.

TUNNEL AT TRAVERS ST.

Ald. DIXON offered an order—That the Board of Estimate and Apportionment be requested to give a public hearing to the citizens of Wd. 6 in relation to the proposed tunnel under the tracks of the Boston Elevated Railway Company on Travers St.

Passed. Sent down.

RECESS TAKEN.

The Board voted, at 4.19 o'clock, P.M., on motion of Ald. Day, to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order by the Chairman at 5.15 o'clock, P.M.

WOODEN BUILDING.

Ald. DAY, for the Committee on Building Department, submitted a report on the petition of E. Dodge (referred May 1), recommending the passage of the following:—

Ordered, That the Inspector of Buildings be authorized to issue a permit to E. Dodge to build, outside the building limits, a wooden building on Dupont St., near Decatur St., Wd. 3, in excess of range allowed and without the intervention or construction of a brick wall as required by the Ordinances, and in accordance with an application on file in the Department for the Inspection of Buildings; said building to be occupied as a stable.

Report accepted; order passed. Sent down.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:

(1) Report on the order (referred today), naming a square at the West End "Keany Sq.,"—recommending the passage of the order in the following new draft:

Ordered—That the open space at the junction of Charlestown, Causeway and Endcott Sts., be named and be hereafter known as Keany Sq.

Report accepted, order passed.

(2) Report on the order (referred today), requesting the Board of Estimate and Apportionment not to grant the request made by the Bath Commission for an appropriation of \$15,000 for equipping and furnishing the chapel of the Congregational Society on Harrison Ave.,—that the same be referred to the Board of Estimate and Apportionment in concurrence.

Report accepted, said order referred to the Board of Estimate and Apportionment in concurrence.

(3) Report on the report of the Committee on Memorial Day recommending certain appropriations for G. A. R. Posts and Veteran organizations,—that the Board of Aldermen adhere to its former action.

The report was accepted, and the board adhered to its former action. Sent down.

(4) Report on the orders (referred today), that the Superintendent of Streets be authorized to issue to the N. Y., N. H. & H. R.R. a permit to close certain portions of Shawmut and Harrison Aves., and other streets temporarily,—that the same ought to pass.

Ald. BERWIN—Mr. Chairman, I desire to say just a few words at the present time in connection with those orders. In the Committee on Public Improvements the other members of the Board and myself have been assured that the work contemplated under these two orders will probably occupy not more than from seven to ten days. Under the circumstances, I am in

favor, as far as my vote is concerned, of supporting the recommendations of the Committee.

The reports were accepted and the orders passed.

(5) Reports recommending the passage of orders (on petitions referred today), that the Superintendent of Streets be authorized to issue permits for work, to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto, as follows:—

Ross & Fowler, to stretch, maintain and use one guy rope over and across B St., and two guy ropes over and across Congress St., at B St., Wd. 13.

Daniel Casey, to erect, maintain and use one guy post, with the necessary ropes attached thereto, in and over Calumet St., opposite 55, Wd. 19.

Reports accepted, orders passed under a suspension of the rule.

(6) Reports (on petitions referred May 8), recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, and to be from 5 to 12 ft. wide, with granite edgestones, owner to furnish material, in front of the following estates:—

Henry J. Bowen, 99 Old Harbor St., Wd. 15, brick.

Francis James, 2 and 4 Story St., Wd. 15, brick.

Henry J. Bowen, 6 and 8 Story St., Wd. 15, brick.

Margaret C. Keenan, 457 Quincy St., corner Clarkson St., Wd. 20, gravel.

Reports accepted, orders passed.

(7) Reports recommending the passage of orders (on petitions referred May 8) that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, and to be from 5 to 12 ft. in width, owner to furnish material, in front of the following estates:

Allan J. MacKinnon, 32-34 Hartwell St., Wd. 21, artificial stone, with granite edgestone.

Florence Lyman and others, 4 to 13, 32 to 46 and 162 to 166 Canal St., Wd. 8, artificial stone.

Timothy L. Connolly, 33-41 Hunneman St., Wd. 17, artificial stone, with granite edgestone.

Alfred T. Haskell, Columbia Road, northwest corner of Quincy St., Wd. 20, artificial stone with granite edgestone.

Reuben Chapman, 14 Harbor View St., Wd. 20, artificial stone with granite edgestone.

Reports accepted, orders passed.

(8) Report on the appointment of Joseph Lee to be a member of the Board of Overseers of the Poor (referred today)—that the same be referred to the Board of Aldermen for its action.

The report was accepted, and the question came on confirmation, Committee, Ald. Presho and Dixon. Whole number of ballots, 11; yes, 3; no, 8; and the appointment was rejected.

(9) Report on order (referred today) requesting the Mayor to restore salaries in financial departments—That no action is necessary, in view of Mayor's circular.

Report accepted, order rejected in non-concurrence. Notice sent down.

EDGESTONE ASSESSMENT CORRECTED.

Ald. O'TOOLE offered an order—That so much of the order of the Board of Aldermen of September 23, 1897, as levied an edgestone assessment of \$74.87 against the estate of Henry E. Casey, on Pomeroy St., at the corner of Gordon St., Wd. 25, be and the same is hereby rescinded. The same estate and the said amount is hereby assessed against Mary E. Crosby, to correct error in ownership.

Passed.

TELEPHONE POLE—RELOCATION.

Ald. DOYLE offered an order—That the New England Telephone and Telegraph Company be requested to relocate their pole opposite 722 East Second St. to a point six feet nearer L St.

Passed.

BOSTON ELEVATED STOPPING PLACE

Ald. DOYLE offered an order—That the Boston Elevated Railway Co. be requested to establish a stopping place for their cars at the corner of Western Ave. and Mackin St., Wd. 25.

Passed.

STREET CLEANING EMPLOYEES' PICTIC.

Ald. DOYLE offered an order—That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow employees of the street-cleaning and sanitary divisions whose services can be dispensed with, a holiday, without loss of pay, in part compensation for their services on July 18, 1899, the day of the annual picnic of Ben Franklin Assembly, Knights of Labor.

Passed. Sent down.

LAND TAKEN BY B. & A. R.R.

Ald. COLBY—Mr. Chairman, on the petition of Henry G. Nichols and others, trustees of the estate of Eben D. Jordan, in connection with an assessment of damages for the taking of land by the Boston & Albany Railroad Company, I offer an order for the Board, acting as County Commissioners. It is a nominal award, that I understand all the parties interested are satisfied with. The matter will be tried, anyway.

Ald. COLBY offered the following:—

Whereas, The Boston & Albany Railroad Company, acting under an order of this Board, passed October 17, 1898, has taken certain land of Henry G. Nichols et als., trustees under the will of E. D. Jordan, on Irvington St., for the purposes of making and securing its road and for depot and station purposes; and

Whereas, The said Trustees and said Railroad Company are unable to agree upon the amount of damages due said Trustees on account of said taking, and said Trustees have applied to this Board, acting as County Commissioners, to estimate the amount of such damages;

Now therefore, upon consideration of said petition, and due hearing having been granted to all interested therein, this Board, acting as County Commissioners, as aforesaid, does adjudge and estimate the damages occasioned to the said Trustees, the owners of the land taken as aforesaid, at the sum of one dollar.

The order was passed by the Board, acting as County Commissioners.

Ald. O'Toole moved to reconsider; lost.

GENERAL RECONSIDERATION.

Ald. O'TOOLE moved a general reconsideration upon all business transacted at the meeting, hoping that the same would not prevail. Lost.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

Report on the petition of the West End Street Railway Co. (recommitted today), recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use double tracks on Washington St., from a point near Massachusetts Ave., to Northampton St., with all

necessary curves, cross-overs, switches and connections, connecting with existing tracks of said company on Northampton St., said tracks being shown by red lines on a plan made by A. L. Plimpton, dated April 8, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rules.

(2) Report on the petition of the same company (recommitted today), recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use double tracks on Lexington St., beginning at and connecting with existing tracks on Meridian St. to a point near Prescott St., with necessary switches, curves, cross-overs and connections, said tracks being shown by red lines on plans made by A. L. Plimpton, dated Feb. 16, and Feb. 24, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rules.

(3) Report on the petition of the same company (recommitted today) recommending the passage of the following:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the city of Boston, said company shall have the right to lay down, maintain and use double tracks on Causeway St., from a point near Portland St. to a point near Charlestown St., with all necessary curves, cross-overs, switches and connections, connecting with the existing tracks of said company on Portland, Canal and Beverly Sts., and the northerly entrance to the subway; also a cross connection on Beverly St., between Warren Bridge and Causeway St., said tracks being shown by red lines on a plan made by A. L. Plimpton, dated April 4, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of

Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within nine months from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rules.

(4) Report on the petition of the same company (referred last year), for leave to lay tracks in Columbia Road, with all necessary connections; also for the right to use the overhead electric system on the same—That no action is necessary.

Accepted.

(5) Report on the petition of the American Sugar Refining Co. (recommitted March 6), for a track location on First and Granite Sts., South Boston—Recommending the passage of the following:

Ordered, That permission be hereby granted to The American Sugar Refining Co. to lay down, maintain and use, with cars and engines for the transportation of freight, tracks beginning at a point on West First St. 250 feet west of the westerly line of Granite St., hence in an easterly direction over and upon said West First St. to the land of the New England Railroad Corporation, 270 feet easterly east of the easterly line of A St.; also commencing at a point on Granite St. opposite the southerly line of Mt. Washington Ave., and extending over and upon said Granite St. to West First St., and connecting with the track located by this order on West First St.; said tracks being shown on a plan made by George T. Sampson, dated August 1, 1892, and deposited in the office of the Superintendent of Streets. The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Street, and shall be approved by him. Also upon condition that said American Sugar Refining Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The report was accepted and the question came on giving the order a second reading.

Ald. BRICK—Mr. Chairman, I had no notice that the Railroad Committee would report today. On general principles I would be pleased to agree with them—I don't know but what I will anyway,—but I had wanted to make a statement as to why I introduced this order for an inquiry into the right of the American Sugar Refinery to maintain tracks on those streets. I found that they were operating there without right, and it seemed to be a question in their minds as to whether we had any rights in the matter at all. Even their petition shows that they regard our action as almost an interference with them, that they have more or less a vested right in the tracks on First and Granite Sts. I think I have accomplished what I started out to do, and I don't know that I have any particular objection at this time—perhaps some other member has—to granting leave. But I will state clearly that my object in bringing this up was to show that parties having rights or franchises granted by the Board of Aldermen to them cannot transfer them by a common law assignment, that when the transfer of property is made to new parties, the new parties must obtain rights from the Leg-

islature or come to this Board and obtain new rights. I think that fact is clearly exemplified by the standing of the gas franchises in Boston today. I have looked into the matter somewhat, and I have grave doubts as to the right of certain gas companies to whom transfers have been made by other companies in this city, to maintain their rights in the streets of Boston.

The gas companies control a vast property, twenty-five or thirty years ago considered one of the safest investments in the United States, today we see shares of their stock taken off the list in the Stock Exchange. They are looked upon as a very doubtful quantity, and what ought to be a great property—as it would be with a strong franchise behind it—is of

questionable value today, commercially. I wanted to have this proposition brought out squarely, that when we grant rights to a corporation in the city of Boston it must itself exercise those rights; it cannot transfer them without obtaining our consent in some legal way; and a company cannot, simply because it enjoys certain rights itself, turn those rights over to other parties.

The order was read a second time and passed under suspension of the rule, on motion of Ald. Berwin. Ald. Berwin moved to reconsider; lost.

Adjourned, on motion of Ald. Codman, at 5:35 P.M., to meet on Monday, May 22, at 3 P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, May 13, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7.45 o'clock P. M., President Kiley in the chair.

—
GYMNASIUM, WARD 9.

The following was received:—

Mayor's Office, City Hall,
Boston, May 13, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment at its meeting on May 16th appropriating \$2500 for furnishing and equipping the building at the corner of Harrison Ave. and Plympton St., recently acquired as a gymnasium for Wd. 9.

Respectfully submitted,
Josiah Quincy, Mayor
City of Boston,

In Board of Estimate and Apportionment,
May 16, 1899.

Ordered: That the Bath Trustees be authorized to expend the sum of twenty-five hundred dollars (\$2500) for furnishing and equipping the building at the corner of Harrison Ave. and Plympton St. acquired as a gymnasium for Wd. 9; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
Laurence Minot,
John P. Dore,

Members of the Board of Estimate and Apportionment.

Assigned to the next meeting on motion of Mr. Chamberlain of Wd. 12.

—
CLOCK, SOUTH FERRY.

The following was received:—

Mayor's Office, City Hall,
Boston, May 13, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment at its meeting on May 16th appropriating, for a clock on the South Ferry Head-house, \$500 of the \$3000 formerly appropriated for a "dam from Maverick St. to Prescott St., East Boston," and now lying unappropriated in the City Treasury.

Respectfully submitted,
Josiah Quincy, Mayor,
City of Boston.

In Board of Estimate and Apportionment,
May 16, 1899.

Ordered, That of the amount of three thousand dollars (\$3000) formerly appropriated for "Dam from Maverick St. to Prescott St., East Boston," and now lying unappropriated in the city treasury, the sum of five hundred dollars (\$500) be appropriated for a clock on the South Ferry head-house, Boston side.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
Daniel J. Kiley,
John P. Dore,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

Passed, yeas 43, nays 0.

Yeas—Armistead, Atwood, Badaracco, Bagley, Battis, Bradley, Brauer, Brennan,

Chamberlain, Collins, Cuddy, Doherty, Fenton, Flynn, Gibbons, Giblin, Harvey, Hibbard, Hickey, Hicorrigan, Johnson, Kiley, Klemm, Linehan, Lorey, MacDonald, Martin, McInerney, Mildram, Miller, Mulcahy, Nangle, Newhall, O'Brien, Peck, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Tobin, Turnbull, Walker, Watson, Wells, Winsloe, Wood—49.

Nays—0.

Absent or not Voting—Bennett, Bordman, Broderick, Carroll, Casey, Connolly, Curley, Donahoe, Donovan, Doyle, Eddy, Emery, Howard, Jordan, Kasanof, Kelley, Leftovith, Leonard, Logan, Lydon, Madden, Mansfield, Moore, Rice, Roemer, Sullivan—26.

Mr. HICKEY of Wd. 2 moved to reconsider; lost. Sent up.

—
PAPERS FROM THE BOARD OF ALDERMEN.

1. Notice of rejection of ordinance of May 11, relative to public baths and gymnasium.

Placed on file.

2. Notice of rejection of order of May 11, requesting the Mayor to restore the former salaries to the employees of the financial departments of the city of Boston, it appearing that no action was necessary.

Placed on file.

The council voted on motion of Mr. Hickey to consider Nos. 3 to 5 inclusive together, viz.:

3. Report of Committee on Claims, on petition, referred September 19, 1898, of Charles F. Moulton, M. D., for a hearing on his claim for compensation for services rendered the city at the Marcella-St. Home,—leave to withdraw, as suit has been entered against the city.

4. Report of same committee, on petition, referred February 27, of Dennis A. O'Neil for compensation for injuries to his wife caused by snow and ice on sidewalk of Dalton St.—leave to withdraw, as the city is not liable.

5. Report of the same committee, on petition, referred Dec. 19, 1898, of J. E. Kinney, M. D., to be paid for damage to carriage, caused by accumulation of snow and ice on Blue Hill Ave.—leave to withdraw, as the city is not liable.

Severally accepted in concurrence.

The council voted, on motion of Mr. Chamberlain, to consider Nos. 6 to 12 inclusive, together, viz.:

6. Report of Committee on Building Department, on petition of E. Dodge, recommending the passage of an order authorizing the issue of a permit to said Dodge to build a wooden building on Dupont St., near Deatur St., Wd. 3, in excess of range allowed, etc., to be used as a stable.

7. Report of Committee on Claims, on petition of John C. Coleman, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Thos. F. Phillips the sum of one hundred forty-eight dollars and thirty-nine cents (\$148.39), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St. (lot 106), for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 58.

8. Report of same committee, on petition of John C. Coleman, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Phillips the sum of one hundred forty-nine dollars ninety-six cents (\$149.96), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Devon St. (lot 107), for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2500, fol. 60.

9. Report of same committee, on petition

of Margaret M. McLaughlin, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Edward E. Richards the sum of three hundred seventy-one dollars (\$371), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Birch St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2533, fol. 137.

10. Report of same committee, on petition of Margaret M. McLaughlin and another, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Edward E. Richards the sum of eighty-five dollars and twenty cents (\$85.20), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bay St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 625.

11. Report of same committee, on petition of Amy C. B. Wells, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Amy C. B. Wells the sum of two hundred and thirteen dollars and forty-two cents (\$213.42), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Charter St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 347.

12. Report of same committee, on petition of Frank F. Proctor, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Nathaniel L. Foster the sum of fifty-five dollars and forty cents (\$55.40), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Bellevue Ave. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2501, fol. 86.

Reports severally accepted, orders severally passed in concurrence.

13. Ordered, That the School Committee, through His Honor the Mayor, be requested to make the necessary improvements on the yard and walks of the Thetford-avenue School in Dorchester.

Mr. HARVEY of Wd. 24 moved to amend the order by adding the following "also improve the sanitary condition."

The amendment was adopted, and the order as amended passed. Sent up.

14. Ordered, That the Board of Estimate and Apportionment be requested to give a public hearing to the citizens of Wd. 6 in relation to the proposed tunnel under the tracks of the Boston Elevated Railway Company on Travers St.

Passed in concurrence.

15. Ordered, That His Honor the Mayor be requested to instruct the Superintendent of Streets to allow employees of the Street Cleaning and Sanitary Divisions whose services can be dispensed with, a holiday, without loss of pay, in part compensation for their services on July 13, 1899, the day of the annual picnic of Ben Franklin Assembly, Knights of Labor.

The question came on giving the order a second reading.

Mr. TOBIN of Wd. 9—Mr. President, I move to non-concur with the Board of Aldermen, because arrangements have already been made to give a holiday for a picnic to the laborers on that day.

The PRESIDENT—The motion of the gentleman from Wd. 9 is out of order at this time. The Chair will state that the action of the Common Council may be to reject the action of the Board of Aldermen; but the question does not come on concurrence or non-concurrence at this time, the question being on giving the order a second reading. It is within the province of the Common Council to reject or to pass the order, at it sees fit. The question

comes on giving the order a second reading.

Mr. WATSON of Wd. 18—Mr. President, I sincerely trust that this order will not be given a second reading, for the following reasons. Some months ago the City Council and His Honor the Mayor allowed the date of July 13 to the Street Cleaning Division, Sanitary Employees, members of the American Federation of Labor, and the Ben Franklin Assembly, Knights of Labor, comes in here now for the same day. I hardly think it is fair to allow that sort of thing, to grant the privilege of a holiday for two picnics on the same day. As this will conflict with the other, I hope the order will be voted down. The Ben Franklin Assembly is an organization mostly of the bosses in the Street Cleaning Division. A few of the laborers do belong to it, but I don't think the whole membership aggregates sixty. Every boss in the Street Cleaning Division, every foreman and sub-foreman is a member thereof. The other organization, the Federation of Labor, by its constitution and by-laws does not allow bosses to belong. Consequently they have a large and flourishing organization of four hundred and some odd members. But when it comes to the question of selling tickets against their bosses for a picnic on the same day, the result must be a hardship on the laboring men, as they will feel obliged to buy tickets that they do not need and cannot use. I know from my own experience, having been employed as a sub-foreman by the city, that I was once asked to belong to this organization, and was told that the bosses controlled it. That being so, the bosses can sell tickets for this picnic on the same day to the men, and they will be compelled to purchase two tickets. I therefore hope we will not give the order a second reading.

Mr. MULCAHY of Wd. 14—Mr. President, I trust that we will nonconcur in this question. We had the same difficulty here last year, I believe, if I remember correctly, and the American Federation of Labor sometime ago succeeded in having an order passed through this body and also the Board of Aldermen in regard to this holiday. I think that when the American Federation of Labor, composed of the laboring class of men, asks for a day of this kind, the request should be granted, and I see no reason why any other organization should conflict with it. I trust that this order will be voted down and that the American Federation of Labor will be given the privilege of this day.

Mr. McINERNEY of Wd. 19—Mr. President, when that order was introduced by Alderman Doyle, I believe he introduced it in good faith, and probably he did not think at the time that that day was assigned to another labor organization to hold their annual picnic; so I move you, if it would be in order, that the matter be referred back to the Board of Aldermen, out of courtesy to the alderman.

Mr. WATSON of Wd. 18—Mr. President, I desire to add a few words to what I have said relative to the order that was introduced in the Board of Aldermen for this vacation. Probably the dearest friend I have got among the regular end of the politicians of Boston is Alderman Doyle, and I am satisfied that this order was handed to him and that he introduced it as a matter of favor. I presume he does not know the circumstances. I am well satisfied that Alderman Doyle will agree to our action in voting this down.

Mr. McINERNEY—Mr. President, I trust that this matter will not be assigned. This is the same difficulty we had last year, as has been already explained. I think that the motion made by the man who last spoke, to refer this matter back to the Board of Aldermen, is the proper action to take. Last year this order was

introduced by the same method. The alderman coming from my ward was handed this order, I should judge about the same way and under the same conditions as Alderman Doyle was handed this order, and last year we had that order referred back to the Board of Aldermen. I think if we took that method this year it would be the best thing we could do.

The PRESIDENT—The Chair desires to state that such a motion as to refer this order back to the Board of Aldermen would be entirely improper and unwarranted. The question is on assignment.

Mr. MULCAHY or Wd. 14—Mr. President, I trust that this matter will not be assigned. It seems to me that several of the members are fully aware of the facts in this case, and why this Ben Franklin Assembly should come in here and ask for the same day for their picnic is something that I cannot undersand. We had the same trouble with them last year. I know that most of the members of the council are familiar with this case, and if they were not so before, they have been made so by the remarks which have been made. I trust that no assignment will prevail, but that we will non-concur with the Board of Aldermen.

Mr. WELLS of Wd. 16—Mr. President, I trust that no motion to assign will prevail. As I understand it the American Federation of Labor have hired their grounds, have got their tickets ready for their picnic and are all ready to go ahead and do the best they can to sell those tickets; but they do not want to go ahead and do anything that will cost money until this thing is settled, and if it is assigned, it will be another week before they can go ahead with their business. I hope that the matter will be settled tonight.

Mr. WATSON—Mr. President, in view of the fact that the Federation of Labor is waiting for the date, and wish to get their tickets out, and in view of the fact that if this is assigned for another week it will delay them just one week more in starting upon their work, and for the reason that I believe the Federation of Labor should have their day alone and not be interfered with by any other city organization, especially that of the street division, I sincerely trust that we will not assign this matter, but that the order will be defeated tonight.

Mr. TOBIN of Wd. 9—Mr. President, I hope this matter will not be assigned tonight, in view of the fact that the American Federation of Labor applied for this day some three months ago. The K. of L. have waited until the last minute, and then they come in under cover, through Alderman Doyle, without his knowing the circumstances at all, and get this order passed by the board. It is a matter of a few men against a large number. I hope that the motion to assign will not prevail.

The motion to assign was lost, and the order was refused a second reading. Mr. Watson of Wd. 18 moved to reconsider; lost.

16. Ordered, That His Honor the Mayor be requested to instruct the Water Commissioner to allow the employees of the Water Department a holiday, without loss of pay, in part compensation for their services, on August 3, 1899, the day of their annual picnic.

Passed in concurrence.

17. Ordered, That the Water Commissioner be requested to have a drinking fountain erected on Columbia road, near Hancock St., to replace the fountain at present located there, and that the Water Commissioner be requested to grant a hearing as to the most suitable position for said fountain to Mrs. John A. Fowle of 356 Boston St., and the President of the Women's Christian Temperance Union of Upham's Corner, Dorchester.

The question came on giving the order a second reading.

Mr. MILLER of Wd. 20—Mr. President, I hope that order will be assigned for one week. This order relates to a section of Dorchester that I am interested in, and I know considerable about the locality. Columbia Road was widened to 120 feet down to this neck, where I think it is reduced to 60 feet, or possibly 80 feet, and it again opens up to 120 feet. There are three lines of cars going through this narrow neck, and all the travel has to go through it. Now, they come in and ask to have a fountain replaced, and I know there has been a good deal of talk about having the one there removed, on account of the congestion. I hope that the order will be assigned.

Mr. HARVEY of Wd. 24—Mr. President, I hardly see why this order should be assigned. I think the gentleman in the 4th division, from Wd. 20, has not looked into the order carefully. It merely asks that the Water Commissioners grant a hearing. I do not see why we should refuse to grant these people a hearing. I do not think the matter should be assigned.

Mr. MILLER—Mr. President, I do not object to this especially, only that I wanted time. This hearing would probably be given next week, if we pass this order, and I want to make some inquiries in that section to see just how much opposition there is to having this fountain placed there. If it is assigned for a week, then we can vote to give them a hearing, and I will have had time then to look into the matter.

Mr. MULCAHY of Wd. 14—Mr. President, I trust that this matter will not be assigned. As the gentleman from Wd. 24 states, it only requests a hearing. If there is anything to object to about the location of the fountain, they can appear at the hearing and object.

Mr. HARVEY—Mr. President, the gentleman in the Fourth Division evidently understands the order as it reads, and I am willing that it should be assigned, out of courtesy to him.

The motion to assign further consideration of the matter to the next meeting was carried.

18. The order concerning appropriations for memorial purposes (City Doc. 84) comes down with an entry thereon that the Board of Aldermen adhered to its former action.

Q. on receding and concurring.

The question came on receding from former action and concurring with the Board of Aldermen.

Mr. ARMISTEAD of Wd. 11—Mr. President, I hope that the Council will not recede, but will stand by its former action. I therefore move you, sir, that the Council adhere to its former action.

Mr. LYDON—Mr. President, I can hardly see where we are going to be fair with the posts who are interested in this order, and who are to be benefited by it, if we continue to adhere to former action. Last Thursday night, my friend from Wd. 11 told us that the Kearsarge Association was a very rich post, and could afford to have their appropriation reduced this year. Personally, I know nothing about it. I do not doubt the truth of the gentleman's statement, but it seems as though there might be other posts who are quite as well off, and who could quite as well afford a reduction as the Kearsarge Association. As I said myself Thursday night, I know of a post that I would very much like to secure a larger appropriation for myself. It seems hardly fair to change the programme at this time. The committee must have taken into consideration the needs of the different posts and their financial condition, when they voted to divide the money up as they did, and if we continue to non-concur with the Board of Aldermen, it will doubtless come back to us again, and the result will be only

to prevent the posts from spending the money at all. I think it would be wise to recede from former action and concur with the Board of Aldermen in the passage of the order, as made up by the committee, and next year, if my friend wants to get a larger appropriation, put in his work before the report comes from the committee. This money must be spent before Memorial Day, and it is only a short time until then now, and as a matter of fact, if it comes back next Thursday night to us, these commands could not make the arrangements that they desire. I think in the interest of the other posts who are provided for in this report, we should recede from our former action and concur with the Board of Aldermen in the passage of this order, as originally reported to us by the committee. I am sorry to differ with my friend from Wd. 11, but, as I say, his work should have been done before the committee reported. Now the time is so short that I think it would be foolish on our part, in the interest of the posts concerned, to disagree with the Board of Aldermen. I therefore hope that we will recede and concur with the Board of Aldermen.

Mr. SIMPSON of Wd. 1—Mr. President, as a member of that committee I expressed my views on that last Thursday night, and I hope the council will recede and concur with the Board of Aldermen. It is getting pretty late now and time that these men should know what they are to have to expend. I think it is proper for us to concur with the Board of Aldermen.

Mr. FENTON of Wd. 15—Mr. President, I hope the council will recede and concur with the Board of Aldermen. I know last week I was in doubt as to the taking of this money from the Kearsarge Veterans, but since the last meeting I have met a few members of that organization. I know personally probably three or four of the members. I know that they are very poor men, working for the ordinary day's wages. I feel that if there is any money to be given to the post referred to by my friend from Wd. 11 (Mr. Armistead) the money should be taken proportionally from the different posts and not taken entirely from the Kearsarge Veterans. I hope, Mr. President, that the council will recede and concur with the Board of Aldermen.

Br. MULCAHY of Wd. 14—Mr. President, I trust that the Council will not adhere to its former action. I speak upon personal authority from the Kearsarge Veterans, and I want to state in reply to the gentleman from Wd. 11 (Mr. Armistead), when he said the members of that organization were fixed financially well enough to make up the balance themselves, that I know several members of that organization who are not so wealthy as he would lead us to believe. I think, in order to be fair with each and all the organizations, if there is any cut to be made it should be taken from all alike.

Mr. ARMISTEAD—Mr. President, I am satisfied that since the last meeting of the council members of the Kearsarge Association have been working very diligently upon the members of this branch. Now I desire to say with all due respect to that organization and to the members of this council, that I do not believe the Memorial Day committee have done just the right thing, notwithstanding what the chairman of that committee may say to the contrary.

In the first place, I desire to inform the gentlemen of this council of the fact, which the committee has failed to bring to our attention, that we have voted \$100 to the Vicksburg Command, an association that does not exist. \$100 has been voted to that command for Memorial Day. Now, the trivial sum that I asked for at

the last meeting of the Council will not hurt anybody. If the committee so desires, it can take that \$100 that this council voted to the Vicksburg Command, an association which does not exist, and take nothing whatever from the Kearsarge Association. So far as I am concerned, I will not open my mouth in regard to that. Now, I realize the fact that these gentlemen ought to have a reasonable length of time in order to make their arrangements for Memorial Day and I don't believe, if the council stands by its former action that it will make a particle of difference, so far as this appropriation goes, because we know that the men will get their money. While some members of the council may bring up the fact that unless we pass this order at once they will not get their money, that is only to drive us up to this thing. I believe that if the council stands by its former action here tonight, when the matter is brought before the board of aldermen those gentlemen will pass it in concurrence with us, without a murmur. I hope, Mr. President, that the council will stand by its former action and non-concur.

Mr. LYDON of Wd. 13—Mr. President, it seems to me that the appointing of this Memorial Day committee is about the same as the appointing of a Fourth of July committee. They have simply as a matter of courtesy, been requested to submit a programme. Now, as I understand it, the Mayor has full authority in these matters, and I understand from the best authority that unless we act wisely in this matter and recede from our former action and pass this in concurrence with the Board of Aldermen, the Mayor will take the matter from our hands and distribute the money as he sees fit.

I think the best thing to do, as I stated previously this evening, is to allow this matter to go through as recommended by the Committee. The Committee had no favorites in the matter, and was fair with each and every command on the list. Personally, I had a friend of mine who wanted to have a larger appropriation, but I wanted to be fair with the other commands and did not insist upon it. I hope my friend from Wd. 11 will withdraw his objections and will allow the matter to go through tonight, as it is only a matter of \$60 anyway, for his command, and that next year he will be successful in securing sufficient money.

Mr. WATSON of Wd. 18—Mr. President, I would like to ask of some member of the Memorial Day Committee whether or not it is a fact that the Vicksburg Command is not today an organization, and is liable to receive \$100 illegally?

Mr. LYDON—Mr. President, I believe every command that is here made a request for money. If it did not, the money would not be appropriated. However, I will say that if there is no Vicksburg Command, I hardly think anybody representing the Vicksburg Command would take the chance of receiving that money illegally.

Mr. SIMPSON—Mr. President, before the last meeting of the Council there was a gentleman who called on me and stated that this Vicksburg Command had gone out of existence, and he wanted to get the money for the Meagher Command. Now, I will say, as far as the Committee is concerned, that that has not been proven to us yet. But if there is \$100 left there, we will divide it up with our friend from Wd. 11 (Mr. Armistead).

Mr. CHAMBERLAIN of Wd. 12—Mr. President, it seems to me as if the gentleman from Wd. 11 (Mr. Armistead) ought to know the needs of the posts referred to as well as any man in this body. At the last meeting of this Council he stated that he was on time at the meeting of the Memorial Day Committee, but when he got there, the meeting had been adjourned. I have not heard that statement denied yet, and I think, as a simple mat-

ter of courtesy to him, we should non-concur, sending this back to the Board of Aldermen.

Mr. MULCAHY—Mr. President, I trust that this matter will not be sent back to the Board of Aldermen. The gentleman from Wd. 11 (Mr. Armistead) says there is \$100 there, appropriated for the Vicksburg Command, which can be spared. He says there is no such organization in existence. If this be so, I don't know why he did not make a fight for that \$100 and let the rest of the appropriations stand as they are. Of course, each and every individual member of the body knows somebody in some of the different commands. I could speak myself personally for the Gettysburg Command. I trust that we will concur.

Mr. WATSON—Mr. President, in view of the fact that one member of the Memorial Day Committee has informed us that the Vicksburg Command has gone out of existence and that a Vicksburg Command man who came to him wanted the money appropriated for that organization transferred to some other organization, I think it is high time that we should act on that information. If it is in order I would move we strike out the \$100 appropriated for the Vicksburg Command. If that is not done, I want to say something on the merits of the order.

The PRESIDENT—The Chair desires to state for the information of the Council, and particularly the gentleman from Wd. 18 (Mr. Watson) that the Council has already concurred in the report of the Committee with the exception of that particular part that has been amended. The question now comes on adhering to former action on those parts which have been amended.

Mr. WATSON—Then, Mr. President, I desire to stand where I stood at the last meeting. I think that the Peter Salem—

The PRESIDENT—If the gentleman will allow the Chair, the Chair will suggest that the proper proceeding to accomplish the result desired will be to rescind so much of the order as passed by the Council as referred to that particular command. The question is on adhering to former action.

Mr. WATSON—Mr. President, as I understand the Chair, if we rescind our previous action on the order we can then amend by striking out. I sincerely trust that we will adhere to our former action. I voted with Brother Armistead at the last meeting. I believe he has already stated that many members, in fact all of the members of the Peter Salem Garrison and of Robert G. Shaw Command are hard working men, some of whom work at cleaning windows, working at anything that they can get to do. They are worthy men, and I am satisfied that the Kearsarge Naval Veterans is one of the richest and most influential organizations connected with the G.A.R. in the United States. It is made up of police captains and people in high life; and I sincerely trust that that will adhere to the gentleman in Wd. 11 we will adhere to our former action.

Mr. LYDON—Mr. President, I would have the gentleman from Wd. 18 (Mr. Watson) understand that I am not opposed to the gentleman from Wd. 11 (Mr. Armistead), and I would be one of the first men to favor him and vote with him on almost any measure. But I believe if this gentleman cannot get his additional \$60 he should not prevent the other posts from receiving their proportion of the money. As I said before, I believe unless we recede from our former action and concur with the Board of Aldermen, the Mayor will take this matter out of our hands and distribute the money as he sees fit. I think the gentleman from Wd. 11 should be fair in this matter, as he would expect us to be with him. Personally I have no interest in the Kearsarge Veterans. I don't know one of them. I don't know a member in

the Peter Salem Garrison, and am not interested in them or any of the other organizations personally, except on general principles. I believe that the gentleman from Wd. 11 wants to be as fair with other organizations interested in the order as he wishes us to be with the ones in which he is interested, that he will agree with me and vote to recede from our former action and concur with the Board of Aldermen tonight.

The motion to adhere to former action was declared lost. Mr. Fenton of Wd. 15 doubted the vote and asked for a rising vote. The council stood divided, and the motion to non-concur and to adhere to former action was carried, 32 members voting in the affirmative, 16 in the negative.

Mr. LYDON—Mr. President, in view of the fact that I do not believe some of the members understood what they were voting upon, I most respectfully doubt the vote and ask that the roll be called.

A rising vote was taken to determine whether the roll call would be ordered, after which the President said:—

Less than one fifth of the members present voting in favor of the roll call, the yeas and nays are refused. The Council adheres to former action.

Mr. CHAMBERLAIN—Mr. President, I will move to reconsider, hoping that the motion will not prevail.

Mr. LYDON—Mr. President, I believe there is still a way out of this matter, and I hope reconsideration will prevail. It seems to me my friend from Wd. 11 (Mr. Armistead) has seen some way by which we can bring about the right effect, and I hope reconsideration will prevail and that the matter will be assigned until later in the meeting, so that it may be arranged satisfactorily to everybody interested. I hope reconsideration will prevail.

Mr. HARVEY of Wd. 24—Mr. President, I hope reconsideration will prevail. It is my intention, if it is in order, to make a motion to rescind the vote whereby we adhered to former action, in order that the order may be amended so that the amount appropriated for the Vicksburg Command, \$100, may be transferred to the Robert G. Shaw and Peter Salem organizations. Then, if there is no such command in existence as the Vicksburg Command, we will very soon find it out. If there is, they will come forward and ask for their \$100.

Mr. WATSON—Mr. President, while I am one of those who has been converted to a certain extent on this matter, I sincerely trust that reconsideration will prevail. I am credibly informed that there is a way out of this, by which the whole question will be solved, in a legal way and without taking money out of anybody. If that is so, I am satisfied to vote for reconsideration. We can then endeavor to fix the matter up. I hope reconsideration will be assigned to quarter of nine.

Mr. HICKEY of Wd. 2—Mr. President, I dislike very much to enter into any debate on this subject at this time, but I voted with our friend from Wd. 11 (Mr. Armistead) at the last meeting, and will be pleased to vote with him at this meeting, if possible. If the statement made by him, in which he is seemingly backed up and sustained by the several members of the Memorial Day Committee, is true—to the effect that there is no such command as the Vicksburg Command, I trust that reconsideration will prevail, in order that the amendment suggested by the gentleman from Wd. 24 (Mr. Harvey) may be made, and that money, taken from the Vicksburg Command, can be given to the Robert G. Shaw Veteran Association and the Peter Salem Garrison. I sincerely trust that reconsideration will prevail.

Reconsideration prevailed, and the question came on adhering to former action.

Mr. LYDON—Mr. President, I hope that the matter will be assigned to 5:45 o'clock.

The motion to assign to 8:45 P.M. was carried.

Later in the session Mr. Harvey of Wd. 24 said:—

Mr. President, I desire to call up No. 13 on the calendar, which was assigned to a quarter of nine. If it is in order, I would move that we rescind the vote whereby the amendment offered by the gentleman in the first division, giving an additional amount to the Robert Gould Shaw Association and the Peter Sa'em Garrison at the last meeting. I ask to have that vote rescinded, and I have an amendment which I wish to offer.

The PRESIDENT—The Chair will rule the motion out of order, the question being on adhering to former action.

The motion to adhere to former action was declared lost. Mr. Chamberlain of Wd. 12 doubted the vote and asked for the yeas and nays, which were ordered, and the motion to adhere to former action was carried—Yeas 28, nays 27.

Yeas.—Armistead, Badaracco, Bagley, Battis, Brauer, Broderick, Chamberlain, Cuddy, Curley, Emery, Gibbons, Harvey, Hibbard, Klemm, Lorey, MacDonald, MILDAM, Miller Nangle, Peck, Rolland, Sanderson, Stevens, Stockton, Walker, Warson, Winsloe, Wood,—28.

Nays.—Atwood, Brennan, Collins, Donahoe, Fenton, Flynn, Giblin, Hickey, Horigan, Johnson, Kasanof, Kelley, Kiley, Linehan, Logan, Lydon, Martin, McInerney, Mulcahy, Newhall, Rice, Simpson, Stone, Sweeney, Tobin, Turnbull, Well—27.

Absent or not voting.—Bennett, Borman, Bradley, Carroll, Casey, Connolly, Doherty, Donovan, Doyle, Eddy, Howard, Jordan, Leftovich, Leonard, Madden, Mansfield, Moore, O'Brien, Roemer, Sullivan—20.

Mr. ARMISTEAD—Mr. President, I move a reconsideration, hoping that the same will not prevail.

The PRESIDENT—The Chair will rule the motion out of order, as reconsideration has already been voted upon.

FARRAGUT DAY.

The Council proceeded to take up No. 13, unfinished business, viz.:—

13. (Coun. Martin.) Ordered, That a committee to consist of seven members of the Common Council with such as the Board of Aldermen may join, be appointed to prepare and report a programme for the celebration of June 28, Farragut Day; the expense of the same not to exceed one thousand (1000) dollars, to be charged to the appropriation for City Council, Incidental Expenses.

The question came on giving the order a second reading.

Mr. DONAHOE of Wd. 14—Mr. President, I desire at this time to offer an amendment in connection with this order—striking out "City Council, Incidental Expenses," and inserting in place thereof "Reserved fund."

The PRESIDENT—The Chair will rule that that amendment is illegal, and upon that ground will rule the amendment out of order. Under the present Board of Apportionment law the Council has no right to originate a transfer from the reserved fund.

The order was read a second time, and passed. Mr. Martin of Wd. 10 moved to reconsider; lost. Sent up.

ASSIGNMENTS.

The council proceeded to take up assignments, viz.:—

20. Message of the Mayor transmitting a communication from the Secretary of the Bath Commission submitting information as to the expenditure of the Bath Department during the current financial year. (City Doc., No. 95.)
Placed on file.

21. Communications from the Secretary of the Navy and others relative to the employment of alien labor on the Boston Dry Dock. (City Doc. No. 96.)

Placed on file.

22. Message of the Mayor transmitting a communication from the Secretary of the Bath Commission concerning veterans of the Civil War suspended or discharged from the Bath Department. (City Doc. No. 97.)

The question came on placing the message on file.

Mr. CUDDY of Wd. 8—Mr. President, I move you, sir, that that communication be sent back to the Secretary of the Bath Commission, as it is to my mind an untruthful statement. Since the last meeting, I have received certain information which leads me to believe that this statement is untrue, and, therefore, I move you that this communication be referred to where it originated.

The PRESIDENT—If there is no objection, the communication will be so referred.

Mr. HICKEY of Wd. 2—Mr. President, I cannot see, if the Chair will permit debate upon this amendment, why that should be referred back in that manner—

The PRESIDENT—Does the gentleman object to the reference?

Mr. HICKEY—I do.

The PRESIDENT—The Chair will withdraw the reference.

Mr. HICKEY—Mr. President, it seems to me that the gentleman from Wd. 8, if he has any good reason for wishing that to be referred back, should be prepared to give his reasons. He simply states that untruthful statements appear therein. I do not know whether it makes any difference to the Bath Commission if this is referred back to them or not. I am simply talking in regard to this as a matter of principle. I believe that if good cause can be shown why this should be referred back, that course should be taken, but otherwise not. I believe that the untruthful statements should be pointed out to this body, and if that is done, this body can, perhaps, more severely reprimand the secretary of the Bath Commission, than simply to refer this communication back to him.

Mr. CUDDY—Mr. President, it would be far from my usual course to get up here and say that a communication was an untruthful statement if I did not have the information in my possession to back up what I said. Mr. President, I do not get up here and talk at random, like the gentleman from Wd. 2. I generally know what I am talking about. He got up here recently and referred to a number on the calendar as providing for the payment of money to the family of a deceased officer, and said that that money came from the police relief fund—but it doesn't, it comes out of the city treasury. He did not take time to look it up. I wanted to have that matter assigned to the next meeting, in order that I might have a chance to investigate it, but he would not agree to it. He gets up here now and talks on this question. He does not know what he is talking about. I know what I am talking about and I have got the evidence. There are four men. The secretary of the bath commission claims there are no veterans. I say there are. There are four. There are two or three of them loafing today. Therefore I say that this statement is untrue, Mr. President.

Mr. HICKEY—Mr. President, in reply to the somewhat personal attack made by the light-headed gentleman in the fourth division (laughter)—

The PRESIDENT—The Chair will request the Council to be in order.

Mr. HICKEY—(Continuing.) I simply wish to say that he has not yet given the proof, the evidence, which he spoke of having, and which he referred to in his original remarks. I believe that this

Council should demand of him that if he has information contrary to what is stated in the communication sent to this body, he should state it to this body. His excuse, that I talk at random, cannot be sustained by him. I hope that his motion will not prevail.

Mr. CUDDY—Mr. President, if this communication about the Bath Commission comes back to us the same as it is now, I shall certainly give my evidence here to the members of this body, but I do not think it is necessary at this time, inasmuch as I tell the members of this body that I have that evidence. I do not want to reveal the names, because it might hurt the chances of some of these men of getting employment again. I have got the names in my pocket, and I have got the evidence, and I tell the Council that the statement that the secretary of the bath commission gives us is not true—and it is not true.

Mr. HICKEY—Mr. President, I just wish to call the attention of the Council to this one fact—although I have no doubt as to how the final vote will be—that the order which was introduced in this body on April 27th asked for a complete list of the veterans of the Civil War employed in the Bath Department who have been suspended or discharged without a hearing since the organization of the department. The reply seems to me to be a courteous one, and is clearly to the point. He says, "After considerable inquiry we find that no veterans have ever been certified to the Bath Commission from the civil service." That is a plain and direct statement, and if the gentleman from Wd. 8 can contradict it, he should do so in a fair and open manner. The secretary of the Bath Commission goes on to say that no hearing has been asked for by the employees, and that he has no "list of the names of veterans of the Civil War employed in the Bath Department who have been suspended or discharged without a hearing since the date of the organization of the said department," and that he knows of no veterans in the department. That seems to me to be a perfectly plain and courteous reply to the order of this Council, and I feel, as a matter of principle, that the communication should not be referred back in this way without a specific reason.

Mr. CUDDY—Mr. President, if the members of this body desire to hear the names of the veterans, I will give them; but I think, Mr. President, that the members of this body have got confidence enough in me, when I make a statement that there are veterans there, to take my word for it. I do not think there is a gentleman outside of the gentleman from Wd. 2 that doubts my statement.

Mr. DONAHOE of Wd. 14—Mr. President, I believe that the statement of the gentleman from Wd. 8 is correct. I know of veterans myself, and the secretary of the Bath Commission states that he knows of no veterans. Now, he knows better than that, because he does know that there are veterans there, and so do I. One of my constituents is a veteran, and was suspended, and has been suspended for eight months.

It was voted that the communication be referred back to the Bath Department.

23. Message of the Mayor relative to the provision of ordinance requiring male employees of the city to be citizens and legal voters of Boston. (City Doc. No. 98.)

The question came on placing the message on file.

Mr. LINEHAN of Wd. 13—Mr. President, in saying a few words upon this message, I would like to say that, being a great believer in consistency, this is the only time that I know of where the Mayor of Boston has been consistent. Being a carpet-bagger himself it is only natural that he should favor non-residents. Therefore I move you, sir, the reference of the whole matter to the Committee on Ordinances.

The motion to refer was carried.

24. Ordered, That so much of the order approved September 21, 1898, as authorized the Cemetery Trustees to expend the sum of fifteen hundred (1,500) dollars for the construction of a wall at Evergreen Cemetery bc, and hereby is, rescinded.

The question came on giving the order a second reading.

Mr. SANDERSON of Wd. 25—Mr. President, I would ask that No. 24 on the calendar be assigned to the next meeting.

Mr. GIBBONS of Wd. 5—Mr. President, this matter was assigned from last meeting to this, and unless the gentleman from Wd. 25 can give some good reason, I should ask that the order be put upon its passage tonight.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, inasmuch as this cemetery is in the locality represented by the gentleman from Wd. 25, and inasmuch as he has asked for a chance to look into the matter, I think it is no more than courtesy to him to allow it to go over to the next meeting.

Mr. GIBBONS—Mr. President, this communication which has been received was in reply to an order which I introduced some weeks ago asking for specifications and figures and contracts which the cemetery trustees has obtained under this appropriation for a stone wall at the Evergreen Cemetery. I have obtained the necessary information, and in course of obtaining that information we found out that the appropriation was for a stone wall and that a stone wall would not suit the purpose of the trustees, and that the appropriation was not sufficient for it. They desired to build a fence. An appropriation for a stone wall cannot be used to build a fence. Therefore, they want this appropriation rescinded in order that new appropriation may be made to build an iron fence.

Mr. SANDERSON—Mr. President, I had hoped that this matter would be assigned, in order that I might have time to look it up. I have not had the time to look it up and get the information which I desired as thoroughly as I wanted to. I have obtained some information which leads me to think that there is a cat in the meal somewhere. The trustees were asked to give the Council certain information. They gave the member from Wd. 5 the information personally, but did not send any communication to the Council giving the information that the order asked for. Now, I have seen one of the most reliable contractors in our ward—a man of sterling integrity—and he tells me that the 800 feet of stone wall four feet high can be built for this amount of money, and that he will build it for that amount. I hope the order will be assigned to the next meeting of the Council in order that I may look further into the matter and convince myself that this order as it appears on the calendar is right and proper.

Mr. GIBBONS—Mr. President, I just wish to say that I am perfectly satisfied to have the matter assigned to the next meeting, if the gentleman wishes it.

The motion to assign further consideration of the matter to the next meeting was carried.

25. Ordered, That His Honor the Mayor be requested to instruct the Fire Commissioner to so organize the department that the members shall be divided into two shifts of twelve hours each, so that the members of the Fire Department of the City of Boston shall not be required to perform more than twelve hours of duty in every twenty-four.

The question came on giving the order a second reading.

Mr. DOHERTY of Wd. 3 offered the following as a substitute:—

Ordered, That the Board of Estimate and Apportionment be requested to provide a sufficient sum of money so that the Fire

Department may be organized in such a way that the members shall not be required to perform more than twelve hours' duty in twenty-four.

The substitute order was passed. Sent up.

26. Report of Committee on Police, that the following order, referred to said committee, ought to pass:—

Ordered, That the Board of Police be, and it hereby is, authorized and directed to allow and pay to Sarah E. Leavitt, widow of late Patrolman William D. Leavitt, deceased, October 23, 1898, an annuity of three hundred (300) dollars per annum, commencing on the 29th of October, 1898, as provided by section 2 of chapter 175 of the Acts of 1887.

Report accepted, order passed in concurrence. Mr. Chamberlain of Wd. 12 moved to reconsider; lost.

A STATEMENT BY MR. WATSON.

Mr. WATSON of Wd. 18—Mr. President, if it is in order, I would like to ask unanimous consent to make a statement, through the courtesy of the Council.

The PRESIDENT—The Chair will ask the gentleman if he desires to rise to a question of personal privilege?

Mr. WATSON—It is merely a question of personal privilege so far as I am a member of the city government this year only—not to me directly.

The PRESIDENT—Is there any objection to allowing Mr. Watson to make a statement? If there is no objection, the gentleman will proceed.

Mr. WATSON—I desire to say a word here in reference to an item which appeared in the New York Journal of the day before yesterday. The item, in substance, is as follows:—

"Boston, Mass., May 16, 1899. The Hon. Josiah Quincy, Mayor of Boston, today granted an increase of 2½ per cent. to all city employees."

My reason for rising at this time is to bring it to the attention, if possible, of the gentleman representing the New York Journal in Boston that the city employees of Boston receiving more than a certain sum of money were cut in proportion, 5 and 7½ per cent. For three months this cut lasted. As a matter of fact, a few days ago, the Mayor instructed those departments over which he had control to restore salaries. In some way, Mayor Quincy, through his press bureau—and he has many—must have got word to the New York Journal first before anybody else did. I desire now to get word to the New York Journal, through this body, that salaries have not been increased.

SQUARE, BUNKER HILL, VINE AND MOULTON STS.

Mr. HARRIGAN of Wd. 3 offered an order—That the Park Commissioners be requested, through His Honor the Mayor, to place the square bounded by Vine, Moulton and Bunker Hill Sts., Wd. 3, in proper condition, also to place a sufficient number of settees around the outside of said square.

Referred to His Honor the Mayor.

IMPROVEMENT ON MYSTIC ST.

Mr. HARRIGAN of Wd. 3 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to replace the edgestones, sidewalks and gutters on Mystic St. and on Elm St., from Bunker Hill St. to High St., Wd. 3.

Referred to His Honor the Mayor.

ELECTRIC LIGHT, GUILD ROW.

Mr. KLEMM of Wd. 21 offered an order—That the Superintendent of Lamps be requested, through His Honor the Mayor, to place an electric light at the junction of Guild Row and Dudley St.

Referred to His Honor the Mayor.

PURCHASE OF MAPS.

Mr. CUDDY of Wd. 8, for the Committee on Printing, submitted a report on the order (referred May 11) relative to the purchase of five hundred copies of a map of Boston, recommending the passage of the order in the following new draft:—

Ordered, That the Clerk of Committees be authorized to purchase five hundred copies of the new map of Boston published by G. H. Walker & Co., each member of the City Council to be furnished with three copies of the same and the remainder to be distributed under the direction of the Committee on Printing; the expense thus incurred to be charged to the appropriation for City Council, Incidental Expenses.

Report accepted, order passed. Sent up.

LIGHTS, WARD 24.

Mr. HARVEY of Wd. 24 offered an order—That the Superintendent of Lamps be requested, through His Honor the Mayor, to locate and maintain a sufficient number of lights on Harwood St., Johnson Terrace and Ballou Ave. to properly light the same.

Referred to His Honor the Mayor.

APPROPRIATION FOR NEPONSET ROWING CLUB.

Mr. HARVEY of Wd. 24 offered an order—That the Committee on the Fourth of July be requested to include in the programme for the celebration an appropriation of one hundred and fifty dollars for the Neponset Rowing Club.

Referred to the Committee on Fourth of July.

LEAVE OF ABSENCE FOR FIREMEN.

Mr. SWEENEY of Wd. 7 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to make such an arrangement as to allow each member of the Fire Department twelve hours leave of absence between his regular days off.

Mr. SWEENEY of Wd. 7—Mr. President, in regard to that order, I desire to state that I have introduced it actuated by a desire to see the members of the Boston Fire Department granted the privilege which the work that they do rightly deserves. I have no doubt but what every member of this Council will place upon it the stamp of their approval, and it is my earnest hope that His Honor, Mayor Quincy, will use his utmost influence with the Fire Commissioner in striving to have him grant this privilege to the members of the Boston Fire Department. At the present time, they are allowed one day off in eight. In other words, they are compelled to put in about 180 hours of continuous service before they receive the privilege of one day off. Now, a comparison of that length of time with the amount of time demanded of the ordinary working man or of the business man clearly demonstrates that they are obliged to put in three times as much work. Now, I think this condition of affairs ought not to exist in a city like Boston, which is held up as an ideal, and in view of the fact that the passage of this order will incur no extra expense for the Fire Department, and of the fact that it will in no way conflict with the regular routine work of that Department, I sincerely and earnestly hope that it will receive some attention, and I respectfully ask a suspension of the rules, in order that it may go upon its passage tonight.

Mr. MARTIN of Wd. 15—Mr. President, I sincerely trust that this order will pass this evening. This is not the first time that this matter has been brought before this body. Last year, on different occasions, I presented orders that were intended to bring about the same result

which the gentleman in this division hopes to obtain. About two months ago I appeared before the committee on metropolitan affairs and argued for the bill presented by the Senator from Charlestown providing for two sets of men, to work 12 hours each as firemen. At that time, one of the members of the committee asked me why we came up to the State House for legislation for the firemen. He said it was unnecessary to go to the State House for legislation for the firemen, and that we had the power to attend to that matter right here, without going up there. Now, there is no reason why we should not do it. As an ex-fireman, as a person who knows what they have to contend with, I cannot see any reason why the firemen should not have more time off. The members of the other protective branch of our government, the policemen, have three shifts every day. Now, it seems to me that if the police officers can have three shifts, the firemen should at least be given a little consideration, and should have at least 12 hours leave extra over what they are having at the present time. The only argument that can be brought against this 12-hour matter will be the extra expense. I see no extra expense. If they could do it before and give the firemen extra time, there is no reason why they cannot do it at the present time. I hope that the order will go through tonight.

Mr. MULLCAHY of Wd. 14—Mr. President, I heartily endorse the sentiments of the preceding speakers in reference to this department. I don't think there is a body of men who deserve any more credit and who should receive any more attention than they do. I don't think it is necessary for me to go into details in this matter, as this body is always in favor of proper treatment of a department of that nature.

Mr. WATSON of Wd. 18—Mr. President, this is something that I must get into. (Laughter.)

The PRESIDENT—The Council will be in order.

Mr. WATSON—In view of the fact, Mr. President, that a persecuted body of men are not getting what belongs to them. While I am satisfied that nothing will come of the order at this time, in view of the fact that the city has not got anything, at the same time the order shows the good spirit of the gentleman who offered it. I am satisfied today, however, that the firemen of Boston are confident that they will get nothing from the administration, regardless of the money that may be on hand. The only place where the firemen can get relief—and I doubt if they will get it there—is from the Legislature. As a matter of fact, what Councilman Martin says about the gentleman who told him that they needn't go to the State House is true. I think the appropriation for the Fire Department at this time is not large enough for this purpose, if, as is claimed, it is not sufficient to give to the men the 7½ p.c. cut that was made in their salaries for two weeks. If such is the case, it is true that the \$50,000 or \$100,000 that would be necessary under this order cannot be provided from the appropriation. It stands to reason. But I am satisfied that the gentleman who offered the order is absolutely honest. I have some interest in the firemen, as well as he, and I sincerely trust the order will go through, even though it may amount to nothing.

The order was read a second time and passed. Sent up.

ALLEWAYS, WD. 12.

Mr. PECK of Wd. 12 offered an order—That the Superintendent of Streets, through His Honor the Mayor, cause the alleyways of Wd. 12 to be kept free from accumulation of paper and other debris,

and also to require, if necessary, owners of estates abutting on said alleyways to keep the same free from obstruction by ash barrels.

Mr. PECK of Wd. 12—Mr. President, Colonel Guild, in speaking of the state of affairs at Santiago, made the remark that when the American soldiers instituted a street cleaning department and began the policing of that town, after removing about six inches of debris they discovered that there was a stone pavement, and that no one within the memory of the inhabitants of Santiago had ever before seen that stone pavement. I think the same condition of affairs is apt to exist in our ward, if the present condition of affairs continues. This is not a snap judgment on my part; I have twice made an investigation in a large portion of the ward, and have discovered that there seems to be no attention paid to the picking up of the papers which seem to have accumulated in the various alleyways. I trust that action will be taken in this matter, and that we will at least have the benefit of cleanliness in our particular ward.

The order was referred to His Honor the Mayor.

BAND CONCERTS, WD. 12.

Mr. PECK of Wd. 12 offered an order—That the Music Trustees, through His Honor the Mayor, be requested to provide two free band concerts in the square in Massachusetts Ave., between Tremont St. and Shawmut Ave., and Franklin Sq., Wd. 12.

Referred to His Honor the Mayor.

EXCESSIVE STREET WATERING.

Mr. PECK of Wd. 12 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to take such action as may be necessary to prevent the excessive watering of the asphalt roadway on that portion of Massachusetts Ave., located between Tremont St. and Shawmut Ave.

Mr. PECK of Wd. 12—Mr. President, I am prompted to introduce this resolution because of the positively dangerous condition of that thoroughfare when deluged by watering carts. I had occasion to notice this last Sunday—ten riders precipitated on that street within a period of fifteen minutes. This was within my personal observation. It seems that a certain portion of the highway is fringed with trees, and when the watering cart comes along it deluges that portion as much as the part which is in bright sunshine, and when the part in the sun has dried up this portion still remains in a slimy condition. Wheelmen coming along opposite the fountain experience what is known as the "side slip," being immediately precipitated, and it is astonishing that there have not already been serious accidents by reason of wheelmen being thrown in front of carriages. I hope the street department will immediately give the matter its attention.

The order was referred to His Honor the Mayor.

MEMBERS PRESENT.

By direction of the President, the Clerk called the roll to ascertain the attendance, with the following result:—

Present—Armistead, Atwood, Badaracco, Bagley, Battis, Brauer, Brennan, Broderick, Chamberlain, Collins, Connolly, Cuddy, Curley, Donahoe, Emery, Fenton, Gibbons, Giblin, Harvey, Hibbard, Hickey, Horrigan, Johnson, Kasanof, Kelley, Kiley, Klcmm, Lnehan, Logan, Lorey, Lydon, MacDonald, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Nangle, Newhall, Pecker, Roemer, Rolland, Sander-son, Simpson, Stevens, Stockton, Stone, Swcency, Tobin, Turnbull, Walker, Watson Wells, Winsloe, Wood—56.

Absent—Bennett, Bordman, Bradley, Carroll, Casey, Doherty, Donovan, Doyle, Eddy, Flynn, Howard, Jordan, Leftovitch, Leonard, Madden, Mansfield, O'Brien, Rice, Sullivan—19.

POWERS OF CITY COUNCIL.

Mr. WALKER of Wd. 25 offered the following:

Resolved, That in the opinion of the Common Council, the General Court of Massachusetts should take favorable action upon the bill entitled House Bill Number 1189. An act to Enable the City Council of the City of Boston to Obtain Information in Certain Cases.

Ordered, That each branch of the General Court be furnished with a copy of this resolve by the Clerk of the Common Council.

Passed.

CLOCK, MARINE PARK.

Mr. LOGAN of Wd. 14 offered an order—That the Board of Park Commissioners, through His Honor the Mayor, be requested to have the clock on the head-house at Marine Park put in a proper condition.

Referred to His Honor the Mayor

WIDENING OF RUGGLES ST.

Mr. NANGLE, for Mr. Doyle of Wd. 19, offered an order—That the Board of Estimate and Apportionment be requested to provide in the next loan bill a sum sufficient for the widening of Ruggles St., Wd. 19, between Halleck and Parker Sts., to a uniform width of forty feet.

Referred to the Board of Estimate and Apportionment.

ELECTRIC LIGHT, WD. 19.

Mr. NANGLE of Wd. 19 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate and maintain an electric light at the corner of Prentiss and Parker Sts., Wd. 19; the expense of the same to be charged to the appropriation for Lamp Department.

Referred to His Honor the Mayor.

LAYING OUT OF ALEXANDER ST.

Mr. STEVENS, for Mr. Wells of Wd. 16, offered an order—That the Board of Street Commissioners be requested to order the laying out of Alexander St., Wd. 16, from its present terminus to Bird St., under Chapter 323 of the Acts of 1891 and amendments thereto.

Passed. Sent up.

IMPROVEMENT OF BURGESS STREET

Mr. STEVENS, for Mr. Wells of Wd. 16, offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to resurface Burgess St., Wd. 16, the same to be charged to the appro-

priation for Street Improvements, Wd. 16. Referred to His Honor the Mayor.

REMOVAL OF TREES.

Mr. ROLLAND of Wd. 25 offered an order—That the Superintendent of Public Grounds be requested, through His Honor the Mayor, to remove two dead trees on Lincoln St., opposite Ashford St., Wd. 25.

Referred to His Honor the Mayor.

IMPROVEMENTSE OF SHELTON ST.

Mr. MILDRAM of Wd. 24 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to take such action as will prevent the accumulation of stagnant water upon the surface of Shelton St., Wd. 24; and to take such immediate action as will remedy the existing evil, the same being a menace to the public health.

Referred to His Honor the Mayor.

PARK, WARD 6.

Mr. BADARACCO of Wd. 6 offered an order—That His Honor the Mayor be requested to have plans prepared to put the territory embraced between Causeway, Haverhill and Canal Sts. and Haymarket Sq., not used by the Boston Elevated Railway Company in proper condition for park and playground purposes, which is now in an unsightly condition and a disgrace to the city of Boston.

Mr. BADARACCO of Wd. 6—Mr. President, I would like to say a few words in regard to this territory. It is in a very conspicuous part of the city, and is in an unfit condition for anyone to look at. It is right opposite the Union Station, where thousands of people are coming and going at all times, and I am sure it is not an honor to the city of Boston to have such a conspicuous place in that condition. For that reason I hope that the Mayor will take some action.

The order was referred to His Honor the Mayor.

ELECTRIC LIGHT, NORTH BENNET STREET.

Mr. BADARACCO of Wd. 6 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, place an electric light opposite the playground on North Bennet St.

Referred to His Honor the Mayor.

Mr. HARVEY of Wd. 24—Mr. President, I raise the point of order, that a quorum is not present.

By direction of the president, those present rose in their places.

The PRESIDENT—It appears that but 33 members are present. The point of order is well taken, and the Council stands adjourned to next Thursday night at 7:45 o'clock.

Adjourned at 9:25 P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, May 22, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock, P.M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. Colby, to dispense with the reading of the records of the last meeting.

APPOINTMENTS BY THE MAYOR.

The Mayor submitted the following appointments, subject to approval and confirmation by the Board:

- (1) Gordon Abbott, a Statistics Trustee for the term ending April 30th, 1904.
 - (2) Michael F. Codire, an Inspector of Pressed or Bundled Hay or Straw for the term ending April 30th, 1900.
- Severally laid over, under the law.

ENGINE HOUSE, WARREN AVE.

The following was received:
May 22, 1899.

To the City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment appropriating the sum received for the taking of the engine house on Dartmouth St., amounting to \$55,000, for the purchase of land and the erection thereon of a new engine house in substitution thereof, the site designated in the order being the parcel of land on Warren Ave. adjoining the English High and Latin school building on the northeast side, and containing about 7,500 square feet.

The selection of this location is the result of careful and long-continued consideration by the members of the Board of Apportionment of the difficult question of securing a site at any moderate price. The following parcels of land were suggested by the Fire Commissioner and considered by the members of the Board:

| Location. | Size, Sq. ft. | Estimated cost. |
|---|---------------|-----------------|
| Church, corner of Dartmouth and Harwich Sts..... | 4465 | \$75,000 |
| Estate, corner of Buckingham and Dartmouth Sts..... | 3825 | 55,000 |
| Estates, 1 and 3 Yarmouth St. | 3649 | 23,900 |
| Two adjoining estates, north side of Dartmouth St., about midway between the railroad and Columbus Ave..... | 3600 | 50,000 |
| Two adjoining estates, south side of Dartmouth St. about midway between the railroad and Columbus Ave... | 4200 | 56,000 |
| Two adjoining estates, further along on same side of Dartmouth St..... | 4200 | 59,000 |

From this list it appears that the parcel of land designated in the order is much cheaper in price and much larger in area than any other considered, with the exception of the estate on Yarmouth St., which a majority of the Board did not consider a suitable site. The Board has secured for the city an option, running for forty days, to purchase the lot designated in the order for the sum of \$37,000, making a price of a little less than five dollars a foot. While it was recognized that a site nearer the present one would have been desirable, it seemed impossible to secure one within the limits of price which the Board felt should be fixed. As an engine house costs about \$25,000 to build, it will probably require an additional appropriation of about \$7000, even with this site, to provide for the building of a new engine house. The lot selected

is certainly very desirable in respect to size, and on account of having a twelve foot private way in the rear.

As the engine company formerly occupying the Dartmouth St. engine house is now without any quarters in the district which it formerly covered, being temporarily provided for in the fire department headquarters on Bristol St., the importance of settling the question of the new site and providing for the erection of a new engine house at the earliest possible moment need not be dwelt upon.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston,
In Board of Estimate and Apportionment,
May 22, 1899.

Ordered: That the Fire Commissioner be authorized to expend for the purchase of the land on Warren Ave. adjoining the English High and Latin School building on the northeast side, containing about seven thousand five hundred (7500) feet, and the erection of an engine house thereon, the amount of fifty-five thousand dollars (\$55,000) received by the city for the engine house on Dartmouth St., formerly used by Engine 22, which amount is hereby appropriated for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Kiley,

Members of the Board of Estimate and Apportionment.

Ordered printed and assigned to the next meeting, on motion of Ald. Adams.

The following was received:—

Mayor's Office, City Hall.

May 22, 1899.

To the Board of Aldermen:—

I transmit herewith a communication from the Commissioner of Wires enclosing a letter addressed to him by the Superintendent of the Postal-Telegraph Cable Company, and in connection therewith I recommend the passage of the accompanying orders.

Respectfully submitted,
Josiah Quincy, Mayor.

Wire Department,
Office of the Commissioner of Wires,
Old Court House,
Boston, May 22nd, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—I inclose you herewith a copy of a letter sent me by the Postal Telegraph Company, the contents of which I fully concur with. I also inclose you two orders which will carry out the intent of the request. Will you kindly transmit the same to the Board of Aldermen?

Respectfully yours,

Thos. W. Flood, Commissioner of Wires.
Postal Telegraph Cable Co., Boston, Mass.,
March 9th, 1899.

Thomas W. Flood, Esq., Commissioner of Wires.

Dear Sir:—Please see Order granting pole locations to this Company, dated Oct. 12th, 1891. The third paragraph of that order provides that the New England Printing Telegraph Company of Mass. shall have right of way during the continuance of the grant to place cross arms upon said poles. I would like to have this permit to the Printing Company revoked for the reason that they have not paid any proportion of the expense for maintaining the line during the last three years. They are not operating any wires in the City of Boston and to the best of my knowledge have gone out of existence. If this can be arranged we want to cut off our poles between the Congress St. bridge and Edward Everett Sq., so they will be about forty feet in length, and to place thereon two aerial cables going away with all separate wires. This will very much improve the appearance of the street along the route. But we do not care to go to the expense

of putting up cables unless the poles can be cut down as stated above.

Along Dorchester Ave. from the Old Colony Railroad crossing to Swett St. there are two lines of poles along the same side of the street. The American Telephone & Telegraph Company own one line and this company the other. The telephone company want to cut down their poles and offer us permanent right of way on their line, for cables only, if we will remove our poles between the points named. I do not care to do this, however, excepting on an order from the Board of Aldermen. If such an order can be passed the poles will be removed at once. Will you take such steps as you may think proper?

Yours truly,

H. J. Pettingill, Supt.

Ordered, That the conditions embodied in the order of the Board of Aldermen, under date of October 12, 1891, giving to the New England Printing Telegraph Company of Massachusetts the right during the continuance of said grant, to use three cross arms upon all poles located and placed by the Postal Telegraph Cable Company, under this grant, be and is hereby revoked.

Ordered, That permission is hereby granted the Postal Telegraph Cable Company to remove all poles belonging to said company, located on Dorchester Ave., between Swett and B Sts.

Referred to the Committee on Public Improvements.

REMOVAL OF POLE—VETO.

The following was received:—

Mayor's Office, City Hall,
Boston, May 19, 1899.

To The Board of Aldermen:—

I return herewith without my signature an order directing the Boston Electric Light Company to remove a pole belonging to said Company, located at the corner of Dudley St. and Washington St., for the reason that it would be impossible for the Company to remove this pole without erecting another one in the immediate vicinity to take its place, which this order does not order the Company to do, and for the additional reason that the Commissioner of Wires reports that in his opinion the pole now occupies the best possible position, and that the public will be best served by allowing it to remain where it is.

Respectfully submitted,

Josiah Quincy, Mayor.

Referred to the Committee on Public Improvements, on motion of Ald. Berwin.

HEARINGS AT 3 O'CLOCK.

On petition for leave to project bay-windows, viz.:—

1. James H. Libby, one at 10 Tremont St., Wd. 3.

2. B. A. Dyer, one over Magnolia St. and one over the corner of Quincy and Magnolia Sts., from building on the corner of said streets, Wd. 20.

No objections. Severally referred to the Committee on Building Dept. (Ald.).

On petitions of the New England Telephone and Telegraph Company of Massachusetts, viz.:—

3. For leave to erect poles in Carruth St., Wd. 24, and Eaton Sq., Wd. 20.

4. For leave to erect poles in La Grange St., Wd. 23.

No objections. Severally recommended to the Committee on Electric Wires.

5. For leave to erect and to remove one pole on Oak St., Wd. 4.

Assigned to the next meeting, on motion of Ald. Presho.

On petition of the West End Street Railway Company, viz.:—

6. For location for double tracks in Beach St., Wd. 7.

7. For location for curves at the corner of Massachusetts Ave. and Boylston St.

No objections. Severally recommended to the Committee on Railroads.

8. On petition of the Waltham, Newton

& Forest Hills Street Railway Company for a location for tracks, with the right to use the overhead electric system thereon, in Baker, Weld, Maple, Centre, South, New South, Brandon and Washington Sts.

J. R. Bullard, for the West Roxbury and Roslindale Street Railway Company, objected, on the ground that the territory would naturally be supplied by the road he represented, which is now operating in the district and giving good service.

Lemuel W. Peters, representing the Citizens' Association of West Roxbury, protested against the granting of the location asked for. There is no desire on the part of people living along the streets where the location is desired to have such a road.

G. A. Walker, representing citizens on Maple St., objected to the tracks being laid on that street.

J. Henry Smith, President of the Roslindale Citizens' Association, appeared in behalf of the citizens of the locality and objected to this road going through the streets. He said the citizens of that district feel assured, from the manner in which they have been served by the West Roxbury and Roslindale Street Railroad, that that road can answer all the requirements of the district, keeping the fare at the present rate of five cents.

No further objections. Referred to the Committee on Railroads.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named, viz.:—

Building Dept. (Ald.)

Petitions for leave to project signs, etc., viz.:—

George M. Hatch, a cloth for stereopticon views, at 3 Berkeley St., Wd. 10.

Edmund J. Twomey, a transparency, at 11 City Sq., Wd. 5.

George M. Tufts, a V-shaped sign, at 29 Wareham St., Wd. 9.

Albert C. Haley, an illuminated sign, at 321 Tremont st., Wd. 10.

Park Way Cycle Co., to project a V-shaped sign at 268 Massachusetts Ave., Wd. 10.

Claims.

Clara Flad, for payment to William A. Plaistead of balance remaining from tax sale of estate on Cornell St.

Robert Hodson, Jr. (four petitions), for compensation for damage to estates 366 Princeton St., 363 Princeton St., corner of East Eagle and Princeton Sts., and 341 East Eagle St., caused by alleged defective construction of a sewer.

P. P. Currier, for compensation for damage to his wagon caused by a collision with one of the wagons owned by the city.

L. E. Fletcher Company, to be refunded the amount of a tax paid by it, alleged to have been illegally assessed by the city.

William H. Colley, for compensation for damage to estate 54 Revere St., caused by the bursting of a water main.

Frank O. Drayton, for compensation for injuries to his horse caused by an alleged defect in the highway at the corner of Charles and Pinckney Sts.

John Cassidy, for damage to estate 13 Gray St., caused by the bursting of a hydrant on April 17, 1898.

Margaret M. Green, for compensation for personal injuries caused by an alleged defect in New Heath St.

Electric Wires.

The N. E. Tel. & Tel. Co. of Mass., for extension of time to June 30, 1899, in which to locate poles on Lincoln, Franklin and No. Harvard Sts.

Charlestown Gas and Electric Co., for leave to erect poles in Water St., and for leave to lay a conduit across Warren Ave. and in Water St., Wd. 5.

Supt. of Public Grounds.

I. L. Wasserboehr, for the removal of a dead tree on Everett Ave., Dorchester.
Joseph Engel, for the removal of a tree at 131 Washington St., Wd. 20.

Licenses.

A. L. Griffin, for a permit for Gussie Hunt, under 15 years of age, to appear at the Grand Theatre, during the present week.

Bothnia Club, for a license for dancing, musical, literary and dramatic entertainments, at the hall of said club, 10 Polk St., for the season ending August 1, 1899.

A. McNealy, for leave to run two barges and a carriage between Reservoir station and the Brookline line, on May 27 and 30, 1899.

Shannon Bros., for leave to run two barges between Maverick Sq. and Chelsea, via Meridian St., during the present season.

Thomas A. Hennessy, for leave to run barges between Highland, W. Roxbury, and Spring St. stations and Mt. Benedict and St. Joseph Cemeteries and Caledonia Grove, during the present season.

Police (Ald.)

Edith F. Conness, to be paid for the loss of fowls killed by dogs.

Public Improvements.

J. Franklin Fuller, trustee, for leave to construct an area under sidewalk at 84 Kingston St., Wd. 7.

Frances A. Bundy, for leave to construct a coal hole opening in sidewalk at 144 West Canton St., Wd. 12.

Charles W. Alden, for leave to construct a bulkhead opening and a coal hole opening at 179 Bunker Hill St., Wd. 3.

M. J. Doran, for leave to lay an iron pipe under and across sidewalk at 25 Bunker Hill St., Wd. 3.

Norcross Brothers, for leave to erect a guy post in Dewey Sq.

Yarmouth Steamship Co., for leave to stretch a banner across Atlantic Ave., bet. Nos. 4 and 3.

T. J. Billings, for leave to move a wooden building from corner Walk Hill St. and Blue Hill Ave. to lot on opposite side of Walk Hill St.

C. D. Wainwright, for leave to construct an area at 277-279 Washington St., Wd. 6.

Petitions for sidewalks, viz:—

Wm. Murphy, Bremen St., cor. 199 Putnam St., Wd. 1.

Joseph Green, 78 Beverly St., Wd. 9.

Walter H. Pope, 64 Glendale St., Wd. 16.

John Mahan, 49 & 55 Dewey St., Wd. 16.

A. J. MacKinnon, 102-108 Norway St., Wd. 10.

Jacob G. Ely, 20 Wyman St., Wd. 22.

Anton Koerner, 78-80 Wyman St., Wd. 22.

John Sheehan, Washington St., cor. Keyes St., Wd. 23.

Ellen Spillane, 1522 Tremont St., Wd. 19.

PETITION GRANTED.

On the petition of A. B. Seele & Co., for leave to project a sign at 50 School St., Wd. 7, the Board voted, on motion of Ald. Berwin, to suspend all rules and grant leave on the usual conditions.

PAPERS FROM COMMON COUNCIL.

9. Notice of the rejection of the order passed by this Board May 15, relative to a holiday for employees of the Street Cleaning and Sanitary Divisions of the Street Department, on July 18.

Placed on file.

10. Message of the Mayor, transmitting the following order passed by the Board of Estimate and Apportionment:—

Ordered, That of the amount of three thousand (3,000) dollars, formerly appropriated for "Dam from Maverick St. to Prescott St., East Boston," and now lying unappropriated in the City Treasury, the sum of five hundred (500) dollars be appro-

riated for a clock on the South Ferry Head House, Boston side.

The measure was placed on file and the order was passed in concurrence.

The Board voted, on motion of Ald. Berwin, to consider Nos. 11 to 17., inclusive, together, viz:—

11. Ordered, That the Board of Street Commissioners be requested to order the laying out of Alexander St., Wd. 16, from its present terminus to Bird St., under chapter 323 of the Acts of 1891, and amendments thereto.

12. Ordered, That the Fire Commissioner, through His Honor the Mayor, be requested to make such an arrangement as to allow each member of the Fire Department twelve hours leave of absence between his regular days off.

13. Ordered, That a committee, to consist of seven members of the Common Council, with such as the Board of Aldermen may join, be appointed to prepare and report a programme for the celebration of June 28, Farragut Day; the expense of the same not to exceed one thousand (1000) dollars and to be charged to the appropriation for City Council, Incidental Expenses.

14. Ordered, That the Board of Estimate and Apportionment be requested to provide a sufficient sum of money so that the Fire Department may be organized in such a way that the members shall not be required to perform more than twelve hours duty in twenty-four.

15. The following order comes up for concurrence in its reference to the Board of Estimate and Apportionment.

Ordered, That the Board of Estimate and Apportionment be requested to provide in the next loan bill a sum sufficient for the widening of Ruggles St., Wd. 19, between Halleck and Parker Sts., to a uniform width of forty feet.

16. Report of the Committee on Printing, recommending the passage of the following:—

Ordered, That the Clerk of Committees be authorized to purchase five hundred copies of the new map of Boston, published by G. H. Walker & Co., each member of the City Council to be furnished with three copies of the same, and the remainder to be distributed under the direction of the Committee on Printing; the expense thus incurred to be charged to the appropriation for City Council, Incidental Expenses.

17. The following passed by the Board of Aldermen, May 15, viz:—

"Ordered, That the School Committee, through His Honor the Mayor, be requested to make the necessary improvements on the yard and walks of the Thetford Ave. School in Dorchester," comes up concurred in Common Council, May 18, with this amendment: Add the following words "Also improve sanitary condition."

Severally concurred.

18. The order passed by this Board, May 1, making appropriation for various veteran organizations for Memorial Day, which was amended in Common Council, May 11, and on which amendment this Board nonconcurred May 15, and adhered to its former action,—comes up endorsed "In Common Council, May 18, adhered to former action."

Referred to His Honor the Mayor, on motion of Ald. Dixon.

CLERK HIRE.

A communication was received from Thomas F. Temple, Register of Deeds, in accordance with the provisions of Sec. 2, Chap. 493 of the Acts of 1895, certifying that certain persons had been employed in his office and that work had been done to the amount of \$1,703.08.

Approved by the Board.

ACCEPTANCE OF LOCATION.

Notice was received from the West Roxbury & Roslindale Street Railway Co. accepting its 10th location and agreeing to comply with the conditions contained therein.

Placed on file.

CONSTABLES' BONDS.

The City Treasurer, after duly approving of the same, submitted the following constables' bonds:

Richard F. Andrews; Clarence H. Benedict; Solomon Brids; William W. Campbell; Daniel B. Carmody; Thomas J. Donnellon; Thomas Fee; John J. Franey; James F. McCarthy; John B. McDonough; James A. O'Donnell; James H. Waugh.

Approved by the Board.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:

Reports on petitions (severally referred last year),—that the petitioners be given leave to withdraw, viz.:

Walter S. Sampson, compensation for damage to estate No. 101 Prince St. caused by alleged negligence of Water Department.

Referred in 1896:

Michael Hannon, compensation for personal injuries received caused by alleged defect in Massachusetts Ave.

Annie E. Guild, compensation for damage to estate 101 Prince St. caused by alleged negligence of Water Department.

Rachel Meshulam, for compensation for damage to her wagon by a city team.

Accepted. Sent down.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Reports recommending that minors' licenses be granted to 58 newsboys, 13 bootblacks and 1 pedler.

Reports severally accepted; licenses granted on the usual conditions.

(2) Reports on petitions (severally referred today), for leave to run barges between different points—that leave be granted, viz.:

Thomas A. Hennessey, between Highland, W. Roxbury and Spring Street stations and Mt. Benedict and St. Joseph Cemeterics and Caledonia Grove, during the present season.

Shannon Bros., two barges between Maverick Sq. and Chelsea via Meridian St. during the present season.

A. McNealy, two barges and a carriage between Reservoir station and the Brookline line on May 27th and 30th, 1899.

Reports severally accepted; leave granted on the usual conditions.

(3) Report on the petition of Bothnia Club (referred today), for a license for dancing, musical, literary and dramatic entertainments at the hall of said club 10 Polk St., for the season ending Aug. 1, 1899.—That a license be granted.

Report accepted; license granted on the usual conditions.

(4) Report on the petition of A. L. Griffin (referred today), for a permit for Gussie Hunt, under 15 years of age, to appear at the Grand Theatre during the week commencing May 22, 1899—that a permit be granted.

Report accepted; permit granted on the usual conditions.

DORCHESTER LAND FOR BURIAL.

Ald. McDONALD, for the Committee on Cemetery Department. (Ald.) submitted a report on the order (referred April 24), granting permission to the Boston Catholic Cemetery Association to use certain lands on Harvard and Walk Hill Sts., Dorches-

ter, for burial purposes,—that the order ought not to pass.

Ald. CODMAN—Mr. Chairman, after that report is accepted—or if it is in order now—I will move that the matter be assigned to the next meeting of the Board. It seems to me very proper that members of the Board not on the committee should have a chance to look into the subject. The Committee has given it a good deal of time and has had difficulty in coming to the conclusion before you; and I believe the other members of the Board should have an opportunity to look into the matter if they see fit to do so. I would like to have this assigned to the next meeting.

Ald. McDONALD—Mr. Chairman, I will certainly agree to the proposition offered by the gentleman from Dorchester, that this lie over for one week.

The matter was assigned to the next meeting.

CLOSING SUTHERLAND ROAD.

Chairman BARRY offered an order—That the Superintendent of Streets be authorized to close the roadway on Sutherland Road, between Commonwealth Ave. and Seikirk Road, to public travel, during necessary sewer construction on said street.

Passed.

VACATION FOR REGISTRY CLERKS.

Ald. COLBY offered an order—That the Register of Deeds be authorized to allow the clerks in his office two weeks vacation during the current year, without loss of pay, in part compensation for their services.

Passed.

REMOVAL OF TREE, ADAMS STREET.

Ald. McDONALD offered an order—That the Superintendent of Public Grounds be requested to remove a tree standing in front of estate 191 Adams St., Wd. 20, the expense of the same to be charged to the appropriation for Public Grounds Department.

Passed.

SWEEPING OF DUDLEY STREET.

Ald. McDONALD offered an order—That the Superintendent of Streets be requested to instruct the Superintendent of the Street Cleaning Division to continue the sweeping of Dudley St. to Upham's Corner; also that part of Dorchester Ave., comprising Wds. 16, 20 and 24.

Passed.

REPAYMENT OF SEWER TAX.

Ald. McDONALD offered an order—That the Committee on Legislative matters, on the part of this Board, be requested to petition the Legislature at its present session for the repayment of the sewer rental tax, levied under the unconstitutional act of 1897, so that full provision shall be made for the repayment of the entire assessment.

Ald. McDONALD—Mr. Chairman, as the Act in regard to sewer rentals has been declared unconstitutional, and as there are a great many people who do not understand the question fully, some of them not having protested against the tax, and as many property owners in Dorchester have waited on me to ascertain if the sewer rentals will be returned to them, they having failed to protest at the time, I trust that the Committee on Legislative matters will go to the Legislature and see if the bill cannot be amended in some way so that all will be treated alike. I do not believe myself that the city desires to take advantage of people who failed to protest in season.

The order was passed.

REMOVAL OF TREE, ELM ST.

Ald. PRESHO offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree at No. 95 Elm St., Wd. 3, the expense of the same to be charged to the Public Grounds Department.

Passed.

TREES ON COLUMBIA ROAD.

Chairman BARRY offered an order—That the Superintendent of Public Grounds be requested to remove a tree in front of house 61 Columbia Road, and also to trim a tree standing at the corner of Columbia Road and Seaver Sts.; expense attending the same to be charged to appropriation for Public Grounds Department.

Passed.

TRIMMING TREES, CEDAR ST.

Ald. DOYLE offered an order—That the Superintendent of Public Grounds be requested to trim the trees in front of estate 102 Cedar St., and on Highland St., at the corner of Cedar St.; the expense of same to be charged to the appropriation for Public Grounds Department.

Passed.

RECESS.

The Board voted, at 3:31 P.M., on motion of Ald. Day, to take a recess subject to the call of the Chair.

The Board reassembled in the Aldermanic Chamber at 4:03 P.M.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Reports recommending the passage of orders that the Superintendent of Streets be authorized to issue permits for work, to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto, on the following petitions:—

Norcross Brothers (referred today) to erect, maintain and use one guy post, with the necessary ropes attached thereto, in and over Dewey Sq., at or near the entrance to the Terminal Station, for use during the erection of an electric light column.

M. J. Doran (referred today), for leave to lay, maintain and use a 1½ inch iron pipe, with a screw cover attached thereto, under and across the sidewalk in front of estate 25 Bunker Hill St., Wd. 3.

James H. Beal (referred May 15), to construct, maintain and use areas with granite and sidewalk light covers under and in the sidewalk in front of estate on the westerly side of Charlestown St., near Causeway St., Wd. 6, as shown on a plan on file in the permit office of the street department.

S. Breth (referred May 8), to construct, maintain and use a bulkhead opening two feet six square, with a wooden cover, under and in the sidewalk in front of estate 17 Norman St., Wd. 8.

Bridget Foster (referred May 15), to construct, maintain and use three openings, with covers of iron grating, under and in the sidewalk in front of estate 213 Endicott St., Wd. 6, as shown on a plan on file in the permit office of the street department.

E. E. Richards, Trustee (referred May 15), to lay, maintain and use a 1½ inch iron pipe under and across the sidewalk in front of estate 56 Dorchester St., Wd. 14.

C. D. Wainwright (referred today), to construct, maintain and use an area with one coal hole opening, with sidewalk lights and iron cover of rough upper surface,

under and in the sidewalk in front of estate 277-279 Washington St., Wd. 6.

Reports accepted, orders severally passed.

(2) Reports (on petitions referred May 15), recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, with granite edgestone, owner to furnish material, in front of the following estates:—

Louis A. Ginsburg, 310-312 Bremen St., Wd. 1, brick.

J. Homer Pierce, trustee, Glendale St., at both corners of Columbia Road, Wd. 20, gravel.

C. H. Wolf, 49 Round Hill St., Wd. 22, brick.

William T. Eaton, southerly side of First St., from O St. to the playground, Wd. 14, brick.

Ann Trainor, 75 Mercer St., Wd. 15, brick.

R. O. Dunn, 10 and 12 Newport St., Wd. 20, brick.

William Dromey, 132-148 Quincy St., Wd. 16, gravel.

Elizabeth J. Daly, 81-83 Mercer St., Wd. 15, gravel.

Jacob Pfeiffer, 54 Round Hill St., Wd. 22, brick.

Mrs. Josephine Janse, 56 Round Hill St., Wd. 22, brick.

John Moran, 82 Hamilton St., Wd. 20, gravel.

Aloysius Jaeger, 726 E. Second St., Wd. 14, brick (without edgestone).

Stephen Jaeger, 722 E. Second St., Wd. 14, brick (without edgestone).

Reports accepted, orders severally passed.

(3) Reports recommending the passage of orders (on petitions referred May 15) that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 ft. in width and to be built of artificial stone, owner to furnish material, in front of the following estates:—

James Calder, 60 McLellan St., Wd. 20, granite edgestone.

John J. Cashen, 58 McLellan St., Wd. 20, granite edgestone.

David McIntosh, 44, 46, 47, 48, 49 and 51 Cranston St., Wd. 22.

David McIntosh, 53, 56, 60, 68, 69, 76 Sheridan St., Wd. 22.

David McIntosh, 43-61 Forbes St., Wd. 22.

George O. Wood, 104, 106, 108 Centre St., Wd. 20, granite edgestone.

Bigelow, Kennard & Co., 8, 10, 12 West St., Wd. 7.

D. Bernhard, 10 Spring Park Ave., Wd. 22, granite edgestone.

Julie A. Belyea, 26 Nightingale St., Wd. 10, granite edgestone.

Martin D. Kneeland, 29 Wyoming St., Wd. 21, granite edgestone.

Levi Herman, Wabeno St., at the corner of Wyoming St., Wd. 21, granite edgestone.

Francis C. Creber, 28 Abbot St., Wd. 20, granite edgestone.

Reports accepted, orders severally passed.

(4) Report on the order (referred May 15), transferring Rogers Park, Wd. 25, to the custody of the Park Commissioners,—that the same ought to pass.

The report was accepted, the order was read a second time and the question came on its passage.

Ald. ADAMS—Mr. Chairman, I am opposed to the passage of this order at this time. I desire to say that I know of no good and sufficient reason why this order should pass. I have heard no request or petition from the people of Brighton asking that any such action should be taken, and I believe that the Superintendent of Public Grounds, Mr. Chairman, is perfectly competent to care for this park. If there are to be improvements made of this piece of ground I think that the Superintendent of Public

Grounds is the right party to make them. It seems to me that this matter is being railroaded through here without any reason being given on the part of the members of this Board for its transfer to the Park Department. I have heard of only one party advocating the matter outside of the Board, and I do not think that the reasons which he gave were sufficient for the transfer. I want to say that I took the pains last week to go out and see Mr. Doogue at his headquarters and talked this matter over with him. While he did not care to make any open opposition against the transfer of this land, yet he felt that it was a great injustice to take away any part of his land without giving some reason for it; and if this land needs to be improved the money should be asked for and put through here. It seems to me, Mr. Chairman, that the Park Commissioners, at the present time, have about all the property that they can intelligently take care of under their control; and I hope that when the vote is taken that it will be taken by yeas and nays.

The order was passed in concurrence, yeas 9, nays 3, the vote standing as follows:—

Yeas—Ald. Barry, Berwin, Brick, Colby, Day, Dixon, Doyle, McDonald, O'Toole—9.
Nays—Ald. Adams, Codman, Presho—3.

(5) Report on the Executive appointment of James M. Prendergast to be Park Commissioner, (referred May 15),—that the same be returned to the Board of Aldermen for its action.

The report was accepted, and the question came on confirmation.

Ald. BRICK—Mr. Chairman, I asked last Monday to have that matter laid over for the purpose of looking into the question of the rights of the Park Commissioners to grant locations in the parks. What I had in mind was the statute creating the Park Commission—Chapter 185, section 13 of the Acts and Resolves of 1895—which section says, speaking of the powers and duties of the Park Commissioners: "No street or way, and no steam or horse railroad shall be laid out over any portion of any park located under this act, except at such places and in such manner as said Board shall approve."

My reasons for asking to have the matter assigned were entirely on account of the nature of the appointment. I have been informed, and know from what acquaintance. I have had with Mr. Prendergast, that he is a man who is personally entirely qualified to fill the position, and all my inclinations are to vote for him. I do think, however, that if he is so entirely broad that he would not be biased by any considerations that might arise concerning interests adverse to the interests of the Elevated Railroad, of which he is a director—that if those things were not to be taken into consideration—he would be an ideal man. But it did seem to me, and it still strikes me, that a man who is so intimately interested in the Elevated Road, and so liable to come into contact with interests that might be adverse to the interests he represents, is not quite the man that should be appointed. However, that is the entire ground of my opposition, and I think it is one that the Mayor should have considered when he appointed this man.

I want to call the attention of the Board to that section, because at some future time it may be that we might want a road put across a park. The interests of the community might demand it—and yet it would be within the scope of that Board. If they had a majority of two, to prevent the public from getting what it desired. For instance, I understand there is a railroad that desires to come over the new bridge at Longwood Ave. Now, Mr. Prendergast may be a man—and it is reported to me that he is a man—of such strong character that he should set aside

his private views and private interests and act only as a public official. I still want to point out, however, the dangers that might arise from giving to the Board of Park Commissioners control of interests that might be used for their own special advantage. However, the Committee on Public Improvements has decided by almost unanimous vote in favor of Mr. Prendergast's confirmation, and from the representations I have had of Mr. Prendergast's personal character I feel as though I myself should vote for confirmation. But I desire to place myself right on the matter.

Ald. McDONALD—Mr. Chairman, I wish to say, in regard to the confirmation of Mr. Prendergast's appointment, that in a conversation with me last week he stated to me that he was opposed to the placing of tracks upon the parks. I shall vote for Mr. Prendergast's confirmation, having known him for almost thirty years, knowing him to be a capable man in every way, a man entirely fitted for the position. It is about time that some man was placed on the Park Commission to put some life into them. For myself, I wish to say that I am opposed to unpaid commissions. But, realizing that we have unpaid commissions on our hands, I believe His Honor the Mayor has made a good selection for this place. The labor people, who have sent communications no doubt to all the members of the Board in relation to this matter, need have no fear but that they will receive better treatment at the hands of Mr. Prendergast than they have ever received from the Park Commissioners before. I certainly hope the appointment will be confirmed.

Ald. DOYLE—Mr. Chairman, I have received a communication from the bricklayers and masons in the National Union, of America, in relation to this matter, with instructions to present it to this Board. It contains some matters of very vital importance to that union, and I believe they are in a line that will be followed out exactly by Mr. Prendergast, if he is confirmed here this afternoon. While this petition will have no effect upon my vote here this afternoon, I nevertheless desire to present it.

Ald. DOYLE presented the following:
To the Board of Aldermen of the City of Boston:

We, the undersigned, represent to your honorable body that on the 19th day of May, 1899, at a meeting of the Bricklayers and Masons International Union, No. 9, we were appointed a committee by said union to represent to you certain facts and suggestions in behalf of it.

First, that the mason work done in the Park Department of the city of Boston during the past two years has been performed by contract labor under contractors who employed men without any regard to whether the employees were citizens or union men or not.

Second, that those contractors do not pay the same rate of wages or constitute the same number of hours a day's work as the master builders of Boston do.

Third, that those contractors figure in a way that the master builders of Boston cannot compete with them.

Fourth, that those contractors hire inferior labor and give inferior work.

Fifth, that those contractors are without experience in the line of masonry work, but are experienced only in sewer and excavating work.

Sixth, that there are fifty men working in the Park Department at masonry, and not three of them are citizens.

Whereas, a new park commissioner is to be appointed, the Union respectfully suggest to your honorable body that no candidate should be confirmed unless he is in favor of the hours and wages paid by the master builders of Boston, and the em-

ployment in said department of union men and citizens of Boston.

John Burke,
John Boland,
Roger Hester,
John Goodwin,

John Scully, president of committee, 1125 Harrison Ave., committee.

Placed on file.

Committee, Ald. McDonald and Colby. Whole number of ballots, 12; yes 12, and the appointment was confirmed.

PROJECTION OF SIGNS, ETC.

Ald. DAY, for the Committee on Building Department (Aid.), submitted reports on the following petitions, recommending that leave be granted to project signs, etc., as follows:—

John E. Jacobson (referred May 15), metal sign, at 257 Tremont St., Wd. 7.

Michael Shinnors (referred May 15), 2 signs, 157 Emerson St., Wd. 14.

M. L. James (referred May 15), a sign, at 61 Harvard St., Wd. 7.

M. Burke (referred May 15) an illuminated sign, at 49 Causeway St., Wd. 8.

Pasquale Pollie (referred May 15), 2 barber poles, 1 Dover St., Wd. 9.

John J. Dailey (referred May 15), 3 barber poles, at 1423 Dorchester Ave., Wd. 20.

Kiltson Hydro-Carbon Heating & Incandescent Lighting Co. (referred May 8), an incandescent light, at 1603 Washington St.

George M. Tufts (referred today), V-shaped sign, at 29 Wareham St., Wd. 9.

Parkway Cycle Co. (referred today), a V-shaped sign, at 268 Massachusetts Ave., Wd. 10.

Reports severally accepted; leave granted on the usual conditions.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted the following:—

(1) Report on the petition of the West End Street Railway Company (recommitted today), for leave to lay double tracks on Beach St., Wd. 7,—recommending the passage of accompanying orders:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use double curves at the corner of Massachusetts Ave. and Boylston St., said tracks being shown by red lines on a plan made by A. L. Plimpton, dated April 28, 1899, and deposited in the office of the Superintendent of Streets. The right to lay down the tracks by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the pass-

age of this order; otherwise it shall be null and void. The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

(2) Report on the petition of the West End Street Railway Company, (recommitted today), for leave to lay curves at the corner of Massachusetts Ave. and Boylston St.—recommending the passage of the accompanying order:—

Ordered, That in addition to the rights heretofore granted the West End Street Railway Company, to lay down tracks in the streets of the City of Boston, said company shall have the right to lay down, maintain and use double tracks on Beach St., from a point on said street, near South St., to and connecting with the company's existing locations for double tracks on Atlantic Ave., with necessary curves, cross overs, switches and connections, connecting with existing tracks on South St., said tracks being shown by red lines on a plan made by A. L. Plimpton, dated April 28, 1899, and deposited in the office of the Superintendent of Streets.

The right to lay down the tracks located by this order is upon condition that the whole work of laying the same, the form of rail to be used, and the kind and quality of material used in paving said tracks, shall be under the direction and to the satisfaction of the Superintendent of Streets, and shall be approved by him. Also, upon condition that said West End Street Railway Company shall accept this order of location, and shall agree, in writing, to comply with the conditions herein contained, and shall file said acceptance and agreement with the City Clerk within thirty days from the passage of this order; otherwise it shall be null and void.

The whole work of laying the said tracks to be completed within six months from the date of the passage of this order.

Report accepted, order passed under suspension of the rule.

NEXT MEETING.

On motion of Ald. BERWIN, it was voted that when the Board adjourn it be to meet on Thursday, May 25, at 3 P.M.

GENERAL RECONSIDERATION.

Ald. CODMAN moved a general reconsideration of all votes taken today, trusting that it would not prevail; lost.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted a report on the petition of the Charlestown Gas and Electric Company (referred today), for leave to erect poles in Water St. and for leave to lay a conduit across Warren Ave. and in Water St., Wd. 5,—recommending the passage of the order of notice for a hearing thereon Monday, May 23, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted; order of notice passed. Adjourned, on motion of Ald. Berwin, at 4:20 P.M., to meet on Thursday, May 25, 1899, at 3 P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen
and Common Council.

Thursday, May 25, 1899.

Adjourned meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding. Absent—Ald. Brick.

The Board voted, on motion of Ald. Colby, to dispense with the reading of the records of the last meeting.

WOODEN BUILDING—VETO.

The following was received:—

Mayor's Office, City Hall,

Boston, May 23, 1899.

To the City Council:—

Upon the recommendation of the Building Commissioner, and for the reasons set forth in his communication transmitted herewith, I return without my approval the order granting authority to the Building Commissioner to issue a permit to Henrietta Goldsmith to erect a wooden building at 1281-3 Tremont St., in excess of range allowed, and without the intervention or construction of a brick wall, as required by the ordinances.

Respectfully submitted,

Josiah Quincy, Mayor.

The vote whereby the permit was granted was reconsidered.

Ald. BERWIN—Mr. Chairman, perhaps some member of the Board may be interested in this matter and I move its reference to the Committee on Public Improvements.

Referred to the Committee on Public Improvements.

SCHOOLHOUSE SITE, DORCHESTER.

The following was received:—

Mayor's Office, City Hall,

Boston, May 25, 1899.

To the Board of Aldermen:—

I transmit herewith an order passed today by the Board of Estimate and Apportionment appropriating twenty-five thousand dollars (\$25,000) for the purchase of a site for a grammar schoolhouse in the Tileston District, Dorchester, and for a site for a primary schoolhouse in the Sherwin District, Roxbury. Appropriations for the erection of the said schoolhouses have already been made.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston,

In Board of Estimate and Apportionment,
May 25, 1899.

Ordered: That the School Committee be authorized to expend, in providing school house sites, the following amounts, and the said amounts are hereby appropriated for the following purposes:—

| | |
|--|----------|
| New grammar school house, Tileston District, Dorchester, site for..... | \$10,000 |
| New primary school house, Sherwin District, Roxbury, site for..... | 15,000 |

and that to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to the amount of twenty-five thousand dollars (\$25,000).

Passed, and we certify that neither of the said appropriations are to meet a current expense.

Josiah Quincy.

John P. Dore.

Laurence Minot.

Daniel J. Kiley.

David F. Barry.

Members of the Board of Estimate and Apportionment.

Approved and sent down.

PETITIONS REFERRED.

The following petitions were received, and were referred to the committees named, viz:—

Building Dept. Ald.,

Pain Fireworks Co. for leave to project a sign at 110 State St., Wd. 6.

Harry Crocker for leave to project a sign at 4 Dwight St., Wd. 9.

Claims.

Harris M. Stephenson for payment of balance remaining from tax sale of estate on Centre St.

Brookline Gas Light Co. for leave to erect a pole at southwest corner Brookline Ave., Beacon St. and Commonwealth Ave.

Electric Wires.

James Ottery for compensation for amount paid for license of Tri-Mountain Club, 75 Harrison Ave.

Lamps.

Clemens F. Fein for a public light at corner Henserson Ave. and Sixth St.

J. M. Laubenstein for gas lamps on Adams Pl., South Boston.

Licenses.

John J. Martin for leave to run barges between Highland Station and Mt. Benedict Cemetery for the season beginning May 23, 1899.

James J. Denehy for a license to run two barges between Chestnut Hill Reservoir and the Country Club.

A. L. Griffin for a permit for Gussie Hunt, a child under 15 years to appear at the Bowdoin Sq. Theatre for the week beginning May 29.

Public Grounds Department.

John Chambers, to be given permanent employment as compensation for injuries received while in the employ of the Public Grounds Department.

Public Improvements.

Nathaniel P. Hamlen, Trustee, for leave to erect a post clock in the sidewalk at 169 Tremont St., Wd. 7.

William Minot and others, trustees, for leave to build a door on building 7 Water St.

Nathaniel B. Doggett, for leave to construct an ash lift in area at 34 Hoilis St., Wd. 7.

John B. L. Bartlett, for a sidewalk in front of estate from River St. to Bartlett Ct., on Oakland St., Wd. 24.

John E. Cullivan, for leave to construct a bulkhead in sidewalk at 33 Zeigler St., Wd. 13.

Trustees Municipal Real Estate Trust, for leave to lay an iron pipe from 73 to 34 Portland St., Wd. 6.

Buffalo Bill's Wild West Show, to parade on certain streets on June 12.

ROOMS IN CHAPMAN SCHOOL.

The following was received:—

City of Boston, In School Committee.

May 23, 1899.

The Committee on New Buildings, to whom was referred, May 15, a communication from the Board of Aldermen, requesting information with regard to the number of schoolrooms used at present in the Chapman District, and also how many rooms will be available in the school buildings in the district after the completion of the proposed Chapman Schoolhouse, report that at the present time twenty-five rooms are occupied for school purposes, of which twenty-three are in buildings owned by the city. On the completion of the new grammar building, there will be twenty-two regular school rooms, not taking into account any disposition that may be made of the two-room wooden building now situated on the Chapman lot. The new building is to contain fourteen rooms, or one more room than the present structure, but the plans are being drawn with a view to a future

addition of two rooms should the necessary funds for the purpose be provided at a later date. For the Committee,
S. E. Courtney, for Chairman.

Accepted, and ordered sent to the Board of Aldermen.

A true copy. Attest:

Thornton D. Apollonio, Secretary.

Ald. DAY—Mr. Chairman, it doesn't seem to me that the School Committee are the proper people to have charge of the construction of the schools here in the City of Boston. In the Chapman School District there are two rooms in the yard and thirteen rooms in the whole building, making fifteen rooms in all. Five years ago the Committee said that the Chapman School was not in fit condition, that it was unsafe, and after five years they have gone to work and contracted to build a new building. They asked the Board of Estimate and Apportionment for money to build a fourteen room building. The Board of Estimate and Apportionment gave them all the money they asked for. Now, that fourteen-room building takes the place of the thirteen-room building there and the two rooms in the yard. That is to say, they propose to replace fifteen rooms with fourteen rooms. They make no allowance for the growth of the district, make no allowance for the fact that today the School Committee hires two stores without any ventilation, in which they put the children of that district. One of those stores is so dark that on the brightest day in June they are obliged to keep twenty-four electric lights burning all day long, and it is not much wonder that the children go out of there with aching eyes and heads. The ventilation is something abominable, and yet the School Committee have made no provision to do away with the present condition of affairs. They pay \$600 for the rent of those two stores and \$200 a year for lighting, and they propose to give us one room less in the Chapman School than we now have. I don't know that this Board can do anything about it or take any action, but I simply wanted to call attention today to what the School Committee is doing in regard to the Chapman School in our district.

The communication was placed on file.

ACCEPTANCE OF LOCATIONS.

Notices were received from the West End Street Railway accepting its 167th, 168th and 169th locations and agreeing to comply with the conditions contained therein.

Severally placed on file.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted reports recommending that minor licenses be granted to 15 newsboys, 7 bootblacks and 1 flower vender.

Approved by the Board.

ELECTRIC WIRE REPORT.

Ald. DOYLE, for the Committee on Electric Wires, submitted a report on the petition of Thomas M. Roddy (referred March 27) for the relocation of a pole now standing in front of 58 Market St., Brighton. No action necessary.

Accepted.

REMOVAL OF TREE.

Ald. DAY offered an order—That permission be granted to N. F. McCarthy to remove at his own expense, and under the direction of the Superintendent of Public Grounds, a dead tree standing in front of premises 777 Broadway, South Boston.

Passed.

SALE OF CHRISTOPHER GIBSON LAND.

Ald. ADAMS, for the Committee on Public Lands (Ald.), having inspected the Christopher Gibson School Fund land in Dorchester—submit the following:

Ordered, That the Committee on Public Lands (Ald.) be authorized to employ such assistance as they, in their judgment, deem necessary to sub-divide into suitable building lots all unoccupied lands belonging to the Christopher Gibson School Fund, held in trust by this Board, and that said lands shall be advertised for sale in the Boston Herald, Globe, Journal, Advertiser and the Dorchester Beacon twice each week for thirty days prior to sale.

That 42,000 sq. ft. now occupied by the Sewer Department shall be leased to said Department at an annual rental of \$400.

That 32,000 sq. ft. now occupied by the Water Department shall be leased to said Department at an annual rental of \$300.

That all moneys received in consideration of sales and rentals shall be paid to the City Treasurer to be turned over to the Christopher Gibson School Fund in accordance with the will of Christopher Gibson, who bequeathed this land to the good of the schools of Dorchester.

That all expense attending said sale shall be paid from the aforesaid fund.

The report was accepted and the question came on giving the order a second reading.

Ald. ADAMS—Mr. Chairman, this matter is of considerable importance to Dorchester in particular, an order which the three Dorchester aldermen desire to have passed, and as there are several members of the Board here who are perhaps not familiar with it I would like to say a few words in explanation of the matter. This land, known as the Christopher Gibson School Fund land, has been held in trust for over two hundred years. The old selectmen of the town of Dorchester held this land in trust since 1870, and it was left by will for the good of the schools of the town of Dorchester by Christopher Gibson. There were originally in this patch some 27 acres of land. From time to time the Selectmen and the city of Boston have sold parcels of this land, until at present there remain only about five acres. Two years ago the city took about five acres for the Christopher Gibson Playground, paying for the same the amount of \$37,500. The Mayor advocated the matter at the time, and in his message upon it said that the taking of this playground would enhance the value of the remainder of this land, which is on the opposite side of Dorchester Ave. I live in the close vicinity of this property, and am perfectly familiar with the land, and all the circumstances connected with it can be looked up as a matter of record.

I believe now is an opportune time to dispose of the greater part of this property, as the real estate boom is at its height in Dorchester; and, under the authority which I understand this Board has, according to the ruling of the Corporation Counsel to the effect that the Board of Aldermen are the trustees at the present time of the remainder of this property, I believe we have the authority to go ahead and sell this land, lease it, let it or do anything with it that we in our judgment see fit to do, providing we live up to the will of the man who left it and that all revenue derived from it is turned into the Christopher Gibson School fund. I certainly hope this order may be passed here today. I have no objection to referring it to the Committee on Public Improvements, if there are any members here who would like to look into it a little further, but if that is done I shall insist that it be reported back here today, in order that this may not be held up for two or three weeks longer.

The order was read by the Clerk, at request of Ald. Berwin.

Ald. BERWIN—Mr. Chairman, I am hardly prepared, upon the offhand statement of the Alderman from Dorchester, to vote this afternoon for the sale of that property. It may, perhaps, be a good thing; but I am not at this time ready to vote for it, and I would recommend that the matter be assigned to the next meeting of the Board. In the meantime I have no doubt other members of the Board, if they so desire, will have an opportunity to look into the matter more carefully.

The order was ordered printed and assigned to the next meeting.

Later in the session, Ald. Adams said:—

Mr. Chairman, I move a reconsideration of the vote whereby the order reported by the Committee on Public Grounds was assigned to the next meeting, and I will ask that it be sent into the Committee on Public Improvements this afternoon. Upon that I wish to say, for the benefit of Ald. Berwin, that I think any information he may desire in regard to the matter can be easily obtained by him at this time, and I am opposed to having the matter held up for two or three weeks longer, as it takes some time to have the necessary plans of this land made. It we are going to sell it this year, we should sell it while land is in demand.

Ald. McDONALD—Mr. Chairman, I certainly hope the motion to reconsider will prevail, as the alderman from Dorchester who has had the matter in charge understands it fully. When the matter comes before the Committee on Public Improvements, I am sure it will be thoroughly explained to the members of the Board, so that it can be acted upon this afternoon.

Ald. BERWIN—Mr. Chairman, I dislike to appear discourteous to both the aldermen from Dorchester—let me qualify that statement by saying that I dislike to be discourteous to the three aldermen from Dorchester. At the same time, this is a most important matter; at least, it strikes me as being so. The Committee on Public Lands no doubt have had it under consideration for some time, and it has taken them some time to report it to the Board, and I cannot see any great harm that is going to result from its going over to the next meeting. I am engaged in the real estate business myself, and I know at the present time of no very great demand for land. I think nobody will suffer if this matter is allowed to wait a little longer, giving me an opportunity to look at it in my own practical way. I am sure I can convince myself better by personal investigation than from any information given to me by any other member of the Board—and I do not say that discourteously, either, Mr. Chairman. I hope the motion of the alderman will not prevail.

The motion to reconsider the assignment was carried, and the order was referred to the Committee on Public Improvements.

PROJECTIONS, ETC.

Ald. DAY, for the Committee on Building Department, Ald., submitted the following:—

(1) Reports recommending that leave be granted to project bay windows on the following petitions:—

G. J. White, (referred May 1), two, 11 Norway St., Wd. 10.

John C. Haynes, (referred May 3), three, Columbus Ave., near Terry St., Wd. 18.

John Lepore, (referred May 3), two, 31-33 Thacher St., Wd. 6.

Francis Raynes, (referred May 15), two bay windows and a cornice, 30-32 Washington St., Wd. 5.

Henry H. Green, (referred May 3), one, 944 Washington st., Wd. 7.

Reports severally accepted, leave granted on the usual conditions.

(2) Report on the petition of Jordan, Marsh & Co., (referred May 3), for leave to project a permanent awning over the sidewalk at entrance to store on Avon St., Wd. 7—Recommending that leave be granted.

Report accepted, leave granted on the usual conditions.

(3) Reports recommending that leave be granted on the following petitions (severally referred May 22), viz:—

Edmund J. Twomey, for leave to project a transparency at 11 City Sq., Wd. 5.

Albert C. Haley, for leave to project an illuminated sign at 321 Tremont St., Wd. 10.

George M. Hatch, for leave to place a cloth for stereopticon views on building 3 Berkeley St., Wd. 10.

Reports severally accepted, leave granted on the usual conditions.

WOODEN BUILDINGS.

Ald. DAY, for the Committee on Building Dept., submitting the following:—

(1) Report on the petition of the Boston Elevated Railway Company (referred May 1), for leave to build a wooden addition at Oak Sq., near Washington St., Wd. 25—No action necessary.

Accepted. Sent down.

(2) Report on the petition of John McDonald (referred May 15)—Recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to John McDonald to build, outside the building limits, a wooden addition to building on Western Ave., near Market St., Wd. 25, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for store and office purposes; main building occupied for store and dwelling purposes.

Report accepted; order passed. Sent down.

(3) Report on the petition of The J. O. Whitten Co. (referred May 3)—Recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to The J. O. Whitten Co. to build, outside the building limits, a wooden addition to building rear 63 Western Ave., Wd. 25, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for manufacturing purposes; main building occupied for same purpose.

Report accepted; order passed. Sent down.

GRADE CROSSINGS, EAST BOSTON.

Ald. DAY offered the following:—

To the Honorable, the Justices of the Superior Court, sitting in Equity for the County of Suffolk:—

The Mayor and Aldermen of the City of Boston respectfully petition for such alterations of the crossings of public ways and the railroads of the Boston and Maine Railroad Company and the Boston and Albany Railroad Company in that part of Boston called East Boston, as will avoid crossings at grade.

We pray further that said Court, or any Justice thereof, shall appoint a commission of three disinterested persons to determine whether said grade crossings, or any of them, should be abolished, or the use thereof changed or regulated as provided in "An Act Relative to the Crossings of Railroads and Public Ways in East Boston," enacted by the Senate and House of Representatives the present year and known as House Bill No. 1037.

Passed.

REVOCATION OF PERMIT.

Ald. DOYLE offered an order—That so

much of the order of the Board of Aldermen, passed December 5, 1898, as authorized the Superintendent of Streets to issue a permit to the Boston Electric Light Company to erect poles on K St., Wds. 14-15, be and the same is hereby rescinded; and the Superintendent of Streets is hereby requested to revoke any permit for placing poles on K St., until further authorized by the Board of Aldermen.

Passed, under a suspension of the rule.

ADMINISTRATION OF POLICE DEPT.

Ald. BERWIN offered an order—That the Aldermanic Committee on Police be instructed to investigate and report what changes are necessary, in its opinion, to improve the administration of the Police Department of the city, and what amendments, if any, should be made to such laws as come within the special cognizance of the Board of Police; and that said committee be authorized to give public hearings, if necessary, the expense of the same to be charged to the Contingent Fund, Board of Aldermen.

Assigned to the next meeting, on motion of Ald. Berwin.

JUNE 17TH CELEBRATION.

Ald. PRESHO submitted the following:—The joint special committee appointed to prepare and report a programme for the celebration of the coming Seventeenth of June, having considered the subject, respectfully submit, as a partial report, the following programme, based upon the appropriation of \$4500 and the income of the Foss and Babcock funds.

Programme.

| | |
|--|---------|
| Seventeenth of June Carnival Association.. | \$1,700 |
| Branch 34, National Letter-Carriers' Association | 300 |
| Charlestown Veteran Firemen..... | 250 |
| Division 5, A. O. H..... | 175 |
| Division 37, A. O. H..... | 175 |
| St. Francis De Sales Cadets..... | 125 |
| Conclave 114, Knights of Sherwood Forest.. | 125 |
| Knights of Pythias..... | 125 |
| Knights of the Golden Eagle..... | 100 |
| Co. A, Fifth Regiment..... | 100 |
| Co. H, Fifth Regiment..... | 100 |
| Co. D, Ninth Regiment..... | 100 |
| Abraham Lincoln Camp, Sons of Veterans.. | 50 |
| High School Cadets..... | 50 |
| Chief Marshal..... | 25 |
| Music | 680 |
| Decorations | 300 |
| Fireworks | 200 |
| Observation Stand..... | 100 |
| Incidentals | 45 |
| Total | \$4,825 |

The committee also recommend the passage of the accompanying order to provide for the expenditure of the appropriation.

Ordered: That His Honor the Mayor be requested to appoint an agent to make all the necessary arrangements for the celebration in Charlestown of the anniversary of the Battle of Bunker Hill on the Seventeenth of June next, according to the programme prepared by the special committee appointed for the purpose, and the said agent is hereby authorized to expend on that account the income of the Foss and Babcock funds and the sum of \$4,500 appropriated for the purpose; said amounts to be charged to the appropriation for Mayor, Public Celebrations, June Seventeenth.

Report accepted; order passed. Sent down.

NEXT MEETING.

Ald. BERWIN offered an order—That when this Board adjourns, it be to meet on Monday, the 12th day of June, 1899, at 3 o'clock P. M., and that all hearings on orders of notice assigned for a prior date be postponed accordingly.

Passed.

THE LIZZIE G. THOITS HEARING.

On motion of Ald. Colby, consideration by the Board, acting as County Commissioners, of the petition of Lizzie G. Thoits for the assessment of damages for the taking of certain land on Porter St. by the Boston Elevated Railroad was assigned to the first meeting in October.

LICENSE REPORTS.

Ald. COLBY, for the Committee on Licenses, submitted reports recommending that licenses and permits be granted on the following petitions, severally referred today, viz:

John J. Martin, for leave to run barges between Highland Station and Mt. Benedict Cemetery for the season beginning May 28, 1899.

James J. Denehy, for a license to run two barges between Chestnut Hill Reservoir and the Country Club.

A. L. Griffin, for a permit for Gussie Hunt, a child under 15 years, to appear at the Bowdoin Square Theatre for the week beginning May 23.

Reports severally accepted; permission granted on the usual conditions.

RECESS TAKEN.

The Board voted, on motion of Ald. McDonald, at 3.29 P.M., to take a recess subject to the call of the Chair.

The Board reassembled in the Aldermanic Chamber at 4 P.M.

REMOVAL OF TREE.

Ald. O'TOOLE, for the Committee on Public Grounds Dept., Ald., submitted a report on the order (referred last year) for the removal of a dead tree in front of 105 Charles St.—That the order ought to pass.

Report accepted, order passed.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Report on the petition of the Trustees of the Municipal Real Estate Trust (referred today), for leave to lay an iron pipe from 78 to 94 Portland St.—recommending the passage of an order of notice for a hearing thereon Monday, June 12, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, order passed.

(2) Report on the petition of Buffalo Bill Wild West Show (referred today) to parade in certain streets on June 12—recommending that leave be granted.

Report accepted, leave granted on the usual conditions.

(3) Report on the report of the Committee on Public Lands and order (Ald.) (referred today), in relation to disposal of Gibson School Fund land—that the order ought to pass.

Ald. Berwin moved the assignment of the matter to the next meeting of the Board.

Ald. ADAMS—Mr. Chairman, that is practically the same motion that the alderman made earlier in the day. It was then carried, and the Board reconsidered it and sent the order to the Committee on Public Improvements, where it was fully discussed. Unless the alderman from Wd. 6 (Ald. Berwin) can offer some good, valid reason why this matter should be hung up, I hope the members will allow the Committee to proceed with this work. I feel that there is no good reason why the matter should be assigned at this time.

Ald. BERWIN—Mr. Chairman, the great anxiety displayed by the alderman from Dorchester—entirely aside from my other

reasons, stated a short time ago—is perhaps as strong an argument as I can offer to this Board why this order should not pass this afternoon. In addition to what I said before, there are legal questions involved in the matter. Although the gentleman from Dorchester says the Corporation Counsel has passed upon those questions, I am not aware of any opinion he gave, and certainly nothing showing the legal status of the matter is before us this afternoon; and, even if there were, I should not be willing to follow the Corporation Counsel's judgment without some consideration. This is a very serious matter, although one of the aldermen from Dorchester smiles at my attitude on the question. I claim that there is more involved than probably appears on the surface, and I want to look into the subject. There is no need of great haste, because if nothing is done for the next two or three weeks nobody is going to suffer by reason of the delay. As I said before, I know enough about the general condition prevalent in the real estate market in the City of Boston at this time to say, as a man engaged in the real estate business, that nothing is to be gained by disposal of the land now, or by an attempt to dispose of it, because things are in such a condition that there is little demand for property.

I know what I am talking about. I don't know about the value of the land out there; I don't know what the committee proposes to do in regard to the cutting up of the land. I don't know that it is advisable to dispose of the land at the present time. If the city of Boston can have the use of the land for any good purpose, why not allow such use of it for nominal consideration, until conditions improve out there, and there is a demand for the land, so that it can be disposed of to advantage? This whole idea appears to be entirely original with the alderman from Dorchester. I never before heard anybody come in and propose to take any such action. The committee has had this matter in its hands for three or four weeks, and now comes in here and endeavors to push it through. That is not fair. I contend that if the gentleman who is the principal champion of this order this afternoon is serious in the position he takes, he will see that nobody will suffer by assignment of the order to the next meeting. He can certainly wait, as I am willing to wait, for two or three weeks. I have no axe to grind. I am perfectly honest and sincere in the matter, and am willing to give the board the benefit of my judgment, and if I find I am wrong, I am willing to acknowledge it and to yield. But give me a chance, as I am willing to give any other member a chance. There is no necessity for rushing this through. I hope the motion I have made will prevail.

Ald. O'TOOLE—Mr. Chairman, as a member of the Committee, I dislike very much to be discourteous, as the alderman from Wd. 6, (Ald. Berwin), tersely puts it, not giving him an opportunity to look into this matter. But he is perfectly aware that the suburban districts, the outlying districts, have inadequate school facilities. This is a step in the right direction. As the Chairman of the Committee says, the land has stood there two hundred years without being sold. As far as the legal aspects of the case are concerned, two years ago, if I remember rightly, the city of Boston bought five acres for a playground. That goes to show that there is no legal tie-up in the matter. This is an order moving in the right direction—for the benefit of the schools of Dorchester. The alderman is aware, and I am acquainted with the fact, that Dorchester needs all the school houses possible, needs additional school facilities.

I know that family after family have had to send their children a considerable distance to school. It is just as well to

use this property for a good purpose, instead of keeping it tied up all summer. The people out there really need it. As far as the city of Boston is concerned, the gentleman has read the order and has found out that 42,000 square feet are used by the Sewer Department of Boston, at an annual rental of \$400, and 32,600 feet by the Water Department, at an annual rental of \$300—leaving ample land for the purposes of the Sewer and Water Departments. They really don't need any more. I think this is the proper time to send this order along, and I hope we will pass it today.

Ald. McDONALD—Mr. Chairman, I don't believe in giving to the city the use of any more land in Dorchester, for the last time the City Council voted to give the use of land there they erected a garbage plant upon it, which was, of course, a nuisance to the citizens of Dorchester. Now, if this land were to be sold and the city of Boston were to derive a revenue therefrom, the matter might be laid over; but, as the income received from the sale of the land is to go towards schoolhouses, I think this is a subject we ought to consider carefully, passing the order this afternoon, in order that we may dispose of the land as soon as possible.

Ald. BERWIN—Mr. Chairman, I would like to ask some member of the Committee who may perhaps be more familiar with the subject than I am, whether there has been any request from the School Committee that this land be disposed of? The argument is made that the land is to be used for school purposes; but has the School Committee at any time asked that the land be disposed of and the money appropriated for school purposes in Dorchester?

Ald. ADAMS—Mr. Chairman, I am not aware that the school committee has made any formal request that this be done, but I am aware, from personal conversation, with the members of the School Board who represent the Dorchester District that they would like to see this land disposed of in some way, so that their committee might get a revenue from it. At the present time there is probably \$100,000 worth of land lying there in its original state, unimproved, an eyesore to the district of Dorchester—lying, as it does, almost in the heart of Dorchester geographically, and having upon it five or six of these old garbage plant buildings, which are in a tumble-down condition, the windows all gone and boarded up; and, further more, I want to say that those buildings are a menace to the whole neighborhood, by reason of the danger from fire. The insurance people have condemned the property around there and insurance rates have been raised on account of these old buildings standing there at the present time. They are considered to be a menace to the property of that entire district. As the corporation that erected them is defunct and has filed its report at the State House at that effect, I believe the buildings can be torn down now without the city rendering itself liable in any way. In regard to the apprehensions of the Alderman from Wd. 6 (Ald. Berwin), I want to assure him that this order I am advocating today receives the hearty approval of everybody I know in Dorchester. The people in Dorchester will be more than pleased to see the matter disposed of in this way, thus relieving those who own property in that immediate vicinity from the apprehension that at some time a hospital, garbage plant or something of the kind will be again located within our borders. Inasmuch as every dollar received from the sale of this property is to go to the schools, I believe this is a matter that cannot be settled too speedily.

The motion to assign the order to the next meeting was lost.

The order was declared passed. Ald.

Berwin doubted the vote and asked for the yeas and nays. The roll was called, and the order was passed, yeas 3; nays 2.—
Yeas—Ald. Adams, Codman, Day, Dixon, Doyle, McDonald, O'Toole, Presho—3.
Nays—Ald. Barry, Berwin—2.

Ald. McDonald moved to reconsider, hoping it would not prevail; lost.

REMOVAL OF OLD BUILDINGS, DORCHESTER.

Ald. McDONALD offered an order—That the Superintendent of Streets be requested to remove the old buildings formerly used as a garbage plant on the Gibson Field, Dorchester.

Ald. McDONALD—Mr. Chairman, I wish to state in relation to those buildings that they have been unoccupied for some time and are a nuisance to the neighborhood; that all the windows have been broken by little boys around there and have been boarded in, and that the buildings are practically not used for any purpose whatsoever. For that reason, I think it is about time that the buildings are destroyed.

Ald. BERWIN—Mr. Chairman, again I rise to ask if there may not be some possible legal complication involved in the passage of that order? We want to go a little slow on many of these propositions. That may be private property, and if it is I question the right of the Street Department to go in there and control it. Perhaps if the order were amended and referred to the Law Department, and we obtained the opinion of that department, everything would be satisfactory. I don't want to appear as objecting to every proposition that is suggested, but I do want to go slow and right.

Ald. McDONALD—Mr. Chairman, I believe this is merely a request to the Street Department. They can look carefully into the matter, and if it is proper to destroy the buildings they will do so, otherwise not. However, it will do no harm to allow the order to go to the Street Department and have them take action upon it.

Ald. ADAMS—Mr. Chairman, I hope the order will be passed today. As I said earlier in the meeting, the buildings are a menace to the entire neighborhood. Boys are playing around there all the time, the buildings are of wood, regular under boxes and fire traps, and the sooner they are removed the better it will be for all Dorchester.

The order was passed.

GENERAL RECONSIDERATION.

Ald. DAY moved a general reconsideration on all matters acted upon today not already reconsidered, trusting that it would not prevail; lost.

Adjourned, on motion of Ald. McDonald, at 4:13 P.M., to meet on Monday, June 12, at 3 P.M.

IN COMMON COUNCIL.

Thursday, May 25, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P.M., President Kiley in the chair.

FLAGSTAFF—HAYES SQ.

The following was received:—

Mayor's Office, City Hall,
Boston, May 25, 1899.

To the Common Council:—

I transmit herewith a communication from the Superintendent of Public Grounds, in reply to the order requesting him to provide a flagstaff and flag for Hayes Sq., Wd. 3.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston,
Public Grounds Department,
City Greenhouses, E. Cottage Street,
Dorchester, May 18, 1899.

Hon. Josiah Quincy, Mayor of the City of Boston:—

Dear Sir:—In regard to the enclosed order "that the Superintendent of Public Grounds be requested through His Honor the Mayor, to provide a flagstaff and flag for Hayes Sq., Wd. 3, and to cause said flag to be unfurled on Memorial Day, the expense attending the same to be charged to the appropriation for Public Grounds," I beg to say that flags and flagstaves come under the jurisdiction of the City Messenger, and this department never had any charge either of their care or erection.

I remain, Your obedient servant,
Wm. Doogue, Sup't.

Referred to the Committee on City Messenger Department.

CONDITION OF ALLEYS, WARD 12.

The following was received:—

Mayor's Office, City Hall,
Boston, May 25, 1899.

To the Common Council:—

I transmit herewith a communication from the Superintendent of Streets in regard to your order requesting him to "cause the alleyways of Wd. 12 to be kept free from accumulation of paper and other debris," etc.

Respectfully,
Josiah Quincy, Mayor.

Street Department, City Hall,
Boston, May 23, 1899.

Hon. Josiah Quincy, Mayor.

Sir:—In reply to the enclosed order of the Common Council, I beg to report that only alleys that have been laid out and accepted as public alleys by the Street Commissioners come within the jurisdiction or care of this department. One advantage of the acceptance of these alleys is that it is possible for the police to enforce the city ordinances as regards the obstruction of the ways and throwing of waste and litter into the roadway. All public alleys in the city are now being given attention by this department.

Yours very respectfully,
Benj. W. Wells, Supt. of Streets.
Placed on file.

FIRE ESCAPES, FRANKLIN SCHOOL.

The following was received:—

Mayor's Office, City Hall,
Boston, May 24, 1899.

To the Common Council:—

I transmit herewith a communication from the School Committee in reference to your order requesting them to furnish suitable fire escapes for the Franklin schoolhouse, Wd. 9.

Respectfully,
Josiah Quincy, Mayor.

City of Boston. In School Committee.
May 23, 1899.

The Committee on Schoolhouses, to whom was referred (Apr. 25) a communication from His Honor the Mayor, enclosing a communication from the Common Council, asking that suitable fire escapes be furnished the Franklin Schoolhouse, report that fire-escapes are already provided from the second story of the building, and that a double staircase from the upper stories runs down to that point. Your committee recommend that the Common Council be respectfully informed, through His Honor the Mayor, that no additional fire escapes are needed for this building at present. For the Committee,
Thos. F. Strange, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy.

Attest: Thornton D. Apollonio, Sec.
Referred to the Committee on Schools and Schoolhouses.

COMMITTEE CHANGES.

The PRESIDENT—The Chair desires to announce at this time the resignation of Mr. Cuddy of Wd. 8 from the Committee on Library Department and the appointment of Mr. Bordman of Wd. 10 to fill the vacancy; also the appointment of Mr. Cuddy of Wd. 8 on the Committee on Cometeries, to fill the vacancy caused by the resignation of Mr. Mulcahy of Wd. 14 therefrom.

The Chair also desires to announce the appointment of Mr. Jordan of Wd. 22 to fill a vacancy on the Committee on Lamps created by the resignation of Mr. Mulcahy of Wd. 11.

PAPERS FROM BOARD OF ALDERMEN

The Council voted, on motion of Mr. Harvey of Wd. 24, to consider Nos. 1 to 4, inclusive, together, viz:—

1. Report of Committee on Claims, on petition, referred December 5, 1898, of Rachel Meshulam for compensation for damage to her wagon by a city team,—leave to withdraw.

2. Report of same committee, on petition, referred June 7, 1898, of Annie E. Guild for compensation for damage to estate, 101 Prince St., caused by alleged negligence of Water Department,—leave to withdraw.

3. Report of same committee, on petition, referred May 18, 1896, of Michael Hanon for compensation for personal injuries received, caused by an alleged defect in Massachusetts Ave.—leave to withdraw.

4. Report of same committee, on petition, referred June 14, 1898, of Walter S. Sampson for compensation for damage to estate, 101 Prince St., caused by alleged negligence of Water Department,—leave to withdraw.

Severally accepted in concurrence.

5. Report of the Committee on Building Department on the petition of the Boston Elevated Railway Company, referred May 1, for leave to build a wooden addition at Oak Sq., near Washington St., Wd. 25—No action necessary.

Accepted in concurrence.

6. Report of the same committee recommending the passage of the following:—

Ordered. That the Building Commissioner be authorized to issue a permit to John McDonald to build, outside the building limits, a wooden addition to building on Western Ave., near Market St., Wd. 25, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for store and office purposes; main building occupied for store and dwelling purposes.

Report accepted, order passed in concurrence.

7. Report of the same committee recommending the passage of the following:—

Ordered. That the Building Commissioner be authorized to issue a permit to The J. O. Whitten Co. to build, outside the building limits, a wooden addition to building on rear 68 Western Ave., Wd. 25, in excess of size allowed and without the construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied for manufacturing purposes, main building occupied for same purposes.

The report was accepted, and the question came on giving the order a second reading.

Mr. MARTIN of Wd. 15—Mr. President, I move that that order be assigned to the next meeting of the Council.

Mr. HIBBARD of Wd. 24—Mr. President, unless the gentleman can give us some reason for the motion, I hope it will not prevail.

Mr. HICKEY of Wd. 2—Mr. President, I would respectfully ask that the order be read once more.

The order was read, and the question came on assignment.

Mr. MARTIN—Mr. President, my reasons for moving assignment are simply these, that week after week there are orders brought in here, or committee reports in which the committee recommends that so and so should be allowed the privilege of building outside the building limits or outside the laws. Now, it seems to me if we have ordinances and have a Building Committee, there is no reason why men should be given permission to build outside the laws and other men should not be given such permission. I have received information within the last week that certain men in the Building Department are acting as agents, soliciting work for certain contractors—that paid agents of the city are doing that. Now, if that is a fact, I would like to know it. I see no reason why this order cannot go over for one week, until I can look into this matter.

The motion to assign to the next meeting was declared lost. Mr. Martin doubted the vote and asked for the yeas and nays, which were ordered by a rising vote, and the motion to assign was carried, yeas 33, nays 11.

Yeas—Atwood, Bagley, Bennett, Bordman, Chamberlain, Collins, Cuddy, Doyle, Eddy, Emery, Fenton, Gibbons, Giblin, Howard, Jordan, Klemm, Lorey, MacDonald, Mansfield, Martin, Mildram, Newhall, Peck, Roemer, Rolland, Sanderson, Simpson, Stockton, Sweney, Walker, Wells, Winsloe, Wood—33.

Nays—Battis, Brauer, Hibbard, Hickey, Kiley, Miller, Moore, Stone, Tobin, Turnbull, Watson—11.

Absent or not voting—Armistead, Badaracco, Bradley, Brennan, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Donovan, Flynn, Harvey, Horgan, Johnson, Kasanof, Kelley, Leftovich, Leonard, Linehan, Logan, Lydon, Madden, McInerney, Mulcahy, Nangle, O'Brien, Rice, Stevens, Sullivan—31.

Later in the session, on motion of Mr. Sanderson of Wd. 25, the assignment was reconsidered and the order was read a second time and passed in concurrence.

8. Report of the Committee on Seventeenth of June, submitting the following programme for the celebration, and recommending the passage of the accompanying order, viz:

PROGRAMME.

| | |
|---|---------|
| Seventeenth of June Carnival Association. | \$1,700 |
| Branch 34, National Letter-Carriers' Association..... | 300 |

| Total..... | \$4,825 |

Ordered: That His Honor the Mayor be requested to appoint an agent to make all the necessary arrangements for the celebration in Charlestown of the anniversary of the Battle of Bunker Hill on the Seventeenth of June next, according to the programme prepared by the special committee appointed for the purpose, and the said agent is hereby authorized to expend on that account the income of the Foss and Babcock funds and the sum of \$4,500 ap-

propriated for the purpose; said amounts to be charged to the appropriation for Mayor. Public Celebrations, June Seventeenth.

Report accepted; order passed in concurrence. Mr. Turnbull of Wd. 4, moved to reconsider; lost.

9. Ordered: That the School Committee be authorized to expend, in providing school-house sites, the following amounts, and the said amounts are hereby appropriated for the following purposes:

New grammar school-house, Tileston District, Dorchester, site for.....\$10,000
New primary school-house, Sherwin District, Roxbury, site for..... 15,000

and that to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to the amount of twenty-five thousand dollars (\$25,000).

The PRESIDENT—The Chair desires to state, as the representative of the Council on the Board of Apportionment, that this \$25,000 is the balance of the \$500,000 promised by the Board of Apportionment earlier in the year to the School Committee. The Board of Apportionment and the City Council have already voted \$475,000. The School Committee asks for this \$25,000 for two schoolhouse sites in two different school districts, appropriations for building schoolhouses in these districts having been included in the \$475,000 previously voted.

The Council concurred with the Board of Aldermen in passing the order in concurrence with the Board of Apportionment. Mr. Harvey of Wd. 24 moved to reconsider; lost.

RESCISSION OF APPROPRIATION.

The Council proceeded to take up No. 10 assignment, viz.:

10. Ordered, That so much of the order approved September 21, 1898, as authorized the Cemetery Trustees to expend the sum of fifteen hundred (1,500) dollars for the construction of a wall at Evergreen Cemetery be, and hereby is, rescinded.

Passed. Sent down.

GYMNASIUM, WD. 9.

The Council proceeded to take up No. 11 assignment, viz.:

11. Ordered, That the Bath Trustees be authorized to expend the sum of twenty-five hundred (2,500) dollars for furnishing and equipping the building at the corner of Harrison Ave. and Plympton St., acquired as a gymnasium for Wd. 9; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the City of Boston to said amount for said purpose.

The question came on the passage of the order in concurrence.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, it may seem uncalled for in me to oppose the passage of this order which involves the expenditure of so small an amount of money. But a principle is involved of such vital importance at this crisis in the finances of the City of Boston that unmarked I cannot allow this order to pass without a protest.

Expenditures for such luxuries at a time when 800 employees of the city are out of work, as a result of the suicidal financial policy of the Mayor, are in violation of common sense and might be stigmatized more harshly still.

Had the half million dollars spent for such purposes as this, during the reign of our present autocrat, when they could not be afforded, been expended as formerly on streets, sewers and the like, the prostration of the Sewer Dept. could have been avoided.

For a year past the Common Council of the City of Boston has protested in vain against the policy of Mayor Quincy and

at last the citizens of Boston recognize the truth of its position although I notice with regret that the editorial rooms of the Boston Press are slow to tell the truth they know.

In closing that there may be no mistake as to my position in this matter allow me to say that could our income meet the charge of this and similar luxuriant expenditures, I should be the last to protest.

For we all being a part of the people have the best interests of the community at heart but act, it seems to me more wisely than our present Mayor whose policy has been to buy an opera hat for Boston when the city had not even a shirt to defend it from the elements.

Mr. STEVENS of Wd. 11—Mr. President, I would ask for the assignment of that order to the next meeting, so that we can all look into the matter. If there have been preparations made, and this needs only a small amount of money to complete it, I would hate very much to see the work delayed or kept from completion. For that reason, I would ask for assignment of the order to the next meeting.

Mr. TOBIN of Wd. 9—Mr. President, I hope this order will not be assigned. This expenditure of \$2500, to my mind, is a very proper one at this time. Despite the remarks of the gentleman from Wd. 12 (Mr. Chamberlain), who at this time is so anxious about the laboring man and the money that should be expended for his welfare, I say the \$2500 at this time will be well spent to remodel this building for a gymnasium in Wd. 9. Even if Wd. 9 has a bathhouse at this time, of which we hear so much talk by members of this Council, it is used by the people of five different wards, and at the present time Wd. 9 has no playground of any sort whatever. It is a very thickly congested district, and there is no doubt in my mind that we should have a gymnasium there. The people want it, the younger men of the ward especially, and I trust that the matter will not be assigned.

The motion to assign further consideration to the next meeting was carried.

Mr. HICKEY of Wd. 2—Mr. President, I do not think, as one member of this Council, that the sewer crisis should enter into a discussion of this kind in any way whatever. The gentleman from Wd. 12 (Mr. Chamberlain) talks about the sewer crisis which involves \$400,000 or \$500,000, and compares it to a petty item of \$2500. I want to tell the gentleman from Wd. 12 that there is \$2500 that I can point to lying unappropriated today in the City Treasury of Boston that is not being used for the laboring men or the Sewer employees. There was \$3000 appropriated for a sewer in East Boston that can never be built, and only \$500 of it has been authorized to be spent this year. The only thing that impresses me in this argument, Mr. President, is the fact that everything said by the gentleman from Wd. 12 concerning the sewer men, as entering into connection with this bathhouse in Wd. 9 is absurd and nonsensical. I am willing, as one member of this Council, to take the word of the gentleman from Wd. 9 (Mr. Tobin), a gentleman who knows the needs of his district; and I am willing tonight to vote in favor of the appropriation of \$2500 for the gymnasium in Wd. 9.

Mr. LINEHAN of Wd. 3—Mr. President, if it would be in order, I would like to ask the gentleman from Wd. 2 a question, through the Chair. He states that \$2500 lies in the city treasurer's office, to be used for the benefit of the sewer employees. I would like to ask him, if that is so, why they did not get their wages last week?

Mr. MULCAHY of Wd. 14—Mr. President, I trust that this matter will not be assigned tonight, simply on the ground that Wd. 9, like many other wards of Boston, desires a gymnasium, and when, as in this instance, a gymnasium can be

afforded for the small sum of \$2500, I see no reason why my friend from Wd. 12 (Mr. Chamberlain) should oppose this matter. Some of the members of this body tell me that this Plympton St. property lies very close to his ward, and that it could be used by his people, also. Now, Mr. President, where there is a thickly settled district like Wd. 9, when it asks for a small amount of money like this, I see no reason why each and every member here should not vote for it, for, at some other time, we may be seeking a gymnasium in our ward. I trust that it will be passed this evening.

Mr. STEVENS of Wd. 11—Mr. President, I would like to ask a question for information. I would like to know if any of the gentlemen from Wd. 9, or from any of the other wards interested in the passage of this order, can give us any information as to the state that the property that is to be used as a gymnasium is in? How much money has been spent on it, and in what condition is it? If there has been nothing spent and nothing done, I think it may be well to defeat this order. Unless there is some information given I shall not vote for it tonight.

Mr. TOBIN of Wd. 9—Mr. President, for the information of the gentleman from Wd. 11, I would say that this property was formerly a church, and that it can be bought at a moderate price and transformed at a small expense into a gymnasium at this time. The money can be well spent now, and if we wait longer it will cost twice as much for the same property in this special locality in the future.

Mr. WATSON—Mr. President, I desire to ask the Chair what the vote in the Board of Apportionment was on this matter?

The PRESIDENT—The Chair will request the Clerk to read the names signed to the order.

The CLERK (Reading)—Josiah Quincy, David F. Barry, Laurence Minot and John P. Dore.

The PRESIDENT—The question is on assignment.

Mr. WATSON—Mr. President, I trust that assignment will not prevail. I think that it matters little whether it prevails or not. We may not meet for many weeks, and we may adjourn without getting a quorum. It is only \$2500—a small amount of money, needed to furnish this place. I do not want to do a wrong intentionally, and I wish to say that I want to correct a statement I made here some weeks ago, at the time when I offered the order asking them not to spend \$15,000 for buying that place. I found that they had already bought, and they are now asking \$2500 to furnish it. I want to say that I went down to the assessor's office and I found there that this property was assessed for \$2000 more than they gave for it. I intend to be fair, and I therefore wish to make that statement, that they bought it for \$2000 less than its tax valuation. I made a statement then that I wish to correct, and I wish to say that in what I said then I was misinformed. I got the information from a truthful person, but at the same time, he erred. I trust that assignment will not prevail.

Mr. STEVENS—Mr. President, I would like to ask the President of this body as our representative on the Board of Estimate and Apportionment, to give us what information he can in regard to this matter and to explain his attitude in regard to it.

The PRESIDENT—The Chair desires to state that he voted against the order now before the Council, and he is willing, in view of the question asked, to explain his attitude upon this particular order. When the question of appropriating \$15,000 for a gymnasium in Wd. 9 came before the Board of Apportionment Wd. 9's repre-

sentative upon the Board assured the Board of Apportionment that a building could be purchased and fitted up as a gymnasium for \$15,000.

The Board of Estimate and Apportionment, acting in good faith, and upon the assurance of the gentleman representing Wd. 9, upon his request appropriated \$15,000 for that purpose in the annual loan order. The \$15,000, in toto, was used for the purchase of a church, and then a further request came in for \$2500 for furnishing and fitting it up. Your representative on the Board of Apportionment felt that was breaking faith with the Board of Apportionment by the people who had the handling of the money, and therefore, upon principle, voted against the entire matter. The Chair holds that view, and presents this explanation to the Council of his attitude on this matter.

Mr. MILLER of Wd. 20—Mr. President, I hope this matter will be assigned for the reason that I do not believe and I do not think the people who are advocating it believe that \$2500 will begin to fit that place up for a gymnasium, or for any other purpose. That place, as we all know, is in a condition that will require a great deal more money to be spent there than that amount. It probably will be managed and manipulated by the different departments of the city of Boston—and if that is the case, in view of the present way that some of the estimates have been made for electric work and plumbing work, \$2500 will go but a very small way. I believe this is only a beginning, to start the ball rolling, to get more money for that purpose. It will probably take \$10,000 to fit that place up in a respectable manner, and in the present condition of the finances of the city of Boston, I think that it would be good judgment on our part to assign this, so that we can have the privilege of looking into it before we vote upon it. I shall vote for assignment tonight.

Mr. FENTON of Wd. 15—Mr. President, I hope this will be assigned. I think that before we appropriate any money for fitting up new bathhouses and gymnasia, we should provide for finishing some of those already started. I know that in the ward which I represent in part we had an order before the Board of Estimate and Apportionment, and they did not see fit to give us any money, although the bathhouse had been started. The foundations of the bathhouse had been laid, but we cannot get any money from the Board of Estimate and Apportionment. I think they ought to consider some of the people in the other wards outside of a favored few. I hope the matter will be assigned.

DRINKING FOUNTAIN, DORCHESTER.

The Council proceeded to take up No. 12 assignment, viz.:

12. Ordered, That the Water Commissioner be requested to have a drinking fountain erected on Columbia road, near Hancock St., to replace the fountain at present located there, and that the Water Commissioner be requested to grant a hearing as to the most suitable position for said fountain to Mrs. John A. Fowle, of 356 Boston St., and the President of the Women's Christian Temperance Union, of Upham's Corner, Dorchester.

Passed in concurrence.

TREMONT ST. TRACKS.

13. Resolve and order, offered by Mr. Watson on April 6, relative to the restoration of the railway tracks on Tremont St.

Q. On adoption of substitute for above, offered by Mr. Stevens on same date.

Mr. HARVEY of Wd. 24—Mr. President, in view of the fact that No. 13 on the calendar is practically useless, I move its indefinite postponement.

The PRESIDENT—The Chair desires to state that the first motion should be to take the matter from the table.

Mr. CUDDY of Wd. 8 moved to take the matter from the table, and the motion was carried.

The matter was indefinitely postponed, on motion of Mr. Harvey of Wd. 24.

PUBLIC GROUNDS REPORTS.

Mr. COLLINS of Wd. 13, for the Committee on Public Grounds Department, submitted the following:—

(1) Report on the ordinance (referred last year) relative to the driving of teams across the reservations in streets—Recommending reference to the Committee on Ordinances.

Report accepted, said reference ordered. Sent up.

(2) Report on the message of the Mayor (referred last year) transmitting a memorial relative to the need of a fence around Worcester Sq.—Recommending reference to the Board of Estimate and Apportionment.

Report accepted, said reference ordered. Sent up.

(3) Report on the message of the Mayor (referred last year) transmitting a communication from the Mass. Horticultural Society relative to the erection of a building on the Public Garden—Recommending that the communication be placed on file.

Report accepted, communication placed on file.

(4) Report on the communication from the Superintendent of Public Grounds (referred March 9) relative to asphalted walks in the Public Garden—Recommending that the communication be placed on file.

Report accepted, communication placed on file.

(5) Report that no action is necessary on the following matters:—

Order (referred last year), relative to the transfer of the care of Rogers Park to the Park Department.

Order (referred last year) relative to the custody of Pierce Sq., Wd. 24.

Remonstrance of Charles E. French (referred last year) against the erection of a horticultural building on the Common or Public Garden.

Remonstrance of Charles E. French (referred last year) against the use of Boston Common or any part thereof for bicycle purposes.

Report accepted.

(6) Report on the order (referred March 30) relative to the hiring of a lot of land on Everett St., Brighton, for playground purposes—Recommending the passage of the order in concurrence.

Report accepted, order passed in concurrence.

(7) Report on the petition of Howard Payson Arnold (referred last year) for leave to erect a memorial structure on the Public Garden—No action necessary.

Report accepted.

(8) Report on the order (referred April 6) concerning land for playground purposes in Wd. 10—Recommending reference to the Superintendent of Public Grounds.

Report accepted, said reference ordered.

STREET SPRINKLING.

Mr. PECK of Wd. 12 offered the following:—

City of Boston.

In the year one thousand eight hundred and ninety-nine,

An Ordinance

To amend Chapter 38 of the Revised Ordinances of 1898.

Be it ordained by the City Council of Boston as follows:—

Chapter 38 of the Revised Ordinances of 1898 is hereby amended by adding the following section at the end thereof:—

"Sect. 22. Said Superintendent shall cause to be sprinkled by means of a sprinkling cart, or other apparatus, all streets,

avenues, thoroughfares or public ways of the city of Boston; but on all streets, avenues, thoroughfares or public ways that are thirty feet or more in width between curbs, he shall cause a dry strip six feet in width to be left in the centre thereof, except in the case of streets, avenues, thoroughfares or public ways on which surface cars are run, and in such instances he shall cause not more than one-half of such street, avenue, highway, or public way to be sprinkled at any one time, and shall allow a sufficient period of time to elapse before the other half of such street, avenue, thoroughfare or public way is sprinkled to permit the partial drying out of the side already sprinkled."

Mr. PECK of Wd. 12—Mr. President, after eliminating the legal phrases there, the facts represented in the ordinance are simply these: It will provide for a continuous dry strip of roadway in the various thoroughfares of Boston. In the case of a broad thoroughfare, or boulevard, which is occupied by the street cars, it will enable one portion of the street to be dry continuously. For a number of years I have been more or less identified with cycling, and have held numerous official positions in which I have been the recipient of numberless complaints from the wheelmen, and I feel that I am qualified to speak on this subject.

I know that numerous requests have been sent to City Hall for legislation in this matter, and that they have been apparently carefully considered, but actually just as carefully overlooked. There seems to exist now no ordinance governing street watering. You will recollect that at the last meeting of the Council I offered a resolution asking that the Superintendent of Streets be instructed to restrict the deluging of Massachusetts Ave. I noted that there was a chapter of accidents, and that chapter of accidents has still continued; and I may say that there is one gentleman present who has given a very excellent illustration of the disappointments resulting from riding on Massachusetts Ave. after a watering cart has been over it. I believe that such an ordinance as this is an actual necessity, and I may say that it is drafted in part from a similar one in existence in Cincinnati, which was instigated by the wheelmen, owing to a similar condition of affairs to that which exists here. I trust that this will result in some actual benefit to the wheelmen.

The ordinance was referred to the Committee on Ordinances.

HOLIDAY, MEMORIAL DAY.

Mr. SIMPSON of Wd. 1 offered an order—That in part compensation for their services to the City of Boston, His Honor the Mayor be requested to authorize the Superintendent of Streets to grant a holiday on Memorial Day, without loss of pay, to all employees of the Ferry Division who are members of posts of the Grand Army of the Republic or other veteran organizations.

Passed. Sent up.

SHELTER, DUDLEY STREET TRANSFER STATION.

Mr. WINSLOE of Wd. 21 offered an order—That His Honor the Mayor request the Boston Elevated Railway Company to erect a permanent awning or suitable shelter for persons waiting for cars at the Dudley St. transfer station, on the left hand side of Dudley St., going towards Washington St.

Referred to His Honor the Mayor.

CROSSWALK, ELMORE STREET.

Mr. WINSLOE of Wd. 21 offered an order—That the Superintendent of Streets,

through His Honor the Mayor, be instructed to put in a crosswalk at the end of Kensington St., on Elmore St.

Referred to His Honor the Mayor.

IMPROVEMENT OF WELDON ST.

Mr. WINSLOE of Wd. 21 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to raise the cesspools located on Weldon St., as travel by vehicles is greatly endangered.

Referred to His Honor the Mayor.

RECEPTION OF ADMIRAL DEWEY.

Mr. BRADLEY of Wd. 6 offered an order—That the Board of Estimate and Apportionment be requested to provide the sum of \$500 for a celebration in honor of Admiral Dewey on his visit to Boston.

Referred to the Board of Estimate and Apportionment.

RIFLE PRACTICE.

Mr. BORDMAN of Wd. 10 offered an order—That His Honor the Mayor be requested to inform the Common Council why the City of Boston is not complying with the statute requiring it to furnish opportunity for rifle practice to the organizations of the Massachusetts Volunteer Militia stationed within its limits.

Mr. BORDMAN of Wd. 10—Mr. President, I wish to say just a word to explain that order. The City of Boston is required by the Statute of Massachusetts to furnish opportunities for rifle practice to the military organizations which are stationed within its limits. The city has been in the habit of doing that for the past few years by hiring targets at Walnut Hill of the Massachusetts Rifle Association. The opportunity has always begun on the first of April. Up to the present time this year no opportunity has been given to the militia to shoot, and as the qualification work must be completed by the 31st of October each year, it is proving a serious impediment to the work of the militia. Being a member of the militia myself, I have a personal feeling in the matter, knowing full well the extra work that it will entail in order to get the organizations into a proper state of efficiency at that date. I feel that this is a matter which should be given publicity and which His Honor the Mayor should have an opportunity to explain.

The order was referred to His Honor the Mayor.

DRINKING FOUNTAIN, WOOD ISLAND PARK.

Mr. BAGLEY of Wd. 1 offered an order—That the Board of Park Commissioners be requested, through His Honor the Mayor, to place a drinking fountain at Wood Island Park.

Referred to His Honor the Mayor.

VISIT OF THE SPANISH CRUISER.

Mr. BAGLEY of Wd. 1 offered an order—That His Honor the Mayor be requested to take the necessary steps to have the former Spanish cruiser Reina Mercedes visit Boston in the near future.

Mr. BAGLEY of Wd. 1—Mr. President, I have learned that a number of cities have taken steps to have that cruiser visit their respective municipalities, and I sincerely hope the Mayor will use his best influence to have it come to Boston.

The order was referred to His Honor the Mayor.

IMPROVEMENT OF NEWARK ST.

Mr. DOYLE of Wd. 19 offered an order—That the Superintendent of Streets place Newark St., Wd. 19, in proper condition for travel.

DRINKING FOUNTAIN, WINTHROP SQ.

Mr. STONE of Wd. 7 offered an order—That the Water Commissioner, through His Honor the Mayor, be requested to place a drinking fountain in Winthrop Sq., Wd. 7, in such location therein as said commissioner may deem expedient.

Referred to His Honor the Mayor.

PAYMENT BY PNEUMATIC COMPANY.

Mr. MARTIN of Wd. 15 offered an order—That His Honor the Mayor be requested to inform the Common Council whether the Boston Pneumatic Transit Company has paid any money into the treasury of the City of Boston as provided for in the contract entered into between said company and the city of Boston under the order approved by the Mayor December 1, 1896.

Referred to His Honor the Mayor.

NEXT MEETING.

Mr. HARVEY of Wd. 24 offered an order—That when this Council adjourns it be to meet on Thursday, June 15, 1899, at 7:45 o'clock P.M.

Passed.

IMPROVEMENT OF BOYLSTON ST.

Mr. ROEMER of Wd. 22 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to remacadamize Boylston St., between Boylston Ave. and Lamartine St., Wd. 22.

Referred to His Honor the Mayor.

PLANTING OF TREE.

Mr. ROEMER of Wd. 22 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to plant a young tree in front of premises 257 Lamartine St., Wd. 22, to replace tree blown down in recent storm.

Referred to His Honor the Mayor.

VACATION LIST OF FIRE DEPT.

Mr. NEWHALL of Wd. 23 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to furnish the Council with a list of those employees in the fire department who have not been put on the vacation list; said list to be given to the Council at its next meeting.

Referred to His Honor the Mayor.

REPAVING OF WEST BROADWAY.

Mr. LYDON of Wd. 13 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to repave West Broadway from A St. to the bridge over tracks of New England R.R. Co.; expense of same to be charged to Street Department.

RUBBER TIRES FOR PATROL WAGONS.

Mr. LYDON offered an order—That the Police Commissioners be requested to consider the advisability of equipping patrol wagons with rubber tires so that said patrol wagons can be used as auxiliary ambulances.

Referred to the Committee on Police.

REPAIR OF RAILROAD BRIDGE.

Mr. LYDON offered an order—That the Law Department, through His Honor the Mayor, be and is hereby ordered to take such action as they may deem necessary to compel the New England R. R. Co. to repair bridge owned by said railroad company between A and B Sts., on Silver St., South Boston.

Mr. LYDON—Mr. President, I would like to say a word in regard to that order be-

fore it is referred. I wish to say that that bridge has been closed since February 17th. It was closed on account of being unsafe for travel, and it seems to me that the railroad company has now had sufficient time to repair the bridge. An order was sent up to the Board of Aldermen requesting the Superintendent of Streets to see that that bridge was put in proper condition, but for some unknown reason the bridge has not been repaired, and in consequence the people who live on that street do not have the privilege of using the street. Teams are not allowed to drive over the bridge, and the result is that the people who pay taxes do not have the privilege of using the street at all. Another difficulty is that when teams drive down the street to the bridge, they have to turn around and go back, and in doing so they break down the fences of the property along there, and it makes it bad all around. Another thing, a person who lives next to the bridge and wants to get ice has either got to go to the icehouse himself or pay expressage upon it. I hope that the Law Department will take action upon that matter.

Mr. LINEHAN of Wd. 13—Mr. President, it surprises me that my colleague from Wd. 13 should waste his time in protesting against the encroachments of corporations upon the rights of the people. We have been suffering in Wd. 13 for quite a long time, and suffering from that same source—the Terminal Company—and the man who is responsible for it is the man to remedy it. Streets are closed up, and no excuse is given why they close them up. Broadway Extension today is closed up—and I stated three or four months ago in

the Council that it was going to be closed up. Now, the people of South Boston, if they want to reach the city have to go off either to the south or the west, whereas their destination lies direct to the north. I stand here to offer my protest along with that of my colleague, against the way the people of Wd. 13 are being used.

The order was referred to His Honor the Mayor.

MEMBERS PRESENT.

By direction of the President, the Clerk called the roll, to ascertain the members present, with the following result:—

Present—Atwood, Badaracco, Bagley, Battis, Bennett, Bordman, Bradley, Brauer, Broderick, Chamberlain, Collins, Cuddy, Doyle, Eddy, Emery, Fenton, Gibbons, Gible, Harvey, Hibbard, Hickey, Howard, Johnson, Jordan, Kelley, Kiley, Klemm, Leftovith, Linehan, Lorey, Lydon, MacDonald, Madden, Mansfield, Martin, McInerney, Mildram, Miller, Moore, Mulcahy, Newhall, O'Brien, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Tobin, Turnbull, Walker, Watson, Wells, Winsloe, Wood—58.

Absent—Armistead, Brennan, Carroll, Casey, Connolly, Curley, Doherty, Donahoe, Donovan, Flynn, Horrigan, Kasanof, Leonard, Logan, Nangle, Rice, Sullivan—17.

Adjourned, on motion of Mr. Howard of Wd. 20, at 8:56 P.M., to meet on Thursday, June 15th, at 7:45 P.M.

CITY OF BOSTON

Special Meeting of the Board of Aldermen.

Wednesday May 31, 1899.

A special meeting of the Board of Aldermen was held in the Aldermanic Chamber, City Hall, at 1 o'clock P.M., Chairman Barry presiding, and a quorum present, for the purpose of drawing jurors.

Thirty-four traverse jurors were drawn for the Superior Court, Criminal Session, viz.:-

Thomas F. Phillips, Wd. 15; George L. Beil, Wd. 12; Michael P. Keller, Wd. 17; Frank B. McQuesten, Wd. 11; John T. Murphy, Wd. 7; Henry O. Smith, Wd. 21;

David Allen, Wd. 15; Frank B. Whitney, Wd. 15; Dennis A. Kennelly, Wd. 15; Albert Schell, Wd. 14; George H. Linton, Wd. 19; Edville E. Sanford, Wd. 18; Charles F. Bush, Wd. 20; Benjamin F. Murray, Wd. 12; John T. McCarthy, Wd. 6; William H. Emery, Wd. 8; Michael Jennings, Wd. 16; Simon K. Cohen, Wd. 23; Marcellus H. McElroy, Wd. 19; Michael E. Dever, Wd. 1; P. William Firth, Wd. 1; William A. Lane, Wd. 5; Robert A. Gordon, Wd. 2; Charles H. Fay, Wd. 25; Thomas J. Dowd, Wd. 8; George B. Moore, Wd. 10; Albert E. Ferguson, Wd. 3; Herbert L. Taylor, Wd. 15; John J. Geary, Wd. 14; Arthur W. Stevens, Wd. 11; John F. Tague, Wd. 3; Edward Hill, Wd. 3; Samuel E. Davis, Wd. 2; Austin H. Kenerson, Wd. 22.

Adjourned at 1:10 P.M.

City of Boston.

PROCEEDINGS

—OF THE—

Board of Aldermen

AND THE

COMMON COUNCIL,

WEDNESDAY, JUNE 7th, 1899,

ON THE DEATH OF

Ex-Mayor FRED'K O. PRINCE,

JUNE 6, 1899.

Death of Ex-Mayor Frederick O. Prince.

CITY OF BOSTON.

Special Meeting of the Board of Aldermen and Common Council.

Wednesday, June 7, 1899.

A meeting of both branches of the City Council was held at 12 o'clock, M., in their respective chambers, City Hall, pursuant to the following call:—

Mayor's Office, City Hall,
Boston, June 6, 1899.

To the Members of the City Council:—

You are requested to meet in your respective chambers in City Hall, on Wednesday, June 7th, 1899, at 12 M., for the purpose of taking appropriate action upon the death of ex-Mayor Frederick O. Prince, which occurred this forenoon, and of expressing the sorrow felt by the citizens of Boston at the loss sustained through his death and their respect for his memory.

Yours respectfully,
David F. Barry, Acting Mayor.

IN BOARD OF ALDERMEN.

The Board was called to order by Chairman Barry, a quorum being present. The Clerk read the call for the meeting, as printed above, and it was sent down.

Mayor's Office, City Hall,
Boston, June 7, 1899.

To the City Council:—

It becomes my duty to announce to you the death, at the ripe age of 81, of Honorable Frederick O. Prince, who served four terms as Mayor of this city, and 11 years as a trustee of the Public Library, and as President of the Board of Trustees, having only resigned that office about a month ago.

The public career of Mr. Prince, his identification with our civic affairs, and his keen interest as a citizen in everything that affected the welfare and development of the city of his birth, is well known to all. His services to the Public Library, with which the later years of his life were so closely identified, will long be gratefully remembered. By his death Boston has lost one of its most distinguished and public-spirited citizens, and I am sure that the City Council will desire to pay every mark of respect to his memory.

Respectfully submitted,
Josiah Quincy, Mayor.

Chairman BARRY said:—

Gentlemen of the Board of Aldermen, we have assembled here today to pay our last tribute of respect to the memory

of Frederick O. Prince, who for four years was Mayor of this city, for many years a Trustee of the Public Library, and one who during his entire life was a devoted son of his native city of Boston.

I had the honor of being personally acquainted with Mr. Prince for a lengthy period and was brought into intimate association with him while he was Mayor on account of my membership in the Common Council at that time. I always considered Mr. Prince as a foremost leader of the Democratic party, and I was not alone in this matter. On the contrary, I know that every prominent Democrat in this country recognized his high standing in our organization and that whenever any effort was made to advance our interests or carry out our ideas, Mr. Prince was among the first to be consulted. He believed in his party, not from any sinister or unworthy motive, not for any selfish purpose, but because he felt that Democratic principles were best calculated to nurture a spirit of patriotism and a true loyalty to all that appertained to the welfare of our great and glorious country.

While Mr. Prince was Mayor of Boston he displayed great ability in the administration of the city's affairs. No problem of municipal government presented itself to him which he was unable to solve; no matter of public interest was lost sight of by him; and he was always sure to bring to the attention of the City Government such subjects as he believed should receive its consideration.

His services as Mayor are spread upon our public records and are printed in our city documents, and when in the future a continuation of our municipal history is written many items will be herein found calculated to prove that Mayor Prince was one of the ablest magistrates in the long list of eminent men who have administered the affairs of our great and noble city.

Mr. Prince's connection with the Public Library of Boston is of so recent a date that his generous and painstaking services in behalf of that worthy institution are well known to the public. Suffice it to say that I believe the high standing which our public library enjoys among the most noted public libraries in the world is due in no small measure to Mr. Prince's oversight and personal work in its behalf.

Whatever public occasion demanded the presence of Mr. Prince, the same was enhanced by his attendance. He was a noted lawyer, eminent in his profession, while his powers as an orator were equal to every demand made upon him. But perhaps, after all, Mr. Prince's memory will best be cherished by those who knew him or were brought in contact with him, on

account of his culture and refinement, his affability, his courtly manners and above all by his kindness. He treated all alike, rich and poor, high and low, learned and ignorant—all who approached him were received the same. He was an ideal gentleman, and all who have had the pleasure of his acquaintance or claimed his friendship will long hold in kindly remembrance the name of Frederick O. Prince.

Ald. COLBY presented the following:—
Resolved, that the City Council has learned with regret of the death, at an advanced age, of Hon. Frederick O. Prince, an ex-mayor of this city, and one of its most distinguished and public-spirited citizens. No citizen of Boston has taken a deeper interest in everything that made for the welfare of the city, and his personal traits won for him the affection, as well as the respect, of all who were associated with him. The City Council desires to place upon record its high respect for the character and services of Mr. Prince, and its sense of the loss which the city has sustained by his death.

The question came on the adoption of the resolutions.

Ald. COLBY said:—

Mr. Chairman, I have had no opportunity to prepare any remarks befitting the occasion, but my acquaintance with Mr. Prince was of such long standing and so pleasant in its nature that I cannot forbear saying a few words, which are none the less sincere because they are not accurately and carefully prepared. Of course, we all feel a sense of sadness at the loss of a good man; and yet Mr. Prince has gone to a well-earned reward, because he has spent a long life among us and has done a work which speaks for him. Mr. Prince was a man whom it was a pleasure to meet in a social or business way. I never had anything to do with him in a political way, so I know nothing about that side of the man; but as a lawyer and as a gentleman I knew him well, and also, of course, as a citizen of Boston. I have known what he has done for the city and I appreciate it, as do others who may speak with reference to it. It is good to see a man who gives his time and energy to the service of the city, as Mr. Prince did, and who enjoyed the reward which the citizens of Boston were glad to give to him, electing him to important offices and sanctioning his appointment to appointive positions after he ceased to hold elective office. I think there was always a feeling that whatever Mr. Prince did was done from a sense of duty, of personal responsibility to the city, and not merely from the standpoint of a person who was a politician or who was trying to enjoy some of the rewards of active politics. His attitude was rather that of a citizen of Boston, desiring to see the city prosper, and doing the best in his power with that end in view. All of us who have met him in the different walks of life can testify to his worth and integrity; and his career must be an encouragement and inspiration to those who follow after, who strive to do, even though in a feeble measure, that which will bring to them in some degree the same respect and love of the citizens of Boston which Mr. Prince enjoyed and so well deserved.

Ald. McDONALD said:—

Mr. Chairman, the death of ex-Mayor Prince has removed from earth one of Boston's noblemen. Born in the town of Boston in 1818, four years before Boston had become incorporated as a city, he lived to serve it as its chief magistrate for four years, his whole soul was wrapped up in the city of his birth, which he loved so well. He graduated in 1836 from that great seat of learning across the Charles—Harvard College—which has given to the

world so many men of science, great scholars, great doctors, lawyers and business men and some of its best and wisest statesmen. Its graduates have adorned every position they have occupied—and Harvard College turned out no better or truer citizen than the Hon. F. O. Prince. What he said was taken at its full face value. Many may not have agreed with him, but they were sure that Mayor Prince held as true every word that he expressed or statement that he made. It was in 1877 that I first met Mayor Prince—when I served in the Common Council; and it gave me an opportunity to meet him frequently. His whole mind was given to what was best for the government of the city, and in a large measure Boston is indebted to him for her beautiful system of parks and also the great system of improved sewerage. His name will also ever be associated with Boston's great library. He lived to see Boston develop from a small town to a great metropolitan city. He was a man of keen intellect, a student of history, and on all public occasions he represented the city faithfully. He was a very popular Mayor, kind and courteous to all—a gentleman of the old school, and his name will ever be cherished by the citizens of Boston. The citizens of this city will ever remember him as one of Boston's great mayors; and when the history of this city is written by some future historian the name of Frederick O. Prince will adorn one of its brightest pages.

Ald. BERWIN said:—

We are gathered together today to give utterance of our tribute to the public loss sustained in the death of Frederick O. Prince. At such bereavement words are but vain expression of a lasting grief—for who can fill his public position—a place created by himself, and so charged with his personality, that, although filled by another, as in the future it must be—we are sensible of a loss never to be replaced. I will not dwell upon his record nor attempt his eulogy. These let his own life attest; but I will say from my associations with him on the Committee on Libraries that we have long known that in his zeal he had overtaxed his failing strength. So let us bury him—his task fulfilled—lamented as an irrevocable loss by his city he has served so well, and under the mass of his many charities may he rest in peace.

Ald. McDONALD offered an order—That a committee consisting of the Chairman and four other members of this Board, with such as the Common Council may join, be appointed to represent the city at the funeral of the late Hon. Frederick O. Prince, and that His Honor the Mayor be requested to join with said committee.

Passed. Sent down.

The Chairman appointed as said committee Ald. McDonald, Colby, Brick and Berwin.

Ald. BERWIN offered an order—That any expenses incurred in connection with the funeral of the late Hon. Frederick O. Prince be charged to the appropriation for City Council, Incidental Expenses.

Passed. Sent down.

Ald. BRICK offered an order—That the City Hall be closed during the time set apart for the funeral of the late Hon. Frederick O. Prince.

Passed. Sent down.

Ald. DAY offered an order—That an engrossed copy of the resolution adopted by the City Council on the death of ex-Mayor Frederick O. Prince be transmitted by the City Clerk to the family of the deceased; and that the expense of the same be charged to the appropriation for City Council, Incidental Expenses.

Passed. Sent down.

Adjourned, on motion of Ald. Berwin, at 12:44 o'clock, P.M.

IN COMMON COUNCIL.

The Common Council was called to order by President Kiley, a quorum being present. The Clerk read the call for the meeting, as printed above, and it was placed on file.

The following papers were received from the Board of Aldermen:—

1. Message from His Honor the Mayor announcing the death of Hon. Frederick O. Prince, as printed above.

Placed on file.

2. Resolved, that the City Council has learned with regret the death, at an advanced age, of Honorable Frederick O. Prince, an ex-mayor of this city, and one of its most distinguished and public-spirited citizens. No citizen of Boston has taken a deeper interest in everything that made for the welfare of the city, and his personal traits won for him the affection, as well as the respect, of all who were associated with him. The City Council desires to place upon record its high respect for the character and services of Mr. Prince, and its sense of the loss which the city has sustained by his death.

Mr. WATSON of Wd. 18 moved that, when the vote was taken on the passage of the resolution, it be taken by a rising vote. Carried.

The resolution was adopted in concurrence by a unanimous rising vote.

3. Ordered, That a committee consisting of the Chairman and four other members

of this Board, with such as the Common Council may join, be appointed to represent the city at the funeral of the late Hon. Frederick O. Prince, and that His Honor the Mayor be requested to join with said committee.

Passed in concurrence, and the President appointed Messrs. Stevens of Ward 11, Jordan of Ward 23, Emery of Ward 21, Turnbull of Ward 4, Stone of Ward 7, Logan of Ward 14, and Cuddy of Ward 8, as said committee on the part of the Council.

4. Ordered, That an engrossed copy of the resolution adopted by the City Council on the death of ex-Mayor Frederick O. Prince be transmitted by the City Clerk to the family of the deceased; and that the expense of the same be charged to the appropriation for City Council, Incidental Expenses.

Passed in concurrence.

5. Ordered, That any expenses incurred in connection with the funeral of the late Hon. Frederick O. Prince be charged to the appropriation for City Council, Incidental Expenses.

Passed, in concurrence.

6. Ordered, That the City Hall be closed during the time set apart for the funeral of the late Hon. Frederick O. Prince.

Passed in concurrence.

On motion of Mr. Winsloe of Wd. 21, the Council, at 12.55 P. M., as a further mark of respect for the memory of ex-Mayor Prince, adjourned.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, June 12, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, Chairman Barry presiding and all the members present.

The meeting was called to order at 3:52 o'clock, P.M.

The Board voted, on motion of Ald. Berlin, to dispense with the reading of the records of the last meeting.

APPOINTMENTS BY THE MAYOR.

Communications were received from His Honor the Mayor, making the following appointments, subject to confirmation by the Board:—

(1) S. B. Keene, to be a Measurer of Grain for the term ending April 30, 1900.

(2) William J. Walter, to be an Inspector of Pressed or Bundled Hay or Straw for the term ending April 30, 1900.

(3) Frederick A. Jones, to be a Weigher of Boilers and Heavy Machinery and a Weigher of Coal for the term ending April 30, 1900.

Severally laid over, under the law.

MEMORIAL DAY.

The following was received:—

Mayor's Office, City Hall,

Boston, June 12, 1899.

To the City Council:—

I return herewith for your files the official copy of City Document 84, being the report of the Committee on Memorial Day, together with the order providing for the distribution recommended by the Committee of the appropriation of \$5000, which document was referred to me by vote passed May 22nd, 1899. The distribution of the funds for this purpose made by me differed from that made by the Committee in the omission of the Vicksburg Command No. 15, U. V. U., from the list of organizations granted allowances, and the reduction of the amount allowed each of the other organizations in the list by \$5, the amount thus saved being used towards meeting the expense of decorating the graves of soldiers who died from injuries received in the late Spanish-American war. For this purpose, a committee of the Ninth Regiment, Massachusetts Volunteers, were allowed the same amount given to Grand Army posts (\$355), the remainder of this sum over the amount saved by the above modifications being met by a transfer from the Reserve Fund.

The officers of each of the organizations granted allowances, when receipting for the money, signed a statement that the money received would not be expended for other than memorial purposes, and that they would submit to the City Council before July 1st, 1899, a report giving a statement of the expenditures made from the amount received, together with the actual number of members in the organization, and the number and location of graves decorated.

Respectfully,

Josiah Quincey, Mayor.

Sent down.

REMOVAL OF POLES ON K ST.—VETO.

The following was received:—

Mayor's Office, City Hall,

Boston, June 2, 1899.

To the Board of Aldermen:—

In accordance with the recommendations of the Wire Commissioner, and for the reason stated in a communication from him submitted herewith, I return without

my approval an order passed by your Board May 25, rescinding so much of the order passed by the Board of Aldermen, December 5, 1898, as authorized the Superintendent of Streets to issue a permit to the Boston Electric Light Company to erect poles on K St., South Boston.

Respectfully submitted,

Josiah Quincey, Mayor.

Wire Department.

Office of the Commissioner of Wires,

Old Court House,

Boston, June 2, 1899.

Hon. Josiah Quincey, Mayor.—

Sir: I beg to acknowledge the receipt of the accompanying order "rescinding so much of the order of the Board of Aldermen, passed November 5, 1898, as authorized the Superintendent of Streets to issue a permit to the Boston Electric Light Company to erect poles in K St., Wds. 14-15," and I respectfully submit the following report:—

The number of poles called for in the original order and shown on the plan on file in this office is three, and they are to be used for the support of the circuits furnishing current to the street lights in this and other streets of South Boston. These wires are now attached to the shade trees in the street, a method which this department condemns, particularly in the case of high tension wires of this class, as it is impossible to secure the supports therefor in a safe or permanent manner, owing to the corrosive effect of the sap in the trees on the nails, spikes, or screws used in fastening the necessary insulating supports, and for the further reason that the swaying of trees through the prevalence of strong winds tends to pull these supports from their fastenings, either breaking the wire, or causing it to drop within reach of persons in the streets, or on wires that are in themselves harmless, rendering both extremely dangerous to persons and property.

The exact location of these poles has been selected by representatives of this department and are the least objectionable possible to the abutters.

It is my opinion that this company should be permitted to comply with the requirements of the Wire Department and at the same time reduce the dangers attending the transmission of high tension currents, by setting the number of poles (3) indicated in the original order of December 5, 1898.

Yours very truly,

Thos. W. Flood,

Commissioner of Wires.

Referred to the Committee on Public Improvements, on motion of Ald. Codman, with instructions to report back today.

DRINKING FOUNTAIN, EAST BOSTON.

The following was received:—

Mayor's Office, City Hall,

Boston, June 1, 1899.

To the Board of Aldermen:—

I transmit herewith a communication from the Water Commissioner in reply to your order of May 6th requesting certain information in regard to drinking fountains in East Boston.

Respectfully,

Josiah Quincey, Mayor.

Office of the Water Commissioner,

City Hall, Boston, May 27, 1899.

Hon. Josiah Quincey, Mayor.

Sir: Answering in the order in which they are presented, the inquiries relative to drinking fountains in East Boston contained in the attached order of the Board of Aldermen, passed May 8th, and referred by Your Honor to me for report, I would say:—

1st. The drinking fountain referred to was originally located in the sidewalk around the enclosure known as Central Sq. Some time in 1893 the sidewalk was abolished and the land taken for highway purposes. This, of course, necessitated the abandonment of the drinking fountain, and in its place a trough for

beasts was established in the middle of the square, and a fountain erected for men on the sidewalk in front of Jackson & Caldwell's store, Central Sq., where it remained until Aug. 1st, 1897, when it was removed by request of the Common Council. We have many times attempted to relocate this fountain in this vicinity, but have been unable to secure a location on account of the refusal of abutters. I shall be very much pleased to restore this fountain if a proper location can be found.

2d. East Boston will have four or five cold water fountains, one of which is already located and will be in service Memorial Day.

3d. The following are the locations of the drinking fountains in East Boston:—

Bennington St., junction Chelsea St.

Central Sq.

Maverick Sq.

Square at Winthrop Junction.

Lewis St. at Marginal St.

Neptune Road at Wood Island Park.

Saratoga St., junction Pope St.

Maverick St., cor. Cottage St.

Prescott St., at Bennington St.

No. 120 Marginal St.

Of these fountains, the first four are for beasts only, with continuous flow summer and winter, and the remainder are for men, in warm weather only. The fountain at No. 120 Marginal St. is a "cold water" one.

Respectfully yours,

John R. Murphy, Water Commissioner.

Placed on file.

RESULTS OF THE REPAIR DIVISION.

The following was received:—

Mayor's Office, City Hall,
Boston, June 2, 1899.

To the City Council:—

I transmit herewith for your information the accompanying report, made by a committee appointed upon my invitation by the Merchants' Municipal Committee and the Boston Society of Architects. The finding of the Committee, after its expert and impartial investigation, that a net profit of \$12,616.60 was earned by this Division between the date of its establishment in January, 1898, and April 1, 1899, is certainly a gratifying one, and in my opinion amply justifies the establishment of this Division, and reflects credit upon its management.

I suggest that the report be printed as a public document.

Respectfully submitted,

Josiah Quincy, Mayor.
Boston, Mass., May 27, 1899.

Hon. Josiah Quincy, Mayor of the City of Boston:—

Sir: The Committee appointed on examination of Repair Division have attended to the duties assigned them, and beg leave to submit the following report:—

A careful examination of the accounts from January 1, 1898, to April, 1899, including verification of pay-rolls and checking of all bills for work and material, has been made, and the same found to be correct. The profit to the city during this period, as shown by enclosed statement, is \$12,616.60, and the work, so far as the Committee can learn, is of superior quality, and has been performed in a satisfactory manner. While it is difficult to form a correct estimate of the cost of repairs made in many departments, we have found by estimates made upon plans and specifications submitted by the City Architectural Department, that the estimates of the Repair Division were lower than those submitted by outside contractors who were invited to bid in competition, and in some cases the work was performed at less than the estimated cost.

In the opinion of the Committee, the establishment of the Repair Division has been a profitable undertaking for the city, and if its operations were large enough to enable it to purchase a larger machinery plant, and also purchase stock and materials in larger quantities, the

Division would be able to do better service for the city.

The system of book-keeping should be changed from single to double entry, as the present method does not show the affairs of the Division in such a complete form as is desirable; and we recommend that this change be made, and the accounts so arranged, that the amounts due to, and by the Division, together with the approximate standing of the Division, can be easily and correctly ascertained.

William O. Blaney,

Representing the Merchants' Municipal Committee.

J. Pickering Putnam,

C. H. Blackall,

Edwin J. Lewis, Jr.,

Representing the Boston Society of Architects.

W. O. Blaney, Esq.,

Chairman Committee on Examination of the Repairs Division:—

Dear Sir:—I have made an examination of the accounts of the Repairs Division of the Public Buildings Department of the city of Boston, and beg to submit the following report:—

My examination has covered the period from January, 1898, the beginning of the Division, to April 1, 1899, and has included: First.—The addition of all pay-rolls as shown on the original pay-roll books, and the verification of their amount by the original paid pay-roll sheets in the City Auditor's office. Second.—The checking of all bills rendered by the Division, for work performed, with the amounts of the bills deposited in the City Collector's office for collection, with the exception of bills for work done in March, 1899, on uncompleted work, and those bills I have examined. Third.—The checking of all bills for purchases of all kinds, made by the Division, with the bills as paid through the Public Buildings Department and City Auditor's office, or with bills remaining unpaid in the Public Buildings Department. The amount of stock on hand April 1, I take from the report of Mr. George H. Manson, and for tools, office furniture and fixtures, machinery and boilers, and horses, wagons, harness, etc., from the vouchers.

The books of this Division have been kept by a system of single entry, and do not show the affairs of the Division in such a complete form as I believe it is desirable that they should. They show no merchandise, machinery, tools and fixtures, expense or other impersonal accounts, from which the standing of the Division can be easily obtained. I would recommend that the system of bookkeeping be changed to double entry, with the accounts so arranged that the amounts due to, and by, the Division, can be easily and readily seen, that machinery, tools and fixtures, merchandise, expenses or any other accounts, which may be desirable, be opened, so that, with a trial balance, and an estimate of stock on hand, the approximate standing of the Division can be seen each month.

I annex hereto a copy of the Inventory of April 1, 1899. Respectfully submitted,
Thos. P. Parsons, Accountant.
Boston, April 24, 1899.

CONTRACT FOR GAS LIGHTING.

The following was received:—

Mayor's Office, City Hall,

Boston, June 12, 1899.

To the City Council:—

I transmit herewith for your information a copy of a contract between the City and the Rising Sun Street Lighting Company, executed by the Superintendent of Lamps and approved by myself on May 31st.

While this contract is a departure from the general policy, in which I am a strong believer, of having all work for the municipality performed, as far as practicable and reasonably economical, by its own employees, the Superintendent of Lamps and myself were satisfied after enquiry that the city could not in any other manner secure the very important benefits of better street lighting, through the use of the incandescent mantle and the boulevard type of lantern. The fact that the use of this mantle, which is now admitted and demonstrated by patents, and that the policy of the owners of these patents, adhered to wherever the incandescent mantle has been introduced extensively, has been to take charge of the care and maintenance of such lamps themselves, or through local companies, instead of entrusting them to municipal authorities, seemed to render it necessary for the city either to forego the important advantages of securing better lighted streets, at substantially the same cost as at present—thus falling behind other large cities both in this country and abroad, in which the mantle system of lighting has been or is being extensively introduced—or else to make an exception in this case to its general policy of employing its labor directly.

Under this contract the contracting company is to install throughout the city, at its own expense, boulevard lanterns of the latest improved type, and is to maintain such lanterns so that each will furnish a sixty candle-power light, which is nearly four times the light now furnished; any reductions in the price of gas which may be secured from any company furnishing it are to inure to the sole benefit of the city, and it is further understood that the company is to take into its employment all of the lamp-lighters now in the service of the city, at the same rate of pay.

While the Superintendent of Lamps and myself have taken a considerable responsibility in the making of this contract, we are entirely confident that the results will commend themselves to our citizens generally, and that the city will derive a material benefit from the change. I believe that it will be possible in many places to meet the demand for additional electric

lights by the installation of these new lamps, and that the city will thus make a sufficient economy to fully make up for the slightly greater cost per lamp; and if necessary, the Lamp Department can be run without any increased expense whatever under the contract, and give a very greatly increased amount of street lighting. I believe also that the substitution of ornamental boulevard lanterns for the present gas lamps, many of which are in a poor state of repair, will tend to beautify the city and to improve the appearance of the residential sections; and the original cost of installing such lanterns, which is wholly borne by the contractor, must amount to a very considerable sum. I may add that the Superintendent of Lamps and myself will welcome any fair inquiry into all the circumstances surrounding the making of this contract if the City Council believes that our citizens desire any further enlightenment with reference thereto.

I think it proper to add that the making of this contract in no wise indicates any change in the general policy of extending rather than diminishing the direct employment of labor by the city, which I have favored since I have been in office, and that there is no foundation whatever for reports which have been put in circulation that it was my intention to transfer to contractors any other work which the city is now performing through its own employees. Respectfully submitted,

Josiah Quincy, Mayor.

The Rising Sun Street Lighting Company, a corporation duly established under the laws of the State of Maine, having a usual place of business in the City of Boston, in the County of Suffolk, and Commonwealth of Massachusetts, hereinafter called the contractor, of the first part, and the City of Boston, a municipal corporation in said Commonwealth, hereinafter called the city, of the second part, agree as follows:—

Article I. Said contractor shall have the charge of all gas-lanterns hereafter used for lighting the streets and places of said city, except such lanterns as said contractor shall be notified from time to time by the Superintendent of Lamps of said city to discontinue; shall within four months after June 1, 1899, place on every post designated, within one month after the date hereof, by said Superintendent, a boulevard lantern of said contractor like the lantern deposited as a sample in the office of said Superintendent and marked "Welsbach Boulevard No. 1," and shall within five days after being notified by said Superintendent so to do, place on every additional post specified by the said Superintendent, and furnished with a supply pipe from the gas main to the top of the post, a similar lantern; shall, when required by said Superintendent, furnish in place of any lantern, whether owned by the city or said contractor, other than a boulevard lantern, a lantern of the pattern now kept in said office as specified by said Superintendent, or any other lantern, if the contractor and the Superintendent shall so agree; shall place and maintain on every gas-lantern when in use, whether owned by the city or said contractor, a Welsbach burner and mantle, and furnish gas and keep it burning in every such lantern during the hours shown on time cards to be furnished by said Superintendent, so as to give a sixty (60) candle light; shall keep all lanterns when in use in good repair and condition and well painted, and properly replace all broken or displaced glass and signs on said lanterns before the next time of lighting, the signs to be furnished by the city but placed and kept securely fastened by the contractor; shall clean all lanterns when in use as often as once a week, and oftener if required, to keep the light from being obstructed; and shall when it removes a lantern without substituting another therefor, properly

plug the pipe so that the gas will not escape therefrom.

The Superintendent of Lamps and the contractor may agree at any time to install in lieu of gas-lamps as many Welsbach naphtha lights of sixty (60) candle power each with boulevard lanterns of approved pattern as may be necessary to fully carry out this contract, same to be kept and maintained as herein provided under and subject as to cost and other requirements to all the other provisions and obligations of this contract applicable thereto.

Article II. Said contractor shall report in writing at the office of said Superintendent on Thursday of each week, and on the ninth of each month, the number of said lanterns lighted on each night subsequent to the last report, giving in each report the name of each person engaged in lighting the lanterns and the number lighted by each person.

Article III. Said contractor shall have the use of all property now belonging to the city, and used by the Superintendent of Lamps in carrying on the duties of his Department, as the contractor considers necessary to carry out this agreement; shall keep the same in good condition and repair, and replace any thereof that shall be destroyed or injured, and shall return the same to said city in like good order and condition when the lanterns to be placed within four months from the time this contract goes into effect are so placed.

Article IV. Said city shall lay and maintain all gas-pipes to the burners in the care and charge of said contractor and keep the same in good condition and repair; as full payment for everything furnished or done by, or resulting to, the contractor in carrying out this contract, shall for each year of three thousand eight hundred twenty-eight (3828) hours pay for each and every lantern taken care of and lighted by said contractor as aforesaid, at the rate of thirty (30) dollars per year, in proportional monthly payments on the first day of each and every month; provided, however, that if any lantern has not been kept and lighted in accordance with this contract during all the hours required by said time card a proportional deduction as determined by said Superintendent, shall be made; and provided, further, that if at any time by reason of a reduction by any gas company in the price of gas, the contractor shall procure its gas supply at a lower average price per lamp for the whole number of lamps lighted than the average price paid for gas by the contractor when the system provided for herein is fully installed, the said rate paid by the city shall be reduced by the amount of the reduction in the price of gas so secured. (It is understood and agreed that any reduction made prior to the complete installation of the Welsbach system shall be calculated in the deduction from the rate to be made as before provided with like force and effect as if made thereafter, but the contractor shall receive the full rate until such installation is complete). The contractor shall render to the city statements every three months, showing such reductions, if any, and the amounts of same accrued during the prior three months shall be deducted from the next payments due the contractor. The said rate paid by the city shall then be adjusted in accordance with such reductions.

Article V. This contract shall take effect June 1, 1899 (which date may be changed by mutual consent), and shall continue in force subject to the necessary appropriation being made for gas lighting, for the term of seven years from June 1, 1899—but any change of date shall not relieve the contractor from its obligation to have the Welsbach system as provided herein fully installed and in operation within four months from June 1, 1899, and shall continue thereafter until a new agreement is made by the parties, or until the expiration of three months after notice in writing which may be given prior to said date by

either party of its election to terminate the contract at the end of seven years as herein provided, and on such termination the said contractor may remove its lanterns and all other property by it furnished under this agreement, providing the same is not purchased by the said city. If at the expiration of said term the Mayor of said city desires that the city shall purchase the lanterns, burners and mantles of said contractor, and notifies the contractor to that effect, the contractor shall convey the same to the city upon terms to be agreed upon by the parties at that time, and, if they cannot agree, the same shall be fixed by three persons, one to be selected by the mayor of said city, one by the contractor, and the third by the two so selected, and the decision of a majority thereof shall be binding upon the parties; and provided, further, that the contract shall continue for a second period of seven years if the Mayor of said city shall within three months of the expiration of the first period of seven years so notify in writing the contractor.

In witness whereof, the said Rising Sun Street Lighting Company, by its proper officer, and the said city by its Superintendent of Lamps, duly authorized and approved by the Mayor, have hereunto set their hands and seals on this thirty-first day of May, A. D. 1899.

The Rising Sun Street Lighting Company,
By Wesley A. Gove, President,
City of Boston,
By James Donovan,
Superintendent of Lamps.
Approved: Josiah Quincy,
Mayor of Boston.

BOND.

Know all men by these presents:—

That the Undersigned are held and bound unto the City of Boston, in the sum of twenty-five thousand (\$25,000) dollars, lawful money of the United States of America, to be paid to said city, or its assigns, to which payment, well and truly to be made, the undersigned jointly and severally bind themselves, their heirs, executors, administrators, successors and assigns.

The Condition of this obligation is that if the party designated as contractor in the foregoing contract for lighting with gas the public places of said city, shall faithfully furnish and do everything required therein of the contractor, this obligation shall become of no effect, otherwise it shall continue in full force.

Signed, sealed and delivered this thirty-first day of May, 1899.

The Rising Sun Street Lighting Company,
By Wesley A. Gove, President,
American Surety Company of New York,
By Wallace H. Ham, Resident Vice-President.

Attest: Eliphalet I. Philbrick,
Resident Asst. Secretary.

Ald. CODMAN—Mr. Chairman, I presume that that is a long document. I move that the reading be dispensed with and that it be referred to the Committee on Public Improvements.

Ald. BRICK—Mr. Chairman, I hope that document will be read.

The CHAIRMAN—Objection being made, the Clerk will read the communication from His Honor the Mayor.

The Clerk read the communication.

Ald. DOYLE—Mr. Chairman, I desire to offer an order in connection with that message from His Honor the Mayor, and to move that both be referred to the Committee on Public Improvements.

Ald. Doyle at this point offered an order, which was sent to the Chair.

Ald. BERWIN—Mr. Chairman, I desire to make a motion at this time. The Republican members of the Board are fully aware of the contents of that order, and I move that the reading of it be dispensed with.

Ald. COLBY—Mr. Chairman, I ask for

information, as to how long that communication from the Mayor has been on file and whether it antedated the conference of the Democrats or not?

Ald. Doyle's order was as follows:—

Ordered, That the Committee on Lamps be instructed to inquire into the contract for lamp lighting recently made with the Rising Sun Street Lighting Company, and to report to this Board its conclusions regarding the same.

The communication and order were referred to the Committee on Public Improvements.

MALDEN BRIDGE LOAN RESCINDED.

The following was received:—

Mayor's Office, City Hall,
Boston, June 12, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Apportionment rescinding the loan order providing \$50,000 for rebuilding the draw and reconstructing the present Malden bridge, for the reason that this work is now otherwise provided for, under the provisions of Chapter 280 of the Acts of the year 1899, under which the sum of \$200,000 has already been charged off against the borrowing capacity of the city for the current year, and is available for this purpose.

This order requires to be passed in concurrence by both branches of the City Council before it can take effect, and of course it is desirable that this money, which is now tied up, should be made available for other uses.

Respectfully submitted,
Josiah Quincy, Mayor.
City of Boston,

In Board of Estimate and Apportionment,
June 3, 1899.

Ordered, That the order passed by this Board on February 7, 1899, appropriating fifty thousand dollars (\$50,000) for rebuilding the draw and reconstructing the present Malden bridge, and authorizing the City Treasurer to issue bonds of the city of Boston, payable in ten years from their date, to said amount for said purpose, be, and hereby is, rescinded.

Josiah Quincy,
David B. Barry,
John P. Dore,
Daniel J. Kiley,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

Passed in concurrence with the Board of Estimate and Apportionment. Sent down for concurrence.

MILITIA TARGET GROUNDS—LOAN FOR.

Mayor's Office, City Hall,
Boston, June 12, 1899.

To the City Council:—

Under the provisions of Chapter 142 of the Acts of 1898, this city was forbidden to acquire land "for a ground or place for the parade, drill and target practice of the militia," as had been required by a previous statute, prior to the first day of June in the current year, and it was further provided that the appropriation of \$125,000 made for such purpose by the City Council in the year 1895 should not be "divided or used or applied for any other purpose" prior to said date.

This statute was passed as a step toward carrying out the recommendation which had been made by the State Inspector General of Rifle Practice that the Commonwealth should provide such a parade ground for the use of the militia of the cities and towns of the Metropolitan District, instead of having such a ground provided by the city of Boston for the use of its own militia. The policy thus presented received my hearty approval at the time, and I think that all competent authorities recognize that it is the correct one, particularly in view of the fact that it is exceedingly difficult, if not altogether

er impossible, for the city of Boston to obtain a suitable piece of land for this purpose within its own limits, and of the complications which are met with in attempting to go outside of its limits. In view of the position of the authorities of the State having charge of rifle practice and of this statute, I believe that this city is fully warranted in taking no further steps for the acquirement of a rifle range, in awaiting action of the Commonwealth to provide for the establishment of a metropolitan rifle range, and in devoting to other uses the appropriation made for this purpose, which has remained unused for the last four years; and I am confirmed in this opinion by the apparent futility, judging by past experience, of any efforts to secure the application of this appropriation.

I therefore desire, particularly in view of the urgent need of this money for other purposes, to recommend to the City Council the passage of the accompanying order rescinding this appropriation (which order can be passed by a majority vote of each branch), which will add the sum of \$125,000 to the very limited amount of borrowing capacity for the remainder of this year. If this order should be passed, I should favor the appropriation of this money for the usual street improvements in the different wards of the city.

I think it proper to add for the information of the City Council, that if it should not see fit to pass such a rescinding order, I should transfer this appropriation to the appropriation for the maintenance of the Sewer Division of the Street Department, under the authority of Chapter 450 of the Acts of the year 1899; so that it will not in any case be available for the purposes originally designated.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston,
In Board of Aldermen.
June 12, 1899.

Ordered: That so much of the order approved July 9th, 1895, as appropriated \$125,000 for "Grounds for the parade, drill, and target practice of the militia belonging to the city of Boston," be and hereby is rescinded.

Ald. ADAMS—Mr. Chairman, I move that both the message and order be referred to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I rather anticipated that motion, and shall object to the reference of this communication from His Honor the Mayor to the Committee on Public Improvements. I object for these reasons: I have been a member of the Board of Aldermen for some three years, and during those three years I have been a member of the Committee on Armories and Military affairs. I am, therefore, somewhat familiar with the subject referred to by his Honor the Mayor. His Honor the Mayor has attempted this past year, I know, to get control of this \$125,000. About that there is no question. But for once, in its wisdom, the Legislature saw fit to amend the original proposition inspired by him, whereby he sought to obtain control of the \$125,000, and after it did pass the Legislature he discovered that the money was still tied up.

I do not feel physically able to do much talking this afternoon, but, anticipating from reading the newspapers the past few days that the Chief Magistrate intended, if he possibly could, to get control of this \$125,000, I took occasion to look up the legal side of the question. The tone of this communication is of such a threatening nature that I feel that the members of the board, in order to maintain their own dignity in the matter, should refuse to accede to whatever suggestions the Mayor has made. Aside from that feeling of mine as I have listened to his communication, I have conferred with eminent legal authority upon the question and obtained an opinion, which has been reduced to writing, and

which I beg leave to ask the Clerk to read, because I do not feel able to do so. I will essay as my humble opinion the fact that this Board alone has control of that \$125,000, and that it is the duty of the Board to provide and maintain a rifle range for the city of Boston.

The CHAIRMAN—The Chair will read the opinion of some eminent lawyer, obtained from him by Alderman Berwin, as the alderman is indisposed.

The Clerk read the following:—

"I am of opinion that, under the act passed by the legislature of this year authorizing the mayor to use unexpended loans and appropriations to a certain sum to enable the repayment of the unlawfully collected sewer taxes, the mayor has no power to use the appropriation and loan authorized by the Board of Aldermen for the purpose of providing a rifle range, and can only resort to such appropriations and loans as the city has already made for purposes entirely voluntary in their nature.

"It is to be remembered that there are two kinds of appropriations that a municipal corporation makes, one kind being that which the law authorizes but does not compel, the other being that which the law compels and the city must make under a penalty for default.

"For the purpose of developing the skill of the militia that it may better defend the State and nation in the hour of need, the legislature has required the different cities in the Commonwealth to provide rifle ranges for the militia having headquarters within them at the expense of the different municipalities, and specifically requires the "mayor and aldermen" of Boston to provide such a range. However much the city may dislike the expenditure, it has no choice but to submit. The peculiar welfare of the inhabitants of the city has nothing to do with the case. No delay, other than specifically permitted by the legislature, can or ought to be tolerated. The penalty has already been incurred, and will continue to increase.

"For those purposes peculiar to the city, where the needs of the city alone are and can be consulted, under legal authority, the city makes certain appropriations. They are authorized, but purely voluntary and peculiar to the city alone. These are the loans and appropriations which may be suspended and converted under the Act of 1899, and not those which the legislature, for the benefit of the Commonwealth and the Nation, has already, under penalty, specifically required the "mayor and aldermen" to make.

"All statutes, however unequivocal they may seem in their language, are to be interpreted in the light of surrounding circumstances and the fixed policy of the legislative power.

"A statute, however general in its apparent scope, is never to be read as in conflict with some specific legislation which the latter statute does not expressly repeal or qualify; but both must be read together, and the latter statute must be confined in its operation to those things not inconsistent with the specific legislative policy.

"Under these rules of interpretation it is clear that the legislature by its act of 1899 did not intend to enable the city of Boston to escape for any length of time whatsoever the performance of the mandatory duty put upon it by the rifle range act of 1895, and that the seizure of any part of the appropriation under that act would be unlawful."

Ald. ADAMS—Mr. Chairman, I believe this whole matter should be referred to the Committee on Public Improvements, for this reason: I have found in my three years' experience in the City Government that when I have differed from the Mayor in any particular matter, he has always been ready to confer with me and act upon the matter in a just way. I believe this

is a matter upon which we cannot afford to get at loggerheads with the Mayor. He states positively in the communication he sends in this afternoon that unless we rescind the order, as suggested by him, he will transfer the appropriation to the appropriation for the maintenance of the Sewer Division, under the authority of the act passed by the recent Legislature. Now, I believe with a little compromising and conferring with the Mayor on this matter, we shall be able to still be amicable, and I believe the whole matter should be referred to the Committee on Public Improvements, in order to give us a chance to interview the Mayor, having him come before us, and seeing if we cannot fix the matter up. I therefore hope the alderman from Wd. 6 (Ald. Berwin) will allow the whole matter to go into the Committee on Public Improvements.

The communication from the Mayor, with the legal opinion presented by Ald. Berwin, were referred to the Committee on Public Improvements.

Ald. BERWIN—Mr. Chairman, I merely intended to have that opinion incorporated in my own private remarks, and in my own way, privately, to give credit to the proper party.

—
SALE OF "MARCELLA ST. HOME."

The following was received:—

Mayor's Office, City Hall,
 Boston, June 12, 1899.

To the City Council:—

I transmit herewith a communication from the Chairman of the Trustees for Children calling attention to the very crowded condition of the Parental School, and to the need of authorizing the sale of the Marcella St. Home property, for which these trustees have no further use, in order that means may be provided for making the necessary additions to the Parental School. In a communication to the City Council under date of May 16th, 1898, I again renewed a recommendation which I had already once made that authority be given for the sale of the Marcella St. Home property, but no action has yet been taken upon the matter. I now desire to earnestly renew the recommendation, and to urge the passage of the accompanying order, which turns this property over to the Street Commissioners for sale, following the usual course, instead of authorizing its sale directly by the Trustees for Children. In order to enable the Board of Apportionment to act intelligently upon the application of the Children's Trustees for additional appropriations for the Parental School, it should know whether the Marcella St. Home property is to be sold.

Respectfully submitted,

Josiah Quincy, Mayor,
 Children's Institutions Department,
 Trustees for Children,
 June 9th, 1899.

Hon. Josiah Quincy, Mayor.

Sir: The Trustees for Children desire to call your attention again to the overcrowding of the Parental School at West Roxbury, and earnestly trust that the Board of Estimate and Apportionment may see its way clear to grant temporary relief.

We now have 213 boys in this institution, originally intended for 80. These boys are overcrowded, and it is not to the credit of our city to receive them without giving them proper accommodations.

In this connection the Trustees feel that the very valuable property, formerly known as the Marcella St. Home, containing 338,337 feet of land, in the heart of our city, should be sold, as it can no longer be used by us, and in this way the means for taking proper care of the

increasing number of truant boys in our city can be provided.

Respectfully yours,

H. A. Lamb, Chairman,
 City of Boston,
 In Board of Aldermen,
 June 12, 1899.

Ordered, That the Trustees for Children be authorized to transfer to the Board of Street Commissioners the Marcella St. Home property, the same being no longer used as an institution for children, and that said Board of Street Commissioners be authorized, with the approval of His Honor the Mayor, to sell the same for such price and upon such terms, as they may deem advantageous.

Referred to the Committee on Public Improvements, on motion of Ald. Fresno.

—
STREET WATERING DISTRICTS.

The following was received:—

Mayor's Office, City Hall,
 Boston, June 12, 1899.

To the Board of Aldermen:—

I transmit herewith a map showing a division of the city into street watering districts, as prepared by the Superintendent of Streets, and I hereby recommend the passage of the accompanying order prepared by him, such order being in conformity with the provisions of Chapter 366 of the Acts of the present year.

Respectfully submitted,

Josiah Quincy, Mayor,
 City of Boston,
 In Board of Aldermen,
 June 12, 1899.

Ordered, That the territory of the city be divided into four street watering districts, as shown on a plan marked "City of Boston, St. Watering Districts, 1899, Benj. W. Wells, Supt. of Streets," on file in the office of said Superintendent, and that the owners of estates abutting on public ways or parts thereof in said districts shall pay an assessment per linear foot of their estates so abutting, to be used for watering each way or part thereof to the same extent in the same district, as follows:—

In District No. 1, seven cents.

In District No. 2, six cents.

In District No. 3, five cents.

In District No. 4, four cents.

Referred to the Committee on Public Improvements.

—
HEARINGS AT 3 O'CLOCK.

On petitions for leave to project bay windows, etc., viz.:—

1. Sophia M. Hauk, one window at 617 E. Broadway, Wd. 14.

2. Charles W. Alden, one window from building 179 and 181 Bunker Hill St., Wd. 3. No objections. Severally referred to the Committee on Building Dept. (Ald.)

3. The Massachusetts General Hospital, facades, three over Washington St., and eight over Bedford St., from building 496 to 509 Washington St., corner of Bedford St., Wd. 7.

J. Henry Russell, in behalf of Wm. Minton, Trustee, owner of adjoining estate on Washington St., objected to the granting of the petition, on the ground that it would be interfering with light and air on a narrow street.

No further objection. Referred to the Committee on Building Department (Ald.)

4. On petition of the Charlestown Gas and Electric Company for leave to erect two poles on Water St., Wd. 5, and for leave to lay a conduit across Warren Ave. and in Water St., Wd. 5.

No objections. Recommitted to the Committee on Electric Wires.

5. On petition of the trustees Municipal Real Estate Trust for leave to lay a pipe to be used for steam heating and power purposes under and along Portland St., Wd. 6, from Nos. 75 to No. 94 on said street.

No objections. Recommended to the Committee on Public Improvements.

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named:—

Building Dept.

Boston Elevated Ry. Co., for leave to build a wooden addition on Blue Hill Ave., cor. Stanwood St., Wd. 20.

Building Dept. (Ald.).

Petitions for leave to project signs, etc., viz:—

L. Starr & Co., two small show cases, at 28 Tremont Row, Wd. 6.

C. F. Tomey, two barber poles at 25 Cunard St., Wd. 13.

Wong Co., a sign, at 169 Cambridge St., Wd. 8.

Israel Finkelstein, a sign, at 2305 Washington St., Wd. 22.

J. G. Stone, a sign, at 888 Harrison Ave., Wd. 12.

F. W. Reeves, an illuminated druggist's mortar, at 1 Green St., Wd. 8.

John J. Joynt, a transparency, at 11 Broadway extension, Wd. 7.

Frank E. Wyman & Co., a V-shaped sign, at 9 Otis St., Wd. 7.

Max Shachtanwitz, three barber poles, at 63 North St., Wd. 6.

Frederick C. Martin, a sign, at 39 Warrenton St., Wd. 7.

C. H. Jackson, an illuminated sign, at 93 Blackstone St., Wd. 6.

Jesse M. Patrick, two barber poles, at 78 Green St., Wd. 8.

M. I. Bornstein, an auctioneer's flag, at 3 Bowdoin Sq., Wd. 6.

Harry Freidberg, a sign, at 324 Harrison Ave., Wd. 9.

Solomon A. Epstein, to project two mortar signs, at 12 Tremont Row, Wd. 6.

P. Schendel & Co., to project an illuminated sign at 55 Court St.

S. A. Woods Machine Co., for leave to construct cellar bottom of building on Earl St., near Dorr St., Wd. 15, at grade 10.

Claims.

Joseph Comeau et als., for payment to Wm. H. Baker for balance remaining from tax sale of estate on Denny St.

Elizabeth C. Giblin, for compensation for damage to estate 400 Chelsea St., E. B., caused by the obstruction of the sewer at said estate.

Elizabeth C. Giblin et al., for compensation for damage to estates 409 and 412 Braimen St., caused by the obstruction of the sewer in front of said premises.

Supreme Council of the Royal Arcanum, to be refunded the amount paid by it as an assessment for a sewer tax.

Edith A. Noyes, for compensation for damage to her clothing caused by water from a hose belonging to the Fire Dept., May 9, 1899.

John T. Mullaney, for compensation for damage to his team on account of a collision with Truck No. 7 of the Fire Department.

Bridget Fitzgerald, for compensation for damage to her property at 216 Havre St., E. Boston, caused by the bursting of a hydrant.

Electric Wires.

Postal Telegraph-Cable Co., for leave to erect poles, wires, etc., on Sumner and East Cottage Sts., Dorchester.

Brookline Gas Light Co., for leave to erect poles on Oak Sq. Ave. and Brackett St., Wd. 25.

Brookline Gas Light Co., for leave to erect two poles on Wirt St., Wd. 25.

Mrs. M. E. Cable et als., for removal of poles of the N. E. Tel. & Tel. Co. of Mass., on Beethoven St.

Charlestown Gas & Electric Co., for leave to erect two poles in Kingston St.

Boston Electric Light Co., for leave to

erect poles on Savin Hill Ave., Adams St., Dorchester Ave., St. Alphonsus St., Felloes and Mercer Sts.

Petitions of the N. E. Tel. & Tel. Co. of Mass., viz:—

For leave to erect poles on Wabon St., Wd. 21; Mansfield St., Wd. 25; and Topliff St., Wd. 20; and to erect and to remove one pole at corner of Washington and Dudley sts., Wd. 21.

For leave to erect and to remove one pole each on Market St. and Western Ave., Wd. 21.

For leave to erect and to remove one pole on Wait St., Wd. 19.

For leave to remove three poles on Oak St., Wd. 4.

For leave to erect and to remove one pole on E. Second St., between M and L sts., Wd. 14.

For leave to erect and to remove poles on Rockland st., Wd. 25.

For an extension of time to June 30, 1899, in which to erect and to remove poles authorized under an order approved Oct. 19, 1898.

For leave to erect five poles in King St., Ward 24.

Supt. of Public Grounds.

Eliza V. McCormick, for leave to remove a tree in front of her house, 252 Lamartine St., Wd. 22.

John McNamara, for the removal of a tree in front of 23 Union Park, Wd. 9.

Health Dept.

William Bradley et als., for the establishment of a public crematory.

Lamps.

Mass. General Hospital, for an electric light opposite the yard of No. 21 Warrenton St.

Mass. General Hospital, for an electric light opposite No. 10 Common St., Wd. 7.

Frank A. Mayberry, et als., for naphtha lamps in Ballou Ave., Dor.

Licenses.

E. J. Loring, for a license for a merry-go-round on vacant lot on Brandon St., Roslindale, for two weeks commencing June 23, 1899.

Mrs. Julia Semon, for a permit for Primrose and Martin Semon, under 15 years of age, to appear at Austin & Stone's Museum, for two weeks beginning June 12.

J. H. Emery, for a permit for Ada and Blanche Rose, Gertrude Packard and Anita Sylvia, all under 15 years of age, to appear at the Castle Sq. Theatre, during the week beginning June 12.

C. C. Collins, for leave to run a passenger barge between Spring St., Wd. 23, and the Caledonia Club Grounds, during the present season.

John Duffy, for license to run a passenger barge between Chestnut Hill Reservoir and the Brookline line.

Ordinances.

Freeman O. Emerson et als., that such action may be taken as may be necessary to prevent heavy teaming on Warren Ave., Wd. 10, between the hours of 8 p.m. and 6 a.m.

Railroads.

West End Street Railway Co., for leave to locate double tracks on Providence St. and St. James Ave., etc., and to use the overhead electric system thereon.

West Roxbury & Roslindale St. Ry. Co., to be allowed to exchange its cars with cars of the Needham & Boston St. Ry. Co. at the Boston line at Spring St., and to use the cars of the last named company on its line from Spring St. to Forest Hills.

Public Improvements.

Harry E. Weston, for leave to construct a bulkhead opening at 21 Guild row, Wd. 18.

West End Street Railway Company, that the lines of the sidewalk at the corner

of Harrison Ave. and Dover Sts. be readjusted.

Woodbury & Leighton, for a location for gny posts at 87 and 71 Kingston St.

Anthony Volta, for a renewal of permit to maintain bootblack stands opposite 13 Franklin Ave.

Frank S. Robbins, for leave to erect gny posts and stretch gny ropes therefrom, one on Belvidere St. and one on Bothnia St., Wd. 10.

John Cavanagh and Son B. M. Co., for leave to move a wooden building from 70 Boston St., Wd. 16, to Wesley St., Wd. 16.

Thomas L. Jenks, for leave to construct a bulkhead at 63 Green St., Wd. 8.

Estate of John S. Meserve, for leave to lay a 1 1/4 inch pipe under sidewalk at 211 Bunker Hill St., Wd. 3.

Petitions for sidewalk, viz.:-
Mary Smiddy et als., 220-222-224-226 Paris St., Wd. 2.

A. H. Flint, 542 E. Fifth St. and on Jay St., Wd. 14.

A. H. Flint, 81-83 P St., Wd. 14.

J. Homer Pierce et al., trustees, Bellevue St., near Columbia Road, Wd. 20.

Frederick L. Walker (a driveway), at 110 Melville Ave., Wd. 20.

Michael J. O'Brien, 12 Richfield St., Wd. 20.

Marle E. Sundberg, 4 Allston St., Wd. 20.

Alice E. Sowden, 6-8 Allston St., Wd. 20.

John Mahan, Dewey St., cor. Howard Ave., Wd. 16.

Charles F. Collins, 215-217 Washington St., Wd. 20.

John J. Cashen, 58 McLellan St., Wd. 20.

James Calder, 60 McLellan St., Wd. 20.

Ellen T. Bresnahan, 64 McLellan St., Wd. 20.

Chas. H. Goddard, 32-34 Page St. and on McLellan St., Wd. 20.

Catherine Lombard, 103 Bowdoin Ave., Wd. 20.

Elliven Savage, 99-101 Munroe St., Wd. 21.

James Mulcahy, 17-21 Homestead St., Wd. 21.

H. A. Lucas, Abbottsford St., Wd. 21.

C. A. Pulsom, 3-9 Edgewood St., Wd. 21.

Saml. S. Riddell, 60 Elm St., Wd. 22.

Wm. W. Sampson, 72 Sheridan St., Wd. 22.

Lomer Lahaise, 39-45 Cranston St., Wd. 22.

Estate of J. D. Braman, 714 Commonwealth Ave.

TRACKS ON TALBOT AVE.

The Clerk read the petition of the West End Street Railway Co. for a location for double tracks on Talbot Ave., from Blue Hill Ave. to the tracks of said company on Washington and Norfolk Sts., Dorchester, with the right to use the overhead electric system thereon.

The CHAIRMAN—If there is no objection, the petition will be referred to the Committee on Railroads.

Ald. CODMAN—Mr. Chairman, I as a rule do not object to the sending of a petition to a committee where it necessarily or usually would go; but it seems to me that, after the discussion of this matter and after the effort that has been made by the citizens of Dorchester for the location of tracks and the building of Talbot Ave., and after the explanation that the Dorchester members of the Board are able to give as to the necessity for this going through, the condition existing there is such as would place the case a little differently before the Board than an ordinary one. I think, under the conditions, that the Board should be willing to suspend the rule.

The CHAIRMAN—It cannot be done under the law.

Ald. CODMAN—I understand that it cannot be done? My idea was simply to rush this matter through as soon as possible, because of the building of the street.

The CHAIRMAN—The statute law provides that there must be fourteen days' notice in various places, notifying the parties interested.

Ald. CODMAN—Well, if there is no other way of hastening it, I suppose we will have to wait.

Ald. McDONALD—Mr. Chairman, I move that the matter be referred to the Committee on Public Improvements, in order that we may have an opportunity to look up that law. This petition was sent in a week ago last Thursday, too late for the Board of Aldermen to act upon it, and if it had come in time we would have had a hearing this afternoon and it would have passed. The people of Dorchester are very anxious about Talbot Ave. I don't believe there will be a single objection from any of the people there to the granting of this petition. There certainly should be some way to have this matter reported back this afternoon and passed, for the people of Dorchester are very anxious about the matter. Another reason for action is this, that the Street Department is very anxious to commence work on the avenue, and have been prevented from doing so because the Elevated Railroad has not started. Therefore I hope the matter will be referred to the Committee on Public Improvements and reported back this afternoon to see if we cannot pass the order in some way for the laying of the tracks in Talbot Ave.

Ald. CODMAN—Mr. Chairman, I certainly agree with what Ald. McDonald has said. It seems to me if we cannot do anything different in the matter we can at least send this to the Committee on Public Improvements, having the order of notice issued by that Committee instead of by the Committee on Railroads and having the hearing under the order of notice next week. That will hasten the matter one week. I trust that the Committee on Public Improvements will not take any offence at the suggestion, because I feel that we can there explain the situation as it exists, and that such reference will take less time. I certainly hope the matter will go to the Committee on Public Improvements, for the reason that that reference will hasten action one week.

Ald. McDONALD—Mr. Chairman, I agree to that motion.

The petition was referred to the Committee on Public Improvements.

PAPERS FROM COMMON COUNCIL.

6. Message of the Mayor relative to the construction of a fence at Evergreen Cemetery, and recommending the passage of the following:—

Ordered, That so much of the order approved September 21, 1898, as authorized the Cemetery Trustees to expend the sum of fifteen hundred (\$500) dollars for the construction of a wall at Evergreen Cemetery be and hereby is rescinded.

The message was placed on file and the order was passed in concurrence.

7. Notice of changes in appointments on Joint Committees, viz.: Library Department, Mr. Bordman in place of Mr. Cuddy, resigned. Cemetery Department, Mr. Cuddy in place of Mr. Mulcahy, resigned. Lamp Department, Mr. Jordan in place of Mr. Mulcahy, resigned.

Placed on file.
8. Ordered, That in part compensation for their services to the City of Boston, His Honor the Mayor be requested to authorize the Superintendent of Streets to grant a holiday on Memorial Day, without loss of pay, to all employees of the Ferry Division who are members of posts of the Grand Army of the Republic, or other veteran organizations.

Passed in concurrence.
The following comes up for reference in concurrence to the Board of Estimate and Apportionment:—

9. Ordered, That the Board of Estimate and Apportionment be requested to provide the sum of five thousand (\$5000) dollars for a celebration in honor of Admiral Dewey on his visit to Boston.

Referred in concurrence.

10. Report of Committee on Public Grounds Department on the message of the Mayor transmitting a memorial relative to the need of a fence around Worcester Sq., recommending reference of the same to the Board of Estimate and Apportionment.

Report accepted, said reference ordered in concurrence.

11. Report of the same committee, no further action necessary, on the following matters, viz:—

Order relative to the transfer of the care of Rogers park to the Park Department.

Order relative to the custody of Pierce Sq., Wd. 24.

Remonstrance of Charles E. French against the erection of a horticultural building on the Common or Public Garden.

Remonstrance of Charles E. French against the use of Boston Common or any part thereof for bicycle purposes.

Report accepted in concurrence.

12. Report of the same committee, no action necessary, on a petition of Howard Payson Arnold for leave to erect a memorial structure on the Public Garden.

Ald. COLBY—My remembrance of that is that this was an offer of some months standing from some one who offered to put up a shelter of some sort on the Public Garden and give it to the city. I think at an expense of something like \$500. My impression is that the Committee made some recommendation with reference to referring it to the Art Department or something of the sort. Certainly we did not say that no action was necessary. I would like that sent to the Committee on Public Improvements.

The report was referred to the Committee on Public Improvements.

13. Report of the same committee recommending reference to the Committee on Ordinances, of an ordinance relative to the driving of teams across the reservations on streets.

Report accepted; said reference ordered in concurrence.

14. Report of the same committee, on a message of the Mayor transmitting a communication from the Massachusetts Horticultural Society relative to the erection of a building on the Public Garden, recommending that the communication be placed on file.

Report accepted; said communication placed on file.

15. Report of the same committee recommending reference to the Superintendent of Public Grounds of an order concerning land for playground purposes in Wd. 10.

Report accepted; said reference ordered in concurrence.

CONFIRMATION OF APPOINTMENTS.

The Board voted, on motion of Ald. Berwin to consider Nos. 16 and 17 together, viz:—

Action on appointments submitted by the Mayor:

16. Gordon Abbott to be a Statist's Trustee for the term ending April 30, 1904.

17. Michael F. Codire to be an Inspector of Pressed or Bundled Hay or Straw for the term ending April 30, 1900.

The question came on confirmation. Committee—Ald. Berwin and McDonald. Whole number of ballot cast, 11; yes, 11; and the appointments were confirmed.

POLE ON OAK ST

The Board proceeded to take up No. 18, special assignment, viz:—

18. Hearing on petition of the New England Telephone and Telegraph Company of Massachusetts for leave to erect and to remove one pole on Oak St., Wd. 4.

Assigned to the next meeting of the Board on motion of Ald. Presho.

ENGINE HOUSE, WARREN AVE.

The Board proceeded to take up No. 19, special assignment, viz:—

19. Message of the Mayor, transmitting an order of the Board of Estimate and Apportionment for the purchase of land on Warren Ave. and the erection of an engine-house thereon. (Doc. No. 105.)

Referred to the Committee on Public Improvements, on motion of Ald. Dixon.

ADMINISTRATION OF POLICE DEPT.

The Board proceeded to take up No. 20, special assignment, viz:—

20. Ordered, That the Aldermanic Committee on Police be instructed to investigate and report what changes are necessary, in its opinion, to improve the administration of the Police Department of the city, and what amendments, if any, should be made to such laws as come within the special cognizance of the Board of Police; and that said committee be authorized to give public hearings, if necessary, the expense of the same to be charged to the Contingent Fund, Board of Aldermen.

Ald. BERWIN—Mr. Chairman, I regret to say that I find it necessary this afternoon to appeal to the courtesy of the Board and to ask that No. 20 be further assigned to the next meeting. I intended to come in here this afternoon prepared to discuss this matter, which is one of importance and one that cannot be passed over very lightly. For that reason, and for the further reason that I have been in a physical condition during the past week or ten days that has rendered me unfit to take up the subject matter, I ask, as a matter of courtesy, that this be assigned to the next meeting of the Board.

Ald. DIXON—Mr. Chairman, I move as an amendment that it be laid over for two weeks.

The amendment was adopted, and the order was assigned for two weeks.

LAND FOR BURIAL PURPOSES.

The Board proceeded to take up No. 21, special assignment, viz:—

21. Report of Committee on Cemetery Department (Ald.), ought not to pass, on an order granting permission to the Boston Catholic Cemetery Association to use certain land on Harvard and Walk Hill Sts., Dorchester, for burial purposes.

The question came on the acceptance of the report.

Ald. McDONALD—Mr. Chairman, the question of the extension of cemetery lands in the city of Boston is a comprehensive one, and a great deal of controversy is constantly arising as to their proper location. Many good people are decidedly opposed to the establishment of cemeteries within the city of Boston. I do not favor that idea, however, because, as a matter of fact, people going to funerals complain now that the cemeteries are too far away and that they are exhausted after returning from them. I have been to Calvary Cemetery twice since this order was introduced, and I can see that sooner or later the lines must be extended. Now, I am not advocating the purchase of the Prendergast land, as it is land just across the street, and the Board of Directors of the cemetery, who no doubt have the best interests of the Cemetery at heart, should look around and see what is the cheapest and best land to purchase for cemetery purposes. The Holbrook lot, from what I understand, is assessed for \$58,000, and it has been reported that the Board of Directors of the Cemetery intend to pay \$145,000 for it. Of course, I understand very well that the Board of Aldermen has absolutely nothing to do with the price paid for this land; but it is land that does not abut on the Calvary Cemetery. It is nearer the Mt. Hope line. J. B. Mulrey stated before the Commit-

tee that he had built \$20,000 worth of houses in the vicinity, and when he ascertained that there was a petition sent in to the Board of Aldermen for the extension of cemetery lines he prevented any more building from going on. Now, there is no doubt that the Holbrook property is very desirable building land, but if the Holbrook property was opposite the Calvary Cemetery the objections of J. B. Mulrey or of J. L. Prendergast would not avail, for I certainly would vote for the petition. And furthermore, I believe that the 50 acres of land now in that vicinity should be taken for cemetery purposes, and if the Catholic Cemetery organization of this city will bring in an order before this Board to that effect I can assure them, as a member of the cemetery committee, that I will be only too glad to vote for it, but I do not believe in taking a piece of that land not directly opposite the cemetery, but opposite the Mt. Hope cemetery, land which is not a proper place for cemetery land.

I have an interest in Calvary Cemetery. My father and mother are buried there, and many dear friends of mine are there, and I am sure that anything I could do to beautify Calvary Cemetery I would certainly favor and give my vote for. But I cannot see, in the interest of the cemetery association itself, that it is proper for them to take land not directly abutting upon Calvary Cemetery. It is only a question of time when all the territory will have to be turned into a burial ground. But this, we must understand, is divided by Back St., or what is now called Harvard St., so that it is distinctly entirely from the present Calvary Cemetery and should be called by another name. I trust that this order will not pass this afternoon. Another matter I wish to speak about is this, that when Wellington Holbrook was asked before the Committee on Cemeteries if the Calvary Cemetery people would be obliged to take this land if the order did not pass, he stated very clearly that they would not be obliged to purchase the land if the order did not pass here this afternoon. I sincerely trust that the petitioners will be given leave to withdraw.

Ald. CODMAN—Mr. Chairman, I have no particular interest in this matter, but I am somewhat surprised at the position taken by our Dorchester Alderman who has just spoken. It seems to me that usually his position is a sound one, and I cannot account for the position he has taken at this time, except that he may have inside information, being, as he says he is, interested personally in Calvary Cemetery. Mr. Chairman, my interest in this matter is purely a local one. The extension of Calvary or Mt. Hope Cemeteries in the direction in which the alderman has just stated that they will undoubtedly extend in the future, if not at this time, brings them into Wd. 24, and although I try always to consider the best good of the city, nevertheless that is my home ward, and I know something about the wishes of the people there which other members of the Board are not familiar with. The alderman says that the Board of Trustees of the Cemetery should look around and pick out land suitable to their wants. I think every member of the Board of Aldermen will agree with him. I certainly would not attempt to dictate to any Board of Trustees or any cemetery organization as to what land they would take. It is their business to pick out the land; it is their business to select a site that they think proper and to come here and ask our permission to occupy it for the purposes desired. I presume that the trustees have considered all the lands about this Calvary Cemetery, and have found the land that they ask for to be the most available for their purpose.

Possibly they can get more land for the money which they have to spend; possibly the land is better fitted there, in their judgment, for occupancy immediately as a cemetery—and those reasons possibly

the alderman may be acquainted with, owing to his connection with the organization. That I don't know. I think it is fair to assume that they have selected this site because, in their judgment, it is the site that they should have. As far as the extent of the opposition is concerned, it strikes me, when you consider the district, that the opposition to this land was very slight. A number of the house owners who objected live a number of hundred yards away from the cemetery, and, I believe, can hardly see the site of the cemetery from their present houses. With a system of streets cut up on the rest of the land, abutting land owned by the Holbrook people, I think that these houses would be entirely away from the Cemetery. As regards the fact that this land does not abut on Calvary, that might be a good argument ordinarily, but inasmuch as Calvary and Mt. Hope are both adjoining cemeteries, both on Harvard St.—making, as I believe they do, that particular section of West Roxbury and the neighboring lands in Dorchester a cemetery district—I believe the situation is somewhat changed in that account and that this, instead of being a new cemetery, is an extension purely and simply of an old cemetery. For that reason I believe there are a good many who would object to new and entirely isolated cemeteries being formed who did not come here and object to this extension. The alderman admits that it is only a question of time when not only the Holbrook land, but the Prendergast land, as he has brought the matter before the Board, will both be taken for cemetery purposes. Now, if the Calvary Cemetery people have a choice between the two parcels of land and want to extend not directly opposite but diagonally across from their lot, and have a good reason for so doing, I believe they should be granted the privilege of a selection between the two lots, and that that argument should not hold to prevent them from extending their cemetery. I do not believe there is any member of the Board any more deeply interested in this matter than I am, and I say so for the reason that it is in my own section. I have given a good deal of attention to it—not only once, twice, but three times. I was there yesterday, and I have given it a good deal of consideration. I am prepared to say to the members of this board that I don't feel that the people of Dorchester or the people in that immediate section, generally speaking with the exception of possibly one or two, who do not want cemeteries anyway, will object to the granting of this location. I trust that the Committee report—which I did not vote for, although I did not dissent at the time, but reserved the right to dissent from—will not be accepted, but that this petition asking for a location there for cemetery purposes will be granted.

Ald. DAY—Mr. Chairman, as a member of the Committee on Cemeteries, I have given this subject careful consideration and I am ready to take the position here this afternoon that the time has come here in the city of Boston when the rights of the living demand that there shall be no further extension of any cemetery within the city limits. On that ground I propose to vote against it.

Ald. BRICK—Mr. Chairman, while the argument of Ald. Day might be very good on general principles, there are certain of our people who do not believe in cremation and who also find it impossible to get far away into the country to visit cemeteries. While some of the members may feel that the Prendergast land should be taken, I understand that the appropriation is limited to a certain amount, authorized by the legislature, and those who have looked into the matter have gone all over the land and have formed their conclusions with all the facts in mind. I think myself the land immediately back

of Mr. Prendergast's land would be desirable land to take, but a great many people interested have come to me and told me that this land is the most available, that, considering the money they have in the treasury and what they got to do, they can take this land and can immediately use it to better advantage. I am somewhat interested in Calvary Cemetery, as some of my dear friends are laid away to rest there. There is now very little room in Calvary, and it is necessary to extend the cemetery in some direction. If this piece of land is taken it can be immediately used for cemetery purposes. Lots can be cleared up, and the land is in such condition that it can be used at once. I would therefore vote to grant leave on the application.

The report was declared rejected. Ald. McDonald doubted the vote and called for the yeas and nays. The report was rejected, yeas 5, nays 7.

Yeas—Ald. Berwin, Colby, Day, McDonald, Barry—5.

Nays—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

Ald. CODMAN—Mr. Chairman, I move that the petition be granted.

The CHAIRMAN—The question is on giving the order a second reading.

The order was read a second time and the question came on its passage.

Ald. McDONALD—Mr. Chairman, I move you, sir, that the matter be assigned to the next meeting.

Ald. CODMAN—Mr. Chairman, as I have been partially the cause of previous assignments of this matter and have always given a reason for it, and as I know from what I have heard that the Trustees of Cemeteries feel that they have been unnecessarily delayed already, I trust that the alderman will give a good and sufficient reason or else allow the matter to go through today, in order that the Trustees may make their arrangements to use the land, as it is felt necessary that they should do, from what I know of the matter, at the earliest possible moment.

Ald. McDonald's motion to assign to the next meeting was lost.

The question came on the passage of the order.

Ald. BERWIN—Mr. Chairman, I merely desire to ask for some information from the Chair. Does it not require a suspension of the rule to give the order a second reading?

The CHAIRMAN—No, the order was read once at the last meeting and takes its second reading, and is put on its passage today.

The order was declared passed.

Ald. CODMAN—Mr. Chairman, I would like to have that vote verified. I call for the yeas and nays.

The order was passed—Yeas 8, nays 4.

Yeas—Ald. Adams, Barry, Brick, Codman, Dixon, Doyle, O'Toole, Presho—8.

Nays—Ald. Berwin, Colby, Day, McDonald—4.

Ald. Codman moved to reconsider, trusting the same would not prevail; lost.

The Board next proceeded to take up Special Assignment, viz.:

22. Report of same committee, no action necessary on a remonstrance of William H. Hyde et als., against allowing the use of certain land on Harvard St., Dorchester, for burial purposes.

The report was accepted.

CONSTABLES' BONDS.

The City Treasurer, after duly approving of the same, submitted the following constables' bonds:

Joseph M. Harrington and Peter H. Reinstein.

Approved by the Board.

SALE OF OIL.

Reports were received from the Fire Commissioner on the petitions of Brown Bros., A. A. White & Co., New England

Reed Co. and I. H. Wiley & Co. for licenses to store and keep for sale or use oils or fluids composed wholly or in part of the products of petroleum—approving of the same.

Severally approved by the Board.

ACCEPTANCE OF LOCATIONS.

Communications were received from the West End Street Railway Co. accepting its 170th and 171st locations and agreeing to comply with the conditions contained therein.

Placed on file.

ACCEPTANCE OF LOCATION.

A communication was received from the American Sugar Refining Co. accepting the order of May 15th and agreeing to comply with the conditions contained therein.

Placed on file.

CONCURRENCE IN ORDER.

The following was received:

In Board of Police,
May 20, 1899.

Voted: That the Board of Police concur with the City Council in an order passed by it, approved by the Mayor, May 15, 1899, fixing the salaries of the Matrons of Police Divisions Nos. 11 and 13 at the rate of \$200 each per annum for the period during which they are employed.

Attest: Thomas Ryan, Clerk.
Sent down.

DECISION OF RAILROAD COMMISSIONERS.

The following was received:—

In Board of Railroad Commissioners, June 9, 1899.

In the matter of the petition of the Directors of an Association for the formation of a corporation under the name of the Forest Hillis and Quincy Street Railway Company, asking for the approval by the Board, under section 8 of chapter 413 of the Acts of 1887, of a location of tracks in the City of Boston as granted to said Directors by an order of the Board of Aldermen of said city, under date of December 27, 1898:—

After public notice and full hearing of the petitioners and remonstrants and of all other parties desiring to be heard, the Board finds and determines as follows:—

"The order of location referred to was presented to the Mayor of Boston for his approval on Dec. 28, 1898, but was not approved by him, nor did he return the order before the end of the municipal year, which expired Jan. 2, 1899. The Board inclines to the opinion that the order was not duly passed, and is without legal force and effect; and so rules. If the order is void, it would be idle for the Board to approve the location.

"Whether or not the above view is correct, and apart from any legal aspect of the case, the Board, moreover, is not satisfied upon the facts shown that the location ought, under present conditions to be approved. The evidence tended to show that on an important section of the route the street, as now laid out and constructed, is narrow and hardly adequate for the operation of a street railway and for the due safety and convenience of other public travel. Extensive plans for the widening of the street are now under consideration. The location and construction of the railway may properly await, as it seems to us, the fuller development of these plans and improvements.

It also appears that considerable and essential sections of the location and route of the proposed railway are outside the limits of any public highway or street. No authority under general or special law was shown for the location of any part of this railway on private land. It was conceded

by the petitioners that the Board of Aldermen had no power to grant, and that this Board has no power to approve, a locat on outside a public way. We cannot revise and amend the order of location as passed by the Board of Aldermen. If we approve the location, we must approve it as a whole. It does not seem to us proper affirmatively to approve a location for essential portions of which no warrant or sanction of law has been shown. Eliminating these portions, if this could be done, the location would be of little value to the petitioners or the public."

By order of the Board,
Wm. A. Crafts, Clerk.

(Signed)
A true copy.

Attest: Wm. A. Crafts, Clerk.
Referred to the Committee on Public Improvements, on motion of Aid. Codman.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows, viz.:-

- Thomas F. Maloy, three, Columbus Ave., corner Coventry St., Wd. 18.
- A. T. Rogers, three, Huntington Ave., corner Vancouver St., Wd. 19.
- L. J. Lyons, two, Huntington Ave., corner Kenwood Road, Wd. 19.
- Eugene H. Smith, one, 283 Dartmouth St.

- James Harmon, two, 733-5 Huntington Ave., Wd. 19.
- Louis Berenson, five, on Washington and Bartlett Sts., Wd. 18.

Orders of notice were passed for hearings thereon on Monday, June 26, at 3 o'clock, P.M., when any parties objecting thereto may appear and be heard.

LICENSES.

Aid. COLBY, for the Committee on Licenses, submitted the following:-

(1) Reports recommending that minors' licenses be granted to 75 newsboys, 26 footblacks, 2 flower venders and 1 song vender.

Reports severally accepted; licenses granted on the usual conditions.

(2) Reports on petitions (severally referred today), for licenses to run barge:- that licenses be granted, viz.:-

John Duffy, passenger barge between Chestnut Hill reservoir and the Brookline line.

C. C. Collins, barge between Spring St., Wd. 23, and the Caedonia Club Grounds during the present season.

Reports accepted; licenses granted on the usual conditions.

(3) Reports on petitions (severally referred today), for permits for children under 15 years of age to appear at theatres—that permits be granted, viz.:-

Mrs. Julia Semon, for permit for Primrose and Martin Semon to appear at Austin & Stone's Museum for two weeks beginning June 12th.

J. H. Emery, for permit for Ada and Blanche Rose, Gertrude Packard and Anita Slyvia, to appear at the Castle Sq. theatre during the week beginning June 12th.

Reports accepted; permits granted on the usual conditions.

(4) Report on the petition of E. J. Loring (referred today), for a license for a merry-go-round on vacant lot on Brandon St., Roslindale, for two weeks commencing June 23, 1899—That a license be granted.

Report accepted; license granted on the usual conditions.

CLAIMS.

Aid. COLBY, for the Committee on Claims, submitted the following:-

(1) Reports on petitions—That the petitioners be given leave to withdraw, viz.:-

L. E. Fletcher Co. (referred May 22), to be refunded taxes for 1897-8 alleged to have been illegally assessed by the city and paid by said company.

George Gannon (referred Jan. 16), to be paid for damage to sleigh caused by one of the city ash carts.

Cornelius J. Desmond (referred May 15), to be repaid the sum of \$50, paid as an entrance fee to a sewer on Hopkins St. on account of estate 34-6 Corbet St.

John J. Kilbride (referred last year), for compensation for injuries to horse caused by an alleged defect in Cabot St. (at his own request.)

Severally accepted; sent down.
(2) Report on the petition of James Ottery (referred May 25), to be repaid the amount paid for license of the Trimountain Club, 75 Harrison Ave.—Recommending the passage of the following:-

Ordered, That the City Treasurer be authorized to repay to James Ottery the sum of Three Hundred Dollars, being the amount paid by him for a license for the Trimountain Club, 75 Harrison Ave., which was granted but not issued by the Board of Police.

Report accepted; order passed. Sent down.

(3) Report on the petition of Harris M. Stephenson, (referred May 25), for balance remaining from tax sale of estate—recommending the passage of the following:-

Ordered, That the City Treasurer be hereby authorized to pay to Harris M. Stephenson the sum of \$230.45, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Centre St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2582, fol. 8.

Report accepted; order passed. Sent down.

(4) Report on the petition of Thomas F. Reardon, (referred April 24), to be paid balance remaining from tax sale of estate—recommending the passage of the following:-

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Reardon the sum of \$142.03, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Calumet St. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2498, fol. 614.

Report accepted; order passed. Sent down.

(5) Report on the petition of Bert C. Day (referred March 20), to be paid balance remaining from tax sale of estate—recommending the passage of the following:-

Ordered, That the City Treasurer be hereby authorized to pay to Bert C. Day the sum of \$113.34, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Perham St. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 604.

Report accepted; order passed. Sent down.

(6) Report on the petition of William Clafin, (referred April 24), to be paid balance remaining from tax sale of estate—recommending the passage of the following:-

Ordered, That the City Treasurer be hereby authorized to pay to William Clafin the sum of \$37.53, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mattapan St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2503, fol. 4.

Report accepted; order passed. Sent down.

(7) Report on the petition of Fanny Taylor (referred May 1), for payment of balance remaining from tax sale of estate—recommending the passage of the following:-

Ordered, That the City Treasurer be hereby authorized to pay to Charles E. Loud the sum of \$122.55, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on southerly side of Dana Pl., for unpaid taxes of the year 1897, by deed

recorded with Suffolk Deeds, lib. 2581, fol. 105.

Report accepted; order passed. Sent down.

(8) Report on the petition of George S. Daniell (referred Feb. 27), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to James W. French, the sum of \$289.50, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 228.

Report accepted; order passed. Sent down.

(9) Report on the petition of Guilford L. Stark (referred Jan. 16), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Guilford L. Stark, the sum of \$111.97, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mt. Vernon St., W. Roxbury, (lot 49), for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 612.

Report accepted; order passed. Sent down.

(10) Report on the petition of Mary Landrie (referred May 1), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Eugene C. Upton the sum of \$288.35, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Weld Hill St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 614.

Report accepted; order passed. Sent down.

STATE AID.

Ald. DIXON, for the Committee on State Aid, submitted a report recommending the passage of an order for the payment of aid to soldiers and sailors and their families in the city of Boston for the month of June, 1899, under the provisions of the various acts of the Legislature providing for said payment.

Report accepted; order passed.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted reports (on petitions referred today), recommending the passage of orders of notice for hearings on Monday, June 26, at 3 P.M., to take into consideration the expediency of granting the prayer of the following petitions, when any parties who object thereto may appear and be heard:—

Postal Telegraph-Cable Company, to erect poles, wires, etc., on Sumner and East Cottage Sts., Dorchester.

Brookline Gaslight Company, to erect poles on Oak Sq. Ave. and Brackett St., Wd. 25.

Charlestown Gas and Electric Company, for leave to erect two poles in Kingston St.

Brookline Gaslight Company, for leave to erect two poles on Wirt St., Wd. 25.

Reports accepted, orders of notice passed.

INSPECTION OF PRISONS.

Ald. DAY submitted the following:—

The special committee of the Board of Aldermen appointed to visit and inspect the prisons in the County of Suffolk, having made the inspection required by the statutes of the Commonwealth, respectfully submit their first semi-annual report:—

Suffolk County Jail.

The committee visited the jail on Thurs-

day, May 18, and found it to be in the usual cleanly and healthful condition. The inmates were questioned as to the treatment, food and cleanliness, and each one spoke in high praise of the management and the kindness shown them by those in charge. The committee were impressed with the cleanliness of the institution and the quality of food furnished. They again recommend the erection of a new building for the detention of women, in which provision could be made for a modern laundry, and a part of the same building could be fitted for hospital work. At the present time, if inmates are taken sick they have to be treated in their cells. An appropriation for the construction of a brick wall to take the place of the wooden fence that partly surrounds the jail should be made at once.

House of Correction, South Boston.

The House of Correction in South Boston was visited on Thursday, May 18. The committee feel, as has been recommended for the past five years, that a new institution should be erected for the sake of humanity, either on the main land or on one of the islands in the harbor. The buildings are antiquated, and to appropriate any money to repair them would be a wasteful expenditure. The management of this place was commendable under existing conditions, and the committee feel that everything that can be done for those unfortunate enough to be confined there is being done. The prison building, so called, where the cells are located, is not fit for human beings to live in, and immediate steps should be taken for the sake of humanity. The calisthenic drill and the school established here have both proved successful under their competent instructors.

House of Correction, Deer Island.

The visit of the committee to this institution was made on Thursday, June 1.

The institution and its inmates showed to the satisfaction of the committee that its management was of the best. Cleanliness in every branch of it prevailed, and the food served to the inmates was good.

The hospital and its management was closely inspected, and the inmates asked as to their care and comfort. The replies received were confirmatory of the good opinion formed by the committee of its supervision, and they were pleased to find that those confined there joined with them in that respect. Everything about the place showed that care and attention was afforded the unfortunate sick.

The only recommendation the committee have to make for the improvement of this institution is the abandonment of the present building occupied by female prisoners, and the erection of a new building for their accommodation, containing not less than five hundred cells.

House of Reformation, Rainsford Island.

The committee inspected the House of Reformation on June 1, Thursday, and found, in addition to a number of minor improvements, that an electric light plant was in process of construction. We believe that the new superintendent has made considerable improvement in the conduct of the institution, and that he holds the respect and confidence of the boys. The committee desire to call attention of the trustees to the fact that the treatment of the boys by the Athletic Instructor does not meet with the committee's approval, and believe that under different methods the institution would be the gainer in kindly feeling and better discipline.

Parental School.

The Parental School was visited on Wednesday, May 24. The buildings are overcrowded, and the construction of new dormitories would be a very desirable improvement.

The committee were satisfied that improvements in the methods of punishment might be made both at this institution and

at Rainsford Island, and recommend that the trustees should prevent unnecessarily severe treatment of the boys under their charge. The committee also recommend a reduction of five hundred dollars in the salary of the Superintendent of the Parental School, believing he is now overpaid for the character and amount of service he renders.

Remarks.

The committee find that the institutions under a one-head, salaried officer are much better managed than the institutions under a board of trustees. At all the institutions the committee were received with courtesy, and every opportunity was freely given for the investigation the committee are obliged to make under chapter 229 of the Public Statutes, with the single exception of the Parental School. At this institution the superintendent refused a direct answer to questions of the committee relating to the treatment of the boys.

Believing that a community as populous as the City of Boston offers a field sufficiently large from which to secure employees in the Parental School and House of Reformation, we regret the employment by the trustees of non-residents secured through employment agencies. We believe that such service is not for the best interests either of the city or of the children confined in these institutions.

The committee believe that the House of Reformation for boys is out of place on an island, and the institution should be removed to the main land, and the buildings given over to the Penal Institutions Department, to be used for a women's prison, thus bringing about an effectual separation of the male and female prisoners.

The committee are indebted to Penal Institutions Commissioner Marshall and Deputy Sheriff Bradley for the free opportunity afforded for inspection, and believe them especially worthy of commendation for the manner in which the institutions under their charge are conducted.

Annexed will be found the reports of the superintendents of the various institutions, giving in detail the information called for under the statutes.

Frederick W. Day,
Franklin L. Codman,
James H. Doyle,
Edward W. Presho,
Michael W. Brick,
Committee.

The report was accepted, and, on motion of Ald. Day, was ordered printed as a city document.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted a report on the petition of the West End Street Railway Company (referred today), for leave to locate double tracks on Providence St. and St. James Ave., etc., and to use the overhead electric system on same—recommending the passage of an order of notice for a hearing thereon Monday, July 10, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted, and order of notice passed.

JUNE 17TH PARADE.

Ald. PRESHO offered an order—That the Board of Police be authorized to close to travel by vehicles, except fire, police and United States mail wagons, the following streets in Charlestown on June 17th, 1899, during the formation and progress of the morning parade, viz.:

Bunker Hill St., Chelsea St., City Sq., Park St., Warren St., Winthrop St., Adams St., Chestnut St., Monument Sq., east and north sides, Bartlett St., Elm St., High

St., Monument Sq., south side, Monument Ave., Main St., Harvard St., Washington St., Union St., Main St., Cambridge St., Sever St., Gardiner St., Main St., Bunker Hill St., Elm St., High St., Monument Sq., south and east sides, Chestnut St.

INFORMATION REGARDING LIGHTING STREETS.

Ald. PRESHO offered an order—That the Corporation Counsel be requested to inform this Board, at its next meeting, whether, under statute law and the ordinances of this city, the contract made the 31st day of May, 1899, between the Rising Sun Street Lighting Company, Wesley A. Gove, President, and the City of Boston, James Donovan, Superintendent of Lamps, and approved by Josiah Quincy, Mayor of Boston, is legal, and to state the grounds for such opinion.

The order was read a second time, and the question came on its passage.

Ald. PRESHO—Mr. Chairman, since this contract has been published in the papers, I have heard a great many doubts expressed by many legal authorities. I myself was a member of the Committee on Ordinances last year, and I remember that we passed one ordinance which I will read, which was recommended by the Corporation Counsel and approved by His Honor the Mayor. I refer to page 143, chapter 22, relating to the Lamp Department:

"Section 1. The Lamp Department shall be under the charge of the Superintendent of Lamps, who shall set up and affix lamps in the streets, as the Board of Aldermen may direct; shall have charge of all such lamps established by the Board of Aldermen and maintained at the expense of the city; of all lamps set up in parks, highways or public grounds, and of all lamp-posts, pipes, or fixtures connected with such lamps; shall have the care and custody of all city property now in the possession of the Lamp Department or that shall hereafter be acquired by it, and shall maintain and keep the same in good repair; shall see that the streets are lighted by such methods of lighting as the Board of Aldermen may from time to time order, and that the lamps in the streets are lighted and extinguished as ordered by the Board of Aldermen, and shall purchase all the supplies required for his department."

Now, that contract is in straight contravention of what I have just read. It may be, and it has often been, asserted here, that the law of the Corporation Counsel is not the law of the land. It may be that that was put in to fool the members of this Board and make them think they had some powers, but that at the same time, the man who put that in was stealing away their powers. But I believe we should have the opinion of the Corporation Counsel, who is responsible for these statements. He recommended these ordinances to the Committee on Ordinances, and they were passed on his recommendation. Now, if this ordinance is void, I want to know it, and if I find that out to be a fact, we will have the whole question of the ordinances brought up here legally, so as to know where we stand. I believe this contract is illegal and not in accordance with the statute law and the ordinances. I think the order put in by the gentleman from Wd. 12 (Ald. Doyle) is all right in itself, but I have been on committees of this government that investigated and did not investigate. I have been on committees that were divided here by strictly party vote. I may myself have been biased in that manner. I do not believe this is a proper tribunal. I have introduced this order, preparatory to having the question decided by another tribunal—the courts of the Commonwealth. There are a great many other objections to the contract and the manner in which it was made. There is the excessive cost over

the amount expended by the department—\$60,000—and last, but not least, there is the removal from public control of a great many men who were led to believe that there was work for them in the city's employ as long as they honestly performed their duties. They have now been removed from public to private control. Public control, under the laws of the Commonwealth, is stable, but who knows what private control is?

Ald. BRICK—Mr. Chairman, in reply to the statement by the alderman from Charlestown (Ald. Presho) I will refer to the statutes of 1895—chapter 266, section 66—which gives to the executive, the Mayor, all executive powers now vested in the Board of Aldermen, as such. It is unfortunate, perhaps, but it is true.

Ald. PRESHO—Mr. Chairman, I would say to the gentleman that what the Corporation Counsel would call executive powers at one time, and what he would call executive powers at another time are as different as the interpretation of what "current expenses" mean by different mayors, in connection with amounts raised in loan bills. One Mayor makes one ruling and another another. The opinion of the Corporation Counsel always reminds me of what my good friend Lee said here once, standing in the place I now occupy, when somebody brought up an opinion of the Corporation Counsel. He said: "That is all right. When you go up there he does not ask you if you want the law, but asks you what law do you want? I have not pigeon holes full of law up there, and will give you what you wish." (Laughter.)

Ald. DOYLE—Mr. Chairman, I am not a lawyer and I have not had the experience in the Board of Aldermen that the alderman from Charlestown has. At the same time, everybody knows that statute law overrides any city ordinance; and I presume there must be something in the statute law which gives the Mayor power to transfer these duties from the city to a private corporation—although I do not agree that it is a proper thing to do. However, if we are to have an investigation I presume it is only fair that the man who drew the contract up should be asked to come down and give his opinion in reference to the contract. I don't know that the order of Ald. Presho's would conflict in any way with the order for an investigation; but, in order to make the minds of the other members of the Board clear on the matter, I move its reference to the Committee on Public Improvements.

Ald. PRESHO—I move to amend that motion—that it be reported back today.

Ald. DOYLE—I accept that amendment. The order was referred to the Committee on Public Improvements, to be reported back today.

REVISED GRADE OF BOWDOIN ST.

Ald. McDONALD offered an order—That the Board establish the revised grade of Bowdoin St., at Dorchester, from Quincy St. to Hamilton St., in accordance with plan and profile of said Bowdoin St., marked "City of Boston, Bowdoin St., Dorchester, June 12, 1899. William Jackson, City Engineer," and deposited in the office of said City Engineer.

Passed.

ELECTRIC LIGHT, HAMILTON ST.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light on Hamilton St., between Stonehurst and Bowdoin Sts., Wd. 20; the expense attending the same to be charged to the appropriation for Lamp Department.

Passed.

PLAYGROUND ON GENEVA AVE.

Ald. McDONALD offered an order—That

the Superintendent of Public Grounds be authorized to hire the lot of land on Geneva Ave., between Olney St. and the New York, New Haven & Hartford R.R., and known as "Morse Field," for temporary playground purposes, the expense of the same to be charged to the appropriation for Public Grounds Department.

Passed. Sent down.

TRANSFER TO ASSESSING DEPT.

Ald. McDONALD offered an order—That the Board of Estimate and Apportionment be requested to transfer the sum of \$5000 from the Reserve Fund to the appropriation for Assessing Department.

Passed. Sent down.

ABOLITION OF DUDLEY STREET CROSSING.

Ald. McDONALD offered the following:—Whereas, The Mayor and Aldermen of the City of Boston are of the opinion that it is necessary for the security and convenience of the public that an alteration should be made in the crossing of the New England Railroad and Dudley St., in the approaches to said crossing, and in the location of said railroad and said public way and in the grades thereof, so as to avoid a crossing at grade; therefore be it

Ordered, That the Justices of the Superior Court, sitting in equity for this County of Suffolk, be and they hereby are petitioned to appoint a commission of three disinterested persons to proceed in the premises as provided by Chapter 423 of the Acts of the year 1890, and the acts in amendment thereof and addition thereto.

Passed.

ELECTRIC LIGHT, BAINBRIDGE ST.

Ald. McDONALD offered an order—That the Superintendent of Lamps be requested to place an electric light on Bainbridge St. Wd. 21, about opposite No. 25 on said street; the expense attending the same to be charged to the appropriation for Lamp Department.

Passed.

PLANK WALK, WHITFIELD ST.

His Honor the Mayor be requested to direct the Superintendent of Streets to have laid a plank walk on both sides of Whitfield St., Dorchester, Wd. 20, between West Park St. and Wheatland Ave.

Passed.

REGULATION OF MOTOR VEHICLES.

Ald. ADAMS offered the following:—A Regulation to amend Chapter Six of the Revised Regulations of 1898.

Be it ordered by the Board of Aldermen of Boston as follows:—

Chapter Six of the Revised Regulations of 1898 is hereby amended in section two by adding at the end of said section the following words, "Nor shall any owner or driver of any vehicle drive it or permit it to be driven on the streets of Boston by power of steam, gas, gasoline, naphtha, compressed air, electricity, or combination of any or all, without a permit from the Board of Aldermen."

Referred to the Committee on Public Improvements.

CURB STONES ON ALBAN ST.

Ald. ADAMS offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to reset the curb stones on a portion of Alban St., Wd. 24.

Passed.

SIDEWALK ON PARK ST.

Ald. ADAMS offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to con-

struct a gravel sidewalk on Park St. from Upland Ave. to the railroad crossing opposite Wellesley Park, Wd. 20.
Passed.

ACCEPTANCE OF LONGFELLOW ST.

Ald. ADAMS offered an order—That the Board of Street Commissioners, through His Honor the Mayor, be requested to accept Longfellow St., Wd. 20, as a public street, and construct the same under the provisions of Chap. 323 of the Acts of 1891.
Passed. Sent down.

GAS LAMPS ON HILLSDALE ST.

Ald. ADAMS offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to furnish three gas lamps on Hillsdale St., Wd. 24.
Passed.

WIDENING OF GENEVA AVE.

Ald. ADAMS offered an order—That the Board of Street Commissioners be requested to prepare plans and widen Geneva Ave. to a width of 60 ft., from Bowdoin St. to Grove Hall, Wd. 20.
Passed. Sent down.

CLOSING OF MT. PLEASANT AVE.

Ald. BERWIN offered an order—That Mt. Pleasant Ave. be closed to travel by vehicles, except fire, police and United States mail wagons, from opposite No. 32 to opposite No. 54, on Saturday, July 1, 1899, from 10 A.M. to 12 midnight.
Passed.

CLAIM OF MALONE & STRANG.

Ald. DIXON offered an order—That the City Engineer, with the approval of the Mayor, be authorized to settle the claim of Malone and Strang for damages sustained on account of excavations for building the water basin in Southborough.
Passed, under a suspension of the rules. Sent down.

DRINKING FOUNTAIN, COMMERCIAL ST.

Ald. DIXON offered an order—That the Water Commissioner be requested to locate and maintain a drinking fountain and watering trough at the corner of Commercial St. and Atlantic Ave.; the expense of the same to be charged to the Water Department.
Passed. Sent down for concurrence.

REMOVAL OF TREES.

Ald. DOYLE offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree standing in front of premises of William Addison, 24 Symmes St., Wd. 23; the expense of the same to be charged to the appropriation for Public Grounds Department.

Ald. CODMAN also presented the petition of the Boston Elevated Railway Co., for leave to remove five trees on Harrison Ave., between Beach St. and the B. & A. R.R., such removal being necessary on account of the construction of its railway, and, in connection with the same, offered an order—That the Boston Elevated Railway Company be authorized to remove five trees on Harrison Ave., between Beach St. and the Boston and Albany Railroad, such removal being necessary for the construction of its road on said avenue; said work to be done under the supervision of the Superintendent of Public Grounds.
Orders severally passed.

Ald. CODMAN offered an order—That the Board of Park Commissioners be authorized to remove a line of trees on Centre and Walter Sts., at the southwest corner of the Arnold Arboretum, said trees interfering with the proper growth and development of the trees in said Ar-

boretum; such removal to be under the direction of the Superintendent of Public Grounds.
Passed.

STONY BROOK ACT ACCEPTED.

Ald. DOYLE offered an order—That Chapter 397 of the Acts of 1899, entitled "An Act Relative to Stony Brook in the City of Boston," be and the same hereby is accepted by the City Council of the City of Boston.
Passed. Sent down.

BRICK WALL AT COUNTY JAIL.

Ald. DAY offered an order—That the Board of Estimate and Apportionment be requested to provide a sum sufficient for the erection of a brick wall at the Charles St. Jail in place of the existing wooden wall.
Passed. Sent down.

FREE FERRIES ON JULY FOURTH.

Ald. DAY offered an order—That the City Auditor be hereby authorized to allow for payment to the Superintendent of Streets, on account of the Ferry Division, the sum of Twenty-five Dollars, and the said Superintendent is hereby authorized to accept the same in lieu of tolls for the ferries on July Fourth next; said sum to be charged to the appropriation for Mayor, Public Celebrations, July 4.
Passed. Sent down.

WALK IN CENTRAL SQ. PARK, EAST BOSTON.

Ald. DAY offered an order—That His Honor the Mayor be requested to direct the Superintendent of Public Grounds to concrete the short walk on the Border St. side of Central Sq. Park, in a manner similar to the other walks in this park.
Passed.

OYSTER BEDS, BIRD ISLAND FLATS.

Ald. DAY presented the petition of R. R. Higgins & Co. et als., for license to plant, grow and dig oysters on Bird Island flats, and in connection with the same, offered an order—That licenses be granted to R. R. Higgins & Co., H. & R. Atwood, D. Atwood & Co., and J. A. Stubbs, to plant, grow and dig oysters upon the portions of Bird Island flats in Boston Harbor which have been in previous years occupied by them for said purpose.

The order was read a second time, and the question came on its passage.

Ald. CODMAN—Mr. Chairman, I did not quite catch that about oysters. It seems to me that order concerning oysters should be looked into. I don't know what the custom has been in this matter, and I did not know that there were oysters on Bird Island flats; but it seems to me a subject like that will bear some investigation by the Board before we grant an unlimited license, and I move that the matter be referred to a special committee, to consist of the members of the Board of Aldermen who are on the Committee on Vessels and Ballast, for their report.

Ald. DAY—Mr. Chairman, Bird Island is a part of the district that I represent, and it has been customary for these four firms for—well, 50 years, to put their oysters there. They bring them here in the spring, and by having them there they can open them in the summer and they will be in good condition, whereas they would not be if they had to bring them away from Virginia. It is a public convenience to the people of Boston, and enables them to get good oysters. They have been dumping them there without any permit. Those four firms have an amicable arrangement, each having a certain portion of the flats. But some boys went down there some two or three weeks ago and stole some of the oysters. They

were taken into the East Boston court, and as the firms had no permit to have oysters there, they couldn't do anything with the boys. They simply want the permit for their own protection; that is all.

Ald. CODMAN—Mr. Chairman, this simply bears me out in my suggestion that this should be referred to the Committee, because there may be other oyster firms in the city besides those. I don't know why we should find it necessary, simply because certain of these people want the right to use these flats for this purpose, to grant them the right. It seems to me there should be a general provision for an oyster pound.

Ald. COLBY—Mr. Chairman, I am always glad to see the interests of the city properly guarded, but after we have today passed one or two orders involving an expenditure of some \$12,000, without anybody saying a word, I am just a trifle surprised to see strenuous opposition to this order. I heard of this, and made some inquiries to find out what was in it, and they told me the facts just as they have been stated by Ald. Day.

In the summer months it is extremely difficult to keep oysters. The trade then is very small, anyway, but in order to keep them marketable, they have to be stored in salt water. These parties do not ask for an exclusive right. If any of the other oyster dealers apply for the right, they can be given the same privilege. But, as I understand it, these people substantially control the oyster market of Boston. They do not, in this petition, ask for an exclusive right—anybody else coming in can obtain equal rights to use these flats. It seems to me that this will not interfere with the depth of water necessary for the yachtsmen of Dorchester Bay to pass over the Island. If those flats can be made available and our merchants can be favored thereby, I see no reason why the city should put them to any expense in the matter. It seems to me that the only thing to which no expense attaches at the present time in Boston is tidewater. I don't know but what there may be an expense attached to it before the administration gets through, but up to today, the water down the harbor has cost us nothing. I don't think we should put unnecessary or cumbersome restrictions on these people unless somebody can demonstrate the fact that this privilege will be unfair to somebody. This has been going on for a long term of years. It seems to me we can pass this order, and then investigate and revoke it, if necessary. But it does not seem to me we should hold these people up. It is now warm weather, and we ought to allow them to put their oysters there. Then, if there is a good and sufficient reason for it, I am willing to vote to have them call their oysters in. It seems to me if the alderman is desirous of obtaining information, we might first grant this permit, and I will then vote to pass an order that this Committee be instructed to examine whether or not that license should be continued in force.

Ald. CODMAN—Mr. Chairman, it seems to me that is putting the cart before the horse. I don't object to this matter, but it seems to me it should properly be brought before the Board; and I think the oyster people who at this time of year bring their few oysters to Boston, can take the chance of some boat getting ashore there, and a hungry man getting a few oysters to eat. There will be a delay of simply a week or so, anyway. I think some arrangement can be made whereby everybody will be taken care of, and I think a motion to refer the matter to that committee is proper.

The motion to refer the order to the Committee on Vessels and Ballast was declared lost. Ald. Codman doubted the vote and asked for the yeas and nays.

Ald. ADAMS—Mr. Chairman, before that motion is put I would like to amend it by having Ald. Day of East Boston added

to the Committee.

The CHAIRMAN—We are now solving a doubt. The question is on reference to the Committee on Vessels and Ballast.

The order was referred to the Committee on Vessels and Ballast, yeas 7, nays 5:—
Yeas—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

Nays—Ald. Barry, Berwin, Colby, Day, McDonald—5.

Ald. CODMAN—Mr. Chairman, would a motion be in order to add Ald. Day to that committee?

Ald. DAY—Mr. Chairman, I don't see any necessity for that.

HOOK & HASTINGS ORGAN FACTORY.

Ald. O'TOOLE offered an order—That notice be given to the owner or owners of the building situated on the westerly side of Tremont St. and the southerly corner of Westmont St., numbered 1131-1137 Tremont St., and known as Hook & Hastings's Organ Factory, to appear before this board at the Aldermen's Room at City Hall, in Boston, on Monday, the 26th day of June, 1899, at three o'clock in the afternoon, and show cause, if any he or they have, why said building should not be adjudged a nuisance; said notice to be given by serving him or them with a copy of this order five days at least before the time appointed for said hearing.

Referred to the Committee on Public Improvements.

RECESS TAKEN.

On motion of Ald. Dixon, the Board voted, at 5:20 P. M., to take a recess, subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order by the Chairman at 6:20 P.M.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Reports recommending the passage of orders, that the Superintendent of Streets be authorized to issue permits to construct, maintain and use openings in the sidewalks in front of estates, the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto as follows:—

John E. Cullivan (referred May 25), bulkhead opening 2 ft. by 5 ft. with wooden cover 33 Zeigler St., Wd. 13.

Charles W. Alden (referred May 22), bulkhead opening 4 ft. by 4 ft., with wooden cover, 179 Bunker Hill St., Wd. 3.

Harry E. Weston (referred today), bulkhead opening 3 ft. 4 in. by 3 ft. 9 in. with wooden cover, 21 Guild Row, Wd. 13.

Thomas L. Jenks (referred today), bulkhead opening 3 ft. by 4 ft., with wooden cover, 63 Green St., Wd. 8.

Nathaniel B. Doggett (referred May 25), area 4 ft. by 4 ft., with iron cover, 34 Hollis St., Wd. 7.

Henry D. Andrews (referred May 22), 1¼ in. iron pipe, with screw cover attached thereto, corner of Pope and Swift Sts., Wd. 1.

J. Franklin Fuller, Trustee (referred May 22), area with covers of granite and sidewalk lights, 84 Kingston St., Wd. 7.

Francis A. Bundy (referred May 22), coal hole opening, not exceeding 18 inches in diameter, with iron cover of rough upper surface, 144 West Canton St., Wd. 12.

Estate of John S. Meserve (referred today), 1¼ inch pipe, with sewer cover attached thereto, 211 Bunker Hill St., Wd. 3.

Reports accepted, orders severally passed.

(2) Reports on petitions (referred today), recommending the passage of orders that the Superintendent of Streets be authorized to issue permits to erect, maintain and use guy posts, with the necessary ropes

attached thereto, the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto, as follows:—

Woodbury & Leighton, in and over Kingston St., Wd. 7, 1 in front of 87 and 1 in front of 71.

Frank S. Robbins, 1 on Belvidere St. and one on Bothlna St., Wd. 10.

Reports accepted, orders severally passed.

(3) Reports recommending the passage of orders that the Superintendent of Streets be authorized to issue permits to move wooden buildings, on the terms and conditions expressed in the ordinance of the city relating thereto, as follows:—

T. J. Billings (petition referred May 22), 1 hip roof, 20 ft. in length, by 20 ft. in width by 12 ft. in height, from the corner of Walk Hill St. and Blue Hill Ave., across said street to land of E. F. Eckett, Wd. 24.

The John Cavanagh & Son Building Moving Company (petition referred today), 1 piteb roof, 55 ft. in length by 20 ft. in width by 34 ft. in height, from 70 Boston St. across Dorchester Ave., thence along Kemp and Carpenter Sts. to stone foundation facing on Wesley St., Wd. 16.

Reports accepted, orders severally passed.

(4) Report on the order (referred today), giving notice to the owners of Hook & Hastings organ factory to appear before the Board on June 26, at 3 P.M., and show cause why such building should not be adjudged a nuisance—that the same ought to pass.

Report accepted, order passed.

(5) Report on the message from the Mayor with accompanying order (referred today), authorizing the Trustees for Children to transfer to the Street Commissioners the Marcella Street Home property, and authorizing the Street Commissioners, with the approval of the Mayor, to sell the same—that the order be passed.

The report was accepted, and said order was passed.

Later in the session, on motion of Ald. Berwin, the vote passing the order was reconsidered, and the matter was recommended to the Committee on Public Improvements.

(6) Report on the order (referred today) instructing the Committee on Lamps to inquire into the contract for lamp lighting with the Rising Sun Street Lighting Co., and to report to this Board its conclusions—that the same ought to pass.

Report accepted, said order passed.

(7) Reports (on petitions referred May 22), recommending the passage of orders that the Superintendent of Streets make sidewalks, to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, owner to furnish material, in front of the following estates:—

Anton Koerner, 78-80 Wyman St., Wd. 22, artificial stone, with granite edgestone.

John Sheehan, corner of Keyes St., Wd. 23, artificial stone, with granite edgestone.

Jacob G. Ely, 20 Wyman St., Wd. 22, artificial stone with granite edgestone.

Ellen Spillane, 1522 Tremont St., Wd. 19, artificial stone.

John Mahan, 49 and 55 Dewey St., Wd. 16, artificial stone with granite edgestone.

Joseph Green, 78 Beverly St., Wd. 8, artificial stone with granite edgestone.

A. G. MacKinnon, 102, 104, 106, 108 Norway St., Wd. 10, artificial stone.

Walter H. Pope, 64 Glendale St., Wd. 16, gravel with granite edgestone.

William Murphy, Bremen St., corner 139 Putnam St., Wd. 1, brick with granite edgestone.

J. B. L. Bartlett (petition referred May 25), Oakland St., Wd. 21, gravel with granite edgestone.

Reports accepted, orders severally passed.

(8) Report on the petition of Anthony

Volta (referred today), for a renewal of permit to maintain bootblack stands opposite 13 Franklin Ave.—that leave be granted.

Report accepted; leave granted on the usual conditions.

(9) Report on the petition of the West End Street Railway Company (referred today), for a location for double tracks on Talbot Ave., from Blue Hill Ave. to the tracks of said company on Washington and Norfolk Sts., Dorchester, with the right to use the overhead electric system thereon—recommending the passage of an order of notice for a hearing thereon on Monday, July 3, at 3 P.M., to take into consideration the expediency of granting the prayer of the petition, when any parties who object thereto may appear and be heard.

Report accepted; order of notice passed.

(10) Report on the remonstrance of the City of Chelsea (referred May 8), against closing Chelsea Bridge, north draw, for the purpose of widening the draw, that the same be placed on file.

Report accepted; remonstrance placed on file.

(11) Report on the Mayor's message (referred today), relative to site and engine house for Engine Company No. 22, Fire Department—recommending reference of the same to the Committee on Fire Department (Ald.).

Report accepted; said reference ordered.

(12) Report on the message of the Mayor (referred today), vetoing order directing the Boston Electric Light Co. to remove three poles on K St., South Boston—recommending that the veto be not sustained.

The Board voted to reconsider its previous action, and the question came on the passage of the order, the veto of His Honor the Mayor to the contrary notwithstanding.

Ald. COLBY—Mr. Chairman, I would like to ask why, every time a veto comes in here, the question is first put on reconsideration. I meant to have spoken to the Chairman outside of the open meeting of the Board, but I failed to see any good, proper parliamentary ground upon which that action is taken.

The CHAIRMAN—The city charter says that when a veto comes here, the Board shall first reconsider its previous action and the question then comes on the passage of the order, the Mayor's veto to the contrary notwithstanding.

Ald. COLBY—Mr. Chairman, I am perfectly willing that the charter says we shall reconsider and pass over the Mayor's veto. But see the inconsistency of the action we take. The Board goes on record as voting in favor of a certain measure. Then the Mayor vetoes it and the matter then comes back here and we are expected to vote to reconsider, whereas if we took the same ground we did in passing it, there would never be a reconsideration, and it would never come to a vote on that basis. Apparently, all that is necessary is for us to vote on the question of what we shall do with the veto. But we are asked to put ourselves in a peculiar position by voting to reconsider our action on a matter we have already voted on, and then vote as to what we shall do. If the Chairman has a preconceived idea that that is good parliamentary law under the statute as it stands, well and good; but I have talked with two as good parliamentarians, I think, as there are, and they tell me that the matter has been decided in other parliamentary bodies and that the question comes on what we shall do with the veto, not on reconsideration.

Ald. McDONALD—Mr. Chairman, I certainly must agree with the alderman opposite on that matter. It seems to me the question before the Board should be whether or not we shall sustain the Mayor in his veto. Therefore, it seems to me, under parliamentary law, we are then considering it, or reconsidering it, and I be-

lieve that is really what was meant under the act.

The CHAIRMAN—The Chair is carrying out the statute law, which says the Board shall first reconsider. The Board has reconsidered. The question now comes on the passage of the order, notwithstanding the objection of His Honor the Mayor.

The order was passed, the Mayor's objections to the contrary notwithstanding; yeas, 12.

THE NEXT MEETING.

Ald. COLBY offered an order—That when this Board adjourns, it be to meet on Monday, June 26, 1899, at 3 o'clock, P.M.

The order was read a second time, and the question came on its passage.

Ald. ADAMS—Mr. Chairman, I hope this order will not prevail. I think this Board has important enough matters before it to call it together next Monday. I therefore hope we will meet next Monday.

Ald. PRESHO—Mr. Chairman, another alderman and myself desire to get away next Monday, and I would like to have the adjournment to a week from Tuesday.

The order was rejected.

Later in the session Ald. Berwin said:—

Mr. Chairman, I was about to renew my motion in reference to adjournment of the Board. I can see no reason—unless the alderman has a substantial reason—why the motion to adjourn for two weeks should not prevail. I am willing, however, to yield to any reasonable suggestion on his part that will be agreeable to everybody. But, as far as matters before committees are concerned, it will probably take two weeks' time on the part of some of the Committees to properly consider the subjects referred to them, and I think business may be really expedited if my motion is adopted.

Ald. ADAMS—Mr. Chairman, I feel that it would be unwise to adjourn for two weeks at the present time, inasmuch as we have just met for the first time in the month. If any members of the Board have vacations next Monday, and would like to have the meeting on some other day, I think we can overcome that objection by meeting Tuesday. (After speaking to several members). I would move that we adjourn to Friday of next week.

Ald. PRESHO—Mr. Chairman, I think on the whole, it will be better to take up the original motion to adjourn for two weeks. Friday would be near to the following Monday, and we cannot meet on Thursday, on account of the Council meeting.

The motion that when the Board adjourn it be for two weeks, was declared carried.

Ald. Codman doubted the vote and called for the yeas and nays, and the two weeks' adjournment was carried, yeas 7, nays 5:—

Yeas—Ald. Berwin, Barry, Colby, Day, Dixon, O'Toole, Presho—7.

Nays—Ald. Adams, Brick, Codman, Doyle, McDonald—5.

REGULATION OF GARBAGE PLAN.

Ald. McDONALD offered an order—That the Superintendent of Streets be requested to instruct the contractors now in charge of the garbage plant at Cow Pasture to so regulate their plant that the citizens of Dorchester may be spared from the nuisance that it is now creating.

The order was read a second time and the question came on its passage.

Ald. McDONALD—Mr. Chairman, in regard to the order requesting the Superintendent of Streets to have this nuisance that is now created by the garbage plant abated, I beg to state that, my associates from Dorchester not residing in that vicinity, and I living at Upham's Corner, of course the people from Savin Hill naturally came to my house to make their just complaints. Now, I believe the people of Savin Hill ought to be spared from this nuisance exactly like the people residing in the vicinity of the Gibson Field. We all know that the Gibson Field garbage plant was a nuisance in that locality, and it is high time, it seems to me, that the contractors having charge of this garbage plant should see to it that there is as little odor from it as possible. I believe we should see to it that Dorchester is not used as a dumping ground for garbage, and I sincerely trust something will be done in this line so that repairs will be made at once, in order to obviate all this trouble that is constantly arising in the vicinity of the garbage plant. As I understand it, when they first started everything went along satisfactorily, but today there is a considerable nuisance existing around in this vicinity. I sincerely trust that the Superintendent of Streets will see to it that this matter is attended to.

Ald. CODMAN—Mr. Chairman, although living some distance from Savin Hill, nevertheless my attention was brought to this matter some time ago, and, realizing how useless an order of this sort sometimes is in the Board of Aldermen, I took the trouble to investigate and found that the Board of Health have already had their attention drawn to it, that the Mayor has had his attention drawn to it, and everything possible is being done at the present time to repair the plant. As soon as the garbage plant is repaired, there will undoubtedly be no more complaints than there were before it was destroyed by fire.

The order was passed.

RIFLE RANGE SITE.

Ald. BERWIN offered an order—That the Committee on Armories, etc., be directed to investigate the question of providing a rifle range for the militia located in Boston, and report a suitable site or sites for said purpose.

Passed.

GENERAL RECONSIDERATION.

On motion of Ald. Codman, reconsideration of all votes passed today was refused.

Adjourned, on motion of Ald. Berwin, at 6:52 P.M., to meet on Monday, June 26, at 3 P.M.

CITY OF BOSTON.

Proceedings of the Common Council.

Thursday, June 15, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P.M., President Kiley in the chair.

FIRE EMPLOYEES VACATION.

The following was received:—

Mayor's Office, City Hall,
Boston, June 3, 1899.

To the Common Council:—

I transmit herewith a communication from the Fire Commissioner in reply to your order requesting "a list of those employees in the Fire Department who have not been put on the vacation list."

Respectfully,
Josiah Quincy, Mayor.

Fire Commissioner, Bristol Street,
Boston, June 2nd, 1899.

His Honor, Josiah Quincy, Mayor:—

Sir:—Replying to the request of the Honorable Common Council, I would respectfully report that the employees of this department not included in the vacation list are the Commissioner, five (5) men on the special force of the Fire Alarm Branch, and thirty (30) permanent substitutes who had not been in the department six months before the vacation season began.

Your obedient servant,
H. S. Russell, Commissioner.

In connection with the above, Mr. NEWHALL of Wd. 23 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to put the following members of the fire department on the vacation list and award them the usual vacation: Clarence E. Colvin, Patrick Hurley, John Sullivan, Edward J. Hogan and Michael Birmingham.

The communication was placed on file, and the question came on giving the order a second reading.

Mr. NEWHALL of Wd. 23—Mr. President, those five men mentioned in the order are the five men mentioned by the Commissioner. They are men connected with the repair department, who do outside work, and if the men on the inside work get a vacation, I think it is only fair that those on the outside should also get a vacation. That is the reason why I have offered the order.

Mr. MULCAHY of Wd. 14—Mr. President, I desire to ask the gentleman a question through the Chair,—if he knows whether or not there are more bona fide men employed on the outside? I don't think it is fair to give five men who work on the outside a vacation, and if there are more, not to also give them recognition. I think the gentleman should consider that in his order—if there are other such men.

The order was read a second time and passed. Sent up.

VETO—FARRAGUT DAY CELEBRATION.

The following was received:—

Mayor's Office, City Hall,
Boston, June 2, 1899.

To the City Council:—

I return herewith without my approval the order passed by your body providing for the expenditure of not exceeding \$1000 for the observance of June 28th, for the reason that there is no balance in the appropriation for City Council, incidental Expenses, to which this expenditure is to be charged, and also for the further reason that all such celebrations should, in my opinion, be provided for at the begin-

ning of the year in the regular appropriations for such purposes.

Respectfully submitted,

Josiah Quincy, Mayor.

The question came on the passage of the order, notwithstanding the objections of His Honor the Mayor.

Mr. MARTIN of Wd. 15—Mr. President, in view of the communication that has been sent to us, I move the indefinite postponement of that order.

Mr. MULCAHY of Wd. 14—Mr. President, I, for one, in a matter of this kind, one which is for the interest of my district, will oppose the indefinite postponement of the order, unless the gentleman can inform us that some agreement has been made with the Mayor in reference to the matter. We have in the past succeeded in getting some money for Farragut Day in South Boston. Each member of this body knows that the several other distrieters spend a good deal more money than we have asked for in South Boston. Farragut Day is the only day we have, and is the only day we want; and I trust that the members of the body will not indefinitely postpone the order but will pass it.

Mr. MARTIN—Mr. President, from the information we have received from His Honor the Mayor, about two or three days ago, by a committee that waited on him in regard to the Fourth of July celebration and this celebration, we found from him that it was impossible to provide for this celebration from the incidental expense fund, there being only \$72 of the amount left. Now he has provided more for us in another direction, giving us more money for the Fourth of July, and, in view of the fact that he has not any more money to give us and cannot make any further provision, telling us that he cannot transfer money from the reserved fund for the purpose, the committee that went in to see His Honor the Mayor felt that we could not do anything more in the matter. In fact, he told us that, and in view of that fact I cannot see any other thing to do but indefinitely postpone the order. We have not got the means to go along and have our celebration with the money that we voted to appropriate.

Mr. MULCAHY—Mr. President, after the explanation offered by the gentleman from Wd. 15 (Mr. Martin), I desire to set myself right in this matter. I was ignorant of the fact that any committee had waited on His Honor the Mayor, in reference to the matter, and if it is agreeable to the gentleman from Wd. 15 it is agreeable to me, and I have no doubt will be to other representatives of the district.

Mr. LINEHAN of Wd. 13—Mr. President, I would like to say that I am in favor of indefinite postponement. I think the Mayor of Boston demands some consideration in this matter. It is not fair to be all the time pushing it into the poor unfortunate man (Laughter)—the man who has succeeded in breaking the city's finances! It is too bad. He needs some consideration at the hands of the Council.

The order was indefinitely postponed.

VETO—MAP ORDER.

The following was received:—

Mayor's Office, City Hall,
Boston, June 2, 1899.

To the City Council:—

I return herewith without my approval the order providing for the purchase of 500 copies of a new map of Boston, for the reason that there is no balance in the appropriation for City Council, incidental Expenses, to which this expense is to be charged, out of which to meet the cost of carrying out the order, which would amount to nearly \$1500.

Respectfully submitted,
Josiah Quincy, Mayor.

The question came on the passage of the order over the veto of the Mayor.

Indefinitely postponed on motion of Mr. Cuddy of Wd. 8.

PETITIONS REFERRED.

To the Committee on Claims—Daniel Ryan & Co., to be refunded a certain amount paid by mistake for a liquor license.

James J. Brock, for compensation for excavation of a trench for sewer connection on Maudlin St., Charlestown.

USE OF SCHOOLHOUSES.

A communication was received from the School Committee granting the use of certain schools for children's entertainments on July Fourth.

Referred to the special committee on Fourth of July.

PAPERS FROM BOARD OF ALDERMEN

1. Mayor's message transmitting report on results of the establishment of the Repair Division, made by committee appointed by Merchants Municipal Committee and Boston Society of Architects. (City Doc. 112).

The question came on placing the message on file.

Mr. HICKEY of Wd. 2—Mr. President, I simply desire to say a few words upon this No. 1 on the calendar, and in those few words I desire to call the attention of the Council to the fact that the attack made by Mr. Lomasney of Wd. 8 in the Legislature was unequalled and unjust. This committee, which is unbiased in all respects, reports that this department has earned in a little over one year \$12,616.60. That shows that the department is more than self-sustaining. In this report, which is signed by William O. Blaney, I. Pickering Putnam, C. H. Blackall and Edwin J. Lewis, Jr., none of whom have been heard from as leaders of the democratic party, they say "The profit to the city, during this period, as shown by enclosed statement, is \$12,616.60, and the work, so far as the committee can learn, is of superior quality, and has been performed in a satisfactory manner." It states also that "The estimates of the Repair Division were lower than those submitted by outside contractors who were invited to bid in competition, and in some cases the work was performed at less than the estimated cost." Now, Mr. President and members of this body, if that is not in direct contradiction to the attack made by the Wd. 8 gentleman in the Legislature during its recent session upon this particular division, then I am willing to relinquish my seat in this body.

Mr. LINEHAN of Wd. 13—Mr. President, being in a position to know a little something about the repair division, I would like to say just one word in reply to the gentleman from Wd. 2. It has never been known to have the repair division compete against any outside contractor. Every time they have asked for the right to compete, they have been informed that it is illegal, and that the repairs division cannot compete with outside contractors. Last summer the engineering department advertised for proposals, for bids, to build shanties,—12 shanties. Between two lowest bidders there was only \$2 difference, and the engineering department decided to allow them to build six each. Along comes the repair division and takes the whole business. The specification said that those shanties had to be built in sections. The repair division built them solid, and when they delivered them they had to take them back again and tear them all to pieces and build them in sections. Now, if that is making money for the city, I would like to know what it is to take money out of the citizens' pockets. The gentleman says that they have made money. Why shouldn't they? Every department for whom they have done work has been overcharged. Go and consult with any head

of a department who has his own conscience and will speak out like a man!

Mr. HICKEY of Wd. 2—Mr. President!

The PRESIDENT—Mr. Hickey of Wd. 2.

Mr. STEVENS of Wd. 11—Mr. President.

The PRESIDENT—Mr. Stevens of Wd. 11, not having spoken.

Mr. HICKEY of Wd. 2—Mr. President, I having been recognized first, would like the opportunity to speak. I want to call the attention of the gentleman from Wd. 13.

The PRESIDENT—The Chair has recognized Mr. Stevens of Wd. 11, he not having spoken.

Mr. HICKEY—Mr. President, I was first recognized.

The PRESIDENT—Mr. Stevens of Wd. 11 has the floor.

Mr. HICKEY—I was first recognized.

The PRESIDENT—The Chair desires to state that he is enforcing the rule of the Council, that no member shall speak twice if another member desires to speak upon the same subject.

Mr. HICKEY—Mr. President, I wish to speak to a question of personal privilege.

The PRESIDENT—The gentleman will please state his question of personal privilege.

Mr. HICKEY—My question of personal privilege is that, under the new rule which was presented to this Council by you earlier in the present session, a man who rose and secured the floor was entitled to it, and should be protected from any interruption. I was recognized when I arose, and I desire now to speak.

The PRESIDENT—The Chair desires to rule that the question is not a question of personal privilege, and has recognized Mr. Stevens of Wd. 11.

Mr. HICKEY—Mr. President, I will speak later.

Mr. STEVENS—Mr. President, I would respectfully request that that message from the Mayor be referred to the special committee of this body appointed to investigate the repair division and before it is referred, I would like to say one or two words. I was informed by a member of the Board of Estimate and Apportionment that the heads of the different departments had been told to go to the repair division for all work of that nature, and that they were not allowed to seek outside competition. Now, if the repair division was run on business principles, and if they would compete with outside firms in the same business, I would be very glad to see them do it; but I understand that that has not been the custom in the past, and there is no indication that it is to be the custom in the future. There is no indication that the heads of departments are to have the privilege of going outside and employing anyone else if they find they can have the work done cheaper. I have been told—or I will say that I have been given to understand—also, by a member of the Board of Estimate and Apportionment that the departments for which the repair division did work was charged the regular cost of materials with 10 per cent. added to that, so that if outside people went in and bid for the same thing, I don't see but that the work would be done just as well and much cheaper than it is today. That is why this repair division is able to show a large profit. The profit is all at the expense of the other departments.

The question came on the reference of the matter to the special committee appointed to investigate the repair division of the public buildings department.

Mr. WATSON of Wd. 18.—Mr. President, I sincerely hope that the motion of the gentleman from Wd. 11 will prevail. I know but little to the credit of the repair division. In fact, I know about one thing personally. I know that Mr. Logue's division did certain work for one department of the city for which he charged so excessive a sum that the head of that

department refused to pay the amount of money, and it had to be transferred by the Board of Apportionment from some other source to pay the bill. The head of the department refused to pay it. I know that to be a fact, and, if necessary, I will name the department.

Mr. CUDDY of Wd. 8—Mr. President, seeing that the gentleman from Wd. 2 saw fit to refer to Wd. 8, the district that I have the honor to represent, and also to an honorable member of the Legislature, I desire to say, Mr. President, that it would not be surprising, if the city were to burn down tomorrow, that Wd. 8 should be blamed for it. That gentleman, the sky-rocket orator, the mouth-piece of the defunct board of strategy, comes in here prepared tonight, as he has done before this year, with a written speech from that once famous organization to attack Wd. 8. Mr. President, this repair division I know myself is a department organized for the purpose of giving a favored few certain jobs. People in business who stand well with the administration are given places. They are tipped off to bid low, and told that the repair division will bid high, and they are given some sort of a small job. I sincerely hope that the order will be referred to the committee.

Mr. HICKEY of Wd. 2—Mr. President, I am perfectly willing that the motion which has been made shall prevail, but in the few words I have to state to the members of this Council that what has been said by the gentlemen from Wds. 11, 13 and 8, upon this question, differs in every part from what is said by William O. Blaney, representing the Merchants Municipal Committee, and by the other three gentlemen, representing the Boston Society of Architects. They state distinctly that the estimates of the companies who are entitled to bid in competition with the repair division were less than the estimated cost. I am perfectly willing, however, that the motion of the gentleman should be adopted.

Mr. MULCAHY of Wd. 1—Mr. President, another humbug investigation, and which does not come from Wd. 8 this time, but from Wd. 11. The gentleman from Wd. 11 doesn't want to think that that is the only responsible district in the city of Boston. There are others just as much so. But in reference to this department I want to say that nobody has stated here the good work that the department has done. The gentlemen of this Council will admit that the organized labor unions of Boston came here and advocated the interests of this department, asked the members of this body to urge the passage of the bill creating the department, and to force it through here. Now, Mr. President, I at any time will take the opinion of gentlemen here, whom I never met but who have signed this City Document No. 112, as to the results of the establishment of this division. I will take the opinion of those gentlemen at any time against the words of gentlemen who are here seeking for cheap notoriety and newspaper talk.

Mr. STEVENS of Wd. 11—Mr. President, in the remarks I made a few moments ago in regard to the cost to the different departments of work done by this repair division, I stated what I considered are the facts, and I wish now to reiterate what I said, also stating that I was told that in the cost of the material that went to those departments, ten per cent additional was charged to the department. Now, instead of ten per cent being added to the cost of the material furnished to those departments, the departments ought to be credited with the discount that this repair division gets. That is the way, in my opinion, that the repair division has been able to make this fine showing, and I think any man here who will go and look into the matter will find that this is true, that 10 per cent is added to the cost of the material.

Mr. SANDERSON of Wd. 25—Mr. President, I have a great deal of respect for the gentlemen who have drawn up this report, but at the same time I cannot understand how it is that they should report that the prices, material and workmanship of this division are first class. If that is so, why is it that the President of the Hospital Trustees, Mr. Shuman, before he will pay a bill for work that this division does for the Hospital Department, has to refer it to the Mayor, and a committee waits upon the Mayor to see why the division charged such an exorbitant sum—the result being that the amount is reduced before the bill is paid? If these gentlemen can find why the department can charge the price it does, and that the price is just and equitable why should the hospital department, with such an able financier as Mr. Shuman at its head, be obliged to do anything of that sort?

The motion to refer was carried, and the communication was referred to the special committee to investigate the repair division, public buildings department.

Mr. Mulcahy of Wd. 14 doubted the vote and asked for the yeas and nays, which were ordered, and the motion to refer was carried, yeas 38, nays 19:—

Yeas—Armistead, Atwood, Bagley, Battis, Bennett, Bordman, Brauer, Chamberlain, Cuddy, Eddy, Emery, Harvey, Hubbard, Horrigan, Kiley, Klemm, Leftovich, Linehan, Lorey, MacDonald, Martin, McInerney, Mildram, O'Brien, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sweeney, Turnbull, Walker, Watson, Wells, Winsloc—38.

Nays—Badaracco, Brennan, Casey, Collins, Connolly, Doyle, Fenton, Gibbons, Giblin, Hickey, Johnson, Kasanoff, Kelley, Madden, Mulcahy, Nangle, Newhall, Sullivan, Tobin—19.

Absent or not Voting—Bradley, Broderick, Carroll, Curley, Doherty, Donahoe, Donovan, Flynn, Howard, Jordan, Leonard, Logan, Lydon, Mansfield, Miller, Moore, Rice, Wood—18.

2. Mayor's message relative to appropriations for observance of Memorial Day, returning therewith the official copy of City Document 84.

Placed on file.

3. Communication from the Board of Police showing its concurrence with the City Council in the order placing the salaries of the matrons of Police Divisions 11 and 13 at the rate of \$200 each per annum for the period during which they are employed.

Placed on file.

4. Report of Committee on Claims, on petition, referred May 22, of L. E. Fletcher Company to be refunded taxes for 1897-8, alleged to have been illegally assessed by the city, and paid by said company,—leave to withdraw.

Accepted in concurrence.

5. Report of same committee, on petition, referred January 16, of George Gannon to be paid for damage to sleigh caused by one of the city ash carts,—leave to withdraw.

Mr. WATSON of Wd. 18—Mr. President, I am somewhat familiar with this order, and I respectfully ask, if it is in order, that it be referred back to the Committee on Claims. My reason for asking that recommendation is that the matter came before the committee when I was present, and it was stated that the man had a broken leg and could not be present at that time. There was some question of liability, and an explanation from the man himself was necessary, and, in view of the fact that he could not get there we postponed the matter. I think before we act upon this the committee should give another hearing on the matter and give the petitioner a chance to explain. That action should be taken before we give him leave to withdraw, that privilege being given to other petitioners.

The motion to recommit was carried.

6. Report of same committee, on petition, referred May 15, of Cornelius J. Desmond to be repaid the sum of fifty (50) dollars paid as an entrance fee to a sewer on Hopkins St. on account of estate 34-36 Corbet St.—leave to withdraw.

Accepted in concurrence.

7. Report of same committee, on petition, referred June 30, 1898, of John Kilbride for compensation for injuries to horse caused by an alleged defect in Cabot St.—leave to withdraw at his own request.

Accepted in concurrence.

The Council voted, on motion of Mr. Chamberlain of Wd. 12, to consider Nos. 8 to 16, inclusive, and that the same be read by their titles, viz:—

3. Report of Committee on Claims, on petition of James Ottery, recommending the passage of the following order:—

Ordered, That the City Treasurer be authorized to repay to James Ottery the sum of three hundred (300) dollars, being the amount paid by him for a license for the Trimountain Club, 75 Harrison Ave., which was granted but not issued by the Board of Police.

9. Report of same committee, on petition of Harris M. Stephenson, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Harris M. Stephenson the sum of two hundred and thirty dollars and forty-five cents (\$230.45), being the amount held by the city under chapter 390, section 40, of the acts of 1888, from the sale of an estate on Centre St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2382, fol. 8.

10. Report of same committee, on petition of Thomas F. Reardon, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Thomas F. Reardon the sum of one hundred and forty-two dollars and three cents (\$142.03), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Calumet St. for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2498, fol. 614.

11. Report of same committee, on petition of Bert C. Day, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Bert C. Day the sum of one hundred and thirteen dollars and thirty-four cents (\$113.34), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Perham St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 604.

12. Report of same committee, on petition of William Clafin, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to William Clafin the sum of thirty-seven dollars fifty-eight cents (\$37.58), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mattapan St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2503, fol. 4.

13. Report of same committee, on petition of Fanny Taylor, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Charles E. Loud the sum of one hundred twenty-two dollars and fifty-five cents (\$122.55), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on southerly side of Dana Pl., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 105.

14. Report of same committee, on petition of George S. Daniell, recommending the passage of the following order:—

Ordered, That the City Treasurer be

hereby authorized to pay to James W. French the sum of two hundred and eighty-nine dollars and fifty cents (\$289.50), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mountfort St. for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2580, fol. 228.

15. Report of same committee, on petition of Guilford L. Stark, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Guilford L. Stark the sum of one hundred and eleven dollars and ninety-seven cents (\$111.97), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mt. Vernon St., West Roxbury (lot 49), for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2499, fol. 612.

16. Report of same committee, on petition of Mary Landrie, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Eugene C. Upton the sum of two hundred eighty-eight dollars thirty-five cents (\$288.35), being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Weld Hill St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 614.

Reports severally accepted; orders passed in concurrence.

17. Mayor's message transmitting the following order, passed by the Board of Estimate and Apportionment on June 8, said order coming down passed by the Board of Aldermen for concurrence:—

Ordered, That the order passed by this board on February 7, 1899, appropriating fifty thousand (50,000) dollars for rebuilding the draw and reconstructing the present Maiden bridge, and authorizing the City Treasurer to issue bonds of the City of Boston, payable in 10 years from their date, to said amount for said purpose, be, and hereby is, rescinded.

The communication was placed on file and the order was passed in concurrence. Mr. Watson of Wd. 18 moved to reconsider; lost.

18. Ordered, That the Board of Estimate and Apportionment be requested to transfer the sum of five thousand (5000) dollars from the Reserve Fund to the appropriation for Assessing Department.

Passed in concurrence.

19. Ordered, That the Superintendent of Public Grounds be authorized to hire the lot of land on Geneva Ave., between Olney St. and the New York, New Haven & Hartford Railroad, and known as "Morse Field," for temporary playground purposes, the expense of the same to be charged to the appropriation for Public Grounds Department.

Mr. BRENNAN of Wd. 17 moved the assignment of the order to the next meeting.

Mr. HARVEY of Wd. 24—Mr. President, unless the gentleman gives some reason why this should be laid over, I sincerely hope it will not be assigned to the next meeting.

Mr. BRENNAN—Mr. President, the reason why I want this laid over is to find out, if I can, what the cost will be for hiring the playground for the season. I know that the appropriation for public grounds is very short at the present time, and I don't think it is right to shorten it any more by hiring this playground and charging it to that appropriation, where the expense may have to come out of the laborers of the department.

Mr. HARVEY—Mr. President, while this is not in my ward I am somewhat familiar with it. I understand that the expense is \$200 and that the Superintendent of Public Grounds and the Park Department are in favor of this project. I sin-

cerely hope the order will not be assigned. It is only a matter of \$200.

Mr. FLYNN of Wd. 17—Mr. President, I happen to know a little about the appropriation for the Public Grounds Department, and I don't really think that department could stand having that amount taken out of its appropriation. I know that every year the men have to take two or three weeks' vacation on account of the shortness of money, and this simply shortens the appropriation. I think the order ought to be assigned.

The order was assigned to the next meeting of the Council.

20. Ordered, That the Board of Street Commissioners be requested to prepare plans and widen Geneva Ave. to a width of 60 ft., from Bowdoin St. to Grove Hall, Wd. 20.

Passed in concurrence.

21. Ordered, That the Board of Street Commissioners, through His Honor the Mayor, be requested to accept Longfellow St., Wd. 20, as a public street, and construct the same under the provisions of chapter 323 of the Acts of 1891.

Passed in concurrence.

22. Ordered, That the Board of Estimate and Apportionment be requested to provide a sum sufficient for the erection of a brick wall at the Charles-St. Jail in place of the existing wooden wall.

Passed in concurrence.

23. Ordered, That the City Auditor be hereby authorized to allow for payment to the Superintendent of Streets, on account of the Ferry Division, the sum of twenty-five (25) dollars, and the said Superintendent is hereby authorized to accept the same in lieu of tolls for the ferries on July 4th next; said sum to be charged to the appropriation for Mayor, Public Celebrations, July 4th.

Passed in concurrence.

24. Ordered, That the City Engineer, with the approval of the Mayor, be authorized to settle the claim of Malone and Strang for damages sustained on account of excavations for building the water basin in Southborough.

Mr. CUDDY of Wd. 8—Mr. President, I move you, sir, that that matter be referred to the Committee on Finance on the part of the Council.

Mr. BORDMAN of Wd. 10—Mr. President, I will move you, sir, as a substitute for the motion to refer, that the order be given a second reading and placed on its passage tonight; and I would like in a few words to explain the purport of the order and my reasons for making that motion.

The PRESIDENT—The Chair desires to rule the motion out of order. The motion to refer cannot have a motion like that substituted for it.

Mr. BORDMAN—Mr. President, I sincerely hope that reference to the Committee on Finance will not prevail, for these reasons: This is a matter which appears plainly on its face to be, as it is, a mere matter of justice. The substance of the order is this: In 1895, during the construction of the Metropolitan water system, bids were advertised for two sections, where there was to be excavation work, in Fayville.

The firm of Malone & Strang were the lowest bidders on one section, and on the other section they were within \$100 of the lowest bidder. The Water Board, in consideration of that slight difference, decided that, as the two sections, C and D, were adjoining, it would be better to have the same firm do the excavation in both sections. So they announced to the firm of Malone & Strang that they were awarded the contract. The contract was awarded in due form and they were required to furnish bonds in the sum of \$22,000 and \$20,000, and also a certified check of \$1000 on each contract. The contracts were signed by every member of the water board and by the two members of the firm. One condition of the contract was that the work should be begun under the

contract within ten days, and, the check having been deposited and the contract signed, Mr. Strang, of the firm of Malone & Strang, left for Nova Scotia, to get an excavating equipment which he owned there, which was then working on some construction. This equipment was very heavy and complex—including, for instance, 196 mules, for one thing. The equipment could not be used upon the other section. It was useful only upon section D, the section that was \$100 overbid. This equipment having been brought down here within ten days, work was commenced, and work to about the value of \$175 was done on a portion of section D. It then appeared that the contract had no evidence on its face that the city ordinances required the Mayor's approval of it, and Messrs. Malone & Strang, being strangers to Boston city work, did not know that the Mayor's approval was necessary. They began the work and found three months later, in June, being notified of the fact, that Mayor Curtis had refused to approve that contract, and new advertisements were made, and that section D was taken away from Malone & Strang. The contract was declared null and void and was given to new parties, Mr. Strang, of the firm, had been to an expense of about \$12,000, in bringing down this equipment and in maintaining it, and the firm was at a great loss, without any fault on its part, having done its part of the contract, supposing it was binding, in good faith, having been to an expense of \$10,000 or \$12,000, and being without any recourse. This order is an order authorizing the City Engineer to assess the amount of damage to the firm, and authorizes the making of a compromise and payment of something to the firm, with the approval of the Mayor. The matter was considered last year by the Committee on Claims at great length, which gave two hearings, and a report was made to the Board of Aldermen, coming in at the last session of the Board on December 27. It was passed. I will read the report of the committee:—

"The Committee are of opinion, under all the circumstances of the case called to their attention (without passing upon the legal aspect of the claim as contended for by the petitioners), that the petitioners were fairly and honestly led, induced by the acts of the Water Board, to incur the expenses and losses they sustained in order to perform their part of a contract which they supposed was binding on the city also, and that their claim to the extent of expenses thus actually incurred is a just and equitable one, and that on grounds of morality and justice they are entitled to be reimbursed."

"The Committee is of the opinion that the above claim should be settled and the claimants awarded something, but the committee not having jurisdiction in the matter, do not feel called upon to estimate the amount of damages."

That is the report of last year's Committee on Claims, signed by Salem D. Charles, Chairman. It was passed by the Board, but the session of the aldermen at which it was passed was held on December 27, too late to have it come before the Common Council. The claim has been pending now for three years, and of course cannot be referred to the Committee on Claims, because they have no jurisdiction in the matter. It seems to me—perhaps you may think that this is a novel position for me to take—that this is a matter which should properly come before the city engineer. He is a judge of excavation and of engineering work, and his judgment in a matter of this sort will not go far astray. He will not suffer the city to be cheated, and it seems to me it is no more than right for us to have this approved by the Mayor—not allowing ourselves to be carried away by a wave of fancied principle which would prevent us from

wishing to have a thing of this kind approved by the Mayor. I am not an advocate of our chief executive, but I do think that the chief executive of a city like Boston must have some confidence shown in him by the legislative branches of the city government, at certain times, and this is probably an occasion when we should place confidence in him. I trust that the motion to refer to the Committee on Finance will not prevail.

Mr. MULCAHY of Wd. 14—Mr. President, I trust, also, that this matter will not be referred to that committee. The gentleman from Wd. 10 made a very satisfactory explanation of this matter and I think that it ought to be passed here this evening. I trust that the members will vote to pass it.

Mr. CUDDY of Wd. 8—Mr. President, my only reason for asking that it be referred to the committee on finance was for the simple reason that I thought it was about time that the Council should do away with delegating their powers to anybody. This matter involves several thousand dollars, and I think, Mr. President, that it is the proper thing that the committee on finance should consider it. That is my only reason. I have no interest in the matter whatever. I think that the matter should be referred to the committee on finance without debate.

Mr. NANGLE of Wd. 19—Mr. President, after listening to the able and lengthy argument of the gentleman from Wd. 10, and to his unexpected eulogy of the present Mayor of Boston, coming from the source it did, I think it would be well to assign this matter to the next meeting, and I move that it be so assigned.

The PRESIDENT—The question first comes on assignment.

Mr. STEVENS of Wd. 11—Mr. President, the principle of leaving this to the city engineer to settle the damages is one that I think is just. I am perfectly willing that he should be the man to settle this claim. If it is referred to the finance committee, this kind of work is something that many of the men on that committee are not familiar with. The city engineer is a man who has been brought up in that profession, and I think he is the one man in the city to whom that should be referred. I am perfectly willing that it should be assigned for a week, but I should be very sorry to see it referred to the finance committee.

Mr. BORDMAN of Wd. 10—Mr. President, I do not know that I have any reason for opposing assignment, except this, that the Council is going to take a vacation fairly soon, and in assigning a matter of this sort, a matter that has been held up by us and delayed in process of settlement for three years, we are assigning a matter which I think should be settled at once. I think there is no time to press a matter like that better than when it first comes up. The whole matter has been investigated and has been laid out by the committee in its report as I stated it. I have kept very close to their statement of the facts. I have here in my hand the official proceedings of the Board of Aldermen for Tuesday, Dec. 27, 1898, the official proceedings of the meeting at which the committee reported and, as I say, I have tried to hold closely to the circumstances of that report; and I give my word, for what it is worth, to the members that is the situation and the description of the circumstances of the case. I have no personal interest in the matter, excepting as wanting to see a matter of justice done. This is a matter in which the parties cannot go to court. They have no legal claim. It is merely a moral claim upon the city, and I believe in the city of Boston doing what is morally in duty bound to do. That is my only reason for opposing assignment. If it is the judgment of the Council that the matter should be assigned, I am willing

to have it assigned, but I should like to see it go through tonight.

Mr. CUDDY of Wd. 8—Mr. President, I have not heard of any argument as yet that would keep me from voting to refer this matter to the Committee on Finance. It seems to me if this is referred to the Committee on Finance, that committee has the privilege of sending for the City Engineer, and they can then go over the matters carefully and act accordingly. There is no harm in referring it to the committee, because they can send for the engineer and can act a good deal on his statement. I cannot see any other that will come from referring it to that committee.

Mr. NANGLE of Wd. 19—Mr. President, this matter, if I understand it rightly, is one that involves a sum of \$20,000. I had always stood in this Council for the idea that where it was a matter of that magnitude it was well to assign it. I believe this ought to be locked into. I do not object to referring it to the committee. I believe that, when the President of this body appoints committees, we must place some confidence in them that whatever comes before them, it will be handled honestly; but I do say that I think this is a matter that should be assigned to the next meeting. I do not see what the harm can be of doing that. If we decide to pass it, we can do so then; or we can refer it to the committee, if we see fit. The gentleman from Wd. 10 says he has no personal interest in this. Now, Mr. President, I have been a member of the Council for some time, and I want to say that it has been my experience that when a man comes into this Council with a prepared speech and says that he has no interest in a matter, there has always been some nigger in the woodpile. The gentleman says that he has no interest in this affair, but, judging from past experience, I think he is trying to mislead the Council. I hope, under those conditions, that the matter will be assigned for one week.

Mr. HICKEY of Wd. 2—Mr. President, I am quite content to take the word of the gentleman in the second division (Mr. Bordman), but I believe the other members of this Council are entitled to some consideration in this matter. I hope it will be assigned to the next meeting, in order to give us an opportunity to look into it. The matter has been resting for some two or three years, and has not been settled, and as it involves several thousand dollars, I think we can fairly ask that it be postponed until the next meeting of the Council.

Mr. WATSON of Wd. 18—Mr. President, I desire to ask the Chair whether, provided we vote down assignment, it will then be in order to instruct the committee to report back at the next meeting, provided we refer it to the Finance Committee.

The PRESIDENT—Does the gentleman make a motion?

Mr. WATSON—Mr. President, I asked a question of the Chair.

The PRESIDENT—Then, the Chair misunderstood the gentleman, and will request the gentleman to renew his question.

Mr. WATSON—Mr. President, I desire to ask whether, if we vote down assignment of this matter for one week, and then the question comes on referring it to the committee, this body can instruct the Finance Committee to report back at its next meeting.

The PRESIDENT—The Chair desires to state that, under the rules, he believes that the motion to refer is susceptible to such an amendment, and that the committee can be instructed to report back at the next meeting.

Mr. WATSON—Mr. President, I sincerely trust that assignment will not prevail. I think that we have committees appointed to do certain work and that they should do that work. Certain committees are

not doing the work which they should, because matters are being rushed through this body. If matters were referred to the proper committees, the committees would now all be working—and I know it is the intent of the Chair to make all committees work. I personally am suffering from too much committee work, and I would like to see some of the other fellows doing some work. This is a matter of some \$20,000, and it is proposed to leave it to the city engineer to settle. Now, I must say that he is a perfect gentleman, and that he is as honest as the day is long,—yet I guess he will yield to the Mayor's persuasion. They all do. I believe that we should refuse to assign this and that we should refer it to the committee on finance with instructions to report back in a week. I think we will then get through with it in the proper way.

The PRESIDENT—The Chair desires to make a statement for the benefit of the Council. Under the rules of the Council, all matters of this kind should be properly referred to the committee unless the rules are suspended; but the motion to assign takes precedence over the motion to refer. The question is on assignment.

Mr. BORDMAN of Wd. 10—Mr. President, my friend from Wd. 19 places me in a peculiar position. As I said before, I had no objection to assignment, and, under the circumstances, I would say that I favor assignment. I would also explain my position, and say that until this afternoon I was an entire stranger to this matter, and that a gentleman who is an entire stranger to me, but whom I know of by reputation, came to me and asked me if I would see that this went through if I could. I looked into the matter and after investigation of it, I felt that it was a matter of justice, and I said I would do so. Aside from that, I have no personal interest, and anybody who knows me knows that I haven't. I favor assignment.

The motion to assign further consideration of the matter to the next meeting of the Council was lost, and the question came on reference of the matter to the Committee on Finance, on the part of the Council.

The motion to refer the matter to the Committee on Finance, on the part of the Council, was declared carried. Mr. Bordman of Wd. 10 doubted the vote and called for the yeas and nays, which were ordered, and the motion to refer to the Committee on Finance, on the part of the Council, was carried; Yeas 30, nays 28.

Yeas—Armistead, Battis, Brauer, Chamberlain, Collins, Connolly, Cuddy, Eddy, Emery, Fenton, Flynn, Gibbons, Giblin, Kiley, Klemm, Leftovich, Lorey, Lydon, MacDonald, Martin, O'Brien, Roemer, Roland, Simpson, Stone, Sweeney, Turnbull, Walker, Watson, Winstoe—30.

Nays—Atwood, Badaracco, Bagley, Bennett, Bordman, Brennan, Casey, Donahoe, Doyle, Harvey, Hibbard, Hickey, Horriegan, Johnson, Kasanof, Keley, Linehan, Mildram, Mulcahy, Nangle, Newhall, Peck, Rice, Sanderson, Stevens, Stockton, Tobin, Wells—28.

Absent or not voting—Bradley, Broderick, Carroll, Curley, Doherty, Donovan, Howard, Jordan, Leonard, Logan, Madden, Mansfield, McInerney, Miller, Moore, Sullivan, Wood—17.

Mr. CUDDY of Wd. 8 moved to reconsider; lost.

25. Ordered, That the Water Commissioner be requested to locate and maintain a drinking fountain and watering trough at the corner of Commercial St. and Atlantic Ave.; the expense of the same to be charged to the Water Department. Passed in concurrence.

26. Ordered, That chapter 397 of the Acts of 1899, entitled "An Act Relative to Stony Brook in the City of Boston," be, and the same hereby is, accepted by the City Council of the City of Boston.

The question came on giving the order a second reading.

Mr. WATSON of Wd. 18—Mr. President, I sincerely trust that this action of the Legislature of 1899 will be accepted. I am particularly interested in this matter, in view of the fact that Stony Brook, with its horrible stench, runs through a part of my ward. I mean to say, Mr. President and fellow members, that this brook has been a nuisance to the Roxbury district since the time of the flood, (laughter),—I mean the latter-day flood, Mr. President, the flood of 1888.

The PRESIDENT—The Chair will ask the Council to be in order.

Mr. WATSON—Mr. President, I want to say that this brook has been a source of trouble and nuisance to the Roxbury District for years. Years ago, it overflowed its banks, and overflowed the whole of Wd. 18. I want to say that today there is hardly a gallon of water passing down beneath the brook in the ward that I live in. There is nothing but a lot of dirty, disagreeable drippings from the houses. As a matter of fact, many houses dump into the brook now. I say that it is a disease-breeding spot, and if it is allowed to continue much longer, there will be an epidemic in that district. I live quite a way from the bridge, but when the wind blows that way, the stench from Stony Brook is almost unbearable. This is the first opportunity we have had to do away with that nuisance. This act is for the purpose of doing work out through Jamaica Plain and Forest Hills. They intend to have a drainage sewer built, and, by doing that, to do away with the brook through the Roxbury District.

This water in the brook is in a terrible condition. I might say that there are cats and dogs in the brook, and all kinds of things. In some parts of the brook, the water does not hardly run any, and we never can do away with this nuisance until the course of the brook is changed. This act of the legislature is a great act for Boston—as well as many more which we have had. I think the Legislature of this year has done great work for Boston—notwithstanding many interviews (laughter). I want to say that this act, Mr. President and fellow members, together with other acts, are of great benefit to Boston. I want to say, further, that I believe every voter—even the children, if they could vote—would vote to do away with this brook. This \$350,000 is a God-send for the ward that I represent in part. I hope that this Council will accept that act by a unanimous vote.

Mr. ROEMER of Wd. 22—Mr. President, I would like to make a little reply to my worthy friend from Wd. 18. It seems that the brook is quite a nuisance. Now I think that of course we all understand that it is a nuisance, but he makes some very broad statements about it, and says that it flows through his section. Now, I represent Wd. 22 in part, and I believe that I am situated nearer to the brook than anybody. I live right there, and, as I understand it—I state this in order to set the Council straight,—they do not intend to change the course of the brook, but to make it of a lower level. It is not at a sufficiently low level to drain that district, and consequently they want to lower the bed of Stony Brook, and to cover it over, from a certain point in Wd. 22, beginning at a point near Green St. I believe that is all they intend to do. As far as the water being green is concerned, sometimes it is black, and sometimes, as my friend says, there is no water running through the brook at all. Well, that is all true, but sometimes I have seen the water running through there to such an extent that it pulled down the foundations of houses and ruined property. That was when the freshets came in the spring. In the summer it is nothing but a pest hole, and in the spring there is so much water there that it is a terrible place, and it tears down bridges and everything else at times. Traffic was stopped in one street for two

weeks, I believe. I sincerely trust that this thing will go through tonight.

Mr. BRAUER of Wd. 23—Mr. President, I hope that this order will pass tonight. This brook runs through a part of Wd. 23, and it is a nuisance to public health. It is just as the gentleman from Wd. 18 has stated it. The water is stagnant, and there is a terrible stench coming from there all the time. I hope that there will be a unanimous vote of this body to pass this order tonight.

Mr. WATSON of Wd. 13—Mr. President, I was in part contradicted by the gentleman from Wd. 22 about the change in the course of the brook. I desire to inform my friend that it is their intention to have the water drain into the sewer, which does away with the brook that drains the section down our way. I know that the water will be done away with, down where it passes the Boston Belting Company, because it will enter the sewer which is built to relieve Stony Brook.

Mr. STEVENS of Wd. 11—Mr. President, I would like to ask the gentleman from Wd. 18, or the gentleman from Wd. 23, if they can tell me whether, if this passes, the sewerage from that district down to the Boston Belting Company is to go through the main sewers of Boston, or whether it will continue down the same channel—whether any of it is to go into the Charles River?

Mr. ROEMER of Wd. 22—Mr. President, I think I can give my friend the information that he desires. I have taken a great deal of interest in this matter and have attended several hearings at the State House. I ought to know what is to be done and what is not to be done. This is not a sewer at all. It is Stony Brook. They do not intend to discharge any sewerage into it. It will remain just as it is at the present time—that is, down below Roxbury. It will extend it further and continue it, and will cover it over. They cannot lay the sewer lower because it is in the way. They have to lower the bed of the brook and put in a low-level sewer with it, and that will drain all that section. That will drain part of Wd. 22 and Wd. 23. There will be no sewage go into Stony Brook and enter into the Fenway.

Mr. CONNOLLY of Wd. 17—Mr. President, I would like to ask the gentleman from Wd. 18 whether or not the Boston Belting Company have not power rights in Stony Brook, or whether the Rubber Works have not?

Mr. WATSON of Wd. 13—Mr. President, I will surprise the gentleman by saying that I know something about this. I want to say that there was some arrangement made between the Boston Belting Company and the City of Boston whereby they let the matter out to arbitration, and I understand that the arbitrator has reported favorably upon it, and I believe that the brook people have accepted it. I wish to say that I am not familiar with the plans and what they are going to do out further, but I do know that they are going to do away with the brook below the Belting Company.

Mr. CONNOLLY—Mr. President, I move that the order be assigned to the next meeting of the Council. It seems to me that it is a question whether the city will not be liable for damages for the changing of the course of this brook. I want to know whether the Belting Company will receive damages, or whether the Rubber Works will.

The PRESIDENT—The question is on assignment of the matter to the next meeting.

Mr. BRAUER of Wd. 23—Mr. President, I hope this matter will not be assigned. It is a subject that involves the health not only of the people of Wd. 18, but of the people of Wd. 22 and also 23. The brook is so situated that the water backs up in Wd. 23 and becomes stagnant, and is an offense to the whole community. For that reason, I hope the order will not be as-

signed, but will go on its passage tonight.

Mr. WATSON of Wd. 13—Mr. President, I have known all the evening that there was a "nigger in the woodpile." I want to answer the gentleman from Wd. 17 by saying that the Mayor of Boston is opposed to this act, that the Mayor of Boston fought it in the legislature, and that the Mayor of Boston is fighting it now. The gentleman who has made the motion to assign has probably made it according to instructions. I want to say to him that this is a matter which does not interfere a particle with his district. I think he ought to be willing to delegate action on this matter to the members from the districts which are interested in it tonight. I know that whenever he speaks, that wherever this matter has come up, the Mayor of Boston has been against it. He has shown that he was against it by his talk to certain individuals within 48 hours. I trust that assignment will not prevail, and I will say that if any other member of this body had such a stench, such a disease-breeding spot within the confines of his ward, I would vote to do away with it, regardless of politics or anything else. I ask the members of this Council, and almost demand of them, in the interest of fair play and in the interest of the health of the community that I represent, that they vote to accept this act tonight, and do not assign the matter to the next meeting.

Mr. McINERNEY of Wd. 19—Mr. President, I desire to answer the gentleman from Wd. 17 in this way: I do not see how the city of Boston could be responsible for any damages that might occur from the improvement of Stony Brook. Stony Brook is at present the property of the city of Boston. Furthermore, a great many of the members of the sewer department are about to be suspended again. This \$350,000 was given for the relief of the sewer department, and here tonight we find some of the members of this body who awhile ago were clamoring for the sewer department, and who did vote for the million dollars at the beginning of the year, are now fighting against the interests of the sewer department. If they had stood out at that time and fought with those who were fighting in the interest of the sewer department, and had not voted to allow the one million dollars to be given to contractors, the sewer department would be well off today. They would not need this \$350,000 at this time. This money is for the relief of the sewer department, and anybody who gets up and opposes this order is opposed to the interest of that department.

Mr. ROEMER—Mr. President, I sincerely hope that assignment will not prevail. I believe that if I could take out a committee of this Council or the whole of the members of the Council and show them the condition of things out there, as we did the Committee on Metropolitan Affairs from the state house, they would certainly not vote for assignment. It is a terrible thing, and they would favor having this passed immediately so that work can be begun at once. The plans for this work are all made, the plans for the changing of the bed of the brook, and I do not see why we should vote to assign this to the next meeting, because we all know that this work will have to be done sooner or later. We are suffering from a terrible stench out there, and I think this work ought to be done at once, and everything fixed up. I hope that assignment will not prevail.

Mr. CONNOLLY of Wd. 17—Mr. President, it seems to me that every time I rise to make a motion in the Council, the gentleman from Wd. 18 (Mr. Watson) states that the Mayor is in it. Whatever I put in, or whatever motion I make, he always claims that the Mayor has something to do with it. Now, I probably have been out of Boston during the last six weeks more than he has, and I wish

to say that I have not seen the Mayor once during the last six weeks. The Mayor of Boston has not spoken to me about this order. The only thing I intended to have done was to have it assigned, so that I might look into it, and so that other members of the Council might have an opportunity to look into it. To show him that the Mayor of Boston has not spoken to me about it in any way, shape or manner, I desire to withdraw my motion to assign at this time.

The PRESIDENT—If there is no objection, the Chair will consider the motion to assign withdrawn. (After a pause.) There being no objection, the question comes on giving the order a second reading.

Mr. NANGLE—Mr. President, I feel proud to think that my friend Connolly has withdrawn his motion. His intentions were all right, I feel assured, until he got a little explanation in regard to it. It is gratifying to me, Mr. President, to find that there is one matter which has come up in this Council this year that I and the gentleman from Wd. 18 can agree upon. I don't believe it has happened before, and I am glad, as I say, that there is one matter we can agree upon. I come from a district which Stony Brook runs through, and I suppose I know the brook as well as any member of this body. I know that this proposed improvement is something that is absolutely required for that district. They have been working for it for the last 15 years. They have been trying all that time to do away with this nuisance, and they are now in the hopes of being able to do so, and they hope to have this work done by this time next year. This money is absolutely required to do this work. Beside, if we don't get this money, the members of the sewer division, who haven't worked much more than six weeks within the last five months, will, I suppose, be put on the suspended list again. I would like to ask for a suspension of the rules, so that this matter may go upon its passage—well, Mr. President, I will withdraw that, as I believe a suspension of the rules is not necessary, but I hope it will be passed.

The order was read a second time, and was passed in concurrence. Mr. Watson of Wd. 18 moved to reconsider; lost.

EQUIPMENT OF GYMNASIUM.

The Council proceeded to take up No 27, assignment, viz:—

27. Ordered, That the Bath Trustees be authorized to expend the sum of twenty-five hundred (2500) dollars for furnishing and equipping the building at the corner of Harrison Ave. and Plympton St., acquired as a gymnasium for Wd. 9; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the City of Boston to said amount for said purpose.

The question came on passage in concurrence with the Board of Estimate and Apportionment.

Passed in concurrence.

SEATS, DORCHESTER HEIGHTS.

Mr. GIBLIN of Wd. 15 offered an order—That the Superintendent of Public Grounds be requested, through His Honor the Mayor, to provide a sufficient number of seats within the park at Dorchester Heights, South Boston.

Referred to His Honor the Mayor.

STRANDWAY IMPROVEMENT.

Mr. GIBLIN of Wd. 15 offered an order—That, in the matter of the improvement of the Strandway in South Boston, the Board of Park Commissioners be requested, through His Honor the Mayor, to lay out a park and a playground in the territory southeast of Columbia road and to consider the feasibility of providing in connection therewith, if possible a suitable house

for beach bathing purposes; and that said board be likewise requested to submit a report in relation to this subject to the Common Council as soon as convenient.

Mr. GIBLIN—Mr. President, I want to say but a few words in relation to this order that I have presented here tonight. The Park Commissioners at the present time have under construction the completion of Columbia Road, and, in that part of South Boston which I have the honor to represent, an avenue known as the Strandway. To the south of the Strandway there is a considerable portion of land, part of which the Park Commissioners have acquired, which is covered at high tide by water, and which at low tide is a bog marsh. Now, in this section of South Boston there is no park or breathing place, like Marine Park or Commonwealth Park, there being no such place except Dorchester Heights, and that is now being cut up to provide for the new high school. It has been a matter of conjecture with the Park Commission as to what to do with this space at the south of the Strandway, and the people in my district feel as though this could be improved and made into a suitable park and playground. Now, chapter 412 of the Acts of 1898 provides for a comprehensive system of playgrounds for the city of Boston, and authorizes the City Treasurer to issue bonds to the amount of \$500,000—but not to exceed \$200,000 per annum, I am informed—and the act also provides that they shall establish not more than 20 playgrounds in the city of Boston. I am informed that the Park Commissioners have now an unexpended balance of \$90,000 in this appropriation which is at their disposal for the equipment and construction of playgrounds. This order does not carry with it any financial consideration at the hands of the Board of Estimate and Apportionment, and I ask that the Park Commissioners, through His Honor the Mayor, be instructed to lay out this section. They have the money to do it with, and the parkway known as Columbia Road is now being completed, and this land is contiguous to the Strandway, and they can finish it now, under the funds provided by this act. If they deem it expedient, they may provide that beach baths be established at this place, which would give to that part of South Boston a much needed place of recreation.

The order was referred to His Honor the Mayor.

USE OF RIFLE RANGE MONEY.

Mr. BORDMAN of Wd. 10 offered the following:—

Whereas, His Honor the Mayor has announced his intention of expending the money already appropriated to provide a city rifle range for the Boston militia for other purposes, therefore be it

Resolved, That we, the Common Council of the City of Boston, protest against such action, believing that the chief executive should encourage the local military force to become as efficient as possible and not, as he is at present doing, place every obstacle in its way and hinder its efforts to improve.

Mr. BORDMAN of Wd. 10—Mr. President, in reference to that resolution I would like to say just a word in explanation of the situation. Two years ago an appropriation was passed of \$125,000 to provide a rifle range for the militia located in Boston. An attempt was made to select a suitable site, and there arose the trouble. Everyone seemed to have a particular favorite site which he wanted adopted, and they could not come to a decision. Finally the matter was left in this way—the Inspector General of Rifle Practice stated that the State would undoubtedly have a metropolitan range in time, and therefore, in that way, the opportunity came for His Honor the Mayor to say that he

would not approve any particular site, but that it would be better to await the provision of a metropolitan range. Now, as a militia officer, I wish to point out the weakness and the dissatisfaction of that situation. The metropolitan range will be open to every organization in Massachusetts. Every organization outside of Boston having the same privilege as those in Boston.

In addition to that every local company has its own range. For instance, the Concord company, of which I used to be a member, has a range in Concord, Mass. A soldier of that company would have the same right as a Boston soldier on the metropolitan range. In that way the Boston militia would be handicapped, if we ever had a metropolitan range. As you all know, a bill for a metropolitan range would have to pass the Legislature, and that is problematical in the extreme. Now, what I want to do is to see Boston have a range. I don't care where it is, or anything of that sort, but the militia of Boston do need an opportunity to shoot. If they are not given that opportunity they cannot be efficient, because soldiers to be efficient must know how to shoot; and up to date this year there is not a single provision made for any Boston company to go to a range and shoot and have target practice. If this money is used the city of Boston will be called upon to defray its portion of the expense, probably, for a metropolitan range and then this question will come up again and another large appropriation will be necessary. Up to June 1st this \$125,000 fund was covered by a statute which prohibited its appropriation for any other purpose. That time has expired, and the Mayor has addressed a communication to the Board of Aldermen asking their permission to divert the money to other purposes. Now, what this resolution provides for is that the Common Council shall protest against the diversion of the money to any other purpose than that for which it was intended. I propose when the question comes on second reading to ask that the result be taken by yeas and nays, in order that the members of the Council may have an opportunity to place themselves on record as in favor of or against the promotion of the interests of the militia of the city of Boston.

The resolution was read a second time and the question came on its passage. The yeas and nays were ordered, but before the Clerk called the roll, Mr. Connolly of Wd. 17 said:—

Mr. President, I would like to have the order read again; I did not quite catch it.

The resolution was read for information.

The PRESIDENT—The Chair desires to state that the yeas and nays have been ordered and the Chair was about to put the question.

Mr. CONNOLLY—Mr. President, I desire to move its reference to the committee on finance.

The PRESIDENT—The Chair desires to state that the motion is at this time out of order. Out of courtesy, the gentleman from Wd. 17 was allowed to speak when the question was on the passage of the resolution. The Chair was about to put the question to vote by roll call, which has been ordered by the Council.

The resolution was passed, yeas 46, nays 10:—

Yeas—Armistead, Atwood, Badaracco, Bagley, Battis, Bennett, Bordman, Brauer, Brennan, Chamberlain, Cuddy, Eddy, Emery, Gibbons, Harvey, Hibbard, Horrigan, Johnson, Kelley, Kiley, Klemm, Leftovich, Linehan, Lorey, MacDonald, Martin, McInerney, Mildram, Nangle, O'Brien, Peck, Rice, Roemer, Rolland, Sanderson, Sampson, Stevens, Stockton, Stone, Sullivan, Sweeney, Tobin, Walker, Watson, Wells, Winsloe—46.

Nays—Casey, Collins, Connolly, Dona-

hoe, Doyle, Fenton, Giblin, Hickey, Kasanof, Mulcahy—10.

Absent or not voting—Bradley, Broderick, Carroll, Curley, Doherty, Donovan, Flynn, Howard, Jordan, Leonard, Logan, Lydon, Madden, Mansfield, Miller, Moore, Newhall, Turnbull, Wood—19.

BUILDING DEPT. REPORTS.

Mr. BENNETT, of Wd. 5, for the Committee on Building Department, submitted the following:—

(1) Report on the petition of J. E. Cousens, (referred April 24), for leave to build a wooden addition rear of Commonwealth Ave., near Essex St., Wd. 25—No action necessary.

Accepted. Sent up.

(2) Report on the petition of the Boston Elevated Railway Company, (referred June 12)—Recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to the Boston Elevated Railway Co. to build outside the building limits, a wooden addition to building on Blue Hill Ave., cor. Stanwood St., Wd. 20, in excess of size allowed and without the construction of a brick wall, as required by the ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied as a car-house, main building occupied for same purpose.

Report accepted, order passed. Sent up.

BUILDING PERMITS IN RECESS.

Mr. BENNETT of Wd. 5 offered an order—That during the annual recess of the Common Council the joint standing committee on Building Department be authorized to allow the erection of wooden buildings and wooden additions upon such terms and conditions as said committee may deem expedient.

Passed. Sent up.

TRACKS, FOREST HILLS SQ.

Mr. KLEMM of Wd. 21 offered an order—That the Board of Aldermen be requested to direct the Norfolk Suburban and the West Roxbury and Roslindale Street Railway Companies to remove their tracks from the northerly half of Forest Hills Sq. (so-called), and to make the stopping place for their cars not farther north than the centre of said square, the presence and use of these tracks at the extreme northerly and narrow end of the square serving no public convenience, and constituting a serious obstruction to traffic.

Passed. Sent up.

CROSSWALK, BOWER ST.

Mr. KLEMM of Wd. 21 offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to construct a crosswalk at Bower St., across Walnut Ave., Wd. 21.

Referred to His Honor the Mayor.

IMPROVEMENT OF RUTHVEN ST.

Mr. KLEMM of Wd. 21 offered an order—That the Superintendent of Streets be requested, through His Honor the Mayor, to put Ruthven St., Wd. 21, in a condition which will allow surface water to drain off properly instead of accumulating and remaining stagnant as has been the case after every rainstorm or thaw ever since the street was graded.

Referred to His Honor the Mayor.

DRINKING FOUNTAIN, ROXBURY CROSSING.

Mr. McINERNEY of Wd. 19 offered an order—That the Water Commissioner be requested to locate and maintain a drinking fountain at Roxbury Crossing, opposite the depot of the N. Y., N. H. & H. R. R.; the expense of the same to be charged to the Water Department.

Referred to His Honor the Mayor.

NEXT COUNCIL MEETING.

Mr. McINERNEY, for Mr. Cuddy of Wd. 8, offered an order—That when this Council adjourns it be to meet on Thursday, June 29, 1899, at 7:45 o'clock P.M.

Passed.

DRINKING FOUNTAIN, DUDLEY ST.

Mr. McINERNEY, for Mr. Flynn of Wd. 17, offered an order—That the Water Commissioner be requested to locate and maintain a drinking fountain and watering trough at the junction of Blue Hill Ave. and Dudley St.; the expense of the same to be charged to the Water Dept.

Referred to His Honor the Mayor.

CROSSWALK, GORDON ST.

Mr. WALKER of Wd. 25 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to construct a cross walk to extend across Guilford and Pomeroy Sts., at their junction with Gordon St., Wd. 25.

Referred to His Honor the Mayor.

CARE OF LAND, WD. 25.

Mr. WALKER of Wd. 25 offered an order—That the vacant lot of land at the corner of Cambridge St. and Mansfield St., Wd. 25, belonging to the city of Boston, be placed under the charge of the Public Grounds Department.

Passed. Sent up.

PAYMENTS TO FAMILIES OF DECEASED SOLDIERS.

Mr. O'BRIEN of Wd. 6 offered an order—That there be allowed and paid to the children of Fred B. Bogan, late Superintendent of Public Buildings, deceased; the mother of Joseph D. Lane, late an employee in the Water Department, deceased, and the father of Thomas L. Rourke, late an employee in the Public Grounds Department, deceased, the amounts authorized to be paid by Chapter 332, 335 and 454 of the Acts of the Legislature of 1899; said amounts to be charged to the appropriation for Reserve Fund.

Passed. Mr. O'Brien moved to reconsider; lost. Sent up.

LOCATION OF CHEMICAL ENGINE.

Mr. BATTIS of Wd. 1 offered an order—That the Fire Commissioner, through His Honor the Mayor, be requested to cause the chemical engine, now located near the new boulevard in East Boston, and which it is believed will have to be removed on account of the construction of said boulevard, placed in some suitable part of Orient Heights.

Mr. BATTIS of Wd. 1—Mr. President, the reason why I have introduced this order is because of the boulevard that cuts through Bennington St. and cuts this building in halves; and also that this chemical engine which is there will have to be removed somewhere, and Orient Heights is without any fire apparatus whatever. They have tried to get some there, but never have been able to do so yet. I thought this was a good opportunity for them to transfer the chemical engine to some place at Orient Heights, and that the people there would appreciate it.

The order was referred to His Honor the Mayor.

DISAPPROVAL OF LAMP CONTRACT.

Mr. CHAMBERLAIN of Wd. 12 offered the following:—

Whereas, The Mayor of the City of Boston has consummated a contract with the so-called Rising Sun Street Lighting Company, in connection therewith the City Council of said City.

Resolves, First: That an increase of expenditure in any department in the present financial condition of the city is not wise.

Second: That the transference to the control of a corporation of the work of a department which has heretofore been well managed by the Municipality is an adoption of a seemingly unsound policy.

Third: That the employment of a foreign corporation for this work seems indefensible.

Fourth: That the transfer to the said corporation of the city workshop and tools, has not and cannot be satisfactorily explained.

Fifth: That in making said contract the City Council believes that the Mayor has exceeded his legal rights.

Sixth: That the employment directly by the city of labor where this can be done as economically as otherwise, and not for political purposes, should be favored. And finally the City Council of said city disapproves of a contract of seven years duration as not to the city's advantage and especially protests against any further attempt to de-municipalize any existing department.

Mr. CHAMBERLAIN of Wd. 12—Mr. President, In a spirit of fairness and moved alone by business considerations I offer these resolutions to the Common Council tonight. The subject under discussion, in connection, with the resolution, touches two vital municipal questions in which the City of Boston at this time is transcendently interested. One relates to the present administration, the other to the policy which should be pursued by a municipality irrespective of the party designation which may attach to the chief executive.

Under the first of these questions I shall endeavor to show the complete lack of business judgment and incompetency of the present administration, in its management of the affairs of the City of Boston, as again exemplified in this contract, the pursuit of which methods has brought the City of Boston to poverty, ridicule and contempt. Under the second question the abandonment of the policy inaugurated by our present Mayor, to municipalize public services so far as possible, and the virtues and evils of this policy as applied to the public service in our City today.

Before this contract was made the City was supplied by gas under contract with several companies, but maintained the lamps and did the lighting directly. The number of gas lamps Jan. 10, 1899, was 8252. The average cost of the gas lighting and care of each lamp last year was \$24.83. The price per annum under the new contract is to be \$30.00,—an increase of \$5.17 per lamp. For this extra expense the City of Boston has on each lamp a Welsbach burner and Boulevard type of lantern. The cost of a Welsbach 60 c.p. burner with mantle is \$1.15. This leaves a balance of \$4.02 each to be paid for Boulevard lanterns, and where these lanterns are manufactured by the thousand, as experts will say, this price is large. But even granting that the cost of installation for the first year is \$5.00, as the contract is for seven years and the burners need renewal but seldom, and at a very small expense, it will be seen that, after the first year at least, the profit per lamp to the company, on this estimate alone, will be \$5.17 per year, providing the same contracts are made with the gas companies, the same number of men employed and the same amount of gas used. This would be a profit to the company of \$12,662.84 per year, or \$255,977.04 for six years. A Welsbach 60 c.p. burner consumes two feet of gas per hour, whereas the ordinary street gas burner last year consumed twice as much or four feet. Now as the total charge for gas for the 8252 lamps last year was \$121,798.96, the Rising Sun Street Lighting Company will consume but half of the number of feet consumed last year and pay but \$6,309.48 per year and save every year that same amount of money, or a total of \$426,296.36 in seven years.

On this basis of estimate, there is shown on the second year alone a profit to the

company of \$103,562.32. As the total cost of lighting the 8252 lamps at \$30.00 per lamp is \$247,560 the profit to the company is almost 50 p.c. per year. Now it is to be supposed that a private business corporation can make contracts more cheaply with the gas companies than the city, particularly when it is known that the consolidation into trusts of lighting and gas companies make their interests one and the same as against the general public.

The Mayor, to insure a reduction in the price of gas to the company, has inserted in the contract a clause that at any time a gas lamp may be transformed into a naphtha lamp, and, on a threat of the lighting company to so transfer, the gas companies must give a minimum price, or our city may be lighted by naphtha, whereas, the steady policy in the past has been to reduce the number of naphtha lamps and increase that of gas. The Mayor, in his message to the Board of Aldermen on Monday last, attempts to show that any reduction in the price of gas will inure to the sole benefit of the city; but the contract, in article 4, shows plainly that a reduction of the price of gas all over the city might inure to the benefit of the public, but that a reduction in the price of gas on a private contract, made by a lighting company, could not. The company, by automatic burners, will doubtless reduce the number of men required to light the city, and as this is a business corporation, the number of employees will be reduced to a minimum in number and a maximum in capacity to work which would mean a large saving in the pay roll of \$84,000, which the city at present maintains. Added to the immense pecuniary benefits which, under this contract, accrue to the company, is the agreement on the part of the Mayor that the contractor shall have the use of all property now belonging to the city,—a most distinct advantage to it,—and the establishment of a pernicious and unjustifiable precedent in municipal management. The city is burdened with the laying and maintaining of all gas pipes—a duty which heretofore was undertaken by the gas company,—and for which the lighting company will receive due consideration in its contract with the gas companies, and the city incur a new burden.

On this plain statement of facts, to he who runs and reads must be brought home the truth that this contract is most distinctly to the pecuniary disadvantage of the city, and a glaring conviction of the Mayor's incompetency as a public official. In the contract that was made in 1896 with the Brookline Gas Company under Art. 13, which contract existed until the 31st day of last May, the company agreed, so long as the contract remained in force, not to raise the price of gas to private consumers. This contract being cancelled, nothing prevents a raise in the price of gas to private consumers unless a new agreement has been entered into, with the Brookline Gas Company, containing such a stipulation. Such a new contract has not been announced, and I suppose that we may not be surprised in the near future by an announcement of a raise in the price of gas, for private consumption, contemporaneous with an announcement that Addicks, Quincy & Company are interested in a new gas trust.

It is well known that the United Gas Ill. Co. of Philadelphia is behind this contract and their unscrupulous and corrupt dealings, in Philadelphia alone, make the citizens of Boston feel little confidence in this undertaking. This is an age of invention and progress. Who can tell the illuminating power of the future? Gas and naphtha have had their day and electricity, acetylene gas or even bottled sunlight may soon cut in halves the present cost of the illumination of our streets. But no matter what the price of an illuminant may be—even though only 10c per 1000 ft.—or what the quality of light produced the City of Boston is tied to gas or naphtha for seven long weary years. It has been said that Mr. Quincy, in anticipa-

tion of his abandonment of the Mayor's chair, is looting the treasury. This statement may be too severe. The public must judge from his deeds and not by the words of others. Messrs. Elkins and Widener, the gas magnates of Philadelphia, if subjected to cross examination, might give information serviceable in solving the doubt.

As to the policy which a municipality should pursue, in relation to the employment of labor, under the influence of the current of modern thought it must be said, that where work can be done directly by the city as economically as by a private contractor no great harm can result, from such direct employment, if political considerations are not influential in the advocacy and practice of the idea. That the city printing has not been so economically done as it was under the contract system, and that the repairs of the city, aggregating \$200,000 for the last year, have been done at an increased cost, figures can demonstrate, yet the Mayor saw fit to abolish the contract system, in the performance of these works, and announce his strong belief in the principle of municipalization.

City lighting, one of the oldest public works done by a city, has been economically and wisely conducted directly by the municipality, yet, at an increased cost and under a thoroughly disadvantageous contract, this department of public service has been abolished. The only explanation can be that the Mayor was not sincere in his enunciation of policy and is what might be called a "municipal opportunist." Creating a printing plant and a repair shop, because it was necessary to provide places for political adherents, and establishing a lamp department for an advantage occult and indiscernible.

Mr. BORDMAN of Wd. 10—Mr. President, Mayor Quincy in his inaugural address, on the question of the direct employment of labor by the City, spoke as follows:—

"The extension of the policy of substituting the direct employment of labor by the city for the contract system has been somewhat noteworthy during the last two years.

Within about that time three important branches of work, the city printing, and the execution of electrical construction and repair work, and all kinds of repairs and alterations upon public buildings, calling for from 200 to 500 men have been removed from the sphere of contract work.

With proper management I am more assured than ever that better results can be secured than are possible under the contract system, while the establishment of higher rates of wages and of better conditions of employment than are possible under the system of unlimited competition would alone in my opinion, furnish a powerful argument in favor of the new policy.

What has become of these gilded phrases now?

By this one contract 136 men are turned out of city employ and turned over to that "system of unlimited competition" to which Mayor Quincy 6 mos. ago was so much opposed. But did I say "unlimited competition"? That is to be understood only so far as it applies to the poor men. They truly must compete with those who will work for a pittance, willing to live in squalor and poverty and who desire to drag all our good citizens down to their own miserable level.

But that is all the competition there is in this matter. When the interest of the taxpayers and the citizens is opposed to his own selfish ends, then there is no such thing as competition. For example, was this contract advertised—was any other company than the Rising Sun clique given a chance to figure for this plum? Were our two legislative branches given an opportunity to know what was being done, and to protect the interests of their constituents by a protest? Were the people themselves given a hearing that they

might express an opinion? No, none of these things were done—the whole matter was settled and concluded after the crafty, underhanded methods of Josiah Quincy, and the people awoken only to find themselves bound hand and foot to a monopoly for seven years—helpless in the hands of men whose purpose is to loot the city.

Do you ask me why Josiah Quincy should do this? Why did he insist a few years ago that he would approve only one of a dozen tracts of land offered to the city for a rifle range, and why did he later take the position that the lot must be selected by a state commission? Because it was found that a financial institution in which Josiah Quincy was interested controlled the one lot of land which he would approve. In the present case I understand there are somewhat similar motives. The Chairman of the Board of Aldermen, a member of the Board of Apportionment, is, I am told, a director in the Rising Sun Street Lighting Co., and this contract which makes the city pay one third as much again for its light is perchance the repayment of the many favors done in the now happily doomed Board of Apportionment.

Why else would he give over all of our valuable repair and construction equipment to a private concern without a cent in return? New York and Chicago, Mr. President, have their investigations—it is indeed time that such apparently barefaced transactions as these should be looked into. I trust that the resolutions will pass and that the upper branch will hasten down to this chamber an order for an investigation.

The question came on giving the resolution a second reading.

Mr. LYDON of Wd. 13—Mr. President, I am sorry that I am not prepared to speak at length on the resolutions tonight, but it seems to me all we have to do here is simply to go on record as in favor of these resolutions and thereby express our opinion. The only regret I have is that the Common Council has not the same power it had in past years, so that the citizens of Boston might not be betrayed as they are in a matter of this kind. I believe at the present time that the Mayor has entirely too much power. That is manifest when we find conditions as they are here. Here is a Mayor going out of office; yet he ties the city of Boston up with a seven years' contract to light the city at an increased cost, as my friend from Wd. 12 (Mr. Chamberlain) has said, of \$2,000 per year. Notwithstanding the increased cost to the city, I think there is hardly a man in the Council tonight who doubts that the present list of laborers will be dispensed with in a very short time. There is no question about it—the new company will never pay the salaries paid by the city to these men. It seems to me inconsistent, to say the least, that the Mayor should advocate municipal ownership and should then assent to a contract of this kind. Of course, we can do but little. To be sure, in going on record in favor of this resolution we will do all we can, but we will simply be showing the people of Boston that we are not in favor of any such scheme, and it might in the future prevent the Mayor from letting out other contracts to private contractors, as he probably would do if he was as much interested as in the street lighting company.

Mr. HICKEY of Wd. 2—Mr. President, inasmuch as there were two orders introduced at the last meeting of the Board of Aldermen, which must ultimately result in an investigation of the circumstances under which this contract was given out to the lighting company, I see no real necessity for the introduction of these resolutions here tonight. Both the gentlemen from Wd. 12 (Mr. Chamberlain) and his colleague from Wd. 10 (Mr. Bordin) have read in a very rapid manner lengthy typewritten speeches, and it is impossible

for any member of this Council, sitting here and listening to those speeches, to make any attempt at an answer at this time. On the ground that what has been said by those two gentlemen is not thoroughly understood, I will ask the assignment of the matter until later. If they are really honest in their desire to investigate, I serve notice that I have an order for an investigation of something else, upon which I hope the Chair will recognize me, that I may place it before the body tonight.

Mr. WATSON of Wd. 18—Mr. President, in view of the fact that certain insinuations and remarks have been made as to the interests certain people may have in this lighting company, and in view of the fact that I have some information which may throw some light on the matter, I will simply state that a great deal that has been said is borne out by the fact that I know His Honor the Mayor has been in the city of Philadelphia for the past four days.

The resolutions were read a second time and the question came on their passage.

Mr. CHAMBERLAIN—Mr. President, inasmuch as the resolutions are not harsh, and I think almost any member of this body without regard to party will agree to every article in them, I move you, sir, that when the vote is taken it be taken by a roll-call.

The yeas and nays were ordered and the resolutions were passed, yeas 44, nays 3:—

Yeas—Armistead, Atwood, Battis, Bennett, Bordman, Brauer, Brennan, Chamberlain, Cuddy, Donahoe, Emery, Fenton, Gibbons, Giblin, Harvey, Hibbard, Johnson, Kasanof, Kelley, Kiley, Klemm, Linehan, Lorey, Lydon, MacDonald, Martin, Mildran, Mulcahy, Newhall, Peck, Roemer, Rolland, Sanderson, Simpson, Stevens, Stockton, Stone, Sullivan, Sweeney, Tobin, Walker, Watson, Wells, Winsloe—44.

Nays—Badaracco, Collins, Hickey—3.
Absent or not voting—Bagley, Bradley, Broderick, Carroll, Casey, Connolly, Curley, Doherty, Donovan, Doyle, Eddy, Flynn, Horrigan, Howard, Jordan, Leftovich, Leonard, Logan, Madden, Mansfield, McInerney, Miller, Moore, Nangle, O'Brien, Rice, Turnbull, Wood—28.

Mr. Chamberlain moved to reconsider; lost. Sent up.

SEWAGE IN CHARLES RIVER.

Mr. STEVENS of Wd. 11 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to make an investigation of the sewer entering the Charles River near Dartmouth St., and so alter the same that it will cease to be a nuisance to the community.

Mr. STEVENS of Wd. 11—Mr. President and members of the Council, I would like to say a very few words in regard to that order. The mouth of this old sewer empties into the Charles River exactly opposite Dartmouth St. I have been in the habit of rowing on the river several years and have observed it. This year it has been worse than I ever knew it to be before, and in the last few days at certain heights of the tide the offensive water which has entered the river through that has been extremely obnoxious. I believe it is very injurious to the health of the residents about there. Several of the people residing in the ward have spoken to me about it and have asked me to do something to remedy the evil. There is also a floating bathhouse at the Harvard Bridge. When the tide takes the offensive matter up there I think it is injurious to the people of Boston who patronize the bathhouse, or any bathhouse to which it may go. For that reason, as well as for the reason that it is offensive and obnoxious to the citizens in every way, I hope something will be done to remedy the evil.

The order was referred to His Honor the Mayor.

INFORMATION RELATIVE TO THE POOR.

Mr. WATSON of Wd. 18 offered an order—That the Board of Overseers of the Poor, through His Honor the Mayor, be requested to give to the Common Council a statement in regard to the general working of the department, touching particularly on the following points: the kind and quality of food furnished to the poor, whether the same is supplied by contract, and by whom; why the Bertillon Measurement System is applied at the Wayfarer's Lodge, how much labor is required of applicants at said lodge, and the money value of such labor; and why the names of the parents of such applicants are given to the Pauper Institutions Trustees.

Referred to His Honor the Mayor.

FENCE, WARD 4, PLAYGROUND.

Mr. SULLIVAN of Wd. 4 offered an order—That the Board of Park Commissioners, through His Honor the Mayor, be requested to build a fence on the Wd. 4 Playground, to be used as a backstop for the benefit of the baseball players of the district.

Referred to His Honor the Mayor.

ELECTRIC FANS, COUNCIL CHAMBER.

Mr. MARTIN of Wd. 15 offered an order—That the City Messenger be instructed to place electric fans in the Council Chamber, the expense of the same to be charged to the City Messenger Department.

Passed.

A QUESTION OF PRIVILEGE.

Mr. WATSON of Wd. 18—Mr. President, I rise to a question of personal privilege, while I fear that the Chair may rule against me. I desire to explain it in this way. Certain interviews have been printed in the daily press which have referred to me, although not by name, as one of the Democratic members, otherwise Filipinos,—(laughter)

The PRESIDENT—The Chair will rule that the question is not a question of personal privilege.

DRINKING FOUNTAINS, WARD 6.

Mr. BADARACCO of Wd. 6 offered an order—That the Water Commissioner, through His Honor the Mayor, locate and maintain drinking fountains on North Sq. and at the playground on North Bennet St.

Referred to His Honor the Mayor.

FLAG, HAYES SQUARE.

Mr. GIBBONS of Wd. 5 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to grant permission to Francis J. Doherty and others to erect a flagstaff and provide a flag for the same in Hayes square, Wd. 3.

Referred to His Honor the Mayor.

FREE FERRIES, LABOR DAY.

Mr. JOHNSON of Wd. 2 offered an order—That the Committee on Labor Day be requested to include an item for free ferries and appropriate the nominal sum of twenty-five dollars to pay for the same.

Referred to the Committee on Labor Day.

SEWER RECONSTRUCTION, EAST BOSTON.

Mr. JOHNSON of Wd. 2 offered an order—That the Board of Estimate and Apportionment be requested to transfer the appropriation for the dam at Wood Island flats to an appropriation for reconstruction of sewers in East Boston.

Referred to the Board of Estimate and Apportionment.

OVERCROWDING OF BOATS.

Mr. STONE of Wd. 7 offered an order—That the Committee on Park Department be requested to make inquiries as to the over-crowding of the pleasure boats on Jamaica Pond, and report what action, if any, should be taken to remedy the same.

Referred to the Committee on Park Dept.

RESURFACING OF ADAMS ST.

Mr. HIBBARD of Wd. 24 offered an order—That the Supt. of Streets, through His Honor the Mayor, be requested to resurface Adams St., Wd. 24, from Pierce Sq. to Hillsdale St.

Referred to His Honor the Mayor.

REMOVAL OF TREES.

Mr. LYDON of Wd. 13 offered an order—That the Superintendent of Public Grounds, through His Honor the Mayor, be requested to remove the dead trees on Broadway, South Boston, and to replace them with new trees of a fast growing variety.

Referred to His Honor the Mayor.

COMPLETION OF COMMONWEALTH PARK GYMNASIUM.

Mr. LYDON offered an order—That the Board of Estimate and Apportionment be requested to provide the sum of \$1400 for the completion of the gymnasium on Commonwealth Park, South Boston.

Referred to the Board of Estimate and Apportionment.

PLACING OF CABLES UNDERGROUND

Mr. LYDON offered an order—That the Wire Commissioner, through His Honor the Mayor, be requested to report to the Common Council whether any action can be taken to oblige the Boston Elevated Railway Company to place its cables on Broadway, South Boston, underground, in order to prevent further injury to trees on that thoroughfare.

Referred to His Honor the Mayor.

RESURFACING OF WOODWARD PARK ST.

Mr. ATWOOD of Wd. 16 offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to resurface Woodward Park St.; the expense of the same to be charged to the appropriation for Street Improvements, Wd. 16.

Referred to His Honor the Mayor.

RESURFACING OF QUINCY ST.

Mr. ATWOOD offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to resurface Quincy St., from Blue Hill Ave. to Columbia Road; the expense of the same to be charged equally to appropriation for Street Improvements, Wd. 16 and Wd. 20.

Referred to His Honor the Mayor.

LAMP ON PUTNAM STREET.

Mr. SIMPSON of Wd. 1 offered an order—That the Superintendent of Lamps, through His Honor the Mayor, be requested to locate a gas lamp on Putnam St., between Falcon and Condor Sts., Wd. 1.

Referred to His Honor the Mayor.

REPAIR OF PUTNAM STREET SEWER.

Mr. SIMPSON offered an order—That the Superintendent of Streets, through His Honor the Mayor, be requested to cause the sewer in Putnam St., running across Condor St., Wd. 1, to be put in complete repair as soon as possible.

Referred to His Honor the Mayor.

OFFICER FOR ORCHARD PARK.

Mr. BRENNAN of Wd. 17 offered an order—That the Board of Police be requested, through His Honor the Mayor, to station an officer on duty on Orchard Park, Wd. 17.

Referred to His Honor the Mayor.

Adjourned, on motion of Mr. Cuddy of Wd. 8, at 10:11 o'clock p.m., to meet on Thursday, June 29, at 7:45 o'clock p. m.

CITY OF BOSTON

Special Meeting of the Board of Aldermen.

Thursday, June 22, 1899.
Special meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding. Absent—Ald. Colby.

The Clerk read the following call:—

Mayor's Office, City Hall,
Boston, June 21, 1899.

To the Members of the Board of Aldermen: You are hereby requested to assemble in the Aldermanic Chamber, on Thursday, June 22d, at three P.M., for the purpose of drawing jurors and of receiving appropriation orders passed by the Board of Estimate and Apportionment.

Yours respectfully,
Josiah Quincy, Mayor.

Placed on file.

JURORS DRAWN.

Jurors were drawn under the provisions of Chap. 514 of the Acts of 1894, viz:—

Twenty-two grand jurors, Superior Criminal Court, July 3d:—

Thomas Vickers, Wd. 19; Joseph M. Wade, Wd. 17; Henry V. Upham, Wd. 23; James A. Merritt, Wd. 10; Jesse Smith, Wd. 8; Wm. Nairn, Wd. 22; Wm. F. Irwin, Wd. 2; Jas. F. Finnegan, Wd. 8; Samuel D. Nesmith, Wd. 25; Horace F. Carlton, Wd. 11; Wm. S. Luther, Wd. 15; Henry P. Murphy, Wd. 21; Wm. H. Hart, Wd. 5; John T. McKay, Wd. 13; John H. McGee, Wd. 8; Edward F. Day, Wd. 5; John Elliott Donely, Wd. 15; George P. Mongrain, Wd. 16; George P. Shannon, Wd. 19; Rene E. Paine, Wd. 10; Rollin J. Gordon, Wd. 20; David E. Sewell, Wd. 14.

Thirty-four traverse jurors, Superior Criminal Court, July 10th:—

Henry B. Scofield, Wd. 25; Wm. H. Calhoun, Wd. 6; Thos. F. Delury, Wd. 20; Waldo J. Burgess, Wd. 10; Joseph B. Flernay, Wd. 25; Edward McAvoy, Wd. 22; James A. Couden, Wd. 13; Francis J. Dooley, Wd. 9; James Cook, Wd. 22; Frank McCrillis, Wd. 9; Wayne H. North, Wd. 21; Edwin K. Jones, Wd. 18; Thos. H. C. Stewart, Wd. 6; John C. O'Brien, Wd. 9; Michael J. O'Brien, Wd. 23; Cornelius J. O'Brien, Wd. 19; Roger Benan, Wd. 19; Samuel Shuman, Wd. 22; Wm. A. Hubbard, Wd. 11; Jeremiah J. Connelly, Wd. 6; George H. Bailey, Wd. 17; Fred W. Kittle, Wd. 10; T. Eugene McCarthy, Wd. 9; Lemuel C. Kendall, Wd. 2; John T. B. Gorman, Wd. 10; Bert H. Pearson, Wd. 6; Charles L. Davis, Wd. 18; Charles M. Francis, Wd. 20; John W. Stockton, Wd. 7; Charles M. Seaver, Wd. 23; George O. Ladd, Wd. 20; Parker J. Connolly, Wd. 14; Felix J. McMorrow, Wd. 8; Wm. Gerrish, Wd. 13.

NEW BUILDINGS, CITY HOSPITAL.

The following was received:—

Mayor's Office, City Hall,
Boston, June 22, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment providing for a loan of \$14,500 for new buildings at the City Hospital. This loan is for the purpose of making good an execution of court for this amount secured by a contractor who brought suit against the city, the payment of such execution, which was charged by the Auditor against the appropriation for New Buildings, City Hospital, having created a deficiency in that account, which now prevents the making of payments which have been earned by contractors.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston,
In Board of Estimate and Apportionment,
June 19, 1899.

Ordered, That in addition to the amounts heretofore appropriated, the Trustees of the City Hospital be and hereby are authorized to expend an additional sum of fourteen thousand five hundred dollars (\$14,500) for new buildings, which amount is appropriated for said purpose; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the City of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
Laurence Minot,
Daniel J. Kiley,
John P. Dore,

Members of the Board of Estimate and Apportionment.

It was voted to transmit the said order to the Common Council without alteration.

EXTENSION OF WATER MAINS.

The following was received:—

Mayor's Office, City Hall,
Boston, June 22, 1899.

To The City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment making an appropriation of \$25,000 for the extension of high pressure water mains, to enable the Water Department to make connections with the sprinkler system, where introduced.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston,

In Board of Estimate and Apportionment.
June 22, 1899.

Ordered: That the additional sum of twenty-five thousand dollars (\$25,000) be appropriated, to be expended by the Water Department in the extension of water mains; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Kiley,
Laurence Minot.

Members of the Board of Estimate and Apportionment.

It was voted to transmit the said order to the Common Council without alteration.

DOVER STREET BATH-HOUSE ELECTRIC PLANT.

The following was received:—

Mayor's Office, City Hall,

Boston, June 22, 1899.

To the City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment making an appropriation of \$1300 for installing an electric plant at the Dover-St. bath house.

Respectfully submitted,

Josiah Quincy, Mayor.

City of Boston,

In Board of Estimate and Apportionment.
June 22, 1899.

Ordered: That the sum of thirteen hundred dollars be appropriated, to be expended by the Bath Department in installing an electric plant at the Dover-St. bath house; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed; and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

It was voted to transmit the said order to the Common Council without alteration.

FENCE AT EVERGREEN CEMETERY.

The following was received:—

Mayor's Office, City Hall,
Boston, June 22, 1899.

To the City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment making an appropriation for a fence at the Evergreen Cemetery.

Respectfully submitted,
Josiah Quincy, Mayor.
City of Boston,

In Board of Estimate and Apportionment,
June 22, 1899.

Ordered: That the sum of fifteen hundred dollars (\$1500), formerly appropriated for a wall at Evergreen Cemetery, and now lying unappropriated in the City Treasury, be, and hereby is, appropriated for a fence at the Evergreen Cemetery.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Kiley,
Lawrence Minot,

Members of the Board of Estimate and Apportionment.

It was voted to transmit the said order to the Common Council without alteration.

ASPHALTING CHARLES STREET.

The following was received:—

Mayor's Office, City Hall,
Boston, June 22, 1899.

To The City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment making an appropriation for asphaltting Charles St., from Fruit to Allen Sts., in front of the Massachusetts General Hospital and the new building of the Massachusetts Charitable Eye and Ear Infirmary.

Respectfully submitted,
Josiah Quincy, Mayor.
City of Boston,

In Board of Estimate and Apportionment,
June 22, 1899.

Ordered: That the Superintendent of Streets be authorized to expend nine thousand six hundred dollars (\$9600) for asphaltting Charles St., from Fruit St. to Allen St., which amount is hereby appropriated for said purpose; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Kiley,
Laurence Minot.

Members of the Board of Estimate and Apportionment.

It was voted to transmit the said order to the Common Council without alteration.

PURCHASE OF GUNBOATS FROM U. S.

The following was received:—

Mayor's Office, City Hall,
Boston, June 22, 1899.

To the City Council:—

I transmit herewith an order passed this day by the Board of Estimate and Apportionment rescinding the order passed last year providing for the building of a new ferryboat, to take the place of the ferryboat "East Boston," and for the repurchase from the United States government of the gunboats "East Boston" and "Governor Russell," and for refitting the same for use as ferryboats, and providing that the amount of \$57,500 received from the United States government for the ferryboat "East Boston" be used towards meeting the expense incurred, and that the additional expense of purchasing said boats and refitting them for use as ferryboats, not to exceed \$40,000, be charged to the appropriation for new ferry landing, authorized by Chapter 435 of the Acts of 1895.

Respectfully submitted,
Josiah Quincy, Mayor

City of Boston,

In Board of Estimate and Apportionment.

June 22, 1899.

Ordered: That the order approved June 16th, 1898, authorizing the Superintendent of Streets to expend \$71,000 for a new ferryboat, to take the place of the "East Boston," and appropriating for said purpose the sum of \$57,500 received from the United States government for the said ferryboat, and the sum of \$13,500 from the loan authorized by Chapter 435 of the Acts of 1895, be, and hereby is, rescinded; that the Superintendent of Streets, with the approval of His Honor the Mayor, be authorized to purchase from the United States government and from no other party, the gunboats "East Boston" and "Governor Russell," being the former ferryboats "East Boston" and "William E. Russell," which were purchased from the city by the United States government and converted by it into gunboats for use during the late Spanish war, and to refit the same for use as ferryboats; that the sum of \$57,500 received from the United States government for the ferryboat "East Boston" be appropriated toward meeting the expense of purchasing said gunboats and refitting them as ferryboats; and that the additional amount required to meet the expense of purchasing said gunboats and refitting them for use as ferryboats, not to exceed forty thousand dollars (\$40,000), be charged to the appropriation for new ferry landing, authorized by Chapter 435 of the Acts of 1895.

Passed, and we certify that the said appropriation is not to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

Referred to the Committee on Public Improvements, on motion of Ald. Codman.

Adjourned, on motion of Ald. Day, at 3:29 P.M., to meet on Monday, June 26th, 1899, at 3 P.M.

CITY OF BOSTON.

Proceedings of the Board of Aldermen.

Monday, June 26, 1899.

Regular meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 3 o'clock P.M., Chairman Barry presiding and all the members present.

The Board voted, on motion of Ald. McDonald, to dispense with the reading of the records of the last two meetings.

LAND FOR BURIAL PURPOSES—VETO.

The following was received:—

Mayor's Office,

City Hall, Boston, June 26, 1899.

To the Board of Aldermen:

I return herewith without my approval the order passed by your Board granting permission to the Boston Catholic Cemetery Association to use for purposes of burial a parcel of land on Harvard and Walk Hill Sts., Dorchester, containing about fifty-four acres, as I do not believe that the passage of this order is consistent with sound municipal policy.

This permit seems to be granted under Section 18 of Chapter 82 of the Public Statutes, which provides that "no land not already appropriated for burial purposes shall be so used in cities unless by permission of the Mayor and Aldermen." I base my disapproval of this order upon the following grounds:

First. I do not believe that it is desirable to further enlarge to any material extent the area of land within the city limits which is already devoted to cemetery purposes. Besides the 17 cemeteries in charge of the Cemetery Department of the city, there are an equal number within the city limits not owned by the city, and the aggregate area of desirable land thus dedicated to the disposal of the dead is very considerable. As all land devoted to cemetery purposes is entirely exempt from taxation, every new cemetery established and every addition to the area of an existing cemetery withdraws property from taxation; and while the taxes now received from land so withdrawn may not be considerable at existing valuations, it must be remembered that such withdrawal is for all future time, and that with the growth of population all land within the city limits is bound to increase very largely in value in the future, and, moreover, that the dedication of land to cemetery purposes exerts a decidedly unfavorable influence upon the value and development of adjacent property. While the property which the Catholic Cemetery Association proposes to purchase if this permit is granted is only assessed at present for about two cents a foot, the fact that the price which is to be paid amounts to six cents a foot, or about \$140,000 for the parcel of land to be acquired, would seem to show that it already has a very substantial value; and from the character of the surroundings there can be no doubt that this property and the adjacent land would in the future acquire a considerable value for residential purposes, if present conditions remain unchanged.

I do not believe that it is necessary or desirable for a large city to undertake to provide burial facilities for all its people within the city limits, and it is well known that the dead of large cities are buried to a very considerable extent either outside of the city limits altogether, or, where such limits are very extensive, at a greater distance from the centre of the city than the land in question. Personally, I am opposed to the burial of the dead, alike

upon sanitary, economic, and sentimental grounds, believing cremation to be far preferable; but, recognizing the established practice and the prevailing sentiment in favor of burial, as well as the fact that many persons have religious scruples against cremation, I should not feel warranted in standing in the way of the granting of such a permit as the present one merely because of such personal views. I feel, however, that everyone must admit the necessity of confining within proper limits the dedication to the purposes of burial of land within the limits of a large city.

If all residents of Boston were to be buried within the limits of the city, the amount of land taken up for the dead would in the course of time encroach very seriously upon that needed for the use of the living, and the financial loss of exempting such large areas of valuable land from taxation, to say nothing of the injury to adjacent property, would become very considerable. Sound policy and a due regard for the interests of coming generations require that we should consider the future as well as the present effects of allowing the withdrawal from taxation of additional considerable areas of land. I can see no exigency in the present case which requires a departure from what seems to me the sound general rule. I am confirmed in these views by the fact that no permit for the addition of any considerable area to any cemetery within the city limits has been granted since 1890. I think it has been generally felt that the boundaries of existing cemeteries could be taken as fixed, and that calculations for the development of real estate could be made upon this basis.

Secondly. The land covered by this permit is not immediately adjacent to the existing cemetery grounds; it lies on the other side of a public street, and it is not even directly opposite the present cemetery. The area which it is proposed to add will only approach the present cemetery at one corner, and will even there be separated by a street, and it seems to me that it should therefore be regarded rather as a new and separate cemetery, in everything except ownership and name, than as an enlargement of an existing cemetery.

Thirdly. The Boston Catholic Cemetery Association is the owner of another large cemetery, called the Mount Benedict Catholic Cemetery, which is only about 2½ miles distant from Mount Calvary Cemetery, and is distant from City Hall less than a mile more than the former cemetery, and here there is a large area of land not yet developed, and entirely suitable for burial purposes. I cannot see that any great hardship will be occasioned to the members of the association if they are obliged to utilize Mount Benedict Cemetery more fully, as Mount Calvary Cemetery becomes filled up.

Fourthly. The owners of land in the immediate vicinity of the tract which it is proposed to take for this purpose seem to be pretty unanimous and strenuous in objecting to the granting of this permit, believing that the value of their property will thereby be considerably depreciated, and its future development prevented. The section in which this land is included has been fully and elaborately platted under the law establishing the Board of Survey, and there is little doubt that it will be developed in time as an attractive residential neighborhood, containing a large amount of taxable property, if the cemetery is kept within its present limits.

For these and other reasons it seems to me that the conclusions reached by the committee of your Board, which, after full hearings, reported that this order ought not to pass, were entirely warranted; and while I may not be fully aware of all the arguments which led the majority of your Board to decline in this case to follow the usual course and sustain the report of the committee which had heard the matter—although I have endeavored

to ascertain them—I feel convinced that no public interest will suffer by the refusal of this permit.

Respectfully submitted,
Josiah Quincy, Mayor.

Ald. BERWIN—Mr. Chairman, I move you sir, that that be referred to the Committee on Public Improvements, with instructions to report back this afternoon.

Ald. DOYLE—Mr. Chairman, I thoroughly agree with the alderman from Wd. 6 that this is a matter which should go to the Public Improvements Committee, but I am not so well satisfied that it ought to be reported back this afternoon. There are some things in connection with this veto message that some members may perhaps want to look into and may not have an opportunity to do so at such short notice. I would therefore move, as a substitute motion, that it be referred to the Committee on Public Improvements without further instructions.

Ald. CODMAN—Mr. Chairman, I trust that this matter will be referred to the Committee on Public Improvements. I think it very fitting that it should be so referred, inasmuch as the Mayor has seen fit to make certain statements in his veto message which seem to me worthy of a reply. Coming from the district in which this proposed extension of the cemetery is located, I believe, after a most careful and full investigation, that I should be given some time to reply to certain things which the Mayor has stated in his veto message. I believe he has stated some things there which can be disproved. One, for instance, to which I have some cause to take exception, is the statement that the abutters to any extent around this property object. The objections are not from the abutters, but from people some distance from them; and, although I am not ready to make a reply at this time, I will prepare myself to do so at a future time if this matter is allowed to go to the committee on Public Improvements and rest there a reasonable length of time. I trust that it will be referred to the Committee on Public Improvements, but not reported back today.

Ald. BERWIN—Mr. Chairman, I dislike very much to be discourteous to any member of the Board, and it is no desire or purpose of mine to take advantage of any member. I was under the impression, however, in making my motion that the matter would be determined any way by vote of the members, and it was really in line with that idea that I made the motion. There is nothing serious involved in the matter, even if there is a delay of one or two weeks, so far as anything I have knowledge of is concerned. But, while I meant no discourtesy, at the same time I shall not withdraw from the position I have taken.

Ald. Berwin's motion, to refer to the Committee on Public Improvements, with instructions to report back today, was declared carried. Ald. Codman doubted the vote and asked for a verification by yeas and nays. The roll was called, and Ald. Berwin's motion was lost, yeas 5, nays 7.

Yeas—Ald. Barry, Berwin, Colby, Day, McDonald—5.

Nays—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

Ald. Doyle's motion to refer to the Committee on Public Improvements was declared lost. Ald. Codman doubted the vote and called for the yeas and nays. The roll was called, and the motion to refer to the Committee on Public Improvements was carried, yeas 7, nays 5.

Yeas—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

Nays—Ald. Barry, Berwin, Colby, Day, McDonald—5.

APPOINTMENT OF CONSTABLES.

The following was received:

Mayor's Office, City Hall,

Boston, June 26, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint Austin Bigelow, Thomas A. Dunn, Charles E. House and Thomas F. Malone Constables of the city of Boston for the term ending April 30th, 1900.

Josiah Quincy, Mayor.

Severally laid over under the law.

REMOVAL AND RESIGNATION OF CONSTABLES.

The following was received:

THE BUILDING DEPARTMENT.

Mayor's Office, City Hall,

Boston, June 26, 1899.

To the Board of Aldermen:—

You are hereby notified that I have this day removed Messrs. Joshua Brothers, George C. Davis, Thomas J. Drury, Charles A. Horrigan, Parker N. Jenkins, Henry Martyn and Philip O'Brien from the position of Constable of the city of Boston, they not having filed bonds as required by law.

You are also hereby notified that the following named persons resigned the position of Constable of the city of Boston on the dates specified, namely: Barnett White, May 18, 1899; John A. Duddy, May 19, 1899; Herbert W. Stebbins, May 19, 1899.

Yours respectfully,
Josiah Quincy, Mayor.

Placed on file.

The following was received:—

Mayor's Office, City Hall,

Boston, June 26, 1899.

To the City Council:—

I transmit herewith the majority and minority reports made to me by a commission of four members, consisting of Hon. William F. Wharton, chairman; Osborne Howes, Herbert D. Jaques and Neil McNeil, appointed at the beginning of this year to examine into the organization, administration, system and methods of the Building Department, and I recommend that they be printed as a city document.

This commission was made up from names submitted to me by the Boston Real Estate Exchange, the Boston Society of Architects, the Master Builders' Association and the Boston Board of Fire Underwriters, and I transmit herewith a copy of the letter addressed by me to the secretaries of these bodies, inviting them to submit names for this purpose. The Board of Apportionment provided by transfer the sum of \$2000 to meet the expense of this commission.

I have not yet had an opportunity to give sufficiently mature consideration to the recommendations contained in these reports to form an opinion as to what, if any, action is required either on the part of the Executive or of the City Council, but I deem it proper to make these reports public at once.

Respectfully submitted,

Josiah Quincy, Mayor.

(Annexed were the reports referred to.)

Ordered printed as a city document, on motion of Ald. Colby, and assigned to the next meeting.

APPOINTMENT BY THE MAYOR.

The following was received:—

Mayor's Office, City Hall,

Boston, June 26, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint William M. Robinson an Inspector of Pressed or Bundled Hay or Straw for the term ending April 30th, 1900.

Josiah Quincy, Mayor.

Laid over under the law.

HEARINGS AT 3 O'CLOCK.

On petitions for leave to project bay windows, etc., viz:—

1. Eugene H. Smith, one over public al-

ley No. 435 in District No. 5, from building 283 Dartmouth St., Wd. 11.

2. Louis Berenson, three over Bartlett St., and two over Washington St., from buildings 1-3-5 Bartlett St. and 2499-2501 Washington St., Wd. 18.

3. Thomas F. Maloy, one over Columbus Ave., one over Coventry St., and one over the corner of said avenue and street, from building on Columbus Ave., corner of Coventry St., Wd. 18.

4. James Harmon, two, from buildings 733-735 Huntington Ave., Wd. 19.

5. L. J. Lyons, two over Huntington Ave., from building on said avenue, corner of Kenwood Road, Wd. 19.

6. A. T. Rogers, three over Huntington Ave., from building on said avenue, corner of Vancouver St., Wd. 19.

No objections. Severally referred to the Committee on Building Dept. (Ald.)

7. On the matter of adjudging to be a nuisance the building numbered 1131-1137 Tremont St., and known as Hook & Hastings' Organ Factory.

Laurence Minot appeared in behalf of the property in question, stating that two other gentlemen and himself had recently purchased the property with a view to tearing down the old buildings and erecting new brick ones in place of them; that most of the tenants have already moved out; that everything is being done which can be done and that the building will be removed within a few weeks.

No further objections. Referred, on motion of Ald. O'Toole, to the Committee on Public Improvements.

8. On petition of the Charlestown Gas and Electric Company, for leave to erect two poles in Kingston St., Wd. 4.

No objections. Recommended to the Committee on Electric Wires.

9. On petition of the Postal Telegraph-Cable Company, for leave to erect poles on Sumner and East Cottage Sts., Dorchester.

T. Edward Tuttle appeared, representing remonstrants on Sumner St., and objected to the erection of poles. He desired, before anything is done, that a notice be sent to every one of the residents and that they be given a hearing.

On motion of Ald. McDonald it was voted that notice be sent to the objectors, through the Clerk of Committee, of a hearing.

No further objections. Referred to the Committee on Electric Wires.

On petitions of the Brookline Gas Light Company for leave to erect poles, viz.:-

10. Two poles on Wirt St., Wd. 25.

11. Seven poles on Oak Sq. Ave., and five poles on Brackett St., Wd. 25.

No objections. Severally recommended to the Committee on Electric Wires.

PETITIONS REFERRED.

The following petitions were received and referred to the committee named, viz.:-

Building Dept.

D. Whiting & Sons, for leave to build a wooden building on rear of 472 Rutherford Ave., Wd. 4.

John Morrison, for leave to build a wooden building on rear of 39 Sumner St., Wd. 2.

Building Dept. (Ald.)

Petitions for leave to project signs, etc., viz.:-

Raphael Nazzaro, an illuminated sign, at 472 Commercial St., Wd. 6.

Alexander Cava, a lamp, at 21 Tremont Row, Wd. 6.

Alexander Cava, two signs, at 24 Tremont Row, Wd. 6.

W. S. Lung & Co., a sign, at 28-30 Harri-son Ave., Wd. 7.

F. O. Lyon, a sign, at 16 Merchants Row, Wd. 6.

James A. Watson & Co., a sign, at 11 Change Ave. and Corn Ct., Wd. 7.

Joseph P. Jones, a barber pole, at 58 Fal-mouth St., Wd. 10.

Alex. Sholton, a barber pole, at 47 Lowell St., Wd. 8.

Young Ladies' Catholic Association, two transparencies; one over Columbla Road at Upham's Corner, and one at Eaton Sq., opposite St. Peters Church.

Bates Dental Co., a sign, at 19 Tremont Row, Wd. 6.

Edward J. Keeler, a druggist's mortar, at 1567 Tremont St., Wd. 19.

Frederick Ayer, for leave to locate cellar of stable at 10-12 Scotia St., Wd. 10 at grade 10.

C. F. Toomey, for leave to project two barber poles at 25 Cunard St., Wd. 18.

Claims.

Edward Reardon, for payment of bal-ance remaining from tax sale of estate on Fenton St.

Alexander Y. Cochrane, for payment to Charles A. Gleason of balance remain-ing from tax sale of estate lot 49 north side of Farrington St.

Boston Penny Savings Bank et al., for the payment to said bank of balance re-maining from tax sale of estate on Allston terrace.

Joseph O. Hodgkins, to be paid the sum of \$49.20 being the amount of a judgment, costs, etc. in a suit against him on account of his acts as a police officer.

Patrick Henry, for compensation for damage to estate 351 Chelsea St., E. B., caused by the bursting of a sewer.

Augustus W. Bailey, to be paid for dam-age to his wagon caused by a tree at 45 Saratoga St., E. B.

Luke F. Killian, for compensation for damage to his wagon caused by a spike on a telegraph or telephone pole on Amory St., Wd. 22.

Frank Doherty and Mark F. Dowling, to be refunded \$1400 paid by them for a liquor license which was not issued.

Lizzie McFeeley, for compensation for injuries from an alleged defect in Charter St.

Electric Wires.

The New England Tel. and Tel. Co. of Mass. for leave to erect and to remove poles on Centre St., Wd. 23.

William E. Ford et als., for the removal of poles on Atherton St., Wd. 22.

Anna E. Wooster et als., for a hearing on the matter of erecting poles on Sumner St., Wd. 20.

Charlestown Gas and Electric Co. for leave to erect poles on Joiner St., Wd. 5.

Faneuil Hall, Etc.

Local Freight Agents' Association, for the use of Faneuil Hall on June 12-15 inclusive 1900.

Supt. of Public Grounds.

John C. Meyer & Co., for removal of a dead tree, etc., in front of house on Howard Ave. and Cunningham St., Dor-chester.

Lamps.

D. F. Flagg et als., for public lamps on Flagg St., Wd. 12.

Licenses.

A. Davis Weld, trustee, for a license for musical, dramatic and dancing entertain-ments at Elliot Hall, Elliot St., J. P., for the season ending August 1, 1900.

F. R. Brown & Co., for license to run two passenger barges between Rowes Wharf and Bowdoin Sq., via Broad, Kilby, State, and Court Sts., and one barge be-tween said wharf and the Northern Sta-tion, via Broad St., Merchants row, Union St., Haymarket Sq., and Canal St., dur-ing the present season.

The Thompson & Norris Co., for leave to lay railroad tracks across Lincoln St., Brighton.

West End Street Railway Company, for location for track at junction of Washing-ton and Roxbury Sts.

West End St. Ry. Co., for leave to lay a

curve track at the corner of Washington and Eustis Sts.

West End St. Ry. Co., for a location for an extension of its tracks on Washington St., Dorchester, to Codman St., also on Codman St. to Dorchester Ave., with the right to use the overhead electric system thereon.

Special Committee on Memorial Day.

Reports of Memorial Day expenses by:—
Friedrich Hecker Post 21, G. A. R.
Edward Kinsley Post 113, G. A. R.
John A. Hawes Post 153, G. A. R.
Gettysburg Post 191, G. A. R.
Boston Post 200, G. A. R.

Public Improvements.

George W. Harvey, for leave to erect a guy post in Charlestown St., opp. No. 145 on said St.

Norcross Bros., for leave to erect three guy posts on St. Stephen St., Wd. 10.

Norcross Bros., for leave to erect two guy posts in Beacon St.

Jaynes & Chapin Co., for leave to erect an illuminated mortar on a post in sidewalk at corner of Summer and South Sts., Wd. 7.

National Express Co., for leave to place a sign on unused lamp post at corner of Franklin and Arch Sts., Wd. 7.

Mead, Mason & Co., for leave to erect one guy post at corner of Bennington and Marion Sts., and one on Lexington St., E. B.

John Cavanagh & Son Building Moving Co., for leave to move a wooden building from rear of Ceylon St., Wd. 20, to rear of Columbia road, near Wales St., Wd. 20.

J. G. Walker & Son, for leave to erect an iron awning in front of 36 North St., Wd. 6.

James F. Dockray, to erect barber pole at 1133 Columbus Ave., Rox.

Constantini Demara, for leave to sell merchandise from a wheelbarrow on north side of Massachusetts Ave.

John P. Squire & Co., for leave to construct a bulkhead opening in sidewalk at 62 Blackstone St., Wd. 6.

J. Thomas Baldwin, for leave to lay a 1½ in. pipe under sidewalk at corner Bartlett and Sullivan Sts., Wd. 4.

Ed. Mullivitz, for leave to lay a 1½ in. pipe under sidewalk at corner Mercer and Eighth Sts., Wd. 15.

Frederick J. Herthel, Jr., for leave to construct two coal hole openings in sidewalk at corner Ruggles St., and Columbus Ave. extension, Wd. 18.

Petitions for sidewalks, viz.:

R. Goodwin, 12-16 Shelby St., Wd. 1.

Robert M. Cushing et al., 8 Water St., Wd. 6.

Leonard Ware, 16-18 Kneeland St., Wd. 7.

Vose & Sons Piano Co., 160 Boylston St., Wd. 17.

Joseph Feldman, 252-254 Huntington Ave., Wd. 10.

Marshall Wentworth, 915-923 Beacon St., Wd. 11.

D. W. Thomas, Vancouver St., Wd. 19.

Mrs. E. R. Hanscom, 14 Waterlow St., Wd. 20.

Albert L. Forbush, 151-153 Stanwood St., Wd. 20.

Dudley C. Thornton, 32 McLellan St., Wd. 20.

Joseph Engel, Washington and Erie Sts., Wd. 20.

French, Cole & Co., 79 Waumbeck St., Wd. 21.

Frederick Ayer, 2450-2486 Washington St., Wd. 21.

Henry F. Allen, Park and Centre Sts., Wd. 23.

Mary E. Pettee, 373 Adams St., Wd. 24.

Mary L. Mullen, 11 Orkney road, Wd. 25.

C. A. Lambham, 15 Orkney road, Wd. 25.

M. Adelaide Fisher, 19 Orkney road, Wd. 25.

Martha E. Stockwell, 21 Orkney road, Wd. 25.

Mary Murphy, 23 Orkney road, Wd. 25.

Charles Clements, cor Orkney and Strathmore roads, Wd. 25.

Brighton Five Cents Savings Bank, 326 Washington St., Wd. 25.

C. W. and F. A. Davis, 323 Washington St., Wd. 25.

Frank T. Horgan, 255-263 E. Ninth St., Wd. 15.

A. G. & F. W. Morse, 120 Washington St., Wd. 20.

J. A. Silver, Standish St., Wd. 20.

PAPERS FROM COMMON COUNCIL.

12. Message of the Mayor transmitting the following, passed by the Board of Estimate and Apportionment:

Ordered, That the Bath Trustees be authorized to expend the sum of twenty-five hundred dollars (\$2,500) for furnishing and equipping the building at the corner of Harrison Ave and Plympton St., acquired as a gymnasium for Ward 9; and that the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston to said amount for said purpose.

Ald. CODMAN moved reference of the message and order to the Committee on Public Improvements.

The CHAIRMAN—The Chair will rule that the order stands and is now in force, under the statute laws, acts of 1898, page 287, which provides that if an order has not been acted upon, concurred in or amended by either branch within thirty days after it is submitted by the Board of Apportionment, it becomes a law. The Chair will ask the Clerk to place No. 12 on the calendar on file.

13. The following was passed by the Common Council and sent up:

Ordered, That the Board of Aldermen be requested to direct the Norfolk Suburban and the West Roxbury and Roslindale Street Railway Companies to remove their tracks from the northerly half of Forest Hills square, so called, and to make the stopping place for their cars not farther north than the centre of said square, the presence and use of these tracks at the extreme northerly and narrow end of the square serving no public convenience, and constituting a serious obstruction to traffic.

Referred to the Committee on Railroads.

The next two orders were sent up for concurrence in their reference to the Board of Estimate and Apportionment.

14. Ordered, That the Board of Estimate and Apportionment be requested to provide the sum of fourteen hundred dollars (\$1,400) for the completion of the gymnasium on Commonwealth Park, South Boston.

Referred in concurrence.

15. Ordered, That the Board of Estimate and Apportionment be requested to transfer the appropriation for the dam at Wood Island flats to an appropriation for reconstruction of sewers in East Boston.

The question came on the reference of the order in concurrence.

Ald. DAY—Mr. Chairman, I want to object to that order on two grounds. The first objection is that, as I understand it, the Board of Estimate and Apportionment has no authority to make that transfer, anyway; and the second objection is that there is no such appropriation for a dam at Wood Island Flats and never was. There used to be an appropriation for the dam from Prescott St. over to Maverick St., but on the 27th of March this Board rescinded the order by which that appropriation was passed. It went to the Common Council and was there referred to a committee, and on the 6th of April, on the motion of the President of the Common Council, that body concurred with the Board of Aldermen. That wiped out that appropriation for a dam completely and left it in the hands of the Board of Estimate and Apportionment; and the senior member of the Common Council from Wd. 2 with myself went before the Board of Estimate and Apportionment and we gave

them our ideas as to the proper manner in which that money should be spent. We felt that we had a claim upon it, that it had been once appropriated for East Boston and ought to be spent there. The Board of Estimate and Apportionment evidently agreed with us, because at the suggestion of the Councilman they have already appropriated a part of that money, and as soon as certain local obstacles can be overcome are going to appropriate the rest. I move that this order be indefinitely postponed.

Ald. O'TOOLE—Mr. Chairman, I trust that the other members of this Board will acquiesce in the desire of the gentleman from East Boston. It seems that members of the Board have no rights in particular matters and cannot get any information or anything else. I think it is about time that we, as members of this Board, with the powers we have left, irrespective of what have been taken away from us, should use those powers; and I trust that the gentlemen around this Board will acquiesce in the desire of the alderman from East Boston and have this order indefinitely postponed.

The order was indefinitely postponed. Notice sent down.

16. Ordered, That the Fire Commissioner, through His Honor the Mayor, be requested to put the following members of the Fire Department on the vacation list, and award them the usual vacation: Clarence E. Colvin, Patrick Hurley, John Sullivan, Edward J. Hogan and Michael Birmingham.

Passed in concurrence.

17. Ordered, That during the annual recess of the Common Council, the Joint Standing Committee on Building Department be authorized to allow the erection of wooden buildings and wooden additions, upon such terms and conditions as said committee may deem expedient.

Passed in concurrence.

18. Ordered, That the City Messenger be instructed to place electric fans in the Council Chamber; the expense of the same to be charged to the City Messenger Department.

Passed in concurrence.

19. Ordered, That the vacant lot of land at the corner of Cambridge St. and Mansfield St., Wd. 25, belonging to the City of Boston, be placed under the charge of the Public Grounds Department.

Passed in concurrence.

20. Ordered, That there be allowed and paid to the children of Fred B. Bogan, late Superintendent of Public Buildings, deceased, the mother of Joseph D. Lane, late an employee in the Water Department, deceased, and the father of Thomas L. Rourke, late an employee in the Public Grounds Department, deceased, the amounts authorized to be paid by chapters 332, 335 and 454 of the Acts of the Legislature of 1899; said amounts to be charged to the appropriation for Reserve Fund.

Passed in concurrence.

21. Whereas, The Mayor of the City of Boston has consummated a contract with the so-called Rising Sun Street Lighting Company, in connection therewith the City Council of said city

Resolves, First—That an increase of expenditures in any department in the present financial condition of the city is not wise.

Second—That the transference to the control of a corporation of the work of a department which has heretofore been well managed by the municipality is an adoption of a seemingly unsound policy.

Third—That the employment of a foreign corporation for this work seems indefensible.

Fourth—That the transfer to the said corporation of the city workshop and

tools has not and cannot be satisfactorily explained.

Fifth—That in making said contract the City Council believes that the Mayor exceeded his legal rights.

Sixth—That the employment directly by the city of labor where this can be done as economically as otherwise, and not for political purposes, should be favored.

And finally the City Council of said city disapproves of a contract of seven years' duration as not to the city's advantage, and especially protests against any further attempt to de-municipalize any existing department.

Ald. O'TOOLE—Mr. Chairman, I move reference of this matter to the Committee on Lamps on the part of the Board of Aldermen.

Ald. PRESNO—Mr. Chairman, it strikes me that the majority of the members of this Board think this proposition is a fair one, and I hope it will not be referred to the Committee on Lamps, but will be passed here at the present time. I think most of the members of the Board believe in these resolutions, and I think they should act in accordance with their belief.

Ald. O'TOOLE—Mr. Chairman, at a previous meeting of this Board an order for an investigation on the part of the Board was referred to the Committee on Lamps, I consider that this is a matter which would naturally be considered by the Lamp Committee. For that reason if for no other I ask its reference to the Committee on Lamps.

The resolutions were referred to the Committee on Lamps.

22. Report of the Committee on Building Department, no action necessary, on petition of J. E. Cousens for leave to build a wooden addition on rear of Commonwealth Ave., near Essex St., Wd. 25.

Accepted in concurrence.

23. Report of Committee on Building Department, recommending the passage of the following:—

Ordered, That the Building Commissioner be authorized to issue a permit to the Boston Elevated Railway Company to build, outside the building limits, a wooden addition to building on Blue Hill Ave., corner Stanwood St., Wd. 20, in excess of size allowed, and without the construction of a brick wall as required by the Ordinances, and in accordance with an application on file in the Building Department; said addition to be occupied as a car-house; main building occupied for same purpose.

Referred to the Committee on Public Improvements, on motion of Ald. Adams.

CONFIRMATION OF APPOINTMENTS.

The Board voted, on motion of Ald. Codman, to consider Nos. 24, 25 and 26, unfinished business, together, viz:—

Action on appointments submitted by the Mayor, viz:—

24. S. B. Keene, to be a Measurer of Grain, for the term ending April 30, 1900.

25. William J. Walter, to be an Inspector of Pressed or Bundled Hay and Straw for the term ending April 30, 1900.

26. Frederick A. Jones, to be a Weigher of Boilers and Heavy Machinery and a Weigher of Coal, for the term ending April 30, 1900.

The question came on confirmation. Committee—Ald. Codman and Doyle. Whole number of ballots cast 11, yes 11, and the appointments were confirmed.

POLE ON OAK STREET.

The Board proceeded to take up special assignment, No. 27, viz:—

27. Hearing on petition of the New England Telephone and Telegraph Company of Massachusetts for leave to erect and to remove one pole on Oak St., Wd. 4.

Further assigned, on motion of Ald. Presho.

Later in the session the Board voted, on motion of Ald. Presho, to indefinitely postpone the petition, as a report had been made covering the matter.

LAND FOR BURIAL PURPOSES.

The Board proceeded to take up No. 29, past assignment, viz:—

29. Report of Committee on Cemeteries (Ald.) granting leave to withdraw on a petition of the Boston Catholic Cemetery Association for permission to use certain land on Harvard and Walk Hill Sts. for burial purposes.

Referred to the Committee on Public Improvements, on motion of Ald. Doyle.

BAY WINDOWS—ORDERS OF NOTICE.

On the following petitions for leave to project bay windows:—

John Lorgenfeld, one, corner Boston and Rawson Sts., Wd. 16.

Frederick J. Herthel, Jr., two, corner Columbus Ave. and Ruggles St., Wd. 18.

Albert Geiger, two, 559 Columbus Ave. corner Wellington St., Wd. 12.

Orders of notice were passed for hearings thereon on Monday, July 10, at 3 o'clock, P. M., when any parties objecting thereto may appear and be heard.

STORAGE OF OIL.

The Fire Commissioner submitted a report on the petition of the Roslindale Hardware Co. for a license to store and keep for sale oils or fluids composed wholly or in part of the products of petroleum, at rear 29 Poplar St., Wd. 23—approving of the same.

Approved by the Board.

INVESTIGATION OF POLICE DEPT.

Ald. BRICK called up past assignment 28, viz:—

28. Ordered, That the Aldermanic Committee on Police be instructed to investigate and report what changes are necessary, in its opinion, to improve the administration of the Police Department of the city, and what amendments, if any, should be made to such laws as come within the special cognizance of the Board of Police; and that said committee be authorized to give public hearings, if necessary, the expense of the same to be charged to the Contingent Fund, Board of Aldermen.

The question came on giving the order a second reading.

Ald. BRICK—Mr. Chairman, it strikes me that before that order is passed or before we attempt to charge up any expense to the contingent fund, the alderman who introduced it should give some reason why the order for investigation should have been offered, stating his reasons for introducing it. I think myself there ought to be some reason stated, that he should enlighten us as to why he introduced the order.

Ald. BERWIN—Mr. Chairman, I was about to make a motion that this matter be further assigned. Later on I shall have something to say to the Board in regard to it. I move, as a substitute for Ald. Brick's motion, that the matter be further assigned.

The order was further assigned to the next meeting of the Board.

CONSTABLES' BONDS.

The City Treasurer, after duly approving of the same, submitted the constables' bonds of Messrs. Wm. H. Kenney and Nathaniel G. Robinson.

Approved by the Board.

STATE HIGHWAY TAX.

Notice was received from the State

Treasurer of assessment due from the County of Suffolk for the State Highway tax for the year 1899, amounting to \$68.78.

Referred to the Committee on County Accounts.

SCHOOL BUILDING, DORCHESTER.

The following was received:
City of Boston, in School Committee,

June 13, 1899.

The Committee on New Buildings, to whom was referred, Feb. 14, a communication from the City Council, requesting that an additional primary school building be provided in the Dorchester Centre District, Wd. 20, report that the selection of a proper site for a new school in the district referred to is now under consideration, and your committee hope to report thereon at an early date. Your committee recommend that this report be transmitted to the City Council, and that they be also informed that it is the intention of the School Committee to provide the additional accommodations asked for as soon as the required bonds for the purpose can be obtained. For the Committee,

E. I. Aldrich, Chairman.

Accepted and ordered to be sent to the City Council.

A true copy.

Attest: Thornton D. Apollonio,
Secretary.

Sent down.

NEW SCHOOLHOUSE.

The following was received:
City of Boston, in School Committee,

June 13, 1899.

The Committee on New Buildings, to whom was referred, Mar. 23, a communication from the City Council, requesting the School Committee to remodel the Chapman school building, and to add a six-room wing to it, also to widen corridors, rebuild the stairs, provide suitable sanitarious for the boys and install a system of heating and ventilation, and report to them at their earliest convenience, report that they have considered the matter and recommend that the City Council be informed that it is the intention of the School Committee to replace the present Chapman schoolhouse by an entirely new building, the plans for which are now being drawn and will be completed at an early date. For the Committee,

E. I. Aldrich, Chairman.

Accepted, and ordered to be sent to the City Council.

A true copy.

Attest: Thornton D. Apollonio,
Secretary.

Sent down.

CLERK HIRE.

A statement was received from Thomas F. Temple, Register of Deeds, in accordance with the provisions of Sec. 2, Chap. 493 of the Acts of 1895, certifying that certain persons had been employed in his office and that the work had been actually performed to the amount of \$2165.26.

Approved by the Board.

GENERAL RECONSIDERATION.

Ald. BERWIN moved a general reconsideration upon all matters, hoping that the same would not prevail; lost.

REMOVAL AND TRIMMING OF TREES.

Ald. O'TOOLE offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree on estate of J. M. B. Reynolds, 85 Mt. Pleasant Ave.; the expense attending the same to be charged to appropriation for Public Grounds Department.

Ald. O'TOOLE presented a petition from the American Telephone & Telegraph Co.

of Mass. for the trimming of trees on Dudley St.

In connection with the above Ald O'Toole presented the following:—

Ald. O'TOOLE offered an order—That the Superintendent of Public Grounds be directed to trim the trees on Dudley St. between Harrison Ave. and Washington St., any expense incurred therefor to be charged to the American Telephone and Telegraph Company of Massachusetts, who agree to pay the same.

LICENSES.

Ald. COLBY, for the Committee on Licenses, submitted the following:—

(1) Report recommending that minors licenses be granted to 64 newsboys, 27 boot-blacks, 3 flower venders and 1 pedler of small wares.

Report accepted; licenses granted on the usual conditions.

(2) Reports recommending that licenses be granted in accordance with the following petitions (severally referred today):—

A. Davis Weld, Trustee, for a license for musical, dramatic and dancing entertainments at Eliot Hall, Eliot St., Jamaica Plain, for the season ending August 1, 1900.

F. R. Brown & Co., for a license to run two passenger barges between Rowe's wharf and Bowdoin Sq., via Broad, Kilby, State and Court Sts., and one barge between said wharf and the Northern Station, via Broad St., Merchant's Row, Union St., Haymarket Sq. and Canal St., during the present season.

Reports severally accepted; licenses granted on the usual conditions.

CLAIMS.

Ald. COLBY, for the Committee on Claims, submitted the following:—

(1) Report on the petition of Bridget C. Flanagan (referred April 24), to be paid balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Bridget C. Flanagan and Benjamin Lancy the sum of \$354, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Samoset St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 619.

Report accepted; order passed. Sent down.

(2) Report on the petition of Charles E. Lee (referred April 24), to be paid balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to B. Heber Richardson the sum of \$70.40, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Westover St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2501, fol. 229.

Report accepted; order passed. Sent down.

(3) Report on the petition of Charles P. George (referred May 15), to be paid balance remaining from tax sale of estate—Recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Charles P. George the sum of \$131.70, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of two estates on Litchfield St., Brighton, for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 65.

Report accepted; order passed. Sent down.

(4) Report on the petition of Clara Flad (referred May 22), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to William A.

Plaisted the sum of \$29 03, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Cornell St., for unpaid taxes of the year 1895, by deed recorded with Suffolk Deeds, lib. 2486, fol. 600.

Report accepted; order passed. Sent down.

(5) Report on the petition of Sophronia N. Herrick (referred May 1), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby directed to pay to Sophronia N. Herrick the sum of \$111.97, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mt. Vernon St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2493, fol. 610.

Report accepted; order passed. Sent down.

(6) Report on the petition of Therese Kluge et al (referred Jan. 30), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to Wilfred Bolster the sum of \$44.03, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on corner Columbus Ave. and Sarsfield St., for unpaid taxes of the year 1895, by deed recorded with Suffolk Deeds, lib. 2410, fol. 433.

Report accepted; order passed. Sent down.

(7) Report on the petition of the Boston Penny Savings Bank et al (referred), to be paid balance remaining from tax sale of estate—recommending the passage of the following:—

Ordered, That the City Treasurer be hereby authorized to pay to the Boston Penny Savings Bank the sum of \$293.70 dollars, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Allston Terrace for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2583, fol. 367.

Report accepted; order passed. Sent down.

PROJECTION OF SIGNS, ETC.

Ald. DAY for the Committee on Building Dept. (Ald.), submitted the following:—

(1) Reports recommending that leave to project signs, etc., be granted in accordance with the following petitions (severally referred June 12):—

C. F. Tomey, 2 barber poles, at 25 Cunard St., Wd. 18.

L. Starr & Co., 2 small show cases, at 28 Tremont Row, Wd. 6.

Pain's Fireworks Co., a sign, at 110 State St., Wd. 6.

M. I. Bornstein, an auctioneer's flag, at 3 Bowdoin Sq., Wd. 6.

Solomon A. Epstein, 2 mortar signs, at 12 Tremont Row, Wd. 6.

P. Schendel & Co., an illuminated sign, at 55 Court St.

Wong Co., a sign, at 169 Cambridge St., Wd. 8.

Israel Finkelstein, a sign, at 2805 Washington St., Wd. 22.

J. G. Stone, a sign, at 833 Harrison Ave., Wd. 12.

John J. Joynt, a transparency, at 11 Broadway Extension, Wd. 7.

F. W. Reeves, an illuminated druggist's mortar, at 1 Green St., Wd. 6.

Harry Freiberg, a sign, at 321 Harrison Ave., Wd. 9.

C. H. Jackson, an illuminated sign, at 93 Blackstone St., Wd. 6.

Frederick C. Martin, a sign, at 30 Warrenton St., Wd. 7.

Max Shachtanwitz, 3 barber poles, at 63 North St., Wd. 6.

Frank E. Wyman & Co., a V-shaped sign, at 9 Otis St., Wd. 7.

Jesse M. Patrick, 2 barber poles, at 78 Green St., Wd. 8.

Harry Crocker (referred May 25), a sign, at 4 Dwight St., Wd. 9.

Reports severally accepted; leave granted on the usual conditions.

(2) Reports recommending that leave be granted to construct cellar bottoms at grade 10, in accordance with the following petitions:—

S. A. Woods Machine Co., (referred June 12), building on Earl St., near Dorr St., Wd. 15.

Frederick Ayer (referred today), stable at 10-12 Scotia St., Wd. 10.

Reports severally accepted; leave granted on the usual conditions.

(3) Reports recommending that leave be granted to project bay windows as follows:—

B. A. Dyer (referred May 22), two, building corner Quincy and Magnolia Sts., Wd. 20, (to project not over 18 inches).

Charles W. Alden (referred May 29), two, building No. 179-181 Bunker Hill St., Wd. 3.

Sophia M. Hawk (referred May 29), one, building No. 647 East Broadway, Wd. 14.

James M. Libby (referred May 22), one, building No. 10 Tremont St., Wd. 3.

Reports severally accepted; leave granted on the usual conditions, as recommended by the Committee.

(4) Report on the petition of The Massachusetts General Hospital (referred May 29,) for leave to project facades from building No. 496-500 Washington St., corner Bedford St., Wd. 7, to project over both streets—recommending reference of the same to the Committee on Public Improvements.

The question came on the acceptance of the report.

Ald. BRICK—Mr. Chairman, I thought the Chairman was to make a statement in regard to that. The Committee gave a hearing to various persons and thought this was a matter of the policy which should be followed one way or the other on these bay windows especially in this district, and was of sufficient moment to be considered by all the members of the Board. The Committee had not made up its mind, but thought the subject was sufficiently important to bring into the Board and let the Board decide whether it would adopt one policy or the other. That is the reason why the report was made in this form.

Ald. COLBY—Why not discuss the matter here and pass upon it without referring to the Committee? While I do not wish to be considered as reflecting on the Committee, it seems to me the Committee should have decided upon some policy one way or the other, before making the recommendation. We are willing to do our duty, but as committees are appointed to investigate and hear evidence, they ought to make some recommendation. I think the matter should be disposed of without referring it to the Committee.

Ald. DAY—Mr. Chairman, I am free to say that I think this is something which ought to be granted. It improves property, makes it more valuable. This particular window is designed to be used as a show window at the corner of Bedford and Washington Sts., and I am thoroughly in favor of granting the petition. But the Committee thought it was better that it should go to the Committee on Public Improvements, where we could all talk it over, and where the members could express their views about it. I am free to say that I don't care what the others think about it. My mind is made up, and I will vote for it, anyway.

Ald. CODMAN—Mr. Chairman, I agree

to this report, as a member of the Committee, but I am not prepared to vote upon the subject matter today. The first information I have had about it was within a very short time, and I have not been up to view the property. I was rather inclined to vote against it without seeing it, but I thought it would be well to have it reported in this way, so that it could be passed upon by the full board. This is, undoubtedly, as has been suggested, an important measure, a question of policy. If this permit is granted, there will be tens and hundreds asked for right through the business district. The Committee felt, inasmuch as the contractors wanted to close their contracts, and wanted to know what the specifications were to be, that this should be reported in this way. We thought it should be hurried up as much as possible. That was the object of the Committee, as I understood it, in voting to make this reference.

Ald. BERWIN—Mr. Chairman, there is really little for the members to learn on this particular question aside from what I am able to state to them today. In fact, if any member of the Board will ask any reasonable question concerning this particular matter, I feel perfectly competent to enlighten him. The owners of the estate are personally known to me, and I have given the matter attention almost since the foundation was laid for the new building on the corner of Bedford and Washington Sts.

The only objector is Mr. Minot, who represents the adjoining estate.—I understand as part owner. His objections are not serious, from the fact that his building is an old building. It is only a question of a short time when that adjoining building will, in all likelihood, be remodelled; and if it is the owners of this adjoining estate, now petitioning for this right, will be and are willing to allow him the same right in connection with the other building, without objection on their part. They have told me that they will not object to Mr. Minot having the same privilege that they now ask. In addition, there is on that other building at present a projection of a foot and a half. True, it is not a bay window, but it is a projection over the street, which in a measure would cause the same inconvenience to the corner people that the right asked for in connection with the corner building would cause to them. This corner building is in process of construction, a quarter of a million is to be invested in it, and the contractors are anxious to get along with the work and complete it, because, as I understand the circumstances, the building has to be completed within a certain time, subject to forfeit. This is my only interest in the matter—that the people who own the property and intend to occupy it are personal friends of mine, and I am therefore acquainted with the facts. I would very much like to see the matter acted on this afternoon in open board. There is really nothing the Committee on Public Improvements can learn that I am not ready at this moment to state, in answer to any question which may be put. True, I cannot go into technical questions, but any such question as it is natural for members of the Board to ask I feel perfectly competent to answer.

Ald. BRICK—Mr. Chairman, I would like to ask the gentleman a question—if he is willing to commit himself to the policy of giving permits for the projection of bay windows on Washington St. at this time?—because it simmers down to that, and I would like to ask the gentleman if he is willing to commit himself to that policy?

Ald. BERWIN—Mr. Chairman, that is a fair question, and I am prepared to answer it—with this qualification, that circumstances alter cases. There are projections of a certain character, like that petitioned for in connection with this building, that I am willing to put myself on record as not objecting to at any time. If, however,

a three-foot extension were asked for on a street of the character of many of the streets in the section of the city we both represent, to a certain extent, I would probably object to it. I cannot honestly believe, however, that there can be the slightest reasonable objection to granting a permit of this kind. I don't see why the matter should be delayed. Of course, I have my own voice and vote here and will be recorded in favor of the proposition, to-day or later, but there is nothing whatever that will be gained by the delay, and, as this is something that will be appreciated by the people interested, and is a permit that should be granted, I trust that the Board will act favorably upon it at this time.

Ald. DOYLE—Mr. Chairman, I am very glad that the Alderman from Wd. 6 (Ald. Berwin) has so much information upon this matter; but, at the same time, he should be willing to allow to other members of the Board of Aldermen, who have not been so fortunate as to be placed on the Committee on Building Department, an opportunity to look into it? As I understand it, this is a distinct innovation in the matter of building bay windows, and I think it is of enough importance to allow the other members of the Board to go up there and visit the place and look into it for themselves. Consequently I hope the matter will be referred to the Committee on Public Improvements.

Ald. CODMAN—Mr. Chairman, I would like to ask the alderman if he knows the width of Bedford St.?

Ald. BERWIN—Mr. Chairman, Bedford St. is over thirty feet wide, and I think it is forty feet. I know it is over thirty.

Ald. CODMAN—According to the map as scaled the street is not thirty feet wide, and if it is not thirty feet wide, according to the ordinances, petitioners can only make projections of 18 inches. There are several other questions in connection with the matter. The plans were not submitted to the Committee for more than a few minutes—it was the Committee's fault, to be sure, because they were not there, but I think it is due to the members of the Board to look into the matter, and I trust, for that reason, that it will be referred to the Committee on Public Improvements. I don't know that it is necessary to refer it back today.

Ald. DAY—Mr. Chairman, I can speak with authority as to the width of Bedford St. It is thirty-seven feet wide at the narrowest part, and from that it goes up to forty-four feet.

The matter was referred to the Committee on Public Improvements.

WOODEN BUILDING.

Ald. DAY submitted a report on the petition of John Morrison (referred today)— recommending the passage of the following:

Ordered, That the Building Commissioner be authorized to issue a permit to John Morrison to build, outside the building limits, a wooden building on rear 39 Sumner St., Wd. 2, in excess of range allowed and without the intervention or construction of a brick wall as required by the ordinances, and in accordance with an application on file in the Building Department; said building to be occupied as a coal pocket.

Report accepted; order passed. Sent down.

PUBLIC LANDING, DORCHESTER.

Ald. CODMAN offered an order—That the Board of Estimate and Apportionment be requested to provide the sum of (\$500) five hundred dollars to be expended for the completion of the Public Landing, Dorchester Bay.

Passed. Sent down.

EXPENSE OF ENROSSING.

Ald. DAY offered an order—That the expense attending engrossing resolutions on the death of the late Hon. John H. Sullivan be charged to City Council, Incidental Expenses.

Passed. Sent down.

SCHOOLROOM FOR WARD ROOM.

Ald. DAY offered an order—That this Board hereby requests the School Committee to allow the use of one of the rooms in the Emerson Schoolhouse as a ward room for Wd. 1, it being necessary to vacate the present ward room on account of the tearing down of the schoolhouse in which it is located.

Passed. Sent down.

CHANGE IN ORDINANCE.

Ald. DAY offered the following:—City of Boston, in the year one thousand eight and ninety-nine.

An Ordinance relative to the Ward Room for Ward One.

Be it ordained by the City Council of Boston as follows:—

Section 1. Chapter 32 of the Revised Ordinances of 1893 is hereby amended in Section 4 by striking out, in the eighth line of said section, the words "Chapman Schoolhouse, Eutaw St.," and inserting in place thereof the words "Emerson Schoolhouse, Prescott St."

Passed. Sent down.

CLOSING OF STREETS.

Ald. DAY offered an order—That the Board of Police be hereby requested to close to travel by vehicles on Thursday, June 29, 1899, for the formation and passage of a parade of the Ancient Order of United Workmen, certain streets, as follows:—

For formation of the parade, at 7 o'clock P. M. Beacon St. between Park and Charles Sts., Charles St., between Beacon and Boylston Sts., Arlington St. and Berkeley St.

For the passage of the parade, at 8 o'clock P. M., Beacon St. to Exeter St., Exeter and Dartmouth Sts., Huntington Ave., West Newton, Washington and School Sts., and Beacon St. to Charles St.

Passed.

RELOCATION OF FLAGPOLE.

Ald. DAY offered an order—That the City Messenger be instructed to remove the flagpole now in Monmouth Sq., and relocate it at the junction of Saratoga and Bayswater Sts., East Boston; the expense of the same to be charged to the appropriation for City Messenger Department.

Passed. Sent down.

REMOVAL OF TREE.

Ald. DOYLE offered an order—That the Superintendent of Public Grounds be requested to remove a tree near estate of J. M. Wade, 55 Forest St., Wd. 17; the expense attending the same to be charged to appropriation for Public Grounds Department.

Passed.

REMOVAL OF TREE.

Ald. ADAMS offered an order—That the Superintendent of Public Grounds be requested to remove a dead tree standing in front of estate 182 Savin Hill Ave., Dorchester; the expense attending the same to be charged to appropriation for Public Grounds Department.

Passed.

FIRING OF ROCKETS, ETC.

Ald. ADAMS offered an order—That the firing of rockets, squibs, crackers, serpents, torpedoes, and similar fireworks, be permitted in the public streets, commons and squares of this city, on Tuesday, the Fourth day of July next, between the hours of four o'clock A.M. and twelve o'clock midnight.

Passed.

CALL FOR REPORTS.

Ald. BRICK—Mr. Chairman, I desire to give notice at this time that at the next meeting of the Board I shall ask for a report of the special committee appointed to investigate gas and electric lighting matters, and also for a report from the Chairman of the Committee on bituminous coal. Both those committees, have been appointed, and there is a stir in this city today in regard to those matters. The newspapers are full of criticisms, and statements have been made by a man who, whatever his other characteristics may be, is at least financially sound, to the effect that there are many things connected with the gas interests in this city that are not right. I think that is a question which the Committee ought to take into consideration. Committees are not appointed merely for the purpose of being appointed. Being myself a member of the Committee on bituminous coal I have several times asked the Chairman of the Committee to have the committee take some action in regard to the matter and make a report, and he has never done anything. What the purpose of the Committee is I cannot conceive. If it has no purpose in existence, I think it ought to be discharged. If the committee on gas and electric lighting matters has no real purpose, no excuse for its existence, I shall also ask at the next meeting of the Board that that committee be discharged or a new committee appointed.

RESIGNATION FROM COMMITTEES.

Ald. DOYLE—Mr. Chairman, before going into recess I desire at this time to inform the Chairman that, while I do not impute any ulterior motives to him in my assignment to committees on Fourth of July entertainment, nevertheless I desire to resign from those committees which the Chair saw fit to place me upon. My principal reason for so doing I suppose I should give to the Chair, and it is, in short, this, that, although at my personal solicitation a small appropriation was especially designated to go to Wd. 12, after I had worked pretty hard to get it through the Chair say fit to appoint some other person than myself as Chairman of that committee; also because, as I understand it, the entire plans of the city in connection with the Fourth of July are to be conducted and carried out by two or three gentlemen, thereby taking away whatever little power the members of the Board of Aldermen as members of the committee had. As those gentlemen will receive whatever share of credit may come from the carrying out of the celebration, I believe they are entitled to receive whatever criticism may come from it also.

The CHAIRMAN—The Chair at this time accepts the gentleman's resignation, and desires to say that he appointed a gentleman from that district who has served in this Board two years, and who comes from the same ward as the gentleman who has just spoken. It would probably be more in keeping if the gentleman resigned from both the standing and joint committees.

Ald. DOYLE—Mr. Chairman, I believe I informed the Chair that I desired to resign from all committees in connection with the Fourth of July. I distinctly stated "all committees."

The CHAIRMAN—Did the gentleman state "joint and standing committees of the Board of Aldermen?"

Ald. DOYLE—No, I said "Fourth of July committees."

The CHAIRMAN—The Chair simply desires to say that he has placed himself on no committee. While the committees were probably made up hastily, there was no intention to do any member an injustice.

REOPENING OF SILVER ST.

Ald. McDONALD offered an order—That the Supt. of Streets be requested to reopen Silver St., between A and B Sts., So. Boston, to public travel.

Passed.

PASSAGEWAY ON BOSTON STREET.

Ald. McDONALD offered an order—That the City Engineer be requested to make a passageway on Boston St. for the convenience of the public, also on Dorchester Ave., where abutments are now being built.

Passed.

A RECESS TAKEN

The Board voted, on motion of Ald. Colby, at 4.30 o'clock, P. M., to take a recess subject to the call of the Chairman.

The members of the Board reassembled in the Aldermanic Chamber and were called to order at 5.53 o'clock, P. M., by the Chairman.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Reports on petitions (severally referred June 12), recommending the passage of orders that the Superintendent of Streets make sidewalks to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, owner to furnish material, in front of the following estates:—

Michael J. O'Brien, artificial sidewalk, 12 Richfield St., Wd. 20.

Elliven Savage, artificial sidewalk with edgestone, 99 and 100 Munroe St., Wd. 21.

A. H. Flint, 542 E. Fifth and on Jay St., Wd. 14.

C. A. Folsom, artificial sidewalk, 3 to 9 Edgewood St., Wd. 21.

Lomer Lahaise, artificial sidewalk, 33-45 Cranston St., Wd. 22.

Wm. W. Sampson, artificial sidewalk, 72 Sheridan St., Wd. 22.

Samuel S. Riddell, 60 Elm St., Wd. 22.

Estate of J. D. Braman, 714 Commonwealth Ave., Wd. 11.

James Mulcahy, 17-21 Homestead St., Wd. 21.

Catherine Lombard, artificial sidewalk, 103 Bowdoin Ave., Wd. 20.

Charles H. Goddard, artificial sidewalk, 32-4 Page St. and on McLellan St., Wd. 20.

James Calder, artificial sidewalk, 69 McLellan St., Wd. 20.

Ellen T. Bresnahan, artificial sidewalk, 61 McLellan St., Wd. 20.

John J. Cashen, artificial sidewalk, 58 McLellan St., Wd. 20.

Mary Smiddy, et als., 220, 222, 224 and 226 Paris St., Wd. 2.

A. H. Flint, 81-3 P St., Wd. 14.

J. Homer Pierce, et al., trustees, on Bellevue St., near Columbus Road, Wd. 20.

Marie E. Sundberg, artificial sidewalk, 4 Allston St., Wd. 20.

John Mahan, artificial sidewalk, Dewey St., corner Howard Ave., Wd. 16.

Alice E. Sowdem, artificial sidewalk, 6-8 Allston St., Wd. 20.

Charles F. Collins, artificial sidewalk, 215-7 Washington St., Wd. 20.

Reports accepted; orders severally passed.

(2) Report on the petition of Constantini Demara (referred today), for leave to sell merchandise from wheelbarrow on north side of Massachusetts Ave.—that leave be granted.

Report accepted; leave granted on the usual conditions.

(3) Report on the petition of the Boston Elevated Railway Co. (referred today), to erect wooden addition on Blue Hill Ave., corner Stanwood St., Wd. 20—that the order ought to pass.

Report accepted; order passed in concurrence.

(4) Report on the petition of Yarmouth Steamship Co. (referred May 22), for leave to stretch a banner across Atlantic Ave., between Nos. 4 and 3—that the petitioner have leave to withdraw on account of lack of jurisdiction.

Accepted.

(5) Report on the petition of National Express Co. (referred today), for leave to place a sign on unused lamppost at corner of Franklin and Arch Sts., Wd. 7—that leave be granted.

Report accepted; leave granted on the usual conditions.

(6) Report on message, enclosure and order (referred June 12), relative to sale of Marcella St. Home that the order be passed and sent down with the communication.

Report accepted; order passed. Sent down.

(7) Report on the message of the Mayor and order (referred June 22), relative to purchasing ferry boats for street department—that the same ought to pass.

Report accepted; order passed. Sent down.

(8) Report on regulation to amend Chap. 6, Revised Regulations, 1898 (referred June 12), concerning use of roadways by vehicles—recommending its passage in the following new draft:—

A regulation to amend chap. 6 of the revised regulation of 1898.

Section 1, Chapter 6, of the Revised Regulations of 1898, is hereby amended in section 13, by striking out said section and inserting in place thereof the following:—

Section 13. No person shall in any street use any vehicle other than a railroad or railway vehicle, or a vehicle of the fire department, or a vehicle drawn or pushed by an animal, or a vehicle of a construction approved by the Board of Aldermen as not endangering the life of property of others.

The report was accepted and the regulation was given its first reading.

Ald. BERWIN—Mr. Chairman, I move that it be assigned to the next meeting of the Board.

Ald. O'TOOLE—Mr. Chairman, I trust that it will not be assigned to the next meeting of the Board. We have been in Public Improvements, and the gentleman had a chance to voice his sentiments there. I trust that the matter will not be assigned to another meeting. It came from the Committee on Public Improvements.

The CHAIRMAN—The order goes over under the rule.

Ald. COLBY—Mr. Chairman, I was going to ask that it be referred to the Committee on Ordinances on the part of the Board.

Ald. ADAMS—Mr. Chairman, I was going to ask a suspension of the rule, that the matter might be acted upon here today.

The CHAIRMAN—The question is on reference to the Committee on Ordinances.

Ald. COLBY—Mr. Chairman, I would like to say just a word in reference to that. My reason for asking to have that referred is that, in my opinion, there is a disposition on the part of certain members of the Board to force the issue on this matter at the present time. I am perfectly aware that the matter has been before the Committee on Public Improvements for several months, and I will also agree that I have given the matter very

little attention. I will also agree, however, that it is a very important and serious matter, and that it involves a good deal—more than appears on the surface. I am not prepared to say today that I want to put it through in its present form. It comes right down simply to a question of the control of automobiles by the Board of Aldermen. Now, I imagine really that this is one of those matters that will have to regulate itself; that the time is not far distant when it will seem as ridiculous to regulate the use of the streets by different kinds of automobiles as it would be now in the case of horses.

But it is a matter worthy of regulation, at the present time, and my opinion is that the regulation is not framed in just the best possible form. I have not given it thought enough to know just the parts which should be modified, but certainly it will do no harm to consider the matter carefully. It has been before the Board, as I say, for some months. To the best of my knowledge the only attention paid to it was for about fifteen minutes, I should think, and then we did not get very close to the merits of the case, and I see no reason why it should not be referred to the Committee on Ordinances, as any other ordinance naturally would be. Anything in the shape of an ordinance is naturally referred to a committee of that sort. I do not ask for that reference for the purpose of delay, because I know of no reason why we should delay, but I believe the matter is entitled to more consideration than has been given to it up to the present time.

Ald. BRICK—Mr. Chairman, this matter has been in the Board some four or five months and has been discussed, and has slumbered more or less in the Committee on Public Improvements, and it will only have its first reading today, apparently. I think proper attention can be given to it if it has its first reading today and its second reading at the next meeting of the Board. If it is sent to the Committee on Ordinances, it is very likely to have a long sleep. Now, if there is any merit in it—and I am not quite prepared to say whether there is or not—I think we can thresh it out in this meeting and the succeeding meetings of the Board.

Ald. McDONALD—Mr. Chairman, while I shall undoubtedly vote for this measure after it comes back from the Committee on Ordinances, because I believe they will make it so strong that it will be distinctly understood—it seems to me, having a committee on ordinances, that it is their purpose and business to go into the meat of the matter and to ascertain what is necessary for this board to pass. As I say, I favor some restrictions or other being put on automobiles, but I want to vote for something that will be an ironclad measure, something that cannot be broken. When this goes to the Committee on Ordinances they can look into the matter carefully and report a strong ordinance to the board so that we can vote for it intelligently.

The regulation was declared referred to the Committee on Ordinances.

Ald. BRICK doubted the vote and called for the yeas and nays, and the motion to refer to the Committee on Ordinances was lost, yeas 5, nays, 7.

Yeas—Ald. Barry, Berwin, Colby, Day, McDonald—5.

Nays—Ald. Adams, Brick, Codman, Dixon, O'Toole, Presho—7.

The CHAIRMAN—The order lies over under the rules.

(9) Reports (on petitions referred today), recommending the passage of the following:—

(a) Ordered, That the Superintendent of Streets be authorized to issue a permit to John P. Squire & Co. to construct, maintain and use a bulkhead opening 3 ft. 5 in. by 5 ft. 7 in. with a wooden cover, under and in the sidewalk in front of estate No. 62 Blackstone St., Wd. 6.; the work to be completed on or before Dec. 31, 1899, accord-

ing to the terms and conditions expressed in the ordinances of the city relating thereto.

(b) That the Superintendent of Streets be authorized to issue a permit to J. Thomas Baldwin to lay, maintain and use a 1½-inch iron pipe, with a screw cover attached thereto, under and in the sidewalk in front of estate corner of Bartlett and Sullivan Sts., Wd. 4; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

(c) Ordered, That the Superintendent of Streets be authorized to issue a permit to Ed. Muhlwitz to lay, maintain and use a 1½-inch iron pipe, with a screw cover attached, under and in the sidewalk in front of estate corner of Mercer and Eighth Sts., Wd. 15; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

(d) Ordered, That the Superintendent of Streets be authorized to issue a permit to Frederick J. Berthel, Jr., to construct, maintain and use two coal hole openings 14 inches in diameter, with iron cover of rough upper surface, under and in the sidewalk in front of estate corner of Ruggles St. and Columbus Ave. Extension; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

(e) Ordered, That the Superintendent of Streets be authorized to issue a permit to Mead, Mason & Co. to erect, maintain, and use one guy post, with the necessary ropes attached thereto, at and over the corner of Bennington and Marion Sts., and one on Lexington St., between No. 67 and No. 69; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Reports severally accepted; orders severally passed.

(10) Report on the petition of the Trustees of the Municipal Real Estate Trust (recommended June 12), for leave to lay an iron pipe from 78 to 94 Portland St. Recommending the passage of the following:

Ordered, That the Superintendent of Streets be authorized to issue a permit to Trustees, Municipal Real Estate Trust, to lay, maintain, and use a four-inch iron pipe, with smaller pipe enclosed therein, under and in the sidewalk in front of estate No. 78 Portland St., Wd. 6, as shown on plan on file in the office of the Permit Office of the Street Department; the work to be completed on or before December 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Report accepted; order passed.

CONTRACT MONEY TO BE HELD.

Ald. PRESHO offered an order—That the City Treasurer be and is hereby directed to refrain from paying any money under the contract made the 31st day of May, 1899, between the Rising Sun Street Lighting Co., Wesley A. Gove, President, and the City of Boston; James Donovan, Superintendent of Lamps, and approved by Josiah Quincy, Mayor of Boston.

The order was declared passed.

Ald. DAY doubted the vote.

The CHAIRMAN—The gentleman doubts the vote. The question is on the passage of the order.

Ald. O'TOOLE—Mr. Chairman, that is rather a long drawn out order. In the first place, I cannot consistently and conscientiously vote for that order, for the simple reason that at the present time there is an investigation pending before the Committee on Lamps. As I said earlier in the afternoon, there is another order before that committee. This will simply place me, as Chairman of that Committee, in the position of prejudging my vote. I don't know what it will be. I intend, as

a member of that committee, to thoroughly investigate this thing. Another thing, it is a hardship on the men employed at the present time by the Rising Sun Street Lighting Company. We cannot tell how long this thing will extend before they will be able to get their salaries. The gentleman who offered this order is well aware that these men are receiving \$12 a week and that this may tie them up in regard to money matters. For these reasons and no other reasons—in the first place, because I might pre-judge any action I might take on that committee, and, secondly, because of the hardships that will surely come to the men if they do not get their regular pay on Saturday night—I move, as an amendment, that the order be referred to the Committee on Lamps.

Ald. DAY—Mr. Chairman, I agree entirely with everything that Ald. O'Toole has said and will say further that I do not want to vote for the resolution because the president of this company is an intimate personal friend of mine. I have known him ever since I was an infant, and I have thorough confidence in his integrity. I don't believe he would take part in any contract that was not perfectly proper. I have confidence in the Mayor of Boston and the Superintendent of Lamps, and it seems to me that this order, whether intentionally so or not, is a slap at them. I think it should go, as moved by Ald. O'Toole, to the Committee on Lamps, and that we should not consider it until after that committee has reported.

Ald. PRESHO—Mr. Chairman, last week I put in an order asking for an opinion of the Corporation Counsel in regard to that contract. It was thought by some members that it was a hardship on any Corporation Counsel to be asked to give an opinion where His Honor the Mayor had already made a contract; and therefore, at the advice of some of the legal members of the Government, I put in this order, which I believe should be passed. As regards the men, this corporation is surely good for their pay. It is good for any obligation it may have to the men, and to pass the order will not bring any hardship on the men. But I believe that the principle of the contract is wrong and that this board should stand for the right. We have fought a great battle this year, and we have won. We have stood up for our rights, and we have determined that the City Council of Boston shall handle the finances of the city of Boston with the Mayor. We have won that victory. Now here our power has been again taken away from us. I believe the members of the Board should stand up for their rights and that this is the only way to really bring this matter to an issue. I am not strenuous about the matter, but I do want it brought to an issue. I have heard assertions made by prominent men, men connected in some ways with the government, to the effect that we have the power of determining the methods by which lighting shall be done, also of determining how the lights shall be fixed. If that is the case, that is a great barrier against the legality of this contract. I believe we should surely force this matter to an issue, have it brought right squarely to the test, and it is much better to have it done in this way. The matter will be determined quickly. We will leave the City Treasurer, by the advice of the Mayor and the Corporation Counsel, to take one side or the other, and we will know the reason for it, and then this Board can proceed.

Ald. DOYLE—Mr. Chairman, as the member of the Board who introduced the order for an investigation into the contract between the Rising Sun Street Lighting Co. and the City of Boston, I think it is hardly fair to place me in the position of voting upon this order today. Consequent-

ly, I hope it will be referred to the special committee on lamps and taken up in connection with the investigation into that contract.

I have not considered the question whether or not the men will get their pay, regardless of whether the company will get its pay from the city, but I don't think it would be fair to either the company or the citizens to say at this time that that is an illegal contract. No matter what our private opinions may be, let us at least wait and find out whether this is a legal contract or not. For that purpose I hope the order will be referred to the committee on lamps, and will be considered in connection with the inquiry into the contract.

Ald. COLBY—Mr. Chairman, I shall vote for the order as introduced by the alderman from Charlestown and not for reference to the Committee, and for these reasons, I have no desire to reflect upon the President of the company in question. I have no doubt he is an estimable gentleman and is making a contract which, so advisable one for his company. I have no doubt he has been advised that his contract is perfectly legal, and has no doubt made such a contract as he thinks is an advisable one for his company. I have no doubt the Mayor thinks he is acting rightfully when he enters into a contract of that sort, but I very much doubt whether he is on the right end of it. As I understand it, it is proposed to refer the matter to a committee. What will that determine? Nothing. It simply means that they will get an opinion which will not be a judicial opinion and which will settle nothing. For instance, the committee may decide on the evidence presented to them that that the contract is illegal. What of it? That will not help matters any. We might decide here in five minutes that the contract is illegal. What would happen then? Nothing. Or we might decide that that it is legal. What would happen then? Nothing. Nothing will be done with this matter until it is brought before some court of competent jurisdiction. The fact is that the matter has been in the air, and it was of serious import enough for quite a number of the gentlemen connected with this board to consider it at some length. So really it was of some importance. I doubt whether any of the gentlemen who have the matter in charge have considered it as much since as before the last meeting we had. I don't understand that any steps have been taken since.

My experience with committees has been that, no matter how faithful they intend to be or how diligent they are, the results are long drawn out. Now, if this contract is illegal the sooner we find it out the better. Sooner or later we will be involved in some sort of a lawsuit, and the sooner the facts are determined, as to whether the contract is right or wrong, the better it will be. It strikes me that if this order gets to the Treasurer the issue will then be raised, and it will have to be determined at once. As far as an opinion from the Law Department is concerned, if that department sends us down one opinion one way or the other it will not determine anything. It will be as open a question as it is now; and it seems to me, rather than have all this talk back and forth about what is right or wrong, it would be better for all concerned for us to pass this order. That will bring the matter to an issue. I should think the Company would rather have the question determined at once than to go along for some time before it is brought into court—and I have been told that people interested in the matter intend some time to force it into the courts. This certainly is a very easy way to force the issue, and if it is determined that the contract is valid the court will simply order the Treasurer to pay the money. That is all. I don't see that it

implies any reflection upon anybody—it simply clears up the atmosphere and is better for everybody. Everything is unsatisfactory, so long as a doubt exists. Of course, it is a mooted question whether the contract is valid or not. It has been under discussion since the contract was under contemplation—there is no secret about that. If that is the fact, why not have it cleared up?

Ald. BRICK—Mr. Chairman, it strikes me that behind the resolution is an ulterior purpose, and that is to make a slash at the administration. As the alderman who preceded me has suggested, any ten citizens of this city can get together and, by filing a bill in equity, restrain the administration. It seems to me if this is passed today it will put upon the action of the administration, the Mayor, the stamp of disapproval, and I shall not vote for that and I don't think the Board should. I think it should first be determined whether the contract is legal or not. I shall vote against the order.

Ald. O'TOOLE—Mr. Chairman, the alderman from Wd. 6 has said that there is no doubt an ulterior motive in the opposition to this, that the motive is a political one. I will say that I am ready here and now, as far as contracts of this kind are concerned, to say that they are against democratic principles. Nobody doubts that for a moment. The alderman and I will stand on this floor and vote for certain motions in the direction of municipal ownership. But I dare say the gentleman on my left (Ald. Colby), in whom I have the greatest confidence, would not dare to vote for that, would refuse to do so. That is not the question. Supposing we pass this order today—as I said in other remarks on this subject today, it would result in harsh methods towards the men now employed in the Lamp Department, and who will be employed by this new company. That is certainly so. They will not be able to get their usual salary on Saturday night. I think this committee has got the matter in charge, and I will say, with the alderman from Wd. 12 (Ald. Colby), that I, as Chairman of that committee, have looked into this matter carefully. As he has truly said, on other investigating committees everything has gone wrong. But I can assure him that if there is anything back of this contract, I, as one member of this committee on lamps, will probe into it to the farthest extent. I think, as I said in the early part of the afternoon, that this order is unnecessary, and I trust that it will not be adopted.

Ald. PRESNO—Mr. Chairman, It looks to me as though those members who charge that there is something behind this are trying to screen themselves, trying to protect this company. I want to know upon what grounds the Mayor and the Superintendent of Lamps acted, and if I cannot get this order through I serve notice that I shall try to call up the order I introduced last week. I allowed that to lie over, in deference to other members. But I know, from my acquaintance with the legislature, that the Corporation Counsel was up there opposing the interests of the City Council, and I feel that this matter should be brought to a conclusion; that, as Ald. Colby says, we should find out where we stand. It would be for the interest of the company for it to know just where it is at. Therefore, if this order is not passed I give notice that I will press the order I introduced last week.

The order was rejected—yeas 4, nays 7:
Yeas—Ald. Adams, Codman, Colby., Presno—4.

Nays—Ald. Barry, Brick, Day, Dixon, Doyle, McDonald, O'Toole—7.

Ald. PRESNO—Mr. Chairman, I shall call for a report of the Committee on Public Improvements on the order I introduced last week which was laid over out of courtesy to the Law Department, and which at that time carried with it an order that it should be reported at that meeting.

I call for a report of the Committee on Public Improvements.

The CHAIRMAN—The Chair will ask the members to take notice of the request made by the Alderman.

ELECTRIC WIRES.

Ald. DOYLE, for the Committee on Electric Wires, submitted the following:

(1) Reports recommending the passage of orders of notice for hearings on Monday, July 10th, 1899, at 3 o'clock P.M. on the following petitions:

The New England Telephone & Telegraph Co. of Mass. (referred today), for leave to erect and to remove poles on Centre St., Wd. 22.

Same company (referred June 12), for leave to erect five poles in King St., Wd. 24.

Same company (referred June 12) for leave to erect and to remove one pole on East Second St., between M and L Sts., Wd. 14.

Same company (referred June 12) for leave to erect poles on Waban St., Wd. 21, Mansfield St., Wd. 25, and Tophitt St., Wd. 20, and to erect and remove one pole on Washington St., corner Dudley St., Wd. 18.

Same company (referred June 12), for leave to erect and to remove one pole on Wait St., Wd. 19.

Same company (referred June 12), for leave to erect and to remove one pole on Market St. and Western Ave., Wd. 25.

Boston Electric Light Co. (referred June 12), for leave to erect poles on Savin Hill Ave., Adams St., Dorchester Ave., St. Alphonsus St., Fellows St. and McCreer St.

Reports severally accepted; orders of notice passed.

(2) Report on the petition of the New England Telephone & Telegraph Co. of Mass. (referred June 12), recommending the passage of the following:

Ordered, That permission be hereby granted to the New England Telephone & Telegraph Company of Mass. to remove three poles from Oak St., Wd. 4, said poles being shown by red and blue dots on a plan made by G. H. Dresser, dated March 9, 1899, and deposited in the office of the Superintendent of Streets.

Report accepted; order passed.

(3) Report on the petition of the same company (referred June 12), recommending the passage of the following:—

Ordered, That permission be granted to the New England Telephone & Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by blue dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated April 30, 1898; said poles to be located as follows:—

Rockland St., Wd. 25, 2 poles, 35 ft. high, 13 in. in diameter; width of sidewalk, 7 ft.

Ordered, That permission be granted to the New England Telephone & Telegraph Co. of Mass. to remove two poles from Rockland St., said poles being shown on red dots on plan aforesaid.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898.

The work of locating and removing said poles to be completed within ninety days from the passage of this order.

Report accepted; order passed under a suspension of the rules.

(4) Report on the petition of the same company (referred last year), that the Newtonville & Watertown Street Railway Company be allowed to attach its span wires to poles of the petitioner on North Beacon St., Wd. 25—Recommending the passage of the following:

Ordered, That permission be granted to the New England Telephone & Telegraph Co. of Mass. to allow the attachment of, and to the Newtonville & Watertown Street Railway Co. to attach, the span

wires of said railway company to the poles of the telephone company on North Beacon St., between Union Sq. and the Watertown line.

Report accepted; order passed.

(5) Report on the petition of the same company (recommitted May 22), recommending the passage of the following:—

Ordered, That permission be granted to The New England Telephone & Telegraph Co. of Mass. to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated May 2, 1899; said poles to be located as follows:—

Carruth St., Wd. 24, 7 poles, 35 ft. high, 13 in. in diameter; width of sidewalk, 7 ft.

Eaton Sq., Wd. 20, 2 poles, 35 ft. high, 13 in. in diameter; width of sidewalk, 8 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, section 15, of the Revised Ordinances of 1898; the work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order laid on the table, on motion of Ald. Codman.

(6) Report on the petition of the same company (referred June 12), recommending the passage of the following:—

Ordered, That the time allowed The New England Telephone and Telegraph Company of Mass. in which to erect and to remove poles on Northampton St., under the order passed by this board October 17, 1898, be and the same is hereby extended to July 30, 1899.

Report accepted; order passed.

(7) Report on the petition of the same company (referred May 22), recommending the passage of the following:—

Ordered, That the time allowed The New England Telephone & Telegraph Co. of Mass., in which to erect poles on Lincoln, Franklin and North Harvard Sts., under the order passed by this board November 21, 1898, be and the same is hereby extended to September 1, 1899.

Report accepted; order passed.

(8) Report on the petition of the same company (recommitted May 22), recommending the passage of the following:

Ordered, That permission be granted to the New England Telephone & Telegraph Co. of Mass., to place and maintain poles for the support of wires at points designated by red dots on a plan deposited in the office of the Superintendent of Streets, made by G. H. Dresser, dated May 5, 1899; said poles to be located as follows:—

La Grange St., Wd. 23, 40 poles, 25 ft. high, 13 in. in diameter; width of sidewalk, 7 ft.

The Superintendent of Streets is hereby authorized to issue permits for opening and occupying streets for placing and maintaining said poles on the conditions specified in chapter 38, sect. 15, of the Revised Ordinances of 1898.

The work of locating said poles to be completed within ninety days from the date of the passage of this order.

Report accepted; order passed, under a suspension of the rule.

RAILROADS.

Ald. DIXON, for the Committee on Railroads, submitted reports recommending the passage of orders of notice for hearings on Monday, April 17th, at 3 o'clock P.M., on the following petitions (severally referred today):

West Roxbury & Roslindale St. Ry. Co., to be allowed to exchange its cars with cars of the Needham & Boston St. Ry. Co. at the Boston line at Spring St., and to use the cars of the last-named company on its lines from Spring St. to Forest Hills.

West End St. Ry. Co., for location for track at junction of Washington and Roxbury Sts.

West End Street Ry. Co., for leave to lay a curve track at corner of Washington and Eustis Sts.

The Thompson & Norris Co., for leave to lay railroad tracks across Lincoln St., Brighton.

West End St. Ry. Co., for a location for an extension of its tracks on Washington St., Dorchester, to Codman St., also on Codman St. to Dorchester Ave., with the right to use the overhead electric system thereon.

Reports severally accepted; orders of notice passed.

—
OYSTER BEDS.

Ald. DIXON, for the Committee on Vessels and Ballast Dept. (Ald.), submitted a report on the order (referred June 12), authorizing R. R. Higgins & Co. and others to plant, grow and dig oysters upon the portions of Bird Island Flats, in Boston Harbor, which have in previous years been occupied by them for said purpose—That said order ought to pass.

Report accepted; said order passed.

—
CALL FOR COMMITTEE REPORT.

Ald. PRESHO—Mr. Chairman, I make a motion that the Committee on Public Improvements be directed to report at this session on the order I offered at the last meeting, asking for the opinion of the Corporation Counsel on the recent Rising Sun lighting contract.

The CHAIRMAN—The Chair is in possession of another order from Ald. O'Toole.

—
NEXT MEETING.

Ald. O'TOOLE offered an order—That when this Board adjourns, it be to meet on Thursday, June 29, 1899, at 12 o'clock noon.

Ald. PRESHO—Mr. Chairman, I understand that that order carries adjournment with it. I made a motion that I would like to have considered, and I think it is nothing but fair that it should be considered. I understand that that order carries adjournment with it.

(The order was read for the information of Ald. Presho).

The order was passed.

—
STREET IMPROVEMENTS IN WD. 9.

Chairman BARRY offered the following orders:—

Ordered, That the Board of Estimate and Apportionment be requested to appropriate, at its next meeting, the sum of four thousand dollars, to be used for the improvement of Oneida St., Wd. 9.

Ordered, That the Board of Estimate and Apportionment be requested to appropriate, at its next meeting, the sum of four thousand dollars, to be used for the improvement of Seneca St., Wd. 9.

Severally passed.

—
CONDITION OF NORTH END PLAYGROUND.

Ald. DIXON offered an order—That the Park Commissioners be requested to place North End Playground and North End Beach in proper condition for use during the present summer months.

Passed. Sent down.

—
GENERAL RECONSIDERATION.

On motion of Ald. Day, the Board refused reconsideration of all votes taken today, not previously reconsidered.

—
CALL FOR COMMITTEE REPORT RE-NEWED.

Ald. PRESHO—Mr. Chairman, I would move that the Committee on Public Improvements be directed to report at this session on the order offered by me last week in relation to the contract between

the city and the Rising Sun Street Lighting Company.

The CHAIRMAN—The Committee will take notice of the request of the alderman.

Ald. PRESHO—Mr. Chairman, I make that as a motion.

The motion was carried.

Ald. PRESHO—Mr. Chairman, I move that the Board take a recess subject to the call of the Chair.

The motion was declared lost.

Ald. PRESHO—Mr. Chairman, I doubt the vote.

Ald. DOYLE—Mr. Chairman, I desire to ask what Chairman it is to be at the call of—the Chairman of the Board of Aldermen or the Chairman of the Committee on Public Improvements?

Ald. PRESHO—Mr. Chairman, the recesses that have been taken here during my time, in accordance with such a motion, have been always subject to the call of the Chairman of the Board of Aldermen.

Ald. Presho's motion was carried, yeas 9, nays 3.

Yeas—Ald. Adams, Brick, Codman, Colby, Dixon, Doyle, McDonald, O'Toole, Presho—9.

Nays—Ald. Barry, Berwin, Day—3.

The CHAIRMAN—And the Board stands adjourned subject to the call of the Chair.

Ald. PRESHO—Mr. Chairman, Mr. Chairman, that is not my motion.

The CHAIRMAN—The motion was made to adjourn subject to the call of the Chair, and the Chair has no knowledge of any business before the Board.

Ald. PRESHO—Mr. Chairman—

The CHAIRMAN—The Chair will give the gentleman a fair chance to reply. A motion has been passed by this Board that the Board adjourn subject to the call of the Chair.

Ald. PRESHO—I call for the reading of the stenographer's notes.

The CHAIRMAN—Will the alderman kindly allow the Chair to continue? The motion made by the alderman and carried by the Board was that when this Board adjourned it adjourn subject to the call of the Chair. The Chair is not now in possession of any business, and declares the Board adjourned.

Ald. PRESHO—Mr. Chairman, I rise to a point of order. I appeal to the members of the board whether this is fair treatment? I call for the reading of the stenographer's notes. It was a very unfair thing for the Chairman of this Board to put the motion through in that way, deliberately overriding the rights of a parliamentary assembly. I dare him to continue in his course.

The CHAIRMAN—The Chair demands that the alderman take his seat.

Ald. PRESHO—Mr. Chairman, I rise to a point of order. I ask that the stenographer's notes be read, because my motion was not as stated by the Chair.

The CHAIRMAN—The Chair has already stated that the Board stood adjourned subject to the call of the Chair. Now the Chair is ready to call the Board to order again. But the Chair will say, in speaking from the Chair, that the Chair has had some experience with parliamentary law. There was nothing else for the Chair to do. The trouble has been that the gentleman was too hasty and did not wait—

Ald. PRESHO—Mr. Chairman, I rise to a point of order. If the Chair wants to argue the question let him step on the floor.

The CHAIRMAN—Ald. Presho has the floor.

Ald. PRESHO—Mr. Chairman, I call for the reading of the stenographer's notes.

The CHAIRMAN—It isn't for any stenographer's notes to decide—we had to adjourn to be called to order again.

Ald. PRESHO—Mr. Chairman, I rise to a point of order, that I made a motion to take a recess subject to the call of the

Chair, and I call for the reading of the records of the official stenographer.

The CHAIRMAN—The Chair is now ready to entertain any motion the gentleman desires to make.

Ald. PRESHO—Mr. Chairman, I call for the reading by the stenographer of the motion that I made.

Ald. BRICK—Mr. Chairman, as a matter of personal privilege, with all due respect to the Chair, it strikes me that that should be read. If I knew what I was voting for at all—it may be I did not—I was voting for a recess. If the Chair states that I was voting for adjournment, then I was mistaken in the motion that was made. I understood the gentleman on my left (Ald. Presho) to make a motion to take a recess subject to the call of the Chair, and I think the Chairman himself was hasty.

The CHAIRMAN—The Chair will say that a motion was made to adjourn subject to the call of the Chair. That motion was carried, and the Chair had no way of entertaining business until the body was called to order again. If the gentleman has any business to present, the Board is in session.

Ald. PRESHO—Mr. Chairman, I desire to say that this proceeding is to me entirely ridiculous. It is very unusual for me, after holding office in parliamentary bodies for nine years to see anything of this kind. I believe the rights of parliamentary bodies are inviolable, and they have been greatly outraged this afternoon. The board did not vote to adjourn. The board voted to take a recess, subject to the call of the Chair, and the Chair declared that the board was adjourned. I call for the reading of the motion. I desire to set myself right.

Ald. McDONALD—Mr. Chairman, it seems to me the motion that should have been made was to have the board go into committee of the whole, and then the Chair would have called the aldermen together and we could have decided the matter. Instead of that, the matter was left entirely in the hands of the Chair to say when the board should be called together again. Consequently, under that motion I suppose he might decide that the Board should be called together Thursday. However, he has seen fit to call us together again, and I presume we can now go on.

Ald. PRESHO—Mr. Chairman,

The CHAIRMAN—The Chair is ready to entertain business and has no desire to shut business off. Is there anything the gentleman desires to present.

Ald. PRESHO—Mr. Chairman, I desire fair treatment, and I move that my motion be read.

The CHAIRMAN—The Chair will request the stenographer to read the motion made by Ald. Presho.

(The stenographer read Ald. Presho's motion.)

The CHAIRMAN—The Chair is due an apology for the ruling he has made and the misquotation of the Alderman representing Charlestown. He has asked to have the stenographer read the motion, and the stenographer has read it.

Ald. PRESHO—Mr. Chairman, I feel that I should rise to a question of personal privilege as to my rights in this assembly. I made a motion, and the fact that I made that motion—that we take a recess—has been corroborated by the stenographer. The Chair declared that we had adjourned, instead of declaring that we had voted to take a recess. I think it was great unfairness to me on the part of the Chair to take that action. I would now, in order to avoid any further talk, make a motion that we take a recess in order that the Committee on Public Improvements may meet.

Ald. McDONALD—Mr. Chairman, in order that we may understand that we are

to meet again, I would move to amend that motion—that we take a recess for fifteen minutes—and then the Chair will understand exactly that we are going to meet again.

The CHAIRMAN—Does the gentleman accept the amendment?

Ald. PRESHO—I don't think it is necessary to do that. I have endeavored to be fair in this matter and have been perfectly willing to leave these things in the hands of the Chair. I am perfectly willing to do so at the present time. If the Chair wants to take advantage of me or anybody else and override parliamentary law, he may do so.

The CHAIRMAN—The gentleman is unfair in his remarks. For the gentleman to put into my mouth something I did not say, to attribute to me something I did not do, is unfair.

Ald. McDONALD—Mr. Chairman, I make the motion that we take a recess for five minutes.

Ald. DOYLE—Mr. Chairman, I don't think it is necessary to limit the time for which the Board takes a recess. It is not the ordinary usage for this Board to do so, and, as the alderman from Charlestown has moved that we take a recess subject to the call of the Chair, I believe the motion should go through in that way without any amendment.

Ald. McDONALD—Mr. Chairman, it has been the custom in many of the official bodies I have attended to take a recess for a certain length of time, the member making the motion saying how long he would like the recess to be, and it seems to me that is a fair proposition and a fair motion. I have made the motion, in order that we may understand exactly when we are to meet again.

Ald. Presho's motion, that the Board take a recess subject to the call of the Chair, was carried, and the Board took a recess at 6.49 P.M. The Board was called to order again at 6.58 P.M.

RIISING SUN LIGHTING CONTRACT.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted a report on the order (referred June 12) requesting the Corporation Council to inform the Board whether the contract entered into with the Rising Sun Street Lighting Company, dated May 31, 1899, is legal, etc.—That the said order ought to pass.

The report was accepted, and the question came on the passage of the said order.

Ald. DAY—Mr. Chairman, I move that that report be referred to the Committee on Lamps on the part of the Board.

The CHAIRMAN—The Chair will say at this time that the order as received is an order which this Board refused to pass. After the Board refused to pass the order there was a general reconsideration, on motion of Ald. Day, of motions and orders passed by the Board this afternoon. The Chair entertained that motion, and reconsideration was lost. The result is that this order has no standing, now that reconsideration has been refused, and only one reconsideration can be had on an order.

Ald. PRESHO—Mr. Chairman, I rise to a point of order, that this order has not been acted upon previously today, that at the last meeting it was referred to the Committee on Public Improvements, and that it is now reported by that committee. The Chair is entirely mistaken in regard to the previous order I put in.

The CHAIRMAN—Then the Chair is in error. The question comes on giving the order a second reading.

Ald. DAY—Mr. Chairman, I would like to renew the motion I made, that it be referred to the Committee on Lamps on the part of the Board of Aldermen and that the vote be taken by yeas and nays.

Ald. PRESHO—Mr. Chairman, it seems to me that this is a straight request for information as to the law, entirely regardless of the action of that committee. We

must know where we are at, on what ground we stand, and by throwing this order aside we are merely playing into the hands of the corporation. Where are our tax-payers? When they see this contract calling for a yearly expenditure of \$60,000 more, where are they, in what position are they placed, if we vote to send this order to the Committee on Lamps? This order should be passed.

We should know the reasons governing the action that was taken and the law that we stand upon. It was admitted to me today that the power to determine the method of lighting, the fixing and putting up of lamps, is vested by ordinance in this Board. If that is true, this contract is null and void. We should stand, gentlemen, for our own rights and should have the opinion of the Corporation Counsel. If this company cannot stand the light of day, if it has got to resort to subterfuges, if its legal position cannot bear examination, it had better get out of the business.

Ald. BERWIN—Mr. Chairman, I shall vote against the passage of the order, in line with the consistent position I have taken in this Board during the present year on this and other matters. The members of the Board are aware that I have been to personal expense to obtain reliable information, and I suggest that they go to the same expense that I did, that they employ good legal talent, as I did. I don't give a snap of my finger for Mr. Bailey's opinion in this matter, and I say that with no reflection whatever on him, because he is a paid servant of the city of Boston and is naturally influenced by the influences at work in the corner of the building. I want to say here and now that my contention is that the proper place for this matter is the courts. I will qualify what I said about the Corporation Counsel, because I said it in haste; but I do want to say it is fair to presume that the Corporation Counsel passed on this question, because, as he is the legal representative of the city, it is natural to assume that the Mayor consulted him. If that is so, we do not care to hear from him. The cold facts are that the contract has been signed and that the only way to get at this matter is to pay out a few dollars and go to court.

Let a few of the distinguished members of this board who are bright legal lights give up a little of their valuable time in behalf of the people and ask the courts to rule on this question. There has been too much cheap talk on this whole proposition. I do not believe in it myself, and I am not going to make a dunce of myself by voting on propositions that make us look like fools in the eyes of the public. I propose to be fair and right, in politics I follow the dictates of the party to which I belong. But when I am elected to this board I follow the dictates of conscience and do what I think is right. That has been my position right along on this matter and in other matters, and if the other members of the Board are too poor to go to the courts they will find me over the way and I will give the money to them.

Ald. DOYLE—Mr. Chairman, I do not take the same position in reference to this order that I did in reference to the last order offered by the same gentleman. I cannot consistently vote for the passage of this order inasmuch as I am on the committee on lamps, which has an investigation of that contract now under way. Consequently I don't think it is fair to ask them to obtain an opinion from the Corporation Counsel that might in any way influence the minds of the members of that committee. I think if the opinion is to be obtained it should be obtained by the Board, and it will then probably be referred with the other matters to the Committee on Lamps.

Ald. CODMAN—Mr. Chairman, the wealthy and consistent alderman from Ward 6 (Ald. Berwin) has stated here that he wants this matter settled by the courts. Where was he a few minutes ago when we

had a vote that would have put the matter right before the courts? He was suddenly called out—he was not recorded on it. His vote might have changed the whole situation, the whole condition of things, but he was not here to vote upon that question. That was just the time when we needed his vote, and he was missing. That was an order directing the Treasurer to stop payment, and that would have brought the matter to an issue immediately in the courts. He now gets up and talks about consistency. He says he wants us to go to the courts, that that is the place to accomplish something. Whatever the ideas of members may be in regard to the Corporation Counsel's opinions, it certainly seems perfectly proper and right that the Board should ask his opinion in this case, and when his opinion is sent in let it go to the committee that is to investigate this matter to start with. It will certainly do no harm. I am not, perhaps given to over-estimating the opinions of the Corporation Counsel; but I think it is proper to have his opinion sometimes and I think it is not at all out of the way to have his opinion first. When it comes in we can send it to the Committee on investigation.

Ald. PRESHO—Mr. Chairman, I presume if I had the large amount of assessable property which the gentleman on my right (Ald. Berwin) exhibited the first time when he ran for the board, I might take it on myself to go to such expense as he suggests. But I am a poor man, and I want to get the opinion of the Corporation Counsel so that I may act on it. I pledge myself that I shall carry this matter to the bitter end, carry it to the courts of the Commonwealth, but before I do I want to have the opinion of the city law department on it. This has been done, I suppose, on advice, like the sewer assessment act. I want to know what the opinion of the Corporation Counsel is upon the matter.

When I pick up the ordinances and see that the City Government has the right to determine the method of lighting and the power to determine in regard to lamps, fixing them up and so forth, I want to see what the Corporation Counsel has to say about that. He presented a draft of the ordinances to the Committee on Ordinances, of which I am a member. Now I want to know if the Mayor and the Corporation Counsel act favorably upon things that they know to be contrary to the law. Surely the Corporation Counsel, with all his experience, knows whether a thing of this kind is according to statute law or not. That is surely something that he can determine. If he places this before us, knowing that it is not in accordance with the law, it is certainly an unfair proceeding, to say the least, and we ought to know it. We ought to find out what is law and what isn't.

Ald. BERWIN—Mr. Chairman, I may be lacking in some qualities that go to make up the statesmen from Dorchester and Charlestown (Ald. Codman and Presho), but I have had the courage at all times in this Board to get up and tell just how I stood. I can also say that I have never made a promise to any member of the Board that I have not fulfilled, but there have been some members of the Board who have made promises to me that they have not kept. That, however, does not disturb me at all. I am opposed to the general proposition that we make dunces of ourselves. I was called from this chamber by a call of nature, and so I could not vote on the question, if I knew it was before the Board. But if I were here I should have voted against it, because I do not believe we have any authority to order the City Treasurer to pay or prohibit him from paying out any money. If we had, I suppose some of the members of the Board of Aldermen of last

year would have had their carriage bills paid in good season. So far as that is concerned, it amounts to nothing. I will say here that I have never made any parade of my financial condition at any time. I wish to say to the Alderman from Charlestown (Ald. Fresno) that I have risen from as humble a walk in life as he has.

It was shameful on his part, or on the part of any man, to ridicule me for that, because I am proud of it. Every penny I have I earned; I am not apologizing for myself, but it seems to me shameful that members of this board should take the position they do in regard to me and my actions. I have always been actuated here by the purest of motives, and such treatment seems humiliating to me, because I have treated every member properly during my time here. It seems wrong for the members to come here and ridicule me for things which I have not done and for which I am not in the slightest degree responsible. But let them remember it, and I will remember it. I may not come back to the board next year, but in the balance of the time remaining, whether the board adjourns for my convenience or not, I want to serve notice on those members of the board that before the year is out they will hear from me. This is not a threat, I come from a section of the country where I learned to control myself and not to make threats. But I want the members of the board to know that when I am treated by certain members unfairly and unreasonably I will take a stand in the board that will perhaps make them uncomfortable.

Ald. COLBY—Mr. Chairman, this matter has gone just about as far as it ought to go. It is a warm night and it is hard to remain cool in some respects after certain things that have taken place here, but we have got to a point where I think we had better get down to a business basis and, whatever personalities have been inaugurated in heretofore, drop them. I sympathize with the alderman who has just spoken—I think things have gotten to a point where there is about to be an explosion. This is neither the time nor the place for it. I think we had better drop the matter for the present and see how we feel the next time we get together; and I am going to move that further consideration of the subject be postponed until next Monday. There is a good deal to be said on all sides of this matter, but I don't think it is proper to say more tonight one way or the other. I move that this be assigned to next Monday.

Ald. FRESHO—Mr. Chairman, when I am the aggressor I am willing to take as good as I have given. I don't care to wound the feelings of any man, but I think after the displays that have been made here this afternoon I might be fairly excused if I should be a little bitter and and should possibly lose my temper. I hope this matter will be decided here. I don't see why there should be a personal debate. I am always willing if a gentleman wants a personal encounter to let him have it. But I think we had better decide this thing this afternoon. We are all thoroughly familiar with it, and I can hardly see the utility of assigning it. I am sure that I can decide upon it without any feeling. I am sure that when I leave here I will leave, as Ald. Colby does, without a particle of feeling. A man who cannot take as well as he gives has no place on the footstool.

Ald. CODMAN—Mr. Chairman, I am always ready, when I see that anything is not right, to straighten it out—by an apology, if I am at fault. I feel that that is hardly the case here; but if I have said anything which should not have been said,

I am certainly willing to do my part to set it right and to adjust matters. What I said was simply calling attention to what seemed to have occurred. The explanations from the alderman on the other side have, of course, satisfied me fully. It was only the statement he made at the close of his remarks—which he has made not once or twice only, but several times since I have been in the Board—that caused me to make the remark I did make. I trust that the alderman will have no feeling in the matter—certainly no feeling that I attacked him personally. I have a great deal of respect for him as I have known him in the past and as a member of this board.

But I realize that this matter is one that I would like to see fully and properly investigated and my remarks were not against the aldermen but simply with that end in view. I trust that there will be no feeling, as far as any remarks I have made are concerned.

Ald. BERWIN—Mr. Chairman, I desire to move, so that I may be consistent in my position, that consideration of the matter be indefinitely postponed.

Ald. COLBY—Doesn't a motion to assign consideration to a definite time take precedence?

The CHAIRMAN—The motion is not in order, because the Chair is solving a doubt. The yeas and nays have been called for by Ald. Day.

Ald. DIXON—Isn't a motion to adjourn now in order?

The CHAIRMAN—The chair is solving a doubt. The question is on reference to the Committee on Lamps to investigate the subject.

Ald. COLBY—Mr. Chairman, I don't want to be captious about this matter, but I don't think the question now comes on solving a doubt.

The CHAIRMAN—The Chair is in error. The Chair was informed that Ald. Day called for the yeas and nays on reference to the committee on Lamps. The question now comes on Ald. Berwin's motion, that the whole matter be indefinitely postponed.

Ald. FRESHO—Mr. Chairman, I rise to a point of order. Ald. Colby moved to assign to the next meeting, which takes precedence of the motion to indefinitely postpone.

The CHAIRMAN—The Chair will ask the alderman if he made that motion.

Ald. COLBY—Mr. Chairman, I made the motion that further consideration of this whole matter be assigned to the meeting of the Board on next Monday.

The CHAIRMAN—Don't you mean the next meeting of the Board?

Ald. COLBY—Very well—let it go that way.

The matter was assigned to the next meeting of the Board.

Ald. O'TOOLE—Mr. Chairman, the Committee on Institutions meet Thursday at 9 o'clock to visit the different institutions down the Harbor. For that reason, I would like to ask for a reconsideration of the vote whereby we decided to meet on Thursday next at 12 o'clock, making it 5 o'clock Thursday, instead.

Ald. CODMAN—Mr. Chairman, I am only one member of the Board, but I shall not be here at five o'clock on Thursday. I can be here earlier in the day.

Ald. BERWIN—Mr. Chairman, I rise to a point of order. It occurs to me that we have reconsidered all business transacted this afternoon, and I don't see how a motion of that character can prevail.

Ald. O'TOOLE withdrew his motion.

The Board adjourned at 7:20 P.M., on motion of Ald. Adams, to meet on Thursday, June 29, at 12 noon.

CITY OF BOSTON.

Proceedings of the Board of Aldermen and Common Council.

Thursday, June 29, 1899.

Adjourned meeting of the Board of Aldermen, held in the Aldermanic Chamber, City Hall, at 12 o'clock, M., Chairman Barry presiding, and all the members present.

The Board voted on motion of Ald. Day, to dispense with the reading of the records of the last meeting.

LOAN FOR VARIOUS MUNICIPAL PURPOSES.

The following was received:
Mayor's Office, City Hall, Boston,
June 29, 1899.

To the City Council:—

I transmit herewith an order passed by the Board of Estimate and Apportionment on June 27th, 1899, appropriating \$100,000 for various municipal purposes.

Yours respectfully,
Josiah Quincy,
Mayor.

City of Boston,
In Board of Estimate and Apportionment,
June 27, 1899.

Ordered, That this Board having received a communication from the Mayor requesting the making of loan appropriations for the following purposes, and having prepared the following loan appropriation order, making such appropriations to be met by loan, and for such purposes as this Board deem the public necessity or convenience require, do hereby pass the same, and that to meet said appropriations the City Treasurer be authorized to issue, from time to time, on the request of the Mayor, bonds of the city of Boston, to the total amount of such appropriations, viz.:

| | |
|---|-----------|
| Building Department. | |
| Filing cases and alterations in connection with same..... | \$3,500 |
| Engineering Department. | |
| Faneull Hall Building, reconstruction, additional | 8,000 |
| Street Department. | |
| Congress street bridge, reconstruction.... | 10,000 |
| Street Improvements, general..... | 75,000 |
| Wire Department. | |
| For carrying out the provisions of Chapter 454 of the Acts of 1894, and acts in amendment or addition thereto, additional | 3,500 |
| | \$100,000 |

Passed, and we certify that none of the said appropriations are to meet a current expense.

Josiah Quincy,
David F. Barry,
John P. Dore,
Daniel J. Kiley,
Laurence Minot,

Members of the Board of Estimate and Apportionment.

Referred to the Committee on Public Improvements on motion of Ald. Dixon.

APPOINTMENT BY THE MAYOR.

The following was received:—
Mayor's Office, City Hall,
Boston, June 29, 1899.

To the Board of Aldermen:—

Subject to your approval and confirmation, I hereby appoint Charles E. Spaulding a Weigher of Coal for the term ending April 30th, 1900.

Josiah Quincy, Mayor.

Laid over under the law.

LAND FOR WAR DEPARTMENT.

The following was received:—
Mayor's Office, City Hall,
Boston, June 29, 1899.

To the City Council:—

The United States government, through the War Department, desires to purchase additional land on Long Island for the enlargement of the area already under its ownership, and the Trustees for Paupers have assented to this proposed transfer of land. The price has been agreed to at \$1200 an acre, which, it seems to me, is a fair compensation for the city to receive from the government, and I desire to ask for the speedy passage of the accompanying order, as the War Department desires to take possession of the additional land at once.

Respectfully submitted,
Josiah Quincy, Mayor.

City of Boston,
In Board of Aldermen,

June 29, 1899.

Ordered: That His Honor the Mayor be authorized to convey to the United States government the land on Long Island required by the War Department for an enlargement of the parcel of land on said island already owned by the United States government and used for military purposes, at a price of \$1200 per acre.

Transmitted to the Common Council without alteration.

PETITIONS REFERRED.

The following petitions were received and were referred to the following committees:
Building Dept. (Ald.).

J. Morris Meredith et al., trustees, for leave to construct cellar bottom of building on Lincoln, Beach, Albany and Kneeclands streets, at grade 8.

Petitions for leave to project signs, etc., viz.:

Alex Cava, a sign, at 24 Tremont row, Wd. 6.

Alex Cava, a lamp, at 24 Tremont row, Wd. 6.

Alland Bros., an illuminated sign, at 19 Tremont row, Wd. 6.

Lewis Zona, a sign, at 152½ Castle st., Wd. 9.

Wm. L. Rugg, a sign, at 326 Washington st., Wd. 25.

Claims.

Annie Magulre, for payment to John B. Dore of balance remaining from tax sale of estate on East Fourth st.

John Wolf, Jr., & Co., to be paid for damage to team while driving on Endicott st.

Mary Malcy, for compensation for personal injuries caused by a fall in front of 26 High st., Charlestown.

Police (Ald.).

George F. Burckhart, to be paid for loss of fowls killed by dogs.

Railroads.

West End Street Railway company for a location for a curve track at the junction of Lexington and Shelby sts., E. B.

Memorial Day.

Reports of Memorial Day expenses, viz.:

Benj. Stone, Jr., post 68, G. A. R.

Francis Washburn post 92, G. A. R.

Robert G. Shaw Veteran association.

Thomas F. Meagher command No. 3, U. V. U.

Gen. Joseph Hooker command No. 9, U. V. U.

Trimountain Garrison No. 98, R. A. and N. U.

C. R. Lowell post 7, G. A. R. x

Public Improvements.

S. B. Hall, for leave to construct two

areas in sidewalk at 3-5-7 Mindoro st., Wd. 19.

G. W. Harvey, for leave to erect guy posts on Medford st., Wd. 8.

J. Morris Meredith et al., trustees, for leave to use space under sidewalk of building on Lincoln, Beach, Albany and Kneeland sts. for storage of coal.

Robert Farquhar, for leave to attach a rail and sign to cellar opening at 8 So. Market st.

West End Street Railway company, for readjustment of the lines of the sidewalks at the junction of Harrison av. and Northampton st., at the junction of Beach and South sts.

ELECTRIC WIRES, ORDER OF NOTICE

Ald. DOYLE, for the Committee on Electric Wires, submitted a report on the petition of the Charlestown Gas & Electric Co. (referred June 26), for leave to erect poles on Joiner St., Wd. 5—Recommending the passage of an order of notice for a hearing thereon on Monday, July 10th, at 3 o'clock P.M., when any parties objecting thereto may appear and be heard.

The order was read a second time, and the question came on its passage.

Ald. PRESHO—Mr. Chairman, I respectfully ask—as that is a residential street, with small houses, where almost every man owns his own house, and as there will probably be opposition to it—that the order be laid over, to ascertain the feeling of the people in regard to it. I move its assignment to the next meeting.

Ald. DOYLE—Mr. Chairman, it is only an order of notice, and of course there will be a hearing on the matter.

Ald. PRESHO—Mr. Chairman, I am satisfied. I will withdraw my motion.

The order of notice was passed.

USE OF STREET VEHICLES.

Ad. ADAMS called up No. 1, unfinished business, viz:—

1. A Regulation to amend chapter 6 of the Revised Regulations of 1898.

Section 1. Chapter 6 of the Revised Regulations of 1898 is hereby amended in section 13 by striking out said section and inserting in place thereof the following:—

Sec. 13. No person shall in any street use any vehicle, other than a railroad or railway vehicle, or a vehicle of the fire department, or a vehicle drawn or pushed by an animal, or a vehicle of a construction approved by the Board of Aldermen as not endangering the life or property of others.

Referred to the Committee on Public Improvements, on motion of Ald. Adams.

BAY WINDOWS—ORDER OF NOTICE.

On the petition of T. H. Connolly for leave to project two bay windows from building 2976-8 Washington St., Wd. 22—an order of notice was passed for a hearing thereon on Monday, July 17th, at 3 o'clock P.M., when any parties objecting thereto may appear and be heard.

TRANSFER OF AUSTIN SCHOOLHOUSE.

The following was received:—
City of Boston.
In School Committee,

June 27, 1899.

Ordered, That the City Council be requested to transfer to the School Committee the Austin Schoolhouse, on Paris St., East Boston, surrendered by the School Committee, Feb. 12, 1895, the use of said building for school purposes again being required.

Passed.

A true copy.

Attest: Thornton D. Apollonio,
Secretary.

Referred to the Committee on Public Improvements.

Ald. DAY offered an order—That the Austin Schoolhouse on Paris St., East Boston,

which was surrendered by the School Committee February 12th, 1895, be transferred from the custody of the Street Commissioners to the custody of the School Committee, the use of said building for school purposes being again required.

Referred to the Committee on Public Improvements, on motion of Ald. Day.

LICENSES.

Ald. PRESHO, for Ald. Colby for the Committee on Licenses, submitted reports recommending that minors licenses be granted to 23 newsboys and 9 bootblacks.

Reports severally accepted; licenses granted on the usual conditions.

PLANK WALK, MOORE ST.

Ald. DAY offered an order—That the Superintendent of Streets be requested to place a plank walk on the southerly side of Moore St., from Horace St. to Cowper St.

Passed.

RESCISSION OF BICYCLE LANTERN ORDER.

Ald. PRESHO offered an order—That the Board of Park Commissioners, through His Honor the Mayor, be requested to rescind the order passed by it requiring the use of lanterns on bicycles entering the park system of Boston.

Ald. PRESHO—Mr. Chairman, I desire to state that I have been requested to do this on behalf of bicycle riders in the city of Boston, for the reason that this action was taken after what they consider a very insufficient hearing held upon this subject at Pine Bank, entirely outside the heart of the city, very few people knowing about it and very few going there. This question was before the Legislature for two years, and has been brought up at the instance of lamp manufacturers, who want to have this legislation put through, and has been defeated in the Legislature by a large majority. This is the only place in the whole State of Massachusetts where there is any regulation of the kind. Bicycle riders think it is a great hardship. The city of Boston has spent a great deal of money to have the parks perfectly lighted, and there seems to be no particular reason why this regulation should be required. Carriages are not required to carry lamps when they go through the parks, and there seems to be no particular reason why this should be applied to the bicycle—especially simply in the Boston parks.

The order was passed. Sent down.

HOLIDAY ON JULY THIRD.

Ald. DOYLE offered an order—That His Honor the Mayor be requested to instruct the heads of departments to allow employees whose services can be dispensed with, a holiday without loss of pay, on Monday, July 3, in part compensation for their services.

Passed. Sent down.

CONSTRUCTION OF CELLAR BOTTOM.

Ald. DAY, for the Committee on Building Dept. (Ald.), submitted a report on the petition of J. Morris Meredith et al., trustees, (referred today) for leave to construct cellar bottom of building on Lincoln, Beach, Albany and Kneeland Sts. at grade 8—That leave be granted.

Report accepted; leave granted on the usual conditions.

RECESS TAKEN.

The Board voted, at 12:26 P.M., on motion of Ald. McDonald, to take a recess, subject to the call of the Chair.

The Board reassembled at 1:40 P.M.

PUBLIC IMPROVEMENTS.

Ald. O'TOOLE, for the Committee on Public Improvements, submitted the following:—

(1) Reports on petitions (severally referred June 26), for sidewalks recommending the passage of orders directing the Superintendent of Streets to make sidewalks along the following named streets in front of the following named estates; said sidewalks to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone with edgestone, the owners to furnish the material, viz:—

- J. A. Silver, Standish St., Wd. 20.
- Frank T. Horgan, 255-63 E. Ninth St., Wd. 15.
- French, Cole & Co., 79 Waumbeck St., Wd. 21.
- Dudley C. Thornton, 32 McLellan St., Wd. 20.
- Joseph Engel, Washington and Erie Sts., Wd. 20.
- Brighton Five Cents Savings Bank, 326 Washington St., Wd. 25.
- C. W. and F. A. Davis, 323 Washington St., Wd. 25.
- Leonard Ware, 16-8 Kneeland St., Wd. 7.
- Vose & Sons Piano Co., 160 Boylston St., Wd. 7.
- Robert M. Cushing, et al., 85 Water St., Wd. 6.
- Marshall Wentworth, 915-23 Beacon St., Wd. 11.
- Aibert L. Forbush, 151-3 Stanwood St., Wd. 20.
- Frederick Ayer, 2450-86 Washington St., Wd. 21.
- Joseph Feldman, 252-4 Huntington Ave., Wd. 10.
- A. G. and F. W. Morse, 120 Washington St., Wd. 20.
- Mary E. Pettee, 373 Adams St., Wd. 24.
- R. Goodwin, 12-4-6 Shelby St., Wd. 1 (brick).
- Henry F. Allen, Park and Centre Sts., Wd. 23 (brick).

Reports severally accepted; orders severally passed.

(2) Reports on petitions (severally referred June 26), for sidewalks—that no action is necessary, viz:—

- D. W. Thomas, Vancouver St., Wd. 19.
- Mrs. E. K. Hanscom, 14 Waterlow St., Wd. 20.
- Martha E. Stockwell, 21 Orkney road, Wd. 25.
- M. Adelaide Fisher, 19 Orkney road, Wd. 25.
- C. A. Lambham, 15 Orkney road, Wd. 25.
- Mary L. Mullen, 11 Orkney road, Wd. 25.
- Mary Murphy, 23 Orkney road, Wd. 25.
- Charles Clements, corner Orkney and Strathmore roads, Wd. 25.

(3) Report on the petition of J. G. Walker & Son (referred June 26), for leave to erect in front of 36 North St., Wd. 6—that leave be granted.

Report accepted; leave granted on the usual conditions.

(4) Report on the report of the Committee on Public Grounds Dept. (referred June 12), giving Howard Payson Arnold leave to withdraw on a petition to erect a canopied structure in the Public Garden—that the same be accepted in concurrence.

Report accepted in concurrence.

(5) Report on the remonstrance of Puritan Trust Co. (referred May 8), against allowing boothlack stands on Franklin Ave., adjoining its building—that the same be placed on file.

Accepted.

(6) Report on the petition of John Cavanagh & Son B. M. Co. (referred June 26), for leave to move a wooden building—recommending the passage of the following:

Ordered, That the Superintendent of Streets be authorized to issue a permit to John Cavanagh & Son Building Moving Co. to move a wooden building, mansard roof, 35 feet in length, by 25 feet in width, by 22 feet in height, from the rear of a

lot on Ceylon St., across Columbia Road to lot on rear of said road, near Wales Pl., Wd. 20, on the terms and conditions expressed in the ordinance of the City relating thereto.

Report accepted; order passed.
(7) Reports recommending the passage of orders that the Superintendent of Streets be authorized to issue permits for work as follows:

Thomas F. Dockray (referred June 26), to erect, maintain, and use a wooden pole in the sidewalk in front of estate 1133 Columbus Ave., Wd. 19; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

S. B. Hall (referred today), to construct, maintain, and use two areas with curves of iron grating under and in the sidewalk in front of estate Nos. 3-5-7 Mindoro St., Wd. 19; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

G. W. Harvey (referred today), to erect, maintain, and use two guy posts with the necessary ropes attached thereto in and over Medford St., opposite Nos. 29 and 33, Wd. 8; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

George W. Harvey (referred June 26), to erect, maintain, and use a guy post with the necessary ropes attached, in and over Charlestown St., opposite No. 145, Wd. 6; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Norcross Bros. (referred June 26), to erect, maintain, and use two guy posts with the necessary ropes attached in and over Beacon St., at or near No. 420 and at or near the corner of Hereford St.; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Norcross Bros. (referred June 26), to erect, maintain and use three guy posts with the necessary ropes attached thereto, in and over St. Stephen St., for use in constructing the new Music Hall Building; the work to be completed on or before Dec. 31, 1899, according to the terms and conditions expressed in the ordinances of the city relating thereto.

Reports severally accepted; orders severally passed.

(8) Report on the regulation, (referred today), to amend Chap. 6 of Rev. Regulations of 1895—that the same ought to pass.

The report was accepted, the regulation was read a second time, and the question came on its passage.

Ald. COLBY—Mr. Chairman, I would like to offer an amendment to that, and I will then ask that the whole matter be referred to the Committee on Ordinances.

Ald. COLBY offered the following amendment:—

Amend the proposed new Section 13 by adding thereto the following:—

“Provided, however, that nothing in this section shall be so construed as to authorize the Board of Aldermen to grant a permit for the use of vehicles propelled by one system of motive power, to the exclusion of other systems of motive power.”

The question came on the adoption of the amendment.

Ald. ADAMS—Mr. Chairman, I hope the amendment will not be adopted here today or referred to any committee. This regulation has been before the Board for several months. We have had it in public improvements on two different occasions. The alderman who has now offered the amendment had ample opportunity to bring it to our attention before this. This regulation in its present draft has been drawn up by the Corporation Counsel, and I believe that it is in good form. I sincerely hope that the amendment as offered by

the alderman from Wd. 12, (Ald. Colby), will be rejected.

Ald. COLBY—Mr. Chairman, I see no reason why that amendment should not be considered. The matter, it is perfectly true, has been before the Committee on Public Improvements for many months. I never, however, heard any active discussion of the matter that I am aware of until the last meeting, and the report was made up at that time and brought in here. I then asked that the matter might be referred to the Committee on Ordinances, because I thought there were certain things in the draft that ought to be modified. I still think so. I do not now ask that the amendment be accepted. I simply ask that the matter be referred to the Committee on Ordinances on the part of the Board so that they may consider it. I am not prepared to say that it is not in substance a perfectly proper regulation for the Board of Aldermen to pass; but I do say it is worthy of more consideration than it has had up to the present time. If it is necessary for me to state exactly why I introduce that amendment I will do so, but I do not care to otherwise—simply letting the whole matter go before the Committee to be talked over. If I am wrong in the view I take, I am perfectly willing, if that fact is shown to me, to acquiesce. I simply say that this subject up to the present time has not had the consideration it ought to have, and I ask that it may be referred to that committee.

Ald. BRICK—Mr. Chairman, I intend to vote for this regulation today, and I do not intend to be deterred from it by any threat or any insinuation. There has been too much of that sort of thing. If the Alderman has anything to say he had better say it just now. There is nothing that can deter me or that will stand in my way or the way of other members of the Board of Aldermen who are in favor of this regulation.

I consider it my duty to vote for it, and I will not be bulldozed or bullied by any man who merely insinuates. This matter has been before the Board for four or five months, has been under consideration by the members of the Board. In the meeting of the Committee on Public Improvements Ald Adams asked Mr. Colby if there was any reason why the matter should not be presented. If he had any, that was the time to state it—not taking advantage of us here by playing a sharp trick. If there is anything in this, I don't know about it, and if there are any reasons why the regulation should not be adopted it is best to state them not merely making insinuations.

Ald. ADAMS—Mr. Chairman, I heartily concur in what the alderman from Wd. 8 (Ald. Brick) has just stated. This is not the first time that the alderman from Wd. 12 (Ald. Colby) has thrown out insinuations—not only in the open Board, but privately to the reporters. If he has anything to say in regard to this automobile ordinance or any other matter coming up here, I will be glad to hear him say it. Now is the time, and I sincerely hope he may be given an opportunity to make any statements he desires to make on the floor in regard to the matter.

Ald. COLBY—Mr. Chairman, I have not stated that I desired any opportunity to make explanations. I simply said that I introduced the amendment for a particular reason, and that I did not care to state it unless I had to. The alderman from the North End is usually inclined to be perfectly fair, but if he undertakes to say exactly what happened in the Committee on Public Improvements—which I am usually a little loath to disclose—he ought to state the facts exactly as they existed. The facts were that when the matter came up I asked to have it lie over, and immediately there was a call for the yeas and nays, and it was voted to put the

thing through, to report it today. After the vote had been passed somebody asked me what my objection was to it, but not until after the Board had decided that it would not allow the matter to lie over. So much for that. Now, I have no insinuations to make. I have heard certain insinuations made, and I have simply offered this amendment with a view to clearing them up—simply that and nothing more; and if the alderman from Dorchester thinks I have time or the inclination to go around and talk with reporters about what I think or do not think about matters before the Board, he is absolutely mistaken. If there is any reporter who will vouch for the truth of the alderman's statement I will try to see what the trouble was. I certainly must have been suffering from mental aberration at the time, because I remember nothing of the sort. The alderman from the North End (Ald. Brick) says this is a sharp trick. He gives me more credit than I am entitled to. There is nothing sharp about it at all. This is simply a business proposition. A careful reading of my amendment shows the only purpose for which it could be offered. It speaks for itself. Now, if on investigation, after examination, they are satisfied—

Ald. O'TOOLE—Have it read.

Ald. COLBY—It has been read. As I say, I fail to see where there is anything improper in what I suggest. The alderman says he has heard insinuations. So have I, and I don't know anything more about them than he does—perhaps not as much. I think the tendency of my amendment, when considered by the Committee on Ordinances, will be to clear this matter up. Therefore I insist on its going to the committee.

Ald. CODMAN—Mr. Chairman, Ald. Colby says there is no reason why his amendment should not be accepted. I want to preface my remarks by saying that I was not present when the vote was taken in the Committee on Public Improvements, so that whatever I may say now will probably show, for the first time, the way I intend to vote. I intend to vote for the ordinance. I think it is a proper one, something that has been apparently sought by a majority of the members of the Board, as has been stated, for some three or four months; and, as far as I am concerned, I see every reason why, in my opinion, this amendment should not be accepted. In my judgment the pith of this whole ordinance or regulation, as it is properly called, is that we may select the proper system of automobiles from the various ones that are offered. My experience with naphtha, gasoline, compressed air and electricity, has been very limited. But I know one thing, that there are some means of propulsion that are coming prominently before the world at this time in connection with automobiles which are noisy, some which are, I believe, more dangerous than others, and in voting for a regulation of this sort I want to vote for one which gives a choice of methods for propelling automobile vehicles. For that reason it will be necessary not to have such an amendment as is proposed in the regulation. If there is a certain automobile vehicle which makes a disagreeable puffing noise, I don't believe we want it on the streets; if there is another one propelled by steam, which has steam escaping from it, I don't believe we want that on the streets.

I believe there is apt to be a necessity for choice in the vehicles that are exhibited. I believe if you adopt this amendment, it will prevent discrimination between different companies that are manufacturing these automobile vehicles. I think the fact that we have all had a chance to consider the matter, if we were so inclined, and the fact that I have tried to consider it during the time it has been under discussion by

the Board, is sufficient reason for not sending it to the Committee on Ordinances, because we all know how easy it is for matters to slumber there from time to time. The Board of Aldermen has had plenty of time to consider this matter. I hope it will not be sidetracked for the simple reason that the alderman desires to put in an amendment which will wholly do away with the object of the order. I hope the regulation as reported will be passed today and sent on its way.

Ald. COLBY—Mr. Chairman, now the alderman has given another reason why he wants my motion defeated. He says the amendment will defeat the whole purpose of the order which has been introduced. Can he mean that? I don't want to misquote him.

(The stenographer read the last two sentences of Ald. Codman's remarks.)

Ald. CODMAN—That does not seem to be exactly as I remember stating it. The stenographer didn't read the words to the effect that I thought that was so, which I think I used; and, as there is some question about the matter, I think it would be well to have the amendment itself read.

The Clerk read the amendment.

Ald. COLBY—Now, Mr. Chairman, the whole burden of the alderman's remarks were that the effect of that amendment would be to defeat the purpose of the order or regulation. He used an expression once during his remarks to the effect that he believed one should be accepted. My whole purpose in this matter, is to relieve the Board from any suspicion, to prevent its ever being said that there is anything underneath this ordinance or regulation which would be the means of giving an exclusive right to anyone. All that ~~my~~ amendment asked for was that the regulation should not be construed as granting an exclusive privilege. That would free us from all criticism, and I can see no objection to it. I did not ask for the adoption of the amendment, as I don't know that that would be the right thing.

I don't know that we should do it. I don't know but what the order as drawn originally is sufficiently broad so that there can be no objection to it. But, with the talk there has been in relation to this, it seems to me an amendment of this sort, which says that everybody shall come forward and stand on an equal footing, that no system shall be given an exclusive right, is perfectly right and fair. I don't see how any seven gentlemen can afford to stand up here and vote against such a reasonable request—simply that this may go to the Committee on Ordinances on the part of the Board.

Ald. O'TOOLE—Mr. Chairman, I simply wish to state my position in regard to this matter. I am in the dark. I asked the alderman from Wd. 12 (Ald. Colby) what his amendment meant. I am sure I don't know myself. Although I am a layman, I suppose I may be credited with having a little common sense. Perhaps I may not be as sharp as a lawyer, but I am perfectly willing at all times to pick up men around this Board who make statements about men who are acting honestly. I do not like to see men acting simply from a lawyer's standpoint, who will cross-question and refer to fellowmembers in a manner that is perfectly outrageous. I was one of the first men who stood on the floor of this Board of Aldermen at the time when the Board of Estimate and Apportionment and its powers were a subject of discussion here. I trust that I may be excused from referring to this, because it is one of my pet hobbies. One of the arguments I used at the time was that I did not see why the Board of Aldermen and the Common Council should not have the powers they had had in the past. I believe in the Board of Aldermen retaining its powers, and that is why I will vote for this ordinance today. But I am willing to give the gentleman an opportunity to furnish us with a little information, if he can give us any today

or between now and next Monday. I am perfectly willing to have the whole matter put over to Monday.

Ald. CODMAN—Mr. Chairman, in order not to let the matter rest with the quotation that the alderman made from my remarks, I certainly must deny any knowledge of having said that any one automobile was of a better model than another. I said, I think, that I had very little knowledge about the subject, but that I was very much interested in it and desired to look into the matter further than I have done. If I said "one" I did not mean one, I meant that the ones which were a nuisance should be eliminated, not that we should pick out one as the proper one. I certainly did not intend to put myself in that position, and I think the alderman misunderstood what I said. I put it the other way. As far as I am personally concerned, I don't know that I would object to this amendment, but I think it entirely unnecessary. I think the regulation as framed is sufficient, and rather than delay the matter I prefer to see immediate action taken. I would rather see it go through today.

Ald. McDONALD in the Chair.

Ald. BARRY—Mr. Chairman, early in the session this year we gave a hearing on the question of automobiles. It is true that it was only a short hearing, lasting probably about two hours. We had Mr. Wardwell before the Committee representing one system of automobiles, and a Mr. Hyde representing another system. Both of those gentlemen stated before the committee distinctly that they did not ask for an exclusive franchise from the city of Boston. They simply wanted the right to have their vehicles go through our city, having public carriages for the use of which they might ask a fare or compensation of some kind. Now, those have been the only two companies that have come before the board. It is true that I did suggest that there should be some regulation of this automobile business and that, for the interest of the public, the board should have something to say relating to the granting of franchises to automobiles, run by electricity, steam or gasoline. But, Mr. Chairman, as that ordinance stands today if the board passes it can then come in and grant a franchise to one concern, and one only.

That is clear enough on the face of it. I am willing to vote for an ordinance, and the amendment that has been offered here today is an amendment that covers my ideas—namely, that no one company shall be allowed in here to the exclusion of others. There is nothing wrong in that. We don't want to allow one particular corporation to come in, saying that there shall be no other. If we make a general regulation, the matter is then within the hands of the Board, which can at all times by a majority vote give a franchise to whoever applies properly, for the purpose of running automobiles. There is nothing wrong in the amendment; it seems perfectly clear. I am ready and willing to vote for an ordinance. There certainly should be some ordinance—

Ald. O'TOOLE—Mr. Chairman, I would like to ask the alderman where he gets his interpretation of that ordinance, to the effect that it will allow an exclusive privilege to any particular automobile company? Where does he get that in the original ordinance?

Ald. BARRY—"No person shall in any streets use any vehicle other than."

That means that only one company might be given permission by this Board, as I interpret it. Well, let it be as it may, I will ask any man sitting around this Board if the amendment offered by Ald. Colby is not in the direct line of protecting a petitioner who may come here and ask for the right to run automobiles?

Ald. CODMAN—Mr. Chairman, I would like to ask the gentleman, if the amend-

ment is adopted, how we can prevent a company with an automobile which is run, we will say, by gasoline, one which is liable to explosion at any time, being placed in the streets of Boston? If the amendment is adopted, will not any company, no matter what kind of an automobile it may run, dangerous or otherwise, feel that it has the right to come to the Board of Aldermen and get a franchise?

Ald. BARRY—The Chair will answer that question by saying that it is within the hands of the majority of this board to grant a franchise. It takes a majority vote to pass it. It certainly is within the hands of the Board; but what I want to know is, where is the objection to this amendment? I fail to see it. It affords a fair protection to all parties, says that there shall be no preference, and it shows to the citizens of this city that we have no preference in favor of any company, but are ready to receive and welcome that which is the best. I certainly have no preference.

Ald. ADAMS—Mr. Chairman, this automobile question is a problem which is now upon us. It seems to me that this board is acting wisely in considering some method of regulating the automobiles which will be thrust upon the city of Boston in the near future in large numbers. I fail to see, Mr. Chairman, in the original draft of that regulation, where we say that we will give a franchise to one automobile company and refuse it to another. I fail to see wherein the Chairman of this Board or the gentlemen from Wd. 12 (Ald. Colby) have any right to get up here and say, or assume to say, what this board will do in the way of granting franchises in the future if this regulation prevails; and I fail to see why the alderman from Wd. 12 should say that this ordinance is to be passed by seven votes, eight votes or six votes, here today. How does he know how I am going to vote? How does he know how others who have spoken on the matter are going to vote? I think those matters had better be left out of the debate entirely. I have considered this subject quite fully in my own mind. It was brought up, as the alderman from Wd. 8 (Ald. Erick) has said, by a suggestion of the Chairman of this board at the time of the hearings on automobiles. I think the Board at that time was almost unanimous in its opinion that there should be some regulation of the use of automobiles in the streets of Boston.

I believe the amendment offered by Ald. Colby will do more to retard business than to do justice to the automobile companies, that if adopted it will practically kill the effect of the whole ordinance. We will then have no option but to permit any kind of automobile to be used in our streets, whether it be proper or not. I have seen automobiles that went through the streets with a puffing noise, emitting smoke and steam. Now I, as a member of this board, will never vote to give an automobile of that description the right to pass through our streets. At the same time, I say here and now on this floor that I will not refuse my vote to any automobile which, in my opinion, it is feasible to use upon our streets without danger to the public, to horses and others using the streets. There are several kinds of automobiles. The electric automobile is all right; the gasoline automobiles may be all right; and compressed air automobiles are coming into use. I don't believe any of us who are favoring this regulation here tonight propose to make any exceptions at all in favor of any one company, giving it special rights in the streets of Boston. I sincerely hope that this regulation will pass today. As I have said before, it has been carefully drafted by the Corporation Counsel, has been considered by us at several meetings, and I think

it is all right. I hope it will pass here today, and when the vote is taken I ask that it be taken by yeas and nays.

Ald. DOYLE—Mr. Chairman, I am very glad that the Chairman of the Board of Aldermen sees fit to take advantage of his right to get on the floor and talk on this question of automobiles. It is a question that I know he has been interested in for some time. But I am very sorry that he has talked so much and said so very little that might give us any information on the question of automobiles. I fail to see anything in this ordinance or regulation of the Board which would lead anybody with ordinary intelligence to believe that any one special or particular kind of automobile was being favored, and I don't believe that any member of this board will be insane enough to pledge himself to any one style of automobile. I think the remarks of the gentlemen around the Board who are clamoring that one particular class of automobiles is being favored by this ordinance are mistaken, and that they should read the ordinance before making any such statement.

Ald. FRESHO—Mr. Chairman, it seems to me very singular that there should be so much of a fight on the part of certain gentlemen who were very anxious to get a plan through at the early part of the year when this automobile question was really in its infancy, to give the rights in certain streets to one particular company. In regard to this general regulation, of course all these permits will have to be signed by the Mayor. There is a safeguard. For myself, it looks to me as though this amendment was put in, as has been stated by Ald. Doyle, more to cast suspicion than anything else. I will state frankly that I am not in favor of any one system and will not be. I believe in giving to everybody a chance to live, and I will favor giving to any proper parties a chance to try their automobiles on the streets.

Ald. BARRY—Mr. Chairman, I don't desire to convey the impression that I believe any member of the Board is going to cast a vote which will allow one single corporation to do all the business in the city. I don't believe that. But if there is a fair amendment it is the amendment offered by Mr. Colby, which clearly shows to the public that we do not desire to grant this privilege to any one corporation, that it is left optional with this board to grant the privilege of running any proper system of automobiles in our streets.

Chairman BARRY in the Chair.

Ald. COLBY—Mr. Chairman, what is the use of talking about matters having been before the committee and having been carefully considered, when the alderman from Dorchester gets up and says that there is no possibility of construing the ordinance he has reported as giving in any way an exclusive right? It shows on the face of it that it needs a little more consideration than it has had up to date, because when an ordinance says that no other system shall be used except such as is approved, it certainly means that all we would have to do is to approve system No 1 and stop.

It doesn't require a very extensive education to read the English language when it is as plain as that. Now, I say that that is not what we intend to do. We do not intend to stop at any one system. We intend to say that if any man has a system we will give him a chance, provided he complies with our regulations. As a matter of fact, when the alderman from Dorchester states his position we seem to agree. There does not seem to be any variance. He says he is willing to vote for any system that is right. Of course, no one system can be picked out today as the best system, because there have been millions put into this business, there are numerous systems, each having its good points, and no one system combines them all. The fact is that the whole thing is

in its infancy. There is not a company in existence today that is certain but what something will turn up within a year which will make it throw over its vehicles for something else. I have studied this matter myself sufficiently to examine the patents of different companies, to see what they claim, and I am perfectly confident, with the ingenuity and capital that is being put into the business, that we are simply in the infancy of it. Nobody can say that any one system will be the only system. I say the ordinances we are passing should be broad enough so that they will not be subject to criticism. I say that there are rumors floating around, that you have just as I have heard, that something has been going on. We all have to stand the brunt of those rumors, as individuals—I have to bear my share here the same as the other eleven members; and I have simply offered an amendment which says that we will not give to any one company or person the exclusive right. It does not say that we have got to give to every person that comes in the right to run these vehicles in our streets. It does provide that we shall not give the exclusive right to any one person or set of persons; and if any member of the board gets up and says that that is unfair, I must say that I am surprised. It seems to me a perfectly fair proposition.

As to any talk about interest, I want simply to stake my reputation, professional and otherwise on the fact that I have no interest, absolutely none, in any one scheme or set of schemes in connection with this matter. I simply want to leave it in such a way that hereafter we will not be subjected to misconstruction of our action. So long as it is left in such a way that one system may be accepted, to the exclusion of other systems, we place ourselves in a position that we are apt to regret. All I ask is that when a man comes here and shows that his system is all right, that it is free from dangerous elements, he shall be given a chance. I don't think there is a member of the Board who will maintain that I am not perfectly right about that. Now, if I am right, let us have the courage of our convictions. Let the regulation and the amendment go to the Committee on Ordinances, and let them pass upon it, giving what Alderman Adams says is wanted—a simple, plain, fair, everyday regulation, which will protect citizens and give to everybody a fair show. That is all I am interested in.

Ald. ADAMS—Mr. Chairman, if this amendment offered by Ald. Colby is adopted, it simply stultifies the whole Board. It simply implies that this Board cannot consider questions fairly, that we would be partial to one or another automobile company. Now I ask the alderman why he should not put that amendment on to other regulations? We have a right in this Board to reject any and all applications for telephones, for instance, in the streets of Boston, for street railway locations of different kinds. Now, why should not that amendment be added to other ordinances, which this Board has the privilege of considering? Why should the alderman bring this up at this time and imply indirectly that this Board is striving to frame an ordinance and to be partial in the administration of that ordinance. I fail to see any good ground for his bringing that in today and pushing it as he has, as long as he has. I think the ordinance is all right, and that this Board can be fair and impartial. I think future Boards should not be hampered by any such amendments as are proposed here. Let them use their own judgment, and if it is not demonstrated that this ordinance is fair and impartial, the public, our constituents, to whom we are responsible, will not have to submit to our acts very long.

Ald. COLBY—Mr. Chairman, one more statement and I am done. The alderman says that this amendment will hamper them. If that is so, that is what I want. I don't know what he means, but he says

that nothing should be put into the regulation which would hamper them. I don't want to misquote him, but those are certainly the words he used. We want to put in something here that will be fair and square; and if anything of that sort is considered as a hamper, I give the alderman notice that I will ask for the adoption of such an amendment whenever anything of this kind, in connection with the granting of franchises, comes up.

Ald. McDONALD—Mr. Chairman, I have always been opposed to trusts, because they have injured the business interests of the country. Now, if this amendment offered by the alderman from Dorchester is to give the exclusive right to one company to run automobiles in Boston, I am opposed to it. I shall vote for the amendment offered by the alderman from Wd. 12 (Ald. Colby), for the simple reason that it throws safeguards around these automobiles. Not only that, but if we have the power to regulate the charges for riding automobiles, if that question comes before us, if the business is in the hands of one company the people of Boston will not fare very well, whereas, if we have competition in automobiles in the city the people will be better served. I am sure if this matter was referred to the Committee on Ordinances they would bring before this board a strong ordinance in regard to automobiles. I stated at the last meeting of the Board that I was most decidedly in favor of having some ironclad ordinance brought in here for our vote, and I certainly believe, sir, that this whole matter should be gone over thoroughly, letting everybody who has automobiles and can bring them here to Boston have the benefit of an opportunity to demonstrate what they can do. I say that would be for the benefit of the public, and that we should do it.

Ald. O'TOOLE—Mr. Chairman, just a moment. It seems to me that certain members around this Board, from their talk, are inclined to think that other members favor trusts and believe in certain individuals coming in and getting exclusive franchises for the use of automobiles in the city of Boston, and the members supposed to have those ideas are held up as something terrible, awful. Now, there seems to be a diversity of opinion among the lawyers. Ald. Adams quotes an eminent lawyer, who says this will cover the ground, every exigency that may arise in the automobile question. The alderman from Wd. 12 (Ald. Colby) infers from his interpretation of the law, that it will not cover the ground. Now, we are simply in the dark on this question. It has been before us for three or four months; and some of the gentlemen say that they would like to go further into the details of the question. They are as fully aware as I am that it has been in the Committee on Public Improvements for the last four months, and that if it goes back to the Committee on Ordinances it will probably be buried there for four months more. It seems to me simply a question of trying to shelve this subject, in which we are all interested as members of this Board. I, for one, surely will not vote to grant a franchise to any one company. I think such a statement as that is ridiculous. I think the regulation which has been submitted will cover the situation, and I shall consequently vote for it as originally presented.

Ald. Colby's motion to refer the regulation and his proposed amendment to the Committee on Ordinances (Ald.) was declared carried.

Ald. BRICK doubted the vote. The roll was called, and the motion was lost, yeas 6, nays 6.

Yeas—Ald. Barry, Berwin, Colby, Day McDonald, O'Toole—6.

Nays—Ald. Adams, Brick, Codman, Dixson, Doyle, Fresho—6.

The question came on the adoption of Ald. Colby's amendment, and Ald. Adams called for the yeas and nays.

Ald. BERWIN—Mr. Chairman, the arguments we have had here this afternoon have left the matter somewhat in doubt in my mind. I shall vote against the amendment offered by Ald. Colby and shall at the same time vote against the original proposition. I have also asked for some delay on this question, in order that I might look into it with more attention than I have been able to give to it since it has been presented to the Board. I can see no reason for any great haste in the matter. We are to meet again, I understand, next Monday, and perhaps at that time I may be prepared to vote for the proposition. Whether I do or not, the votes are here and the gentlemen who favor the regulation will suffer nothing by allowing the matter to be delayed. I trust that the whole proposition will be assigned to the next meeting of the Board.

Ald. ADAMS—Mr. Chairman, under ordinary circumstances I would be very glad, very willing to grant the simple request of the alderman from Wd. 6, but, owing to the method in which this debate has been conducted, the way this whole matter has been handled by the alderman from Wd. 12 (Ald. Colby) I am going to insist here today on a vote. I hate to do it, because I would like to grant a favor to the alderman from Wd. 6; but, as I say, I insist on this matter coming to a vote here today.

Ald. COLBY—Mr. Chairman, I was not so foolish, when we really come right down to business, as to expect that my amendment would be adopted or would be referred to the Committee on Ordinances. I did not expect it. I knew I was talking on a forlorn hope. But I did want to give the aldermen in this combination of seven an opportunity to do the square thing. That is all there is to it. I say, after the remarks that have been made here and the remarks that have been made outside—and I don't have to quote them; you know them just as well as I do—it was incumbent upon this Board to put themselves in a position where they should be above criticism. We are not above suspicion—we do not any of us claim that we are; but we could put ourselves above criticism. Even if we do the straight thing right through the year we will be suspected—I will agree to that.

If we were absolutely square and honest in everything, from the first of January to the 31st of December, we would be suspected. I understand that perfectly well. That cannot be helped, cannot be avoided. But we might put ourselves where we could not be criticised. The only possible argument that has been adduced against my suggestion has been advanced by Ald. Adams. He did make one suggestion which all of us who have occasion to argue cases or talk upon any matter, use—that is, that we ought not to allow ourselves to be put in a stultifying position; that we ought to stand up and say to the minority here that we do not propose to pass anything which looks as though anybody could question us, which looks as though we doubted ourselves. That is a good argument, but it does not help matters, because you are in it now, you are already in it, and how are you going to get out of it? I am referring to myself the same as to the others—we are all in it. Everybody is asking what it all means, and is watching. That is perfectly right. They elected us, and it is perfectly right that they should follow our actions and see how matters are going. I say, people having gotten into a position where they are talking about us, that it is perfectly right and proper to consider an amendment that would stop this talk—because it is perfectly well known to a number of people that there are stories floating around that we are trying to do something for the bene-

fit of certain individuals. I say, let us put ourselves in a position where we cannot benefit individuals—make ourselves honest. I don't say now that anybody has a scheme. I don't know of anything of the sort, and don't pretend to say so. I simply say that there is a rumor floating around.

Now, I say, let us kill the rumor, so that nobody can say that any ground for it existed; because if we pass an ordinance which might allow the exclusive right or franchise to any one system we cannot say that the rumor is not true; but if we adopt an amendment which will absolutely prohibit anything of the sort we can say "There is the regulation; you can read it and see that it isn't so." However, if the big seven can afford to go out and take a contrary position before the people of the city, all right. I have offered my suggestion, and people know where I stand. I don't suppose very many people follow it anyway, but there is some talk around and some people are following the situation, and, as I say, I have done my duty. I do not propose to talk against this much more, because it does no good. I have been in a Board where there were five against seven, but the division was on party lines and it was good fun. The five against seven was all right and did not disturb me in the least. But I admit that this kind of five against seven galls me a good deal.

Ald. ADAMS—Mr. Chairman, I rise to a point of order. It seems to me the gentleman is discussing "seven and five" a little too much and that he had better confine his remarks to the question.

Ald. COLBY—Well, I supposed it would run, and I don't suppose it is in order. If not, I will stop. But I have done what I intended to do—placed the matter fairly before the public, so that my position may be understood. If the public, after reading the whole thing, believe that the right thing has been done, I have no objection. We are all friendly, and I know that there will be no personal feeling between us because of this—not the slightest. I believe our personal relations will be as pleasant as ever. But I have given notice that I am not satisfied with the way things are going here, and that is all I expected to do. Frankly, while I shall vote for my amendment today, I am half-hearted about it, because I don't know that the amendment is in the shape that I would want it. It is drawn hastily. I wanted it sent to the Committee on Ordinances, so that it might be considered. That motion having been defeated, I presume I shall vote for my amendment. I want it distinctly understood, as a lawyer, that I do not say my amendment is in proper shape to go through. But I have explained what I have in mind, and I think the idea is all right. I feel that you will grasp the idea, and that is all I wish.

Ald. FRESH—Mr. Chairman, I don't think certain members of the Board should keep throwing suspicion on the others. I am willing to take my stand and vote the alderman down. He says that everybody is following our actions, and I am willing that they should follow them. But I don't think the aldermen should cast suspicion on his fellow members. If there are seven here, there are also five, and the five seem to be as united as the seven. I don't believe in a man constantly rising here and throwing out suspicion, giving the idea that he is the only one who believes in reform, that he is the only one who has the true idea in matters coming before this body. His attitude reminds me of a remark made by Thaddeus Stevens, referred to by Congressman McCall in his book, where Stevens is quoted as saying that there is a certain class of men who go about with an air of superiority, who make reform a trade or profession rather than a principle.

Ald. COLBY—Mr. Chairman, I am getting about sick of this, but I must say a

word or two. That is the roughest attack I have ever had made upon me—I don't know but what I shall resign now. (Laughter.) Posing as a reformer—better than somebody else! That really is laughable. I haven't said anything about reform. I haven't said that the minority of five are better than anybody else, and I don't claim that for a minute. They are made of the same kind of clay as the seven, for all I know, and I certainly claim no superiority at all. But you must remember that we are not in a position to originate very much. We are simply here to take our medicine, and if objecting to the doses that are given to us is evidence of being a reformer, I am a reformer. I am sorry that it belittles me in the eyes—

Ald. CODMAN—Mr. Chairman, I rise to a point of order. None of the gentlemen are talking germane to the question and I object to this discussion going on. The debate should be confined to the question before the house.

The CHAIRMAN—Latitude has been allowed every member, and I am simply extending the same courtesy to Ald. Colby that has been extended to others.

Ald. COLBY—Mr. Chairman, I assume that we are all getting a little away from the main question. But it is just as well to have a good, plain understanding about this thing now as at any other time. So I have departed a little from the strict rules of parliamentary procedure as I am perfectly aware. But the remarks of the alderman from Charlestown were really such that a little latitude in answering them is excusable, because if a gentleman who has had, I think, seven years of experience in deliberative bodies—

Ald. PRESHO—Nine.

Ald. COLBY—That is worse (Laughter)—gets up here and says that people who object to certain action on business principles are reformers and are crying "I am holler than thou!" the members to whom he refers should certainly have the right to say at least a word in reply. I had not heard anything of that kind until the alderman from Charlestown brought it out. If he thinks by doing that to befog the issue—because there is a real issue here—I am satisfied. But I believe there are people who follow the proceedings of this board who will be able to discern the real merits of this question, who will look at it in a proper way, and I am willing to let it go at that.

Ald. Colby's amendment was rejected—yeas 5, nays 7—

Yeas—Ald. Barry, Codman, Colby, Day, McDonald—5.

Nays—Ald. Adams, Berwin, Brick, Dixon, Doyle, O'Toole, Presho—7.

The regulation as reported was adopted, Ald. Adams calling for the yeas and nays—yeas 7, nays 5—

Yeas—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

Nays—Ald. Barry, Berwin, Colby, Day, McDonald—5.

Ald. Adams moved to reconsider, trusting that the same would not prevail. The motion to reconsider was declared carried. Ald. Adams doubted the vote, the roll was called, and reconsideration was lost—yeas 5, nays 7—

Yeas—Ald. Barry, Berwin, Colby, Day, McDonald—5.

Nays—Ald. Adams, Brick, Codman, Dixon, Doyle, O'Toole, Presho—7.

(8) Report on an order (referred today) for a loan of \$100,000 for various municipal purposes—that the same ought to pass.

Report accepted; order transmitted to the Council without alteration.

(9) Ald. McDonald, for the Committee on Fire Dept. (Ald.), submitted a report on the message of the Mayor (referred June 12), relative to site and engine house for Engine Company No. 22—that they have consulted with the Corporation Counsel and find that the selection of a site is for

the City Council to determine, and accordingly recommend reference to the joint committee on Fire Dept.

Report accepted; said reference ordered.

AMENDMENT TO ORDINANCE.

Ald. DAY submitted the following:
City of Boston, in the year 1899.
An Ordinance Relative to the Space Between Buildings.

Be it ordained, etc.:

Section 1.—Section 34 of Chapter 45 of the Revised Ordinances of 1898 is hereby amended by adding thereto the following: "Provided, however, that the alteration of, or erection of an addition to, an existing building shall be allowed at a width as great as the existing building."

Referred to the Committee on Ordinances.

Ald. ADAMS offered an order that when the Board adjourns it be to meet on Monday, July 3, at 3 o'clock p. m., for the purpose of taking action on the petition of the West End Street Railway company for a location for tracks on Talbot avenue.

ADJOURNMENT ORDER.

The order was read a second time, and the question came on its passage.

Ald. CODMAN—Mr. Chairman, does that make it impossible to take up any other business at that time?

The CHAIRMAN—The Board will convene for all business that may come before them on that day.

Ald. BRICK—Then, Mr. Chairman, I would like to ask the gentleman who offered the order what its purpose is?

The CHAIRMAN—If the gentleman will bear with the Chair a moment, he will have it read. The Chair will say at this time that if the meeting of the Board of Aldermen was called for any other time than the third day of July, we could vote to consider one subject, but as the rules provide that all meetings shall be on Monday, it is then within the province of the Board to take up any other business that may come before it. The question is on the passage of the order. The hearing referred to will be in regard to Talbot Ave.

The order was declared passed. Ald. Brick doubted the vote, the roll was called, and the order was rejected, yeas 5, nays 5.

Yeas—Ald. Adams, Berwin, Dixon, Doyle, McDonald—5.

Nays—Ald. Barry, Brick, Colby, Day, Presho—5.

Before the roll was completed, Ald. Codman asked for information about the order.

The CHAIRMAN—The Board is now solving a doubt, and that is not in order.

Ald. PRESHO—Mr. Chairman, I rise to a point of order, that a member of this Board can obtain information at any time.

The CHAIRMAN—Not while the roll is being called. The clerk had proceeded to call the roll. The order has been read distinctly, at least twice, so that every member of the Board should know what it is, and when a doubt is being solved nothing else is in order. It is within the province of the gentleman to move a reconsideration.

Ald. CODMAN—Mr. Chairman, do I understand the Chair to say that he will entertain a motion to reconsider during the solving of a doubt?

The CHAIRMAN—After the doubt is solved and a motion is declared carried or defeated, it is then within the province of the gentleman to move a reconsideration.

Ald. CODMAN—Mr. Chairman, I rose for information. I could not vote intelligently unless I got the information. Do I understand the Chair to rule, under such circumstances, that I cannot have the information?

The CHAIRMAN—The Chair would say that the presiding officer is only one and that it is within the power of every mem-

ber to provide himself with that information. But the rule is that while the roll is being called the gentleman must find some other way of ascertaining what he wants to know.

Ald. CODMAN—Mr. Chairman, do you rule that way?

The CHAIRMAN—The Chair so rules. The vote stood 5 to 5, and it is not a vote.

REMOVAL OF POLE.

Ald. O'TOOLE presented the petition of E. F. Loomis, et als, for the removal of unused pole of the New England Tel. & Tel. Co. of Mass. on Ruggles St.

In connection with the above Ald. O'Toote offered an order—That the New England Tel. & Tel. Co. of Mass. be directed to remove its unused pole located on Ruggles St. on the easterly side of and near the railroad bridge crossing said street.

Passed.

RESOLUTION ENDORSING CORPORATION COUNSEL.

Ald. BERWIN offered the following:—
June 29, 1899.

Resolved, That the Board of Aldermen regret exceedingly the resignation of the Hon. Andrew J. Bailey from the position of Corporation Counsel.

The Board of Aldermen has the greatest confidence in his ability as a lawyer, and while we may differ from him at times, we nevertheless respect his opinions, and we earnestly request that he withdraw his resignation.

The resolution was read a second time and the question came on its passage?

Ald. PRESHO—Mr. Chairman, I shall vote for this resolution. What I said at the last meeting of the Board I said in an impersonal manner. I believe that the Corporation Counsel, under the existing situation of affairs, is too near the Mayor. That will apply to his predecessors as well as to Mr. Bailey. I think something should be done by the Legislature to remedy that, and it was on that basis that I made my remarks.

Ald. McDONALD—Mr. Chairman, I regret exceedingly the resignation of the Hon. Andrew J. Bailey from the very important position that he has occupied for so many years—and with all the criticisms that have been passed from time to time in regard to his ability—all must acknowledge that he has been the most successful lawyer that the city has ever had to represent them before the Committees of the great and general Court. He is a whole-souled man—ever of a genial and happy frame of mind—his honest countenance, his firmness have won for him a host of friends in the community where he has always lived. Now if we had a Philadelphia lawyer in the place, he might puzzle us, but Mr. Bailey has never tried to do that; he answers all communications from this Board with becoming dignity, and while we may not agree with him on all matters because they do not coincide with our views, perhaps, I always recognize that he sends us what is his honest opinion of the law—and I respect them. The city must acknowledge that he has been a faithful public servant, and I trust he will remain for many years in the service of the city.

The resolution was adopted; yeas, 12; nays, 0.

INVESTIGATION OF POLICE DEPT.

Ald. BRICK called up No. 2, special assignment, viz:—

2. Ordered, That the Aldermanic Committee on Police be instructed to investigate and report what changes are necessary, in its opinion, to improve the administration of the Police Department of the city, and what amendments, if any, should be made to such laws as come

within the special cognizance of the Board of Police; and that said committee be authorized to give public hearings, if necessary, the expense of the same to be charged to the Contingent Fund, Board of Aldermen.

Ald. ADAMS—Mr. Chairman, unless the alderman who introduced the order can give some reasons to this board why it should pass, I would move its indefinite postponement.

Ald. BRICK—Mr. Chairman, after the statement of the gentleman who offered this that "there was going to be a hot time in the old town," it strikes me that he should either give some reasons for proceeding under the order or some reason why he wishes now to back down. It is evident that he does not desire to go ahead and if there were any good reasons which prompted him to start an investigation he owes it to the Board—so that it may appear that he was not using the Board to advertise himself or to get even with anybody—to explain his attitude and to remove the imputations upon the Board of Police, if there are no grounds for them, or, if there are, to tell us what they are and let us go ahead and see if we cannot investigate.

Ald. BERWIN—Mr. Chairman, the alderman from the same section of the city which I have the honor in part to represent, previous to coming into this board knew what my feelings were in regard to that particular number on the calendar now under consideration. I am not here prepared today to present to this board my reasons for the passage of the order. The evidence which I have been accumulating and which I have under consideration I shall offer to the board at the proper time. I have no favors to ask of any members of the board—particularly of that combination which has been referred to in the newspapers—as regards any delay in my action upon this matter. I have certain rights as a member of this board. If the board sees fit to assign the matter until I wish to take it up, very well; if the board sees fit to defeat the order, I shall introduce it again at the proper time and give reasons why it should pass.

I am asking no favors; I am not seeking newspaper notoriety. I am not in any way responsible for the statements that have got into the newspapers other than those I have publicly made in this Board. As I have said before, I am not yet ready to offer the testimony I am accumulating to the Board; and if the Board is unwilling to allow the matter to be longer delayed it can take such action as it sees fit. I want the members of the Board to understand that I am asking no courtesies at their hands. This is a simple proposition, and I am not seeking any capital in connection with it. The Board can do as it pleases in the matter. Whatever it does will be no accommodation or favor to me. If the order is voted down, I will introduce it again when I get ready.

Ald. ADAMS—Mr. Chairman, I infer from the remarks of the gentleman who introduced the order that he is honest in his purpose, and intends in the future to introduce some evidence. I have no desire to cut him off, and I will withdraw my motion to indefinitely postpone.

Ald. McDONALD—Mr. Chairman, I move that it be assigned to two weeks from next Monday.

Ald. O'TOOLE—Mr. Chairman, I trust that this will not go over for two weeks. I, as well as the alderman from Wd. 6, (Ald. Berwin), desire a little light on this subject. The gentleman from Wd. 6 no doubt introduced the order into the Board in good faith. No doubt, he is investigating the matter. But it has been on the calendar for four or five weeks, and I think it is time that something was done with it. I don't know anything to the detriment of the Police Department of Boston. Certain newspapers, however, have seen fit to publish certain interviews with certain aldermen in regard to the Police Depart-

ment, and I think the proper thing to do is to have this assigned to next Monday, instead of two weeks from then. I think that would be a step in the right direction. I trust that it will not go over for two weeks.

Ald. McDONALD—Mr. Chairman, I merely make that motion as a matter of courtesy to the alderman from Wd. 6, who has the matter in charge. It is no doubt a comprehensive question and he is looking into it carefully, but is not ready to report to the board. By assigning it to two weeks from next Monday we will certainly give him ample time, and when that time arrives I am sure the alderman from Wd. 6 will be ready to state his reasons to the Board why the order should be passed. If not, he can withdraw the order. At all events, as the matter is entirely in his hands, he having introduced the resolution, we ought in courtesy to allow him sufficient time to look into the matter.

Ald. BRICK—Of course, whether the Board of Police is a state department or not, is sometimes a question, by reason of the department being under state control; but certainly the three men up there are gentlemen, and it seems as though this matter ought not to be on the calendar at every meeting and postponed from time to time. Neither does it seem that a member of this board should introduce, either in pique or for any personal reason, a matter into the board, unless he intends to pursue it.

The gentleman stated when he offered the order that when he got ready there would be a hot time. Now, if there is any information he has which warrants the position he has taken, he should give us the benefit of it, should tell us what it is. If there is nothing, if he does not desire to pursue or tell us the charges, he should withdraw the order from the calendar, so that it shall not continually appear before us.

Ald. PRESHO—Mr. Chairman, I hope we will allow the alderman time for preparation and that at the end of two weeks he will be able to give us some of his conclusions as he will then have had quite a long time to look into the subject.

The motion to assign the order to two weeks was declared carried.

Ald. Dixon doubted the vote. The roll was called, and the order was assigned for two weeks from next Monday, yeas 5, nays 3:—

Yeas—Ald. Adams, Barry, Codman, Colby, McDonald, O'Toole, Presho—3.

Nays—Ald. Brick Dixon, Doyle—3.

GENERAL RECONSIDERATION.

Ald. CODMAN moved a general reconsideration, hoping that the same would not prevail. Lost.

Adjourned at 3 o'clock, on motion of Ald. Adams, to meet on Monday, July 3, at 3 o'clock P. M.

IN COMMON COUNCIL.

Thursday, June 29, 1899.

Regular meeting of the Common Council, held in the Council Chamber, City Hall, at 7:45 o'clock P. M., President Kiley in the chair.

SCHOOL ACCOMMODATIONS—CENTRAL STATION.

The following was received:
Mayor's Office, City Hall,
Boston, June 16, 1899.

To the Common Council:—
I transmit herewith a communication from the School Committee in reply to your order requesting them to provide additional primary school accommodations in the section of Wd. 23 known as Central Station. Yours respectfully,

Josiah Quincy,
Mayor.

City of Boston, in School Committee,
June 12, 1899.

The Committee on New Buildings, to whom was referred, Feb. 14, a communication from the Common Council, through His Honor the Mayor, requesting the School Committee to provide school accommodations of the primary grade at that section of Wd. 23 known as Central Station, report that while they realize the importance of school facilities keeping pace with the development of this section of the city, they are yet constrained to state that there are no funds at their disposal to meet the cost of a new building as suggested. They hope, however, to be able to provide the desired accommodations at no distant date, and recommend that the Common Council be informed, through His Honor the Mayor, that this matter will receive their favorable consideration at the earliest opportunity.

For the Committee,
E. I. Aldrich, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy. Attest:
Thornton D. Apollonio, Secretary.

Referred to the Committee on Schools and Schoolhouses.

MOTION TO TAKE RECESS.

Mr. MARTIN of Wd. 15—Mr. President, I move a recess of fifteen minutes.

Mr. LYDON of Wd. 13—Mr. President, I hope that motion will not prevail, unless the gentleman can give some good reason for it. There seems to be no special cause for it now.

The PRESIDENT—The Chair will state, although he does not intend to deter any gentleman from making a motion, that it might be well not to press the motion at this time.

Mr. Martin of Wd. 15 withdrew his motion.

NEW SCHOOL, WARD 17.

The following was received:—
Mayor's Office, City Hall,
Boston, June 16, 1899.

To the Common Council:—
I transmit herewith a communication from the School Committee in reply to your order requesting them to consider the advisability of selecting a site and erecting thereon a new primary schoolhouse in the vicinity of Thorndike and Reed Sts., Wd. 17.

Yours respectfully,
Josiah Quincy, Mayor.

City of Boston,
in School Committee,
June 13, 1899.

The Committee on New Buildings to whom was referred—Mar. 28—a communication from the Common Council, through His Honor the Mayor, requesting the School Committee to consider the advisability of selecting a site and erecting thereon a new Primary Schoolhouse in the vicinity of Thorndike and Reed Sts., Wd. 17, report that this proposition has been brought to the attention of the School Committee a number of times; and your committee fully appreciate the efforts of the residents of this section to obtain additional school accommodations which are undoubtedly needed, and they recommend that the Common Council be respectfully informed, through His Honor the Mayor, that the School Committee will take the necessary steps towards the selection of a site and the erection of a building as soon as an appropriation for the purpose can be obtained.

For the Committee,
E. I. Aldrich, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy. Attest:
Thornton D. Apollonio, Secretary.

Referred to the Committee on Schools and Schoolhouses.

SCHOOL BUILDING—LEON ST.

The following was received:—

Mayor's office, City Hall,
Boston, June 16, 1899.

To The Common Council:—

I transmit herewith a communication received from the School Committee in reply to your order requesting them to take such steps as may be necessary for the erection of a building for kindergarten and primary school purposes on the site of the present school building on Leon St., Wd. 19.

Yours respectfully,
Josiah Quincy, Mayor.
City of Boston.
In School Committee.

June 13, 1899.

The Committee on New Buildings, to whom was referred, Mar. 28, a communication from the Common Council, through His Honor the Mayor requesting the School Committee to take such steps as may be necessary for the erection of a building for kindergarten and primary school purposes on the site of the present school building on Leon St., Wd. 19, report that the necessity of replacing the present Ira Allen School house, referred to, by a new and modern building has long been recognized, and numerous efforts have been made to bring about the desired result. Your committee gave this matter very earnest consideration some months ago, but arrived at the conclusion that it would be wiser to obtain a better and more conveniently located site in the Sherwin District than to rebuild on the present Leon St. lot. An appropriation to cover the cost of a new building is now available, the architects have been selected by this Board, and your committee understand that favorable action has been taken by the Board of Estimate and Apportionment and by both branches of the City Council with regard to providing an appropriation to cover the cost of a new site. Your committee recommend that the information contained in the foregoing report be transmitted to the Common Council, through His Honor the Mayor.

For the Committee,
E. I. Aldrich, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor?

A true copy. Attest:

Thornton D. Apollonio, Secretary.
Referred to the Committee on Schools and Schoolhouses.

SCHOOLHOUSE BYRON ST.

The following was received:—

Mayor's Office, City Hall,
Boston, June 16, 1899.

To the Common Council:—

I transmit herewith a communication from the School Committee in reply to your order requesting them to consider the advisability of purchasing land and erecting a schoolhouse in the vicinity of Byron St., Wd. 1. Very respectfully,

Josiah Quincy, Mayor.
City of Boston, In School Committee,
June 13, 1899.

The Committee on New Buildings, to whom was referred, March 28, a communication from the Common Council, through His Honor the Mayor, requesting the School Committee to consider the advisability of purchasing land and erecting a schoolhouse thereon in the vicinity of Byron St., Wd. 1, the expense of the same to be taken from the sum set aside by the Board of Estimate and Apportionment for the purpose of building new schools, report that in consideration of the somewhat limited amount available for new school accommodations during the current year, and the urgent necessities existing in various sections of the city for additional facilities, your committee felt that they could not consistently favor the proposition in question this year. They hope, however, to be able to give this

matter renewed consideration early next year, and recommend that the Common Council be so informed.

For the Committee,

E. I. Aldrich, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy.

Attest: Thornton D. Apollonio, Sec'y.
Referred to the Committee on Schools and Schoolhouses.

PLAYGROUND, TILESTON SCHOOL.

The following was received:—

Mayor's Office, City Hall,
Boston, June 16, 1899.

To the Common Council:—

I transmit herewith a communication from the School Committee in reply to your order requesting the committee to lay out and construct as a park and playground a portion of the yard of the Tileston School, Dorchester.

Yours respectfully,
Josiah Quincy, Mayor.
City of Boston.
In School Committee,

June 13, 1899.

The Committee on the North Division, to whom was referred, May 23, a communication from the Common Council, through His Honor the Mayor, requesting that the School Committee lay out and construct as a park and playground, a portion of the yard of the Tileston School, Dorchester District, which is not now used for any purpose, report that the proposition meets with their cordial approval, but they are not aware of any funds within the control of the School Committee which can be drawn upon to meet the cost of the suggested improvements. They therefore recommend that the Common Council be respectfully informed, through His Honor the Mayor, that there is no objection on the part of this Board to the proposed use of the unoccupied portion of the Tileston School lot until such time as it may be required for school purposes, provided that all expense in connection with this matter be assumed by the Common Council. For the Committee,

Emily A. Fifield, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy. Attest:

Thornton D. Apollonio, Secretary.
Referred to the Committee on Schools and Schoolhouses.

REPAIR OF CHAPMAN SCHOOL.

The following was received:—

Mayor's Office, City Hall,
Boston, June 16, 1899.

To the Common Council:—

I transmit herewith a communication from the School Committee in reply to your order requesting them to give a public hearing in regard to the necessity of repairs and alterations in the Chapman Schoolhouse.

Yours respectfully,
Josiah Quincy, Mayor.
City of Boston.

In School Committee,
June 13, 1899.

The Committee on School Houses, to whom was referred—Mar. 28—a communication from the City Council, through His Honor the Mayor, requesting the School Committee to give a public hearing to the citizens of East Boston in regard to the necessity of repairs and alterations in the Chapman Schoolhouse, report that inasmuch as it is proposed to begin the construction of a new building in place of the Chapman Schoolhouse, at an early date, no further action is necessary on the communication referred.

For the Committee,

Thos. F. Strange, Chairman.

Accepted, and ordered to be sent to His Honor the Mayor.

A true copy. Attest:

Thornton D. Apollonio, Secretary.
Referred to the Committee on Schools and Schoolhouses.

POLICE OFFICER—ORCHARD PARK.

The following was received:
 Mayor's Office, City Hall,
 Boston, June 29, 1899.

To the Common Council:

I transmit herewith a communication from the Board of Police in regard to your order requesting them to station an officer at Orchard Park, Wd. 17. Yours respectfully,
 Josiah Quincy, Mayor.

City of Boston, Police Department,
 Office of the Board of Police,
 June 21, 1899.

Honorable Josiah Quincy, Mayor of Boston:

Dear Sir—We have received this morning:

"Ordered, That the Board of Police be requested, through His Honor the Mayor, to station an officer on duty on Orchard Park, Wd. 17."

In Common Council, June 15, 1899.

Referred to His Honor the Mayor.

Daniel J. Kiley, President."

which you referred to us for such action as is considered proper. In reply I desire to say that the Board of Police will communicate with the captain of this district and will request him to station an officer on duty at Orchard Park, Wd. 17, for the present. I remain, very respectfully,

Robert F. Clark, Chairman.

Placed on file.

WIRES ON BROADWAY.

The following was received:—

Mayor's Office, City Hall,
 Boston, June 29, 1899.

To the Common Council:—

I transmit herewith a communication from the Commissioner of Wires in reply to your order requesting information as to "whether any action can be taken to oblige the Boston Elevated Railway Company to place its cables on Broadway, South Boston, underground."

Yours respectfully,

Josiah Quincy, Mayor.

Hon. Josiah Quincy, Mayor:

Sir—I beg leave to acknowledge the receipt of the following order passed by the Common Council June 15th, 1899:

"Ordered: That the Wire Commissioner, through His Honor the Mayor, be requested to report to the Common Council whether any action can be taken to oblige the Boston Elevated Railway Company to place its cables on Broadway, South Boston, underground, in order to prevent further injury to the trees on that thoroughfare.

I respectfully beg leave to submit the following report:

Chapter 454, acts of 1894, authorizes the Commissioner of Wires to cause to be removed from above the surface of the streets all wires with the exception of the long distance telephone wires and the trolley wires of the Boston Elevated Railway Company within the district south of Dover and Berkeley Sts., which includes that portion of the city proper. This act does not give him authority to order the removal of any wires or cables outside that district until after January 1st, 1900.

Chapter 249, acts of 1893, authorizes him to remove from at least two miles of streets, avenues and highways, within any portion of the city of Boston, all wires, with the exception of those before mentioned, it being the purpose and intention of this act to cause the removal from 20 miles of streets, avenues and highways outside the prescribed district of all overhead wires prior to the first day of January in the year 1910. At any time after January 1st, 1900, the Commissioner of Wires can order the Boston Elevated Railway Company to place its cables on Broadway, South Boston, underground, providing that public interests will be best served by so doing.

Inasmuch as the amount of streets which are to be cleared of poles and wires is limited to two miles per year, it will require careful consideration on the part of the Wire Commissioner as to where this work shall first begin. The purpose and intention of this act would seem to be that portion of the city where large numbers of wires are located which would prove to be an obstruction to the Fire Department in the performance of its duties, and where they are in a measure a menace to life and property, should be first attended to; and there are a great many streets within the city limits that contain more overhead wires which are in a worse condition at the present time than those in Broadway, South Boston.

The location of the poles owned by the Boston Elevated Railway Company was granted by the Board of Aldermen. It was impossible to support the wires on these poles without interfering with the trees, in many cases without fastening them thereto. These fastenings are of an unreliable nature and cannot be depended on; they frequently give way and let the wires come in contact with the branches, abrading the insulation and often shortening the life of the trees very materially. These feeders, however, are a necessary adjunct to that portion of the street railway, which cannot be operated without them, and there is no authority vested in the Wire Commissioner to cause their removal at this time. Respectfully submitted,

Thomas W. Flood,
 Commissioner of Wires.

Ordered printed and assigned to the next meeting on motion of Mr. Lydon of Wd. 13.

PARK NEAR COLUMBIA ROAD.

The following was received:—

Mayor's Office, City Hall,
 Boston, June 29, 1899.

To the Common Council:—

I transmit herewith a communication from the Board of Park Commissioners in reply to your order requesting the said Board "to lay out a park and a playground southeast of the Columbia Road, and to consider the feasibility of providing in connection therewith, if possible, a suitable house for beach bathing purposes."

Yours respectfully,

Josiah Quincy, Mayor.

Board of Commissioners of the Department of Parks,

June 26, 1899.

Hon. Josiah Quincy, Mayor.

Dear Sir—In reply to the request of the Common Council of June 15th, that we submit a report in relation to the matter of a park or playground in the territory southeast of Columbia Road and providing in connection therewith a suitable house for beach bathing purposes, we beg to say that the land in question is a margin of salt marsh, irregular in form, bordering on extensive flats and undefended from the tides which cover it for considerable periods each month, and that to make the ground available for the purposes mentioned would require a large expenditure of money for which no appropriation is available.

This location is so near the L St. bathhouse as to make it undesirable to establish another bathing place here.

Yours respectfully,

Laban Pratt, Chairman pro. tem.

Ordered printed, and assigned to the next meeting, on motion of Mr. Giblein of Wd. 15.

PAPERS FROM BOARD OF ALDERMEN

1. Notice of indefinite postponement of order of June 15, requesting Board of Estimate and Apportionment to transfer the appropriation for the dam at Wood Island flats to an appropriation for reconstruction of sewers in East Boston.

Placed on file.

2. Communication from School Committee stating its intention to replace the present Chapman schoolhouse by an entirely new building, the plans for which are now being drawn and will be completed at an early date.

Placed on file.

3. Communication from School Committee stating that the selection of a proper site for a new schoolhouse in the Dorchester Centre District is now under consideration, and that it is the intention of said committee to provide the additional accommodations asked for as soon as the required funds for the purpose can be obtained.

Placed on file.

The Council voted, on motion of Mr. Watson of Wd. 13 to take up Nos. 4 to 10 inclusive together, viz:—

4. Report of Committee on Claims, on petition of Bridget C. Flanagan, recommending the passage of the following order:

Ordered, That the City Treasurer be hereby authorized to pay to Bridget C. Flanagan and Benjamin Lancy the sum of \$354, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Samoset St., for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 619.

5. Report of same committee, on petition of Charles E. Lee, recommending the passage of the following order:

Ordered, That the City Treasurer be hereby authorized to pay to E. Heber Richardson the sum of \$70.40, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Westover St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2501, fol. 223.

6. Report of same committee, on petition of Charles P. George, recommending the passage of the following order:

Ordered, That the City Treasurer be hereby authorized to pay to Charles P. George the sum of \$124.70, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of two estates on Litchfield St., Brighton, for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2581, fol. 65.

7. Report of same committee, on petition of Clara Flad, recommending the passage of the following order:

Ordered, That the City Treasurer be hereby authorized to pay to William A. Flaisted the sum of \$29.03, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Cornell St. for unpaid taxes of the year 1895, by deed recorded with Suffolk Deeds, lib. 2486, fol. 600.

8. Report of same committee, on petition of Sophronia N. Herrick, recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Sophronia N. Herrick the sum of \$111.97, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Mt. Vernon St., for unpaid taxes of the year 1896, by deed recorded with Suffolk Deeds, lib. 2493, fol. 610.

9. Report of same committee, on petition of Therese Kluge et al., recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to Wilfred Bolster the sum of \$44.03, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on the corner of Columbus Ave. and Sarsfield St., for unpaid taxes of the year 1895, by deed recorded with Suffolk Deeds, lib. 2410, fol. 433.

10. Report of same committee, on petition of Boston Penny Savings Bank et al., recommending the passage of the following order:—

Ordered, That the City Treasurer be hereby authorized to pay to the Boston Penny Savings Bank the sum of \$93.70, being the amount held by the city under chapter 390, section 40, of the Acts of 1888, from the sale of an estate on Allston terrace for unpaid taxes of the year 1897, by deed recorded with Suffolk Deeds, lib. 2583, fol. 367.

Reports severally accepted, orders severally passed in concurrence. Mr. Watson moved to reconsider; lost.

11. Report of Committee on Building Department, on petition of John Morrison, recommending the passage of an order authorizing the issue of a permit to him to build a wooden building in rear of 39 Sumner St., Wd. 2, in excess of range allowed, etc., to be used as a coal pocket.

Report accepted; order passed, in concurrence.

12. Ordered, That the City Messenger be instructed to remove the flag-pole now in Monmouth Sq., and relocate it at the junction of Saratoga and Bayswater Sts., East Boston; the expense of the same to be charged to the appropriation for City Messenger Department.

Mr. BATTIS of Wd. 1.—Mr. President, I would like to have this order assigned to our next meeting.

Mr. HICKEY of Wd. 2.—Mr. President, while this is a matter outside of my own ward I feel called upon to object to the assignment of it to the next meeting of the Council. As I understand it, the residents in that vicinity do not want the flag-pole there now, and the residents around the square to which it is proposed to remove the pole do desire it. I have here a letter from Peter Morrison, chairman of the Republican Ward Committee, which was written to Alderman Day, in which he says:—

E. Boston, June 29, 1899.

My Dear Alderman:—

I have been requested by a number of residents on Monmouth St. to have the flagstaff in Monmouth Sq. removed and the electric light pole placed in its former position, and hope you will do all you can to make the change. Yours truly,

Peter Morrison.

I hope the matter will not be assigned, but that the member from Wd. 1 will allow it to go on its passage tonight. I can see no real reason for objecting to it. An electric light in the middle of that square now would be of far more benefit to the people in that vicinity than the flag pole, particularly as they are all on record as not desiring the pole. Ex-Alderman Gove, Ex-Councilman Wall, Ex-Representative Day and Ex-Councilman Leighton and many others have signed a petition in favor of the removal of this pole, and they all live in that vicinity—mostly all Republicans. I hope, Mr. President, that that will have some weight with this Council.

Mr. SIMPSON of Wd. 1.—Mr. President, without doubting my friend from Wd. 2, I have received several letters today, the signers saying that they wish to have that pole stay there. Now, if our friend the alderman wants a pole down in his district he can, being so near the Mayor, get a pole down there. He can take care of that all right. I intend, with all due respect to my friend Peter Morrison—whom I think I am as close to as any one, and who has said nothing to me about this matter—to favor the assignment of this order. I want the members of this body to give me an assignment for one week, to look into it, and if the people interested are then satisfied to take the pole out, I will vote for it.

The order was assigned to the next meeting.

13. Ordered, That the Board of Estimate and Apportionment be requested to provide the sum of \$500 to be expended for the completion of the Public Landing, Dorchester Bay.

The question came on giving the order a second reading.

Mr. LINEHAN of Wd. 13—Mr. President, I move you, sir, the reference of No. 13 to the Committee on Finance on the part of the Council.

Mr. HARVEY of Wd. 24—Mr. President, I hope this order will not be referred to the Committee on Finance. It is merely a customary order, requesting the Board of Estimate and Apportionment to provide a certain sum of money. This \$500 is very much needed. The work is now being done and cannot be completed without this amount of money, and I hope the order will not be referred to that committee.

The question came on reference.

Mr. WATSON of Wd. 18—Mr. President, I desire to ask the gentleman who last spoke whether or not this money is being expended and is to be expended by the Bath Department?

Mr. WELLS of Wd. 16—Mr. President, I sincerely trust that this matter will not be referred. There has been \$1000, as I understand it, appropriated for a public landing there. It has nothing whatever to do with the Bath Department; and the public landing is now about half finished and cannot be finished within the \$1000. As it is, it is of no use. Unless the \$500 is appropriated, it will stay there in an unfinished state.

Mr. HUBBARD of Wd. 24—Mr. President, I can see no reason for referring this to the Committee on Finance. This is simply a question of requesting the Board of Estimate and Apportionment to appropriate \$500 to finish this landing. The work has been commenced and I see no reason why it should not be finished. I hope the order will not be referred to the committee.

Mr. LINEHAN—Mr. President, my only object in desiring No. 13 referred to the Committee on Finance on the part of the Council is that I believe all expenditures of money or orders calling for them should be considered by some committee. As the Committee on Finance is appointed for the purpose of considering financial matters, I think that is the proper committee to refer this order to.

Mr. WATSON—Mr. President, I am obliged at this time to disagree with the previous speaker, and say I don't think, as a matter of fact, that my opposition to this order or anybody's opposition to it would be that it should be considered by a committee for the simple reason that this is only a request. My purpose in going into this is that, if the bath department is expending that money and has expended \$1000 and will expend \$500, I intend to vote against it if my vote is the only vote in the Council. I am not satisfied in that matter yet, although I don't doubt Mr. Wells of Wd. 16. But I do want to say that I desire to be better satisfied that the bath department is not going to expend this money in the way they have other money, before I can vote for the order.

Mr. WELLS—Mr. President, I will acknowledge that I cannot say for a surety that the bath department is not doing this public landing. But the money was appropriated in the first appropriation bill and has nothing whatever to do with bathing facilities. This is simply a public landing for boats to land there, and I see no reason why the department should do the work.

The PRESIDENT—The Chair desires to state, for the information of the Council, that the appropriation of \$1000 made previously in the year by the Board of Estimate and Apportionment, has been spent under the supervision of the Bath Department.

Mr. HARVEY—While I was not before aware that that money was being spent by the Bath Department, I will say now that if the case was not as urgent as it

is I should be tempted to vote with the gentleman from Wd. 18 (Mr. Watson) against the Bath Department expending the money. But as it is, I hardly see the necessity of opposing the order. If they are expending it, I am willing to say that it is being spent judiciously and in a good cause.

Mr. WATSON of Wd. 18—Mr. President, this Council is on record as having said that the bath department cannot expend money judiciously for anything. There is no guaranty that after this \$500 is appropriated by the Board of Estimate and Apportionment, it will be used out in Dorchester; it will be more apt to be used down in Wd. 6, to take care of additional heaters for the coming political fight. I will say frankly that notwithstanding my feelings toward the bath department, if I could be made to feel satisfied that this money would go out there and be expended for that landing, out of respect for the Dorchester members of this Council, I would sacrifice my feeling and vote for it—but I have an impression that they are being jollied. The bath department is quite cramped at the present time. They need money. They will get it, it is true, if His Honor the Mayor has an opportunity to get into anybody. I want to say that until I am better satisfied that if the board of Apportionment appropriates this money it will be used on that landing, I will not vote for it. If I am satisfied of that, I will vote for it; otherwise I will dissent, if I am the only member.

The question came on reference of the matter to the Committee on Finance.

Mr. LINEHAN of Wd. 13—Mr. President, as the bath department has control of all floats, public baths and landings, and bath houses—and I might say public convenience stations—and as it is a fact that the Repairs Division does all their work, as \$1000 has been appropriated for the building of this landing, it does not surprise me one bit that they are in here asking for \$500 more. I sincerely hope that it will be referred to the Committee on Finance.

The motion to refer the matter to the Committee on Finance was declared carried. Mr. Hibbard of Wd. 24 doubted the vote and asked for a rising vote. The Council stood divided, but before the result was ascertained the Chair declared the doubt solved, and declared the motion to refer to the Committee on Finance lost.

The question came on giving the order a second reading.

Mr. WATSON—Mr. President, I sincerely trust that this Council will not even vote to request the Board of Estimate and Apportionment to appropriate that \$500. I want to say that the bath department of Boston is today being conducted in an incompetent manner, and, in short, I want to say one thing, that at a certain bath in Roxbury which is open today a swimming instructor fell overboard, and only for the help of a fireman in an adjoining house he would have been drowned. (Laughter.)

The PRESIDENT—The Council will be in order.

Mr. WATSON—Now, Mr. President, and fellow members, how can they do anything judiciously if they are incompetent? I do not believe they ought to even have the use of that money, and I sincerely trust that this will be voted down.
